## BURLEY NEWS

The War Mothers of Twin Falls made the citizens and even the children recall "Mother" in a most striking fashion Saturday. They sold you a pink carnation if your mother was living and a white one if she has already joined that innumerable throng. The proceeds are to be used for a worthy object and we wish the War Mothers every encouragement in their work of mercy.

Swift must believe in Twin Falls and Southern Idaho or they would not spend such a large sum of money as they are planning today. We understand that there is every reason to believe that we will be able to get a woollen mill for the Magic City too, if water with a proper degree of softness can be provided. Several large water supplies are being tested by the city chemist of Twin Falls to ascertain whether they will answer this test.

It must be admitted that we have some track coach in Felix Plastino. Twin Falls was honored at the state track and field meet held in Pocatello Saturday when our high school athletes carried off twenty-one points and broke some more state records. This speaks well for the boys and for their coach. Twin Falls had a lead of eight points over their nearest rival and did not win in the relay race as all had expected they would. This again shows the impossibility of doping things out in advance.

The Twin Falls county fair will be larger and better than ever this year, according to the fair board, who are making extensive plans for the fair this fall. The women's department will be enlarged, we understand, and more money will be devoted to this department. The suggestion has been made that an exhibit of hand painted chin be made this year and a handsome prize offered for this display. Communities offering exhibits may be given a premium of fifty dollars if they are rated one hundred per cent.

The American Legion drive which starts today is worthy of consideration on the part of every citizen. Some of us thought that when the war closed all drives closed, but we have realized already the foolishness of this suggestion and now sense more keenly than ever before that a great many movements must be fostered by the community rather than by taxation. This is true of the American Legion drive for five million dollars or whatever the sum is. The money is to be used for the care of injured veterans and one can hardly imagine a more worthy cause. If you know of any real good reason why this drive should not be staged at this time the editor of the Twin Falls Daily Times would like for you to step down and enlighten him a bit.

# WOOLGROWERS WILL ATTEND LAND HEARING

Meeting Sunday Defers Announcement of Policy Until After June Hearings; Preference Is Voiced for Forestry Administration Service If the Board of Appeals Should Be Created.

The advisory board and board of directors of the Idaho Wool Growers met yesterday in their state offices in Boise, and after a long discussion of the policy and decide upon the public land policy that they would endorse before the President's agricultural conference, voted to support the committee both of which are to hold hearings in the west soon. The meeting was presided over by the president.

Carefully prepared briefs were read covering several of the four different possible methods of handling the public lands. It was voted that E. L. Smith of Rupert, against turning it over to the forestry bureau of the department of agriculture, being far the most exhaustive.

Stated Reprised.

Senator W. N. Stanfield of Oregon, chairman of the senate public lands committee, had a representative present.

It was voted that this committee would hold hearings in September in Boise and Pocatello, and that so far as possible have them during the month of August, against turning it over to the forestry bureau of the department of agriculture, being far the most exhaustive.

Major Ashton said that he had been engaged in three hours, while the old process took several times that number of hours. He stated that the new procedure was much faster, and will be about twenty-five minutes in their oven.

Royal hotel is shipped to Abbot, 42 miles from Twin Falls, and distance is 100 miles to Idaho Falls, where the steamer will be to Idaho Falls.

John W. Graham announced that those who were intending to go to the community banquet next Monday night will be asked to make arrangements with the home committee before Wednesday noon as the number of plates will be limited.

E. J. Alexander moved a vote of thanks to the Smith Brothers for the lunch and the visit to their plant.

**Commencement Talk Subject for May 21 Is Announced**

Lessons from life from the subject of experience will be the subject of the commencement address to be delivered at the Laverne theater Thursday evening, May 21, by Dr. John F. Price, pastor of the First Presbyterian church of Ogden. It was announced today at the high school. The rest of the program has not been set up, but will be given out later.

## KIWANIS CLUB IS GUEST OF ROYAL BAKERY

The Twin Falls Kiwanis club was entertained today by the Smith brothers at the Royal bakery with a splendid luncheon. John Smith gave a talk regarding the work of the forest service, how the work was mostly accomplished by automatic machinery. He stated that 12,000 trees could be turned out by one man in five days, compared with 100 men who could do the same amount of work by hand.

He also said that this type of machinery was used in the large city bakeries and the boy who turned out 12,000 trees a day, who

had no experience, had learned this, looking business with them.

Mr. Smith stated that the new procedure was much faster than the old, and will be about three hours, while the old process took several times that number of hours. He stated that the new procedure was much faster, and will be about twenty-five minutes in their oven.

**Wind Knocks Over Telephone Poles in Peavey District**

A windstorm which took on the character of a baby blizzard knocked down half a mile of telephone poles near the best dump siding beyond Peavey last night. The wind started about near the Frank-Burke place a mile west of Bush. In some instances tree branches were broken off by the force of the wind and the Idaho Power company suffered no damage, it was stated at their respective offices.

Chief P. H. Herriman of the Twin Falls police force announced today that with a view of constituting another organization with which he would tendered, he would place his resignation in the hands of Mayor Edgar L. **FRESHMEN WIN CLASS FIGHT**

Forty-eight freshmen defeated 41 sophomores in the class fight at Lincoln field this morning after a fierce struggle. It was a hard-fought battle this afternoon. When the whistle blew to end the game, the fresh crowd had gotten 26 points across the line, while the sophomores had 15. The fight of the year between the two classes was a close one, with the sophomores leading for a time.
