LOCAL SQUAD IS READY FOR RUPERTITES

COMPLETE PLANS FOR DISTRICT TRACK MEET

Blue and white, track men, are gradually entering off training at the day approaches for the dual meet with the men from Rupert. Most of the men are in good condition and ready to go although Alford will not be in the field on account of his bad back, but it is expected that he will run. It is doubtful whether Murray, Walker or Weaver will be eligible even though they are in fine shape.

Team A-Minus:

Local followers will put their horses out to pasture, attend the events in the stands, and there should be a treat rest in store for the fans at Twin Falls. Track line up against the other districts and Winters will make a strong stand. Team B will make a strong stand.

In the 400, Johnson, St. Hall and King took the lead, and will probably represent the Blue and White.

In the half mile Ross, L. Hall and Rydahl took good. Ross won the half mile, and Rydahl came in second and is fast developing into a dangerous half mile runner.

Russell and L. Hall will probably run the 100. William is taking the 200 and will be a welcome distance man, and much is expected of him at the finish.

Giving the Field Events—

With Captain Jenkins, Tom Murray and Butler, the locals are strong in the field events. St. Hall and Weaver are equally as strong in the shot put, and Alford and Murray are in the high jump. With these four, and the rest of the locals, the Buhl team is strong in all events.

It is the third year for the Blue and White.

California Plague Leaves Bounds of California; Infected Hogs Killed

LOS ANGELES, April 22.—With foot and mouth disease out of the bounds of Los Angeles county, the disease may face a serious critical stage than it has in the past against the epidemic.

For weeks the disease has been spreading through the citrus country. State and federal authorities were hopeful that the rigid quarantine regulations would stop the progress of the infection.

Today, however, the slaughter began of nearly one thousand infected hogs in San Joaquin county because of evidence that the plague was spreading.

THIS BRIGHT BABY GIRL

Brought Joy to Home. Mrs. Price's Health Restored by Lydia E. Pinkham's Vegetable Compound

Never felt like work, and when I would try to do my work standing around all day long.

At times I would sit and rock and rock and rock. And when I would lie down to bed in three or four days, I was like a baby.

I was very weak and fatigued, and the doctor said, "Lydia, you must have a change of air." So I took a vacation trip and traveled around the world.

During my vacation I took a short boat ride from the Orient to America and traveled around the world.

Now I feel strong again, and my appetite is excellent.

I am still taking Lydia E. Pinkham's Vegetable Compound, and I can tell you, it has made a difference in my health and my energy. It has helped me a great deal.

My friends say I look younger than I did when I first started taking Lydia E. Pinkham's Vegetable Compound.

I am not alone in my opinion, thousands of others are using Lydia E. Pinkham's Vegetable Compound. It is a safe product and it will bring you many benefits.

Now I feel like work again, and when I would try to do my work standing around all day long.
