

LOSE TO IDAHO FALLS

Comets Secure One Game Out of Three.

TWIN FALLS WINS LAST GAME OF THE SERIES.

Three Buns Made in Last Half of the Ninth—Hannah's Work Behind the Bat a Feature in All Games.

The Twin Falls Comets crushed bats with Idaho Falls in three class games Saturday, Sunday morning and Sunday afternoon, winning only the last game after a close contest.

The first game was good until the eighth inning, when two two-base hits, two singles and one man hit by a pitcher, brought in four runs, and clinched the game for the victors. The folding of Johnson, center-fielder for the visitors, and the pitching of Collins, were features of the game.

Sunday morning's game may be best described as a comedy contest, filled with hits and errors by both teams, and added by the wisdom of pitcher Kuylen, the game finally resulting in a victory for the visitors.

The last game was a close game and a good game, with a score of 2 to 0 in favor of Idaho Falls until the last half of the ninth inning, when three hits added by a couple of errors, brought in three runs for the Comets. In this game both pitchers pitched good ball and were well backed by the rest of the team. Catcher Hannah behind the bat, played exceptionally well.

The score for the three games are as follows:

SATURDAY AFTERNOON.
Idaho F. 2 3 4 5 6 7 8 9 R. H. E.
Twin F. 0 0 0 0 0 2 4 0 8 15 2
Twin F. 1 0 2 0 0 0 0 0 0 3 6 3

SUNDAY MORNING.
Idaho F. 2 3 4 5 6 7 8 9 R. H. E.
Twin F. 1 0 0 3 7 4 0 0 15 13 3
Twin F. 1 0 0 2 2 0 0 1 2 11 15 6

SUNDAY AFTERNOON.
Idaho F. 2 3 4 5 6 7 8 9 R. H. E.
Idaho F. 0 1 0 1 0 0 0 0 0 2 3 9
Twin F. 0 0 0 0 0 0 0 0 0 3 6 1

REV W. E. HENRY CALLED.

Speaker of Ability and Man of Culture Will Group Baptist Pulpit.

Rev. W. E. Henry of Parkersburg, W. Va., has accepted a call to the First Baptist church of this city. We understand that the Rev. Mr. Henry is a speaker of ability and a man of culture. The people of Twin Falls will enjoy having a man of his standing locate in their midst. Rev. W. H. Fowler, superintendent of state missions, made a visit to Parkersburg recently and in a letter to the pulpits committee of the local church says: "I have talked with many people here about him and after finding the man's standing and position in the state, I am more anxious than ever to have him in Idaho."

Mr. Henry will arrive here about the first of September, and in the meantime the pulpits will be supplied by Kenneth W. L. Markland of Chicago.

FLAG DAY AT THE FALLS

Friday, June Seventeenth is the Day Set.

THE OCCASION TO BE ONE OF NOTE.

Governor Brady, ex-Governor Gooding and Other Prominent Men to be Present.

The celebration of flag day and the christening of the two cliffs—McKinley and Garfield—at the Shoshone falls on Friday, June 17th, is to be an important occasion in the history of Twin Falls.

The committee in charge of the arrangements consists of prominent citizens from both Lincoln and Twin Falls county and are as follows: M. J. Sweeley, C. A. Robinson, Fred Morse, T. F. Warner and J. E. White of Twin Falls county, and F. R. Gooding, C. N. Dilworth, W. A. Hicks, Paul S. Haddock and J. W. Voorhees of Lincoln county. They have asked Senator M. J. Sweeley to take active charge of the program for the day, which will consist of music and speaking. Mr. Sweeley will make the opening address and addresses will also be given by Governor Brady, ex-Governor Gooding, Major Fred B. Reed and other prominent men. Music will be furnished by the Twin Falls band, the Glee club, and other local talent.

Arrangements have been made with the power company whereby people from the other side of the river may cross on the ferry free of charge. Various conveniences will be provided by the Twin Falls and the Shoshone falls and a low rate is to be charged for the trip. With all the attractions which the falls and this celebration offer, Twin Falls may expect many out-of-town people to be in attendance on that day.

The two cliffs—McKinley and Garfield—the former near the river in Lincoln county—were officially named two years ago by Governor Gooding and June 17th is the anniversary of the interior, who with a party, were touring the west at that time. Flag poles were recently erected on the cliffs and the flags will be run up and flung to the breeze on June 17.

Through the efforts of Senator Sweeley, to whom much credit is given, the legislature some time ago appropriated \$2,000 for the improving of the grounds around the Shoshone (Continued On Last Page).

HAND SERIOUSLY INJURED.

Harold Cryder Accidentally Shot Through Right Hand.

Harold Cryder, residing four miles west of town, suffered a painful accident to his right hand last Thursday. In pulling a loaded shotgun from his wagon, the trigger caught in some machinery and the contents of the gun were discharged into his hand, causing a very painful injury. The hand was dressed by a local physician and it is thought the injury will cause no more serious trouble.

DEDICATION OF CHRISTIAN CHURCH

Special Dedictory Services Arranged for Next Sunday.

AN ENTERPRISING CONGREGATION HAS SPLENDID BUILDING.

Erected at a Cost of About \$7,000—Excellence of Architecture Makes the Structure a Credit to the City.

On next Sunday, June 12, 1910, the First Christian church of Twin Falls will hold special services for the dedication of their new church building on the corner of 4th avenue and 2nd street East. The new structure is now practically completed and the congregation is to be congratulated upon its general appearance and especially upon the excellent arrangement of its interior. The cost of the building is about \$7,000, and the basement and foundation are built exceptionally heavy, for the support of a large stone church, with which they expect at some time to replace the present structure just completed.

The main auditorium of the church is about fifty feet square with a seating capacity of four hundred and twenty-five. A large basement lies under the entire building in which is located the Sunday school room with seven separate class rooms connected. In one end of the basement is a modern kitchen, fitted with a refrigerator and cold water, etc., especially convenient for all church social affairs, which will be held in the Sunday school room.

Following is the program of special dedicatory services to be held Sunday:

MORNING SERVICES—11:00 A. M.
Invocation—W. L. McCollough, Hymn No. 167—Congregation.
Scripture Reading—P. R. Turner.
Prayer—Ray Beauchamp.
Chorus—"The Lifted Self"—Choir.
Communion—Aders presiding.
Solo—"Come Into Me"—Prof. E. R. Turner.

AFTERNOON—3:00 P. M.
Hymn No. 175—Congregation.
Scripture Reading—J. W. Beauchamp.
Hymn No. 24—Congregation.
Prayer—Rev. W. L. McCollough.
Chorus—"The Fight Is On"—Choir.
Address—Rev. W. L. Markland.
Solo—"My Redeemer and My Lord"—Edith Fenney.
Address—Rev. H. C. Parker.
Solo—"Fairest Lord Jesus"—Prof. E. R. Turner.

Hymn No. 167—Congregation.
Other churches will be represented on the program by their ministers.

EVENING SERVICES—8:00 P. M.
Hymn No. 29—Congregation.
Hymn No. 151—Congregation.
Prayer—D. B. Titus.
Chorus—"He Will Hold Me Fast"—Choir.
Solo—"What Will You do with Jesus"—Prof. E. R. Turner.
Sermon—"What Think Ye of Christ"—D. B. Titus.
Hymn No. 188—Congregation.
Dedication—D. B. Titus.
Prayer—W. L. McCollough.

CHILDREN'S DAY EXERCISES

Programs Will be Given at the Various Churches.

EXERCISES WILL BE GIVEN ENTIRELY BY THE CHILDREN.

Sunday Schools of All the Churches Will Observe Children's Day On Next Sunday.

Next Sunday Children's Day exercises will be held at the various churches in the city.

At the Presbyterian church a cantata, "The Festival Queen," will be presented by the choir and children of the Sunday school, in place of the regular morning church services. Mrs. Harry Smoed will play a violin solo during the offertory.

Sunday morning at the Baptist church special exercises and music by the children will be held at ten o'clock. Among the special features will be a choir composed of two choirs of little girls.

Sunday evening at eight o'clock, a cantata, "Hearts of Gold," consisting of songs and recitations, will be presented at the Methodist church, by the members of the Sunday school.

At the Christian church, the day will be devoted to special dedicatory services.

Other churches of the city will have their regular church services.

BLASTING IS DANGEROUS.

Some Complaint Regarding Blasting At Rock Creek.

Some complaint has been heard of late in regard to the blasting near the rock crusher on Rock creek. Such heavy charges are used that the rocks are sent quite a distance in every direction. A week or so ago a rock weighing twenty-five or thirty pounds crashed through the roof of the Lincoln brick and tile refrigerator and demolished a refrigerator. More recently a rock went through the Shoshone street bridge. These are only instances, but they show the danger there is for anyone who is within a couple of blocks distance from the scene of the blasting. A ten or twenty pound rock falling on even the hardest headed pedestrian would be quite liable to make some impression. More care should be taken in the work before someone gets seriously injured.

TWO SPECIAL PRIZES.

To be Given to Sunday Schools Having Representation Parade July 4th.

A first prize of \$50 and a second prize of \$20 will be given by the Fourth of July parade committee to any two Sunday schools in the county, having the largest percentage of their total enrollment in the parade at ten o'clock July 4th. Each child will also be given a silk flag to keep. For further information apply to C. M. Hill.

WILLIAMS—A New One, Jr. June 9 If

MASONS HOLD BIG BANQUET

Recently Organized Chapter Grand Chapter to Meet in Twin Falls.

THREE DAYS' SESSION BEGINNING NEXT TUESDAY.

One Hundred Fifty Delegates From All Chapters in the State Will Be In Attendance.

The recently organized Chapter of the Royal Arch Masons held their first initiation in the Masonic hall Tuesday evening with a large number present, including Masons from Pocatello, Boise and other cities.

At the conclusion of the business session a splendid banquet was served at the Perrine Hotel Grill. George D. Allen presided, most efficiently, as toastmaster and responses were made by local and visiting Masons as follows:

Royal Arch Masonry—H. Leimberger, High Priest, Boise.
Antiquation—O. M. Jellist.
Realization—P. E. Chamberlain.
Pleasures From the Dower—W. J. Breckel, X. P. G. S., Grand Lodge of Colorado.
Masonry in Idaho—Wm. Wallace, High Priest, Pocatello.

SERVICES AT PENITENTIARY.

Ladies of Central W. C. T. U. Distribute Flowers to Prisoners.

Yesterday was flower mission day at the state penitentiary, and the ladies of the Central W. C. T. U. arranged 240 bouquets of roses and carnations to be distributed among the prisoners. Each bouquet was tied with a white ribbon attached to which was a slip bearing an appropriate verse from the Bible.

A committee composed of Mrs. W. S. Chapp, Mrs. Mollie Vance, Mrs. R. M. McCracken, Mrs. Penman and Mrs. Roberts arrived at the penitentiary in the morning, where they conducted a short service and then presented to each man as he marched back to his cell a bouquet of flowers, the latest fad of the ladies.

After the services for the male prisoners, a similar one was held in the women's ward.—Statesman.

DAILY BUS TO THE FALLS.

Thos. E. Hing Will Operate Regular Stage to Seaside Attraction.

Thos. E. Hing, proprietor of the O. K. Livery, has arranged to put on a regular daily bus to the Shoshone Falls. Mr. Hing has arranged the following schedule: Leave Twin Falls 9:00 a. m. Arrive at Falls Hotel 11:00 a. m. Leave Falls hotel 2:00 p. m. Arrive Twin Falls 3:00 p. m. The initial trip was made Wednesday.

This is an enterprise much needed in Twin Falls, many commercial travelers men passing through the city with time enough for a short trip to this famous scenic wonder.

DIRECT LEGISLATION LEAGUE.

New League Organized Here Last Week.

A league to be known as the Twin Falls County Direct Legislation League was organized last Friday night at a big meeting held in the union hall. A large number of members from the various political parties were present.

The constitution and by-laws presented by the committee were adopted and the following elected as members of the executive committee:

President—A. L. Swin.
Vice President—G. W. Gardner.
Secretary—O. G. Zuck.
Treasurer—Dr. W. F. Pike.
Attorney John Williams, L. D. Robertson and J. F. Stronahan.

NOTED WRITER SUCCEUMS.

William Sydney Porter, Better Known
As O. Henry, Is Dead.

New York, June 2. William Sydney
Porter, known best under his name of
O. Henry, as the writer of short stories,
died today at his home in New York
city. He underwent an operation last
week and never rallied. The nature of
his illness was never known.

Mr. Porter was born in Greensburg,
N. C., 46 years ago, and began his
writing career in 1898.

Before that he had been a
post, a checker and a druggist, and an
active traveler. The general public
knew little of his private life, for he
shunned interviewers and was content
to be known merely through his works.

His breezy paragraphs penned in
Texas first drew attention to the young
writer several years ago.

Not until two years ago did any but
his closest friends know his real name.
Then he reluctantly consented to have
his photograph printed with a brief
biographical sketch.

He had been in poor health for some
time, but it was not thought his illness
was serious. Wednesday he dined
with friends and seemed in his usual
spirits. Friday night he was taken ill
and removed to the hospital. A minute
operation was performed and he lay
within an hour of his death today. It
was thought he would recover.

Benjamin of both liver and kid-
neys, however, proved more deep seated
than had been thought and he sank
rapidly.

Thieves Get Busy, Even in Capitol.

Washington, June 4.—That thieves
have been at work in the United States
capitol is the startling discovery made
today, according to a lawyer's call
sent to the sergeant-at-arms in the
senate. An attempt to keep the matter
secret was made, but evidence was
devised to indicate plain robbery in
the rooms of the postoffice and post
roads committee, of which Senator
Penrose is chairman.

Three massive silver flower vases,
twenty-six inches high, are missing.
They were presented to Senator Pen-
rose on his recovery from a severe
illness three years ago and have been
filled with choice flowers.

The Penrose rooms are on the
ground floor of the senate wing of the
capitol, but have main-lock doors and
grated windows. Hence it is believed
that Sergeant-at-Arms Randall may
get some clue to the mystery if his
capitol sleuths get a good start.—Salt
Lake Tribune.

Call For Bids.

District No. 30 calls for bids for
school house. Plans and specifications
found at Superintendent's office. Bids
opened there Saturday, June 11.

WALLIS TALKS TO SHIPPERS.

Must Protect Food Stuffs From Possi-
ble Infection.

Boise, Idaho, June 1.—It is the
practice with some dealers in meat, when
shipping veal, hogs and other meat, to
ship it without any protection, what-
ever from dust, dirt or flies. Hereafter,
the food laws of Idaho will be
strictly enforced in these matters, and
all such unprotected meats will be
seized and, on inspection, will be
destroyed.

In order that the sale of meats may
be conducted under sanitary conditions,
and in conformity with the laws of the
state, butchers and dealers in meat
are hereby instructed that carcasses
and parts of carcasses dressed for
sale for food, fresh meat products of
every description, such as hamburger
steak, sausage, etc., poultry and game
fish and fish products, etc., must at
all times be kept in a refrigerator, cold
storage room, or ice box, or if displayed
for sale, properly protected by
glass, wood or metal cases.

In order that the sale of bread, pas-
tries and other baker's goods may be
conducted under sanitary conditions
and in conformity with the laws of the
state, bakers are hereby instructed that
all such goods, including bread,
buns, rolls, biscuits, cakes, crackers,
cookies, pies and other baked goods,
must be properly protected while in
transit or while displayed for sale.

Such goods, such as hamburger
steak, sausage, etc., poultry and game
fish and fish products, etc., must at
all times be kept in a refrigerator, cold
storage room, or ice box, or if displayed
for sale, properly protected by
glass, wood or metal cases.

In order that the sale of bread, pas-
tries and other baker's goods may be
conducted under sanitary conditions
and in conformity with the laws of the
state, bakers are hereby instructed that
all such goods, including bread,
buns, rolls, biscuits, cakes, crackers,
cookies, pies and other baked goods,
must be properly protected while in
transit or while displayed for sale.

because of its light draft, ease of handling and the manner in
which it takes care of the heaviest grain, elevating and binding
it without difficulty.

The above points of advantage appeal to the farmers
throughout all grain growing sections of the country. They
are some of the features that create a demand for Milwaukee
machines.

To use the Milwaukee is to use a machine that leads—
it is placing yourself in the lead with your neighbors. The
complete line includes: Binders, reapers, mowers, rakes, corn
binders, knife grinders, and binder twine.

I have sold the MILWAUKEE LINE

FILER LOCALS.

Deep Well Proves to Be Good For 2000 Gallons per Hour.

Mrs. L. M. Smith and children departed the latter part of the week for an extended visit with Mrs. Smith's relatives in New York.

Mrs. Clara Underwood spent the week in Filer with friends, returning to her home in Twin Falls on Saturday evening.

Mr. and Mrs. M. G. Ribley left on Sunday evening to attend the rose carnival in Portland, and remain for a few days visiting friends.

An ice cream social is to occur on Thursday of this week at the Mason school house for the benefit of the Mason Sunday school. It is expected to be the success socially and financially that all other affairs of a like nature have in years past.

Many of the pleasure loving population of Filer and vicinity will attend the big circus in Twin Falls on Friday.

Of course most of them are going for the education of the children, even if they have to borrow a child.

Mr. and Mrs. James Turner and Mr. and Mrs. McGreevey were the dinner guests at the home of Mr. and Mrs. F. E. Allen on Monday evening.

Work on the Methodist parsonage is progressing rapidly and the building which is eight rooms wide and four long for occupancy at not delayed longer for the arrival of sand for the plaster.

Dr. A. A. Newberry and R. A. Reynolds made a professional trip to the Snake City on Monday afternoon.

Mrs. H. H. Schellman entertained a few friends informally to ice cream and strawberries at a porch party one evening, the first of the week.

Mrs. Harry L. Dugan and children returned from a two month visit in Southern California on Monday afternoon.

Mrs. Dugan returns much improved in health and is related to be with her friends in Sunday afternoon.

Alex. Sent, who for the past two years has made his home in our midst, and on Friday across near the Filer, returned to his home in Missouri, Saturday evening, before going he sold his land and is returning to his former home with many memories of this great growing country.

One before he started he ate cherries from trees that he himself set out only two years ago.

Peter Erickson has let the contract to Bell Randall for the driving of a well on his already well improved farm two miles north of town.

Erickson will also build a large addition to the house and to the barn and as this place is already one of the best improved, it will undoubtedly when completed be one of the most attractive in this section.

Mr. and Mrs. Arch Wood purchased last week the house belonging to Mr. Lander on Sixth street and have already taken possession as the Lander family have returned to their beautiful farm at the edge of town.

At the instigation of the Commercial club the business houses have decided to close at 7:30 o'clock every Tuesday and Thursday evenings. This is considered a move in the right direction and it is hoped by many that Filer will soon fall line with other towns of the tract and close every evening with the exception of Saturday evening.

The road supervisor, D. Coomers, has busy these days having several new bridges put across Cedar Draw that were washed away by the high water of the early spring.

Mrs. E. M. Kling, who was very ill for several weeks is rapidly improving and will soon be able to get about again.

On Monday morning while blasting for the basement of the new bank building, a rock was thrown into the sky and in coming to earth again happened to come through the roof of the building occupied by the Timm and Ribley Store Co. It came with such force that it struck against the wall of the building occupied by the Shafter Drug Co. next door, causing the stove pipe to fall and many bottles to be thrown to the floor.

At the last meeting of the Commercial club it was decided to appoint a committee to investigate the flow of water at the deep well at there seems to be some opposition to the bonding of the village for the installation of a complete water system on the grounds that the flow of water was not sufficient to warrant such an expenditure.

The committee consisting of Messrs. Graves, Lambing and Markell, made the test on Monday under the direction of Town Marshal Harshberger, and after a steady flow of water for ten hours which was the time set, it was found to the satisfaction of all that more than 2500 gallons of water had been pumped out at the rate of 2500 gallons per hour. With this evidence of the lasting quality of the well, and from indications the pumping could have continued an indefinite period, all opposition to the progressive development party are sure to cease.

Filer is proud of its deep well, believing that it has what no other town has of its kind on the tract.

On Monday afternoon Mrs. Charles Lusher entertained most charmingly in honor of her mother, Mrs. Woodworth, who leaves the first of the week for Anaheim.

The affair was spent in several interlarded contests at which Mrs. H. H. Schellman, Mrs. Carman and Mrs. James Turner were the successful winners, receiving as prizes a box each of the delicious strawberries for which Mrs. Lusher's tract is becoming famous.

The invited guests of the club were the members of the Women's club, and the ladies who had called upon Mrs. Woodworth. Delightful refreshments were served, consisting of delicious strawberries, ice cream and cake.

When Campbell Brothers left Consolidated Shovel come to town, it is a sure sign that labor will be succeeded and all take a holiday as there will be no work to see all day beginning at 10 a. m. with the grand street parade and ending with the two life shows and water-proof tents at 2 and 8 p. m. will exhibit here on Friday, June 1st.

BLACKFOOT'S BIG FESTIVAL.

Important Musical Event. Scheduled for the Grassy City June 16-17.

As a first step toward the formation of a musical festival society and securing the principal towns of the southeastern part of the state, a festival will be held in Blackfoot on June 16 and 17 under the direction of Prof. E. C. Rowden, musical instructor and director of the Blackfoot Choral association.

Prof. Rowden is in the city today conferring with local musicians of note and is receiving handsome contributions from the Grassy City. The forthcoming festival will undoubtedly be one of the most important musical events in the history of the Grassy State, and will mark the beginning of a wider education in the gentle art.

The festival program will open Thursday morning, June 17, with an orchestral and choral recital at the Blackfoot auditorium, in which a Salt Lake orchestra, accompanied by Blackfoot, Idaho Falls and Pocatello musicians, to a total number of 30 pieces, and a chorus of 150 trained voices will participate.

Thursday evening "The Messiah" will be rendered with full orchestra accompaniment. The solo pianist will be Miss Terry, a cousin of Ellen Terry, and a musician of more than national fame. On Friday afternoon she will play Beethoven's Sonata.

On Friday afternoon an orchestral program will be rendered and on Friday night "The Messiah" will be repeated with Horace Eshlin, of Salt Lake, as the basso soloist.

It is confidently expected that the Blackfoot festival will attract music lovers from all parts of southern and southeastern Idaho. It was made possible financially by the liberality of the Grassy City boosters, who have subscribed \$50 each as the nucleus of the fund to carry out Prof. Rowden's plans—Pocatello Tribune.

HEYBURN WOMAN ENDS LIFE.
Drowned Herself While in Fit of Temporary Insanity.

Heyburn, June 16.—Mrs. J. Anderson, wife of a prominent Heyburn merchant, mysteriously disappeared last evening. Her absence was not taken seriously by members of the family until this morning, when inquiries among her many friends failed to disclose her whereabouts. Immediately a search was headed by Mr. Anderson, her husband, with the support of the citizens.

The first discovery was made by Mr. Anderson, who found her slippers at the edge of the railroad bridge crossing Snake River at Heyburn. With this discovery many launches owned by citizens were pressed into service and cranking hooks were used without avail.

A diligent search is being kept up by the authorities and the river is being scoured for many miles below Heyburn but the stream is so wide and deep at this point that a successful search is almost impossible.

Mrs. Anderson had acted queerly lately, and the fact that all jewelry and effects of value were removed from her person before leaving home led Mr. Anderson to the belief that in a fit of temporary insanity Mrs. Anderson went to the river and committed suicide.

Mr. Anderson, with his family, recently removed to Heyburn from Blackfoot, Id., and with Mr. Holston from the same place established the business house of Anderson & Holston. Mrs. Anderson leaves one child, six years old—Little Statesman.

ANOTHER DROWNING AT WEISER

Young Man Drowned While Swimming in the Snake River.

Harry Metcalf, a boy about 17 years of age, a recent arrival from Vancouver, B. C., who his parents recently were drowned Tuesday morning in the river near Weiser. Metcalf, who was a poor swimmer, went in with two young men, Steve Nichols and Louis Merrick. They warned Metcalf about going where the water was deep, but he disregarded the warning and went into a spot where it was 10 or 15 feet deep. He began to sink and called for help.

Nichols and Merrick both went to the assistance of the boy and grasped him but he was compelled to release him as he was pulling them down in his frantic effort to get out. The spot where the boy was drowned was directly under the railroad bridge. A young man was drowned at the same place about two years ago. It is very deep and the current is swift.—Sampa Leader-Herald.

New Hotel for Gaymer Hot Springs.

The company that has taken over the Gaymer Hot Springs has gone to work in earnest. It will build a new hotel, enlarge the bathhouse and floor and walls them in with cement, demolish the old buildings and sheds, and make other improvements that will put the place in the front rank in the estimation of patrons of mountain resorts.

The company intends to spend at least \$100,000 on the place within the ensuing two years.—Wood—Blackfoot Weekly Times.

ANNOUNCEMENT.

I wish to announce to the voters of the state of Idaho, that I am a candidate for the nomination of Secretary of State on the Republican ticket at the primary election to be held on the 1st of Tuesday in August, of the present year.

I have my good fortune to serve the state of Idaho as chief clerk to the Secretary of State for a period of four years, from 1903 to 1907, and be cognizant of the confidence I acquired through and practical knowledge of the essential duties of the office. Therefore, I am confident that I am qualified to discharge the duties and responsibilities imposed on the Secretary of State by the Constitution and laws of our great commonwealth.

I elected, I believe myself at all times to a faithful, conscientious and honest administration of the affairs of the office.

Respectfully submitted,
HYRON F. HYATT.
Boise, Idaho.

FILER DEPOT ROBBED.

Tickets and Money Orders Undisturbed—\$25.00 in Cash Secured.

Last Friday night some one broke into the depot and robbed the drawer of all the cash—\$25. The money was hidden in a box in the freight office. Entrance was made by opening the front door with a key. The money drawer was pulled or forced open and left on the counter. None of the papers, tickets or money orders were disturbed. Local detectives of the company were here and looked the situation over and concluded it was the work of local talent. Several men were put on the carpet and underwent a grilling, but nothing was developed indicating that they were anything of the job. Agent Trull is of the opinion that the robbery occurred between nine and ten o'clock. There was considerable talk at the time, but no one was watching for an opportunity. Between those hours he came up town to get shaved and was not about any more. The loss was not discovered until morning when John Miller, his assistant, opened up for the day's business.

The loss will fall upon Agent Trull as the company hold their agents responsible for all losses. It is not a point like Filer has no means of depositing money after the bank closes, and as both local trains arrive and depart after six o'clock there is always more or less cash on hand.—Filer Journal.

WILL PAY VISIT TO BOSTON.

Miss S. Belle Chamberlain Preparing for Trip.

Miss S. Belle Chamberlain, state superintendent of public instruction, has accepted a special appeal to Idaho teachers to attend the meetings of the National Educational association to be held in Boston July 2 to 8, inclusive. As state director for Idaho she urges the educators to go to Boston, by cards which she has sent to all the teachers over the state, which read as follows: "We hope you will find it possible to attend this great and important meeting of educators. We all realize the good to be derived from such meetings, and New England, with its many places of literary and historical interest, should be an especially attractive place for teachers. Let us encourage this opportunity to visit New England, see the city and listen to the best thoughts of the leading educators of the country."

During the sessions of the association Miss Chamberlain has arranged to open Idaho headquarters at the Lenox hotel for the accommodation of all visitors from the Gem state.

Professor Charles S. Meek of Boise, and Professor Walter R. Siders of Pocatello, are the two Idahoans upon the program.—Spokanean.

TO WELCOME ROOSEVELT.

Great Preparations Being Made for Roosevelt's Home Coming.

New York, June 3.—The welcome arranged for Colonel Roosevelt upon his arrival here the morning of June 13 is the most extensive ever planned for any American. This is in spite of Roosevelt's expressed desire to have it as simple as possible. One of the most striking features will be the part played in the great parade by his old comrades, the Rough Riders.

They will form a band around the ex-president and will take precedence over diplomats, senators and other national and international personages. That the reputation of the ex-president is inseparably associated with the Rough Riders the world over is known. It is therefore entirely proper that a prominent feature of his welcome back to America should be furnished by the National Roosevelt Rough Riders' association, an outgrowth of the regiment. The association will give a banquet to its guests at the hotel June 23. The affair will be of an informal nature. Colonel Roosevelt has accepted the invitation and so Rough Riders from all parts of the country will be present to meet their ex-leader.

GRADUATING EXERCISES.

Large Number of Scholars Complete Eighth Grade.

On Friday evening at eight o'clock, at the ticket school auditorium, will be held the graduation exercises of the eighth grade schools from all over the county. Governor Jas. H. Brady will be present and make the address of the evening. Miss S. Belle Chamberlain, state superintendent of schools, will make an address and also present the diplomas to the fifty or more graduates. It is gratifying to see so many scholars complete the grades and enter the high school.

PEITZ SELLS OUT.

Mr. Peitz and Co. to Purchase the Independent Meat Market.

The deal was closed Tuesday when by C. J. Jones & Co. purchased the Independent Meat Market, taking possession Wednesday morning. Mr. Jones, who will have the management of the shop, has had considerable experience in this business and is well and favorably known in Twin Falls.

Mr. Peitz has not made definite plans, but will probably remain in Twin Falls as he is interested in considerable property here.

CHANGES LOCATION.

Mrs. Self's Millinery Store Moved to the Dr. Clouck Block, on Main.

Mrs. S. P. Self moved her millinery store this week from its former location in the Smith and Smith building, to the Dr. Clouck building on Main avenue. The new location has been thoroughly refitted and refurbished and Mrs. Self will carry a line of everything new and most up-to-date in the millinery line.

DR. HEG URGES CO-OPERATION.

Arranging for Conference of Health Officers in Seattle.

Seattle, June 1.—The prevention of the traveling public from disease by safe-carried from infection, reducing the travel of diseased persons, and scientific and unrelenting sanitation in every phase of travel within the states, is the plan evolved at a recent conference of health officers at Washington, D. C., and Dr. H. H. Heg, health commissioner of this state, has been assigned the task of planning the work west of the Mississippi river. Dr. Heg has returned from Washington, and is now arranging for a conference in Seattle, of health officials from western states.

Dr. Heg believes that even if the Owens bill, providing for a national department of health, is not passed, the state health officers can accomplish by co-operation the same results for which a national department is needed, so that the plan will not be allowed to be introduced from one section to another. There is no place where all sorts of people are brought in such close contact, with such few sanitary precautions as on trains. Consumption travel with impunity. Convalescent patients and half sick people use the cars where there is no chance for taking proper precautions. In these conditions, Dr. Heg believes can be improved by co-operation between state health departments.—Caldwell News.

POPULAR BALL PLAYER WEDS.

C. H. Chapin Married to Miss Dorothy Trull, June Fourth.

On Saturday, June 4th, at the Sleepy Hollow ranch on the Snake river, and Hagerman, occurred the marriage of C. H. Chapin and Miss Dorothy Trull, in the presence of a few of their most intimate friends and relatives. The young couple left soon after the ceremony for an extended trip through the east, during which they will attend the reunion of the class of 1907 at Yale, returning to Southern Idaho early in July.

The groom is well-known to the people of this section of the state as Yale's creek catcher, and one of the best ball players who ever played in Idaho. Mr. Chapin has been engaged in business for the past two years at Jerome and at Hagerman, and is popular with all who know him.

Miss Trull came to this country with her parents at the time of the first settling of the North Side tract, and during her residence at Jerome and Hagerman has won for herself a host of life-long friends.

C. T. Chapin, Mr. Chapin's father, came out from his home in Rochester, New York, to attend the wedding, and while here expressed himself as being delighted with the country and the wonderful possibilities here.

HORTICULTURISTS ATTENTION.

Success of Industrial Fair Rests Upon The Farmers.

The Industrial Fair to be held in Twin Falls, September 27th to Oct. 1st, inclusive, is now an assured fact. In order to make it the success it can and ought to be, it will be necessary to get busy now, and not overlook the small fruits which are beginning to come in season.

We urge that every farmer on this tract prepare to can or preserve a limited number of their best strawberries immediately, for exhibition purposes.

In regards to the other small fruits, they should be properly cultivated, irrigated, and thinned out if necessary so as to make the best possible showing.

The success of this fair rests largely upon what we do now in the way of preparation, so let us not overlook any of the details that are so essential at the present time.

Do not put this off, thinking that your neighbor will take care of it, but do it yourself; and let everyone that has any creditable fruit do his share.

It might also be a good idea to have photographs taken of that strawberry patch, or cherry tree which will prove very useful advertising, to accompany this exhibit.

HOLD SPECIAL MEETING.

Local Architects and Lumber Men Meet.

A meeting of the local architects and lumbermen was held in the Commercial club rooms Tuesday evening to discuss the advisability of encouraging the establishing in Twin Falls of a cement pressed brick industry. Mr. I. R. Minkley of Loughmont, N. J., was present, in the interests of an eastern cement pressed brick company.

Flag Day at the Falls.

(Continued From First Page.)

falls, including a new road, on condition that the county give an equal sum for the work. This was done and much has been accomplished toward the bettering of the grounds and roads.

Some two years ago the management of the hotel at the falls passed into the hands of One B. Johnson. At that time the place presented a discouraging outlook. Only those who were here then can really appreciate what credit is due Mr. and Mrs. Johnson for the many improvements found there today. Two years ago there were no steps down to the water's edge. A big meeting of the Knights of Pythias was to be held at that time and in view of this fact Mr. Johnson and J. A. Waters, prominent members of the local council, set about to see what could be done to facilitate sight-seeing and entertainment at the falls. Through their efforts the steps now in use were put in by the members of the local lodges and other citizens.

Previous to that time people who wished to view the falls from the base of the cliffs could do so only by piling up and filling a few hundred feet down the dirt path.

A recent improvement that is highly appreciated by every visitor to the falls is the splendid new road. Work on this road was begun last fall under the supervision of A. L. Hoedter and was finished last recently by Mr. Johnson and under his personal supervision. This new road gives a magnificent view of the falls and the entire distance from the top of the canyon to the hotel and is also a most satisfactory piece of work. Where the road skirts the rim of the canyon it is made safe by a strong fence consisting of heavy posts set half their length in the ground, on which is stretched a 30 foot of heavy wire, making a very good protection against possible accidents. Work is also being done on the road across the river which will be in much better condition by June 17. This will be especially appreciated by the people in Latah county, who are planning to attend the flag day celebration at the falls.

The entire program for the event will be published as soon as it is ready and all arrangements are completed. The event gives promise of being most interesting and impressive, and it is expected that a large number of people will be in attendance on this occasion.

NEW MOVING PICTURE SHOW.

Large Crowd Attends the Opening of the Isis Theatre.

On Thursday night of last week, the Isis theatre, formerly the Grand, was formally opened by its new owners, the Alhambra Theatrical Co. Following an open air concert by the band the doors of the new show house were opened and the building was rapidly filled.

G. H. Wilson, the manager of the new theatre, had provided for the occasion by putting on two exceptionally laughable comedies, which drew considerable applause from the audience. The Isis has a two-piece orchestra and expects to add to this as the season advances. Mr. Wilson, who has been engaged as soloist.

MAY BUILD GAS PLANT.

Representative of Eastern Company Looking Over City.

Earl Miller, of Vinton, Iowa, is in the city this week looking over the ground with a view to establishing a gas plant here. He represents a company who operate a number of plants throughout the country. No definite plans have been made, but Mr. Miller expresses himself as very favorably impressed with Twin Falls and conditions here.

BUSINESS CHANGE.

Smith & Smith Sell Retail Business to H. C. Hancock of This City.

Smith & Smith have sold their retail bakery and confectionary business to H. C. Hancock of this city, who will be located in the store room next door to Smith & Smith's old stand.

Mr. Hancock will handle Smith & Smith's bakery products and will put on a delivery wagon within the next two weeks.

Smith & Smith will continue in the bakery and confectionary business, but will confine their efforts to the wholesale trade only.
