TWIN FALLS NATIONAL BANK

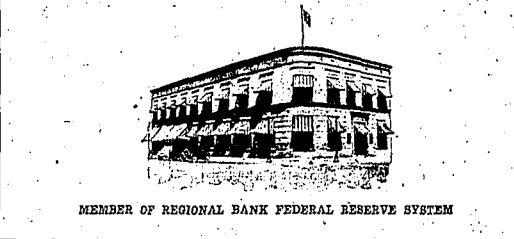

From the Ground up!

Gill Bros. of Portland, Oregon, who grew up in the market trade, have built up a national reputation for highest quality vegetable seed.
Twenty-four years ago, Ray W. and Edward E. Gill, two young men who had grown up in the market trade, were supplying a varied line of vegetables for a route of over 50 grocery stores in Portland. They won a reputation for highest quality produce.
For several years the Gill Brothers grew and developed special strains of sweet corn, cabbage, beans, pumpkins, peas, tomatoes, etc. Their business thrived. A few years later they decided to grow acclimated vegetable seeds not only for their own use but for sale.
The first year these special varieties were described in a small circular. Today the Gill Brothers send out one of the largest catalog issues of any seed house in the Pacific Northwest.
Today, after many years of research and experimentation, they are still growing and developing special strains on their farm, specializing in market grades seeds and all present supplies over a thousand market varieties up and down the coast.
These men keep in constant personal touch with market gardeners, home, acre, city, restaurants and cater a genuine service to the trade. They are constantly alert, looking for new and better varieties.
Their business has had a phenomenal increase in the past few years. It has now grown to a great volume. Success is due in a small measure to the fact that small orders are given the same careful attention as large ones, and will be filled with the same high-quality seeds.
Believing that their "market" grades, acclimated seed will give absolute satisfaction, and wishing to make permanent connections with their users, whether home or acre, the Gill Brothers will be pleased to receive a trial order from you. Family sized seeds receive the same quality of seed that is sold to market gardeners.

News of the Sport World

BRUINS WHIP BUHL SQUAD IN A FLASH

**Local Basketball Squad
Runs Wild and Upsets
Visitors 33 to 17; Local
Girls Lose Their Game,
However.**

Despite a heavy schedule of games this week and the feeling of fans and even their coach that they were tired to play with enough speed and ability to overcome Buhl, the Twin Falls Bruins last night raced away in victory in their basketball tilt with the west end opponent with a score of 33 to 17.

The Bruin girls, however, lost their game to Buhl maidens, 21 to 8. The Bruins were hitting a stride never before apparent this season. Their home work, possession and basket rebounding, was perfect.

The victory came as a surprise. Critics who have watched the local basketball players were skeptical of their chances last night. There was every reason to believe that the Bruins would not be in condition to show as flashy as they did.

The first half of the game was the fastest Twin Falls and Buhl have witnessed this year. The Bruins got away to a lead from the start of the game that soon mounted so rapidly that it appeared the local team would score consistently and automatically find a much greater score than they really did.

The first quarter ended with the Bruins having 14 corners and Buhl 6. The local team had its goal on short shots, something that it has not been able to do effectively in the past. Not a single shot was attempted, the Bruins and Buh-

If necessary to resort to that plan to overcome the visitors.

Time after time and the ball was passed right under the nose of the Buhl squad until it was under the first hoop, and the local boys invariably tossed the ball in for a score.

The last ball was not so simple and fast as the first, the Bruins especially better content to take it easy, having climbed the score. Buhl displayed remarkable work in their passing, but the visitors' boys were able to throw the Bruins seriously. The Twin Falls team played a superior game throughout.

If the Bruins can pay to the district tournament they played last night, not even Buhl will be left out of the contest. The decision today of fans and critics will see the Bruins last night.

The Bruins' victory, against the local squad of entry in the district tournament at Buhl next Tuesday, and it is a common fact that the west end team will have a chance against the Wildcats. That will leave the Bruins a one point ahead of Buhl in the percentage standings of the subdivision.

There were no outstanding stars in the Buhl scrap. Every member of the Bruin squad was playing so well that Buhl's Kelly and Saxton worked together much of the time. "Horse" Wills, "horser" manager of the home-squad, of the Buhl squad and you the ball to his own territory for a score.

Johnson, as usual, showed up greatly at sundown, but he was far above par last night, working against the Buhl fighters as he never has worked before. Johnson managed to spoil several of the Buhl sets and that might have made the game a little closer than it was.

Saxton, captain, was high point man for the Bruins with 14 corners. Davis was high man for Buhl with 11 corners. Borch made 9 points, Kelly 5, Johnson 3 and Martin 2 for the Bruins.

Much of the credit for the good work of the Buhl squad goes to Davis and Ollivant. Buhl worked much of the time as a team pair and managed to display tactics that might have worried the Bruin had not they been playing better than they were.

overcome Buhl, but they could not find the basket whenever they had an opportunity to toss for a score.

Buhl maidens played a superior game and virtually ran away with the local girls. Metz, star Buhl forward, was in the game for a while and her appearance accounted for some of the score which mounted high above that of the Bruin settee.

Buhl teams but their squads worked poorly and especially Twin Falls. The maidens here were able to get the ball into their own territory much of the time, but they could not get the ball through the hoop.

The largest crowd that has ever attended a game here packed the local gymnasium and standing room was at a premium. Many were turned away because of no room. There were several hundred fans down from Buhl to help root their teams through play.

The line-up for the boys' game:

Buhl: Backs—Borch, Kelly, Kelly, Kelly; Right Forward—Borch; Left Forward—Borch; Center—Borch; Right Guard—Borch; Left Guard—Borch; Substitutions: Twin Falls—Davis, Johnson, Johnson, Kelly, Kelly, Kelly, Kelly.	Bulls: Backs—Borch, Kelly, Kelly, Kelly; Right Forward—Borch; Left Forward—Borch; Center—Borch; Right Guard—Borch; Left Guard—Borch; Substitutions: Twin Falls—Davis, Johnson, Johnson, Kelly, Kelly, Kelly, Kelly.
--	---

for the girls' game:

Buhl: Backs—Borch, Kelly, Kelly, Kelly; Right Forward—Borch; Left Forward—Borch; Center—Borch; Right Guard—Borch; Left Guard—Borch; Substitutions: Twin Falls—Davis, Johnson, Johnson, Kelly, Kelly, Kelly, Kelly.	Bulls: Backs—Borch, Kelly, Kelly, Kelly; Right Forward—Borch; Left Forward—Borch; Center—Borch; Right Guard—Borch; Left Guard—Borch; Substitutions: Twin Falls—Davis, Johnson, Johnson, Kelly, Kelly, Kelly, Kelly.
--	---

Bliss Loses To Wildcats

BLISS, Feb. 19. The Buhl Wildcat, leading in their last meeting last night overcome the Bliss squad in their basketball tilt here, with a score of 24 to 12. The contest was one of the most interesting and displayed excellent team work on the part of both squads.

The Wildcats, so many to an early lead, but Bliss of their best meeting to date the nature of their and the local boys were forced to play desperately to keep hold of their opponents.

Bull's coach, who about every meeting a fact which made the game more interesting, Buhl will stay in the district tournament at Buhl next Tuesday.

Helen Wills Takes One More Match

BEAULIEU, France, Feb. 19.—Miss Helen Wills, American tennis champion, continued her charge through the Beaulieu tournament here today when she overwhelmed Miss Gubb, England, in straight sets of 6-1 and 6-0.

In passing through the semi-final round, Miss Wills had only two games in the tournament and the depression in her game has been called anaemic by the critics.

BLISS LOSES TO WILDCATS

LEAGUE TEAM NOW PROPOSED

Organization of a Twin Falls basketball club to be included in the Idaho Basketball League is proposed by Bill Lyle, coach of the Twin Falls team.

Help and Order League is under way here today and it is expected that the club will have a team for the spring.

In a lengthy discussion last night at L. T. Wicks, of the Twin Falls High School, Buhl, before the proposed league was organized, the proposal of a basketball league for the Twin Falls area was discussed. The league would consist of a number of teams from about 25 to 30 towns.

The league would consist of a number of teams from about 25 to 30 towns. The league would consist of a number of teams from about 25 to 30 towns.

Buyers of
"Quality at any Price"
Are buying Unit-Built Studebakers at sensible
One-Price prices . . . and getting quality!

REGARDLESS of price—there is but one Studebaker from the standpoint of excellence and worth.

Whether you buy this fine Studebaker Coach at \$1935 or the Big Six Sedan at \$2145—a year dollar brings you the full benefit of One-Price manufacture.

Both cars have the same alloy-steel, northern white ash and hard maple. Both enjoy the same high standards of workmanship—and Studebaker standards are higher than those of cars selling for double Studebaker prices.

Studebaker's unique facilities
Few motor car "manufacturers" have foundries, forges, etc., to make their own engines—yet one-fifth of an automobile's cost is in the engine. Even fewer build their own bodies—yet one-third of a car's cost is in the body.

Studebaker builds all its own bodies, all engines, all chassises, gear sets, springs, differentials, steering gears, brakes, axles, gray-iron castings and drop forgings. Only Ford in the low-price field and Studebaker in the highest field have such complete manufacturing facilities.

One-Price value.
These facilities enable Studebaker to manufacture quality cars on a One-Price basis—eliminating outside profits. The savings thus effected are passed on to Studebaker owners in the form of higher quality and lower prices.

Unit-Built construction.
Studebaker facilities result, too, in cars designed, engineered and built as units. The hundreds of parts in a Studebaker function as a smooth-working unit, resulting in scores of thousands of miles of excess transportation, greater riding comfort and higher resale value.

Always kept up-to-date.
Direct manufacturing control enables Studebaker to keep cars constantly up-to-date. We add improvements regardless of the calendar—we do not save them up for spectacular annual announcements, which make cars artificially obsolete. Resale values are thus stabilized.

Rock bottom time-payment rates.
Leading bankers, recognizing Studebaker stability, have made money available for financing Studebaker cars at low interest. They know Unit-Built cars bought at One-Price prices and protected from depreciation by being kept constantly up-to-date are exceptionally fine risks. Therefore, no car in the world is able to offer lower time-payment rates than Studebaker.

World's Most Powerful Car of its Size and Weight
At lowest price ever placed on an enclosed car by Studebaker.

BASED upon the rating of the U. S. A. C. C. and the Society of Automotive Engineers, the Studebaker Standard Six is the world's most powerful car of its size and weight.

The most popular car in the Standard Six line is the Coach—the lowest priced enclosed car ever offered by Studebaker.

In its wide, reclinable seats, five passenger's ride in real comfort—with ample leg and head room.

There's a gasoline gauge on the dash, an odometer clock, automatic windshield cleaner, rear-view mirror, ash receiver, cowl ventilator, stop-light, dome light, air cleaner, oil and gasoline filters, centrifugal lock and full-size balloon tires. Spark control is automatic and there's a safety locking control on the steering wheel.

We will gladly demonstrate this car and finance its purchase out of income on Studebaker's fair and liberal Budget Payment Plan—the lowest time-payment rates known to the automobile industry.

Here's the Tire You Have Been Waiting For

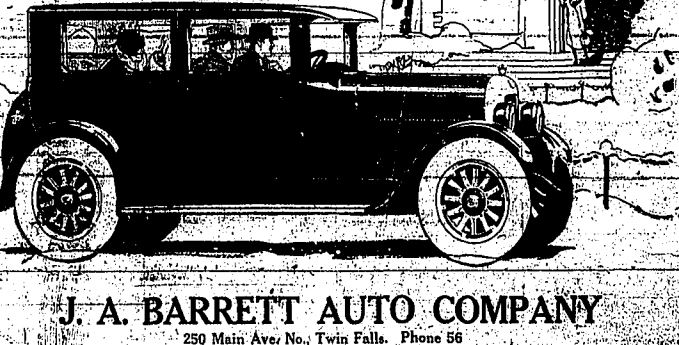

Built in the world's largest tire factory the new Pathfinder Balloon offers you exceptional riding comfort and long tire wear at a price which makes it a real money saver. If—if you want comfort, satisfaction, economy—here if you want Balloons—with all the wonderful low pressure advantages—if you want comfort, satisfaction, economy—here is the tire you've been waiting for.

EXCURSION DINNER IS THURSDAY

Arrangement Made to Get Expression of Sentiment from All Members of the Chamber of Commerce; Hope to Duplicate Success of Wells Trip is Expresed.

The dinner for the purpose of considering the trip to California via Wells, will be held at the House...

from hotel Thursday evening of next week, at 7:30 p. m., at which time it is hoped that a full membership of the Chamber of Commerce will be present...

The house department of the Twin Falls Chamber of Commerce will hold its 11th, 12th, 13th, 14th, 15th, 16th, 17th, 18th, 19th, 20th, 21st, 22nd, 23rd, 24th, 25th, 26th, 27th, 28th, 29th, 30th, Monday, February 22.

CITY BRIEFS

Back from Iowa (Clayton A. Hendrick) is back from a visit in Iowa, via from Hubl. Dr. James Monroe was up from Hubl today on business...

Home from Yakima Mrs. Ella Ryan and daughters are home from a visit in Yakima.

To Build for Weekend—Miss Margaret Evelyn of Ragsdale, was in this city today on route to Hubl to visit her folks over weekend.

To Spend Sunday—O. H. Stevens, accompanied by his son Clarence, came down today from American Falls to spend weekend with the family.

Another Big Snow—Another big snow, giving still further assurance of plenty of water and a good year on this tract and the Stalmans.

Funeral on Monday. The funeral of little Ronald E. Lee, son of Mrs. Albert H. Lee, of Mountain will be held at the family home at 11 a. m. on Monday and conducted by the R. D. S.

Yakima Son—Mrs. J. E. Wilcox who has been visiting in the east for some months "home" will be back at the family home in the city for the funeral of her husband, cancer in today on her way home, to visit her son, George W. Wilcox and family, for a "good-bye" work.

Farmers Studied the Broadest—Hubl Heron, formerly of Twin Falls, now a student of the University of Wyoming and a member of the Sigma Chi, will be here from the study of KFCB on Monday evening, February 22, at 9:15, Mountain Standard time. Mr. Heron will give an account of his experiences in climbing the Grand Tetons in the northern part of Wyoming.

ONION PRICE FALL

IS EXPLAINED BY PUBLIC REPORT

Reported Shortage Blinks Heavy Importation of Other Countries in Great Deal Being Assured of Supplies of the Department of Agriculture Hopes for Better Market is Implied.

Reports of the United States department of agriculture released today indicate that the importations of onions from Spain, showing a reservation that crop in America tended to decrease the market and helped account for the slump in prices...

Another Big Snow—Another big snow, giving still further assurance of plenty of water and a good year on this tract and the Stalmans.

Funeral on Monday. The funeral of little Ronald E. Lee, son of Mrs. Albert H. Lee, of Mountain will be held at the family home at 11 a. m. on Monday and conducted by the R. D. S.

Bashful Mr. Bobbs Pleases Big Crowd

On Friday evening at the first ward church, D. H. S. Young and co. presented a concert comedy "The Bashful Mr. Bobbs," before a large audience. Charles Cleveland played the title role, and the highly clever interpretation of Mr. Bobbs—the "bachelor"—the minor characters were assumed with delightful and convincing evidence of the excellent coaching of Mrs. J. D. Phelps. Each member of the cast was exceptionally well suited to the part he or she played. Those who made up the cast were Katherine Hildebrand, played by Anne Hildebrand, Eric Erik, Henderson Wesley Bentley, Mrs. Wiggins, Fannie Harris, Theophilus Stump, Carl Black, Frances Whitaker, Fannie Holland, Bertha Pitts, Lily, Linde, Robert Brooks, George E. Chubb, John Graham, Melba Nelson, Marston Babbs, Charles Eaton, Evelyn Henderson, Eric Black, Julie, Thelma Kliskman.

Canal Board Will Not Go to Meeting in the Gate City

The Twin Falls canal board as anticipated last evening decided at its meeting before adjournment to be represented in full at the celebration and meeting, following the meeting of the committee of June, March 1. The members decided that they could not stay away from their homes long enough to accept the invitation to be present all the time during the meeting of the Idaho Irrigation association and the Idaho Branch of the American Association of Engineers, Instead, it is suggested that representatives of the district meet in Idaho Falls either on the day before or the day after the meeting of the committee of June and the members to take up leave matters.

Frank Hoover, who is visiting in California, is the only member of the board who was not present at the NEW YORK Post Bulletin, the world's light heavy weight champion is planning an extensive tour, which will take him to Chicago, St. Louis, Cleveland, Memphis, New Orleans, Los Angeles, San Francisco, Portland, Winnipeg, St. Paul, Milwaukee, and Chicago.

TWIN FALLS IS THE POINT FOR THE CHICKEN SHIPPER

Another car load of poultry, this time from the Meridian Poultry company, will be shipped from Twin Falls to San Francisco from here Monday. The car was partly filled at Nampa and partly at Hubl. This will be the third car of poultry on four trips south.

The Leader Opening Day Tuesday, Feb. 23rd

We are happy in opening a store in Twin Falls and while we are now here, we are not new in the state of Idaho, due to the fact that we have stores in Pocatello, Idaho Falls and Montpelier. Our thought at all times is to show the newest of styles, in the best of materials and workmanship at popular prices. We take great pleasure in inviting you to the opening of our new store Tuesday, February 23rd.
