

RESULTS OF PROHIBITION ARE LISTED

Former Member of Quebec Liquor Council Tells Senate Body of Dry Failure in Canadian Dominion.

Temperance Man from Manitoba Submits Testimony Favoring Government Supervision.

WASHINGTON, April 10.—Prohibition was tried in Canada and failed because it did not prohibit but instead provoked crime and degradation of young people, Sir Alexander Stewart, formerly of Quebec liquor commission, and F. W. Tassett of the Manitoba temperance society told the senate prohibition committee today.

Their testimony coming after John Sullivan of the New York Federalist of Labor had pleaded "young gifts" carrying a flash of sin on their lips to New York had a viable effect upon both wet and dry members of the investigating committee.

Mr. William and Russell were closely questioned regarding the Quebec and Manitoba systems of government distribution which they said eliminated bootleggers, raised revenues for road building and resulted in temperance.

Mr. Russell described the "success" of the government supervision law in his province, saying the Quebec law took cognizance of the "paralyzing" human nature, by which men drink more when they are denied it and less when they can get it.

Mr. William and Russell were closely questioned regarding the Quebec and Manitoba systems of government distribution which they said eliminated bootleggers, raised revenues for road building and resulted in temperance.

FIREMEN CENTER EFFORTS ON BREAK REFINING PLANT

San Luis Obispo Tank Farm Fire Gradually Burning Out; New Firm Planned to Cost \$10,000,000.

LOS ANGELES, Cal., April 10.—Energies of workmen in the two great California oil tank farms centered today at the fire plant, where 200 men strive to bring the blaze to three separate reservoirs which have been burning since Thursday morning.

The spectacular disaster at the San Luis Obispo tank farm was caused today in Honolulu. The flames, which started Tuesday when lightning struck two of the huge underground reservoirs, now slowly burn out.

It will be a week before the millions of barrels of oil which are adding constant loss to the flames have been consumed, according to officials of the company.

Second "Big Breakers," still threatens to spread from the three tanks which have burned, according to a fourth big storage tank which is in imminent danger.

A score of farm houses were bolted to a cramp by hitting oil from overflowing tanks. More than 100 acres of citrus orchards, apricot and orange waste, have been cut off from telephone communication and highways in the vicinity are closed.

Boise Would Ban Sunday Funerals

BOISE, Idaho, April 10.—A ban on Sunday funerals will be asked of the city council here within a few days by Boise ministers. A petition signed by the ministers, and other prohibiting burials on Sunday, except in cases of emergency use has the approval of the Boise ministerial association, labor organizations, fraternal organizations, florists and upholsterers.

The action is requested because it is claimed by those sponsoring the petition that Sunday burials make an unusually large number of calls on the ministerial dignitaries, florists and others on a day when regular church services should have first call.

NEGATIVES WIN IN WORLD COURT GIRLS DEBATE

In an all-day debate in the high school Thursday evening, Twin Falls won a 2 to 1 victory over Gooding. This is the first all-day debate ever held in Idaho. The question for debate was "Resolved, That the United States Should Enter the World Court Under the Swanson Reservations," the local team, including the negative and Gooding the affirmative. Those who represented Twin Falls were: First speaker, B. Lynn Bolster; second speaker, Mary Hance, and third speaker, Marcella Wynn. The girls from Gooding spoke in the following order: Katherine Sahn, Geraldine Baker and Ruth Lovel. The Gooding girls were accompanied by Mrs. Arthur Salm. Mrs. Gray of the Uchel school acted as chairman.

On Thursday afternoon the local affirmative team debated the boys team at Gooding on the question: "Resolved, That the United States Should Enter the World Court Under the Harding-Hoopes-Coolidge Reservation." The Gooding boys won a 2 to 0 victory. The traveling team, which consisted of Leona Ward, Mary Ward, Grace Doroose and alternate, Phyllis Evans, was accompanied by the local coach, Miss Edna Wild. After the debate the visiting team

LEAGUE MEET IS POSTPONED

Inability of Idaho Falls Director to Attend Sets Baseball Pow-wow Over to Tuesday.

Scheduled meeting of directors of the Utah-Idaho baseball league, to have convened tonight at Salt Lake City, has been postponed until Tuesday night, President A. B. Colwell of the Twin Falls club, was advised late Friday.

The postponement was occasioned by the receipt of word by League President Fred Nye, that the Idaho Falls representative would not be able to attend the Saturday meeting. Colwell was informed.

Word of the postponement came just in time to prevent the Twin Falls leader from starting a trip to Salt Lake City. A full attendance at the meeting is desired because the schedule for the season will be completed for adoption.

Seeks Berth

Tom Gully hopes to win a place on the Chicago White Sox team this season. He's an outfielder; fast and a good hitter. He was one of the leading players in the Southern Association last year with Little Rock.

BRUINS PLAY AT JEROME

Old King Newhall returned and stretched the links out of his joints early Saturday morning, and prepared for his annual season of golf in the afternoon by sending the Twin Falls high school club against the Jerome high school organization. The first battle of the year for the Bruins will take place on the Jerome links.

Jerome is out to retrieve a 16 to 1 edge at the hands of Twin Falls, and the Bruins anticipate a hard fight, since this is their first contest of the season.

Czech Pla-stim had not determined his pitching choice Saturday forenoon and said he thought either Spencer, Dark or Jones would get a chance to start. The left-handed Brewer was with him and the followers of the Bruins believed Platinos was going to give everyone a chance to try every position, just to look things over.

Friday, Twin Falls, fans will see their first local high school game of the year when Jerome is scheduled to play here.

HARRY TAUFER SWIM CHAMP

Phenomenal Recognition When He Walks Away From Weisnauer in Chicago Championships.

CHICAGO, April 10.—Who's this fellow? He's written his name in the record books of the national A. A. U. championships when he came out in the world of swimming today as a symbol of great perfection in the water.

The name is Harry Tauffer, and the holder of the name goes back to Cincinnati, Ohio town after record 21 minutes in the meet, to establish the Cincinnati A. A. U. world record with the championship by the margin of 20 seconds.

Swimming, however, was not a good swimmer, but unheralded as a swimmer.

COAST LEAGUE OPENS PLAY

LOS ANGELES, April 10.—Doubtful and Los Angeles were primed for their opening game in the Pacific Coast League here this afternoon, postponed three days on account of bad weather. Hollywood and the champion San Francisco club were scheduled to play this afternoon.

The Sox won the opener 2 to 1, but the game was a close one, with the home team leading 2 to 1 in the bottom of the ninth.

With two of the opening games called off this week in deference to April showers, heavy battles were expected tonight, with the home team leading 2 to 1 in the bottom of the ninth.

NOTED SCIENTIST SERIOUSLY ILL

SANTA ROSA, Cal., April 10.—Extreme weakness and exhaustion have caused complications in the illness of Luther Burbank. His condition this morning was critical.

Dr. Joseph H. Shaw, prominent physician to Burbank, summoned Dr. J. Wilson Shook of San Francisco in conference last night. The following bulletin was issued: "There has been no marked improvement during the past 12 hours in Mr. Burbank's condition. The prognosis remains grave."

FOUR KILLED IN TONIGHT'S STORM. At least two airplanes culled down in the military airbase at Hader, England. Heavy rain today, why walk until tomorrow.

SPORT TABS OF EVERY KIND

ASHVILLE, N. C.—William Thomas and Alfred Clark Jr. were today in the final of a tennis tournament for the second time within a week.

NEW YORK.—The Cleveland Indians won the national professional baseball title when a 10-minute sport enabled them to defeat the Brooklyn Dodgers 2 to 0.

EAST CHICAGO, Ind.—Sammy Mandel, Rockford, Ill., decisively defeated Harry "Kid" Byrdson of Philadelphia in a 10-round bout.

REVOLT HEADS TO BE TRIED

ATHENS, April 10.—Dictator Panagulis has crushed the revolutionary movement which momentarily threatened his rule yesterday and today he plans to try the leaders of the movement. The law provides the death penalty if the men are proved guilty.

An extraordinary council of war has been convened to try Colonel Caracostas, Bakifelis and Diavellis, who were the principal instigators of the brief mutiny in Salonika.

Athens are planning a great mass meeting tomorrow in which the people will express their disapproval of the mutiny. The Greek fleet is receiving congratulations from all loyal elements today because of the rapid action to suppress the Salonika movement.

Within three hours of the time the trouble began, the fleet was ready for action.

The United Press yesterday extensively announced the abortive attempt to overthrow Dictator Panagulis by revolution. A strict censorship was imposed on Greece when the trouble began, but after brief delay United Press dispatches carrying the first word of disorders were received in London from Athens, and forwarded to New York by cable; government were behind the bank.

CHINESE REVOLT PEKING, April 10.—The central government was overthrown and President Tsan Chi Ni made prisoner today by nationalistic troops. There is great uncertainty as to the direction events will take. Artillery firing can be heard to the east but the extent and nature of the phenomenon are not known here.

American Boxers Off to Argentina

NEW YORK, April 10.—Twenty of some members of the American amateur boxing team to make the trip to Buenos Aires, resulted in some last minute changes in the personnel when the team sailed today.

The final selection made by the Amateur Athletic Union were: 115 pounds: Lawrence Lyons, Pittsburgh; 118 pounds: Joe Katala of Philadelphia; 125 pounds: Charles McCann of Boston; 125 pounds: Francis Collins, Boston; 145 pounds: Charles Callahan of Pittsburgh; 160 pounds: Arthur Flynn, New York; 175 pounds: Jim Monte, Brockton, Mass.; heavyweight: Stanley Simmons, of Pittsburgh.

CHICAGO MAN HEADS LEAGUE

CHICAGO, April 10.—Charles W. Folds, Chicago, is the new president of the League of Women Voters of America following one of the most successful sessions ever experienced by the league.

Folds succeeds Will H. Pills, who held the office for four years after organizing the league in Chicago with 100 members. The league now boasts of more than 200 members, with approximately 2000 chapters in the country.

After the inauguration, committee had made its report. It suggested that it be given an amount of \$400,000. He replied to this with "I am too poor to value to accept this month. I did not organize the league for a purpose."

Following fast on the heels of the first announcement of the startling new line of Paige motor cars—comes the Brougham; at the amazing low price of only \$1295. Somewhat more compact—a trifle shorter—two doors instead of four—these are the only essential differences between this New Brougham and the other superb models in the new Paige line.

The engine is the same. There is only one Paige engine—ultra modern, highly perfected and wonderfully simplified. The body of the Brougham—although somewhat smaller than Paige sedans, is larger than most sedans. Passengers may enter or leave the rear without requiring front seats to be folded down. The finish is of polished laquer.

You who have driven the New Paiges will find in the Brougham all of the same quick acceleration—ease of handling—positive, safe and certain braking—roadability and comfort—and all of the quality in both materials and workmanship; that always distinguishes motor cars bearing the name of Paige.

See this Brougham and drive it at your very earliest opportunity—for we doubt if even the tremendous new Paige factories will be able to build enough for all those who will want this truly outstanding "buy".

Well, I'm such a pretty little fellow, I wish you would come down here and give me a good spanking. I'll be sure to be a good boy and do what you say.

WELL FOR THE FIRST TIME I'M WONDERING IF HE THINKS I'M A SERVANT!

THIS LETTER CAME WHILE YOU WERE AT THE STORE
