DAILY BIBLE THOUGHT

GOD MY STRENGTH—My flesh and my heart feareth: but God is the strength of my heart, and my portion forever. Psalm 73:20.

PRAYER: Surely, God is good to such as are of a clean heart.

SAFETY AND CARELESSNESS

The lives of more than 200 people were taken as the toll of this year's celebration of July 4, Independence Day. The total was 274 late yesterday and it is probable that the exact number never will be known.

That was a terrible sacrifice for a day of pleasures. The country's citizens would be shocked if a similar toll were taken in a theater fire or flood or some similar disaster. A sort of calm seems to be the only greeting of the average citizen to the news as it floods continually to yield their lives for holiday pleasures.

It is often said that the people should have their good times and that accidents are unavoidable. Both statements are true but when 274 or more citizens are killed in one day there undoubtedly is a great deal of carelessness. The 274 dead are not the only victims.

The accidents, there are hundreds of widows and children who must suffer for many years.

The one encouraging note in the July 4 disaster, this year was the markedly decrease in deaths and injuries caused by fireworks. Formerly the list of killed and maimed through the use of firecrackers, skyrockets and other fireworks and pistols was enormous. Now, automobiles and other forms of pleasure keep the toll high.

What every man, woman and child is impressed with, the idea that great public gatherings and a general exodus from any center contain a great element of danger, than the toll of pleasure.

A pleasing feature of the celebration for Twin Falls and Idaho this year was that out of the large total of fatalities and injuries throughout the nation, only three occurred in Idaho. Two of these were caused by automobile accidents and the third was the drowning of a child near this city. While the host of every Three Rivers is commendable, it was demonstrated that people of Idaho are careful and a safe observe safety rules. More than 1,000 persons attended the celebration here in Twin Falls and there were no serious accidents. Continuation and extension of this spirit will be commendable.

ABIE'S IRISH ROSE by Anne Nichols

IN THE STORY ABIE'S IRISH ROSE, the daughter of an Irish contractor, who had been in the first class of the boat, the average man, could not tell you that a beautiful woman was in the crowd. Why, the average man, it is about the clothes that counts.

"I don't know what you mean!" Abie said. "I don't know what you mean!"

"I don't know what you mean!" Abie said. "I don't know what you mean!"

CHAPTER II
 "How many?" Abie asked in joyful amazement. "I don't know what you mean!"

"I don't know what you mean!" Abie said. "I don't know what you mean!"

Double Shift Will Be Used on Bridge

Extra work on the Minidulla bridge near the Snake river, in furtherance of a result of increasing the rate of workmen from 21 to 24. Because the crew has been increased, naturally two shifts will be used hereafter, work beginning at 4 a. m. and ending at 8 p. m.

About 1,200 tons of the 1,500 tons of steel to be used in the construction of the bridge have already been put in place. The two plant supporting towers of 50 feet in height have been completed and flanking is being laid down of these towers.

Shortly after sunrise the men began to haul out from these towers toward the canyon wall on the one side and toward the center of the span on the other.

Four NEW SIX-YEAR subscriptions, including "clubs," count 2,400,000 votes. Five NEW SIX-YEAR subscriptions, including "clubs," count 1,650,000 votes. Eight NEW SIX-YEAR subscriptions, including "clubs," count 4,880,000 votes.

One hundred and twenty dollars (ten clubs of 100,000 votes each) made up of any size subscriptions, means 1,000,000 votes besides the regular number of votes credited to each subscription.

A million votes can easily be secured by any candidate after the SECOND PAYMENTS—that is, extensions of subscriptions received earlier in the campaign. Thousands of extra additional votes can be secured in this way and many new "clubs" come up. This arrangement of "second payments" will NOT be in effect next week—the last week of the campaign.

BEES WALLOP BRUINS IN INITIAL GAME OF SERIES BY 12-0 COUNT

Locals Are Helpless Before Delivery of Harry O'Neill While Visitors Pound Hickok and Flynn for 18 Safeties

Twin Falls was helpless before the deceiving mastery of Harry O'Neill, Beech here yesterday and Salt Lake easily won the first game of the series, 12 to 0, in the game played at the evening here yesterday.

O'Neill, the Beech were victorious, the powerful offerings of Hickok and Flynn.

Salt Lake crashed out 18 blows to earn every one of their 12 runs, with Smucker, who has 4 times for his own name, and Moller leading the barbers.

Every man on the line built count of safety on the third.

Seven scattered singles constituted Twin Falls' assault. Fear of their "beam" in the hands of Moller and Smucker, who had a grand slam in each inning two. Even a changed order the lineup and still in playing position.

Smucker, who had a grand slam in each inning two. Even a changed order the lineup and still in playing position.

JACK WALLOPS 2 TRAINERS OUT OF CAMP RING

By United Press

SALAMITRA LAKE, N. Y., July 6.—Jack Dempsey's training for his bout with Jack Sharkey July 21 at Yankee stadium was approaching the peak of exertion today as Dempsey perfected his style in the new style of fighting prescribed for him by manager Les P. Egan.

Dempsey came down off his toes yesterday and landed one striking partner and knocked another through the ropes. A third was sadly battered.

The former champion's victory over Altonzo, Joe Gans and Edin McMillan, added weight. Gans was dropped nearly and McMillan was pulled out of the ring by Dempsey's charge. The latter boxer lit an eye out of the ring and was hospitalized.

Jack Sharkey is the former champion but remained on his feet. A left and a right sent Gans flying and left both eyes the gulf blow against McMillan.

Chief Jefferys and the light heavyweight preliminary workout, Peter Curti, a slow Austrian, Jack Hibberd of Syracuse, "Marty" Burke and Earl Carter, were the only ones to meet Dempsey. Following Flynn's advice, Dempsey has dropped the right hand for the left hand in fighting position.

SHARKEY IS READY

WESTFIELD, N. Y., July 6.—Jack Sharkey, who has been doing his early training in a gymnasium and on the roads here, today left for New York to continue preparation for his bout with Jack Dempsey July 21.

Sharkey has sixteen simple evidence.

ROOKIE HURLER WINS FIRST GO IN MAJOR LOOP

Sweetland Defeats Braves 5-4; Pirates Swamp Cardinals, 14-2

Yesterday's hero—Lester Sweetland, Phillies' rookie from the "busbs"—made his debut in big league baseball by winning from the Boston Braves 5 to 4.

It took a two run rally by Philadelphia in the ninth to tie the score, which was a pinch hit for the pitcher that inning but the rookie was credited with the victory and earned it. He allowed 11 hits, two home runs on balls and struck out two men.

Two diamond linings, the fourth and fifth, were the only ones to be scored, apital deficit for the St. Louis Cardinals by the Pirates, 14 to 2.

Blahart and Meyers were both knocked out during the Pirates' batting spree and Keen, who finally retired Blahart, was not seen through in the three innings he pitched. He fell finished the game for the Cardinals.

The Pirate victory kept the Cubs in second place although they won their seventh straight game, defeating Cincinnati 5 to 2. The Cubs attacked Laque viciously in the fourth, scoring five runs. The Reds came back in the next inning to score four and Johnson had to be removed. Percy Jones, who had been laid up most of the season with a bad leg, collected O'Brien in the fifth and finished the game.

ROY LAYARD saved the day for the New York Yanks when he stepped up after two were out in the last of the ninth to hit a home run, breaking a 2-2 tie and winning the Washington Senators 7 to 2.

Harold Igoe thought they had the game won but the first hit when they knocked Hoyt and Glad of the box and scored five runs, but the Yankees worked out slowly and finally tied the score in the eighth.

The Browns' avowed man, then two runs an inning when they beat the Tigers 17 to 2. Gaston Brooks' pitcher was the best the day, holding the centre game and contributing, in addition, a home run with one on base and two strikes in hand.

After going hitless in three times at bat, Regan, Red Sox third baseman, came up in the ninth of yesterday's game with the Athletics and hit a double, bringing in Shiner with the winning run. The score: Boston 6, Philadelphia 5.
