LADIES DARKEN YOUR GRAY HAIR

Use Grandma's Sage, Tea- and Balm-her Recipe and Method

Will Know.
The use of Sage and Balm-her for restoring faded gray hair to natural color does work on almost every one. The trick is to keep her hair beautifully clean, glossy and attractive. Whenever her hair-tink on this dull, faded or streaked appearance, the simple mixture will apply with wonderful effects. Get frequent oil baths in massy and oil of date. Nowdays, by asking a few druggists for a bottle of "Wyeth's Sage and Balm-her Compound," you will get the famous old preparation, improved and made up in a special spoon to restore natural color and beauty of hair back to normal.
A well-known downtown druggist says it carries the name on natural hair. It has been applied. You simply dampen a sponge or soft brush with it and draw it through the hair taking one strand at a time. By using the eye, hair dresser, and after another application or two it will be successful in darkening almost all hair.

BRITAIN FACES GREAT STRIKE

High Alliance Strikers Induce Political Approval At Working of Lower Wages

LONDON, March 31.—Great Britain was threatened with an industrial stoppage throughout 1936 because of the High Alliance strikers' demands.

Miners were ordered to strike in a strike which government control of the industry would be a necessary condition.

Miners were ordered to strike in a strike which government control of the industry would be a necessary condition.

When that put in this morning that great line of workers' room and said: "How did you get into my room?"

And while he was in the room, he said: "April Fool!"

While he was in the room, he said: "April Fool!"

April Fool! (April 1) is a day when people play practical jokes on each other.
