REVISE RULES  
OF TOURNAMENTBereaster Team Must Play Two  
Games Before Eligibility  
From State Title

MOSCOW, March 21.—In future the state baseball tournament, to be held at the University of Idaho, each team will play at least two games before being eliminated, high school officials have decided. This action came after consultation with the state association decided at the close of the state tournament.

This change will bring about the playing of many more games, giving the opportunity of recovering one's laurels after losing one game. The defeat now eliminates the chance of a team winning the title.

Another change is that any high school team becomes eligible on its 21st birthday anniversary. In the past, teams could not play in the tournament unless they were 18 years old.

The new rules will permit to play the half of a year in any branch will be sufficient to constitute a season. Association officers will have to make application to the conference director of sports, Sup. T. B. Shanks, Moscow, president; B. M. L. Clemmons, Idaho Falls, vice-president; and W. C. McRae, University of Idaho, secretary-treasurer.

IN REGARD TO  
THAT NEW

**LEGION OFFICER GETS BIG OFFER**

L. P. Albert, State Adjutant, is wanted by National Headquarters for Work.

The announcement of the high position in which the work of the state department of the American Legion is held has been made. Albert, who has been made Adjutant, will be sent to Idaho Falls to take charge of the service organization. The following telegram has been received by Albert:

"Are you interested in position at headquarters? If so, send me your resume of qualifications and I will forward you my letter of nomination as soon as possible."

(VII) **Star in Fiber**

Some additional information has been received concerning the offer of the Legion. Albert has apparently accepted the offer and will remain in his own state to aid his work, looking after the affairs of the Legion.

Our work here is only partially completed," said this morning, "and the unfinished tasks are the most important. We have given the Legion a great deal of money and time and we must now see that our organization continues until the present program is completed."

The office of the Adjutant will be removed from Twin Falls to Boise April 1 in order to take care of the Legion's business. The new office will be located in the Western Hill Building which was passed by the recent legislature.
