NEWS OF THE SPORT WORLD

TWIN FALLS WINS 2ND GAME AND STATE CHAMPIONSHIP

Thrilling Game Goes to Bruins by Wide Margin; Hodgin in Rare Form; Twin Falls Errors Numerous; Visitors Prove Themselves Game, Sports and Taste Defeat Without a Whimper; Last Game of Series Today.

R. H. E.
Caldwell 4, 11 1
Twin Falls 10, 15 8
Batteries: Bardley and Smith; J. Jarman, Hodgin and Mussell.

(By HENRY H. GRAHAM.)

"Spivus" Hodgin hurried to the slab yesterday after Caldwell had routed Laval Jarman with a bewildering exhibition of consecutive hitting, stopping the rally and held the enemy safe all the way. It was a slow game with a fusillade of hits, chief of which were home runs by "Jeff" Kim, the popular little Caldwell second baseman, and Johnny Nye, erstwhile right fielder, who punched one of Bardley's choice ones out of the grounds.

There were lots of three-baggers and doubles, but to mention the lean singles garnered from time to time. Gerry Jarman had another off-day in the field, making three errors. Selck also erred three times. "Flash" Cron, with two, erred the total to eight.

As usual Caldwell took the lead at the start, scoring two runs right off the bat. Triller by Lawson and Lowell and Smith's double did the business and sent Jarman to left field, Jarman to the bench and Hodgin to the mound. Twin Falls evened the count in the second by two singles, a pass and Jarman's two bagger.

Kim's peachy batting was Caldwell's only tally in the third but it was very inch earned. The bases also got across in this frame on Hammond's single and Nye's terrific triple to center.

The fourth inning decided the game, the locals scoring seven runs on eight hits, including Nye's three-bagger by Mussell and Atkinson, and a double by Cron. Bardley was before found regularly in this count, the life coming off the bats steadily and cleanly.

Last Man in the Game
Caldwell made his last stand in the sixth in which Cron runner scored the plate on a single and a flood of misplays. The count of the end of the sixth was 10-4 and this was the way it stood at the end of the game.

As always, the boys from Caldwell won the hearts of the crowd by their sportsmanlike conduct and fair play. Trying hard to win all the time they took their medicine like the good losers, they are and the crowd was generous in its applause, especially when Morris, Kim and Smith pulled the only double play of the series thus far. It was a great piece of work. The visiting team fielded well and hit, erred but Bardley on this day seemed unable to hold the Evans batter in check. Special mention should be made of the umpiring, which was fully up to the high standard maintained by Whitel and Oliver. Their decision worked no disapproval.

The box score:
Caldwell: All R H PO A
Lawson, R. H. 7 1 2 6
Smith, C. 2 1 1 4 0
Kim, 2b 5 2 1 2 1
Lowell, 1b 5 0 1 12 0

JACK DAW IN CANDY LAND

Jack handed the little boy of candy kisses his handkerchief and as they started their game of drop the handkerchief, Carnival suggested that Jack might like to go down to the Candy Land dance hall, where some of the finest candies were made. Jack said, "Sure, I would," and off they went.

Upon reaching the dance-floor Jack sat down to watch little candies dance around. He noticed a big stick of white candy, dancing with a big stick of red candy. Pastor and waiter they danced and then, suddenly they stood in one spot and whirled round and round.

Drawings by Leslie Elton. Story by Hal Cochran.

Finally the whirling stopped and right out before Jack fell one big stick of candy instead of two. This one stick was a mixture of red and white. "My goodness," shouted Jack, "what kind of dance was that?" "Why, that's how peppermint sticks are made," replied Carnival. (Continued.)

JURY ACQUITS MURRAY FROM LIQUOR CHARGE

Verdict Arrived at in Short Time 'After (Saw) Submitted and is Returned Within Ten Minutes; State Falls to Show Actual Knowledge of Presence of Moonshine by Defendant.

J. J. Murray was acquitted in record time this morning at the conclusion of the case against him for alleged illegal possession of intoxicants. The jury was out less than 10 minutes.

Mr. Murray was arrested by North Officer W. H. Green after a search had been made of his Twin Falls laundry of which he is proprietor, and two jars of liquor had been found. The search was made by Officer W. H. Murray and when they found nothing in their retried and went into the laundry. The floors were unlocked and anyone who wanted to unlock them. These were unlocked in a room. There was no evidence that Mr. Murray knew that liquor was in the premises. The jury unanimously agreed after a brief discussion that the testimony failed to connect him with the liquor.

Technically, under strict construction of our statute, actual presence of liquor on the premises is a prima facie presumption by the jury as creating a presumption of knowledge of such presence. The jury, however, found that the defendant had no actual knowledge of such presence.

It was upon this theory that the prosecution was based. The defense contended that such presence at most would constitute mere possession and not guilty possession, and in view of the opportunity for others to bring in liquor and follow it into the premises, knowledge by defendant, the jury took this view.

The defendant indicated that political persecution caused the arrest. W. Orr Casperson represented him.
