SHOWY SASH

The ultra-sport fashion show, introduced recently in New York's adage, a night club scene for the show-biz, has rarely been equaled. The "show" was given, which introduced today at the Orpheum theatre here. Dorothy Mackall, Jack Mullall and Charles Murray are featured, and Mrs. St. Paul and her party made a better selection of players. These three are ideally cast.

This is a brilliant picture. Dorothy Mackall was never better. She is convincing. Jack Mullall acts the part of a subway guard naturally and well. Charles Murray is always convincing and he was never found in the role of a taxi driver in this picture.

SPUG MEYERS WINS EASILY FROM WHITE

Pocatello Fighter Beats New York Scrapper in Ten Round Go at Chicago; Dave Shad Knocks Out "Kid" Herman.

CHICAGO, March 17.—The attempt of Dave Shad, California, middleweight to ascend to the championship was one step further along today following his knockout of Willie "Kid" Herman last night.

Shad proved without doubt that he had overcome the efforts of a champion in what forced him out of fighting for more than a year.

Starting in the first round with his cat-like tactics of weaving back and forth throughout the ring, Shad punned his opponent through every round. Herman was in distress in the second round and in the next four rounds Shad took one of the worst beatings of his life.

When the seventh round was called, Herman failed to respond and Shad was awarded the fight on a technical knockout.

The Shad last night almost established the record of Golden Gloves champion, the middleweight champion, promoter Jim Sullivan announced he would sign Shad for a fight with Walker and the former welterweight champion signified his willingness to meet Shad.

In the semi-final "Spug" Meyers of Pocatello, Idaho, easily defeated Billy White of New York in 10 rounds. This fight practically assured Meyers of a championship fight although Sullivan is not certain what class.

Meyers is able to fight in either the lightweight, or junior welterweight ranks. Sullivan is considering bringing either Mueley Callahan, junior welterweight, or Sammy Mandell, lightweight, here for a championship bout with Meyers.

Movies and the Eyes

Tests with 150 persons showed that those who suffered eye fatigue after watching a motion-picture film, also became tired when doing other work that affected the vision, so that the movies were not responsible for the trouble.—Popular Mechanics Magazine.

Morgan Will Meet Vic Foley Next Thursday Night

VANCOUVER, B. C., March 18.—Tom Morgan, rising young Pacific coast fighter will defend his Junior lightweight title against Vic Foley here next Thursday night. It will be Canada's first title fight in years, if not the first on record.

The fight is scheduled to go 12 rounds. But if Morgan's opponent is forced into a fight, the fight should not last the distance.

Morgan's recent rest has done him a world of good. He looks the picture of health and the cleverness, speed and accurate punching he used still is as apparent as a light-house in a fog.

Accompanied by his father, Fred Morgan and his manager, Frank Churchill, Morgan arrived several days ago to start tapering off, immediately after the contest will depart for New York, where he expects to defend his title against Phil McGraw, Detroit Greek.

DISORDER MAY CAUSE FINE OF BALL MEN

Ty Cobb and Officials of Athletics May Be Fined for Actions; Umpire Forfeits Game at Saratoga; Cobb Ordered out of Bench.

PORT MYERS, Fla., March 18.—Ty Cobb and officials of the Philadelphia Athletics may be fined because of disorder during a game in Saratoga yesterday with the Boston Braves, which caused Umpire Wilson to forfeit the game. If so, it was executed, they would make an issue of it.

The trouble came in the fourth inning when Wilson ordered Cobb off the Philadelphia bench. Cobb took his time obeying the order.

Cobb insisted that he hadn't addressed a word to the umpire and the players on the bench supported him.

"Wilson was run out of the American League and he always had himers of the Philadelphia bench," Cobb said. "It came up to me swinging his mask in his hand and spit he'd pushed my face in. I told him to go ahead and start something."

"He then told me that I had 'always played in a bush league and that he would show me what umpires in a real league could do.'"

Connie Mack was indignant and charged that he might file a charge of incompetency with Commissioner Landis against Wilson.

The Washington club was fined \$1000 by the commissioner for a similar occurrence several years ago.

BAPTIST CHOIR WILL PRESENT CANTATA AGAIN

Plans have been completed by Mrs. E. A. Burton and Miss Edna Grubbs to repeat the cantata entitled "Halleluzar" next Sunday evening in the Baptist church. Many folks were turned away last Sunday night and it is the hope of the church choir and members of the church to accommodate those who could not get in last Sunday night. This is a splendid musical treat and the presentation compares with the expectations of the choir members.

This is about the first time in years that the cantata has been given here and several excellent singers have joined the Baptist choir for this presentation. Among them are Nelson Heyman, who sang his part last Sunday evening in splendid voice. Mr. and Mrs. Ellis Harting were of great assistance and rendered their solo parts in a very pleasing fashion. Mrs. I. H. Masters sang several solo parts, but perhaps her best rendition was of the recital "Oh, King Like Forever." Miss Edna Grubbs sang a heavy solo in the presentation and the climax of her work came in the "Ave-Lite" "The 75th" Halleluzar of the Twin Falls High school in a splendid voice several of the bass solo parts and E. W. Gibson one of the regular members of the choir rendered his solo work and acted in the quartet in a highly pleasing fashion. Among the tenors who play an important part in the recital of this cantata are C. E. Conrad, Ralph H. Mueser, Edwin Borch, W. P. Milross, L. H. Parker, Joseph Steaver and Elmer Henderson.

The other sopranos are: Mr. Ralph Beer, Mrs. J. L. Hodges and Miss Lillian Nelson.

FILER RURAL HIGH ELECTS ITS FACULTY

Board of Education Offers Places for Another Term of Seven Members. Others Are Not Candidates for Return to Places.

FILER, March 17 (Special to The Times).—The board of education of the Filer Rural high school in regular meeting re-elected seven of the present members of the high school faculty. The remaining three instructors were not candidates for re-election and have not yet announced their plans for next year. Those re-elected include Sup't. G. E. Deenan, Mrs. Emily Gillis, head of home economics department; Sidney E. McLaughlin, athletic director and science instructor; Mrs. Esther Byrne, school science instructor and dramatic coach; Miss Ellen Ostroff, director of music and English instructor; Miss Alice Turner, instructor in mathematics and English; and Ernest H. Oyrus, head of the commercial department. Mr. A. I. Suss of the agricultural department; Miss Eunice Billingsley, science instructor and Mr. James E. Tomlin, head of mathematics department, were not candidates for re-election. Of the latter, Mr. Suss came to the school for the first time this year. Miss Billingsley is completing her third year and Mr. Tomlin is completing his fourth year of continuous service.

Of the faculty members re-elected none have yet definitely accepted. Mr. Deenan has served six years in his present position; Mr. Byrne, Mrs. Byrne and Mrs. Gillis have served four years; Mr. McLaughlin is on his second year, and Miss Turner and Miss Ostroff joined the faculty last year. It is the wish of the board and the sentiment of the community that all re-elected teachers accept and continue in their present positions another year. The Filer community is fortunate in having a very small faculty turnover each year. This fact undoubtedly accounts for the general high standing of the rural high school now attained during the last few years.

CASTLEFORD

CASTLEFORD.—The Castleford P. T. A. will meet March 22 at 8 o'clock in the high school auditorium and the following program is announced by the program committee: Community singing; musical numbers by a quartet composed of Lee and Wayne Finch, James Hinds and Faye Davis; a vocal solo by Jack Thomas, and a debate on the question, "Resolved: That Man's Education Should Be a Part of Our School Curriculum." Those on the affirmative are Prof. K. E. Selby and S. A. Gillett, and on the negative, Harsh Wilson and Frank Keenan. Every one is urged to attend this meeting. Soren Heestebolt bought the Ephraim King cheese ranch last week for which he paid \$100 per acre. Mrs. John Thomas and Mrs. J. J. Hitek attended the Music Club luncheon last Friday at the home of Mrs. W. A. Gryns of Dulh. Among those attending the Junior Dancing club dance at Dulh last Thursday evening were Mr. and Mrs. John Thomas, Mr. and Mrs. Frank Keenan and Mr. and Mrs. Poes Thomas. Gustaf Pistorina's musical class will give a musical at the high school auditorium Thursday evening.

FLAT FEET
In speaking of feet, "when they are good, they are very, very good; but when they are bad they are terrible." The feet are bony structures to serve as foundations for the rest of the body. Each foot is free attached to give "spring" to the foot and poise to the body. Let any bone in these arches become even slightly out of place and the whole bodily structure suffers. A fallen arch throws the entire spine "out of line." The result is much more than just lame feet. An osteopathic physician can put those bones of the feet back into proper position and not only give you sound feet on which to walk, but an even foundation for the rest of the body. Get your feet put into shape and leave the joy of living. If you haven't tried Osteopathy, you haven't given yourself a fair trial at health.

RIFLE HAS BIG PLACE IN THE HINTON TRIAL

State Seeks to Prove That Defendant Made Miscalculations and Sought to Keep This and Other Stolen Articles from Knowledge of Officers.

The 25-35 caliber rifle identified by William Hendrick as the one he left in the Sweet New Second Hand store, from which it is alleged to have been stolen by Clyde Hinton, and which it is alleged was found on the Hinton ranch January 4, figured in the testimony in the Frank Hinton case today. It is alleged by the state that Hinton repeatedly stated to officers that he had lost this rifle taking goods from the home of Mrs. Ross Stevens to the ranch, January 2, and that evening Mr. Reynolds found January 4 among the goods which he palmed out on the second trip to the ranch.

Mrs. Stevens testified that she saw the rifle in the store at Sweet New Second Hand store, and that she saw Hinton to come and remove the goods. Frank removed the goods. It is stated and later went to the police station to see that Hinton was arrested by W. D. Munpower and held at first for carrying concealed weapons.

Lighting Testifies.
Chief R. E. Leighton testified that Frank Hinton told him he wanted to come clean. He says Frank admitted taking out the goods, saying that he was rattled and at first thought of bringing them to the police station, but was so excited he took them to the store. Chief Leighton said he sent Policeman William Munpower out to get the goods. He said that he had told a rifle while taking them and Policeman Munpower went with him and brought back two rifles and a sack said to contain stolen goods. Mr. Munpower testified that Frank said that was all he got except the rifle which he declared he had lost.

Jones on Stand.
Deputy Sheriff Charles E. Jones said he and other officers told that Hinton had not told of all the goods he had and told Hinton that they were going back for more, including the rifle.

He said that Hinton declared they would find nothing more and that the rifle was not out there, but that when they began searching around the place, the detective said: "Well, the balance of the stuff is down by the chicken house."

The deputy said that they found the stolen goods, but that the chickenhouse including the rifle which Hinton said he had lost.

Brother Testifies.
Clyde Hinton, brother of the defendant, now serving a term for burglary in Boise state prison, was on the stand this afternoon identifying a number of articles said to have been found in the Hinton ranch at Hansen, including the rifle on the statements regarding which the state lays an such stress.

Twin Falls Man Returns Alone to Serve Sentence

HOISE, March 18.—All the way from Los Angeles to Boise alone to serve a term in the Idaho State penitentiary came J. R. Leebelter, convicted in Twin Falls county some time ago on an outstanding charge and sentenced to from one to four years. Leebelter was out on bail in California when a superior court clerk held against his appeal and he returned alone to serve his sentence. When he arrived at the prison on a train, officers had been received so he was refused admittance until they arrived from Twin Falls Thursday.

J. S. KEEL IS HURT ON BLUE LAKES GRADE

Slippery Road Causes Him to Lose Control of Car
James S. Keel is in the Twin Falls county general hospital, suffering from two broken ribs and a number of bruises and severe chest injuries, sustained at 4 o'clock this morning, when his Buick car overturned on Blue Lakes grade between the toll house and the hotel on this side of the river, while he was driving back to Jerome after the 12:35 dance.

Mr. Keel had an appointment in Jerome early this morning and started for that town immediately after leaving the dance hall. It had snowed in the meantime and he had control of the car as a result of skidding that unless stopped he would go over the edge. He headed the car toward the upper end, which it struck with force enough to snap it. Mr. Keel was dazed for a time and then managed to crawl back to the toll house, from which a telephone message was sent to the city. It is not believed that the accident is dangerous.
