Buhl Girls Are Undisputed State Champions of Idaho

Buhl, Idaho, March 30.—Buhl's basketball girls fortified their claim to the state championship at Pocatello Saturday when they defeated the Shelley champions by the score of 62-24.16. The Shelley maidens were no match for the epidemic teamwork and basket-shooting of the Buhl set, and after the game, win over the prominent Shelley said that Buhl has a well deserved claim to the state championship so far as they were concerned.

Each team was supported by a good sized crowd of enthusiastic fans. About one hundred drove down from Buhl Saturday morning to see the game while the Shelley spectators consisted of nearly as many. The attendance from Pocatello was small. The Buhl girls started out by taking the tipoff, and registering six points before the Shelley girls scored. The balance was never in doubt from the opening whistle, as the teamwork of the Buhl girls completely overwhelmed their opponents.

The game was played on the Irwin Junior High school court, which is nearly as large as the Buhl court. Buhl made eight baskets in the first half and as many more in the second half. Buhl scored 24 points in the first half and 38 in the second. The Buhl girls have rolled up a total of 728 for the season to their opponent's total of 578. The Buhl girls played this year have even given the Buhl girls close competition. The season has been a success with the exception of one game lost early in the season.

Arrangements for the game at Spokane were temporarily dispensed with pending the outcome of the Shelley contest, but local fans are now looking forward to seeing the Buhl team compete for Pacific coast honors. Many Pocatello fans and coaches from other sections declare that the Buhl girls cannot be defeated by high school teams in the United States after winning them up in Saturday.

The lineup for Buhl was Cox, Wilcox and Metz forwards; Hays, Jumpson, Buhl and Stewart centers; and Ralph, Scully and Stewart, guards.

Following the game the fans who accompanied the team entertained Coach Hays and his squad with a banquet at 9:30 at the Pocatello Hotel. The next of the game was telephoned to Buhl by quarter and a crowd of 500 people assembled around the main board of the Central Pharmacy to get the results on the game.

IDAHO FARMERS CROP PLANTINGS ARE INDICATED

Corn Shows an Increased Ten Per Cent Rise in Price. Wheat Increase of Twenty-five Per Cent and Potatoes Six Per Cent.

According to their intentions about March 1, Idaho farmers expect to plant 10 per cent more corn, 25 per cent more spring wheat, 11 per cent more oats, 10 per cent more barley and six per cent less potatoes than the acreage grown for harvest in 1924. They also plan to grow about the same acreage of sugar beets last year.

This means that if the above plans are carried out, the acreage of corn, spring wheat, oats and barley, planted in 1925, will be larger than the harvested acreage of these crops during the past three years, and if we have a normal season the same will be true of production. The proposed 25 per cent increase in spring wheat is offset by a comparatively small acreage of winter wheat now growing, so that the indicated total wheat crop will be less than the past five years average of 24,000,000 bushels, assuming a normal season.

Idaho's 1925 acreage intentions compared with previous years:

Crop	1923	1924
Corn	75,000	80,000
Spring wheat	650,000	620,000
Oats	170,000	181,000
Barley	21,000	20,000
Potatoes	1,045,000	1,018,000
Sugar beets	1,000,000	1,000,000

COAL WOOD BROS.

PHIL PIX IS PLAYING BALL IN CALIFORNIA

Word comes from California that Phil Pix had his first tryout Sunday with the Bankers' Twelve Baseball League in Los Angeles, and got by in pretty good style. He pitched for most of the game, and nine innings and while the score doesn't show that he fanned all of them that fact figures heavily from a pretty reliable source who has been in California recently that Pix has a pretty solid touch with the Bankers' league. The score was 16-4 in favor of Pix's team.

TRAINING CAMP BREVITIES

JACKSONVILLE, Fla. — Brooklyn will finish second in the National League pennant race, according to a survey made by the Washington Senators. The New York Giants and the Washington Senators.

BIRMINGHAM, Ala.—Babe Ruth's travels were more today for another game with the Brooklyn Dodgers. The Yankees won yesterday, 5 to 0.

ers to make such further adjustments of their planting plans for 1925 as may seem desirable.

General Survey of U. S. Situation. Based on reports from 50,000 farmers, received by the Federal department of agriculture, farmers of the nation intend to increase 1925 acreage as follows: All spring wheat, 15.0 per cent; corn, 25 per cent; oats, 10 per cent; barley, 6 per cent; potatoes, 25.5 per cent. No change is planned for tame hay acreage by the farmers, but to decrease the acreage of Irish potatoes 4 per cent. The department reviews the situation as follows:

It seems doubtful if the general expansion of production contemplated by farmers would be to their best interests. Increased returns for the crops of 1924 were largely due to reduced supplies, either in this country or abroad, rather than to any increase in demand. The outlook indicates that any marked expansion of most lines would tend to lower the price and result in less satisfactory returns to farmers.

Spring Wheat. If repeated intentions are carried out, the acreage in spring wheat will be increased 14 per cent, or nearly 10,000,000 acres. The average of the last five years has increased 6.5 per cent over the previous year. Allowance for the increase in winter wheat area to be harvested would be about 4.5 per cent more acreage, and the increase in all wheat would be about 7 per cent or about 2,800,000 acres.

PATE CLAIMS JURY GUILTY OF MISTAKES

Attorney for Defendant in Golden Rule Burglary Says Testimony Received Out of Court and Verdict Was Reached by Lost Many Sign Parole Pardon.

The contracting Paul Pate, convicted on a burglary charge for alleged robbery of the Golden Rule store, was deferred a week this morning on request of his attorney, Turner K. Hartman, who filed a motion for a new trial wherein he promised affidavits to sustain statements made therein, and who also filed a request of 20 citizens of the Elmer neighborhood, including Judge W. A. Baskin, to pardon the young man, if sentenced.

As the usual claim of error in instructions and rulings by the court, Mr. Hartman charges was thus imposed by the jury. The principal issue is that they received evidence outside of the court; that they separated without leave of the court after the case had been submitted and that their verdict was decided by law. It is further alleged that the defense has new evidence.

In all the cases save alleged error of law, Mr. Hartman promises affidavits. The court gave Lorenzo Selway two months and \$200 fine, and Charles Clark's father two months and \$100 fine on liquor possession convictions.

CHICAGO.—The National Intercollegiate basketball tournament staged by the University of Chicago, will get under way here tomorrow morning with Miami, Fla., and Lafayette, Wyo., playing the first game.

Kearns and Jack Dempsey, \$1000. William D. Randolph, who pleaded guilty on the first day of the trial was fined \$200.

Sentence was passed by Federal Judge Indine, before whom the case was tried.

Grain Futures Drop on Chicago Market

CHICAGO, March 30.—Grain futures dropped sharply in late trading on the Chicago board of trade today.
 It finished in low standing on the board of trade, with the wheat at \$1.47, off 1/8% from last Friday's close. The amount in May was 134,000 bushels.
 No definite action for grain was taken. Figures posted indicated an extremely light movement of grain to the coast.
 The corn trade was believed to believe there is no urgent need of supplies and this coupled with extreme weakness in wheat, sent the coarse grain down.
 Oats fell into the general market trend.
 Provisions were lower.
