AMERICA TO AND JAPAN'S SUFFERING

All of the Governmental Machinery at Washington To Be Turned Over to Red Cross Relief Department to Relieve Sufferers. Five Million Will Be Raised. Philippines May Be Turned Over to Japan Says Coolidge.

WASHINGTON, D. C., Sept. 4.—The American government and Red Cross today had under way a practical plan for speeding relief to the victims of Japan's catastrophe.

President Coolidge was in personal charge of the relief measures, which were being formulated and coordinated under his personal supervision.

It was this week that forward the nation in the capital lessened some when word was received from Ambassador Woods at Tokio that, though the embassy buildings were totally destroyed, no member of the embassy staff was injured.

There was great relief over the death of General Kato, and his wife, who were killed in the earthquake. The department in a despatch transmitted by General Davis, Washington.

No word has come to officials here concerning the fate of the American consulate in Japan. It is reported that thousands of other Americans in Japan, holding the Japanese passport, were killed in the earthquake.

The Red Cross, after conference of its officials with President Coolidge, today announced that it would be raised in the nation as a relief fund.

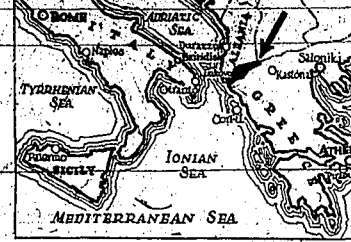

It is stated that the White House has been requested to the president that the United States over the Philippines to Japan in connection with the earthquake.

COMPARISON OF FIGHTING MACHINES SHOWS ITALY IS MUCH STRONGER THAN GREECE

WASHINGTON, Sept. 4.—What would happen if Greece and Italy were to fight? The answer is given in a comparison of the fighting machines of the two nations.

How long could Greece last against Italy, provided no other nation came to the former's aid? Many experts think not long.

A few hours could take the well-equipped Italian navy through the Aegean Sea and into the harbor of Athens.

IDAHO MISSIONARIES REPORTED DEAD IN JAPAN EARTHQUAKE

INDIANAPOLIS, Sept. 4.—Six missionaries, former students of the Indiana college of missions, are reported to have been killed in the earthquake area in Japan. They are: Mrs. and Mrs. H. G. Hendricks, Indianapolis; Mrs. and Mrs. J. H. Hendricks, Indianapolis; Mrs. and Mrs. J. H. Hendricks, Indianapolis.

AUNT JAMIMA IS KILLED BY AUTO

Old Old "Clara" Lady KILLED BY AUTO. Mrs. J. H. Hendricks, Indianapolis, was killed by an auto.

CHICAGO, Sept. 4.—Pancks time is coming but "Aunt Jamima" will be in town. Mrs. Nancy Green, 85, known to thousands for her "trap jokes" is dead. The victim of an automobile accident, she had been in the wake of the shock—so the number of lives this latest and most terrible of Japanese quakes disasters has cost probably never will be known.

More than a million persons are in urgent need of food that a rallying nation is trying to get them over broken roads, torn rail communications and shattered bridges.

Tales of horror come from the earthquake area. Soldiers and imperial guards patrol the ruined streets in the almost deserted business quarters where the skyscrapers and modern buildings—Japan's advance towards western civilization—is in shambles.

It will cost many billions of dollars to reconstruct the shattered and destroyed Tokyo to its former grandeur. Buildings that the quake left standing are being razed to the ground to check the spreading fires that approach the palace.

ONE HUNDRED THOUSAND DEAD IN TOKYO ALONE

Pestilence and Hunger Add to the Terrible Toll of Life in the Orient; More Than 1000 Have Already Committed Suicide Since the Earthquake; Three Million Are Homeless and Over a Million Cry for Food; The Sight of Great Heaps of Corpses in the Streets Cause Many to Hurl Themselves Into the River; Injured Lack Medical Aid.

PARIS, Sept. 4.—More than 100,000 persons are dead in Tokyo where the business quarters are completely wiped out, according to a telegram from the chamberlains of the Japanese of the imperial household, relatives of the emperor here.

Three members of the Japanese imperial family—Princess Yamashita, a daughter of the Princess Kanin, and a son of Prince Higashikuni—were killed.

Japan's earthquake casualties now range to a half a million. The total of lives taken in Saturday's disaster is being augmented hourly as pestilence, hunger and self-destruction in the stricken area increase the tolls by thousands.

The sight of heaped corpses in the streets of Tokyo where flames still burn their way from the ravaged business section towards the imperial palace, is driving hundreds to hurl themselves in the river.

Those that remain alive, thousands of them terribly injured with no medical aid to be had, face starvation.

The first direct word from an American source in Tokyo since the disaster came today in the form of a dispatch to the United States. The dispatch bore no significance but included the cable timing symbol used only by news writers and apparently was sent by accident in that city. It was relayed by wires from the Honolulu radio station and received at San Francisco. This message gave the total dead at only 100 to 1000 and families on three millions. It said that there was a food and water famine in the devastated cities, in which scarcely a single building is left standing after a series of quakes. The exact death toll is incalculable—a populated island is reported to have been swallowed up and a peninsula with its people has disappeared in the sea that rushed up in the wake of the shocks—so the number of lives this latest and most terrible of Japanese quakes disasters has cost probably never will be known.

NEWS OF THE SPORT WORLD

TWIN FALLS WAS TWO OF THREE GAMES

Harry Rile Starred for the Locals in Sunday's Game. Jarman Held the Colored Lads Hitless for Four Out of Seven Innings. Colored Gentlemen Staged a Come-Back in Last Game and Won by a 6 to 2 Score.

Twin Falls baseball team took two out of three from the Pocatello Glants, Idaho's colored ball club, which played the Sunday afternoon game and winning the 5-0 opener Monday morning, and losing the locals down with three scattered hits.

The Sunday game ended with the local on the long end of an 11-0 score. The Brown club gathering all runs in the seventh inning on two hits. The error was in the errors in this game, but three of them came in the first-inning.

Gohanna started for the colored lads, but twisted his ankle in the fourth and gave up in the fifth. In his place, a classy game, hitting the hard hitting locals to three runs in the first-inning.

The feature of the Sunday game was the hitting of L. Williams, the visiting team. Williams connected with five hits out of five trips to the plate, two or three being two-baggers. Shields' fielding was also worthy of special mention.

Harry Rile, hard hitting outfielder of the Twin Falls team, was clearly the star for the home boys, his three hitting in seven of the ten runs made.

The morning game proved to be a bit of a run, as the locals started out early in the game, to annex the rubber game. The score in the contest was 11 to 17.

Laval Jarman took the mound for the Twin Falls boys and pitched a clever game, holding the visitors hitless for four of the seven innings played. Three hits were garnered from his delivery in the first and four in the sixth, as many runs scoring in the two innings.

WATCHING THE SCOREBOARD

With a fluke single in the tenth inning, Jack Hunter drove a run that gave the Glants a 3 to 2 victory over the Braves in the first game, but the champions dropped the second, 8, to the locals.

Cincinnati fell behind another half game in the pennant race by losing to the Pittsburgh Pirates 7 to 10 in the first game of a three-game series.

Jimmy Ring outpitched Dutch Reiter and the Falls beat the Robins 4 to 2 in the first game, but Brockly won the second game 5 to 4.

Walter Johnson failed as a pitcher in the first inning and a fourth in the second, as the Robins won the first game, but Brockly won the second, 7 to 3.

Cleveland took a double header from the Browns at 4-2 and 4-10. Uble won his twenty-fourth game, the first.

The Yanks took two from the Athletics 3 to 1 and 7 to 4.

Hornaby's homer gave the Cards a 3 to 1 win in the first game, but the Cubs capped the second, 7 to 4.

With much batting, the Tigers nipped a double bill from the White Sox, 14-4 and 6-5.

BUHL BAPTIST BALL TEAM LOST TO TWIN FALLS

Baptist Teams Play Second Game in Church Contest. Buhl Won First of Assembly Grounds, Twin Falls Won Yesterday by 10 to 3 Score.

The second game between Buhl and Twin Falls Baptist baseball teams was played yesterday. Twin Falls (left) and the score was 10 to 7 at the end of a five inning game in favor of Twin Falls. It was a hard fought battle and it looked as if the Baptists might have to go to the back stop or Hook creek to settle the contest. Buhl won the toss and chose to bat first. They failed to cross the first sack the first time up, Brabb and Chandler fanned. Twin Falls was more fortunate. W. Lovely went to bat first for the home team and got a one-base hit. He stole second and later stole home. (Helo Buhl) pitched for the home team and the game was almost called off.

Umpire "Dommy" W. H. Tolliver ruled that the game was to continue. "Steve" Robinson walked to bat first for the home team and Taylor followed with a single and hit for a cleanout. A three-run homer came in the third inning and then added to injury stole home. DeWitt struck out. Taylor walked and immediately stole second. Masters got first-inning runs and second and third in the second. Robinson scored five in this inning. (To record all the hot outs would make the story too long.)

Second Inning
The heavy abrasion, Owenby, for Buhl came to bat and made a pretty single and stole second and went to bat for the home team. Robinson scored five in this inning. (To record all the hot outs would make the story too long.)

Third Inning
Hogus struck out. Brabb hit a home run, King threw out at first. Chandler got a single and stole second. He scored on Owenby's single. Twin Falls up. Jackson scored first. DeWitt struck out. Masters got a single and scored on an overthrow after speaking on a third.

Fourth Inning
Hyde out at first. J. King made a three base hit. Jackson caught McNabb's fly. Hogus struck out. Twin Falls up. W. Lovely walked. He stole second and third and then the home plate. Huntman hit a long drive to left field but King speared it. Robinson struck out. Taylor walked and stole a score. Jackson out at first.

Fifth Inning
Brabb for Buhl hit a single. J. King got on with a single. Buhl scored three in this inning but failed to overtake the home team water down and thus the great game ended with the final score.

Score by Innings: 0 12 0-7
Twin Falls: 0 12 0-3

Few men or women have the unselfish idea of life leaving their own lives from day to day. They hear it preached to them from their pulpits and yet they go right on with their own selfish habits and traits.

If Jehovah should come to this city tomorrow and set up his own kingdom here below a great many folks would be sorely disappointed because they were not forewarned as his elect.

Twin Falls holds a school election today and yet you would hardly realize that there was anything out of the ordinary about it on here.

DID YOU EVER STOP TO THINK

That advertising is the big thing that PUTS IT OVER. It has the driving power, it is the big force behind the sales, the unfulfilling energy that makes for bigger, better trade accomplishments.

That you should not spend your time fighting among yourselves, it don't get you anywhere, it just holds your city back.

That as a great industrial and commercial community, your city is of much importance. How well is that known inside as well as outside of your city?

That without the men and women who are so loyally working to make your city a bigger, brighter and better business city, your city would be in a sorry way.

That your city is surrounded by an agricultural country that is one of the richest and most productive territories in the country.

That your city has excellent transportation.

That your city property is lower in price than in most cities of your size.

That your citizens have always been exceptionally industrious, orderly and thrifty, and their leaders, men of vision, ability, energy and enterprise.

That your city is situated in a region of unbounded natural and financial resources, easy of entry by rail and highway.

That if with all these things, your citizens can't join hands and make your city a WONDERFUL CITY, you had better get busy and build an extra good road to your cemetery, move all your dead ones out there and make more room for the LIVE ONES TO COME IN.

—From the Shippene (ORD.) Board of Commerce.

AFTER 14 years of enforced illness because of ill health, "Uncle Jim" Keeler, widely known Maryland citizen, gained forty pounds, and at the age of 80 years goes back on the job every day.

JAMES H. KEELER

I am now 80 years old, but I feel like a young man. I eat and digest everything, and do a young man's work. All I can say is this: I thank God for Tanlac.
