Volume on Books on Evolution Is on Library Shelves

Recent controversy about evolution has made biology the topic of the day, and with it the book "Biology," by Vernon Kellogg, the most popular book on the Twin Falls public library shelves, where it has just been given a place in the opinion of Miss Jennie Franzer, librarian.

"Biology" is the first of a series of reading course books by the American Library Association of interest and assist people who grow interested in biology.

It is an eminent biologist's selection of the best of the books recommended in small and the reading of them is, therefore, well worth the pains of the average high school or college student.

Dr. Kellogg himself, and the books recommended by him may be borrowed from the library.

WHEELER TAKES STUMP FOR BOB LA FOLLETTE

Montana Democrat Campaigns for Nomination of Young Bob La Follette in Wisconsin at Primary Election; Speaks As a Progressive American.

MILWAUKEE, Wis., Sept. 11.—Senator Burton K. Wheeler has taken the stump in Wisconsin to help elect Robert M. La Follette, Jr., to the senatorial post made vacant by the death of the elder La Follette.

Senator Wheeler referred to Senator La Follette, with whom he ably represented the progressive president. He called La Follette "the great commoner" and asked Wisconsin voters to put the senatorial task on to the son.

"In Wisconsin to lose its position of militant leadership in the economic procession and ship back to the vulgar mire of a nation bound in common wealth, for it is to maintain that commanding position, and maintain it, we must have a La Follette."

"The record of his achievements is a greater monument than can ever be erected to his memory by the hand of man. It is my opinion that unparalleled history will give the names of Jefferson and Lincoln as the three greatest characters our nation has produced."

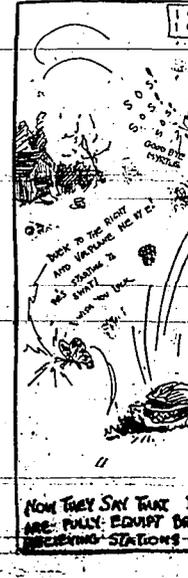

"I came before you as a democrat, but also as an American citizen. I wish to interest in preserving this government for the people. I would prefer that this should be accomplished through the political organization to which I claim allegiance, but in this I must fear, the democratic party has no chance of electing a progressive Democrat and consequently I am anxious to see a progressive republican nominated at the primary next Tuesday."

Seaplane Crew Is Rescued on Ninth Day of Hardships

After Nine Days of Privation and Suffering the Seaplane PN-9 and Its Crew of Five Are Rescued Near the Hawaiian Islands; The Crew Had Been Without Food for Five Days and Water Supplied by Rain; In Another Day They Would Have Been Lost Completely; Commander Rodgers Cited by Navy Department.

Saved at the end of a long and arduous search, Commander Edgar B. Rodgers and four naval aviators, who had been for the past five days without food, this afternoon were rescued on the Hawaiian Islands.

Paroled drifting aimlessly in the open ocean currents, which in another day would have taken the plane beyond the reach of rescuers, the PN-9 was towed to the island of Kaula in the Hawaiian group by the United States submarine R-1.

Seeing their advantage through to the finish, although they had been for the past five days without food, the aviators remained with their craft until it had been located at Kaula.

Then, while their rescue was being celebrated in naval and aviation circles everywhere with untrained joy, in 1924 the flight crew of the PN-9 was the first to be rescued in a storm near Cambridge, O.

Vessels of the navy and aircraft which had swept the seaplane Hawaiian in time days of incessant search returned to their bases, while remnants of the crew of the PN-9 were taken to a safe place where they were recuperating and went to bed.

Other thrilling rescues revealed to the crew of the PN-9 were the rescue of a crew of airmen forced to descend at sea while attempting a non-stop flight from San Francisco to London.

According to Lieutenant Commander E. J. Young of the new London coast guard station, the aviators were rescued after being adrift several hours.

According to Lieutenant Commander Young, the aviators came from Hyannis, Cape Cod, in a hydroplane. They were put aboard a patrol boat and taken to New London where they will be detailed pending inquiry.

SON KILLS FATHER AFTER BEING ORDERED BACK TO WORK

HARRISBURG, Pa., Sept. 11.—An enraged father, being ordered back to work in a coal mine, after complaining that his son had been injured by his father, Walter Baldwin, and thus had to be a nearby woods and mountain.

The double tragedy was on the Baldwin farm in Hope county, Md. far from here.

The airman's supply of food ran out after the fourth day. They did not attempt themselves, expecting each day to be picked up. They knew their chances in the navy would be looking for them. One day they saw an airplane, but it was too high to see without sighting them.

All five were in an good health as could be seen by the fact that they will suffer ariquis aetia from the adventure.

Field rescuing took place at 9:30 when word was flashed that the PN-9 had been found, for while the navy had not located a search, it was a great relief that the seaplane had foundered and gone to the bottom.

YANBAY CITY, Mo., Sept. 11.—Dr. J. D. Deane, at Cabers, Jr., a carrier of Kansas City, yesterday rescued the derelict PN-9.

Lieutenant Osborne, 29 years of age, was rescued at the same time. He was a cadet in 1919 and commissioned an ensign on the cruiser Huntington.

Osborne's father is a salesman for a wholesale drug firm here.

Buhl Men Have Fuss—and Draw Big Crowd

An altercation between "Sidewalk" Smith and George Culberson, a tenant on one of the Smith farms, four miles northwest of town, drew a crowd for an hour last Saturday, says the Bull Herald.

Culberson wanted "Sidewalk" to go to the Shields and Gannon elevators and make settlement for the grain which had been halted in order that Culberson could pay his direct help and incidental expenses.

"Sidewalk" made an involuntary trip to the elevator, being carried most of the way, but refused to make any settlement or do anything else. He telephoned the sheriff for protection.

Another big order the fourth defeat that day. All because he didn't have the energy to fight when his prospect said "No." Something had blunted his senses and stolen his strength.

That "something" was constipation. What a shame so many people suffer from constipation when there is an easy, pleasant, sure way to permanent relief—the regular use of Kellogg's ALL-BRAN—two tablespoonfuls daily, or in chronic cases, with every meal.

Kellogg's ALL-BRAN is what doctors call a bulk food. As it travels through the system, its fiber remains unchanged. Therefore, it sweeps the intestine clean and drives out the vicious poisons of constipation. Back home at last! Why there's a light in my eye! How did they get me so quick! What a relief!

Maybe someone gave them a lift—they walked all the way back in two days!

I just know they're boiling mad at us and I hate to think what they'd do to our neighbors about our quarrel!

To hear you talk, anyone would think I mistreated them—they agreed to share the house with me and just because they were more than they expected to get reserved and came home!

Well, this misadventure will have to be settled—you saw how they were in the morning and offer them a share of the blame!

Hello there! How'd you folks get home?

We hired a taxi! We'll do our touring in one in the future because it's more economical—we can't avoid being victimized by your clever scheme to make us share the expense of replacing all the old worn out parts in your automobile!

U.S. TENNIS WINDS DAVIS CUP MATCH

America Retains Possession of the Davis Cup and Thus Shows to the World That the U. S. Are the Real Tennis Champions; Williams and Richards Defeat French Team.

By Henry L. Parrish. PHILADELPHIA, Sept. 11—America retained possession of the historic Davis cup, emblematic of the tennis supremacy of the world, when U. S. tennis champions, Bill Williams and Vincent Richards defeated Jean Borotra and Rene Lacoste in the deciding rubber here this afternoon, 6-4, 6-4 and 6-3.

The victory gave the American team three matches straight, 7-0, and Wm. Johnston having won their previous match from Borotra and Lacoste respectively yesterday. Two rubbers will be played tomorrow but the outcome cannot be estimated and they will be merely exhibitions.

The big trophy that came here from Australia six years ago and which it is to be won for another year.

The American doubles team had to prove itself worthy of the match which it had to win.

Williams and Richards played the effect of yesterday's strain when they were defeated by William T. Tilden and William M. Johnston and they never again loitered the American although they fought gamely to the last point.

Second round, La Coste scored 11-6 and 11-6.

Buhl Plays Eden Sunday for South Idaho Championship

Idaho, Sept. 11—Hansford fans of this section will have the most opportunity to witness another game this season as the Buhl Grays and the Eden team have arranged to re-open the championship game for southern Idaho, which was called last Monday on account of rain at the end of the fourth inning. Eden won the championship of this section last season and has been able to win over the south Idaho team in the Eden section. Buhl and Eden have played two games with each team yesterday. Buhl won the first game, 7 to 3, while Eden won the second game, 7 to 3. The Eden team has been able to win the long end of a 7 to 2 score. In the third contest Buhl blanked the northern team 4 to 0. Buhl's team will play and get on an equal footing with the Grays the Eden boys. In one of the fastest games played in this section this season took the fourth game 1 to 0. In the few innings played last Monday on the Eden team was unable to win.

As to who may be the probable winners of next Sunday's game remains to be seen, at any rate, a hard fought contest will be seen when the teams meet next Sunday at Buhl. Parker and Paix will no doubt do the heavy work for Buhl while Buhl and Fowler have been slated to do the heavy work for Eden. Manager Moss of the Grays announces no change in the regular lineup, while Captain Deibout of the north side team gives out the information that he expects to see practically all of his regulars. Sunday's game will close the season for the Grays, while Eden has one more game scheduled, it being an exhibition game with Jerome at the Jerome fair September 18.
