REVIEW

GOLDEN TEXT—Ye shall be witnesses unto me, both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth.

PRIMA TOPIC—The Day Jesus at the Temple Spoke.

SECOND TOPIC—Jesus Asking and Answering Questions.

THIRD TOPIC—THE GROWTH OF THE EARLY CHURCH.

FOURTH TOPIC—YOUNG PEOPLE AND ADULT TOPICS.

FIFTH TOPIC—The Growth of the Church.

As usual, the methods employed in the review largely depend upon the teacher and the class. Two methods are suggested.

First—The biographical. This is a method which can nearly always be used to advantage, since pupils of all ages are interested in the study of persons. Peter Paul, Stephen, Philip and Barnabas are very prominent characters in the quarter's lessons. These may be assigned to members of the class the week before with a view of a brief biographical sketch being prepared and read to the class.

Second—The summary method. This method calls for the review of the principal facts of each lesson with statement of the leading teachings thereof. The following is suggested:

Lesson I—On the Day of Pentecost, the risen and ascended Christ sent the promise of the Father, causing the Holy Ghost to descend upon the disciples to qualify them to be witnesses of His death and resurrection to all the world.

Lesson II—The healing of the lame man showed that the risen Christ is able to make strong a man who was born a cripple. This man who was healed thoroughly advertised the miracle. Those who have experienced the life of God cannot help but make it known.

Lesson III—The church is God's dwelling place. Since it is His dwelling place it is as holy as the holy place in the sanctuary. The judgment which befell Ananias and Sapphira proves that God will not allow the hypocrite to escape His judgment.

Lesson IV—The behavior of Stephen proves that the risen Christ is able to sustain His witnesses, even while they are sealing their testimony with their blood. His standing shows His active interest in His disciples and that He welcomes home to heaven those who are faithful.

Lesson V—The experiences of Daniel and his companions show that total abstinence pays.

Lesson VI—Philip, the only man in the New Testament called evangelist, is in the energy of the Spirit preaching the Word and winning men to Christ.

Lesson VII—The conversion of Saul, the bitter enemy of Christ, is an illustrative example of what the revelation of Christ in His glory can do and also illustrates the method of the conversion of Israel.

Lesson VIII—After Saul's conversion, he straightway preached Christ as the Son of God. Those who are really saved know of whom they have believed.

Lesson IX—The stupendous miracle wrought by the risen Christ at the hands of Peter proved that the gospel is the power of His power by which men are saved.

Lesson X—When Christ would break down the middle wall of partition between the Jews and Gentiles, He gave to Cornelius and Peter access to the Gentiles, when the gospel was offered to the Gentiles, the Holy Ghost came upon them as at Pentecost.

Lesson XI—Before the foreign missionary enterprise was launched, a new center of operations was established at Antioch. The Holy Spirit established this strategic center and sent His angels to deliver His faithful servants.

The Best Judges Us

Our attitude concerning the great value, the great reality, the great personality is not to put pressure upon our own minds or upon the minds of others to believe in them; and not positively either with ourselves or others to defend them or to argue for them, not simply to give them opportunity with us, and to do what we may to help others, too, to give that opportunity. The best, then, judges us rather than we—Henry Churchill King.

Better Than Guilt

Better it were, that all the miseries which nature owns were ours at once, than guilt—Shakespeare.

Let Us Not Lose Faith

Karl Baumbach said not long ago: "Let us not fear that the future is going to be less glorious than the past. Problems of which we never dreamed multiply upon us until we are almost overwhelmed. But let us not lose faith or courage."

For Truth's Sake

To love truth for truth's sake is the principal part of human perfection in this world and the seedplot of all other virtues—John Locke.

SOCIETY

For Out of Town Guests—Complimentary Miss Harriet Hildes, Boston, and Miss Katherine Pence of Fayette, house guests of Mrs. Fred Walker, were the delightful party given Thursday evening by Miss Aylene Booth at her home on Main Lakes boulevard. Fifteen was the diversion for the evening and there were four tables at play. Miss Laura and Miss Aylene Booth were the hosts. The guests of honor were each given a party favor. The rooms were very attractive with yellow and white rib and delphinium. At 8 o'clock the house was brightly lit, a luncheon followed by dancing, which was enjoyed until a late hour.

Bridge Club—The Extra No. club met Thursday afternoon at the home of Mrs. J. W. Foster. The usual number of games of bridge were played, and Mrs. G. L. Halpin won high score and Mrs. A. D. Bellamy low. Mrs. J. E. Meull substituted for an absent member. Purple and yellow garden flowers made the room very attractive and the hostess served a delicious two course luncheon in the garden at the close of the game. A yellow and purple color scheme was also featured in the table decorations.

Program on South America—The Foreign Missionary society of the Methodist church met in the church parlors Thursday afternoon with the president, Mrs. J. A. Towan, at the chair. The usual business session was held during which plans were made for a special party at the July meeting to which each member is expected to bring a gift for the hospital at Yon Ping China. Miss Etta Riley was program leader, the subject being South America. Miss Georgia McNeister, who graduated this spring from Mills college at Oakland, California, and who returned to Twin Falls a few days ago, sang two vocal solos with Miss Ritchey at the piano. Mrs. Mahol Young and her committee served refreshments.

Luncheon for House Guest—Mrs. Richard Glavin and Mrs. Myron Glavin entertained Thursday with a charming luncheon for their house guests, Mrs. M. H. Ring of Seattle. The guest list included Mrs. W. S. Polson, Mrs. M. G. Wain, Mrs. T. Sanderson and Miss Florence Sanderson, all of Twin Falls; Mrs. Rose Carter of Burien, Mrs. Fred Ramsey of Kimberly; Mrs. F. S. Lloyd and Mrs. Frank Graven of Hollister; Mrs. F. W. Vain, Mrs. M. P. Keworth and Mrs. S. C. Capell of Knoll. Miss Sanderson sang several numbers during the afternoon.

KEARNS MAY GO TO COURT WITH BOXING BOSSES

Manager of Mickey Walker Asks for Reinstatement but N. Y. Commission Refuses and Asks That Jack Dempsey Explain Will-Dempsey Deal.

(By HENRY L. PARRELL.) NEW YORK, June 26.—Jack Kearns will go to court if the New York boxing commission persists in its refusal to grant him a renewal of his second license. Kearns wants to be back of his new prize, Mickey Walker, when the welterweight champion meets Harry Greb for the middleweight title and he has been trying to put some political pressure on the commission with "very little success." The commission told Kearns, when he asked how he could go about getting a license, that he could not "negotiate" until he brought Jack Dempsey into the office and had him express himself on the challenge of Harry Williams. Dempsey is in Europe and will not be back in time for the Greb-Walker fight and as the commission has no particular affection for Kearns or Dempsey, it looks like Kearns is in a hole. Dempsey, the evidence shows, got Kearns into his latest jam by passing the buck to his manager. Friends of Kearns have suggested that he go before the commission and sign Dempsey to fight Williams as he did several years ago. Kearns, however, if told to be fearful that Dempsey would out-nominate his retirement or refuse to fight and that would pass the heavyweight championship to Williams by default.

AMERICAN WINS GOLF TITLE

PRESTWICK, Scotland, June 26.—Lowie J. Harris, popular American professional and former holder of the American open golf championship, today won the British open classic. The tall, slim star accumulated the 72 holes of the difficult Prestwick course in a total of 200 strokes through two days play.

Watching the Scoreboard

Yesterday's hero: Cobb hit his eleventh homer and put the Detroit Tigers in the first division with a 3 to 2 victory over the Browns. It was the seventh straight victory for Detroit.

Steady Ruel singled in the second inning and drove in the run that gave the Senators a 3 to 0 victory over the Yankees. Wally Schang's passed ball put the winning run on the bases.

With a three-run rally in the sixth inning, the Athletics beat the Red Sox, 3 to 2, and swept the series.

Two passes by Dickerman with the bases filled forced in two runs and the Pirates scored up with a game of the Giants, by bending the Cards, 4 to 2.

Mike Cronkree let the Indians down with five scattered hits and the White Sox won, 7 to 2.

Gillis Theatre in Kansas City Burns

KANSAS CITY, Mo., June 26.—With only one hour before the start of the explosion and fire which destroyed the Gillis theatre here last night, the fire department officials this afternoon expected the belief that possibly only two or three persons might have perished in the blaze. John Hogan, fireman, was killed when a fire truck turned over on route to the blaze. Twenty-seven persons were injured—none seriously—in escaping from the building.

KANSAS CITY, Mo., June 26.—One man is dead, several persons are missing and a score injured in an explosion of the wrecked five story building for additional bodies this morning. Estimates of the probable number of dead range as high as 20, less than 100 persons were in the audience when the explosion wrecked the interior of the theatre and adjoining stores in the Gillis building.

Fire immediately followed the blast and swept rapidly through the structure as those in the theatre and in other parts of the building battled through the narrow front exit.

MILNERMAN IS DROWNED IN CANAL

William Gillette Is Unable to
Beach Shore When Automobile
Plunges Into Ten Feet of Water
at Outlet of Murrumbidgee
Lake; Wife Is Postmistress at
Milner.

Crashing through the bridge railing at the outlet of Murrumbidgee lake while driving a Ford sedan, William Gillette, husband of the postmistress at Milner, plunged into 10 feet of water in the middle of the canal and, although he escaped from the closed car, was drowned before he could reach the shore. Coroner P. J. Grossman and Sheriff M. W. Finch went at once to the scene.

Gillette was working for Henry Boese, and the men this morning decided that in order to move a hay derrick safely under the electric wires they should have the current turned off. Gillette drove down to the state of the Murrumbidgee Electric Light & Power company at Murrumbidgee and had some boys, the manager, turn off the juice. As he was returning he seemed to be driving quite fast, and in the middle of the bridge, the car became unmanageable and struck the railing. Mr. Boese was standing on the porch at the home of the water manager, R. W. Higgins. He and Mr. Higgins drove down to the car but turned so far that although Gillette had gotten out they could not reach him. Mr. Higgins ran and not a rope but before he returned the man sank.

Coroner Grossman and Sheriff Finch with a crew of men started to work at once to recover the body. The water was about out of the canal this afternoon to help in this work.

Business Girl's Prize Hat to Be Presented Here

One of the famous Gaze hats is on display in the window of the King military store. This hat is to be presented to Miss Almina Kasmeyer, a business and professional woman's club to be held at the Justina hotel, Monday, June 29. The representative of the hat company declared he was so charmed by Miss Kasmeyer's hat that he had P. W. C. convention at Pocatello, that only the knowledge of a wife in the background prevented him from bestowing on her all his worldly goods. He was obliged to content himself with donating a beautiful hat to the beautiful lady, he said. Miss Kasmeyer accepted the hat on condition that it be auctioned off at the National Convention of Business and Professional Women's clubs to be held at Portland, Me., July 17, and the proceeds to be donated to the educational fund.

Rotary-Kiwanis Club Enjoy Big Picnic at Filer

Nearly 250 Civic Club Members and Their Wives Enjoy Get-Together Picnic Dinner; Ball Game a Feature.

FILER, June 25.—Many old stars were noticed in action yesterday afternoon at the Kiwanis-Rotary picnic get-together dinner at the Filer fair grounds. Several of these "has been" ball players were seen to measure and osteopaths this morning to limber up their aching joints and muscles from overwork after long vacations in their respective line of activities. But everybody enjoyed the farce game which was brought to a close after a number of umpires were chased out of the diamond with blustering pleas of ancient days. Filer. Any man who made a good hit was called out for being a good performer, and the umpire used his own judgment in determining whether a man should be allowed to continue in the game. However, several good hits were made and a number of real, old-time catches were made which surprised the spectators.

Divorce Granted—Divorce was granted this afternoon to Sallie E. Foster from Nov. Morris Foster. Custody of three children was given to plaintiff who was represented by Attorney J. W. Taylor. Judge Gibcock took under advisement the case of D. H. Morgan against O. Clausen, et al.

'Watch Idaho' as Motto for the State Is Idea

"Watch Idaho" is a motto which has been tentatively approved by President Charles D. Thomas of the Twin Falls Realty and Secretary Charles P. Dwight, as something for universal adoption, for all cities throughout the state. The idea was originally suggested by Ross M. Williams of Lathrop and Williams. The matter will be laid before the respective organizations. It has been suggested that the motto might have an additional sub-motto or design for each community. For instance, Twin Falls might have the bean; the Salmon tract, Grinnel clover, north Idaho, a sawing or some other appropriate device.

BUHL NEWS

Buhl, June 25—Threatening to whip him, his father was going to whip him. Dewey Davall, 8 years old, took his father's shotgun yesterday afternoon and maneuvered it in such a manner that an accidental discharge of the gun resulted in a shot of lead through his abdomen, killing him almost instantly.

It is said that he and a companion put tar on the buggy seat for a joke and when Mrs. Davall and daughter were spotted and she told the boy that his father would whip him, he got a gun and planned it to his stomach and before his little sisters could get to him it was in his stomach. A physician was summoned and the child was taken to the hospital. The funeral was held from the L. D. & Church today.
