

U. S. CONGRESS TO DISPOSE OF GIGANTIC ISSUES

Giant Power Forces Have Two Representatives in Congress; First to Sattle Muscle Shoals and Second to Pass Boulder Dam Bill.

WASHINGTON, Feb. 2.—Uncle Sam's adventures with two representatives of giant power appeared briefly divergent in congress today. In one congress moved with determination to settle the problem of disposing of the "system" powerplants at Muscle Shoals, Ala., on the Tennessee river.

In the other, apparently on a forlorn hope of success this session was heard the bill for disposal of the Colorado Canyon river flood control and power project, due to a conflict on the method of disposing of the power.

The house military affairs committee in secret session will consider the six year old Muscle Shoals problem in the next two or three days, and it is expected that a majority bill providing for acceptance of one of three lease proposals, or for continued government operation, will be reported by the committee.

Meanwhile the Colorado river project reached the stage where charges are being made by opponents of the "floods of propaganda" were being prepared as a windup to the last three months of battling and hickering.

One California lobbyist was reported to have reported his interests that all hope of enacting the measure, providing for a \$125,000,000 bond issue, had been abandoned. High dam, was soon for the session, Chairman Smith, republican, Idaho, of the house irrigation committee, has announced the measure was reported on the first week of the session next December inuring action on the regular session.

Rock Island Gives Out Dividend Report

NEW YORK, Feb. 2.—The Chicago Rock Island & Pacific railroad directors today declared an initial quarterly dividend of \$1.25 on common stock, placing that issue on a \$5 basis.

Fate of U. S. Cruisers Depends on Ten Men

WASHINGTON, Feb. 2.—The fate of six light cruisers now on their way hangs now upon ten men who will differ about a table to smoothe out the difference between house and senate over the naval appropriations bill—and finally, upon President Coolidge who opposes their construction. The bill went today to conference, following a vote yesterday in the senate. While the house did not approve of the cruiser appropriation the fight on conference will be conducted like that on the floor, it is indicated as house conferees are expected to give way in favor of the cruiser program.

Grocer Stops Four Convicts with Screw Driver and Shotgun

LANSING, Kansas, Feb. 2.—Four of the eight convicts who made a sensational attempt to flee the Kansas state penitentiary here late yesterday, were cut off from escape by a grocer, armed with a screw driver and a garage man with a shotgun.

The other four were shot, one fatally, by William Jackson, P. E. Tilton and L. E. McKinley, prison guards, who opened fire on them as the break was made. Germon Fernandez, 21, was killed, and Louis E. Hamilton, Jeff Donaherty and William Johnson, were wounded. Fernandez had served more than six years of a ten year sentence.

FIGHTING IN NICARAGUA IS NOT EXPECTED

WASHINGTON, D. C., Feb. 2.—Chance of fighting between United States troops and revolutionaries in Nicaragua is not expected, according to the department.

FOUR STATES TO MEET CHILWENK, Wyo., Feb. 2.—Governor Cavanaugh today called a four state conference on the Colorado river problems would be held here February 10.

The governors from Colorado, Utah and New Mexico have been invited to attend.

FARM RELIEF TO BE FORCED THRU SENATE

Banking Forces Join With Farm Bloc and Will Attempt to Force Action on McNary-Haugen Measure and Put Bank Bill Thru.

WASHINGTON, D. C., Feb. 2.—A strange coalition of farm and banking leaders in the senate set out today with a new scheme to force action on the McNary-Haugen farm bill and the Pepper-McGadden banking bill.

The scheme is to get the farm bill before the senate by motion as soon as the pending mail is disposed of, and then to bring the banking bill up on a vote on the farm bill.

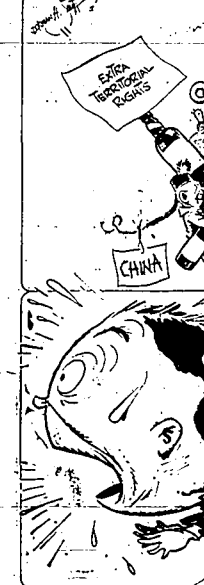

Although the farm bloc is opposed to the banking bill and the banking bloc is opposed to the farm bill, they have agreed to this inevitable coalition so their pet measures will reach a final vote.

The initial effort was frustrated late yesterday when Senator Kluck, democrat, Utah, objected to a unanimous consent agreement submitted by the coalition.

HOUSE: Continues consideration of bill of Columbia legislation; banking and currency committee takes up federal farm loan bill; post-office committee discusses future policy of post-office department; census committee considers reapportionment; interstate commerce committee holds hearing on railroad consolidation.

SCHOOL TAX BILL WILL BE KILLED IS PREDICTION

BOISE, Feb. 2.—Defeat for the state school tax bill is predicted by the forecast. Monday after an informal count of votes, conducted by those interested in both sides of the case, the odds were in favor of the measure.

The bill was referred to the senate state affairs committee on its report, and was the subject of a brief but sharp debate in that committee last night.

Senator M. R. Vannoy, chairman of the committee, wanted to refer it to a subcommittee for study and report, but the sentiment of the committee as a whole was that an agreement should be possible in it in the level, the measure will be reported out without recommendation this morning.

The measure will come up for second reading Wednesday and the third reading Thursday, and those who watch the situation believe that Thursday morning will see the big display of fireworks of the session in the upper chamber.

As a general alignment the north is expected to be against the measure, virtually solidly, with the southern more or less unanimous for the bill. The decision will be in the south central and southwestern counties.

Those who predict defeat for the measure point out that the counties which pay more money for the bill than they will receive from it generally will be against it, while those where population is greater than assessed valuation will be for it.

Utah Senatorial Candidate Claims Millionaire Guilty

SALT LAKE CITY, Feb. 2.—Motion that H. D. Brown, millionaire of Los Angeles, be made a party defendant in the suit of "Continence" Clayton Ashley Snow in which he seeks to recover \$450,000 worth of stocks in the Clayton Investment company and the S. W. Clayton company was made this morning in the district court here.

The matter was taken up by the court. Ashley Snow, defeated candidate for United States senator from Utah in the last election is accused by Miss Clayton of having defrauded her out of the stocks, alleging that he had obtained them from Brown, whose name she had purchased them.

Miss Clayton refused to deliver them to her until she had purchased them. Snow contends that Brown should be made a party defendant in the action.

QUEEN'S NAME IS DRAGN INTO BIG LIBEL SUIT

Viscount Gladstone Charged with Libelling Captain Wright's Defense. His Name and That of Elder Gladstone Against Scathing Charges.

LONDON, Feb. 2.—The name of Queen Victoria today was drawn into legal controversy over the alleged moral infidelity of William K. Gladstone, four times her majesty's prime minister, but the royal views and opinions of the woman who led her name in the most prime of modern ages was hardly touched.

Viscount Gladstone, 73 years old, son of the great liberal statesman, was on the witness stand today in his own and his father's defense, the viscount charged with libelling Captain Peter Wright and the elder Gladstone having been charged by Wright with "imputing and possessing in every sort of manner."

The latter charge was made in Wright's book, "Portraits and Criticisms," "Viscount Gladstone publicly charged every sort of manner."

Viscount Gladstone was the first witness today in his own defense. When counsel asked regarding Queen Victoria's opinion of one of Gladstone's political views, the judge announced that the introduction of her majesty's name would be prohibited.

TWIN FALLS HOPES TO GO INTO TOURNEY

Hazelton, Graciosa Hoop Game with Brains and Cooch, Placino Argues That This Should Be Counted as a Forfeit; It Not Twin Falls Lacks One Game to Enter Sub-District.

That the district board has sustained the rule that it is necessary for each contesting team to play four games was the statement received to-day by Coach Placino, four-time state champion M. M. Van Zanten of Hazelton. Placino contends that since Hazelton has suspended its agreement to play Twin Falls, the Bruins are entitled to a forfeit, which, with three other games would leave them in the number of the sub-district in order to enter the tournament.

Salt Lake Football Game Off. Salt Lake City will not allow its high school football game to leave the state hereafter, it was stated in a letter received by Coach Placino today. This will cut out the game contemplated here next fall, Mr. Placino said.

FREE THROWS

One of the most encouraging things about the basketball situation in the Pacific came last winter by the high number of underclassmen out. There are only three seniors on the squad—Bertsch, Kelly and Jynous. Plenty is feeling more like year that can be used for several years to come.

Another interesting fact is that none of the most promising men are only freshmen. Nelson, who seems to have made a berth with the regulars, is the most outstanding. He (freshman) is one of the best in the league. He is also one of the best in the league.

Alpha and Juniors are both well represented on the squad. A number of dependable men include: Ruffalo, Ward, Robertson, Dibble and A. Kelley are Juniors, while Pete Taylor and Alvin Kumpson are sophomores.

Alvin Kumpson, who made a fine start at the first of the season, is looking to get off with a bang next week. Scholastic difficulties at the semester forced him out of the game but he is taking condition every next week and everyone is wishing him the best of luck.

Let's knock on wood as we say it, but the Bruins have very few fortunes to go for this season in avoiding the accident jinx. Except Captain Bertsch's home case of flu at the first of the season, the team has had no injury or breakdown.

"Chuck" Bertsch, raring Bruin center, has several talents. Besides being a good basketballer he is a very good singer. "Chuck" will be leading many in the chorus of a "Blue Moon" to be given Feb. 4.

One of the Cubs, who has been shining up well in games and practice, lately is Pete Taylor. Pete's physical virtues are quickness in handling the ball, an excellent eye for the basket, especially on short shots. Pete is only a sophomore and great things are expected from him.

Would Require Idaho Motorists to Take Out Car Insurance

BOISE, Feb. 1.—Senator Treiber of Mindoka wants to make every auto owner take out a liability insurance policy, not to exceed \$1000, and with that in view, probably will introduce a measure in the upper house chamber soon.

The bill which Treiber introduced has drawn, after defining motor vehicles, would provide that "every owner of a motor vehicle shall, at the time of its registration, furnish evidence of the fact that he has obtained a liability bond or damage insurance policy conditioned that he will pay no judgment rendered against him or against anyone operating his motor vehicle with his consent or against anyone operating the operation of such motor vehicle to the extent of \$1000."

FILER DEFEATS KIMBERLY IN DOUBLE HEADER

Kimberly Tramps Play Fast and Hard But Filers Outlasted Visitors In Double Header at Filer Gym.

FILER, Feb. 2.—The Filers took their guests from Kimberly last night on the local court, the girls' match went 29 to 32; the boys' 32 to 14.

Despite the fact that Captain Hahn was out from Filers, the Filers were hopelessly outclassed the Kimberly girls and took the lead from the first whistle. The Filers, on the other hand, did not get going until the third quarter; Kimberly held the one point margin of 8 to 7 score at the end of the half.

Hahn, Whitford, started off the boys' game with a basket. Klaus, center, followed suit. Smith (forward) and Filers were in a good feud. Sullivan topped in Kimberly's first quarter. Smith held out on a long one. A free throw and another basket for Filers and the quarter ended 13 to 2.

The second quarter started with Klaus scoring for Filers and Hahn getting a basket on the nose. Filers held up the game ten minutes before the leading could be stopped. Smith and Filers both tallied for Filers, then the Filers held a free throw. Staupson broke through for Kimberly's second goal, and the half ended 20 to 4. Filers were in a good feud.

Kimberly put up a game fight in the last quarter and ran up 8 points to Filers' 2. Filers' came to late in the game. Sizmore, Kimberly center, did most of the shooting. The Filers count was 32; Kimberly, 14.

HORNBSBY MAY SUE CARDINALS FOR DIVIDENDS

ST. LOUIS, Mo., Feb. 2.—Roger Hornsby, deposed manager of the St. Louis Cardinals, may sue the club for back dividends in its stock. William Fahey, Hornsby's attorney, said today.

Fahey said he was not rushing into the suit and would await the situation with Sam Bronson, Cardinal president, before taking any definite action.

The threat of legal action to force payment of back dividends followed yesterday's board of directors meeting at which Hornsby protested declaration of only a 10 per cent dividend when \$100,000 was set aside for a sinking fund.

"I believe the money set aside for a sinking fund should be paid off in dividends," said Fahey. Hornsby's unique position as part owner of one baseball team and member of another, remained unchanged today. League officials have ordered that his Cardinal stock be sold before he plays with the New York Giants who have contracted for his services.

BOXING

WILKES BARRE, Pa.—Paul Doyle, New York welterweight, won a 10-round decision from Gene Card of Wilkes Barre. Jimmy Bradshaw, Jersey City, knocked out Johnny Alfieri, Scranton.

HARRISBURG, Pa.—Jose Allam, Philadelphia, and Frankie Anderson, South American, fought an eight-round draw.

CHRISTIANITY IS CAUSE OF UPLIFT

The sanctification of labor, the elevation of women and the uplifting of humanity as a result of the life and teaching of Jesus Christ were emphasized in a lecture on "Christianity's First Birth," by Dr. John H. Knoche, at the Presbyterian church last night.

"Christianity is a fact," declared the speaker who pointed to its results as he contrasted the condition in the time of Noah with that of the present day. Up to the time of Christ woman was a slave and slavery were identified in almost the whole world and the brotherhood of man was denied.

BILLIARDISTS NEAR FINISH

"Slim" Atkinson went down for the count before the terrific "show-up" of Charles Larsen on the green last evening in the H & M billiard tournament. Larsen scored 30 while Atkinson was making up 79 in a 75-minute contest. This was a brilliant cue contest and while "Slim" was a little while he gave a good exhibition of "cushion control" on the green.

Remember You can't be lucky -- always

If you've been careless about the kind of oil that goes into your motor and have had no serious engine trouble, you're lucky! But don't count on such luck lasting for ever. Sooner or later faulty lubrication will gather in its costly collection of repair bills.

For years owners of big fleets of automotive equipment have specified Conoco Motor Oil. They've done so because they know from experience that Conoco lubricates every moving part, does not break down and is a clean petroleum product.

Don't trust to luck. Insure the life of your car with Conoco. There's a grade for each type of engine.

A QUESTION

After reading a few of Machiavelli's essays on chicanery, one wonders how long he would last as a modern used car dealer. It would give him a great laugh, we know, to see how conscientiously we recommend our Used Cars before offering them for sale. But the proof of a principle is in its success—and the laugh would be on him, after all.

CONVICTS MAKE BREAK FOR LIBERTY; ONE IS KILLED
LANSING, Kansas, Feb. 2—One convict was killed, another was probably fatally wounded and two others were seriously wounded when 400 prisoners made a break for liberty here Tuesday afternoon.
The convicts were working in a shale pit near the prison wall east of the camp when they took their first start toward freedom. A guard ordered them to stop and when they refused, opened fire. Four of the prisoners fell and the other four surrendered.

DAILY MARKET REPORTS
CHICAGO CLOSING GRAIN REVIEW

Wheat Prices Opened Dull but Gain Strength and Close One and a Half Cents Higher.

CHICAGO, Feb. 2—After a quiet and indifferent opening, wheat prices advanced in strong liberal and active and advanced 1 1/2 to 2c over the previous close. Offerings were scattered and most of the advance was held throughout the session. The cash market was in better with a good demand.

The strength in wheat together with overall pit conditions, helped in corn and prices advanced fractionally. The cash demand was slow and receipts were moderate at 251 cars. The cash market was firmer.

Outs were weak north selling that looked like scattered liquidation. Receipts were 70 cars. The cash market was unchanged.

Provisions were weak.

WALL STREET FINANCIAL
IS STRENGTHENED BY ROCKFELLER SALE

NEW YORK, Feb. 2—Reports that John D. Rockefeller had sold a 25 percent interest in Western Maryland Railway imparted strength to that issue early in the closing, as chances here today. The market in general was firm with several leaders inclining good advanced.

After a quiet and indifferent opening, wheat prices advanced in strong liberal and active and advanced 1 1/2 to 2c over the previous close. Offerings were scattered and most of the advance was held throughout the session. The cash market was in better with a good demand.

The strength in wheat together with overall pit conditions, helped in corn and prices advanced fractionally. The cash demand was slow and receipts were moderate at 251 cars. The cash market was firmer.

Outs were weak north selling that looked like scattered liquidation. Receipts were 70 cars. The cash market was unchanged.

Provisions were weak.

Groundhog Family Decide to Get Up; Say They Overslept

The groundhog, who got up this morning to greet the sun and see his shadow in the oak of light was badly frightened and a badly befuddled animal. The woodchuck, who gets up at the same time for the same purpose, noted when what the groundhog noticed had to do with being something in a post, shaped it up as follows:

The paper publisher posted his nose outside his hidden home. Said he: 'I hope to see Old Rod. A chibing in the dome.'

'I feel in above. I could rest at least for six weeks more.'

Said some groundhog: 'You get me. I hate to have you go.'

The old man groundhog felt the rain and gently murmured, 'Easy. We've overslept. This hibernating day must be the first of May.'

KANSANS HOLD PICNIC IN BUHL

The Kansas club of 100 members held a banquet at the Methodist church here Saturday night. The families brought a basket lunch, which was served at 7:30 o'clock p. m. Rev. B. Bryant acted as president and toastmaster. Florence Bouchelle gave several songs. Miss Oman gave several readings. A. E. Hilsberg acted as toastmaster. Grandmother Hatfield was a staunch defender for the state and gave a very interesting talk. About 20 members responded to 'Why I Came to Idaho from Kansas.' Election of officers was held. Roy Hopkins was elected president and Miss Oman was elected secretary-treasurer.

Old Joe Day Home Goes Up in Holocaust

Fire from unknown cause discovered at 7:15 last evening, destroyed the seven room frame residence at the corner of Blue Lakes boulevard and Parkway street, with a loss to Orlin Nelson, the owner, of about \$2500. It is ability to get in touch with a sufficient supply of water rendered the work of the fire company useless.

The house was being vacated by J. A. Alsworth, who lived in it for the past year and who was not present when the blaze started. He had most of his furniture moved. The house was built over 20 years ago by Joe Day. Other owners from time to time besides Mr. Nelson were: St. John Skinner, Adler B. Wilson and Eugene Skinner.
