

BUSINESS LEADER FOR LAND POLICY

Reclamationists at Spokane Formulate Program for Next Congress

SPokane, Nov. 24 (AP)—A business leader fell in step today with reclamationists as they formulated a national policy for conservation.

Allan O. Harrison, chairman of the agricultural committee of the national reclamation association, expressed his views to the fifth annual meeting of the national reclamation association.

He spoke as the association was formulating a policy for presentation to the next congress, and as the budget committee announced \$7,000 had been authorized to support a reclamation movement in Washington, D. C., during the next session of congress.

Partly in agricultural session, Harrison said, depends first on the development of sound land use policies, conservation of soil resources, development of adequate credit facilities, sound credit policies, standardization and grading of agricultural products and extension of markets.

Qualities Endorsement—Harrison said the reclamation corporation may be beneficial.

"The objective of the act (reclamation) is laudable, and it is conservatively administered, may prove to be of great benefit to our people," said Harrison.

Another business man, Delo James, manager of the agricultural department of the United States Chamber of Commerce, declared reclamation "a very real national significance."

The United States Chamber of Commerce said, "It is a constructive attitude toward reclamation."

Senator Lewis B. Schwellenbach (D-Wash.) predicted that in the next four years western reclamation will face "a peculiar situation of having what will probably be the most bitter opposition and at the same time having the brightest promise of success that it has had since its inception in 1902."

Despite the opposition, Senator Schwellenbach expressed confidence "all of the great reclamation projects will be completed."

CROCHETED MOTIF THAT MAKES A DELIGHTFUL CHAIR SET

By RUTH ORR

PATTERN NO. 355

Have you an odd chair, or one set that is too large or too small for the regulation chair set? If you have, then here is just the thing for you. Instead of being made all in one piece, as most of them are, this one is made of small motifs that are joined as you go along, so you can make the set just as large or just as small as you like. You might even make a very long one to go on a divan or couch.

Another thing, it is made of the soft knitting and crochet cotton that works up so very quickly and makes like nobody's business.

The pattern envelope contains complete, easy-to-understand illustrated directions, with diagrams to aid you, also what crocheted hook and what material and how much you will need.

To obtain this pattern, send for No. 355 and enclose 10 cents in stamps or coin (not preferred) for cover and postage. Address: Needlework Arts Service, c/o Twin Falls News, 10 New Montgomery St., San Francisco, Calif.

COUR TSESSION AT BURLEY POSTPONED

BURLEY, Nov. 24—District court has again been postponed and will not open here for about two weeks. Judge T. Bailey Lee, who will preside at the January session, is now hearing a case in Jerome which will require his attendance for an indefinite period of time.

Among the cases on the docket which will be heard when court commences will be a suit on November 14 by the state of Idaho versus W. Matthews and Lillian A. Matthews, his wife, and the Stock Yards National Bank of South Carolina, a national banking corporation in which the former acts as president of \$300 and no interest.

On the same day Arvel Sweet filed suit in district court here from H. Parley Matthews for \$11,030.80 damages for injuries alleged to have been sustained in an accident which occurred on September 25, 1938, and in which W. Wilson also filed suit against H. Parley Matthews for \$31,335 damages for injuries alleged to have been received in an accident occurring on the same day as the Sweet accident.

The North River Insurance company has filed suit against Fritz Johnson on an amended complaint in which he prays judgment for \$300 plus interest for damages alleged to have been sustained on an automobile while under repair in Johnson's shop. In this case a check was secured about two weeks ago.

BURLEY OTATO MILL OPENS FALL ACTIVITY

BURLEY, Nov. 25—The Otato corporation began operation of the plant which opened Friday evening with a crew of 11 men employed according to Manager F. C. Rouse. The plant is expected to last during the winter season. The mill is expected to receive daily for which the company is paying 50 cents per 100 pounds.

It was previously announced that the price paid for the cut potatoes containing "water" in manufacturing the meal would be 92 cents per hundred, but the statement was declared by Rouse to be erroneous. Only cut potatoes are used and the mill is in operation during the night only, however, potatoes are required at any time during the day or night.

The Otato mill, situated just west of Burley, is a large factory equipped with machinery at Caldwell, Idaho. The mill and potatoes are being so finely pulverized as to resemble flour, is used for baking purposes and large quantities are sold to bakeries throughout the country.

FEDERATION LASHES AT DICTATORSHIPS

Labor Organization to Fight Spread of Communism, Fascism, Nazism

TAMPA, Fla. Nov. 21 (AP)—The American Federation of Labor today termed communism, fascism and nazism "a definite threat to life, liberty and to peace" and voted to fight the spread of these doctrines with all its strength.

Devising a close after-dinner of the John L. Lewis revolt issue, the Federation's 56th annual convention deflected European dictators had wiped out the workingman's liberties and aimed "by force of bloodshed" to "dominate" all those within the nation who may differ.

Under fascism, nazism and communism, political differences and opinions are held to be treason. The convention's resolutions asserted that the political assassinations and the so-called judicial verdicts by which these are executed are in direct way with the examples are recent and impressive.

SUIT FOR \$50,000 FOLLOWS SHOOTING

Father-in-Law Files Action Against Husband-of-Victim

BLAOKOFT, Idaho, Nov. 24 (AP)—Suits for \$50,000 damages was filed today in Blaucoft by the father-in-law of a woman who was killed by a shooting on the morning of September 13 of this year.

Mrs. Hopkins was killed by a discharge from a rifle held by her husband during a hunting trip near his southeastern Idaho city. With a party of friends, the husband declared the shooting was accidental.

Yesterday Probate Judge George S. Bailey named the father-in-law administrator of his wife's estate, directing a petition by the father-in-law for administration rights.

rise the so-called "neutral zone" in Madrid as acts from aerial bombardment. Such a move, he declared, would be tantamount to "a right of bombardment in other sections of the city."

As the center of international complication increased with the communication's issuance, Eric C. Wendell, American ambassador, announced formal closing of the embassy and warned that American ships remained would do so as their own risk.

Those who wish to leave with his staff, Wendell said, would be taken to Valencia where a U. S. warship awaited them.

The embassy will be closed Thursday, he told the 70 American refugees in the building. A custodian will be left in charge with no authorization to deal with the Spanish government.

About half the Americans, mostly newspaper and bullfightmen, would remain and take their chances, he was indicated.

SOUTH IDAHO FOOTBALL YEAR DRAWS TO CLOSE

Clamor For Tickets Indicates Capacity Crowd At Pasadena

Weber and Albion Open Program on Burley's Gridiron

College Game, at Gooding and High School Clash in Twin Falls Feature Holiday Pigskin Bill

Bringing a thrill-packed football season to a close in southern Idaho, the Thanksgiving battles Thursday afternoon Salinas junior college gridironers from California will take to the field at Gooding to battle the Gooding high school Senators who invade Twin Falls for a clash with the local Gridironers at Lincoln field.

In the meantime, several hundred fans are expected to take the parade to Ogen when the University of Idaho-Vandala mix with the Utah State Agricultural college football team at Ogen.

Today's game at Burley is called for 2 p. m. Times of the Thanksgiving battles have been announced at Ogen: Salinas junior college vs. Gooding college at Gooding, 1 p. m.; Twin Falls high school vs. Gooding high school at Twin Falls, 1:30 p. m.; University of Idaho vs. Utah State college at Oden, 1:30 p. m.

Today's clash at Burley is scheduled to be a three-quarter affair with the two teams ranked on an even basis by the comparative scores. They have won their respective state titles in the conference without a defeat in conference play. Gridiron fans are slated to witness a much better scene here than was anticipated earlier in the season and Coach Hank Powers of the local team is confident that the outcome may be entirely changed by the outsiders.

On paper Twin Falls is many touchdowns to the good, but on the other hand Coach Al Berg's Salinas team has made important gains in the past few weeks. It may throw a scare into the locals.

Twin Falls will play the game in the late afternoon. The game will be a pile-driving tussle, which will go to Salt Lake City to watch the University of Utah play the University of California at Berkeley. The game may attend school at the Utah school next fall.

Power last night said that his line will be vital to the success of the team that started at Boise except that Ray Miller will replace Kent Turner in the line. Wayne Turner will fill the shoes of Wayne Stokes at right tackle.

Wayne Turner will be stepping into the shoes of Wayne Stokes at right tackle. Salinas, competing in an area where the football is generally expected to be a close game. The game turned out in Idaho, will be a very favorite at game time, but the Board of Education of the city of Burley recent letters and Coach Ken Parberry assured that they will be in their fighting.

Professional Grid Records Smashed

Green Bay's Passing Combination Sets Three New Marks

NEW YORK, Nov. 24 (AP)—The Chicago Bears' 100-yard passing combination of the Green Bay Packers has broken three national professional football league records today. Herbert Hodge threw for 100 yards this season, bettering the mark of 80 yards set last season by Mark Hinton of the New York Giants. Hinton has already caught 28 passes for a total gain of 437 yards, which breaks the league record of 265 passes caught and 423 yards gained by Tod Coonin of the Chicago Bears last year.

Jack Manders of the Chicago Bears is now topping the scoring column with 61 points, 18 less than his own league record. Dutch Clark of Detroit is second with 49 and Hinton a third with 47.

Blanchard and Williams Fight 10-Round Draw In Legion's Boxing Feature

Battle Ends With Kansas City Scrapper On Canvas After Furious Attack By Hard-Hitting Nevadan

Launching a desperate tenth-round attack that scored a knockdown just before the bell, Eddie Williams, 150-pound Reno Negro, bombed his way to a draw with his more aggressive rival, Pete Blanchard, 145-pound Kansas City youth, in the 10-round headliner of Twin Falls American Legion's boxing card at Legion Memorial hall last night.

Entering the final round, Blanchard led the fight on points. But the piston-like fists of the ebony slugger started early in the frame to land telling blows and a long right to the jaw lowered Pete to the canvas. Blanchard started a fight with the count of five.

While many of the fans agreed with the judges' decision, supporters of both Blanchard and Williams objected to the decision, loudly asserting that their candidates for honors had won the fight. In the fifth round Referee Bud Travis warned both fighters for slugging while coming out of a clinch and on several occasions Blanchard wined. Although he came back for more after blows that nearly broke the borderline between fair and foul.

The two fighters, who only last week battled to a six-round draw in the local arena, fought a hard-fought, but awaiting an opening as Blanchard landed the most punches. He landed a hard right, however, came back in the second to lead the fight and score a clean-cut edge. Blanchard captured the three major prizes: the Gunter, game manager, today replaced a complete sell-out of the Municipal stadium's capacity, 102,000, and a number of fans to attend the attraction.

U. S. State and Idaho team will meet more into Oden until the morning of the game. Thirty-four players will comprise the Idaho team, and 50 will be in suits representing Utah State.

Utah State's Final Appearance

Kent Ryan, Utah State's candidate for all-American backfield honors this season, will make his final gridiron appearance for the Panthers today at Oden. Ryan has been the big gun of the Utah State offensive during the season.

With the exception of Eddie Peterson, Farmer tackle, all of the Aggies are reported in good condition. Peterson will be forced to watch the game from the sidelines.

Coach Ted Hank reports that four of his stars are expected to watch the game from the sidelines. Coach Ted Hank reports that four of his stars are expected to watch the game from the sidelines.

102,000 To Witness Annual Grid Classic

Philadelphia Municipal Stadium Prepared To Accommodate Huge Crowd

PHILADELPHIA (AP)—The Army and Navy football teams will meet in their 37th football clash here November 25—but on a new gridiron and before the largest crowd ever to see the classic game in the East.

Municipal stadium, near the Philadelphia navy yard, four miles south of City Hall, has been prepared to accommodate the 102,000 expected at the game.

Ten years ago more than 120,000 persons jammed the stadium and field seats to see Gen. Thunney lift the heavy weight boxing title from the brow of Jack Dempsey. That year the service teams met at Soldier Field in Chicago before 100,000, the largest crowd ever to see the service game.

Fifteen rows of seats have been constructed in front of the concrete jousting stands of the stadium, swelling the seating capacity to 102,000.

A portable steel north stand between the horseshoe and stadium, with 12,735 seats, brings the total capacity to 102,015.

The previous 18 games in Philadelphia since 1918—back to 1929—have been played in the University of Pennsylvania's Franklin field, which has a seating capacity of 40,000 in the last few years.

Academy officials have been planning the game since 1918 when it was discontinued for six years. In 1929 the series was resumed in Philadelphia. The teams clashed at Princeton in 1930, but later returned to Philadelphia. Since 1918 they have played 11 times in New York City, once in Baltimore, in 1924, and once in Chicago.

Ruth Not Interested In Job At Albany

NEW YORK, Nov. 24 (AP)—Replying to published reports that he has been offered the managership of the Albany Senators of the International League, Bill Ruth said today he is not interested in any minor league managership.

Joe Campbell, owner of the Senators, was quoted in a telegram published by a Troy, N. Y., newspaper as saying he had offered the post to Ruth and "has a chance to get him to come to Albany to be a berth in the majors."

"I haven't been approached by Campbell," said Ruth, "and I'm not interested, anyway."

Tournament of Roses Officials Return Checks

Applications Rejected Until Pacific Coast Conference Selects Representative of Far West

PASADENA, Calif., Nov. 24 (AP)—The annual National Tournament of Roses officials returned checks for tickets to the Rose Bowl football game has started in earnest, despite the fact the game is six weeks away, but their team has been selected and the tickets have not been placed on sale.

For days letters from all parts of the country, including the Tournament-of-Roses headquarters containing checks and applications for tickets, flooded Pasadena and the officials indicated a capacity crowd of 45,000 to the huge bowl January 1.

Returning the applications and checks to the ticket writers, Tournament officials explained that non-accepted until the West's leading football conference, the Pacific Coast Conference, and athletic officials of the school more than 100 schools, who are all arrangements for the game.

Seattle's Game Dodge

The game's coast-town selection was made by the committee in the game between the Washington Huskies and the Washington State Cougars "Thanksgiving" game at Seattle.

Immediately after the game the graduate manager of athletics of the University of Washington, Pasadena and open the ticket sale.

It is the same policy followed year in and year out, since the game is held in the city of the New Year's date, before the opening teams are named—and before the tickets are placed on sale.

Chicago Newspaper Calls For Reform; Daily Nebraskan Would Drop Pittsburgh From Schedule

CHICAGO, Nov. 24 (AP)—The Daily Maroon, University of Chicago, asserted today all except "two or three Big Ten schools use various undercover methods of subsidizing athletes" and urged discontinuance of football activity in the western conference unless the alleged practices were curbed.

The editorial outlined four possible courses of action by the conference:

1. The "Reynolds plan" for open subsidizing might be approved.
2. Changes in rules to sanction the "Reynolds plan" and "blue book" provisions into the open as a legal device to be employed by schools seeking athletes" might be effected.
3. The situation may be left as it now is, "being more or less common knowledge that all Big Ten schools, except two or three, use various undercover methods of subsidizing athletes."
4. Or, the conference may crack down on "resting practices," adopt a firm policy against any form of subsidization, and devise effective means for enforcement of rules.

A. A. U. to Rule On 188 Records

NEW YORK, Nov. 24 (AP)—One hundred and 88 track and field and swimming records, some of which already have been approved as world standards by the International Amateur Athletic Federation, will be submitted to the Amateur Athletic Union for approval at the annual convention in Houston, Texas, December 4-6.

Adolf Kiefer of Chicago, Olympic and world champion backstroke swimmer, leads all others in record-breaking for the year with a total of 14 marks to his credit, the most noteworthy being 57.8 seconds for 100 meters through a short course.

Two records will be sought for Jesse Owens, triple Olympic champion, one of them for 100 meters run at Chicago 2000 was turned down by the I. A. A. F., because the track was inches short. The other is a National A. A. U. championship record, 104 seconds, made at Princeton on July 4.

Five record performances, which were approved during the Olympic games by the I. A. A. F., and which go before the A. A. U. convention, are: Two miles, 8:36, Don Lusk, at Princeton, June 12; 110-meter high hurdles, 14.1 seconds, Forrest (Speck) Towns at New Orleans, May 22; and 100-yard hurdles, 14.1 seconds, by Towns at Birmingham, Alabama, May 15, and 100 pole vault, 14 feet 7 inches, by Cornelius Johnson and Dave Albritton at New York July 4.

A. A. U. officials were at a loss to explain the absence of an American entry to contest one of the American record for the 400 meter performance by Archie Williams and which was approved by the I. A. A. F.

Cornuegers Study Oregon State Plays

LINCOLN, Neb., Nov. 24 (AP)—A whirling dust storm forced the University of Nebraska football team indoors for its last home practice session of the 1936 season today. The Cornuegers will leave tomorrow for Portland, Ore., to meet the Oregon State Beavers Saturday.

A freshman team under the tutelage of Ed Wells, who scored the Beavers, demonstrated Oregon State plays for the variety in a workout, beneath the stadium.

Professional Grid Records Smashed

Green Bay's Passing Combination Sets Three New Marks

NEW YORK, Nov. 24 (AP)—The Chicago Bears' 100-yard passing combination of the Green Bay Packers has broken three national professional football league records today.

Herbert Hodge threw for 100 yards this season, bettering the mark of 80 yards set last season by Mark Hinton of the New York Giants.

Hinton has already caught 28 passes for a total gain of 437 yards, which breaks the league record of 265 passes caught and 423 yards gained by Tod Coonin of the Chicago Bears last year.

Jack Manders of the Chicago Bears is now topping the scoring column with 61 points, 18 less than his own league record.

Dutch Clark of Detroit is second with 49 and Hinton a third with 47.

DRIVER EXONERATED BY CORONER'S JURY

Evidence at Inquest Indicates Boy's Death Unavoidable Mishap

A coroner's jury last evening exonerated the driver of a Buick, Spokane, Washington, mining engineer, and William J. Stratton of Washington, mining engineer, in connection with the death of Earl Lynn Goertzen, nine-year-old son of Mr. and Mrs. Peter Goertzen of Twin Falls, who was struck and fatally injured by an automobile on a street crossing here Monday evening.

Witnesses included White, driver of the car that was alleged to have struck the boy, and William Goertzen, father of the boy, in connection with the case which witnessed the fatal mishap.

White said he was watching a truck that was entering the intersection of Third and Main streets when he saw the Buick car. He said that his car lights were "turned down" and that he "did not see a soul" at the crossing but felt a bump and thought his car wheel had gone over a "stop button" as he made the turn.

William Goertzen said he stood at the curb at the corner of Shoemaker and Third streets when he saw his brother started to cross Third street. The car, he said, was "going pretty fast" when it rounded the corner, and struck his brother. The injured lad, he said, was carried to the hospital, but he was not able to be advised to go home and tell his parents.

Examiner Car. L. D. McCracken, police officer, told of locating the car at the hotel and of telling White and Stratton what had happened. "They found the car together," he said, and found just brushed off the front fender.

Dr. D. L. Alexander testified as to treatment given the boy at the hospital. He said the lad died a few moments after he was admitted.

Participating in the inquest which was convened at Dr. H. L. Stone, coroner, were two other attorneys besides Prosecuting Attorney Edward Babcock. They were E. M. Swedberg and Francis L. Sheddberg.

Members of the coroner's jury were H. B. Barnes, G. D. Ryan, W. M. H. Borden, W. A. Shaw, Orla Snyder, Harry Slatkin and H. J. Cannon.

Funeral services for Earl Goertzen, it was announced last evening will be held at the Drake chapel in Twin Falls at 2:30 o'clock this afternoon, and will be conducted by Rev. Roy Barnhart of the Baptist church. Interment will be in Twin Falls cemetery.

Third son of Mr. and Mrs. Peter Goertzen, Earl Goertzen was born at Aberdeen, Idaho, February 18, 1927. Besides his parents, he is survived by two brothers, Robert and William, and three sisters, Mrs. Arnold Macho, who was married last Sunday, and Florence and Elvora.

STUDENTS TO PRESENT THANKSGIVING PROGRAM

A Thanksgiving program will be presented at the Washington school today by fifth grade pupils at the regular Junior Red Cross meeting. Miss Tina Adams and Miss Dorothy White are in charge of the program, which will consist of songs and readings.

Group children will sing "Thanksgiving," "Pilgrim Ode," "Thanksgiving Day is Here," and "O'er All Cheer Our Pilgrim Day." The first Thanksgiving will be read by Margerie Holloway and "Our Country" will be presented by Lee Sullivan, Wendell Green, Dale Rogers and Ted Moss.

Brylin Anderson will read "A Thanksgiving" and Zena Hales "A Pilgrim Feud." Billy Garrison will give "Ted's Thanksgiving," and Paula Kelly, "Turkey Soliloquy." Songs from Pilgrim life will be presented by a group of children.
