Young Pilot Believes He Could Fly Back Home; Likes Paris Pastry.

By L. L. MADFORD, United Press Staff Correspondent, PARIS, May 21—Charles Lindbergh said today that he would like to fly back home to America.

French and American and other reporters constantly were after the young pilot since he landed in Paris.

A French reporter inquired whether Lindbergh had learned any French during the day and a half he has been here.

The American's long strides outdistanced the photographers who followed him in his battle to reach his plane.

"I don't know whether I shall be able to get back to America. That will be decided in a few days, perhaps as the motor and it looked pretty good to me but I believe it was a bit damaged by the flight and I think I could fly back again."

APPLES ARE CHATELLE'S COURT RULING

Idaho Supreme Tribunal Upholds Judgment in Favor of Fruit Growers in Case of Apples to Be Sold in State.

The supreme court Saturday affirmed the decision of Justice W. A. Bauscock in the case of the Twin Falls Bank & Trust company against the Weibergs, Chapman and the firm for the same kind of apples, and in so doing held that apples come within the definition of "crop grown and raised" on lands which under the statute are included among chattels.

W. A. Claudi in 1923 gave the bank a certain mortgage on all crops grown on certain lands, which it was stated included "approximately 12 acres of alfalfa, etc." but did not mention apples.

Then, too, the bank's office of the Times is legitimate right after news in our district. The result of the Lindbergh trial was posted at The Times yesterday.

VALIDATING ACTS WILL GO BEFORE SUPREME COURT

Special Dispatch to The Times BOISE, Idaho, May 23.—Privately acquired in a supreme court decision the constitutionality of highway district bond validating acts passed by the 1927 legislature.

Some of those participating were Representative E. W. Kersford of Clark county, who steered the validating acts through the legislature; H. H. Thompson, secretary State highway attorney; H. H. McPherson of Parma; E. M. H. Dewey of Nampa; W. S. Bruce of Boise; and Attorney general E. L. Stephan.

The action brought by the Union Pacific system against the Clark county highway district, in which the railroad won an interlocutory decree and injunction against a proposed bond issue, and necessitated passage of the 1927 validating acts, is still pending in federal court, these acts having been pleaded in its answer by the highway district.

Nomination Blank in The Twin Falls Daily Times' "Everybody Wins" Campaign

Good For 5,000 Votes

I hereby enter and cast 5,000 votes for
 Miss, Mr. or Mrs. _____
 as a candidate in The Twin Falls Daily Times' "Everybody Wins" Prize Distribution.
 Address _____ Phone _____
 NOTE—Only one nomination blank accepted for each candidate nominated.

Do you know that the Daily Times will, in a few short weeks, award the handsomest and most costly collection of prizes ever offered in this section of Idaho—to be given away without a cent of cost; simply as a reward for ambition and a little easy, pleasant effort.

DO YOU REALIZE that the Grand Capital Prizes in this campaign—four automobiles—the last word in automobile perfection, worth \$1,020, \$1,080, \$1,087 and \$1,745 respectively, each representing more than the average head of a family earns in a year's time, or more than many people save in a lifetime?

COULD YOU USE a purse of \$100.00 in gold? Or wouldn't a little pin money, 10 per cent commission on every dollar you collect, if you fail to win a prize, come in handy?

CAN YOU IMAGINE an easier, quicker or more pleasant way to secure a nucleus for a home, a vacation trip or a start in business than through the offer this newspaper is making?

THERE'S NO DENYING the fact that any one of the above mentioned prizes would be a source of pleasure and profit, and especially so when acquired through your spare time and efforts without one penny of cost to you.

DO YOU WANT one of these automobiles or a bag of gold at the expense of The Times, or would you prefer it in cash, greenbacks, good old coin of the realm?

DO YOU want one of these prizes? Well, you can have any one in the list if you will but grasp the opportunity and take immediate action—and you can do it in only a few weeks of just your spare time.

The Daily Times is being read by hundreds and hundreds of people in Twin Falls and vicinity, but there is no such thing as good enough. Continual growth and expansion are wanted. To make this growth possible, the participation of live, energetic men and women—married or single—is necessary. And in order to obtain the desired interest in this campaign, the most elaborate list of prizes ever offered by any newspaper in this section of the state has been made ready for distribution among those who participate most heartily.

HERE IS AN OPPORTUNITY, surely, for the man or woman who looks at a thing from a business standpoint and who arrives at a conclusion as to its merits by the way it appeals to them as a business proposition. There is over \$800 a month, for the next two months, in it for somebody. Does that interest you? How's that for a business proposition during **SPARE MOMENTS**? One hour a day, properly spent is sufficient to win the biggest prize offered.

Bruins Will Open Home Season Against Logan Tomorrow

PARADE, BAND AND LARGE CROWD WILL GREET GARDINER AND GANG

Twelve Months—Books Worn Out Exceed Those Pur- of Losses at Pocatello With Breaks Against Them; Game Starts at 3 p. m.

Twin Falls tomorrow will abandon every kind of business and greet the home town heroes who will look like a parade. The band will lead the parade at 3 p. m., when the team against Logan is scheduled to start. It is expected that the grandstand and bleachers will be packed with people to see the game. Manager Gardner and his players will be greeted by a large crowd of fans. The game is expected to start at 3 p. m.

At the park, regulation first-day ceremonies will be held with Mayor Richard E. Hoffer throwing out the first ball, while President Ascher B. Wilson, of the Chamber of Commerce, will attempt, rather it may be said in all truth that he will come right out and catch the ball.

Mayor Hoffer said this morning that his spinning run in his first class comes in "These big leagues will be going south this spring for trading have nothing on me," declared the city official. "I believe in the home team, one over to Mr. Wilson which would be a good thing for the city."

Manager Gardner and his charges were not discouraged as the result of the first game. They are confident of winning the first two of the series at Pocatello. "We deserved to lose the first game," he said. "The boys did not put out and slugged our pitchers for as many runs but, those two Sunday series the kind any team is likely to win or lose. Pocatello scored one run in the first inning of the first game," he said. "That was the end of the counting for both sides. In the second we lost 3 to 1 because we failed to launch hits. The boys were against us but if we play that schedule we will be right up in the pennant fight. The boys are not a bit discouraged and I am certain they have a good ball game in their systems for the opener here tomorrow, starting at 3 p. m."

SATURDAY-SUNDAY GAMES
Pocatello, May 23—The Twin Falls bruins lost two hard-games to the locals here Sunday in the nuts corners of the day in the Utah-Idaho league. Pocatello took the first game, 3 to 0 after a fight which furnished a thrill a minute for the big crowd. The locals showed over a counter in the first round and from then on through the ninth, both sides failed to cross the platter. Canfield, who hurled for Twin Falls allowed only five singles, and pitched well enough to win an average game but the game was above the average. Pocatello bunched hits in the opening frame. Holmes, on the mound for Pocatello, likewise allowed only five hits. Twin Falls fought perfectly while Pocatello made two errors.
In the second game, Pocatello scored one run in the third inning and two in the fourth, while Twin Falls made their only threat in the fourth when they put over their lone runner. Fairchild on the mound for Twin Falls out-pitched his rival, Portman, but the latter got the benefit of bunched hits and won. Farrell allowed four hits,

West Is Favored to Win 1927 Track and Field Title

By HENRY L. FARRELL, United Press Staff Correspondent.
NEW YORK, May 23—Western teams have won the inter-collegiate track and field championships five times in the last six years and they are favored to repeat in the fifty-first edition of the classic which will be held Friday and Saturday at the University of Pennsylvania stadium, Philadelphia.
California won the title in 1921, 1922 and 1923. Yale temporarily ended the western domination in 1924 but Southern California took the title to the east again in 1925 and 1926.
Stanford, third member of the Pacific "big three" and Southern California are favorites this year.
Thirty-four colleges have entered teams and most of them will compete in at least a few events but there is not an outstanding team in the east to compare with the two strong California delegations.
Southern California has at most formidable array in Charles Borak, House and Smith, sprinters; Harney and Williams, pole vaulters; Hill, a broad jumper; Kaer and Reynolds, hurdlers; Connerthal, a high jumper; Aleksi, a weight man and Lovelock, a middle distance runner.
Stanford has broken California and Southern California in dual meets and cleaned up practically everything on the east.
Stanford has Spencer, a great quar-

ter inber, Nichols and West, three hurdlers; Adams, one of the most capable weight men on the college field, and other star field men.
Johnny Gibson, Portland, hurler; Ed Kelly, Yale pole vaulter, and Vandy Wolfe-Dartmouth, barrier, are a few of the outstanding eastern athletes, but there is no assurance that Wells will be an good outside as he was during the indoor season of the year can beat Harney.

IDAHO LOSES IN TRACK MEET BY SLIGHT MARGIN

Special Dispatch to The Times
UNIVERSITY OF IDAHO, Moscow, May 23.—Jimmy Chappie, national high mile collegiate champion, yesterday won the Washington-Idaho track meet here Saturday when an anchor leg on the lanky relay team he pushed an Idaho man on the last lap to win handily by ten to a victory over the New York Giants and first place in the National league. Aldridge allowed only one run, until the ninth when he let down with the assurance of an eight run lead and allowed the Giants to score three. The Pittsburgh pitcher helped his game with two hits, one to them a double. It was his second victory in the First league.

Yesterday's hero, Vic Aldridge, Pirate pitcher, carried the team to a 4 to 1 victory over the New York Giants and first place in the National league. Aldridge allowed only one run, until the ninth when he let down with the assurance of an eight run lead and allowed the Giants to score three. The Pittsburgh pitcher helped his game with two hits, one to them a double. It was his second victory in the First league.

Babe Ruth hit his tenth home run of the season in the sixth inning of the Yanks' game with Cleveland. The resulting runs were not needed however, to beat the Indians. The score was New York 7, Cleveland 2. A filly in the ninth which netted three runs saved the Detroit Tigers a defeat. With the score tied 6-6, the game was called after the Tiger-batter Tommie Lough hit the Washington team to catch a train.

The line score of the Brooklyn Hollins Sunday resembled a club's record. Three Philadelphia pitchers yielded 20 runs to Brooklyn in eight innings. The losers scored 4. Overcoming a one run lead in the fifth the St. Louis Browns first the score and then won their game with Boston, 5 to 6.
The Chicago Cubs' leaders in first place in the National League was short-lived due to the crushing attack of the Cincinnati Reds. The score was Cincinnati 6, Chicago 1.
Thinks he led the White Sox to five hits and one run, allowing the Athletics to win 6-1. Red Faber, Sox veteran pitcher, proved ineffective.

Modern smokers demand quality and put Camel first

THIS experienced age knows the good tobacco it demands in a cigarette. And it has made Camel the greatest leader any age has ever known.

Camel's choice tobaccos and its blending for smoothness and mellowness have made it supreme with modern smokers. Camel today is world favorite, because of quality.

Camel was made to succeed in an age that knows merit. Just try Camels and you'll know why no other cigarette can compare with them. Let the choice of the modern world show you what smoking enjoyment can really be. "Have a Camel!"

ROBBERS LOOT PASTOR'S HOME AT KIMBERLY

Twin Falls Doctor's Car Stolen and Returned on Same Evening

Special Dispatch to The Times
KIMBERLY, May 1.—Robbers Wednesday night entered the home of the Reverend Fletcher, pastor of the Methodist church here, and obtained a pistol and a small amount of money.

The Reverend Mr. Fletcher and Mrs. Fletcher were away from home and the thieves entered the house by prying a window open after attempting to force the back door, where the screen was cut and the lock unfastened.

Upon returning home, the Fletchers found their home in disorder, with the contents of dresser drawers and shelves strewn about the rooms.

The same evening, a new automobile belonging to Dr. Westphal, of Twin Falls, was stolen and then returned. The car, was left parked in front of Dr. J. N. Davis' office. Upon discovering the theft, Dr. Westphal notified the sheriff's office and while talking to Sheriff Finch at Kimberly, the car was returned and was parked in front of a "local" hotel. The automobile was returned to the owner and it was reported that the car had been driven 10 miles.

No clue of the robbers at the present time. The automobile who took the automobile have been found.

BURLEY ACTION TO COME UP IN JEROME TUES.

The case of the state against W. J. Jeppson, charged with commission of a statutory offense, will be held before Judge F. E. Baker of Jerome, Tuesday afternoon, in whose court it was transferred from Burley where defendant took the chance of a verdict in the court of Judge Hugh A. Baker. E. V. Larson of Twin Falls is principal counsel for the defendant.

The defense charges that the prosecution was instigated as a result of the latter political fight and the entire proceedings instituted against Cassidy, county official. During the fall campaign a series of articles published in a small paper edited by the Rev. John T. Morris of Burley were circulated criticizing Sheriff Bradley D. Pace for alleged law enforcement law.

The sheriff started a prosecution against the Rev. Mr. Morris, claiming criminal libel.

Recent proceedings were started against Sheriff Pace, Mayor C. M. Johnson and C. M. Johnson, chief of police in the same city. The police officer resigned, and matters failed in the other cases, though the cases later which they were heard counsel none of their acts.

TROUT ALL FEEDING

Having all arrived at the feedline state Sunday, the 370,000 rainbow trout in the hatchery were carried towards the state, were trained over by A. C. Lawa, deputy fish warden, to the Battle Mountain Fish and Game Association. They will be fed by Mr. Clark, who has been since their "fancy" after which was transferred to Cascade.

GOEN TO TAKE CHANGE

J. H. Master, who last week purchased a controlling interest in the Journal and Post, returned to the city and spent the week-end in this city. He returned to the Gate City last evening to take active charge of the business.

WHERE 36 CHILDREN PERISHED IN EXPLOSION LIBRARY HAS LARGE INCREASE DURING YEAR ENDING MAY 1

Unfortunate farmer's camp for firebrands of the "hot air" explosion is pictured above the dynamite-bomb wreckage of the consolidated school at both sites, in which 36 children and five adults were killed. Andrew Rempe, treasurer of the school board, fired the bullet that set off charges of dynamite in his automobile, which in turn exploded a stock of dynamite in the school basement. Rempe himself was killed in the blast. Rescue crews of firemen and volunteers are pictured carrying fallen tubers and pulling down leaning walls in the search for more victims. The blast occurred last week.

Plastic method of gathering raised to the face of the explosion and were held back by police and by a temporary mooring in the school yard. At the top is shown the line of dead, covered with blankets. One left is one of the devices used by the main to set off the explosive. A bottle of gasoline, a spark coil and an automobile spark plug were found to detonate a charge, but failed to explode. The latter left part of the exploded dynamite found in the basement of the schoolhouse, six more baskets were found, having a total of nearly 200 pounds.
