KIMBERLY

Kimberly, Nov. 6.—A large crowd was present at E. Claiborn's on Hatlowe, at which place the Ladies Pioneer club held their annual ladies' dinner and refreshments were indulged in to a late hour and everyone present enjoyed the evening very much.

D. T. Turner bought 50 acres from the Jonathan Orchard Co. two miles northwest of Twin Falls for \$200 per acre.

Mrs. W. A. L. Rowe and Mrs. I. S. Tucker have returned from their visit to home folk in the state.

W. Webster has sold his 50-acre ranch two miles southeast of Kimberly to parties from Klamath for \$100 per acre. Mr. Webster and family will have possession before the first of January and may move to Kimberly for the winter. It is hoped that this family will be very happy, but will find another location near Kimberly.

W. E. McMaster has gone to McAdams, where he will join Mrs. S. McMaster, her and daughter will return with them in about two weeks.

Election passed off very quietly in Kimberly. A point was not taken and no more talking was done.

The Ladies Pioneer club served dinner and supper at the club in the hall here last night. The refreshments which will be used for the keeping up of the club.

The candlelighting contest given here last night was a success. A number of much interest. J. E. Hillyer was the winner of the first prize—a china cabinet. John Mahanek won second and Mrs. Austin won third. The candles burned of hours, 27 minutes and 56 seconds.

The potato crop is still a drag on the market and the price is about 10 per hundred sacked—when the weather will permit them to be dug.

What is going up, having sold for \$120 to \$125 per hundred.

F. A. Morse will hold his sale November 11th. Tom Sweney will have a sale about the 20th. J. L. Yellon will have a cow hog sale about the 25th of November.

The M. W. A. have arranged an oyster supper the night of election and have arranged to have the election reports given in their hall as the returns come in.

It will seem very long some around here after election—candidates will not be daily visitors then.

John W. Hardin expects to start for Idaho on a business trip Wednesday of this week.

MORE RECORDS BROKEN IN CONFECTIONERY

With its \$75,000 offered in prizes and the International Live-Stock Exposition, which will be held on the dates of November 30 to December 7, inclusive, at the Union Stock Yard, Bagley, has broken on all records in every department in regard to the number of exhibits. Every breed of cattle, sheep, swine and poultry will be represented on a much larger scale, the arrangements for the show have been better provided for, and the great stock show of 1912 will go down into history as the most comprehensive, the most complete, the most modern, advanced and up to date of all the exhibitions, wonderful as they have been which have preceded it.

Such a statement of facts as this is positive proof of the importance of the event and how it is regarded by the stockmen of the country and the farmers and others who are interested in the live-stock industry.

It is not only offers to breeders, feeders, farmers and others who are interested in the live-stock industry, but also offers to the general public an opportunity for obtaining that information and insight to the stockman's business so necessary to his success.

Breeders, feeders and farmers who are developing a business of the kind, who have already developed one, and who have sons ready to step into their shoes when they shall have cast them off, and put upon them the slippers of ease and restfulness, owe to the country the privilege of seeing this extraordinary Exposition, and imbibing that knowledge without which they will be sorely handicapped when they come to compete with those who have taken advantage and profit by the opportunities it affords.

Money spent in attending this show is money invested in gold-edged security that will return interest at the rate of a hundred per cent.

SPECIAL POTATO TRAIN

Boyle Commission Company Sends Out 24 Cars Billed for Southwestern Points.

Another special train of Twin Falls potatoes left Tuesday of this week for southwestern points. The train consisted of 21 box cars, sent out by the Boyle Commission Company under the name of the Boyle potato train. The cars were equipped with oil stoves and the potatoes were packed in straw to insure against freezing while en route through the mountain districts. The train is in charge of I. H. Draehers. Large farmers were pleased upon the train announcing that the potatoes were grown in Twin Falls. After reaching Colorado the train will be divided into shipments for various points in the southwest, where they will be placed on the market as Twin Falls potatoes. Other similar trains will be put out in the near future, as the amount of potatoes on hand is too large to wait for refrigerator cars.

A REAL BURIED TREASURE

In the current issue of Farm and Home, the following feature cost no money, following is an extract:

There are more than 200,000,000 tons of farm products and other goods of the United States every year. The average distance—the man of the great and the least—from farm to market is 1,500 miles. The average cost of hauling in the United States is from twenty-three to twenty-eight cents per ton per mile. The average cost of hauling in this country is from ten to twenty cents per mile.

Multiple 34 (average distance) per ton per mile, by 200,000,000 (minimum tonnage haul) and the result is the tidy sum of \$132,000,000 spent yearly in hauling by the farmers of this country.

If the cost of hauling were cut in half, they would save \$132,000,000, which would build nearly 100,000 miles of good roads all by themselves.

Please note carefully that the average cost of hauling is more than ten times as much as the cost of building the roads that will save it.

Wm. C. Brown, Jr., of the Western Cattle Co., has had gold and precious trunks, jewels and money, objects of art and other gems of all kinds.

Look over the above pictures, then at your own road. Remember, roads do not build themselves. They pay for themselves when built, but many men had the money and build them first. What are you going to do about your share of buried money? Do you answer?

REMINGTON-UNION

AUTOLOADING SHOTGUN

For singles—trap or field—just toss in a shell, press the button and—"PULL." This idea makes it easy. You don't have to tug at the barrel or watch an on-end-of device. The action stays open after each single shot is fired—It always stays open when the magazine is empty. Five shots—three to get the nipples—each under absolute control of the trigger finger. The recoil released for you—kicks another shell in; takes the strain of the gun—the discomfort out of the kick—al without diminishing the drive behind the shot.

Simple take-down—a few turns of the readily handled magazine screw-cap makes cleaning, carrying and interchange of barrels quick and easy.

Send for a motion picture booklet telling how the kick is used—how a friction device found only on the Remington-Union Autoloading Shotgun takes the punishment out of heavy loads.

COLLEGIANS AGAIN DEFEAT TWIN FALLS

CAPTURE SECOND GAME ON LOCAL FIELD, 30 TO 7

Score Does Not Affect Standing of High School Team in State League—Home Eleven Makes Fine Showing Against Opponents

In one of the greatest gridiron engagements ever seen in this city, Albion Normal defeated the local high school team by a score of 37, last Saturday, and Twin Falls' thereby gained courage for the remaining games of the inter-high school league.

Albion team is in the college league and is considered one of the fastest and heaviest teams in the southern part of the state, and the game Saturday had not less significance than that of valuable practice for the Twin Falls boys.

Fumbling caused Twin Falls to lose in many times during the game, and Albion's failure at punts and forward passes gave the oval many times to the home team.

LEADS HIS TICKET

C. A. Robinson of Twin Falls Makes Magnificent Run for State Senate

The strongest run on the county ticket was made by C. A. Robinson, Republican candidate for senator, whose majority was over 1,100. Mr. Robinson carried every precinct in the county and led his ticket in all but one or two.

Throughout both primary and election campaigns Mr. Robinson was one of the most active candidates. In the few weeks preceding the election he visited every section of the county and delivered a number of strong speeches over the county. He is regarded by many as having borne the brunt of the Democratic attack, and the majority which he received constitutes a splendid tribute to both the worth of the man and his ability as a speaker.

Mr. Robinson says a vote representing the endorsement and wish to thank those friends who made possible the splendid vote it received. Particularly gratifying was the great complimentary vote I got in my home community, and my only hope is that it may be able to represent my district in such a way as to keep my friends from ever regretting having given me this support.

NEW JERSEY

Nowark, N. J., Nov. 5.—New Jersey has given Wilson a plurality of 48,000 over Roosevelt.

Returns at midnight showed Tarr in third place. His vote was less than half of Wilson's.

The heaviest vote ever cast in the state and a long ballot, Albany, 100,000, was heard from at midnight. They gave Wilson 8,011, Tarr 5,972, Roosevelt 5,818.

Ten of the state's representatives in the next congress will be Democrats and two will be Republicans. The Democratic party is three over their present representation.

ROOSEVELT IS SATISFIED

Declares People Have Spoken and Congratulate Wilson—Bryan Sends Him Best Wishes.

Oyster Bay, N. Y., Nov. 6.—Shortly before midnight Colonel Roosevelt issued the following statement:

"The American people by a great plurality have decided in favor of Mr. Wilson and the Democratic party and accept the returns of my district in honor and contentment. As for the Progressive cause, I can only repeat what I have already so many times said: I am the leader for the time being is of little consequence, but the cause itself must in the end triumph for its triumph is essential to the well-being of the American people."

(Signed):

"THEODORE ROOSEVELT"

At midnight E. C. Lester, his statement Colonel Roosevelt sent the following telegram to Governor Wilson:

"The American people by a great plurality have conferred upon you the highest honor in their gift. I congratulate you thereon. (Signed):

"E. C. LESTER, GOVERNOR"

Bryan Sends Congratulation.

Lincoln, Neb., Nov. 6.—William J. Bryan tonight sent the following telegram to Governor Wilson:

"I most heartily congratulate you and the country upon your election. Your splendid campaign has borne fruit in a great victory. I am sure your administration will prove a blessing to the nation and a source of strength to our party."

KANSAS

Topeka, Kan., Nov. 6.—Returns at midnight showed that the Bull Moose national ticket and the Republican state ticket have been victorious in Kansas.

Hull Moose leaders claimed the state for Roosevelt on a plurality of from 10,000 to 15,000, but the Democrats maintained that the complete vote would place Wilson in the lead. W. R. Stubbs, Republican, was leading William H. Thompson, Democrat, in the race for United States senator.

For governor, Arthur Capper, Republican, and George Hodges, Democrat, were running about even.

The Republicans were claiming the election of at least five congressmen, but no definite returns on congressional contests had been received.

The state quota suffrage amendment was in every precinct.

HALLOWEEN PARTY

Miss Ada Avant and Miss Veronita Anderson were hostesses at a delightful Halloween party last Friday evening at the home of the former. Rooms were artistically decorated in Halloween emblems and the long table where refreshments were served was attractive in yellow and white. Large pumpkins containing fortunes was used as a centerpiece. The hostesses were assisted in serving by Misses Anna and Myrtle Anderson. The evening was spent in games and contests.

ENTERTAIN YOUNG FRIENDS

Miss Bernice Heacock and brother, Master Edward Heacock, entertained a number of their young friends at a Halloween party last Thursday evening at the home of their parents, Mr. and Mrs. Atkinson. Japanese lanterns and fall flowers were used in the effective decoration in the rooms. The evening was spent in playing games.

INTERURBAN LINE IS SUBJECT OF TALK

GEORGE HERRIOTT SPEAKS AT CLUB LUNCHEON.

Describes New Type of Car and Remarks Listened to With Closest Attention by Audience—Ovations for Smith and Robinson.

The Twin Falls interurban railway and its future was the subject of Attorney George Herriott, principal speaker at the Commercial club luncheon yesterday. Herriott's guests were Addison F. Smith and Clarence A. Robinson, congressman and state senator-elect, respectively, at the luncheon.

In speaking of the interurban situation Mr. Herriott, who is closely associated with the company, stated that the line should be in operation in the very near future. The delay in arrival of material has been the main "set back" in the completion of the road. He stated that large quantities of rails are now on the way, and track-laying is being laid on a fast pace.

cent have shown this type of car to be very efficient. Mr. Herriott, in company with railway officials of the east, recently made a trip on a train composed of these cars out of New York City, and highly satisfactory results were obtained. When in use here, these cars will be the first of their kind to be operated in the west.

It is the purpose of the company to make this line both a scenic railway as an advertiser for the tract, and as a feeder of freight and passenger business for the present steam railway and any other roads that may come. I would like to say that in so far as my knowledge goes, this line is in no way connected with the Oregon Short line. Its commercial value as a road independent of all others can readily be seen.

Difficulties to Overcome.

"There have been many difficulties in getting this new road started. It is not an easy matter to finance such a proposition. There are many engineering difficulties to be overcome. One of these will be the building of the high bridge across the canyon at Shoshone falls. Before this bridge is completed, however, it is quite probable that the line will be in operation to the falls and from the falls to Jerome as well. If the rails were at hand the entire track could be laid by December 1st, as has been promised. I don't know how much longer that will take, but two or three months will be required to complete the road. By next season the branch to Kimberly will likely be built. It will be perhaps another year before

Write Ideas for Moving Picture Plays! YOU CAN WRITE PHOTO PLAYS & EARN \$25 OR MORE WEEKLY We Will Show You How!

If you have ideas—if you can THINK—we will show you the secrets of this fascinating new profession. Positively no experience of literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever-increasing demand. They are offering \$100 and more for single scenarios or written ideas.

Nearly all of the big film companies, the buyers of photoplays, are located in or near NEW YORK CITY. Being right on the spot, and knowing at all times just what sort of plots are wanted by the producers, our SALES DEPARTMENT has a tremendous advantage over agencies situated in distant cities.

We have received many letters from the big film manufacturer, such as VITAGRAPH, EDISON, ESSANAY, LUBIN, SOLAX, IMP, REX, RELIANCE, CHAMPION, COMET, MELIÈS, etc., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication"

Perhaps we can do the same for you. If you think of only one good idea every week, and will write it out as directed by us, and it sells for only \$25, a low figure,

NATIONAL AUTHORS' INSTITUTE

Dahl and Twin Falls will be connected, but the line in the west end of the county should be in operation long before that time.

"Mr. Herriott has been working night and day for the past several months to get the road in completed form. If he could have spent his entire time and personal attention the road would be in operation by December 1st. He is now engaged on several propositions that will be of great benefit to Twin Falls. The growth of the western cities can no longer be developed without the interurban railway service. By affording the farmer close touch with the city urban districts are rapidly developed. This will surely be the result here."

Smith Speaks.

"I appreciate the honor which the people of Twin Falls and the state have conferred upon me in electing me to congress," said Mr. Smith. "I am a member of the Twin Falls Commercial club, but my position has necessitated my absence most of the time since I came here when the tract was first opened. While I am at Washington I will do all I can, not only for the people of this city and tract, but for the interests of the Commercial club. The spirit shown here is admirable, one that would help to develop other sections of the country if it were infused into the people. This is one of the most attractive cities in the state, and we should all work toward making it the best city."

Hoffman Speaks.

Mr. Hoffman, the new secretary of the club, made a few brief remarks following those of Mr. Smith. "I find that your township spirit has told of Twin Falls throughout the country. I have nothing of your city except from reputation until a few days ago. There is a great opportunity for advancing the interests of the city and surrounding country. As for my part, I am here for work."

Quality Mattresses

The quality of your bed depends largely on the mattress.

The quality of the mattress depends entirely on the material used in it.

Pure Cotton Felt is conceded by manufacturers everywhere to be the best material obtainable for mattress making.

We carry nine kinds of mattresses and the comfort in every one depends on the amount and quality of cotton felt it contains.

These mattresses are made in a BIG, SANITARY FACTORY located in the heart of the cotton country. They range in price from \$3.75 to \$22.50. We guarantee every one to be a bigger mattress value than any dealer handling mattresses made in small western factories can offer.
