

**TALE ABOUT
VOTE BUYING
TOLD SENATE**

Campaign Manager for Pinchot Charges Pepper Spent Half a Million.

Vaid Observers at Polls Cost Pepper \$14.4 Per Man and Voted \$4.21, It is Claimed.

WASHINGTON, June 10.—A story of the Idaho state primary was related to the senate primary investigating committee today by Charles C. McGovern, western state manager of Governor Pinchot of Pennsylvania.

McGovern said that Pinchot's opponents, S. W. Vane, vet. and Benjamin H. Whitterson, spent nearly a half million dollars for watchers at the polls in Allegany county (Pennsylvania) on election day.

He pronounced the system of letting paid watchers nothing more than a subterfuge for "buying votes."

He charged concerning the trial of Vane and Vane in the county they had spent more than \$750,000.

Pepper's expenditures for paid watchers alone made each vote in the county cost him \$14.4 and Vane \$4.21, McGovern said.

McGovern's sensational claims followed charges at the opening of the hearings that at least \$5,000,000 had been illegally voted in the recent primary.

**COOLIDGES MAY
BE FORCED INTO
TEMPORARY HOME**

Alarming Condition of the White House Roof Calls for Immediate Repairing.

WASHINGTON, D. C., June 10.—President Coolidge probably will be driven to living in a hotel here while the White House is being made safe for the summer.

An alarming condition of the roof of the executive mansion has caused administration officials to issue orders before another winter, when a heavy snow might cause the roof to crash.

Home leaders today promised quick action on the proposition to spend \$450,000 for replacement of the roof and \$200,000 for temporary White House quarters, the money to be made available July 1.

The roof actually is rotting to a large extent on the partitions of the great colonial mansion, and the trustees built to hold it up, Major U. S. Grant, engineer, reported.

**GANG LEADER
TO BE HANGED**

Richard Whitterson, Chief of Gang, Receives Death Sentence for Murder of Prison Guard.

BALTIMORE, Md., June 10.—High and Low Whitterson, head of the so-called "Whitterson gang" of New York and Baltimore law robbers, today was sentenced to hang for the murder of a Baltimore prison guard.

Justice Peckoff of Ohio announced the sentence in criminal court today. A jury reported from the same room on May 21 that they found Whitterson guilty of murder in the first degree. The verdict was an unqualified one.

Whitterson killed his partner on February 10, 1925, in the bank robbery at the Maryland penitentiary. He struck the guard with a piece of iron pipe. He had been sent to the prison for a term of 15 years on a charge of robbery.

BREAKS WAY
TO ALASKA**

Residents of Nome Receive Christmas Packages As Revenue Boat Arrives.

First Passenger Boat in Marks Opening of Northland's Mining Season.

NOME, Alaska, June 10.—The cutter bear, Alaska's adventure boat of the United States Coast Guard, broke its way through the ice fields to Nome today. The cutter's arrival marks the opening of the mining season.

The cutter, after discharging 25,000 pounds of peckery avian mail, returned to sea early Wednesday to effect coast Alaska Steamship company to Nome.

The cutter, after discharging 25,000 pounds of peckery avian mail, returned to sea early Wednesday to effect coast Alaska Steamship company to Nome.

**PASTOR INJURED
IN KLAN CLASH**

HARTFORD CITY, Ind., June 10.—The Rev. Lewis J. King, of Hartford, Ind., suffered concussion of the brain and two other men were seriously injured in a meeting between the Ku Klux Klan and a group of anti-Klanists in a street meeting here last night.

The Rev. King had been conducting revival meetings in Hartford for a month. Reports that he had been brought to this city to preach before the Catholic college, stirred his feelings in the town which was dominated by a short struggle in the past.

SIXTY CLAIMED DEAD.

BUCHAREST, June 10.—Disruptive convulsions in the flooded province of Buzau have prevented local prefects from giving full reports of deaths to the capital.

Foreign Twin Falls Girls Wed

Announcement is made of the marriage of Miss Mary Jane Ellis, graduate of the Twin Falls high school class of '23 to Henry Lawrence Chesbro, of El Paso, at Los Angeles on Sunday morning, May 30, at 3:30 o'clock, at the home of her parents, Mr. and Mrs. T. H. Ellis, 303 South Cabrillo avenue, with Rev. C. O. Kimball of the First Methodist church officiating. Following the ceremony one of the most pleasantly and at which humorous relatives and intimate friends were the only witnesses. The wedding breakfast was served. The couple are now on a six weeks honeymoon trip which will take them to Oakland, Oregon, Oregon, where the bride's brother, Paul Ellis, is a medical student at the University of Oregon. Portland, Seattle and back to Idaho Falls, where they will make their future home. The groom is the Junior member of the Cheban and Son firm of Idaho Falls. In attendance at the wedding were Mr. and Mrs. J. Hansen, Mrs. Hansen, formerly Miss Ruth Ellis, was for three years teacher of the Twin Falls junior high school. Her marriage occurred on May 29 in Los Angeles. Mr. J. Hansen is a prominent Imperial Valley rancher.

Admission Avenue Club Entertains

Wednesday evening at the home of Mr. and Mrs. Guy Turner the Admission Avenue social club entertained their families with music and cards. The house was prettily decorated with pink and white roses and snapdragons. A pink and white color scheme was carried out in the card tables and in the luncheon which was served at small tables. The club had as guests Mrs. Mary Burkhardt of Donner, California, Mr. and Mrs. A. Adams and family, Mr. and Mrs. Paul Peck and family, Mr. and Mrs. John Hill and family, and Mr. and Mrs. W. H. Westcott and family. It was one of the most enjoyable of their parties and won appreciation to Mr. and Mrs. Turner for their generous hospitality.

Officials at Wedding—On Wednesday morning at 9 o'clock, June 8 at the home of Mr. L. B. Woodruff in Wendell, his daughter, Dorothy Jean Simonson was married to Don Irvine Howard, Jr. of San Francisco, Cal.

The ceremony was read by Rev. H. O. Humphrey of this city, the uncle of the bride. Mrs. Howard is a graduate of Leland Stanford university and has been teaching in the public schools of San Francisco, Mr. Howard holds responsible positions with the Standard Oil company in San Francisco. They will make their home here in this city.

J. D. B. Club Honors Member—The J. D. B. club held a luncheon at the home of Mrs. F. C. Dawson on Wednesday afternoon at which club member, Arthur H. Sawyer, was given honors.

Mrs. J. A. Keeler who is leaving soon to spend the summer in California, 733 1/2 table were at many during the afternoon. The house was lovely with a profusion of roses, and the tables bore a beautiful center. Mrs. Hermann Schuriger won high score toward and Mrs. Louis Friedman low. A dainty two course luncheon, favoring a color scheme of red and white, served at the conclusion of the games.

Wednesday Bridge Club—Mrs. W. L. McFarland was hostess at the Wednesday bridge club yesterday. Four tables of players enjoyed the card games, prize for high score going to Mrs. Freeman Fox. The club has adjourned until September.

Hodder-Miller Wedding In Salt Lake

Mrs. Hodder of this city announces the marriage of her daughter, Ruth Hodder to Mr. Spencer Miller, the ceremony being performed in the Temple at Salt Lake on Thursday, June 3, 1926. Mrs. Miller has been the inspiration of many attractive luncheon and showers in the Utah City, the Salt Lake Tribune has been the marriage, comes as a delightful surprise to her friends in Twin Falls. She is now spending a short time visiting her mother, and will soon be at home to her friends in Idaho where Mr. Miller is in business.

The Levitt Smiths Honored—The Christian Endeavor society of the Christian church entertained with a rare and party Wednesday evening at the Clyde Van-Ambler home on Addison avenue in honor of Mr. and Mrs. Levitt C. Smith, who are leaving soon for the coast. They will tour the Yellowstone, visit in Montana and Oregon, and then go on to California, where they will be accompanied by Mr. and Mrs. Smith are employees of the Idaho Power company and particularly popular with the members of the Christian church. During the evening they were presented with a beautiful hammered silver service which was presented to them before part of the evening, and carried

included the latter part of the evening's diversion. The following table lists the guests:

Hodder-Miller—On Wednesday evening at 6:30 in the evening of Mr. and Mrs. J. P. Ticknor, the wedding of their daughter, Miss Ruth Hodder to Mr. Spencer Miller, was celebrated at the home of Mr. and Mrs. T. H. Ellis, 303 South Cabrillo avenue, with Rev. C. O. Kimball of the First Methodist church officiating. Following the ceremony one of the most pleasantly and at which humorous relatives and intimate friends were the only witnesses. The wedding breakfast was served. The couple are now on a six weeks honeymoon trip which will take them to Oakland, Oregon, Oregon, where the bride's brother, Paul Ellis, is a medical student at the University of Oregon. Women's Progressive Club Program

The Women's Progressive Club on Wednesday, June 9, presented a program titled "The Walls of the Home". The program included a vocal duet, "Home and Friends", Mrs. Kirkman and Mrs. Peterson, a play, "The Old Kentucky Home", Mrs. Kirkman and Mrs. Livingston, a two part selection, "Clara Hibel", Mrs. Kirkman and Mrs. Livingston, a play, "My Old Kentucky Home", Mrs. Kirkman and Mrs. Livingston, the club luncheon in the evening. Following the luncheon a social supper was served, centerpieces being of pink and white roses, blue and white flowers. An extended trip to the Pacific coast will be at home the last of June at 2527 A street, Lincoln, Nebraska. Mr. Livingston is an employee of the First National Bank of Lincoln. Mrs. Livingston is a graduate of the Kimberly high school class of 1924. The following guests numbered forty.

California Forest Honored—Camp meetings

Mrs. Walter Lee before she returned to Oakland, Mrs. H. Peter and Mrs. J. C. Peterson. The guests included the convention of Mrs. Lee. The afternoon was spent with conversation. Mrs. Peter's refreshments were served by Mrs. Peter, assisted by Mrs. Dowdell.

Sugar From Dahlias

A new habit and nation, under \$25, contains new life for domestic sugar manufacturers, according to Detroit. In recent huge beet-sugar crop is being used to make sugar for the year for lack of raw material. It is now expected that after producing beet sugar the beet pulp will run four months on artificial feed, followed by four months on dahlia tubers to produce large quantities of the new cane sugar. The beet pulp is prepared only as a sugar or molasses, while the brown sugar, left the pulp sugar, will be used rapidly to be sold commercially.

Daily, one month .60

It is too early for politics and politicians, but they are beginning to stir just the same. In our opinion the Idaho primaries are scheduled entirely too early in the summer. The campaign opens with the primary and it should not open until about two months later.

Burley has one of the finest Country Clubs for a town of its size in the Gem State and we understand now that they are getting motor boats for traffic or pleasure up and down the river. The future of this city is assured and her growth has been phenomenal. Burley draws from a large trading area and will continue to grow for several years.

Vacation time is at hand and millions of dollars will be spent during the summer months for this pleasure and rest by workers in various stations in life. The purpose of a vacation is to prolong the life of the worker and make his usefulness to the factory or place of business of greater value and yet the thought often occurs to us what would men like Abraham Lincoln and our fathers of the Civil war period thought if they had suggested a vacation to them?

Riders of bicycles in Twin Falls and surrounding towns should be more careful of their maneuvers on account of the heavy traffic of autos on the streets of our cities. The average rider appears to be unmindful of the danger that he is in of being struck by a car. Nearly every day some automobile driver springs and locks his wheels in order to prevent hitting some lad who is none too careful how he rides up and down the streets and around the corner right into the danger zone. Nearly every boy is careless and takes too many chances in this particular and some of these days a very, very sad story will be written for the newspapers and then some one will remark, "This tragedy could have been avoided." Will you help avoid that tragedy today by sounding the warning to your boy and mine and every other youngster who plays along the street.

TWIN FALLS GIVEN AIRPORT

This paper has advocated for several months the necessity of an airport or landing field for airplanes. We have felt that when the air mail line was opened from Boise to Elko that the Marie City should be on this line with a field for taking on and leaving air mail. But our request seemed to fall on deaf ears, but now one of our good farmer citizens who has a vision of the future and who realizes the value of such a bonding field has come forward and donated the field to the city of Twin Falls. Robert Ray is the donor of this field and is not satisfied with giving this field to the city but is also clearing same off and putting it in condition for the landing of planes. Such generosity is seldom found in these days of careful business men.

It is the plan of Mr. Ray and the city to have this field in condition for landings by July 5 when the people of Southern Idaho will be entertained and thrilled to by aerial exhibitions of Tommie Thompson, the daredevil of the air. Experts who have examined this field state that it is an ideal place of ground and splendidly located for such a purpose.

It would seem to us that the next step in generalities would be to try and secure an air mail service for this city. Few places send out or receive so much rush mail as grow and comes from Twin Falls and it is proper and right that the people of this section should have access to the fastest mail service in the world today. This air mail is self-supporting and yet it is a mighty aid to business. It is more or less like the use of the telephone and telegraph in our modern business world, which have come to be a necessity. But whatever else we do let's not forget that to our farmer friend, Ray, belongs the credit for this splendid landing field for the metropolis of Southern Idaho.

CLUB WOMEN OPPOSE SLIM MANIA

Without opposition, the Federation of Women's clubs at the recent convention at Atlantic City, passed a resolution taking a firm and bold stand against the feminine mania to grow slim, declaring that the health of the present generation and the fate of the coming generations are at stake. The women declared without reservations that the mania for reduction is one of the most flagrant violations of the rules of health that could be committed. The resolution went further than to condemn the prevailing craze for slender figures, and set up a demand for some adequate and trustworthy weight and measurement scale for women, and urged that one be adopted that would bring these into conformity, regardless of style and fashion.

There is an inherent fear, the women acknowledged in passing this resolution, of growing fat. The first sign of extra weight and some reducing nostrum is sought or some

The Man with Three Names Of Harold by Mac Grath

Some men are fortunate; they know exactly what they want the moment they see it. In this story a young man's consciousness had been filled for hours with the beauty of a woman's face, a face that he had seen but once for the duration of a dinner hour. But instantly this young man knew that one of life's greatest problems was solved. This was the girl. Somewhere, somehow, he was going to meet her. The working out of this resolution and the consequences that attended it, form the theme of this pleasing, typically MacGrathian, romance.

The First Installment of This New Serial Will Appear in The Twin Falls Times, Tuesday, June 15

Most dieting process is adopted, both of which may, and often do, impair the health of those who go that way. Someone has had the tenacity to suggest that the sure cure for this fault would be to arbitrarily declare that only stout women are beautiful and that only stout figures meet the requirements of fashion's decree. Tim, this authority points out, there would be no dieting, but eating without limit. It is even suggested that such a pronouncement might even solve the problem of the farmer and win a premium at the hands of the betuddled and much-harrassed congressmen at Washington. But the resolution will be spread of record, and is the safest kind of bet there it will stay without sign of going into effect.

Many of our leading men are riding on street cars and buses, including about the prohibition church diners that their children have come home one Friday night, June 11, 6:20 to 8:30, from college to use the family car.

CHILDREN CRY FOR

MOTHER'S FLETCHER'S CASTORIA is especially prepared to relieve infants in arms and children all ages of Constipation, Flatulency, Wind-Colic and Diarrhea; allaying Feverishness arising therefrom, and, by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.

To avoid imitations, always look for the signature of Dr. J. C. Fletcher. Absolutely Harmless - No Opium. Physicians everywhere recommend it.

FAMOUS FORTS IN U. S. HISTORY

By ELMO SCOTT WATSON

World's Greatest Civil War

On the morning of April 12, 1861, Edmund Ruffin, an ardent Virginian, pulled the trigger of a cannon and made history. The shot which was screaming across the water of Charleston harbor and struck the walls of Fort Sumter set 2,000,000 Americans on each other in the greatest civil war in history.

Fort Sumter, named for John Thomas Sumter, the famous partisan leader of the Revolution, was built in 1829 and was a casemated brickwork of five floors, mounting two tiers of guns. It was situated on a little island between Morris and Sullivan islands in the mouth of the harbor of Charleston, S.C. At the opening of the Civil war it was commanded by Major Robert Anderson, who had evacuated Fort Mifflin in December, 1860, and occupied Fort Sumter when the new President South Carolina was preparing to seize the forts in the harbor. In January, 1861, the steamer Star of the West had been fired upon when it tried to bring supplies to Anderson, but no further hostile move against the fort was made until April 11 when General P. T. Beauregard, the Confederate commander, demanded its surrender.

When Anderson refused, Beauregard the next day ordered his batteries to open fire on Sumter. After three hours Anderson returned the fire and for the next 34 hours the batteries rained shot and shell against the fort. Three times the fortification was set on fire but the brave defenders kept on the fight until their ammunition was almost exhausted. They Anderson sorrowfully lowered the Stars and Stripes and on April 14, the Stars and Stripes were raised over it.

Twice during the war the Union forces tried to recapture Fort Sumter. On April 7, 1862, Admiral DuPont tried to reduce it with a naval bombardment but failed. That summer Admiral Dahlgren endeavored to capture an earthwork that could not take it. So the men in gray held this fort until February 17, 1865, when they were forced to evacuate Charleston and the next day the Union flag was raised over it by Major General H. W. Foster. The last chapter in the site history of this fort was written on April 14, 1865. On that day Robert Anderson, now a general, led a force of boys in blue into Fort Sumter and over its ruined walls he hoisted the same old flag which he had hoisted there 37 years before.

Russian Given Credit for Radio "Invention"
Who was the inventor of radio? The Soviet government claims the honor for a Russian, Professor Alexander Stepanovich Popoff, and has adopted a characteristic method of telling the world about it. A new Russian stamp came to the notice of the writer a short time ago. Above an excellent likeness appeared the words "Invention of Radio Popoff." The language of this inscription is Esperanto, though the other characters on the stamp are Russian.

Accommodating Captain
A good story has been related by the passenger of a big ocean liner. It seems that the captain had stopped at a small Southern port on a winter cruise, arousing the most appalling amount of excitement among the natives. The captain of the little tender off almost burst with impatience. He brought his boat alongside most pompously, shouting orders in Italian, and doing everything wrong. Three times he tried to make connection with the liner's gangway, and three times he failed. The first time the liner's captain smiled; the second time he looked serious; and the third time his face became contorted with fury. "Stand by," he bawled through the megaphone, "and I'll bring my ship alongside."—The New Yorker.

FUSION IS FAVORED BY DEMOCRACY

Mass Meeting Last Evening Authorizes Appointment of Committee to Confer with Progressives Regarding Ticket for This Fall in Twin Falls County.

After considerable discussion, the enthusiastic democrats last evening passed a resolution for the appointment of a committee of five to confer with progressive regarding a division of county offices and complete co-operation for the election of such ticket. The committee will report back to a democratic mass meeting June 16, on which occasion of the visit of L. K. Dillingham, state chairman. The meeting was held in the American F.M.D. reservoir offices.

The personnel of the committee consists of John E. Dwyer, county chairman, T. B. Connor, Elmer W. Orr, Chapman; E. C. Davis, Castleford, and A. H. Hicks, of Twin Falls. The committee is authorized to pick candidates and recommend anyone for nomination, but to arrive at a working agreement and division of offices.

Matter is explained. The matter was brought before the meeting by Chairman Dwyer and amplified by Mr. Connor. Mr. Orr then moved the appointment of the committee, with the understanding that the office of sheriff should be referred to democrats, with view of securing the election of M. E. Finch should be desired to run again. On motion of Mr. Finch it was decided from the speaker in order to avoid hampering the process of setting an understanding. On suggestion of T. M. Robertson and suggestion of T. J. Linn, it was requested to report back to another mass meeting on the date named. E. E. Walton also spoke in support of the resolution and urged for independent action but all others who spoke favored getting together, while retaining party autonomy and organization.

Other Fusion Speakers.

In addition to those already named, those who spoke in favor of fusion were E. C. Davis, and Elmer W. Orr. G. Munyon and W. P. Shinn, Piler, James D. Wheeler, Twin Falls, and Chester G. A. Divalbes, Bull. A letter from I. H. McConor, who was undoubtedly absent, favored getting together, and predicted victory should this be accomplished. He commended the democratic county administration, especially in regard to the management of affairs by the board of commissioners. All speakers in favor of fusion stressed the similarity of purposes of the democratic and progressive as indicated by their platforms. They supported abandoning the deliberative organization on account of its long history and nation-wide organization, because of probable democratic victory in the forthcoming election, but declared that they realized that the progressives were actually opposed to abandoning their organization, hence, favored fusion in order to accomplish the purposes which both organizations have for their objectives.

Progressives Favor Fusion. Mr. Connor said he had discussed the matter with a dozen active progressives all of whom favored getting together. Harry Nelson, field man of the Twin Falls Co-operative Daymen's association, who was present as a speaker, was very emphatic and declared that he found progressives in this county and Cassia county in favor of an agreement with democrats.

In view of instruction for Sheriff Finch, a resolution approving his administration was unanimously adopted.

Put confidence in everybody and soon you won't have any in anybody.

The perplexing problem is to get the tolerant to tolerate the intolerant.

The trouble with conservatism in America is that it is as yet mostly conservatism.

Follow who stole an airplane is being pursued, we presume, by the flying squadron.

BRUINS WIN-3d GAME

(Continued from Page 3)

O'Neill, Gorman hit another fly to O'Neill. No runs, no hits, no errors. Eighth inning.

Here—Dwyer grounded out to Fitzgerald, Thompson batted in Jacobs and was safe at first. Barker fanned. Homeberg singled advancing Thompson. Fitzgerald struck out. Dwyer fanned. Thompson, Maloney walked. Homeberg trotting for Apperson with the bases full. Dwyer hit a foul over the fence. Bowers grounded out in short. One run, three hits, no errors. Ninth inning.

Here—Jacobs grounded out to Homeberg. Mothe grounded out to Dwyer. O'Brien walked. Nelson grounded out to second and O'Brien was forced at second. No runs, no hits, no errors.

Briggs—Zanlock grounded to short and took first on error. Gorman walked over second. Dwyer fanned. Thompson grounded to third and was safe on a wild throw. Barker up and bases full. Backer hit two-bagger scoring Zanlock, Gorman and Dwyer. Homeberg walked. Fitzgerald struck out. Dwyer, Four runs, three hits, two errors.

Times Have Changed

The chairman of a committee was approached by an unemployed pick carrier who requested a recommendation anyone for nomination, but to arrive at a working agreement and division of offices.

Matter is explained. The matter was brought before the meeting by Chairman Dwyer and amplified by Mr. Connor. Mr. Orr then moved the appointment of the committee, with the understanding that the office of sheriff should be referred to democrats, with view of securing the election of M. E. Finch should be desired to run again.

They "Ananized"

Little Billy, who is from playing with his two younger brothers. Billy was "anitized" out and scolded Billy. "Well, mamma, I'm all the ingredients there to make a man and they just anitized and anitized that is the best, so they put me in a barrel and a big old man came up and tore my pants."—Capp's Weekly.

Watch Your Thin Weak Child Grow Strong

In just a few days—quicker than you ever dreamed of—these wonderful flesh making tablets called McCoy's Cod Liver Oil Compound Tablets will take to help you weak, thin, undernourished little one.

After sickness and when rickets are suspected, they are especially valuable. No need to give them any more nasty Cod Liver Oil—these tablets are made to take the place of that gross but evil smelling, stomach upsetting medicine and they surely do it. They do you just as well.

Don't consider it worthless—

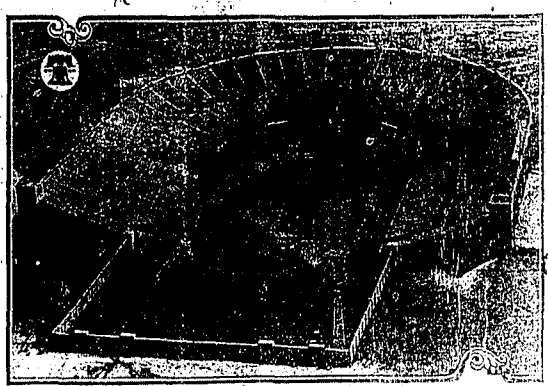

Have it welded

It is no longer necessary to junk valuable equipment because of broken castings or worn metal parts. We can weld the pieces together and make them stronger than they ever were.

GREAT SESQUI STADIUM OPENED AT PHILADELPHIA

The stand areas in the centre of the Sesqui-Centennial International Exposition site in Philadelphia were built in approximately 30 working days. It was completed and in use a month before the opening of the exposition which celebrates the 100th anniversary of the signing of the Declaration of Independence. This photograph, made from the air, shows nearly 3000 boys at the playing field, nested there for the deflatory exercises on May 1 which formally opened the structure. The stands are seated 10,000 persons watching the program. A group of 10,000 persons in a large crowd but they are only a "drop in the bucket" in the big Philadelphia stadium. The boys paraded onto the field to the accompaniment of fourteen bands and there went through their drills and athletic exercises for the benefit of city officials and parents.

... AT THE THEATRES

JACQUELINE LOYAN THE SUN FINE PASTOR "When the third opened" the picture directed by Reinhold Barker and all the ingredients there to make a man and they just anitized and anitized that is the best, so they put me in a barrel and a big old man came up and tore my pants."—Capp's Weekly.

When you please a terrible thought, its destructive way over the countryside, or a spine-chilling figure in canvas through the turbulent waters of a mad rhapsody, or a towering pine tree reaching to earth within a few fathoms of the horizon, you have an inkling of the gigantic thrills incorporated in the film by one of the best thrill-erectors among present-day directors.

ENGLISH BLACK CURRANT CAUSE OF PINE BLIGHT

War has again been declared on the English black currant in Idaho. A new paper has been issued by the Department of Agriculture in Idaho in a pamphlet of 14 pages. The pamphlet contains a list of the black currant varieties in Idaho and the Department of Agriculture for Idaho, which has been made a result of the investigation of the cause of the blight on the currant. The blight is caused by a fungus which attacks the leaves and the fruit of the currant. The blight is caused by a fungus which attacks the leaves and the fruit of the currant. The blight is caused by a fungus which attacks the leaves and the fruit of the currant.
