BIG DAY PLANNED JULY 4

COMMERCIAL CLUB AND M. A. M. ASSOCIATION TO CO-OPERATE IN PROGRAM WHICH PROMISES TO ECLIPSE ALL PREVIOUS EFFORTS ON THE TRACT.

SPORTS AND AMUSEMENTS OF ALL KINDS PROVIDED FOR HORSE RACES, PARADES, BARBECUES AND FIREWORKS AMONG ATTRACTIONS, AND EVERY EFFORT TO BE MADE TO MAKE DAY ONE LONG TO BE REMEMBERED.

THE COMMITTEE

Commercial Club—John McCaulley, Mark H. Murlough, G. H. Barton, M. A. M. Association—G. B. Booth, A. O. Fisher, L. A. Blodgett

An old-time Fourth of July celebration with all the vim and energy of which the people of the Twin Falls tract are capable has been decided upon for Twin Falls this year.

Fireworks horse races, a barbecue, parade and games of all kinds are among the attractions planned, and arrangements are now being made with the Short Line for a general reduction of rates from all the towns of the branch so that every opportunity may be given to all to participate in what promises to be the biggest celebration of the kind ever held on the tract.

A strong general committee has been organized by the Commercial club and the Merchants and Manufacturers' association and the work of carrying out the details of the big day is already under way.

Both associations will make this the star effort of their respective careers and the instructions to the general committee are to leave no stone unturned to provide one of the biggest holidays ever held in southern Idaho.

What the plans provide.

Willie Hance, president of the Commercial club, said yesterday that he believed our people are ripe for a big time, and as far as the Commercial club is concerned was going to try to believe in a better Fourth of July celebration of the Fourth of July from a patriotic standpoint and our general committee is composed of men of the highest character.

William H. Hedges, president of the Merchants and Manufacturers' association, said that he believed the Fourth of July celebration of two years ago.

One of the new schemes for the entertainment of the crowds will consist of a parade of the bands of the general committee.

It is expected that some 10,000 people will be present at the celebration.

The general committee will be in charge of the celebration.

IS HOST TO PROMOTERS

CHICAGO PARTY VISITS TRACT IN INTEREST OF ELECTRIC LINE.

Visitors Speak at Special Gathering at Commercial Club—Views Are Shown Giving Plans for City Beautification—Large Number Present.

Mr. Hughes spoke on the subject of 'Agriculture and Immigration' from his long experience in the development of new sections of the country.

Mr. Hughes is thoroughly versed in the importance of his subject and presented his views in a clear and forcible manner.

He believes southern Idaho is destined for a great growth in the near future, having all the requirements for a great agricultural country.

An interesting feature of his address was a review of history of the promoters who opened the trail into the various western sections of the country and of the developments that have since taken place.

City Beautiful View. By means of lantern slides, Mr. Hughes gave an illustrated talk on the 'City Beautiful' movement.

FRISH LAWN WEDDING. Fred W. Frish and Miss Grace Frish were married at the Presbyterian church last Sunday morning at 10 o'clock by Rev. J. H. Hedges.

WILL OVERHAUL MILL

Plant Ordered Closed and Repaired—To Start Off in First-Class Condition.

Kimberly, June 4.—The board of directors of the Southern Idaho Alfalfa Milling company met in regular session Monday evening. The mill is to be shut down and thoroughly overhauled at once. New fixtures and repairs are to be made so as to start off in first-class condition. The officers were instructed to offer \$1 per ton for first cutting alfalfa delivered at the mill. A letter has been received from Superintendent of the alfalfa mill that the truck to the mill had been ordered in at once.

The J. O. F. Lodge will observe memorial day next Sunday afternoon at the M. E. church. Sec. J. E. Leitch will preach the sermon at 3:30 p. m.

STORE CHANGES OWNERS

California Man Assumes Business in Hanson—New Sunday School Organized at Executive.

Hansen, June 5.—Mr. Johnson of San Diego, California, has purchased the store and building belonging to Mr. Broese. Mr. Broese having moved to a four-story carriage house, became frightened and ran down the sidewalk in the dark, knocking down two small children and running over them. The horse belonged to J. J. Tibbel. The boy was the son of J. J. Tibbel, and although at first it was thought he was quite seriously injured, it proved only a severe shaming up with a good many minor bruises. The horse broke loose from the buggy in front of the Broese harness shop, but none of the four ladies in the buggy were hurt.

HORSE RUNS OVER CHILDREN

Clifford Hanna and wife arrived in this city a few days ago. Mr. Hanna has taken a position with the Elson Drug Co.

The baseball game Sunday between the Twin Falls professionals and the Elson team was a very interesting one for the former. G. W. McCreeker, the new pitcher for the Bull team, was in splendid shape and did some excellent pitching. He pitched a perfect eighth inning the game belonged to Twin Falls without a doubt, but the Grays got up a little ginger and ran for four runs.

WILD WEST SHOW BILLED.

Kit Carson's Buffalo Ranch Troup to Visit Twin Falls.

Something absolutely new, something never before carried with a wild west show, is but one of the many features of the most noted of all American amusement enterprises, Kit Carson's Buffalo Ranch Wild West. We refer to the excellent and most complete menagerie of trained wild animals in existence today. Carried singly or in added features, the Wild West show and no extra charge for viewing same. During the course of the performance animal acts of all descriptions are presented for your enjoyment. This with the fancy riding, roping and other traits of expert horseback displayed by the cowboys, cowgirls, Casacaas and Mexican vaqueros constitutes but part of the two hours of solid amusement.

To Get Rid of Dandelions

A Sure Fire Method for Ridding Lawns of Weed Pests

Young dandelion plants are killed by spraying with a 20 per cent solution of sulphate of iron. Old plants are badly injured, the foliage being wholly destroyed, but the growing bud is not killed and in a month or two they will die. Apply dry sulphate of iron to the heart (growing bud) of the old plants. Repeated spraying of old and young plants results in their death.

To destroy young dandelion plants, by spraying, dissolve 20 pounds of sulphate of iron in a gallon of water, stirring with a stick to hasten solution, and apply with a hand sprayer. Use one gallon solution to one square rod of ground. If the first application is not completely successful, spray a second time. Repeated spraying will

be rewarded by the eradication of the plant. The grass and clover will be blackened and appear killed, but this need cause no alarm; they are not mortally injured and in a few days recover and are not killed and in a month or two they will die. Apply dry sulphate of iron to the heart (growing bud) of the old plants. Repeated spraying of old and young plants results in their death.

The sulphate can be made and sprayed over a square rod plot of grass in less than half an hour. Freshly cut lawn grass leaves are very susceptible to injury by spraying with sulphate of iron solutions, therefore do not spray a square rod to a lawn without preparing sulphate of iron well in advance. Sulphate of iron may be applied in large quantities as fifty pounds to a square rod to a lawn without permanent injury to the blue grass. Remember the sulphate of iron discolors cement walks and lines.

BRUNEAU AS COUNTY SEAT

Many Owyhee County Voters Want to Move Capital from Silver City— Warm Campaign Is On.

Owyhee county is in the midst of a bitter contest over the county seat and a strenuous attempt will be made by the residents of the eastern part of the county to wrest the seat of government from the old mining camp of Silver City and move it to Bruneau, a growing town in the center of the district, which is a better location for the county seat.

The residents of the Bruneau valley and the east part of Owyhee county feel confident that they will secure enough votes to elect Bruneau as the county seat.

The war horses of the old silver and gold camps are also up in arms. They have denounced their fighting clothes and propose to hold the county seat there. It is declared that Silver City proposes the greatest amount of wealth in the county, that its mines are active and that conditions are such that it would be detrimental to the entire county to change the county seat.

It is declared that all the residents of Silver City and vicinity will vote solid to hold the county seat at Silver. A hard campaign is being made by both contingents, and as Silver City is the second oldest camp in the state, the fight will be watched throughout Idaho with considerable interest.

PROGRESSIVE REPUBLICANISM.

It has come to be a recognized fact that the people of this country intend that national affairs shall hereafter be run for the welfare of the people rather than in the interests of certain strongly entrenched interests in the east.

There appears to be a general misunderstanding as to the jurisdiction of the Federal government in matters of this kind, and as to the power of the states themselves to legislate upon those subjects.

WELL-KNOWN TWIN FALLS MAN IS CANDIDATE.

Old Resident of Tract Shies Contest Into Ring on Republican Ticket, Making Second to Announce in the County.

Mark M. Murtagh of Twin Falls this week announced his candidacy for senator from this county before the committee on the Republican ticket.

He has a wide acquaintance over the tract and throughout southeastern Idaho.

Only one other man has ever run for senator on the Republican ticket.

JUDGE LINDBY VINDICATED.

For many years Judge Lindsey has been leading the fight in Denver, Colorado, for good government.

Writing about the victory in the New York Times Judge Lindsey says: "Our old man, 'Bath' House 'Tim' Hyder, supposed to be invincible, was defeated."

He knows. He knows. He knows. He knows. He knows.

Musical as a Municipal Asset.

The deep wave of enthusiasm for music is in the country; the crest of the wave is in the cities. Every metropolis we have more than one—

Staining Glass.

The art of colored glass has been lost and refound, guarded and stolen so many times during the history of civilization that it seems almost impossible to say anything new.

Good Thing to Remember

Fire dangers of worn do not equal the danger of bad...

SENATOR BORAH OF IDAHO.

The latest issue of the Saturday Evening Post contains a character sketch of Senator Borah. The people of Idaho have within the past year or two awakened to the fact that the east has been keeping its eye on Senator Borah.

The senate of the United States is composed of some of the greatest minds in the country, and it is a source of pride to the constituents of Senator Borah that he has been able to more than hold his own in that body.

Senator Borah probably understands the conditions of the west better than any one in the senate, and his working knowledge of eastern conditions has been demonstrated on a number of occasions.

Senator Borah has based his conduct in the senate upon the theory that he was elected to perform the best service of which he was capable and the people of Idaho as well as of the country generally are well satisfied with the results.

A TERRIBLE PROSPECT.

The strike of the waiters and cooks in New York threatens to tie up the restaurant and hotel business in the big metropolis.

The situation thus presented is indeed startling and is a matter of grave concern to all right thinking people. New York without its brilliantly lighted cafes would be a lonesome place.

HOSTILITIES ANTICIPATED?

It appears from the latest reports that ample provision will be made at the Chicago convention for those in need of medical and surgical attention.

A STUPENDOUS LOSS.

ALUMNI MEET FOR ANNUAL LOVE FEAST

GRADUATES ENJOY REUNION 'NEATH THE 'BLUE AND WHITE'

Class of '12 of Twin Falls High School Received into Association Membership—Appropriate Toasts and Program Given—Fine Decorations

At the initial event to the advance of the class of 1912 into that after high school life, they received their initiation into the Alumni association at the annual banquet of the club held last Friday evening.

Elaborate Decorations The Masonic hall where the reception was held was transformed into a boomer of blue and white. Never before in Twin Falls had such elaborate and artistic decorations been seen.

Over those of last year which won such favorable comment could not compare to this year's arrangement.

At the center of the room was a pool of water where a number of gossies were placed; from the center of the pool, which was surrounded by a profusion of lilies, arose an illuminated statue twined about with flowers. In two corners of the hall arose were two chandeliers, placed in delicate seats and palms, with, as a background, a white stone wall. At all angles of the hall lattice work of the blue and white paper was draped from the floor up to the ceiling, and herein lilies were twined.

At the front end of the room the word "Alumni" was written with blue electric light on a background of white. Statues were placed about, and in every nook wicker furniture was arranged. The whole appearance was that of an elaborate court.

During the reception part of the evening the M. E. orchestra donated its services, and also gave the opening number on a program, which was rendered previous to the banquet.

James Shields, the alumni president of the past year, welcomed the newcomers to the association, in one of his well-written speeches the like for which he was famed while a member of the local high school.

Mrs. Ethel Lilly, the president of the association, in one of her well-written speeches the like for which she was famed while a member of the local high school.

At the closing number was a selection by the boys' quartet, composed of Messrs. Charles Gilliland, Fred and Turner. They were enthusiastically encored and rendered a pleasing humorous selection.

The orchestra again played during the passing of the crowd into the banquet room, where a five-course dinner was served by the ladies of the Business Men's club.

Clear Soup Radishes Beet Salad Olives Radishes Giblet Sauce Mashed Potatoes Creamed Peas Domino Jelly and Fruit Ice Cream in Log Houses Coffee.

The Toasts The toast given during the banquet were most interesting and of a large amount of interest and of a large amount of display.

The toastmaster, James Shields, gave an appropriate introduction to each, and introduced first Harry Bates, who delivered the address to the seniors, which was written in amusing verso form.

The response, entitled "To Our President," was given by the president of the seniors—John Rollo Crater, was a worthy comment on the successful work of the alumni.

Immediately following the banquet the alumni proceeded to the hall, and leaving the seniors to be called in later, and then to receive their initiation. A number of original and amusing songs were performed by the class of 1912, thus closing the social part of the evening.

Officers and Committees. Officers for the coming year were elected before adjourning, being: Ward Johnson, president; Mrs. Ethel Lilly, vice president; Mrs. John Rollo Crater, secretary; Leo Stettler, treasurer.

The committees who helped to make the evening such a success were: Mrs. Ethel Lilly, chairman; Mrs. John Rollo Crater, secretary; Mrs. Harry Bates, treasurer; Mrs. Harry Bates, secretary; Mrs. Harry Bates, treasurer.

were very liberal in donating toward the banquet, and those whom the alumni association wish to thank are: Herbert & Rambo, W. R. Priebe, Lytle-Young Furniture company, Ostrander Furniture company, Idaho Department Store and the City Pharmacy.

Those who were present were: Mr. and Mrs. O. M. Elliott; Mr. and Mrs. H. W. Jones, Mrs. Gulbert, J. A. Walters; and Mr. Spooner. As special guests, the class of 1912—W. W. Anderson, Edith Broese, Rebecca Cron, May Hubert, Grace Barger, Hazel Lilly, Nelly Sichelwal, Daphna Nagel, Jessie Ryan, Scott Tallant, Ruth Walker, Margaret Wilson, Rollo Crater, Dave Gardner, Ray Hughes, Clyde Mueggrave, Claude Sichelwal, Thad Tallant, Clifford Perrelli, Roy Weaver; the alumni—Christina—Browne-Thompson; Martha Snyder, Grace Simons and Curtis Purser of '08; Bertha McDowell; Helen Ball, Ida Cryder, James Shields and Kenyon Green of '09; Alma—Furl, Bevelo Carlson, Ella Chandler, Lillian Mandy, Nello Rauch, Paul Oldham, Lem Chapin, Harry Eaton and Lylo Dorey of '10; Ethel Davies Booth, Boutah Henstock, Pauline Hiate, Edith Storer, Ruth Harvey, Mildred Ball, Halle McMasters, Edna Carlson, Monona Chandler, Ruth Stafford Gambit, Donald Adams, Leo Stettler, Jacob Simons, Ward Johnson, Ray MacGillivray and Revere Tabor, of '11; and the commercial course graduates, Elinor Taylor, Berlio Pink, Lena Eckert, May Maxson, Wilton Peck and Oliver Tabor.

PLANNED TO CONTINUE STANDARD TO RAILWAY STATION.

Placing of Cluster Lights Through Business District Meets With Favor of Council—Matter Will Be Presented to Property Owners.

As now contemplated the greater portion of the business section of the city will be included in the cluster light district, it is planned to extend the standards from Main street to the Short Line station, affording an excellent electric display upon entering the city.

At their regular meeting last Monday evening the matter of placing the cluster standards from the city park to Main street along the Short Line street, and from Second street west to Third street along Main street, was presented to the council.

At Monday evening's meeting bids were received for the putting in of sidewalks which are to be laid by the city. No contracts were awarded.
