

SCOTT IS SANE AND SHOULD BE CHANGED, STATE

Expert Alienist Testify That Scott Is Perfectly Sane; State Rests Case; Scott's Attorney Classed the Examination of Plaintiff as Unethical, Indecent and Unfair.

CHICAGO, Aug. 6.—The state today completed its effort to prove that Russell Scott is sane and should be hanged for the murder of Joseph Maurer.

The state rested its case after Dr. Wm. O. Krohn, its star alienist testified that he considered Scott to be in complete control of his mental faculties.

From your observations, what in your opinion of the mental condition of Russell Scott? A prosecuting attorney asked Krohn.

"My opinion is that the prisoner is sane," the witness replied.

Scott's attorneys walked cross-examination of Dr. Krohn and W. W. O'Brien started his argument in behalf of the condemnation.

O'Brien attacked the examination of Scott as unethical, indecent and unfair, and the condemnation of state alienists as ridiculous.

"It is ridiculous to say that they can look at a man and tell he is sane," O'Brien shouted.

O'Brien continued the thorough cross-examination and opportunity for observation of the defense alienists was the "brief and superficial examination of the state's witnesses."

"I frequently O'Brien went on the highly nervous strain imposed upon him by his eleven-hour escape from handcuffs. He pictured Scott wincing at the hammer blows that struck his head as carpenters erected this gallows."

"If there any man who fought in the war who went through any strain greater than that?" he asked.

"I have," Russell evidenced more interest in the argument than in the talking of the state's witnesses.

Thomas Scott, who later, after in 1906 fitting garments, sat to the rear of his cell, claiming forward to each every word that fell from O'Brien's lips.

Browning Adoption Will Be Investigated, Says Head of Public Welfare

Thorough Investigation Launched into Adoption of Mary Spas of Astoria by Millionaire; Browning Accused of Giving Huge Sums to Parents of Cinderella Girl.

NEW YORK, Aug. 6.—Commissioner Bird S. Coler, head of the department of public welfare, today launched a thorough investigation into the adoption of the girl by which Mary Spas of Astoria became heiress to the million-dollar estate of Edward W. Browning, fifty-year-old realty man.

The commissioner began his inquiry by arranging with District Attorney Richard Newton of Queens county for a conference at which he said, they would consider all available facts of the case.

In a telephone conversation with Commissioner Coler, District Attorney Newton agreed that matters of public welfare concerning the "Cinderella" adoption warranted such an inquiry.

Newton asked the commissioner if he thought all the criticism was directed against the adoption, which he said, would and Coler emphatically replied that it was directed against the adoption of the room for such criticism.

"I have received many communications in connection with the case," Coler was asked.

"On all sides," he replied, "I have received many communications concerning the adoption, which has been labeled 'Cinderella'."

"I learned those adoption papers had been passed by the surrogate's court in Queens. I was under the impression they would go through the courts."

SPINSTER IS SLAIN AND THROWN INTO CISTERN IS THEORY

MATTOON, Ill., Aug. 6.—New light was thrown on "Mutton" Stearns' mysterious disappearance today when it was learned that the body of Miss Cora Stallman was not found sitting upright in her water tub.

With this declaration, authorities went back to the theory that the eccentric spinster was a murder victim. Yesterday the suicide theory prevailed.

"Instead of being upright, as at first stated, the body stood propped up against the feet against the side of the cistern, the back against the center filter wall and the whole body drooping so that the face dipped in the water."

Examination has shown that Miss Stallman did not drown.

"That she climbed into the well and taken poison, she would have floated forward," Sheriff Stewart said.

State Attorney Charles Fletcher today ended his investigation, however, until the coroner's jury brings in a verdict. Fletcher is still inclined to believe that the woman died in a fit.

Klansmen Gathering in Washington for Parade Saturday

WASHINGTON, D. C., Aug. 6.—The Klansmen of the United States are today for their glorification and the parade of the Klansmen.

The Klansmen will be marching today for the demonstration, according to claims by the Klansmen here.

Forty-three Klans have been chartered to bring Klansmen here from various states.

The parade will start from the capital Saturday night and will move down Pennsylvania avenue to the Washington monument where the Klansmen will hold a banquet.

Police have taken extraordinary precautions to prevent any disturbance during the Klansmen's activities.

All officers have been ordered to report for duty at 10 o'clock.

L. D. S. DEFEATS METHODIST IN FAST GAME

Methodist Taking Lead in First Inning by Score Three Runs in Twilight Baseball Game but the Hard Hitting Mormons Win in Fifth with Two On and None Down.

Methodists 3
L. D. S. Team 4

In one of the fastest baseball games played on Lincoln field in the Twilight League on the 5th, the L. D. S. team secured a victory over the Methodists in the last inning of play when Manager Leavitt secured the winning run after getting on with a pretty two bagger over second and running home on Hammond's hit-to-tee which was snuffed by Davis. This gave the "Mormons" one run lead and the game closed out by one out and two on. The game was featured by fast fielding and double plays on each side. It was one of the most spectacular games to watch that has been played by the church teams this season. The Methodists led a total of three runs in the first and maintained the lead until the last inning. The Methodist players fielded much better than usual and seemed to have a "rabbits foot" in a fast double play. With one down in the second inning got on by bunts hit by a pitched ball and Hart grounded to short who threw to second catching Beers and Howberry doubled to first and threw Hart out. He was the first double play in the game. The second came in the last of the fourth when Taylor fielded "Pinch Hitter" Jarman's rounder, threw him out at first and Joe Gish doubled to third and caught Howberry in a fast double play.

The heavy hitting was done by Bill Bitters who got a pretty three bagger in the fourth. The hit by Mitchell, Collins who hit a hard two bagger in the first inning scoring Hart, and Cronin. The Methodists batted first and Hart got on by an error on first. He made a pretty single. Ollie Taylor fanned, Davis, a new player, hit a two bagger. Gish retired, Clark got a hit and second Davis. H. Taylor fanned.

The L. D. S. team Cowles up at lead. Brown fanned, B. Bitters was out at first. Frantz struck out. Beers took first by a pitched ball. Howberry grounded to short and Beers was caught at second and in a double play Hart was thrown out. Howberry grounded to short and was thrown out at first. Cole got on with an error on first. Bill Seilly ruled that Gish had his foot off the base when he caught the ball. Frantz grounded to second and single and Cole scored the first run for the Mormons. Leavitt got on by an error at short and Clayton was thrown out trying to steal third. Cronin grounded to second and Taylor was thrown out at first. Taylor got on by an error on third. Taylor got first by a fielder's choice. Taylor batted throws out at second. Baker filed to left field.

Cowles filed out to right field. Hammond grounded to second and was thrown out at first. Brown hit a long fly to center and Frantz made a sensational run and booked it, amid the cheers of all the fans.

Gish grounded to second and was thrown out at first. Taylor was thrown out at first by short. Frantz got a single and Beers retired at first.

Bill Bitters drove a long fly into left field for three bases. Howberry got on with an error on first and Bitters scored. Cole grounded to second and Jarman took young Bitters' place as pinch hitter and swung at the first two, then grounded to second and threw him out at first and Gish made a pretty double to third and caught Howberry.

Hart grounded to short and retired at first. Gish walked and on G. Taylor's grounds was thrown out at second by short. Davis bunted and was thrown out at first. The score stood 3-2 in favor of the Methodists.

Clayton got on with an error on first. Howberry grounded to second and scoring Clayton. Cowles was walked by "Slim" Lyon who replaced H. Taylor on the mound.

Yesterday's hero: Jack Smith, St. Louis outfielder, made an unscheduled play. He grabbed Cronin's fly and threw to first catching Cochrane. The Cards beat the Braves, 14 to 2.

Wright Stone's miff of an easy fly in the ninth inning let in the two runs that gave the Cards a 6 to 6 victory over the Phillies.

Rain washed out all the other games.

Texas Polo Team Wins Tournament

CHEYENNE, Wyo., Aug. 6.—The polo team from Fort Sam Houston, Texas, today is the winner of the tournament held at Cheyenne in the last week. The Texans defeated Fort Leavenworth, Kansas, 8 to 4, in the final game after all other participants had been eliminated.

The field was heavy from rains that slowed down the playing. Lieutenant Cullin, Fort Sam Houston, was the star for the Texans. He scored three goals and made a brilliant showing with Fort Leavenworth.

IDAHO BECOMES GREAT DAIRY STATE

As if in response to the statement of Dr. C. W. Larson, chief of the United States department of dairying, in Salt Lake City yesterday that the United States should have 875,000 more dairy cows, comes the report of Donald Wood, Idaho director of dairying, showing that the Gem State produces a million dollars worth of milk products monthly and that it is only beginning. He points to the marvelous improvement in stock during the past few years as evidence of what can be done in the future. Idaho is getting ready to furnish its full share of the deficit of products.

The report of Director Wood shows that two million pounds of butterfat were produced in Idaho in June of this year. This butterfat had a value of approximately one million dollars. The annual return will exceed ten millions to those engaged in the industry in this state. Director Wood shows the following as some of the dairying products of the state as a whole for the month of June: Butter manufactured, 1,600,000 pounds; butter made outside from Idaho butterfat, 217,000 pounds; Idaho cheese, 890,000 pounds; condensed milk made in Idaho, 885,000; ice cream made in Idaho, 60,000 gallons, casein, 20,000 pounds.

Canyon county is credited in the report as being the largest producer of butterfat, with an output of 268,700 pounds. Bannock county is second with 232,100 pounds. Following in rank come Ada, Twin Falls and Payette counties. Canyon county leads also in the manufacture of butter, wrapping 364,500 pounds; Bannock county is a close second with 345,400 pounds; Payette comes third with 270,000 pounds, and Jerome, Ada and Nez Perce counties follow in order.

Bingham county is credited with being the biggest cheese maker with 111,000 pounds or practically one-eighth of the state's output. Jefferson and Minidoka counties tie for second honors with 77,000 pounds each. Canyon, Cassia and Bonneville counties are the next heaviest producers. In ice cream making Canyon county is again found in the leadership, producing 12,100 gallons. Bannock county is second with 8500 gallons, and Nez Perce and Bonner counties follow. The entire condensed milk production in the state is in Canyon county, amounting to 885,000 pounds. Ada is the only county making casein.

"DICK TURPIN" PLAYING AT THE ORPHEUM

In the picture titled "Dick Turpin," extra care was taken with every detail for it will rank as Tom Mix's masterpiece, being far more elaborate and far more expensive than anything in his career. For his part, Tom Mix has the great role of Tom King. Kathleen Meyers, who is acclaimed one of the most beautiful women on the screen, has the leading feminine role; Philo McCullough has that of "Lord Charlton." James Marcus is seen as Squire Crabtree, and Bull Montana as Bully Boy, a dictator of the old school. Tom Mix's lady love, "Dick Turpin" will be the feature attraction at the Orpheum and it is rounded up an extraordinary novelty replete with thrills and Tom Mix with a brand of brand new tricks.

BLACK CYCLONE PICTURE CLEANED UP PATRONS

(Times City.) That interest newsworthy in animal psychology is at fever heat, is evidenced by the fact that a large crowd attended the Idaho theatre last night to see the "Black Cyclone." The crowd was satisfied and more with the performance, which showed the manner in which the native instinct in the equine is developed and made ready to meet any emergency which may arise in its experience. Rex was a true knight of the plains and rescued his lady, like the errant knight of yore, in the delight of the audience.

IDAHO JOINS IN

(Continued on page 1) demonstration, which amounted to \$10. The schools and churches assisted and many visitors were registered from the small and big towns. 2000 visitors were registered in two days of the demonstration. The houses were tastefully furnished to demonstrate to the people of Boise the large possibilities in making the home very attractive with a limited family pocket-book. Idaho newspapers gave generously of their space in supporting the educational campaign in the state, helping materially in making the 1925 Better Homes campaign greater than any since the foundation of the movement. Every state was represented this year, close to 100 countries, and the largest to the smallest, taking part in this work.

Hugo Has Two Banks Operating

HUGO, Okla., Aug. 6.—Hugo is writing checks again after two months' idleness from that delightful practice. The Chouteau County State bank opened its doors at 9 a. m. today. Two days ago the Commercial National bank began operations.

During the month of May all of the banks within a 20 mile radius of Hugo failed almost simultaneously. They included three banks at Hugo and one at Soper.

During the financial inconvenience here, business men did their banking in towns from 20 to 25 miles distant.

Second Marriage Is Announced; First Returns

TULSA, Okla., Aug. 6.—R. F. Overton, who married the second time after believing his first wife dead, filed suit today for annulment of his first marriage, when his first love walked into his office here.

Overton and his wife quarreled 14 years ago, and she left him. He was advised by friends that she had died. Six years after his wife had left in a "huff" he married the second Mrs. Overton.

AMERICAN... ALABAMA... VISIT

SMITHBORNE, Aug. 6.—The American fleet's visit here is at an end. The craft, so warmly welcomed by the city, have given their farewell amid great enthusiasm and proceeded on their way toward New Zealand.

Stellar enthusiasm marked the departure from Sydney of the fleet section which visited there simultaneously.

Cupid was busy during the stay of the sailors here, as evidenced by the fact that twenty were married and many others engaged.

Only minor cases of desertion have been reported.

One Cause of Friction

A difference of opinion between a man and his wife is often the result of her thinking one way when he thinks she thinks another.

Comedy of Claimants

When it was announced that a "wreck" of treasury notes, the number of which was not made public, had been found in a train at Epping, Wrentham, England, sixty people claimed it. All mentioned different amounts, and no one gave the correct train, time or date.

Girl Gained 7 Pounds Nine Years an Invalid

That's just what McCoy's Cod Liver Oil Compound Tablets did for the Biscock girl—and in doing so much for tens of thousands of thin, underweight, weak and discouraged people all over America.

These sugar coated, pleasant to take tablets should be given to children instead of the vile stomach upsetting, oil-fuel—they surely do help the frail, delicate little ones and do not cost but 60 cents at Schramm-Johnson, Alabaster Pharmacy, City Pharmacy or any real drugist anywhere in America.

Read this letter if you have a child that needs to gain health and strength. "My 11½ girl was stricken with infantile paralysis when she was 5 months old and was an invalid for 9 years—when I saw an ad in the paper that McCoy's Cod Liver Oil Compound Tablets would build up wasted tissue, I bought a box and she gained very slowly at first and after taking eight boxes, she gained seven pounds.—Thanks to McCoy's 'Cod Liver Oil Compound Tablets' after trying almost everything else on the market. She is on the road to recovery and not to meet every day." Mrs. L. Biscock, Appleton, Wis.

Initiations of McCoy's may be ordered but he will ask for McCoy's, the original and genuine and if after thirty days treatment you are not delighted with results—why, get your money back.

CONTACT TO SHIP COPPER ON NEW LINE

Two Cars of Ore Are Expected to Go Out Next Week to Smelters, Paying Construction Rates; High Prices Offered Will Result in Many Shipments Before Line is Finished to Wells.

CONTACT, Nev., Aug. 6.—The Nevada-Belleuve Copper company has completed its tunnel on the Delano property, the work having been done by J. V. Marshall, W. A. Soudard and Joe Gasolin, who had the construction contract, two cars loads of ore will be shipped over the Rogerson-Wells line next week. It is reported here. Great interest is shown in the approaching shipment, the first to go over the new line from the copper camp. The tunnel is 300 feet from the ledge it is started and Mr. Marshall has a new contract to put it all the way through, while his partners have taken a contract on the Dunlap tunnel. The ore will be shipped under construction rates and will cost \$2.50 to deliver at Rogerson where

It will take regular rates. This will continue until the line is finally accepted and is open for traffic. Bulk shipments will commence as soon as the road is open to Wells, but the price of copper is on the upgrade and it is believed that a great deal of ore will go out during the next couple of months, through Rogerson and Twin Falls. The total cost from mine to market is said to be 7 a ton.

WENDELL CHURCH WEDDING IS BEAUTIFUL AFFAIR

A beautiful church wedding was celebrated in the Episcopal church in Wendell this morning at 10 o'clock, when Margaret L. Simonton, daughter of Dr. E. L. Simonton of Wendell, was united in marriage to Truman A. Boyd of Grafton, Colorado. The ceremony was read by Rev. H. G. Humphreys of this city, who is an uncle of the bride. About 200 guests were present. A reception at the Simonton residence followed the marriage. Mrs. Boyd has been a teacher at Bull during the past year.

Aiton is here from Salt Lake City on business for the Allen Oil company. Goldie Pearls has returned to Seattle after spending the summer with her parents here, to finish her course at the University of Washington.

TWIN FALLS GIRL WEDS BOISE MAN

Miss Pauline M. Thomas, Johns Island, Va., and Vernon H. Price of Boise Here Today; Beautiful Ceremony Followed by Wedding Breakfast.

One of the leading social events of the season took place at 11 o'clock this morning at the home of Mr. and Mrs. Charles D. Thomas, on the occasion of the marriage of their daughter, Pauline M. Thomas to Vernon H. Price of Boise.

At an altar of green and white, a green background for the bridesmaids, the double ring ceremony was performed by Rev. H. G. Humphreys, pastor of the M. E. church of this city. Vernon Walters was best man, Miss Zenna Simenborger was bridesmaid, and Mrs. Merle G. Blatter, matron of honor.

The wedding lunch was served joyfully by Miss Clara Hill, "The Girls," "Al Dawn" and "Oh, Promised Land" were delightfully rendered by Mrs. Nellie Teasdale, a B. E. church of Gooding college. The bride's gown was of real lace, over satin.

Following the ceremony the wedding party repaired to the Justanmore hotel where 50 guests sat down to a splendidly prepared wedding luncheon. The color scheme was carried out at the breakfast and extended to the large wedding cake, which was cut by the bride and groom, after which the couple departed at once for Boise, where they will make their home.
