

MEXICO FACES CONSPIRACY AGAINST U. S.

Borah and Clique Still Oppose Coolidge and Administration Attitude in Nicaragua; Mexican Government Accused of Exciting Anti-Yankee Movement.

WASHINGTON, D. C., Jan. 8.—With two United States war vessels reported chasing alleged Mexican gun runners off the Nicaraguan coast, the administration anxiously awaited today to see whether Mexico and the United States will be brought to an open break over the Central American revolutions.

After lengthy statements authorized by President Coolidge and Secretary of State Kellogg, defending American occupation and alleged intervention in favor of the Nicaraguan conservatives, who they believe the congressional opposition led by Senator Borah, chairman of the foreign relations committee, cannot force a change in.

Officials think that 10 United States war vessels and 4200 blue-jackets and Marines now in or en route to Nicaragua will frustrate the rebels and their alleged Mexican supporters and end the revolution.

Officials admit, however, that if gun runners or rebels fire upon United States forces, the fire will be returned and then almost anything may happen.

The administration's attitude today, differing from the defensive attitude earlier this week, was distinctly aggressive toward its critics, apparently on the assumption that the government will be able to bring the Central American fight to retreat.

As President Coolidge put it, through his spokesman, the administration is determined to bring the revolution in Nicaragua and is going to make the recognition of the conservatives "more than an empty gesture." Administration officials believe full general authority to put that policy into practical effect, it was said.

Officials said he would continue to oppose the administration policy, charging this government has no right to intervene at all in Nicaragua, and certainly not on the side of the conservatives when the liberal forces have full general authority to put that policy into practical effect, it was said.

Game Law Changes Asked in Idaho By Izaak Walton Club

SANDPOINT, Idaho.—A special meeting of the Sandpoint chapter of the Izaak Walton League of America at the court house, President E. T. Wolf presiding, when matters were taken up relative to changes in the game laws which the chapter will oppose to the forthcoming session of the state legislature and, as a result, migratory bird commission, the national migratory bird commission, and the various legislation proposed. Dr. F. G. Wendle, C. L. Hilligoss and E. L. Stutz were named a legislative committee to prepare the form of the requests for game law changes, for submission to the Panhandle association, and to the state game department.

The matters taken up and the results were as follows:

Eight-inch minimum size in all fish limits approved.

Dear season limit approved, and is present in force, but Montana and Washington to be requested to fix conforming season; showing by article of the bill, or any fish or animals proposed.

Closed streams: Passed, until a later meeting.

Wildlife: Asked to set open season December 15 to April 15, with 25-pound limit of catch or in possession, for all of Bonner county, Idaho, and to set federal limit of 12. Motion for an emergency amendment covering the white fish situation, to check as soon as possible the bootlegging of wildfish, from county waters.

Pastor Comments on Jail Treatment; Violates Mann Act

PORTLAND, Ore., Jan. 8.—Beyond expressing delight over "accommodations" of the Portland jail, the Rev. G. O. Jones, former pastor of the Third Baptist church here, today refused to comment on the Mann act charges against him in connection with the case of Mrs. Paul Lee, a member of his congregation.

Rev. Jones arrived here from Los Angeles, where he was arrested, He was indicted to stand trial, but being sent from the south to Mill Island.

The jail and handsome minister was indicted recently here and arrested in Los Angeles several weeks ago. The charge against him is that he transported Mrs. Lee, a worker in his Portland church, to Fort Worth, Texas, for immoral purposes.

SLAYER HANGS BUT REMEMBERS MOTHER AND WIFE

SAN QUENTIN PENITENTIARY, Calif., Jan. 8.—William J. Slater, 27, died at the end of a noose here Friday. Slater had a record of prisoners, his mother and wife, crushed by the blow and wailing with his end, in Buffalo, N. Y.

The youth was hanged for the desert murder at Needles, Calif., July 2, 1925, of Marshal James West, veteran police officer.

Slater had set this morning was to send a telegram to his wife, in Buffalo, bidding her goodbye. He paid for a sign, the last dollar to his credit on the prison books.

Previously he had messaged her to comfort the mother, desperately ill in the city.

"I wish you a happy new year," he wired.

GOVERNOR DENIES UTAH APPOINTMENT DISTRICT JUDGE

SALT LAKE CITY, Jan. 8.—James H. Tucker, former city judge of Provo, was named last night by Governor George H. Dern, as district judge of the fourth judicial district to succeed Judge Elias Hansen, resigned, and elected to the Oregon court of appeals.

HOPPE REGAINS BILLIARD CROWN

NEW YORK, Jan. 8.—The year 1927 is no healthier for champions than 1926. Hoppe, the first titleholder to risk his crown in the new year, bowed in defeat to Willie Hoppe, who was considered a pretender for so many years that he is still thought of as a youth, despite he is close to 40 years. Hoppe regained the title with a blow billiard championship to go last in 1925.

The climax of 600 points in a brilliant display of billiard was a 1000-point contest in a 15-minute win, 1500 to 1237.

ANTI-FOREIGN RIOTS SPREAD IN SHANGHAI

U. S. Destroyers and Admirals Williams Ordered from Manila to Shanghai on Account of Growing Foreign Riots in Central China.

WASHINGTON, D. C., Jan. 8.—Alarmed by spreading anti-foreign riots in central China, the administration here has ordered Admiral Williams, commander of the Asiatic fleet, and Rear Admiral Shanhai, with the cruiser Pittsburgh and all available destroyers.

Liquid reports from Consul General Lockhart at Hankow described the situation there as critical with all American homes and children prepared to follow the 20 who joined the flight of the British to Shanghai.

American naval commanding standing by at Hankow on the Yangtze river have been ordered to use force only in self protection for actual danger to American lives, of course, but forcing that fire from foreign guns which stand ready to be used by the nationalists. Especial concern is felt for the missionaries in inland China.

The administration has not decided upon a line of action in China nor has it announced a definite policy in reply to the unprovoked British attack.

Although the government is committed to force of Chinese clemency rates, the abolition of foreign extra territorial rights, it believes the change should be gradual if foreign interests are to be protected. Hence the "open door" over the nationalist threat to make the change immediately.

Radio Regulation May Be Effected Through New Bill

WASHINGTON, D. C., Jan. 8.—Conferees reached an agreement today on the special bill providing for radio regulation by federal commission with the department of commerce acting as the administrative agency.

Senator Bill, Democrat, Washburn, Republican, Maine, authors of the measure and house bills, were authorized by the conferees to draw up a bill embodying the agreement on various disputed provisions, and report it back to the full conference next Tuesday for final action.

SLAYER PLEADS GUILTY TO MURDER, COURT DENIES PLEA

PARKVILLE, Texas, Jan. 8.—Following the court's ruling to refuse a change of venue asked by counsel for George J. Hessel, on trial charged with murdering him, Hessel today pleaded guilty because he said he was "afraid of mob violence."

The plea was not accepted by the court and the plea of "not guilty" was entered on the docket.

IDAHO PROPERTY VALUATION SHOWS DECREASE FOR YEAR

BOISE, Idaho, Jan. 8.—1926 and personal property valuation of the state of Idaho totals \$271,115,500.21 for 1926, according to a report just made by the state auditor. This is a decrease of \$1,490,615.64 from the 1925 total. Of the last year's valuation, \$24,105,826.26 is for personal property.

FUNDAMENTALIST WILL LECTURE ON ANTI-EVOLUTION

ATLANTA, Ga., Jan. 8.—John Roach Straton, fundamentalist orator of New York will devote "all" possible time hereafter to promoting the Supreme Religion, Inc. in an anti-evolution organization. Straton delivered in a statement to the United Press today. His announcement followed today by him and Edward W. Chubb, "advocates" of the view that history was to receive \$250,000 for the States under the Supreme Religion's auspices as stated in a Miami, Ga., newspaper article.

EMBEZZLER REFUSES TO GO BACK TO CALIFORNIA TODAY

SALT LAKE CITY, Jan. 8.—The prisoner to return to California, on an embargement and foreign charges, took a new turn today when habeas corpus proceedings handed by the courts were denied by Justice Sheriff Reg. Edge of Denver county.

NEW FILING FEE BILL MAY START ROW IN IDAHO

Additional Fees in Filing Documents with County Clerks.—Introduced Today in Idaho Legislature. Documents Would Include Conditional Sale Contracts.

BOISE, Jan. 8.—A bill which would provide the nineteenth Idaho legislature with some fireworks if it acts beyond committee was introduced this morning, amending the law on filing of documents with county clerks to include conditional sale contracts.

Senator Reed of Clearwater introduced the measure.

The bill would provide the grounds for the filing of sales contracts as is now charged for chattel mortgages and other similar papers. Under the measure all sales contracts for the purchase of automobiles, furniture and other personal property would have to be filed with the county recorder.

Outside of a message from Governor Blairidge that he had signed house bill No. 3, appropriating 600,000 for administrative and legislative expenses of the state to March 1, and appointing an official photographer, the lower house found no other business before it today and adjourned until Monday.

DANCE HALLS TO CLOSE AT 12:30 UNDER NEW BILL

Representative Juppert of Bluffham County Wants to Close Dance Halls at 12:30 a. m. and all amusements would be forbidden thereafter.

The measure is in the form of a bill which Senator Royal M. Juppert of Bluffham county has drawn and plans to introduce in the upper house.

The measure is in the form of an amendment to the present regulatory law governing dance halls.

"On the other side," says Juppert, "I have introduced a bill in the lower house to amend the law on the floor toward Yellowstone park particularly, there are many habited dance halls which are for boys and girls, and I think it is better to break up until daylight. Parents never know where their children are."

Some 1200 persons long enough for dancing. It allows for jolly New Year's eve parties and all the merriment you can want, and yet it brings the children home before parents get angry.

If Senator Juppert's bill, which filing was in the hands of the legislative attorney, is introduced this morning, it probably will take precedence to senate bill No. 1, of the Nineteenth session.

ANNALES HITTLE GIRL, SALT LAKE CITY, Utah, Jan. 8.—Police are securing the girl today for a man who brightly announced "Thee dance, dance, dance" near her home here last night and left her in an alleyway in a serious condition. Several complaints of attention to attack girls have reached the police, and in one instance the man seized a young woman and attempted to drag her into a machine. When she resisted he choked her to unconsciousness and left her lying on the sidewalk.

CALHO.—The whippersnout to be used by the police in their campaign against drug addicts.

DEMOCRATS SEEK CONTROL OF U. S. SENATE

Defeated Democratic Candidate Files Contest Against Vare's Election; This Seat Would Give Opposition Control of Senate.

WASHINGTON, D. C., Jan. 8.—William H. Wilson, defeated Democratic senator-elect in Pennsylvania, today filed a contest against Vare's election; this seat would give opposition control of Senate.

Announcement in entirety to be made. The United States was refused by Wilson today, that it is content to be represented in an effort to show fraud in U. S. election.

The decision is of vital importance to determine control of the post session, which has stands 45 republicans, 47 democrats and one farmer-laborer.

Up to this point it had appeared the defeat of Vare would result in a contest for the Senate seat, but it is now clear that it should be barred from the Senate in this contest, a republican would be appointed to fill the vacant place.

The new plan of democrats for an aggressive attack to seat the defeated democratic candidate would change the entire complexion of the Pennsylvania election struggle. A recount of ballots cast in November and investigation of the situation in many Philadelphia precincts, where the election was extremely close, would be undertaken by the state privilege and elections committee.

Installation of this committee would mean the case would automatically go to the privilege and elections committee for investigation.

EVANGELIST TRIO HEARING MONDAY

LOS ANGELES, Jan. 8.—The fate of Anne Temple McPherson and her associates, accused of conspiracy and perjury, will be determined next Monday by the federal grand jury.

The arraignment of Kenneth G. Orin, one of the defendants, has been deferred until that time without prejudice to state charges. All information against the evangelist and her mother, Mrs. Minnie Orin, are to be filed Monday afternoon.

McPherson is to be held Monday afternoon in the Los Angeles jail to file the information, as he has indicated he may do, the case will automatically pass out of the jurisdiction of the federal court, and the trio will never so to trial.

MYSTERY GIRL RIDES AIMLESSEY

SALT LAKE CITY, Jan. 8.—Mystery surrounding the identity and conduct of the girl who rented two horses from a local livery, January 4, and was found riding aimlessly in the hills of Tooele county, was deepened today when a valley tramp at a local hotel revealed details indicating her name is not Marie Cameron, as she claimed, but Miss Mary Gibb, formerly of Idaho Springs, Ariz., and 325 1/2 Waterloo streets, Los Angeles, Cal.

A Christmas card postmarked Mill City, Mont., and bearing a return address in "The City of 1111" Street, Mill City, bore an inscription to his "grand daughter, Miss Gibb, and her mother, Mrs. Minnie Gibb, formerly of Idaho Springs, Ariz., and 325 1/2 Waterloo streets, Los Angeles, Cal."

A woman who rents a room, and name, and a guest of the hotel, Miss Gibb was identified as having formed the marriage with Cameron for using "Gibb" as a name.

Miss Gibb, who is a blonde, is said to be about 20 years of age, and is said to be a native of Idaho.

\$29,686,214 in Dairy Products and Eggs Shipped Out of U.S.

Dairy products and eggs valued at \$29,686,214 were exported from the United States in the year ending June 30, 1926, according to a statement on the export situation issued by the State-Department Agricultural Foundation. Canned milk topped the list, with 1,000,000 cases, cheese third and butter fourth. The principal export market for these products is to be Cuba, which took 1,000,000 of the cases shipped abroad and was next to the United Kingdom as a buyer of canned milk. Great Britain was the second largest customer for these products, with the Philippine Islands in third position. Mexico, Germany, China and Japan, Panama and Canada were the other markets which bought the surpluses of these products.

BUHL GIRLS WIN FROM KIMBERLY

BLISS DEFEATS FILER QUINTET

FILER GIRLS WIN FROM TWIN FALLS

Twin Falls high school girls basketball team was defeated by the Filer team Friday evening 30-9. In a rather rough game, the Filer girls perfectly playing boys' rules during the first half and scoring 22 points. No fouls were called until the second half when close check was made. Twin Falls guarding was especially good the latter part of the game. The defeated team will meet Filer's second team here on January 25.

The lineup: Filer: Mahanen, Right Forward; Jenkins, Left Forward; Weaver, Left Forward; Newman, Jumping Center; Running Center. Filer: Haines, Right Guard; Substitutes: Caldwell for Haines; Ward for Weaver. Referee: Mr. Nosh of Filer; umpire, Margaret Solley, Twin Falls. In One "Butt" of 200. In two "Butt" of 200 there are 199 points.

Boys' Quintet Defeats Kimberly Team by Score of 47 to 6 and Buhl Girls Win from Visitors by Score of 70 to 20; College of Idaho Girls to Play Buhl Next Week

DURL, Jan. 8.—Coach Harry Barry's basketball team triumphed last evening over the Kimberly "girls" team by the score of 70 to 20 and the fast Buhl team ran away with the visitors. The first string of girls played only 14 minutes and then substitutions started and many of the girls' second string were given a chance by the Buhl coach. Nearly 1200 fans gathered outside the gymnasium. The former Northwest champions lived up to their reputation last evening, and should be able to carry off the honors. The boys won their game from the Kimberly quintet by the score of 47 to 6.

During the first fourteen minutes of play the Buhl boys scored 25 points, and Kimberly scored one field basket. The prelude of basket shooting was a feature of the game which is seldom witnessed in amateur league games on the part of girls' teams. Miss Metz is shooting baskets even better than she did last season and scored 25 points in the first 14 minutes of play. Miss Lacy, running mate of Miss Metz, looks like a very fast and formidable player and should make a record almost equal to Miss Peck of last year's team. She scored twenty points. Miss Scully played running center last evening in splendid fashion and appears to be in the game from start to finish. Miss Hays at center is playing a wonderful game and usually won the ball on the tip off from the team. The two guards, Miss Southwick and Miss Stewart, did good work but their chances were not as numerous as the forwards and therefore did not make as spectacular a showing.

The girls' team as a whole appears fast this season and should be able to win the Northwest championship again unless some unforeseen accident comes to defeat them.

Buhl Boys Win Game. In the second game between the Kimberly boys and the Buhl quintet, Captain Davis of the Buhl team played the star game of the evening and scored 20 points for Buhl. Thurgan at center was a close second and played a wonderful game. He scored 12 points during the game and usually won the ball at center. Davis and Thurgan worked together and did some rapid fire passing and worked the ball down to their goal in fine style. Coach Jimmie Neal was well pleased with the showing made by his team and used a great many substitutes during the second half of the game. The boys' lineup: Kimberly: Davis, Left Forward; Stewart, Right Forward; Hunt, Jumping Center; Scully, Running Center; Southwick, Left Guard; Stewart, Right Guard.

Wildcats 18, Bliss 21.

Bliss' team, The Wildcat, went down to defeat here last night before the Bliss Tigers in a rather loosely played basket ball game. Coach McLaughlin of Bliss notes that the floor was not regulation length and the ceiling too low for fast basketball. The final score was 21 to 18 in favor of Bliss. Coach Haines' was a fast quintet and the Palmer brothers make a combination which is hard to beat. G. Palmer was the star for the forwards and Owen Miller at forward, Captain Hainthorn at guard and Shackley at the other guard played the best game for the Wildcats. Smith and Harmon of the Wildcat almost each scored four baskets each but their playing was not as fast as was expected. G. Palmer for Bliss scored 10 baskets and was high point man. Bliss comes to Filer next Friday evening for a double header.

Bliss' lineup: Sullivan, Right Forward; Adams, Center; Ballard, Right Guard; Hunt, Left Guard. Girls to Play College of Idaho. Coach Harry Barry announced last evening that a game between the College of Idaho girls had been arranged for next Wednesday evening at the Buhl gym. The College of Idaho team is fast and is playing a number of games in Southern Idaho and will meet the Albion Normal in this district. The girls' lineup: Kimberly: Buhl, Tyler, Right Forward; McCarty, Left Forward; Quint, Jumping Center; Hunt, Running Center; Requa, Left Guard; Brennan, Right Guard.

Loeb and Leopold Jury Fails to Agree and Is Discharged

JULIET, Ill., Jan. 8.—The jury considering Charles Loeb's \$10,000 suit for damages against Nathan Leopold and Richard Loeb, "wild slayers" of Bobbie Franke, was discharged in circuit court today when it failed to agree on a verdict. After being out more than 24 hours and taking 50 ballots, the jury stood 8 to 4 for awarding a verdict to the taxi driver, who claims the young intellectuals performed an operation on him about six months before the Franke killing.

NEW YORK—Swedish and Danish amateur boxers won five of eight bouts with local amateurs last night. The only American knockout was scored by Joe Hanlon over Olaf Park, Sweden.

A STATEMENT

By the President of Dodge Brothers, Inc.

Within a few months, Dodge Brothers, Inc., will introduce a new line of motor cars, in no way conflicting with the market for Dodge Brothers' present types, but occupying a considerably higher price field and produced in limited quantities. Combining Dodge Brothers well known dependability with exceptional performance and striking beauty of appointment and design, these distinguished vehicles, we believe, will instantly set a new and higher standard in fine car practice. Dodge Brothers will continue to produce their present line in maximum quantities to meet a demand which, during the year just ended, was very much the largest in their history, reaching the record total of 330,000 cars.

Seek Premier Jockey Honors

Here are two of the leading jockeys of the country. Billy Munden and Robert Jones, now fighting it out at the Twin Falls track for the premier honors of the year. Jones leads with 116 winning mounts, while Munden has sent 105 under the wire first.

TWIN FALLS DAILY TIMES

Entered at the Twin Falls Postoffice as Second Class Matter on a Daily Publication, April 11, 1912.

OUT OUR WAY BY WILLIAMS

I DON'T THINK TH' BULL LIVES TH' HANDS WEARIN WITE COLLARS AROUND HERE! IT MAKES IT LOOK LIKE WE'RE MORE BRAINS THAN WORK HERE! LOOKIT TH' LOOK!

HIS WIFE PUT HIM UP THAT SHE SAID IT WOUL MAKE THEM NOTICE HIM MORE AND GET HIM UP!

I AGREE WITH HER! IT WILL! I'LL GET 'IM UP LIKE A COAL MINER, IF TH' BULL CAN FIND A DIRTY ENUFF JOB! HE DON'T BELIEVE IN ROYALTY!

Growth of business in Twin Falls during the past year as evidenced by increased bank clearings is further supported by the increase in postal receipts, which grew from \$61,446.65 to \$65,133.48, an increase of 100 on the list of water users and increase of 77 in telephones.

Word that Carl Feldhusen, who has been connected with the potato flour mill at Idaho Falls, which he and others founded 10 years ago, expects to establish a similar mill here, is a natural consequence of the fact that it has been demonstrated that the Twin Falls potato is the best on earth. More institutions of that sort with a payroll attached are needed in this city.

In the Babson review published in the Times yesterday it was noticeable that while in many things Idaho ranked among the highest states in the Union relative to business activity, yet it was not in the highest class on the average, but came in the next highest, or fair class. This was due to the fact that in three things it dropped to the very lowest. One of these was in production of soft coal, which was perhaps unavoidable. The other two have a direct connection with one another. It was in the very lowest class on retail sales, and significantly in newspaper advertising. The two go together.

SHALL WE TAKE MONEY OR WATER?

The proposal to sell us water or refund us money because of the savings incurred by the government in building the larger size reservoir at American Falls, is only a little less involved than the theory or relativity or the so-called fourth dimension.

The government built the reservoir bigger and thus saved a lot of money.

After you have given thought to that then consider this. The Twin Falls Canal company purchased from the government 100,000 acre feet of water in the American Falls reservoir and agreed to pay the actual cost of construction per acre foot. It was finally estimated that the cost would be about seven dollars per acre foot and bonds were sold to that amount. These bonds were sold in 1924 due in twenty years at six per cent interest.

The price of seven dollars per acre foot was based by the government on a reservoir of 1,040,000 acre feet capacity. Later the government increased the size of the reservoir to 1,700,000 acre feet. This increase in the size of the reservoir reduced the acre foot cost to five dollars but increased the total cost of the reservoir \$960,000. This amount the government has advanced and it will sell from the additional water impounded sufficient to reimburse itself this amount with interest.

After the government gets this advanced money back from the sale of water, it proposes to allow the Twin Falls Canal company to participate in future sale of water until it receives back the difference between seven dollars, the first estimated cost per acre foot, and five dollars, the present estimated cost. On the one hundred thousand acre feet of water purchased this will be \$200,000.

Or the government will allow this tract to take additional water rights in American Falls to the value of \$200,000, which amounts to 40,000 acre feet.

If the water is taken the canal company may keep, rent or sell the water at any time, on any terms or conditions that it sees fit and will receive immediate possessory rights to the water as soon as it is impounded, says the Buhl Herald.

If the money is taken the canal company will have to wait until the government pays itself \$960,000 and interest which the additional reservoir cost, and which money must be made from the sale of additional water. After the government gets its money back then it will permit additional water to be sold from which this tract may be reimbursed. The length of time it will take to get a return of the money is, of course, very problematical. It may take a period of many years.

Which method of repayment will be selected will be decided at the annual meeting of the stockholders of the Twin Falls Canal company at their annual meeting next Tuesday.

Water users in this part of the tract are inclined to the surety of taking the water.

Equilibrium in the Kitchen.

Have most of you had your patience tried and the sweet serenity of your spirit ruffled by the wobbling and tipping of saucers on gas stove burners which were too large? Keep a supply of extra of the screening all to place over the burner when using very small cooking vessels and you will have successfully solved this problem.—Good Housekeeping Magazine.

Art Her Hobby.

She had a vast amount of money but it had come to her quite recently. She was fond of art. "Painting is what she excelled in," she said. "I should say it was! If I am ever in a city where there's an art gallery I never fail to visit it."

The First Requisite.

There don't touch us in telling a story would—thinker who's story, a pretty heavy life insurance.

NOTICE

To the Stockholders of the Twin Falls Canal Company: You are hereby notified that the regular meeting of the stockholders of the Twin Falls Canal Company will be held on Tuesday, the 11th day of January, 1937, at 10 o'clock A. M., at the office of said Company, in Twin Falls, Idaho, for the purpose of electing five members of the Board of Directors and transacting such other business as may come before said meeting.

The books will close for the transfer of stock ten days before said meeting, and all notes must be in the hands of the Secretary not less than five days before said meeting. Revenue stamps are not required on notices.

TWIN FALLS CANAL COMPANY

By E. C. Lynch, Asst. Secretary.

NOTICE OF SHERIFF'S SALE

By virtue of an execution, issued out of and under the seal of the Probate court in and for the County of Twin Falls, and made of record upon a judgment rendered and docketed in the said court, on the sixth day of December, nineteen hundred and twenty-six, in an action wherein The Gravel-Barklow Company is plaintiff, and Paul Kretz, doing business as Gravel-Barklow Company, is defendant, in favor of the said plaintiff, and against the defendant, for the sum of twenty-seven dollars and ten cents (\$27.10), which execution was directed and delivered to me as sheriff in and for the County of Twin Falls, I have issued upon all the right, title and interest of the said defendant, Paul Kretz, doing business as the Gravel-Barklow Company, in and to the following described real property, to-wit:

Lots six and seven of Block eleven of Blue Lakes Addition West, to the City of Twin Falls, County of Twin Falls, State of Idaho.

Notice is hereby given, that I, the undersigned, as sheriff aforesaid, will sell the above described real property to the highest bidder, for cash at public auction at the east front door of the court house of this county, in the City of Twin Falls, State of Idaho, on Monday, the thirty-first day of January, nineteen hundred and twenty-seven, at the hour of two o'clock in the afternoon of that day, to satisfy the said execution, together with the interest and costs thereon. Dated January 6, nineteen hundred and twenty-seven.

WATER REBATE IS FAVORED BY ALWORTH

Prominent Farmer Thinks It Would Be a Benefit to Farmers. He Believes It Will Increase in Value Very Much.

That the stockholders of the Twin Falls Canal company should take water instead of ultimately taking cash in the market, and also for several terms director of the Twin Falls Canal company at different times.

Mr. Alworth sets forth his reasons for his attitude in the following letter to the Times:

From the many inquiries which I have received, it seems to me that the question of the rebate on water in the American Falls district is one of the most important and far-reaching questions which they will be called upon to decide for many years to come.

When it was finally decided by the government to build the larger reservoir at the site of the present reservoir, the water available to the Twin Falls country, thought it their duty to safeguard the interests of their constituents as far as they could. In order to give the water users of the district the option of taking water in lieu of money for the rebate on their account of the difference in the cost per acre foot between the larger and the smaller reservoir, the rebate was finally granted and the issue of exercising the option set for December 1925, but was subsequently suspended because of the war.

Now the stockholders of the Twin Falls Canal Company, an opportunity to pass upon the question at their annual election, and I believe it is their duty to take the rebate.

The water will amount to approximately 40,000 acre feet and the cost will be about \$5 per acre foot plus one cent interest. This would be about the last \$5 per acre foot water available in Idaho, for all time. The money would not be available for several years if we should decide to take the cash rebate. The water would be available immediately, and could be sold for its actual market value, which would be about the present cost. In this instance we would have the right of issuing it, we so desired, and found we were not able to do so for technical reasons. This water cannot be sold by the district, but can be received by them as a loan, for the Twin Falls Canal company, North and South side, other Canal companies in the district, and presented to them, when it then becomes the property of the various stockholders and can be sold by them at its market value, if so desired. However, I believe it would be advisable to keep this water in the American Falls reservoir and dispose of some of our Jackson Lake water later on if we so desired, as there will be a doubt, but many opportunities will be afforded us in the future.

This is a question of great importance to the stockholders of the Twin Falls Canal Co. and I believe they make the mistake of losing the water, at this time, it can never be recovered. It is the duty of the stockholders to be present and vote their own stock on this grave question. Any stockholder who has given his proxy, before he sends it, should be sure that it himself can revoke the same, if he so desire, by sending written notification to the secretary of the company one week prior to the meeting, on or before January 11.

There is approximately 12,000 acre feet of water in the American Falls reservoir, at the present time, and no leakage apparent.

NEW YORK—Mrs. Sarah L. Stillman, wife of James A. Stillman, president of the bank, left on a tour of inspection, according to a court official. The bulk of her property was left on the floor.

"If With All Your Hearts" from El-Jah". Mendelssohn.

Mr. Johnson and Orchestra.

"The Volga Boatman." This is one of the greatest Russian numbers ever written. Unlike most airs of this kind, the sextette does not feature Russian folk dancing, although several stirring dance numbers are offered. To lovers of good music that will lend a decided foreign atmosphere, singing and dancing, a thoroughly enjoyable attraction is awaiting them.

Bill Lee is not an ordinary vaudeville turn but an entertainer who has traveled more than a million miles, sounding millions, yet never receiving any other.

Three Wilson Sisters, pretty, graceful and entertaining, are trained, experienced performers. Their repertoire of songs and dances include practically all styles. The act is wonderfully combined and presented in the classic manner and J. H. Hamilton, "The Wizard of the Violin," Holed, a violin virtuoso from Vienna where he was royal violinist in the late Emperor Franz Joseph of Austria, will be heard in a repertoire of his most famous selections. Miss Madeline Dennis will accompany him at the piano.

Miss Cohen, a blackface business act for laughing purposes only. Clever gags and old party songs are very timely and up-to-date.

The "Brown Derby," a First National with Jimmy Hines—in a laugh riot.
