

LAY TRACKS THROUGH CITY IN FEW DAYS

STEEL FOR INTERURBAN LINE ALREADY SHIPPED FROM SALT LAKE

Stakes Driven for Various City Connections and Grading Through Town to Start at Once, Says I. B. Perrine.

Eighty-pound steel for the laying of the interurban tracks through the city of Twin Falls was shipped from Salt Lake City some days ago, according to I. B. Perrine. The steel will arrive in a day or two and the work of laying the tracks through the city will begin at once. In the meantime surveys are being made to lay out the various connections and crossings and there will be no delay of any kind.

The franchise calls for the laying of 4000 feet through the paved portions of the city and 6000 feet over the balance of the route. Right there is the expense of laying up the streets to lay new steel when paving shall be extended. Mr. Perrine prefers to lay heavy tracks close to the city limits at this time.

Rails Expected Daily. Surveyors have been busy for a week past laying out the connections in the city and the stakes are now in position ready to be done with the grading and laying of the rails. The steel was shipped over a week ago and is expected to reach Twin Falls any day now. The work of laying the track will be rushed as expeditiously as possible and once begun will be pushed through as rapidly as work can be done. A large amount of work has already been done at the falls end of the line and heavy cars are now being getting the ground ready for the final stretch of track.

Cars Are Ordered. The cars for the line were ordered some time ago and these will be ready for shipment in another day or two. The cars will be ready to go as soon as the line is built. Upon the arrival of the steel there will be no further delay of any kind and it is confidently expected that the cars will be running over the whole stretch not later than December first.

KIMBERLY BOOSTERS' FAIR

Saturday, September 14, Will Be Big Day in Neighboring Town—Excellent Exhibits Expected.

Kimberly, Aug. 23—Kimberly is going to give a Boosters' Fair on Saturday, September 14th. A strong trade, fruit and grain exhibits, spots and meat and barbecue will be features of the day. Small prizes will be given for the best exhibits. The fair will be free, being paid for by merchants and business houses. Kimberly and some of the best farmers near town. The fair will be held on the products on the tract. It is expected to show appreciation to the citizens here. The opening will be Tuesday evening at which time details will be completed and extended program will be given. In connection with the 14th.

GOVERNOR GOODING SAYS RELIEF CAN COME ONLY FROM THE WESTERN PACIFIC

One of the largest and most enthusiastic meetings held in Idaho this week was that at the Commercial club last Thursday evening. Governor Gooding was the speaker. Governor Gooding's splendid tribute to the work of the Western Pacific in the proposed branch of Twin Falls, Nevada, he declared his question as to whether or not such a line both in California and Idaho is necessary for the people necessary to subscribe to the bonds necessary to finance the undertaking.

EXPECTS QUICK ACTION.

Washington, Aug. 23.—I have today received assurance from the chief commissioner of the general land office acting secretary of the interior that there will be no unnecessary delay in completing the application of the state of Idaho for patent to Carey act segregation act No. 9 for lands in the vicinity of Twin Falls.

ADDISON T. SMITH, Secretary.

The above view of Mr. Smith may be taken to indicate that the matter referred to is not being either overlooked or sidestepped. The advantage to the owners of the land lands in question can hardly be over-estimated.

SPLENDID REPORTS ON NEW RAILROAD

CALIFORNIA MEN ENDORSE PROPOSED WESTERN PACIFIC LINE

Officials of San Francisco and Oakland Commercial Bodies Set Seal of Approval on New Connecting Line. That the business men of California are just as much interested in the building of the proposed branch of the Western Pacific into Twin Falls as are the people of this section, is seen to advantage in the reports on the project submitted by T. C. Friedman, controller of the San Francisco Chamber of Commerce, and H. Bradley, special commissioner appointed to report on the route by the Oakland Chamber of Commerce. Both men came here with Messrs. Atkes and McCollum and made the closest kind of an examination of the entire surrounding country. Both reports are in the greatest detail and occupy between 15 and 25 typewritten pages. Each is couched in the most favorable terms and each is heartily endorsed by the commercial body to which each was made.

Ally to Possibilities.

The history of the Twin Falls tract is set forth and the progress made in the last seven years is well described. The feasibility of the ground, abundance of water supply and beautiful harvests are all duly set forth and in such documents as fact that the project is really only commenced to get started.

Hanging in Balance.

The concluding paragraph of the report of Mr. Bradley is as follows: "The conclusions favorably upon the investigators' mind that if Oakland is to take a full measure of the benefits her position affords, she should take the initiative in inaugurating a definite policy of going forward with the project that is in waiting."

That comes straight in to and to the benefit of that great interest in the mountains. The building of such a branch will build one of the greatest lines in the West. (Continued on Page 4.)

LOCAL PROGRESSIVES EXPRESS VIEWS AS TO COUNTY TICKET

With a view to feeling out public sentiment on the subject of a third party ticket in Twin Falls county, The News has made a brief canvass among the better-known local progressives. Out of six men interviewed it is interesting to note the various replies received.

GEORGE P. HERBERT: I do not believe in the advisability of placing a third party ticket in the field this year. I do not consider that it would be fair to the Republican nominees and I am against any such move on the part of the progressives of the county.

L. J. BRECKENRIDGE: I can not agree to any move which might have the effect of interfering with the return to the senate of Senator Borah. I am therefore opposed to placing a third ticket in the local field. Our legislative candidates on the Republican ticket will go to Boise pledged to support Borah for re-election, and I do not think that we ought to take any chances on their defeat and the consequent loss of support to the senator. I am against the third party proposition.

A. L. SWIN: I am opposed to the placing of a third party ticket in the field in this county, but should a majority of the progressive Republicans desire it I will not stand in the way.

KEITH MOORE: I am emphatically against any such move at this time. Our Republican ticket nominated in this county is good enough for me.

C. W. WELTON: I am against such a move, first, last and all the time. I am a progressive in every sense of the word, but I have no quarrel with the county Republican ticket already nominated.

JOHN W. HARBIN: I am not in favor of the entry of a third party ticket into the political affairs of Twin Falls county.

THREAT OF CONTEST NO LONGER HEARD PROSPECTS GOOD IN REPUBLICAN RANKS

REPUBLICAN CHIEFS BREATHE EASIER THAN FORMERLY.

Democratic Forces Rattled by Internal Strife and G. O. P. Prepares to Profit by the Situation.

Boise, Aug. 27.—Republican prospects are looking up in Idaho. Paul Clagstone has decided not to make a contest for the primary nomination, and has also decided not to run an independent candidate on the Roosevelt ticket.

This threat of a contest hung over the Republicans here in the capital like a dark cloud for weeks. The chief worry was that such a contest would keep everything in abeyance for a time. Right after the state board of canvassers announced that John A. Holmes had the nomination by a plurality of 15 votes the talk of contest started. It was asserted that many second-choice votes cast for Clagstone would be thrown to the Democrats.

Woud Help Holmes Also. Holmes had the announcement that Mr. Holmes had been doing well in his own book, and had discovered errors in the report of the district board. (Continued on Page 4.)

COMMITTEEN MEET AND EFFECT ORGANIZATION.

W. H. Eldridge, Chairman, C. M. Booth Secretary, J. H. Was for State Committeemen—Headquarters to Be Established Here.

The Republican central committee at its first meeting, held at the K. of P. hall at 12 o'clock Saturday, in accordance with the provisions of the primary law, effected an organization and elected W. H. Eldridge county chairman, C. M. Booth secretary, treasurer, and J. H. Was state committeemen.

Every precinct in the county was represented either in person by the committeemen or by proxies sent by those who could not attend. Headquarters will be established in the near future, and arrangements definitely made for the carrying on of the campaign. Everybody Satisfied.

The meeting Saturday was characterized by entire harmony and the proceedings lacked any suggestion of serious disagreement on any question that came up for consideration. The committee decided in favor of an executive committee, consisting of the chairman and secretary, and seven precincts by call. The chairman appointed as members of the committee L. V. Lutzok of Hansen, W. F. Brecken of Kimberly, John Graham of Twin Falls, M. H. Bonin of Hildreth, F. C. Graves of Hiler, Chas. McQueen of Bull and Fred Spencer of Twin Falls.

The meeting of the state central committee will be held at Boise on September 1st.

FRUIT AND POTATO FAIR

Matter of Holding Exhibit, This Fall Has Been Placed in the Hands of a Committee.

The advisability of holding a fruit and potato fair in this city during the fall was discussed by a number of citizens and business men in the city here on Tuesday evening. The matter will be taken up by a committee which will soon be appointed by George Smith, who proposes to include in the fair the original plan in holding the fair proposed to the sending of an exhibit to the New York land and product show in November. Opinions were expressed by a number at the meeting that the fair should be held in the fall, showing of the fruits and grasses. As the first and second crops of alfalfa and wheat have already been cut it was the opinion of the meeting that the season is too far advanced to include all such exhibits. This matter, however, was left to the committee to decide upon the extent of the fair, as conditions seemed to best warrant.

Mr. Smith announced that a sufficient amount of money remains on deposit from the fair of two years ago to provide for a fair of sufficient increments for the farmers and orchardists to place on display their best products.

CONGRESS ADJOURNS.

Washington, Aug. 23.—Adjourned by the embarrassment of Senators of this session of Congress and disbursements, congress adjourned its differences today. Invited President Taft to the second session of the sixty-second congress here.

MEMORIAL GIFT TO LIBRARY IS RECEIVED

Valuable Collection from the Library of the Late Delwyn Walter Peiser of New York Now Part of the City Library.

As a public recognition of the receipt of a valuable addition to the Twin Falls public library, given by the late Delwyn Walter Peiser of New York City, an informal reception was held in the library rooms and the late Delwyn Walter Peiser last evening. A most excellently rendered musical program, short addresses by Professor O. M. Peiser, and a social hour provided the entertainment of the evening.

The recent gift to the library was made by Dr. and Mrs. Louis Peiser of New York City. The late Delwyn Walter Peiser, who met with an accidental death at his home last winter, about a year ago, the late Mr. Peiser was guest of Mr. and Mrs. Joseph L. Daube and family of this city, of whom he was a distant relative. The visitor, Mrs. Peiser, was deeply impressed with the city and its advantages as a growing, representative western city, and she had been studying the city's facilities. He spent much time in reviewing the library, being a student of literature and art. Following the Peiser's death, his wife received a letter from Dr. Peiser stating that it was the wish of his mother and Mrs. Peiser to have the collection of books in his library as a memorial, saying that their son had become greatly attached to the library and had been studying of its possibilities after his return home from his western visit.

The gift was gratefully accepted by the board and forms a valuable addition to the city library. It consists of about seven hundred volumes, comprising the best works and classics of the Greek and Roman languages, the works of high class and will be appreciated by book lovers of all ages. Miss Dixon, the library's librarian, said that she is hopeful a number will be taken of the new collection.

TRIBUTE PAID.

In his address as president and on behalf of the library board, President Elliott paid tribute to the character of Mr. Peiser as evidenced by the character of the gift. He said that the gift was a tribute to the character of the man who had given it. He said that the gift was a tribute to the character of the man who had given it. He said that the gift was a tribute to the character of the man who had given it.

City Attorney Williams, on behalf of the city, expressed the appreciation of the city of the receipt of the library gift, and to the members of the board in connection with the library maintenance. He gave a list of the names of the donors. (Continued on Page 5.)

METHODIST CONFERENCE IN SESSION

IDAHO AND OREGON DELEGATES ARE HOLDING SIX-DAY MEETING.

Question of Selecting College Site Most Important Before Conference—Ex-Gov. Gooding Prominent in Effort to Locate School at Gooding.

The third day of the Southern Idaho and Eastern Oregon Methodist conference opened in the Methodist church this morning with the most important matter before the conference, that of the location of the Methodist college. The question was argued at 10 o'clock, after which the subject will receive the attention of the delegates.

More than one hundred ministers and wives from Idaho and Oregon, and visiting laymen are in attendance at the conference. Matters of importance are being discussed. The sessions which opened Tuesday morning and will close Saturday, it is likely that resolutions will be adopted relating to the state of affairs existing at the state reform school at St. Anns, which was brought out by the recent investigation of the school.

A strong address on the subject of home missions was delivered last evening by Bishop Lutzok of Helena, Montana. Bishop Lutzok is one of the strongest speakers in the Methodist church in the country. He is conducting the "Three Cities" mission hour services each morning at 8 o'clock.

Visit Canyon Today. The conference delegates and visitors will be the guests of the Commercial club today on a tour to the Snake river canyon. The party will leave the church at 10 o'clock and spend the afternoon along the Snake river canyon. The sessions of last Tuesday were of business order, the hearing of preliminary reports and the examination of the reports of the college location. The visitors were held Tuesday evening, the Rev. W. B. Woodhall presiding. Addresses of welcome were given by the members of the Commercial club and the Rev. J. M. Anderson, D. D., on behalf of the ministers. Former board members, including the college location, and are here to urge the commission to do decide in the location of the college. It is possible that the location of the college will be decided by this conference.

Offers for College. Gooding, Payette and Boise are the leading bidders for the college. Gooding has offered the best location, having made a bond this week of a quarter million dollars, while Boise is offering a larger amount, which has not been located. The educational commission, consisting of the members of the Commercial club, are here to visit a number of places in the state, but it is predicted by a number of those familiar with the situation, that Gooding will be selected. It was stated that the location of the college will be decided by this conference for the reason that the educational committee has not as yet visited all the cities that have made offers for the college. It is understood that an effort is being made to have the matter postponed until the committee has visited all places bidding for the college, such an official visit possibly being made in October.

With the session of the conference regularly will close on Saturday. (Continued on Page 4.)

BRAVES OF BOTH FACTIONS DON THEIR WARPAINT AND PREPARE TO DO BATTLE

BRAVES OF BOTH FACTIONS DON THEIR WARPAINT AND PREPARE TO DO BATTLE. Twin Falls became a political hotbed Saturday, when the Republican and Democratic product committees were organized and elected officers. From 20 to 40 warriors were in attendance at each of the parades in the opposing political camps and there was great business on hand for the medicine men and the mixers of the war paint.

spells, and all was gotten in readiness for the supreme test of strength, of process, and of will. It was feared that trouble might be experienced from the intrusion into the war council of foul spies, but this was averted by the placing of a watch guard at the outer gates of the camp. Both sides claim their ability to capture the county—and it is quite likely that they will. The war paint was made for the 5th of November. Mr. and Mrs. H. F. Allen, Mr. and Mrs. T. Woods and Messrs. Fred Votie and H. McCormick made a trip by auto to Hilder, Hilder and Hilder, and returned to Twin Falls Sunday.

KIMBERLY NOTES

Kimberly, Aug. 27.—The young people were entertained at the home of Mrs. John W. Hardin last Wednesday evening. Quite a number were present until a late hour, when refreshments were served. Games were much enjoyed and all present report a delightful evening. Mr. B. Sherman has threshed his raspberry crop and the yield was over six tons of dried berries being about twice the amount that is expected, and will more than pay expenses this year. The plants are in fine shape for a fourth year. Mrs. W. A. L. Stove and son, Mrs. J. W. Harbin and son and Mrs. J. S. Harbin are expected to return about the 4th for a few months' visit at old homes in Wisconsin, Illinois and Missouri. W. P. Masie expects to leave for Iowa Wednesday, where he hopes to have the lower altitude will be reported to his heart. Several of our boys have been benefited for letting water get into the road and had to pay a fine of \$25 and the water is hard to get in some cases where they are accidentally broken and floods the highway. It is reported that Mr. Gilson had a car that struck a bushel of corn on its rear wheel and is supposed to be right. The grain was on alfalfa and was of excellent quality. Mrs. J. E. Tolly threshed about ten acres for H. E. Butler, that made 100 bushels per acre, according to the preliminary measure. A new official committee should be appointed by the commissioners, or a body that could put upon all voters of crops where the owner thinks it will have an exceptional yield, and the official measure through the papers and other sources would be more correct than the statements that are

CROPS LOOKING FINE

A. L. Southworth of Castleford talks of a political situation in the West. End of County. A. L. Southworth, one of the prominent stockmen of the county, was in the city Tuesday when he was at Castleford. He stated that the crops in the west end of the county were as good as he had ever seen, and that the wheat yields will be extremely large. In his opinion, the political situation in his neighborhood. Mr. Southworth stated that practically without exception the supporters of the Roosevelt nation ticket would vote according to former commitments if no county officers were concerned, and that they were strongly opposed to a third party candidate, believing that no real political reaction existed for the placing of such a ticket in the field. Mr. Southworth believes that these are his neighbors who will vote for Roosevelt, feeling that the same line should be followed in the power to prevent the placing of a third party ticket in the county.

FINE SUGAR BEETS

Splendid Sample-Grown Near Hanken Brought to City by J. D. Zollinger. Two splendid samples of Idaho grown sugar beets were brought to the news office on Saturday by J. D. Zollinger of Hanken. Mr. Zollinger stated that out of the 500 acres planted the crop of 200 acres would be fully equal to the sample. He says that the growers will get 30 tons to the acre for the most part at Hansen which is a splendid crop for the first year. The samples are large and firm and are the best looking sugar beets so far seen in the city. Mortgages bought and sold—Swim & Aldrich.

MEMORIAL GIFT TO LIBRARY. (Continued from Page 1.) OPEN NEW HOTEL. Assurance of support of the city toward the increasing of the library facilities as far as possible. Musical Program. The musical program, consisting of vocal and instrumental numbers, was under the direction of Mrs. A. Gilbert. The program was as follows: Ladies' orchestra, Mrs. A. M. Sprague, Mrs. Harry Smock, Mrs. E. V. Berg and Mrs. Gilbert; vocal solo, Miss Combs; piano, duet, the Misses McQueen and Thomas; vocal solo, "Who the Ladies Bloom," Mr. Whitton-Peck; violin solo, Professor E. G. Beck; Miss Mary Douglas accompanying on vocal solo, "Marchioness, Your Gaudiness," Mrs. Joseph L. Daube, ladies' orchestra. The library rooms and corridors were tastefully decorated in American flags and colors and flowers for the evening. The program and reception was well attended, and many expressions of appreciation of the memorial gift and the library were voiced. SUNDAY SCHOOL PICNIC. About 200 members of the Sunday school classes of the Methodist church attended a picnic given in their honor at Waters Grove Monday afternoon. A basket lunch was served at one of the picnic tables immediately upon the arrival of the children on the grounds. A general good picnic time was enjoyed. The afternoon was under the direction of E. L. Ashton, who is superintendent of the Sunday school. PAYS THE PENALTY. "Slim" Arnold of Hanson pleaded guilty in Judge—Seld's court, on Thursday to a charge of gambling. Week in Society

The number of pretty affairs scheduled for the coming days is a good indication of the beginning of the fall social season. Out-of-town guests returning from a number of local affairs will be the cause of entertainments planned for a prominent young member of society, who will be a fall bride.

Delightful Breakfast.
Mrs. W. H. Craven entertained at breakfast Friday morning of last week in honor of Mrs. W. T. Martin and Miss Alken of Evansville, Indiana. An arrangement of white sweet peas in low glass bowls formed an effective centerpiece for the table. The place cards were delicate Japanese accents.

In the game of bridge, which followed the breakfast, Mrs. Robbins won the prize for high score, and Miss Alken and Mrs. W. T. Martin received beautiful guest prizes. Present were Mesdames Alken, Sweeney, Welton, Margaret Felling, Robbins, Booth, Hill, Hill, McCollum and Miss Alken.

Out-of-Town Guests Honored.
Mrs. W. T. Martin and Miss Alken were the honored guests at an afternoon of bridge Thursday given by Mrs. M. J. McCollum, when the McCollum residence on Seventh avenue was attractively decorated in summer flowers and foliage. The prize for high score was presented to Mrs. H. H. Robbins, and Mrs. W. T. Martin and Miss Alken received very pretty guest prizes. The hostess was assisted in serving the delicious refreshments by Mesdames Alken, Sweeney, Maximo Hillings, O'Brien, present were Mesdames G. D. Alken, Booth, Boyd, F. C. Connelley, J. W. Craven, Hill, L. F. Morse, J. B. Perrine, E. J. Woodard, M. J. Sweeney, W. T. Wood, L. T. Wright, P. F. Morse and Miss Alken and Mrs. Alken.

Delightful Dinner Party.
Honoring Mrs. W. T. Martin and Miss Alken of Evansville, Indiana, was the charmingly appointed dinner given by Mr. and Mrs. A. J. Sweeney on Monday evening. The table had an attractive centerpiece of nasturtiums in the shades of yellow. Besides the honored guests, the following were present: Mrs. W. T. Martin, Miss Alken, Dr. and Mrs. Boyd, Mr. and Mrs. McCollum, Mr. and Mrs. Craven and Miss Boyd.

Announces Engagement.
Mr. and Mrs. W. H. Greenhow announce the engagement of their daughter, Miss W. H. Greenhow, to Mr. Earl J. Gray of Oakland, California, the wedding to occur the latter part of October.

Plenty at Fall.
A jolly picnic was given Sunday at Shoshone falls in honor of Miss Atkinson of Boise, who is the guest of Miss N. C. Connelley. A picnic lunch was served at the falls. At the table at noon and an elaborate dinner was prepared for the crowd at 6 o'clock at the home of Mrs. W. T. Martin. The evening was a marvellous roast at the top of the grade. Those present were: Mesdames Atkinson, Bertie Alken, Mrs. W. T. Martin, Mrs. W. H. Greenhow, Mrs. Dehn, Redding, Norah Gishner and Pearl-Beatrice, Mesdames Hicks, Walker, Dave Gilmore and Miss Miller.

Blumber Party.
On last Friday the Mesdames Ezra and Florence Alken entertained at a blumber party, the most enjoyable functions given by the younger set this season. The guests who were invited to the blumber party, arrived at the home early in the afternoon and enjoyed a spirited game of five hundred.

FASHIONS IN WOMEN'S CLOTHES ARE DISTINCTLY DIFFERENT THIS YEAR

The faint touch of the cooling hand of autumn is being felt here, and week brought to display in the local clothing merchants' windows suggestions of the prevailing styles in women's suits and coats for the fall and winter. A vast assortment of colors has been chosen by the stylists and the majority of the suits and coats will be made in blues, browns, tans or grays, with the trimmings in an array of colors, for the most part, although nothing is in demand. Little and fastidious buttons of materials are now and effective. Little contrast is shown in the trimmings, although a combination of blue serge and its green ball buttons was very effective in a suit made in a sort of military fashion, which is being shown at one of the stores. The materials mostly used are heavy serge, in both the finished and unfinished, diagonal wales, whipcords and mannish mixtures.

Tailored Suits Fashionable.
Strictly tailored models are to be worn extensively, while knicker and outwearing are very prominent. Details reaching across the back are being worn, and the cost is and is very becoming to most figures. There is a

ANNUAL FLOWER SHOW

Third of Series to be Given in the Presbyterian Church Thursday, September 5.

One of the most interesting events of the year will be the flower show held in the Presbyterian church on Thursday afternoon and evening, September 5.

In making the flower show an annual event it is hoped that of flowers will be promoted and a large interest manifested in the display of flowers. Furthermore, an excellent opportunity is afforded to get together and get acquainted during the afternoon and evening, making this affair a pleasant social gathering of the season.

Decorations cordially invited to contribute to the success of the flower show, by sending flowers for exhibit and for decoration. Vases and flowers of all varieties are solicited for decorative purposes. Prizes are also solicited.

Ribbons will be awarded for the best exhibits of cut flowers arranged in vases.

Classification.
Cut Flowers in Vases.
Asters—10 blooms white in one glass.
Asters—10 blooms pink in one glass.
Asters—10 blooms lavender in one glass.
Asters—10 blooms mixed, not more than three colors.
Carnations—20 blooms in one glass.
Cosmos—25 blooms in one glass.
Dolans—6 blooms in one glass.
Gladioli—6 spikes in one glass.
Nasturtiums—25 blooms in one glass.
Pansies—60 blooms in flat dish.
Roses—6 blooms, white, in one glass.
Roses—6 blooms, pink, in one glass.
Roses—6 blooms, red, in one glass.
Sweet peas—40 blooms, any two colors, in one glass.
Sweet peas—40 blooms, any three colors, in one glass.
Collections not fewer than three varieties in one glass.

Rules.
1. All cut flowers entered for ribbons must be in by 12 o'clock Thursday, September 5.
2. All persons entering for ribbons must arrange flowers in their own vases.
3. The right is reserved to withhold any flowers from competition when the above rules are not complied with.
In awarding premiums, long stems will be taken into consideration, but the artistic arrangement of the flowers in the vase.
The committee will provide receptacles for flowers not on exhibit.

Coronation.
A special feature of the afternoon to take place at 6 o'clock will be the spectacular coronation of the Queen of Flowerland. About 20 children under the direction of Miss Alken (one of their number queen) and the little ones will be appropriately attired in beautiful flower costumes. This coronation will be repeated at 8 o'clock in the evening.

Ice cream and cake will be served in the garden room. Other features of interest will be the Japanese leaf and bonnet parade, baskets of fruit and flowers, and apples on sale at their respective booths.

The orchestra will be in attendance during the afternoon. The following professor Heck, a popular Twin Falls violinist, has consented to render a solo at 6 o'clock. Special numbers are also planned for the evening.

Dinner will be served in the basement of the church at 6 o'clock. Following is the menu:

Chilled: Cantaloupe, Jelly, Beet Pickles, Roast Beef, Brown Gravy, Mash'd Potatoes, Fried Potatoes, Hot Rolls, Peach Salad, Water, Plo Cheese Coffee

Weddings

W. S. Mortenson and Miss Nellie both of Cassia county, were united in Salt Lake City on Tuesday, August 28. Mr. Mortenson is the son of Mr. and Mrs. John Mortenson of Sublet. The young man has made an enviable record and has great promise for the future. He is presently a distinguished champion of Idaho. Miss (by) is the daughter of Mr. and Mrs. Joe Lutz of Idaho. She has made her home in Harley for the past few years. It is not known what Mr. and Mrs. Mortenson plans for the future.—Harley Bulletin.

McGrew-Kelly.
W. H. McGrew of Grand Forks, South Dakota, and Miss Alice Kelly of Butte were united in marriage at the St. Edwards Catholic church on Tuesday morning. Following the ceremony a wedding breakfast was served at the Parson's hotel. A large number of immediate friends were present. Mr. McGrew is a South Dakota capitalist, and Miss Kelly was formerly a teacher. Mr. and Mrs. McGrew will make their home in the middle west.

BACK IN TOWN.
"Was your boy affair committal?"
"Oh, very! I met Roginald at the seashore. We both pretended to be very rich."
"Yes, yes."
"And now it turns out that he collects the payments on our piano!"
—McCall's Magazine.

ROUGH-ON-THE-BOYS.
Professor: The average American girl is poorly educated.
Professor: You think so?
Professor: Yes, but there is one consolation—the average American boy will never find it out.—Satire.

The average salary of the 100,000 clerks of the United States is but \$665 a year—a little more than that of an office boy.

Deaths

Beth Willis.
Little Beth Willis, two-year-old son of Mr. and Mrs. Earnest Willis, died Saturday afternoon at 1:30 o'clock from cholera infantum. The funeral was held Sunday afternoon at 3 o'clock from the Latter Day Saints church, and interment was made in the Twin Falls cemetery.

ELECTRICAL ADVANCEMENT

Why is more electrical current used for heating and cooking in Southern Idaho than elsewhere? It is not due entirely to the high cost of fuel. It is because our naturally progressive class of citizens have been quick to realize the liberal policy of the Great Shoshone and Twin Falls Water Power Company in its attitude toward the public. They have been able to outdo their less fortunate friends elsewhere on account of the low rates charged for cooking, heating and other purposes. The electric kitchen has proved to be way in advance of all others from the standpoint of economy, convenience, cleanliness and reliability. The Company has employed experts to assist in selecting and making use of all kinds of modern electrical conveniences. Its engineers and commercial department have been at your service with an abundance of interesting electrical information. They have been and are still paid for helping you.

Flowers to see at the Flower Show! Look for the best on exhibit and sale. One is more to buy, you know. We will remind you without fail. Eat ice cream in the garden retreat! Really, the cake cannot be beat. Surely you wish for a cup of tea? Home made quarts are here you know. One wants an apron too, you see. Which you can find at the Flower Show.

TO DISTRIBUTE FREE WHEAT

Varities of Winter Grain Will Be Sent Out from Gooding Experiment Station.

The Gooding experiment station, which is carried on cooperatively by the Agricultural Experiment Station of the United States agricultural department of the state of Idaho, has been carrying on some very valuable experiments in wheat production.

Nearly 120 varieties of spring and winter grains have been planted at this station continuously for the past three years, and the results of the experiments are being distributed to the growers.

Some of these grains have done remarkably well, and yields as high as 100 bushels per acre have been obtained. These grains have not been uncommon.

The experiments at the station are being carried on in a most successful manner, and the results are being distributed to the growers.

COUNTY SEAT FIGHT IS ON

Petition Filed to Move Offices from Albion to Burley—Will Go to Legislature.

The fight between Albion and Burley for the removal of the county seat from the former town to the latter is now on earnest, as the petition was recently filed by S. T. Lowe and A. M. Weger, who have the fight in charge.

Several years ago Cassia county was struck with the talk of moving the county seat, but nothing of consequence resulted.

The fight that followed made both towns and vicinities are preparing for a long and hard fight.

So Much for So Little

At slight extra cost the New York Life makes the payment of premiums if the insured becomes wholly and permanently unable to earn money through bodily injury or disease. In most of these cases it actually exceeds the insurance.

Young man, 27, bookkeeper at Waterville, Maine, took a 20-Year Endowment Policy in August, 1910. In favor of his mother. He was later reported insane, and after careful investigation the Company waived the premium. The extra premium was only 22 cents a year.

Student of electrical engineering, aged 25, at Purdue University, Lafayette, Indiana, insured under a 15-Year Endowment in April, 1911. Five months later he was attacked by infantile paralysis affecting both arms. After careful investigation the Company waived the premium due April 13, 1912. The extra premium was only 20 cents a year.

A stenographer, 28 years old, Meridian, Mississippi, was insured in March, 1911, under 20-Payment Life Policy. On March 4, 1912, report arrived that he was confined to his bed with tuberculosis. After due investigation the Company approved the waiver of premium due March 6, 1912. The extra premium was only 20 cents a year.

A New Orleans salesman, 45 years old, insured for \$1,000 in favor of his wife in October, 1910. Through injury in a railroad accident he became insane. After careful investigation the Company waived the semi-annual premium—\$37.50—which was due April 20, 1912. The extra semi-annual premium paid was 62 cents.

A tailor, 30 years old, insured in New York City in August, 1910, under 20-Year Endowment Policy while in apparent good health. Within five months tuberculosis developed. After careful investigation the Company approved the waiver of the quarterly premium due in February, 1912, and again in May, 1912. This was a most pathetic case. The beneficiary was reduced to the direst straits through the breadwinner's long illness. He died May 31, 1912, and the Company paid the widow the face of the policy, \$1,000, fully needed for the care of the three little ones. The extra premium paid was only 28 cents a year.

A bank bookkeeper, Cincinnati, Ohio, 35 years old, insured in favor of his mother for \$1,000 under an Ordinary Life Policy in January, 1911. Overwork caused a nervous breakdown, followed by insanity, and the Company waived the semi-annual premium due in the premium, \$25.00, due June 21, 1912. The extra premium paid was 28 cents a year.

A DISTINCT INNOVATION IN LIFE INSURANCE. Let the New York Life pay your premiums for you if you become totally and permanently unable to earn money. It costs so little extra, only a few cents a year, that no one can afford to take any chances.

DEATH OF JOHN THE BAPTIST.
Mark 6: 14, 29.

14. And King Herod heard of him; (for his name was spread abroad); and he said, That John the Baptist was dead: but he knew not the truth.

15. Others said, That it is Elias. And others said, That it is some other prophet that is risen from the dead.

16. But when Herod heard thereof, he said, It is John, whom I beheaded: he is risen from the dead.

17. For Herod desired to see him; but he was not able.

18. For John had said unto Herod, It is not lawful for thee to have thy brother's wife.

19. Therefore Herodias had a quarrel against him, and would have killed him; but she could not.

20. For Herod feared John, knowing that he was a just man and an holy, and observed him; and when he heard him, he did many things, and heard him gladly.

21. And when a convenient day was come, he made his birthday; and he had a banquet, and he called many of his courtiers, and chief officers of his army, and the chief of the dancers of the said Herodias came in, and danced, and pleased Herod and them that sat with him, the king took unto the dance, and he said unto her, Whatsoever thou wilt, and I will give it thee.

22. And he sware unto her, Whatsoever thou shalt ask, I will give thee: up to the half of my kingdom.

23. And she went forth, and said unto her mother, What shall I ask? And she said, The head of John the Baptist.

24. And she came in straightway with her maids, and said, I desire thee to give me the head of John the Baptist.

25. And the king was exceeding sorry; yet for his oath's sake, and for their sakes which sat with him, he would not reject her.

26. And he immediately the king went an executioner, and commanded him to go and behead John the Baptist in a chamber, and gave him to the damsel; and the damsel gave it to her mother.

27. And when his disciples heard of it, they came, and took up his corpse, and laid it in a tomb.

Introduction.

Jesus had now reached a point in his ministry which he had to face with special attention. Herod Antipas, tetrarch of Galilee, became alarmed because of the popularity of him whom he began to think was the Messiah, as the possible King of Israel, for whom many hoped. Herod could not account for the dominion of Jesus and the fame with which he was receiving credit by the people except on the theory that he was John, the Baptist, risen from the dead. Of course, such a theory was very ridiculous, but it was held by Herod. How it came about that Herod had effected the death of John the Baptist is here told.

Expository.

1. This Herod Antipas, tetrarch of Galilee, had ordered the slaughter of the infants at the birth of Jesus. He was a wicked, selfish, unchristian, hypocrite and a worthy member of the mercenary Herodian family. He was conscious of his guilt and of the wickedness of killing John, and he felt that the voice broke of vengeance might fall upon him. He recognized John as a messenger of heaven and feared him as being "that which he had heard that he had killed John, he was afraid that upon him and that John might himself be sent to indict it.

2. The people had different theories respecting Jesus. He was a mystery to them, and the more thoughtful sought for reasons.

3. Jesus has the character and works of a prophet, and the Jews who had been faithful to Mal. 4: 5, 6, the last words of the Old Testament regarding Malch. All were sure that Jesus was a prophet, as they had held John to be; and they desired to see him, for he was a new prophet or one of the old ones risen from the dead.

4. Herod, however, was sure that John the Baptist had been killed, and he wanted him from the day of his death. If it were John, risen from the dead, surely Herod might feel fear him.

5. We are now told how it came about that Herod killed John. When he arrested the prophet and thrust him into prison he did not mean to kill him, but he was so determined to satisfy against the conduct of the King—Herod—that he went away from his husband, Herodias, the countess, his brother Philip, ruler of the country of Galilee, to the north-east of the Sea of Galilee. John had said that it was unlawful for a man to marry his brother's widow—Yes. He, my husband, beheaded him from the day of his death. If it were John, risen from the dead, surely Herod might feel fear him.

SCHOOL OPENING DELAYED

Building Cannot Be Completed for Few Weeks—New High School Instructor Arrives.

Due to delays in the arrival of building materials, the high school building will not be ready for the opening of school until Monday, September 23, three weeks later than the date set for the opening. Most of the building was originally set for the beginning of the coming school year.

The delayed beginning of the school year pertains to the grades as well as to the high school classes. As the Lincoln and Bickel schools are now overcrowded, a number of the grade classes will be accommodated in the high school building. Professor Jones, principal of the high school, announced yesterday that the delayed opening of the fall term will not greatly lengthen the spring term and the date for the 1913 commencement will be the same as last year.

Professor Burton S. Minish of Cedar Falls, Iowa, is one of the new instructors on the high school faculty this year and has arrived for his first work. Professor Minish will have the classes in political science and will be the director of the gymnasium. He has been teaching at Cedar Falls high school. Professor Jones, who has been conducting the classes in political science and American history, will continue to be in charge of teaching the studies in American history.

FULLY EXPLAINED.
"What is Boston coffee?" asked the customer at the lunch counter. "It's the kind you put the cream in first," answered the waiter. "Why is it called Boston coffee?" "Because the cream is put in first." "Yes, I know; but when a man orders Boston coffee, why do you put the cream in first? That's the question." "Because he orders Boston coffee. Anything else you wish to know, sir?" "Woman's Home Companion."

BENEFIT A SUCCESS

"Novada" as Given by Home Talent Proves to Be a Worthwhile Entertainment.

The melodrama "Novada" which was given by local talent last Thursday evening, was well attended and proved to be exceptionally entertaining and excellently acted. Each character had its individuality and the players took their parts with no affectedness. The production, in all, was worthy of the support which it received. Miss Fargo's selections during the intermissions were highly appreciated. The proceeds of the evening were sufficient to provide for the stranded actress, for which it was given, the amount that was needed, and the promoters of the play are grateful to the citizens of Twin Falls for their financial support.

The cast was:
Novada, the wanderer—C. F. Burrows
Professor, an old miser—E. F. Burrows
Dandy Dick, a young miser—Harry Wood
Tom Carow, a young miser—W. E. Nixon
Silas Stebb, a missionary of health—C. J. Reid
John, a doctor—Nella Thomas
Jude, a miser—Albert Bennett
Win Ky, a miser—Harry Bennett
Miss Myrtice—Mrs. E. H. Osborne
Mrs. M. J. Messie, a wife—Mrs. W. E. Nixon
Miss Carrie Fargo was pianist.

A BOY'S ESSAY ON POLITENESS.
Politeness is a rather difficult thing, especially when you are making a start. It means having the sense to think of other people, who you, unless it is the start, it is not polite to fight little boys, except they throw stones at you. Then you may not get any more. Don't make fun of a poor boy, for he's just as good as you, except the clothes. Don't eat very much over the table. Don't keep on eating after you are tightening, and you will be happier. Do polite over your meals, and you will be happy. Don't leave things on your plate. If you don't like the fat you can lower when folks are up and are useful.

JUST A SUGGESTION.
"I'm in bad. Can't you help me?"
"You might hold out your hand like a couple of mops."

NO CHEAP ALIMENT.
"What does the doctor say, sir?"
"That you've got gonorrhea."

HER ERROR.
Mrs. Strasser—Can you tell me why that stout man is over there?
Dawner—Yes. He is my husband.
Judge.
