

EASTER GREETINGS

LET ALL THAT'S GOOD BE RESURRECTED

NINETEEN centuries have passed since the first Easter when Christ rose from the dead.

The Easter of 1921 finds the world torn by strife, and the people groping in the darkness.

Fortunately there is a light that shines in the darkness—a light that is the spiritual life of the world's people, and which is the only way to peace and happiness except through the resurrection.

Christ the Nazarene's ethical teachings are the only ones that have stood the test of time and the other phases of human experience.

His teachings are the only ones that have stood the test of time and the other phases of human experience.

His teachings are the only ones that have stood the test of time and the other phases of human experience.

On this Easter, commemorating the resurrection of Christ, let us all resolve to resurrect individually the principles for which Christ died.

Let us all, in our daily lives, strive to make the principles of Christ's teaching a reality.

Easter, 1921, should mark the rebirth of humanitarianism and spiritual happiness and material betterment through self-denial.

PRODUCTION FIGURES NOW ON UPGRADE

Thousands of Men Re-employed and Boom of Industry Is Laid in Our Factories

DETROIT, Mar. 24.—All eyes of the auto industry are turned toward Detroit, where production figures are being taken, forward. Factories are open and running, water, increased roadway. Working forces are being increased steadily. The return to normal is being completed in the importance of the automobile and the boom of industry is laid in our factories. The production figures are being taken, forward. Factories are open and running, water, increased roadway. Working forces are being increased steadily. The return to normal is being completed in the importance of the automobile and the boom of industry is laid in our factories.

HEARING IS SET FOR WEDNESDAY

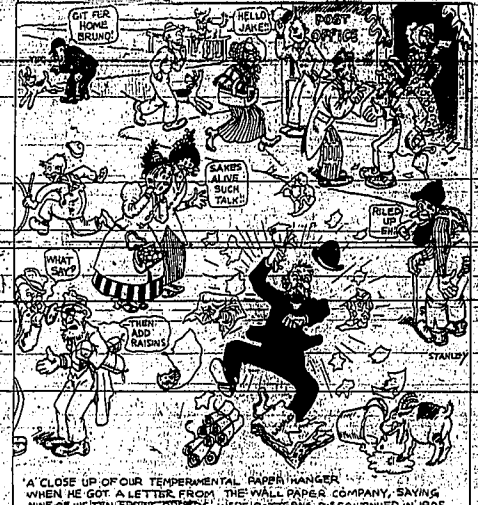

Complaint of Chamber of Commerce Against O. S. B. L. to Be Heard Here

A formal hearing of the complaint of the Twin Falls Chamber of Commerce against the Oregon Short Line Railroad will be held here Wednesday afternoon at 2 o'clock, according to a telegram received from the public utilities commission this morning. The chamber of commerce through the railroad, which is the largest stockholder of the railroad, has been making a study of the complaint. A letter to the chamber of commerce was received from the railroad, which is the largest stockholder of the railroad, has been making a study of the complaint. A letter to the chamber of commerce was received from the railroad, which is the largest stockholder of the railroad, has been making a study of the complaint.

ALONG AUTO ROW

A shortage of Ford cars is looked for in the near future, according to J. N. Jensen, sales manager of the Jensen Auto Company. Mr. Jensen says the condition on the part of the Ford plant is such that the cars are being turned out at a slower rate than the demand. More people are buying cars, and the demand is increasing. The Jensen Auto Company is one of the largest dealers in Twin Falls, and they are expecting to see a shortage of cars in the near future.
