TRIO TO YIELD
LIVES TO PAY
FOR SLAYING

One of Three Sings Gaily As
Hour of Execution
Draws Near.

By United Press

IDAHO CITY, July 13.—In three men
will be hanged simultaneously
today to execute the murderer of Deputy
Sheriff Peter M. Klein, of the
state prison.

The condemned men are in the state
prison triple execution unit. They
are Charles I. Puchowski, Walter Stasiky
and Robert Torre. All three were con-
victed last winter and have been held
in the Twin Falls jail since that time.

Death-watch on the trim start to
murmur.

In a death watch accompanied by music for the gloomy funeral and
fading eyes Torre is taking death with
the usual grim field of the jail
and the condemned. His voice, like
Spanish songs, may be heard from
his cell at all times.

Even death he perceives with
gaiety. He has told prison authorities
he intended to sing to the towering
twin gallows with the Spanish song on his lips.

A large crowd is to be maintained
over the three men. Since they have
been convicted they have attempted
to escape. There were six originally
sentenced to the Kinde murder. One
was hung in an escape and two others
got away. A patrolman in Chil-
dren's Hill jail said all the men had
been captured except those who
had attempted to escape.

About 50 persons have been in-
vited to witness the hanging.

**RAILWAYS ASK
HUGE INCREASE**

By United Press

WASHINGTON, July 13.—The rail-
ways of the country today asked an
increase of \$100,000,000 in the govern-
ment annual payment to them for
handling mail.

Last year the roads received ap-
proximately \$100,000,000 in the form of
mail and passengers and paid for
it, themselves, approximately \$137,000,000,
railroad representatives telling
a hearing before F. S. Mullen, ex-
chief of the interstate commerce
commission.

Railroad mail tariffs have not been
adjusted since 1918, the railroad
mails said. In that time they con-
ducted more than 100,000,000 letters
and equipment have doubled.

President William T. Cosgrave
headed the members of the exec-

THIS IS THE LAST WEEK OF DAILY TIMES' SUBSCRIPTION CAMPAIGN

The Campaign Is Now Being Brought to a Close Under a
Sealed Ballot Box Which Prevents Favoritism and
Insures Fairness to the minutest degree.

The Twin Falls Daily Times sub-
scription sales campaign and gift
distribution is now in its final phase
of the campaign. This cam-
paign, which has been conducted
in the interest of the welfare of the
community, will be all out and
over on Saturday night of this week.

But their working days remain
until the campaign is history, until
the gifts are awarded, and candidates
have been elected in champion of
either the front or rear.

But one more published list of
standings is to appear between now
and the end of the campaign. That
list will be the last of extreme ac-
tivity, that is certain. One can make
the grade this week if one will. The
person in question is in the dominant
position this week.

Details of final count.

Every candidate is urged to com-
pare his record with the results of
the campaign, and to do so.

The Times, if this Times is not
absolutely correct, according to
your records, notify the campaign
manager immediately so that proper
correction can be made before the
close of the campaign. No corrections
will be made after 8 p. m., Friday,

July 13. Candidates must verify
and attest to the correctness of
their record before Friday at 8 p. m.

Suggests Federal Board
to Take Necessary
Relief Action

By WILLARD H. SMITH
United Press Staff Correspondent
MADISON, Wis., July 13.—There is
a vital farm problem which is of in-
terest to every man in the world pro-
fessionally and personally, and should be solved, says Presi-
dent Franklin D. Roosevelt of Illinois to-day in the Wisconsin legislature.

"I am unable, in any part
of my speech, to ignore the fact
that there is a farm problem of the
greatest importance and that a solution
must be found if we would pre-
serve our civilization," he said.

"I am going to the farmer that is
involved. The business man now
viewing the problem, as one in which
business is vitally interested. From
every angle, it is a problem of
profound interest to an agricultural
problem merely becomes a problem
of truly national scope."

Lowden suggested a federal farm
board which would have power of in-
vestigation into this subject.

"Is there a temporary sur-
plus above domestic requirements of
some farm products?" he asked.

"Does this surplus depress the
price below cost of production with a
reasonable profit?"

"If the answer to these questions
cannot be answered "no" it should
then be empowered to author-
ize the co-operative to take control of
the surplus," he added.

Announcement Follows Ru-

By United Press

NEW YORK, July 13.—Japan threat-
ened to withdraw from the League of
Nations if the United States did not
accept its demands.

Although declining to say whether
the Japanese withdrawal was
definite, the United States said
it would accept the Japanese demands
if the Japanese would not leave the
league.

It is believed that opposing senti-
ments between the British and Ameri-
can delegations to the League of

nary session was postponed, the death
of James O'Higgins, vice president of
the Irish Free State, and the
outward reason for the postponement
but others feel that informal dis-
cussions may take place first if
the conference fails to attain any
measure of success.

Gibson denied there was any
danger over the cruiser problem and
the Japanese denied that he had ever
asked for a withdrawal from the
league.

The total cost of the new building
is to be \$125,000,000, according to
the architect, who has been engaged
to design the building.

that they will undergo no circum-
stances and plan to attend the

DETAILS OF FINAL COUNT

IN ORDER TO MAINTAIN THE UTMOST SECRECY AS TO THE NUMBER OF SUBSCRIPTIONS TURNED IN BY EACH CANDIDATE THIS, THE LAST WEEK OF THE TWIN FALLS DAILY TIMES' BIG AUTOMOBILE CAMPAIGN, THE RACE WILL BE BROUGHT TO A CLOSE UNDER A SEALED BOX.

No subscriptions or votes whatever will be accepted through the campaign department this, the last week of the campaign. Candidates themselves will deposit their final collections in the SEALED BALLOT BOX located in the lobby of The Twin Falls Bank and Trust Co., and in this way, no one, not even the Campaign Manager or the publishers can possibly know the voting strength of the respective candidates, which precludes any possibility of favoritism and insures fairness to the minutest detail.

Locked and sealed, the ballot box has been placed in the lobby of The Twin Falls Bank and Trust Co., where the candidates and their friends can deposit their votes and subscriptions up to 10 p. m., Saturday, July 16th.

When the final hour arrives the campaign will be declared closed. The judges will break the seals, unlock the box, and immediately thereafter, or as soon as possible, will be issued on the subscriptions contained therein, the last count will begin. The winners will be determined by merely adding the published vote totals which will appear for the last time in next Wednesday's or Thursday's issue of The Twin Falls Daily Times to reserve votes and those contained in the ballot box. There will be no waiting; no complicated count, but simply a matter of adding the vote totals and announcing the winners.

READ THIS ENTIRE PAGE CAREFULLY

Candidates are asked to be sure they understand the full details and deposit their last week collections in the sealed ballot box before going to THE TWIN FALL BANK AND TRUST CO.

The ballot box is there through the courtesy of this bank management, and we ask each candidate to refrain from "tooting" anyone in THE TWIN FALL BANK AND TRUST CO. with questions regarding the campaign. Please secure all necessary information from The Times' Campaign Manager.

It is calculated that it will require some time, however, to canvass the findings in the box and to determine the winners. The official results will be bulletined in the windows of The Twin Falls Times as soon as possible, and they will be published in next Monday's Times.

OUT OF TOWN CANDIDATES—ATTENTION!

Heretofore out-of-town candidates have had the privilege of mailing their letters containing subscriptions from their home town as late as the closing hour of the various "periods." This will not be permitted the last night of the campaign. ALL VOTES AND SUBSCRIPTIONS WITH CASH TO COVER MUST BE IN THE SEALED BOX WHEN THE RACE IS CLOSED AT 10 O'CLOCK SHARP Saturday night, July 16th.

Out-of-town candidates should, where it is possible to do so, arrange to deposit their envelopes in person in the sealed ballot box, but where this cannot be done letters containing final remittance should be addressed to CAMPAIGN DEPARTMENT, The Twin Falls Daily Times, and plainly marked "FOR SEALED BALLOT BOX NOT TO BE OPENED." Particular care should be taken to post such letters in good time to reach this office before the final hour and it is advisable that they should be under special delivery stamp.

IMPORTANT NOTICE

ALL SUBSCRIPTIONS DEPOSITED IN THE SEALED BALLOT BOX—NOW LOCATED IN THE LOBBY OF THE TWIN FALLS BANK AND TRUST CO.—MUST BE ACCOMPANIED BY CASH, MONEY ORDER OR CERTIFIED CHECK FOR THE FULL AMOUNT TO COVER. PERSONAL CHECKS WILL POSITIVELY NOT BE ACCEPTED. This rule is made in fairness to all candidates and will be STRICTLY adhered to.

Schedule of Votes for the Fourth Period

(New and Old Subscriptions count the same this week)

The last week, terminating at 10 p. m., Saturday, July 16th, the following number of votes will be issued on subscriptions:

WARNING

In accordance with the rules of the campaign, only those candidates who make a weekly cash report will be eligible to share in the prizes and commissions. If your name appears in the list of candidates which will be published in The Times this week, you must make at least one cash report this week to receive your prize or commission. This rule will be absolutely enforced this last week.

Only 4 More Days

SPECIAL NOTICE

As announced in the "Rules and Regulations" published at the beginning of the campaign, the Ballot Box in the Twin Falls Daily Times' campaign has been locked and sealed and placed in the lobby of The Twin Falls Bank and Trust Co., where it will remain until the close of the campaign—10 o'clock Saturday night, July 16th, 1927. No subscriptions or votes whatever will be accepted through the campaign department this week and candidates and their friends are to drop their coupons, subscriptions and subscription money in the sealed ballot box.

Candidates will have access to the sealed ballot box each day during their regular hours of this well known banking institution. The hours are 10 a. m. until 3 p. m. each day.

ARRANGEMENTS FOR CANDIDATES TO DEPOSIT THEIR COLLECTIONS IN THE SEALED BALLOT BOX ON SATURDAY EVENING WILL BE MADE AND ANNOUNCED LATER IN THESE COLUMNS.

You must be sure that all votes, money and subscriptions are in the ballot box at the closing hour as none will be accepted through the mail or in any other manner after 10 p. m. Saturday, July 16th. Neither will any money be refunded—so be sure you have everything in perfect shape. If candidates wish, The Times' campaign department will furnish them with envelopes in which to make their final deposits in the sealed ballot box.

Must Check Votes

Each and every candidate is urged to get his or her vote totals in shape to check with those of The Twin Falls Daily Times. The Campaign Manager will advise Thursday and Friday of this week as days in which the candidates may come to this office and verify their records with those of the campaign department.

Simply add up your vote totals; then come to this office and verify your totals with the total this office has for you. If there is any difference it can be fixed up now. NO CORRECTIONS WILL BE MADE AFTER 8 P. M., FRIDAY, JULY 16.

Any candidate who does not come to this office and check and verify his or her vote totals with those of the Campaign Manager, will be considered as having given notice to the Judges and the Twin Falls Daily Times that they accept the figures of the campaign department as correct and authorize the Judges to use them as the basis for the final count.

Probably in Thursday's paper the last count will appear and will include every subscription, every coupon and every vote which has been cast for publication up to and including last Saturday night, July 9th. The votes as they appear in the last count will remain unchanged until the final count by the Judges, except in case of correction of any errors which may exist. If the Twin Falls Daily Times' account is not absolutely correct, according to your figures and records, notify this office immediately, so proper correction can be made before the end of the campaign.

It Is Now or Never

THE JUDGES

Five representative local business men have been selected as an Advisory Board, and from this number two, or more, will act as judges to canvass the findings of the ballot box, and to announce the winners.

The Advisory Board is as follows:

- Cooke, W. S., President and Manager Atwood Motor Co.
- Koehler, Joe (Joe K.), Manager Idaho Theater.
- Patrick, L. L., Paying Teller Twin Falls Bank and Trust Co.
