

ITALO-GREEK DISPUTE MAY REIN LEAGUE

Italy Defies the League of Nations and Delegates to the Assembly Figure That This is to Test the Power of the League of Nations; Paris Ambassadors May Settle Dispute.

GENEVA, Sept. 5.—Australia today instructed her delegate to the assembly of the League of Nations to immediately bring the Italo-Greek dispute before the assembly, the effect of which would be to force the league to demonstrate its effectiveness and right to cope with such problems as that presented by the trouble over Italy's punitive measures against Greece.

GENEVA, Sept. 5.—With the fate of the league of nations at stake, the league council decided to meet the challenge of Premier Mussolini.

Delegates to the assembly decided to support a resolution which would require Italy to accept certain articles of the league covenant providing for its settlement in the present instance.

Lord Robert Cecil declared Italy's refusal to accept certain articles of the league covenant providing for its settlement in the present instance.

Although anxious to meet promptly Italy's challenge the council was determined to be considerate; permitting the council of ambassadors at Paris to conduct the required investigation into the affair.

In this way everyone's face would be saved and the league avoided withdrawal from the league avoided.

The recent campaign against waste in eating did not affect me much as I haven't been able to eat anything but food and for the past five years. Even that would create gas and cause me distress. My weight was down to 84 pounds and my complexion dull and sallow. I had lost all my hair and my eyes were sunken. I had lost all my teeth and my stomach was so weak that I could not eat anything. I had lost all my strength and I was so weak that I could not walk. I had lost all my appetite and I was so weak that I could not eat anything. I had lost all my energy and I was so weak that I could not do anything. I had lost all my hope and I was so weak that I could not live. I had lost all my life and I was so weak that I could not die.

TWIN FALLS MAN WINS IN TENNIS

Henry Graham of Twin Falls Wins Two Straight Games in Southern Idaho Tennis Tournament at Boise Today, Graham Was Not in Usual Form. Doubles Start This Afternoon.

BOISE, Idaho, Sept. 5.—Fast, spectacular playing characterized the semi-finals in the singles of the southern Idaho open, championship tennis tournament, being played at the local Y. M. C. A. courts, when Henry H. Graham, of Twin Falls, won from W. H. Geophrath to the count of 1-0, 6-0, 6-4 and 6-0.

Playing in a small gallery, watching tennis was displayed at all times, although Graham was decidedly off his usual form.

Wednesday afternoon at four o'clock the doubles are started and the schedule, as arranged in Boise and Graham as winners of the Peterson-Smith and Scott-Downs match. Gold-Koelsch vs. Geophrath-Martin; Eaton-Barney vs. Sheppard-Sheppard.

Saturday the finals of both the singles and doubles will be played off.

AMERICA WINS TENNIS TROPHY FOR 4TH TIME

Tilden and Johnston Are Expected to Retain Davis Trophy for Many Years; Seventeen Nations Participated in This Recent Contest and Yet the Two Bills Carried Off the Honors.

(By HENRY L. FARRHILL.) NEW YORK, Sept. 5.—Winner of the Davis cup for the fourth year in succession the United States, it seems certain now, will retain the championship of the world at tennis as long as William T. Tilden and William M. Johnston retain their game.

There is nothing to indicate that their America's "Two Bills" have touched or are even near the end of their string and as long as foreign visitors do not develop better players, Tilden and Johnston should be able to retain supreme even after they have slipped a little.

Seventeen nations challenged and participated in the preliminary rounds leading up to the challenge round between Australia and the United States which was finished yesterday at Forest Hills with the Americans winning by a score of 4-0.

Of all the stars that appeared in the cup series, only James O. Anderson, the tall Australian captain, showed form sufficient to place him near the top American six.

Anderson defeated Johnston of this year's challengers, but that is not a detraction from the fine game played by the Australian to whom Johnston was badly off his kine at that time.

The Little Californian showed that his form was only momentarily giving a terrific beating to young Jack Hines, who was able to win only three games in the match.

Anderson is at the top of his game now and he is as old as Tilden and Johnston. His game will not improve and it follows that if the American stars are able to take a little rest, he will be no great menace in the future. Johnston and Tilden are youngsters, but tennis players seem able to retain their form beyond the age that usually breaks an athlete in other strenuous sports and it seems certain that both the Americans should be on their best game for at least two more years.

AMERICANS FAST BECOMING WORLD LEADERS IN THRIFT

By S. W. STRAUS. President American Society for Thrift. WHILE there are many notable examples of waste in the United States, the people as a whole are a steadily becoming more so through the processes of civilization and experience.

Here are some of the reasons for the increase in deposits in banks and trust companies—increased income, more than 4 per cent of \$680,000,000 during the last fiscal year for which reports are now available. The number of depositors increased nearly 5 per cent during the same time.

There is an average of more than one savings account in every family in this country, in addition to which there are in some large cities 6,000,000 members of building and loan associations. There are millions more who are buying homes, investments, life insurance, and farms.

It would seem reasonably safe to estimate that one-half of the people of our country are today adhering to some substantial plan of systematic thrift practice. We are fast becoming world leaders in thrift.

Perhaps the most encouraging development in the progress being made among school children is the fact that they are saving their pennies in the school savings bank today in the child's program, preparatory to the school of tomorrow.

Thrift does not by any means mean a sacrifice of living money, but the steady increase in the ranks of the nation's savers is a dependable manifestation of thrift progress. No more profound assurance of the continued progress of our nation and the preservation of the present admirable social order could be thought than the widespread interest in thrift practices here outlined.

QUINDEF SAYS HE IS CHAMP; FIGHTS OFF LIGHTWEIGHT CHAMPIONSHIP CLAIMS BY DUNDEE ON THE GROUNDS THAT JOHNSTON FAILED TO APPEAR AND CALLED TONIGHT'S BOUT OFF; DUNDEE CLAIMS HE WAS IN PINK OF CONDITION BUT BOXING COMMISSION HAVE SAY.

(By HENRY L. FARRHILL.) NEW YORK, Sept. 5.—Another fine squabble will probably be headed up on the gent back of the New York boxing commission over the postponement by Jimmy Johnston of the Leonard-Dundee lightweight championship bout which was scheduled for tonight in the Yankee stadium.

Reasoning that Johnston based the reason for the postponement of the fight, and that he was being examined by the doctors and taken there before the commission, to prove that he is in perfect shape and that he would fight on the 7th.

"I'm going to tell a few things about Dundee said: 'If the commission wants to find out what is going on, let them call Leonard to the office this afternoon and ask him why he will not appear and let him be examined by the doctors.'

Dundee added that he was going to proceed today just as if the fight had been called off and that he would go to the bank part tonight ready to fight. Broadway rather leaned toward Dundee in the controversy and had the idea that the weight champion would call it off and he placed because Leonard claim the title if he didn't fight on the date set. That's just what I am going to do.

Jerome Defeats Emmett and Wins State Championship

JEROME, Idaho.—Jerome beat Emmett by a 6 to 4 score and won the final game of the three-game series and also won the Idaho state championship. It was a hard fought game, full of fast hitting, good hitting and some fine pitching. Jerome won two out of three games played.

The fielding features of the game were three fast double plays, pulled off by Jerome. Sherman Emmett, center fielder, hit a homer.

Manager Billie for Jerome, hit a long three-bagger and stole two bags. This will be the last game of the season for the Jerome club.

Times Wanted Got Results

Co-operation Spells Success

If the farmers and business men of the Twin Falls tract will co-operate to the limit, our financial troubles will be settled here in less than a year.

With the excellent co-operation from farmers and merchants The Times has reached the front rank among the newspapers of Idaho, and if the farmers and business men will co-operate with us to the limit we will give the people of Southern Idaho the best paper in the state; since the resources of this great irrigated belt are the best in the Intermountain region.

Here is our plan for increasing our subscription list, which is the first step in increased co-operation:

We are offering a splendid three-page map to every subscriber of The Twin Falls Daily Times free. All we ask you to do to secure this map is to secure a new subscriber to this paper for three or six months and we will give you the map. If this new subscriber pays a year in advance he will get a map also.

This map is a fine new three-page Atlas in colors. The first page is devoted to Idaho and the other pages to the United States highways, Europe and all the foreign countries are shown.

Population of cities and countries from the latest government reports are given.

Come in and ask how to get this new map free. It is a fine thing to hang up in your home. It is worth the price of the subscription for its educational value.
