Conference of Sixteen Sovereign Nations Rejects Practically All U. S. Suggestions on Suppression of Opium Smuggling and Smoking

GENEVA, Feb. 6.—The American delegation withdrew from the League of Nations anti-drug conference today. This action was taken on the authority of President Coolidge after a so-called super-conference of 16 nations had discussed a report rejecting practically all the proposals submitted at Geneva by Congressman Stephen Porter and his colleagues. Refusing to attend this conference or to affix the signature of the United States to any of the conventions drawn up in three months was asked, drugs, the Americans wanted only word from Washington, authorizing them to withdraw. When this came, Porter informed the conference leaders that the United States would take no further action.

Despite the American withdrawal, British, Chinese, French, Persian and Dutch delegates attended the conference, pledging themselves to continue to work for the final application of the American proposal so that opium smoking may be practically abolished.

IDAHO BANK CANNOT BE REPEALED
BILL VOTED DOWN AGAIN

Oleomargarine Bill Postponed in Senate; Agricultural College at Moscow Will Be Investigated Before Transfer Is Considered; Earnings of State Penitentiary May Be Used for Improvements; Poison to Be Distributed by State Game Warden

BOISE, Idaho, Feb. 6.—A letter was read in the senate of the Idaho legislature this morning, from Mark W. Means, secretary of agriculture, asking an investigation by a joint committee of the legislature to be held on the bill to move the state college of agriculture from Moscow to Pocatello is acted upon.

The commissioner guarantees that railroad fare and expenses will be paid for the committee of ten legislators from southern Idaho to visit the University of Idaho at Moscow, and study its situation before acting legislation adverse to it. Opponents of a bill placing prohibitive license on manufacturers, wholesalers and retailers of oleomargarine and other butter substitutes won a victory when the bill was indefinitely postponed in the senate without amendment. The same bill was introduced in the house by the agriculture committee and will be brought out again.

HOW TO SAVE ON INCOME TAX

You Will Pay More Than Your Just Income Tax Unless You Take Advantage of New Clause Entitled "Earned Income."

WASHINGTON, Feb. 6.—You probably pay too much income tax if you don't read this article. Thousands of dollars of excess payments or income taxes have been paid by taxpayers who are not taking advantage of one of the most important tax reductions made by congress last year, and effective this year for the first time.

Most taxpayers notice that the normal rates for small incomes are much lower than last year, and pay accordingly.

But they don't notice this: "Earned income" only has to pay 75 per cent of the tax as compared under the regular rate.

Earned income, according to the new law, means wages, salaries, professional fees and other amounts received as compensation for services actually rendered.

All net income for 1924 up to the sum of \$3,000 is regarded as "earned" for the purpose of making this 25 per cent reduction.

The total of "earned net income" however, can be as high as \$10,000.

For example, a taxpayer who received \$2,000 in salary and \$3,000 in profit from a business would be entitled to three-fourths of the tax on the \$5,000.

Another relief for taxpayers provided in the new tax law is being disregarded by many returns the bureau says. This is as follows:

Businessmen who are operating a business in which both personal service and capital are material factors, are entitled to a reasonable allowance as compensation for personal services, actually rendered, which amount shall be considered as earned net income.

WASHINGTON, Feb. 6.—With the nomination of Attorney General Stone to be a supreme court justice, the possibility of a change in the administration of the department of justice is being discussed.

GOVERNMENT COSTS IS FORTY MILLION HIGHER

President Coolidge's Economy Platform Fails to Hold Down Expenditures. Cost of Government Will Be \$43,627,866 for Next Year.

WASHINGTON, D. C., Feb. 6.—Despite President Coolidge's economy efforts, the cost of government is mounting.

Estimates of the cost of government for the next fiscal year are \$43,627,866 more for their federal government than for the previous year.

The budget bureau and congressional committees have estimated that the government's expenditures for the next fiscal year will be \$43,627,866 more than for the previous year.

Increased appropriations for the fiscal year amounting to \$29,974,049 in the treasury and postoffice department, \$12,015,150, and the navy \$18,100,000.

Decreased appropriations for the interior department \$29,977,111; the war department \$14,200,000; the state, justice, commerce and labor department \$1,535,220.

But they don't notice this: "Earned income" only has to pay 75 per cent of the tax as compared under the regular rate.

LUCKY STRIKE

Facts About Taxes on Cigarettes

TO the general public, we believe it will be surprising to learn that nearly half of what they pay for cigarettes goes to the government for taxes.

The internal-revenue stamp on a package of twenty Lucky Strike cigarettes costs you six cents. On a 75c tin of cigarettes the revenue stamp costs you thirty cents.

So nearly one-half of what you pay for cigarettes is spent by you for taxes.

This is certainly the heaviest tax on an article of daily and universal consumption.

The Tobacco Industry and Taxes

The aggregate tax paid by the tobacco business is with one exception, income taxes, the largest item of internal revenue to the government for taxes. Last (fiscal) year it amounted to \$309,014,050.84.

Of this enormous amount of money the cigarette industry paid \$12,715,795.93, or nearly two-thirds of the total tax paid by the entire tobacco business.

We believe you will appreciate that when nearly fifty cents of every dollar paid by you for cigarettes goes to the government, you must receive in cigarettes a value in return for your money that is rarely given in any commodity.

That the public appreciates this great value is shown by the enormous increase in the consumption of cigarettes.

Our reasons for this tax free offer

We know this offer induces men to try Lucky Strikes—it "Wins More Friends."

We know that a large percentage of those who get acquainted with Lucky Strikes adopt them.

This isn't philanthropy nor propaganda—just good business, as you'll see.

The offer is limited. We cannot afford to keep it up.

We make it progressive, to attract attention.

Super-quality

Only by immense volume can we produce such an aristocratic cigarette as Lucky Strike at such a democratic price.

Its quality is expensive because it has that costly extra process, *toasting*, which improves the flavor and adds to the taste of every the finest tobacco that is used in Lucky Strike.

Cleanliness and Care in Manufacture

Every Lucky Strike cigarette is a model of sanitation. Read how Alford W. McCann, the noted food expert, describes one of our factories:

"White walls and ceilings, floors as clean as freshly cleaned marble, outside air drawn in through air conditioning machines that take away from the human hand all detail and leave nothing to the human supervision, but the watchfulness of trained men."

We know a trial will make you a permanent customer of ours.

BASKETBALL TOURNAMENT TO BE HELD IN BUHL CITY

Nine Teams, the Best in Each Section, to Compete for Championship Here March 7

BUHL, Idaho Feb. 4.—The basketball tournament of the south central district of the Idaho Athletic Association will be held in Buhl on March 7, according to a decision reached by the board of control of the district at a meeting held in Twin Falls recently. Nine teams representing four sub-districts will participate.

In addition to the boys' teams competing the two best girls' teams of the district will compete in the district honors. There are two sub-districts on the north side of the river, and two on the south. The championship girls' team will be selected from the north side, and one from the south side, prior to the tournament, and then these two teams will play for the district championship.

The various sub-districts will hold tournaments to select the two best boys' teams of the north side, and the two best teams of the south side will come to Buhl to participate for further honors.

According to a decision of the state athletic association and confirmed by the district board of control, the town tournament of the district will be held in Buhl, and the team regardless of whether the team qualified for the tournament or not. That gives the Buhl team a right to enter the district tournament without qualifying in a sub-district tournament.

The towns of the district are unanimous in holding the final elimination at Buhl, due to the large population, the capacity to take care of crowds and the spirit of the local fans in support of basketball.

Girls' basketball has elicited more interest this year than at any previous time. Three girls' teams of the district have played so far with out a defeat. They are Buhl, Rupert and Burley. Burley and Rupert will play on Friday night and Buhl will play on Saturday night.

There is said to be some strong girls' teams on the north side of the river this season.

The Buhl tournament of the district, under the supervision of the Buhl board of control, has been selected by the board of control to manage the district tournament. The Buhl members of the board are Supt. P. B. Doane of Gooding, W. W. Christensen, principal of the school at Burley and M. M. Van Patten of Buhl.

Free-for-All Over Boxing Bout Takes Life in Brooklyn

BROOKLYN, N. Y., Feb. 5.—One fight fan was killed and several others were slightly injured today in a free-for-all street fight that followed a boxing bout in which Vincent (Foppy) Martin, Brooklyn pugilist idol, was knocked out so completely by Mike Ballerino of Bayonne, N. J., that he was taken to a hospital.

The dead man is William Fehnelman, who was fatally stabbed because he maintained Martin was fouled. A blow to the lower body stopped Martin to his knees for the count in the eleventh round of a scheduled 15-round bout. He claimed a foul, but the referee would not allow it, and he defeated Ballerino the winner by a knockout. Martin was not seriously hurt.

SELF-SERVICE PLAN FOR THE LIBERTY ANNEX

Goods Will Be Promptly Checked and Purchased as in a Cafeteria Regular Store Will Continue as Formerly an Old System.

The self-serving department of the Liberty Market will be opened today by the public by C. W. Simpson in the room in the rear of the market. The door to the new department opens on Third street east in the Weaver building, while the main entrance of the Liberty Market is on Main street east at the intersection of Third street.

Everything carried in the main store will be carried in the new department; the only difference is that you come with your basket and serve yourself. There will be a clerk and bookkeeper to help you. Everything is plainly marked and you pick what you want, as in a cafeteria. If you want articles of less than \$5 value delivered, you must pay 10 cents for delivery. For a purchase of \$5 and over the delivery is free.

The prices are lower than in the main store because it costs less to operate on that basis, but the same principles on which it has always been conducted.

Red Always Disturbing Color. Red has been called the King of colors. The bull is not the only creature that regards red; the elephant, the horse, the dog, the cock, are all alike in this respect. It is sufficient for example, to cover the doors and sills of a kennel with red material to cause incessant barking and commotion among the dogs confined therein. A spider and a wasp, confined in a glass case, are reported to have dived happily together until a red cloth was placed against the sides, when the insect tackled each other at once and a fight to the death ensued.—Brooklyn Eagle.

DAILY MARKET REPORTS

GRAIN SHIPPED HARD IN WILD SESSION OF BOARD
 CHICAGO, Feb. 6.—Grain futures shipped sharply in one of the wildest sessions in the history of the board of trade today.

Wheat fell, May slumped 7% from the opening and was six cents under last night's lower close. New crop wheat sold off 1/4 to 1/2 c. to 48 c. About 50,000 bushels of American wheat were booked for export on the sharp break.

Corn's downturn was held on the basis of good local support. Data said that with other grains a dull market.

Provisions felt weakness in grains but recovered some of the losses on export buying.
