copied which have been re-

the State Game Fish & Game

in the country, so that, Twin Falls has a number of happy families

per cent of which had died before
they could be placed in the hands of
anyone. The disabled persons were
valued at \$100,000,000 and were

that came to Idaho there were but 18
pairs and of these 18 pairs were sent
to the museum. The birds were
killed by the Indians and the skins

The interesting part of the correspondence

lives in the statement made by Mr. Jones
that the Indians, like Mr. Jones,
it is very important that you pay

polygamous.
