REUNION HELD AT BUHL PARK

Special Dispatch to The Times
REUNION, July 27.—A family reunion was held in the Buhl park in honor of Mr. and Mrs. George Carlson and daughter, who have recently returned from California. Those attending included the bridegroom, Mr. and Mrs. Albert Coleburn and daughter, Pauline; Inez and Edith; Mr. and Mrs. Carl Johnson and family of Twin Falls; and Mr. and Mrs. George Coleburn of Ellettsville, Ind.

Talk About a Family Wedding!

You don't hear of many quadruple weddings but here is one in which three brothers and their elder were married recently at Birmingham, Ala. The principals were Dr. Taylor Kirby who was married to Miss Ann Burns of Juneau, Rev. Otto Klett, whose bride was Miss Katherine Evans of Fairfield, Rev. Taylor Kirby who was married to Miss Lauretta Ross of Birmingham, and Miss Geneva Kirby, wife of Herbert Weaver of Jersey City, N. J.

Indians Burned Coal
Do Western Indians give the Pueblo Indians credit for the first use of coal for fuel? They dug it out of surface veins in Arizona and with it burned their homes for "hot" fuel. They seem to be too primitive, however, that they had a use for it in any other way, such as cooking or warming themselves, until centuries later when civilized man discovered its possibilities.

PIRATES BEAT ROBINS, 2 TO 1, TO TAKE LEAD

Corsairs Go Into First When Giants Defeat Cubs, 6 to 4.

By United Press
By virtue of their 2-1 defeat of the Brooklyn Robins, while the New York Giants were beating the Chicago Cubs, 6-4, the Pirates took an unopposed lead in the National League.

The Atlanta Braves, who had only five hits while the Pirates touched Dazzy Vance for nine, it was Hank Wagner's eighth, after Brooklyn had tied the score, which started the rally for the Atlanta Braves. Wagner sacrificed, enabling Warner to score.

Until the ninth inning, Charley Root pitched well, the Cubs holding a 4-to-2 advantage, over the Giants. He had retired two men in the ninth and the Cubs were prepared for a Cub victory. With young Noll Ott at the plate, Root slipped over two strikes. The next pitcher has been easy, but Ott hit with two men on the bases.

Two Helens May Clash in Finals

By United Press
MANCHESTER, Mass., July 28.—A final match between two Helens of Berkeley Calif., today seemed the probable outcome of the third annual Essex County club tennis state tournament.

Miss Helen Wight of Berkeley was to play Mrs. J. Dallas Corbush of Southboro today in one of the final matches, while Miss Helen Jacobs, also of Berkeley, was to meet Miss Margaret Blake of Boston.

The struggling tennis club, Miss Jacobs, an unranked player, displayed to defeat Mrs. Stella Malloy, women's national champion and first ranking woman player, has made her the talk of the tournament.

Why I cook electrically—

You are the one to be pleased

ELECTRIC cookery is MODERN

"LIKE all modern women, I want as much time free from household cares as possible, but I don't want it without well-prepared meals. So when we needed a new range I tried to find the way to get best results with least effort. And now I cook with electricity!

"It is so much simpler. I can put the children's lunch in the oven while I am busy with other things—just set the automatic time and temperature controls and I am certain their lunch will be ready when they begin hunger from play. My afternoons are my own, too, with an Automatic Electric Range. It's really like having a maid. Into the oven go my roast, potatoes, vegetables en casserole, pudding—and when I come home dinner is waiting.

"I can try new recipes with as much assurance as old ones. Cooking scientifically with accurately maintained correct heat, gives better results every time. "In summer my kitchen is always cool and it's shining cleanliness is a joy."

You, too, can know the advantages of electric cooking. For a limited time we are offering special terms of \$5.00 down and easy monthly payments on Automatic Electric Ranges. Come to the Electric Shop and learn the superiority of this, the most modern method of food preparation. Now 7391 housewives are Electric Range customers of the Idaho Power Company.

EVERY Conoco Service Station is operated with the object of giving you satisfaction. Your car only needs certain things—gas, oil, air, water—and it only needs them in certain amounts at certain times.

Our job is to provide those things when they are needed and to serve you with them promptly, courteously and skillfully. If we succeed in pleasing you, we know that you will call again. So we make unceasing efforts to see that both our products and our service are of the highest possible quality.

Will your skin bear close scrutiny?

Skilled physicians recognize the appearance of pimples, boils and other skin eruptions as being an indication of an abnormal condition of the system. This is why so many thousands have been enabled to free themselves of these nasty little things and painful annoyances by taking a course of S.S.S. You owe it to yourself to try S.S.S. It helps Nature build up red corpuscles. It improves the processes by which the blood is nourished. It rids the system of impure blood—wax, waste, and I had lost much weight, I didn't look natural. I had pimples and was skin bothered. It was a breaking-out that I feared terribly. I also had boils one after another. I tried different kinds of remedies, but nothing did me any good until a friend advised me to take S.S.S. I tried it. It was some time ago. Now I feel well, and I am getting rid of these little things and I cured me of boils. I advise all weak and unclean people to give S.S.S. a trial. It clears up the skin and makes you strong and healthy. S.S.S. is made from the fresh roots of medicinal herbs and plants and is prepared in a scientific way in a modern laboratory. It is Unsurpassed and reliable. S.S.S. is sold at all good drug stores in two sizes. The large size is more economical.

Those Home-Run Twins

Here we have Lou Gehrig, left, and Babe Ruth, right, who are waging a sensational battle for the home run supremacy of the major leagues. The two players are both Lou's friends and on good terms.

GEHRIG-RUTH HITTING RACE GRIPS FANDOM

Dispute Over Prowess of Two Stars Stars As They Tie on Homers.

By HENRY T. FARRELL
(Culter) Press Staff Correspondent
NEW YORK, July 28.—While two New York Yankees are sleeping about 14 games in front of the rest of the trailing pack, there is little interest in the race between Gehrig and Ruth.

Before today's game Gehrig and Ruth were tied with 33 home runs and not clear out of sight behind them was Tony Lazzeri, the second baseman.

Gehrig is not only tied with Ruth in home runs, but he is hitting .262, just one point behind Al Simmons in first place.

Gehrig, however, has been in eight more games than the Athletic star and in Simmons has been badly hurt.

Gehrig technically is leading the league. The chunky first baseman, who was picked up as a bargain from the college in Columbia, is on the way to several individual records.

He has a chance to set the league record for consecutive number of hits and extra bases and number of runs knocked in.

He already has knocked in more than 100 runs, and has scored an hundred and is leading the league in extra bases.

Since Ruth and Gehrig began to entertain the league, both leagues in fact, with their little family bottle, discussion has arisen as to their respective hitting strength.

"The players do not agree," says a baseball man. "Gehrig hits the ball just as hard as Ruth, but Ruth strikes with the power of the Babe."

Some critics have made the suggestion that something ought to be done to break up the obnoxious combination of the Yanks.

"It was even suggested that Gehrig should be transferred forcibly to some other club."

"Such a silly idea," Colonel Jack Juppert, owner of the club said. "Harkness would be willing to pay me a million dollars for him."

"There isn't enough money in the league to get him away from the Yankees."

The Colonel would stoutly swear that his words will cost him some little when Gehrig goes a new record, but that Gehrig doesn't have to be sold that he is worth a lot more than \$7,000 he realizes.

At 194-111 Gehrig has 327 runs, 123-371 33. Spence has 259 runs, 123-371 33. Kennedy has 258 runs, 123-371 33. Cobb has 201 runs, 123-371 33.

BIG FIVE OF BASEBALL

GEBRIG'S thirty-third home run in the home run race, both leagues in fact, with their little family bottle, discussion has arisen as to their respective hitting strength.

Why should I keep it to myself?

AS THE song had it,—"but I won't be happy, till I make you happy, too." I want you to share with me the joy of a pipe and Prince Albert. I may be prejudiced, but I don't believe you can find the brand of pipe-joy *Fun*-talking about in any other way.

Why, the very moment you open the tidy red tin and breathe that glorious P.A. aroma, you know—then and there you are going to like this tobacco, and like it *lots*. And, if you still have the slightest doubt, it will vanish the instant you taste the smoke itself.

Cool as a March rain beating against the window-pane. Sweet as the flowers that attract the honey-bees. Mild as the greeting of a rival—mild, but with that full tobacco body that makes the perfectly balanced smoke. A whole world of satisfaction in every single puff.

Prince Albert has pleased more pipe-smokers than any other tobacco before or since. You can ask any jimmy-piper. But the way to really know is to buy yourself a tidy red tin, tuck a load into your pipe, and light up. That's better than anybody's opinion.

PRINCE ALBERT
