

SHORT LINE WILL PROVIDE GATEWAY

OFFICIAL ANNOUNCEMENT OF IMPORTANT CONNECTION.

General Manager Bancroft Says Line From Pacific to Southern Railway Will Be Built.

That the Oregon Short Line will in the near future, build a line connecting from Rogerson to the Southern Pacific railway in Nevada, was the word given out by W. H. Bancroft, vice president and general manager of the Oregon Short Line in this city last Friday. He was on his way to Rogerson to confer with the engineers who are routing the line from that town to Nevada.

While giving no definite plans, Mr. Bancroft stated that the road would be built as soon as the engineers determine the point of connection with the Southern Pacific. He stated that the engineers have been at work for the past 45 days and that the survey line is about complete. A line was located during the past summer to Memphis, a distance of 35 miles from the main line of the Southern Pacific to the point where the line would be built, which will materially shorten the distance to be constructed and at a great saving of time.

Present improvements and extensive work along this branch of the line is being done with the little delay as possible. Heavier rails are being laid all along the branch, the work of replacing the lighter rails having already been accomplished as far as they are concerned.

More News Expected.

MASS MEETING TONIGHT

Expayers Will Gather in Dramaland Hall to Discuss Bond Issue for Water Works.

The mass meeting of taxpayers regarding the issuance of bonds for a municipal waterworks plant, will be held in the Dramaland hall this evening, and not in the Commercial club rooms, as previously announced.

CIVIC COMMITTEE MEETS

Representative Men Are Selected by President-Hancock to Work Out Modern Civic Problems.

The first step has been taken toward the "city beautiful," and the future building of Twin Falls in accordance with modern civic plans, the committee, recently appointed by President Hancock of the Commercial club, held its first meeting Tuesday evening and will at once begin work along definite lines for the future betterment of this city.

While not attempting much more than organization and a general outlining of the work at the first meeting, the committee will hold frequent sessions and will from time to time report their progress.

MORE TALK ABOUT MAIN-LINE ROUTE

PLANS FOR EXTENSION FROM Buhl to NYSSA.

Official Announcement Expected in Near Future—New Line Will Be Big Money-Saver to Company.

Twin Falls on the main line of the Oregon Short Line, in addition to the other railroad possibilities, is the latest information which has come to this section, and which will be definitely and officially announced within a few days. It is from apparently authentic sources it is said that the decision has been reached by the Oregon Short Line to begin work immediately on the completion of the Twin Falls branch from Buhl to Homedale, Oregon, thus giving an unbroken line of railroad from Buhl to Twin Falls and Buhl over the Salmon river to Homedale, to join the line already built between Homedale and Nyssa, Oregon.

It is stated that the decision was reached in the interests of economy, as the grade over the new route is practically level, while the expense of hauling heavy freight and passenger trains over the Buhl and similar grades on the main line has at all times been a hard item.

R. C. BEACH IN TWIN FALLS. R. C. Beach of Lewiston, president of the Idaho Department Store company, was here looking after his business Friday and Saturday, and left Tuesday morning for his home.

DR. HORNIBROOK VISITS BONS. Dr. Edward Hornibrook of Iowa is visiting at the home of his son, E. J. Hornibrook, Dr. Hornibrook will visit another son, W. H. Hornibrook, before returning to his home in Iowa.

TWO SIDES OF WATERWORKS SITUATION

STATEMENTS ISSUED BY CITY COUNCIL AND WATERWORKS COMPANY RELATIVE TO PROPOSED BOND ISSUE BE FORTH POINTS AT ISSUE IN QUESTION TO BE VOTED ON NEXT WEEK.

In order that both sides of the question of the establishment of a municipal waterworks plant to take the place of the present company plant may be given due consideration, the following statements have been obtained.

In view of the fact that the people of this city are called upon Tuesday next to vote on this question, the statements herewith should be given careful attention.

LETTER OF THE COUNCIL ON PROPOSED BOND ISSUE.

Assuming that the reader of this letter is and has been a resident of Twin Falls for the past three years, and ordinarily observant, there is no real reason why the necessity for the waterworks system to be owned and operated by the city at the present time should be discussed.

The question of necessity would necessarily be determined by the termination of this question, is a service of the present water works satisfactory—iron water-elimination of the question of the price of service? If water users are receiving good, wholesome, pure water each and every day of the year, and without any charge or detrimental effect, in which every citizen is interested, then the service is satisfactory.

Our pavement is being rapidly laid, and from the attitude of the Water company the city has no redress or remedy.

The council, realizing the situation and conditions, and believing in the absolute necessity of a municipal water system which would not only insure a cheap but efficient service to all consumers, including the residents of all additions to the city, and to all those who contribute to the expense and maintenance of a municipal system were it to be installed, and who are now receiving any supply of service from the present company, and can so receive the service except at the present company may see fit to grant it, and a system which will in the end insure absolute purity of the supply, the council unanimously agreed in the plan of a municipal supply by passing an ordinance calling for the present bond election, to outline in so far as is possible at this time a plan whereby a municipal plant is possible, and which will insure the realization of the wishes and desires of every citizen and water user.

Committee to Work Out Details.

It is the plan of the council that when the question is determined as to whether the citizens desire a municipal water system by the result of the election next Tuesday, November 26, in case the vote shall be favorable, that a committee of three shall be selected by the present mayor with the concurrence of the council, such a committee to have as chairman a competent engineer who shall not be connected in any way with the present city administration, and two experienced business men of this city. This committee will be appointed for the purpose of preparing plans and specifications as well as estimates of costs for the construction of such a water system as the committee may determine to be necessary for the needs of this city, with the further request that the report of the committee shall be forthcoming as early as possible as feasible. When this early a date as possible.

(Continued on Page 5.)

TO PROVIDE REST ROOMS CLUB MEMBERS ARE GIVEN RARE TREAT

Civil Department of Twentieth-Century Club Arranging for Needed Convenience Here.

Definite plans for a rest room in this city are being worked out by the members of the Civil Department of the Twentieth Century Club, and such a convenience will be established in the near future. The department is providing this through a committee composed of Mrs. I. W. Roberts, chairman, Miss Mary Hamlin and Miss Fannie Thomas.

That the ladies of the Twentieth Century club will serve dinner at the Commercial club each month was a happy announcement made at the dinner yesterday noon. More than 125 hungry business men partook of one of the best luncheons ever prepared in this city, and applause was given President Hancock when he announced that these dinners would be served on the first Monday of each month, and when he voiced the hope of the club members that the months, between these special dinners, be short ones.

The address of the day was made by C. D. Thomas, who took as his subject "Women." The part played by women in every-day life was related by the speaker, who told of their share in the development of this city and country. "The women," he said, "organize the first-day-schools and public schools in this new country. They have handed themselves together in all departments of public need to save the time of themselves in the best history of Twin Falls, and they have succeeded in each undertaking. They have found a way of doing things right without first having to think out the plans. The help of the women in making the early life of this country pleasant, and in helping us to become our best selves, was admirable."

GOVERNOR LAUDED FOR UNSELFISHNESS

ATTITUDE OF HAWLEY ON BENEFIT OF AGRICULTURE GAINS FRIENDS.

Appointed Rank-High as Politician and Lawyer—Geisty of the Capital Along Various Lines.

(Special to The News.) Boise, Nov. 19.—Most men commend Governor Hawley for his final decision to reject the senatorship and to accept another office. It seemed such a selfish and laudatory thing to do. It would say to the world that he was not interested in the senatorship. A municipal plant such as it is designed or vaguely promised by the present city council cannot be installed for \$150,000, and this expenditure of money is necessary to determine how the pavement has been refused to permit repairs to be made. A municipal plant such as it is designed or vaguely promised by the present city council cannot be installed for \$150,000, and this expenditure of money is necessary to determine how the pavement has been refused to permit repairs to be made.

TWIN FALLS AT CHICAGO

Fine Exhibits Prepared and Will Be Taken to Big Land Show Tomorrow.

The Twin Falls County will be conspicuous among the exhibits at the Chicago Fair, which will be held in that city next Saturday, November 23, and continuing for two weeks. D. M. Denton and C. F. Schaeff will leave in charge of one of the finest exhibits that will be displayed from any section of the country. The Twin Falls exhibit is in charge of Mr. Denton and C. F. Schaeff, who were shown at the Chicago Fair last year. The exhibit will be taken east on the Chicago and Northern Pacific. The exhibit will be taken east on the Chicago and Northern Pacific.

Should the Legislature Get Into a Prolonged Deadlock Judge Perky Might Serve Longer.

Should the legislature get into a prolonged deadlock Judge Perky might serve longer. He might even serve until March 4. Should the legislature adjourn without electing a successor, the judge would serve until the end of the session, but the best informed men here are of the opinion that Judge Perky would not serve longer than the reformers of the legislature, and that there would be a vacancy after that could not be filled by appointment, but by election.

SLIM OPPOSITION CHANCE.

With Judge Perky in the saddle, the chances of a new legislature are slim because of his alliance with the Champ Clark forces, and with Governor Hawley here at home pulling for the same thing. It is felt that the chances are slim.

BISHOP FUNSTON COMING.

Bishop Funston of Boise will be here Sunday and will conduct services at the Ascension Episcopal church Sunday morning at the usual hour.

You Must Register to Vote at the Home Election November 26 Saturday, November 23, is your last chance to register Don't Forget

KIMBERLY POTATO TRAIN

Twenty-One Carloads Shipped out to Colorado—Considerable Money Involved.

Kimberly, Nov. 19.—The potato train went out of Kimberly Sunday morning. Twenty-one cars were in this train and all potatoes were grown in the vicinity of Kimberly. A. J. Wilson, Frank Ogg, R. A. Decker, Harry Wilson and Clarence Decker went through to Greeley, Colorado with the train to look after the stoves which were placed in the box cars to be used in case freezing weather should be encountered during the trip. While the crop only brought 40 cents per hundred here it means several thousands of dollars for the farmers in the aggregate.

C. T. Brown is buying two cars of fat hogs to ship to Portland. Price paid is from \$6.00 to \$6.25 per hundred. Mr. Brown has shipped quite a number of cars from Hansen the past two years, but now will put in scales and pens here, adjoining the stock yards and ship from here when the stock can be bought in this territory.

The board of the Christian church is planning to have work begun next week on the excavation for the new church. It is planned to get the basement work done this fall if the weather permits, and then put temporary roof on, and when the building is completed, when the building will be completed.

Two to three cars of hogs are being shipped out of Kimberly, each day now. W. C. Newberry expects to ship a load of hogs in a few days to Portland.

W. M. Vogel has taken his new plow built out south of Kimberly, where he expects to finish up work. This is a new one and the largest made of its kind.

J. M. Wheat has sold his residence property north of the Kimberly school house to Wells Webster for \$10,000. Possession to be given before the first of the year. Mr. Wheat will probably remain in Kimberly until school is out, while Mr. Webster will probably move his family to town soon.

J. M. Gardner and family expect to leave in a few days for their old home in Iowa, where they will make their future home. Their many friends are sorry to see this family leave Kimberly.

Mr. Owsby and family have moved to Buhl, where they will reside. Mr. Jones and family will move into the Denham house just vacated by the above family.

J. J. Hopkins has bought the residence property occupied by Chris. Newmann from Chas. Russell. This property is in the burning district and the price was reported at \$500.

John Balch and family will leave Saturday for Long Beach, California to spend the winter. Mr. Balch expects to ship a carload of his fine apples to Los Angeles to show that what Idaho can do in that line of fruit.

Noah Hickerson is to start another barber shop the first door north of the post office.

J. M. Jayne has a public sale November 21st. Mrs. Jayne and children will probably move to town and Mr. Jayne will leave the farm, as he has a position as deputy state dairy inspector which will keep him on the road most of his time.

Bill & Nathan will have their second annual sale of Duroc Jersey hogs on November 25th. Some Jersey cows will also be sold at this sale.

Mr. and Mrs. Charlie Cline were called to Twin Falls to attend the funeral of their brother, Ray Cline, who was accidentally shot last week. Freshers have been busy the last few days making use of the good weather and roads.

LAST CALL For Turkey Dinner

Remember, your pick of the coop FREE with every purchase of Suit or Overcoat

Straus & Glauber

MURTAUGH

Murtaugh, Nov. 18.—Francis Johnson moved his home into town Tuesday. Milton Smith's family will leave it for the winter.

Among the Twin Falls visitors Tuesday were Mrs. E. Hunt, Mr. and Mrs. James Boyd and Mrs. Ila Collier.

Miss Ruth Kandel went to Twin Falls Tuesday.

Frank V. French visited friends in Murtaugh Sunday.

I. G. Anderson of Oregon arrived Tuesday and may spend the winter here.

John Gromo returned to his home in West Virginia Wednesday after spending the summer here.

James H. Boyd left Wednesday for Colorado, where he will transact business.

Mrs. Hunt went to Twin Falls Thursday on business.

Lee Harrow of Twin Falls was in town Thursday.

John McKinniman and family arrived Thursday from New Mexico. They expect to stay here.

Mrs. Buffett and Mrs. Meyers left Friday for Barley, where they expect to make their home.

Mrs. Julius Ingard went to Kimberly Friday to visit her parents, Mr. and Mrs. Imabuel.

Mrs. J. I. Tolman went to the Hub City Friday.

Among the visitors to the Hub City Saturday were Mrs. R. H. Kandel, Mrs. N. O. Hall and daughter Irene, Mrs. F. Lee Johnson and daughter Gertrude.

The Ladies' Aid will meet at Mrs. N. B. Hall's next Thursday. They are planning to have a bazaar Christmas time, so all come and help.

Professor J. F. Lawwill went to Twin Falls on business Saturday.

Mrs. Elmer Hunt received word this week of the death of her mother, Mrs. S. Clark. Mrs. Clark spent the summer here and made many friends. The sympathy of the entire community is extended to the bereaved daughter.

The semi-monthly lyceum was held last Friday night at the school house. A very good program was rendered.

Mr. and Mrs. N. O. Hall and daughter spent Sunday at the Fallor home, south of Artesian City.

Mr. and Mrs. J. E. Stelzner look dinner with Mr. and Mrs. N. R. Hall Sunday.

Mrs. J. A. Hutchison spent Sunday with her daughter, Mrs. Fredrickson.

Mrs. Wilbur Grogan and Mrs. Fredrickson went to the Hub City on business.

John Bessell lost a valuable mare last Saturday.

COMPLICATED. "What's Wombat working on now?" "Oh, he says that ladies' shoes are not sufficiently complicated to be in keeping with the rest of the attire. So he's working on a woman's shoe that buttons on the back."—Columbia Courier-Journal.

THE THANKS DUE. Vice.—Amid all your troubles, Mrs. Grundy, I am pleased to see that your gratitude to Providence does not fail.

Mrs. Grundy—No, sir; rheumatism is bad indeed, but I thank heaven I still have a back to lay the rheumatism in London Opinion.

THERE'S REAL COMFORT

In our coal. You don't sit around shivering feeling your money burn up without giving you any return.

THAT GOOD COAL. Can be relied upon to give you satisfaction. It is clean, live and heat-producing.

You can be sure if you warm home or office all winter if you sit in our fine bins now.

T. J. Douglas & Co. "THAT GOOD COAL"

AMSTERDAM

Amsterdam, Nov. 18.—Mr. and Mrs. E. A. Hudson of Twin Falls was in Amsterdam last Saturday. He was looking over the road from Twin Falls to Jarbidge. He expects to do some re-figuring along the line later on.

R. Williams, Foster, Forbes and Bureau were Amsterdam visitors last week who were on their way from the Hub City to Jarbidge.

Clair Hibbard, one of the busy real estate men of this place, was in Twin Falls a few days last week. He took some horses down to dispose of which belonged to some parties here.

Bill Tanner went to Twin Falls Sunday to spend Sunday with home folks.

Fred Linden was a passenger to Twin Falls last Saturday.

A. A. Durfee, collector for the Consolidated Wagon and Machine company of Twin Falls, spent several days last week in this locality on business.

The Amsterdam hotel has been doing a rushing business the past week. In fact business has been good ever since Mrs. Peters took charge of it.

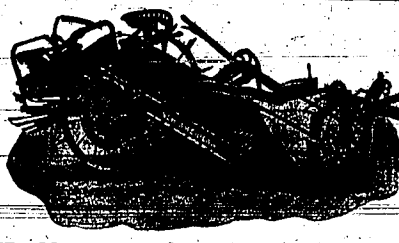

The telephone men have been digging post holes between Hollister and Amsterdam the past week. A few more days will complete the work and Amsterdam will be on the telephone line.

Theodore Parks returned to Jarbidge last Tuesday.

Cottolene at Cake-Baking Time

It is mighty hard to obtain uniform results in cake making—if you use butter or lard—because both of these products vary so in quality. Cottolene is always uniform—always produces good results. With its use, you can count on a certain kind of cake being the same every time. Cottolene sells at about the price of lard, and is so rich that one-third less is required than either butter or lard.

TRY THIS RECIPE. Cream 1/2 cup Cottolene, add 1 cup sugar and mix in alternately 1/2 cup milk and 2 cups heavy flour in which 2 teaspoons baking powder and 1/2 teaspoon salt have been well sifted. Beat well and will beat yolks and whites of 3 eggs separately. Bake in two layers. Use any desired glazing or frosting.

Made only by THE N. K. FAIRBANK COMPANY

ALFA MEAL BAGS

You can save money by buying these for spuds. They hold about 150 pounds and cost no more. Also they are extensively used for alfalfa meal.

We have oat, wheat and potato bags. Call, write, wire or phone.

IDAHO JUNK HOUSE BOISE, IDAHO

We pay highest prices for all kinds of Junk, Metals, Rubber, Bottles and Cast Iron. Also Hides, Furs, etc.

If you want printing done it means have it done right. The News printing department of latest faces, and men of experience to handle them.

BLACKFOOT LOSES BY DECISIVE SCORE

LOCAL TEAM GAINS VICTORY AND CHAMPIONSHIP

Visitors Outplayed at Every Point and Large Number of Spectators Are Well-Placed With Exhibition.

THE SCORE

Twin Falls	6
Blackfoot	0

Mighty Blackfoot has fallen, and while they were at it, they did a good job. After swinging a 6 to 0 defeat over Pecotello high school and trouncing Idaho Falls in a class game, they were due to play Twin Falls for the home team championship.

They straggled town Friday evening, apparently confident of slaughtering the local team. After the first quarter of Saturday's game their confidence evaporated. Blackfoot led 6 to 0 at the end of the first quarter.

The battle held out for almost two hours, and the sun had set before the fourth quarter began. When the timekeeper whistled and ended the game, it was 6 to 0 defeat started at Blackfoot, thus effectually killing their hopes.

Largest Crowd of Season.

The largest crowd of the season was on hand to witness the struggle, and every one got his money's worth. Many of the spectators were from towns to the westward, in the hope that in the future they will continue to give the team the support it so deserves.

Excellent Turnout at Foot of the hill.

The best exhibition of strategy football ever seen in Twin Falls. Relying almost wholly on line bucks and end runs, they plunged through their opponent's line and forward pass was tried only a few times, and was successful only once. On the other hand, Blackfoot made only three good gains during the whole game. Once when the Twin Falls line wavered, Rich broke through for five yards, and when the line wavered again, Dofkey netted ten yards. Outside of this everything went Twin Falls way. Never did Blackfoot push the ball into her opponent's territory.

Home Team Well Trained.

The locals' playing would be a credit to many universities, and their team work was evidence of the hard practice they put in all of last week. The game was marred by one accident, the first this year on the home grounds. At the beginning of the second quarter, Falkner, Blackfoot's right tackle, broke his collar-bone in diving under the play. It was feared that he might sustain a brain injury, but examination failed to disclose anything further.

Story of the Game.

The game opened with Blackfoot receiving. Whitney kicked off for Twin Falls. Blackfoot made a good gain on the forward pass, but lost it on the next play and Twin Falls got the ball. From the very start the home boys showed their line-smashing play, and the local line was able to hold off the home boys for more than ten minutes the ball was within two yards of Blackfoot's goal and Woods carried it over on a center buck. Goal was kicked and score stood 7 to 0.

Twin Falls kicked again and Rigney ran up and recovered his own kick. Woods then realized 15 yards for hurdling and Blackfoot got the ball. Their first play was a forward pass, which Bailey calmly pulled over and Whitney kicked. On the next play the home boys started on another march to the goal line, seemingly ignoring the Blackfoot line. Whitney kicked a long line ball, but Blackfoot made a plunge and carried the ball over. After he was safely over he dropped the ball, but Whitney recovered it. The yard was done. The attempt to kick goal failed and the quarter ended. Score, 13 to 0.

Second Quarter.

At the beginning of the second quarter Falkner was injured and TRYOT took his place. Woods made his second touchdown on a center buck and the local line wavered with the plunging through the line. One of the two attempts to kick goal was successful. Twin Falls soon had the ball in the shadow of the goal-posts again, but Blackfoot braced up and held them for downs on the three-yard line. After this they showed a tendency to quit, and the first play the quarter caught the ball behind the line and held it for a safety without even trying to begin any of their last ground. The rest of the end-of-the-half was 25 to 0.

Third Quarter.

In the first kick-off in the third quarter Marria was injured in diving for the ball and was replaced by Quigley. Blackfoot kept it going for Quigley and was forced to punt. Gifrdner broke through and blocked the punt, recovered it, and with an open field before him ran 40 yards for a touchdown. Whitney kicked goal. Soon after play was resumed Bower made 25 yards through a broken field and Williamson broke loose for 20 yarding gains. Then after a succession of line bucks Whitney scored a touchdown and kicked goal. Score, 42 to 0.

Fourth Quarter.

When the fourth quarter came around the main goal was well placed for. They were about all fit. Williamson broke loose with the ball and ran 40 yards for a touchdown. The Blackfoot captain carried the ball in his hands but would have been held had he not just before the final whistle blew. Woods made his third touch-

MOTION PICTURES OF TWIN FALLS TRACT

Magnificent views being taken of scenery along Snake River. Pathé Motion Picture Company, to exhibit films of Idaho Subjects. All over the United States.

Motion pictures, taken on the Twin Falls tract, will soon be shown throughout the country. Ralph East of New York, a photographer for the Pathé Motion Picture company, accompanied by Dr. Ar. Newton, representative of the Oregon Short Line, has been spending the past week along the Snake river canyon from Miller to the Malad river, taking the large number of magnificent pictures which the scenery along that route affords.

Motion views of the great dam at Miller, the Twin Falls and Shoshone falls, the Upper and Lower Salmon falls, the power plants, the rapids and river scenes are all being taken. Many of these views are being taken from a motor boat and will be the most up-to-date in this mode of presentation.

Mr. East is gratified and surprised at the magnificent line of pictures they are enabled to make here. While in this city last Monday he stated that he would return here early next summer to get a further series of pictures which the Snake river affords.

Mr. East is gratified and surprised at the magnificent line of pictures they are enabled to make here. While in this city last Monday he stated that he would return here early next summer to get a further series of pictures which the Snake river affords.

MRS. HEGER DIES.

Was a Native of Austria, but Long a Resident in America.

Mrs. Mary Heger, wife of Frank Heger, died November 12, at the home of her sister, Mrs. J. J. Miller, in Twin Falls, at the age of 61 years and nine months. Mrs. Heger was born in Austria, but had been a resident of the United States for a number of years. Besides a husband she leaves a son and six daughters. The funeral services were held at St. Edward's Catholic church and interment was made in the Twin Falls cemetery.

SOME FINE POINTS.

Some Disagreement Noted.

Major General Wood's military address at Harvard may amuse those Asiatics who lately heard from President Elliot the first principles of peace.

Perhaps the Turkish Explains it.

The coffee roasters of the country who are to convene here can hardly be expected to adopt the view of the voters as to that third cup.—St. Louis Post-Dispatch.

Nothing to Do at All.

Just as expected, the cabinet makers stop in and relieve the president-elect from the necessity of choosing his official residence.—Pittsburgh Post.

Inalienable Right.

Some officious—not to say officious—bureaucrats raised the question whether Mrs. Cleveland by marrying again will not lose her franking privilege as the widow of a president.

Even this unkind-minded person, however, will probably agree that she should have the right to frank the wedding invitations.—Boston Globe.

Something to Be Desired.

With the prospect that he will be killed if he leaves Constantinople and that he will meet a sudden death if he remains, the Sultan's life cannot be an ideally happy one.—Pittsburgh Gazette-Times.

FROM TWIN FALLS, IDAHO

To	Old Rate	New Rate
Boise	1.20	1.00
Butte	2.60	2.15
Hailey	.65	.50
Idaho Falls	1.40	1.15
Mountain Home	.80	.65
Pocatello	1.10	.85
Salt Lake	1.85	1.50

For reductions to hundreds of other points in these states, inquire of the "Long Distance" operator.

The Mountain States Telephone and Telegraph Co.

We have 75,000 miles of copper wire connecting 200,000 subscribers, reaching practically every city, town, village and hamlet in the mountain states from Canada to Mexico.

Reduced Telephone Rates for Long Distance Service

Effective November 26, 1912, we will make a great reduction in toll rates over our Long Distance lines in the states of Montana, Idaho, Wyoming and Utah, and between these states and Colorado.

This reduction is made because the toll rates charged by the former Rocky Mountain Bell Telephone Company were higher than those in other parts of The Mountain States Telephone and Telegraph Company's territory. For instance, it formerly cost \$1.00 to talk 100 miles in Idaho, while in Colorado it cost \$0.80. Under the new tariff schedule, the rates will be the same for like distances throughout our system. A few examples are given below:

From TWIN FALLS, IDAHO

To	Old Rate	New Rate
Boise	1.20	1.00
Butte	2.60	2.15
Hailey	.65	.50

Then after a succession of line bucks Whitney scored a touchdown and kicked goal. Score, 42 to 0.

Fourth Quarter.

When the fourth quarter came around the main goal was well placed for. They were about all fit. Williamson broke loose with the ball and ran 40 yards for a touchdown. The Blackfoot captain carried the ball in his hands but would have been held had he not just before the final whistle blew. Woods made his third touch-

We have ordered a large quantity of the famous

HOTPOINT

utensils for the holiday trade.

The list includes the well-known HOTPOINT IRON, \$3.50; the new EL GRILLO, \$5.00, which boils, broils, fries, toasts, and cooks all at one time; the EL BOILO, \$3.00, a small immersion water heater; and the indispensable EL PERCO, \$6.00, the most perfect of coffee making machines.

Any one of these appliances will make a most unique and attractive gift.

Just as expected, the cabinet makers stop in and relieve the president-elect from the necessity of choosing his official residence.—Pittsburgh Post.

Inalienable Right.

Some officious—not to say officious—bureaucrats raised the question whether Mrs. Cleveland by marrying again will not lose her franking privilege as the widow of a president.

Even this unkind-minded person, however, will probably agree that she should have the right to frank the wedding invitations.—Boston Globe.

Something to Be Desired.

With the prospect that he will be killed if he leaves Constantinople and that he will meet a sudden death if he remains, the Sultan's life cannot be an ideally happy one.—Pittsburgh Gazette-Times.

I successfully pruned 400 acres of trees this last spring and my work gave good satisfaction.

I will be glad to prune some for you.

A Difference of Opinion

May exist among those who have made a special study of sanitary plumbing concerning some of the details of construction and design, but THE VITAL THINGS.

Which we keep in mind and should be practiced in all good plumbing are: First, the best materials—not necessarily the most expensive, but the most durable; second, we isolate all plumbing and concentrate as much as possible. We are experienced plumbers. Let us figure on your bill.

NORTH PREPARES TO GET INTO THE GAME

JUDGE AILSHIE CHOSEN AS SUCCESSOR TO SENATOR HEYBURN

Strong Effort to Be Made to Whip the Delegates into Line in Opposition to Plans of the South.

(Special to The News.)

Coeur d'Alene, Idaho, Nov. 10.—From Republican leaders in this city it develops that a move is on foot for concerted action upon the part of the Republicans in north Idaho to oppose the election of any man from the southern part of the state as Senator Heyburn's successor. They declare that by both precedent and justice this part of the state is entitled to one of the senatorships, and that by reason of the interests of the two sections materially differing from each other, both senators should not come from the same locality of the state, and that should any political move be set afoot the precedent here successful the Republican party in this state will become too hopelessly divided to be successful. They emphasize the fact that southern Idaho has Senator Borah, and that to take away the other senatorship from this part of the state in order to gratify the political ambition of one of the two or three senatorial aspirants in southern Idaho would be to show a disregard for the just rights of this section of the state.

Fight to Be Bitter.

It now seems certain that the legislative elections from the several counties in this end of the state will amply oppose the effort to the bitter end, and leading Republicans in this city assert that as a consequence of a realization of the danger the movement has for the future of the party it will meet with opposition from the Republicans in south Idaho as well as in this part of the state and will fail of success.

The present indications are that the support of practically all north Idaho will be given to Justice James F. Ailshie of the state supreme court, it being held that because of his unquestionable ability, his irrefragable record and his great popularity, he is the logical candidate for this section of the state, and the strongest the north can present.

The controversy is being much discussed and the consensus of opinion in political circles seems to be as indicated.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and the bottle was all used—the boy's cold was gone. Is that not better than to pay five dollar doctor's bill. For sale by all druggists. (Advertisement)

HINTON STILL AT LARGE

No Word Yet Received of Bad-Check Artist Who Worked Game Here.

No word has been received by the sheriff's office concerning the whereabouts of Charles Hinton, who a few weeks ago, got away with \$200 from one of the local banks. It is expected, however, that some trace of him will be secured before a great while, as a close description of him has been sent broadcast and his identity could not well be mistaken. Hinton has been sent to all the leading cities and towns in the country, to police and sheriff officials. Word has also been sent to the officials of Canadian cities to the Dominion, as based on remarks made in this city as having spent considerable time in western Canada, where he claimed to have had business connections.

BOOTLEGGERS BOUND OVER

Six Defendants, Charged With Illegal Sale of Liquor, Are Held to District Court.

Joe Pedon, B. O. Harrison, J. E. Hensley, Roy Isaac, A. T. Daiseil and Jack Jones were given preliminary hearings before Police Judge Smith last week and each was held to the district court. The evidence said to have been secured against them was presented by J. H. Parman. From one to five charges was placed against each defendant, a bond of \$400 being assessed for each charge, making the total amount of bond in several cases as high as \$1,500 and \$2,000. It is expected that their trials will be called in the district court early in December, at which time the term of court convenes.

TEAM AND FRIENDS WILL VISIT CAPITAL

REDUCED FARE TO BOISE FOR BIG FOOTBALL GAME.

Local High School Has Good Chance to Win and Big Crowd of Fans Is Expected to Be In at the Death.

All aboard for Boise and the big football game. Train leaves Wednesday evening, November 27, arriving in the capital city next morning. Buy your tickets early and be assured of a place in the sleeping car. By her decisive victory over Blackfoot last Saturday, the Twin Falls high school football team won the championship of eastern Idaho and is now the only contestant with the Boise high for the state championship. This game will be played in Boise on Thanksgiving afternoon and promises to be one of the greatest football games in the history of Idaho.

Special round trip railroad rates have been secured. Providing 25 make the trip, a rate of \$13.65 will cover the railway fare and sleeping accommodations in a tourist sleeping car Wednesday and Thursday nights, of the going and return trips. If a standard Pullman sleeper is selected, the fare will be \$16.00. In either case the fare includes railway round trip ticket, the use of the sleeping accommodations at night and at all times desired while in Boise. The return trip will be made leaving Boise late Thursday night, arriving home Friday noon.

Twin Falls' Chances Good.

Twin Falls has a good chance to win this game from Boise. Good support along the side lines will greatly help in landing a victory. The directors of the athletic association and the members of the team are urging their friends to take in the trip and help win the state championship. All persons who intend to go to Boise should notify Professor Jones, at the high school, or Attorney Longley, before the end of this week in order that all arrangements may be complete early. No limit has been placed on the number to go.

CHANGES IN TRAINS

New Evening West-Bound and East-Bound Schedule Brings Trains In on Earlier Times.

Further changes have been made in the schedule of the O. S. L. passenger trains, the time of the east-bound morning train being the only one unchanged. The evening east-bound train is now due at 7:05 p. m., instead of 7:20, and evening west-bound train now arrives at 6:25 p. m., instead of 6:45. The arrival of the afternoon train at 12:10 instead of 12:35 has proven of much consequence in both the passenger and mail service. Eastern mail does not arrive now until the evening train, but western and southern mail arrives on the noon train in ample time for city afternoon delivery.

MRS. TAYLOR INJURED.

Kimberly Woman Sustains Severe Burns in Burley Laundry.

Mrs. Alta Taylor of Kimberly is at the Twin Falls hospital with a badly mutilated hand as the result of an accident which occurred at Burley Monday morning of last week. As a result Mrs. Taylor will lose the fingers of her right hand and also the use of the rest of her hand. While feeding the mangle in the Burley steam laundry her hand was drawn in between the hot steel rollers and before she could be released it had become terribly burned, although her fellow workers made every effort to aid her.

Week in Society

Brilliant Reception

The reception given by Mrs. M. J. Sweely to the members of the Twenty-first century club at her home on Eighth avenue Saturday afternoon was one of the brilliant events of the season, and gave the club women of Twin Falls an opportunity of meeting a number of prominent club women from over the state. Those receiving line with Mrs. Sweely were Mrs. Pittenger of Boise, Mrs. Standish of Pocatello, Mrs. Ingalls of Graceland, Mrs. Rich of Burley, Mrs. Felt of Buhl, and Mrs. Schindman of Filer. All these guests of Mrs. Sweely, who had come over attending the meeting of the executive board of the First District Federation, and Mrs. Clouch and Mrs. Hill, vice president of the district. Company, club members.

Different members of the club assisted Mrs. Sweely in serving and entertaining the two hundred guests who were present at the reception. The instrumental and vocal music was also furnished by club members.

The junior members of the club bearing gay pennants, attended the reception in a body, on their way to the high school football game. The home was lavishly decorated in carnations and vines, effectively carrying out the club colors of green and white. A large vase of carnations and smaller centered the refreshment table, which was covered with a handsome cloth of Mexican drawn work. Here one of the club members presided during the afternoon.

Auction Bridge Club

Mrs. R. M. McCollum entertained the Auction Bridge Club at her home when Mrs. G. D. Alken received the high score. A large bowl of chrysanthemums centered the attractive luncheon table, which covers were laid for eight.

Mrs. J. E. Bradley and daughter, Mrs. Marion E. Tucker, were hostesses at a delightful "color" dinner Saturday evening. Covers were laid for 16 at a number of small tables, each of which was attractive with a centerpiece of lunch and bouquet of pink and white carnations. Following the dinner a few games of 500 were played. High score was received by Mrs. B. E. Morse and Mr. P. H. Smith.

Miss Evelyn Perrine Savage Entertains

On Saturday afternoon, from 3 until 6 in the delightful reception parlor of the Hotel Perrine, Miss Evelyn Perrine Savage entertained a number of her little friends at a birthday party, which had been arranged by her mother.

The only part of the afternoon was spent in playing different games and puzzles. By 4:45 all guests had arrived, the floor was cleared and dancing became the entertainment. Miss Alice Perrine furnished the music. A 4:30 refreshment was served. The little chairs and tables of the different soda fountains in town had been arranged for it as it was at times the guests were seated. On the table, at which the hostess was seated, was placed a large white cake, on which had been arranged three lovely white candles. The candles were lighted and Miss Evelyn sat on the cake while her little friends looked on in amazement. Miss Evelyn, Griffin and Miss Alice Perrine served.

Those present were: Miss Helen Warner, Miss Peggy Schindler, Miss Alice Taylor, Miss Helen Perrine, Miss Anna Louise Gillette, Miss Margaret Wood, Miss Helen Minton, Master Ralph Gillette, Perrine brothers, Eugene and Burton, Master Morgan Hoop, Master Harold Perrine, Master Allen Bedford and Master John Macaulay.

Left the city out of town: Little Clyde Hardy, Jr., of Borup.

An Everyday Cake

Here is a simple and inexpensive cake that can be varied in many ways with different frostings and kings. It looks a little nicer baked in a tube pan, but will be equally as good baked in a square pan.

K C Gold Cake

By Mrs. James McKeane Hill, Editor of the Cooking School Magazine. 1 cup butter; 1 cup sugar; yolk of 1 egg; beaten light; 1 cup flour; less 2 level tablespoons; 1 level teaspoonful salt. 2 level teaspoons; 1 cup milk; graded red of 1 orange.

Beat four and baking powder together three times; cream butter and sugar; beat yolk of egg, add these to creamed mixture, then the orange juice. Beat four minutes; mix in smoothly, thick and glossy; then beat in graded cocoanut, fresh or prepared, and salt. Beat the cake. Frosting is made thick by beating rather than by sugar.

Serve this recipe. You will want to use it frequently. Or better, send us the colored card cut out in each 25-cent copy of the "Cook's Book" containing this and 19 other baking recipes equally good—all by Mrs. Hill. James McKeane Hill, Chicago.

CLUBS

Club members for November. November 16, Saturday—Federation reception to club at her home, 3 Hill St. All members of club invited. This includes notice.

November 18, Monday—Parliamentary and civics, Presbyterian church, 2:30 p. m. Mrs. D. S. Morse, leader.

November 19, Tuesday—Masonic department, Masonic hall, 2:30. Mrs. D. E. Regan, leader.

November 21, Friday—History and literature, at home of leader, 8:30. Mrs. Walter Pike, leader.

November 25—Regular club, Masonic hall, 8:30; legislative day, Mrs. R. T. Hamilton, leader. Hostesses, Mrs. Max W. Kunkely, Mrs. F. V. Beckwith, Mrs. G. T. Higgins, Mrs. Betty.

The executive board of the First District Federation of Idaho met at the home of Mrs. M. J. Sweely Friday evening, November 15th. Those attending the meeting were Mrs. Pittenger of Boise, state president; Mrs. Sweely, president of district; Mrs. Ingalls of Pocatello, treasurer; Mrs. Rich of Burley, recording secretary; Mrs. Felt of Buhl, chairman of program committee; Mrs. Clouch of Twin Falls, chairman of historical committee; Mrs. W. S. Hill of Twin Falls, corresponding secretary; and Mrs. Schindman of Filer, chairman of civil service committee.

The domestic science department of the club will meet in the Stanton temple at 2:30 o'clock Saturday afternoon. "Pure Food Laws" will be the topic for discussion. There will be a demonstration of salads.

ABANDON CARRIER SERVICE

Statestman Now Delivered by Mail. Except on Sunday—Follows Change in Trains.

The carrier service established the first of October by the Idaho Statestman for the daily delivery of the Statestman was a abandoned the 15th of this month and the papers will now come daily by mail, except on Sundays, when the carrier boys will deliver the Sunday edition as usual.

The carrier service was established to remedy the great inconvenience caused by the late arrival of the mail and the complaint of the subscribers that they received their papers a day late. Now, however, that the train has changed time and arrives early in the afternoon, and the regular mail carriers are out on their deliveries one-two hours before the carrier boys are out of school, the Statestman company has found it advisable to discontinue the special carrier service, and send all papers by mail, except the Sunday edition.

The carrier service was established to remedy the great inconvenience caused by the late arrival of the mail and the complaint of the subscribers that they received their papers a day late. MOOSE NIGHT A SUCCESS

Large Crowd Enjoys Open Meeting Program and Dancing—Many New Members Added.

Twin Falls Lodge of the Loyal Order of Moose conducted an open meeting, entertainment and dance in Collin hall Tuesday evening. In part of the celebration of the additional membership that has been secured in the present membership campaign was one of the largest gatherings of its kind ever held in the city, more than 600 men and women being present.

James J. Gahan, national director of the Moose Lodge, made the principal address of the evening. His subject was "Fraternity." He explained the factors of good fraternalism, and told of the wonderful growth of the order and the good that it is doing. His address was probably the best and most interesting ever delivered on fraternalism in this city.

A. W. Sowler, dictator of the local lodge of the order, gave the address of welcome, which was followed by an excellent musical program which

BAZAAR PAYS WELL

Ladies of Catholic Congregation Realize \$1,000 to Apply to Church Indebtedness.

The bazaar held last Thursday, Friday and Saturday evenings, under the auspices of the ladies of St. Rose's Catholic church, was most successful and the gross proceeds, taken in by various methods, are estimated at \$1,000. This sum will be used in paying off the debt on the church and in putting in a number of new improvements.

In addition to the bazaar, which contained a large variety of fancy work, candy and miscellaneous articles, many of which were donated by the local stores, a hot chicken supper was served each evening, which was most liberally patronized. Excellent musical and reading numbers were given. The bazaar dance was held Friday evening in Collin hall and a large crowd attended.

The ladies wish to thank the Twin Falls business men who so willingly assisted toward the success of the fair.

Entered as second-class matter, December 2, 1904, at the post office at Twin Falls, Idaho...

THE BOND ELECTION.

On Tuesday next the people of Twin Falls will vote on the question of a municipal water supply for Twin Falls.

The question of yes or no on the subject of these bonds is merely a matter of everyday business judgment.

The men who compose the city council of Twin Falls are business men of recognized ability.

These men reviewed the situation from every angle and reached the conclusion that a municipally owned waterworks plant in Twin Falls would be the logical outcome of the present situation.

BOUNTIFUL SUPPLIES FOR HOLIDAY DINNER

THANKSGIVING GOODS ON HAND IN ABUNDANCE

Foreign and Domestic Importations Via With Claims of Home-Grown Produce of All Kinds

Never before in the history of Twin Falls have the possibilities of abundant fare for the Thanksgiving dinner been so enduring as at the present time.

A canvass of the stores of the city makes it apparent that this year an even greater variety of holiday goods than usual is possible.

Many of the stores are taking on a holiday air in anticipation of the day, much of which will be kept up until after the new year.

GOVERNOR LAUDED.

The opposition will cut but a sorry figure when it comes to the distribution of the pie.

John F. Nugent is generally assigned to the anti-Hawley forces in the state. It is unfair to class him as a traitor to the Democracy.

THE COMING STRUGGLE.

No one pretends to believe that the selection of a short term senator in Idaho will be accomplished without a bitter struggle.

Aside from the claims of the northern counties two figures stand out prominently even at this early stage. These are former Governor Frank R. Gooding and former Governor James H. Brady.

Both men have the qualities which make for success in any walk of life and each could be depended on, if elected, to devote his very best efforts to the welfare of his people.

Governor Gooding from every standpoint represents the ideal type for the post of Secretary of the Interior.

The idea is not a new one and it will bear thinking about.

SENATOR HEYBURN'S SUCCESSOR.

While on the face of the situation it looks as though North Idaho should be the home of the senator to be selected as successor to the late Waldon B. Heyburn, yet there is a good deal to be said in favor of the claims of the south-east.

North Idaho today is very well represented in the councils of the nation, both in Idaho and in Washington.

TO TEST ORDINANCE

City Council Enters Complaint Against George Harlan for Failure to Cover Open Laterals.

George Harlan, as manager of the Twin Falls Canal company, by the city council in Justice W. J. Smith's court alleging violation of the city ordinance which requires the covering of all the laterals within the city limits.

Governor Hawley is ambitious to be secretary of the interior, and there are many in all parties who urge that he should be appointed.

There is another factor that is to cut an important figure in this matter. It operates in favor of Dubois. This is the deep feeling of resentment among Democrats over the record made by the Mormons in the southern counties of the state on election day.

It is nevertheless a strange coincidence that every Mormon county in the state—Fremont, Bonnevill, Bligh, Blannock, Bear Lake, Oneida and Dubois—gave a majority for Wilson over Hawley.

But above all else in the Democratic party there stands out the absolute proof since the election that the Democratic party in Idaho is split into two well-defined and aggressive factions.

bench and one congressman. The lieutenant-governor-elect is also from North Idaho, as is the present state-auditor.

On the other hand, the southeast has nothing, and should the new senator be chosen from this section it would still leave a very considerable balance in favor of the northern counties.

THE TURKISH WAR.

Not the splendor of the victories gained, although this has been considerable, but the appalling loss of life, will be the main feature when the history of the Turkish war shall be written.

Ill armed, improperly clothed, with virtually no food supply, and lacking the first requisites for the care of the sick and wounded, the present campaign promises to establish a unique record for grim horror in the annals of civilized warfare.

The allied armies are of course the worst off, yet neither side is in a position to withstand the rigorous climate of a Balkan winter.

A PECULIAR FACT.

It is a peculiar fact, and one worthy of serious thought, that in a great majority of Idaho bank failures the names of one or more bank examiners are found upon paper among the assets of the defunct institution.

The evil of the practice lies not so much in the loan as in the power of the official to virtually compel such loan in the case of the smaller and weaker institution.

It would be folly to say that all bank examiners are addicted to such practices, but it is a fact that in the past such things have been done, and the whole body of examiners comes under fire as a result.

SESSION EXTRAORDINARY.

The view of President-elect Wilson that the sooner tariff revision commences the better is a sound one.

It seems to be the intention to enact a new tariff schedule at once and, since this is bound to come, the sooner it is over the better.

THE HEAVY-WEIGHT CHAMPIONSHIP.

Jack Johnson, the heavy weight pugilist, may never fight again. From present indications it looks very much as though by the time he is again in a position to fight he will be too old to take an active interest in athletics.

Johnson by his actions has rendered himself obnoxious to the men and women of America, not only in sporting circles but in every other walk of life.

Those who claimed when Johnson became champion that the championship had finally reached the proper hands and should be left right there, may now take credit for a high sense of perspicacity.

THE NEW SENATOR.

The choice of Judge Percy of Boise as United States senator for the interim between his appointment and the selection by the state legislature of a successor to the late Senator Heyburn should meet with general approval among the Democrats.

Judge Percy is and has always been a consistent Democrat and a willing worker. The reward is commensurate with the service he has rendered.

RESULT IN MINNEAPOLIS.

St. Paul, Nov. 19.—Boosevelt carried Minnesota 19,430 votes against complete returns tabulated today by the secretary of state.

Governor Heyburn's plurality is 11,072. The vote on the national ticket, as officially compiled, is: Roosevelt, 125,856; Wilson, 105,422; Taft, 54,354; Debs, 27,605; Chas. F. Johnson, 2,012.

TWO SIDES OF QUESTION.

(Continued from Page 1)

The report is received, and the needs and necessities set forth in detail. It is not until then, after the bonds now proposed for sale, in this connection, these bonds will be sold only for an actual cash price.

Northern Man Wanted.

French would please the Progressives pretty well, but all recognize the folly of electing French senator and subjecting the state to at least \$20,000 expense for a special election.

EXCESSIVE.

Margaret—Intensely modern, fast, smart, and well-to-do.

Including connections, prices for water service, and all rules and regulations connected therewith, should be determined by a committee of citizens and water users appointed by the council.

It is approximately the sum of \$50,000, and as near as can be determined the cost of operating the present system.

It will be seen by the foregoing that notwithstanding the attitude of the present Water company and the vigorous attitude of the city council, it is approximately the sum of \$50,000, and as near as can be determined the cost of operating the present system.

Investment, to Date.

Accepting figures furnished by the present company, they have invested in the present system approximately the sum of \$112,000, and this includes various items of equipment which are absolutely useless in the operation of a municipal plant.

It would seem from the foregoing that the city can well afford to own and operate a municipal water plant. Some consideration of this present Water company and the exorbitant good faith requires that as much of the present system as is possible should be bought and paid for at a fair valuation should the company desire to sell, and it is the purpose of the council at the present time to acquire absolutely by this route or other means, no more, no less, and being guided by the recommendations of the committee.

As in such as it will require considerable time to work out the details of the plan proposed, as well as to secure satisfaction of the public, it is very important and the council deem it imperative that no delay of any kind should occur to interfere with the proceedings contemplated.

ORDER TO SHOW CAUSE, ETC.

In the Probate Court, County of Twin Falls, State of Idaho.

In the matter of the Estate of Carl A. Camp, Deceased.—Order to show Cause why Order of Sale of Real Estate Should Not Be Made.

Thomas J. Woods, the administrator of the estate of Carl A. Camp, deceased, having filed his petition here in praying for an order of sale of all the real estate of said decedent, for the purpose herein set forth.

It is therefore ordered by the said Court, that all persons interested in the estate of said deceased appear before the said Probate Court on Thursday, the 26th day of December, 1912, at ten o'clock in the forenoon of said day, at the court room of said Probate Court, in the county of Twin Falls, to show cause why an order should not be granted to the said administrator to sell so much of the real estate of the said deceased as shall be necessary.

That a copy of this order be published at least once a week for not less than four successive weeks in the Twin Falls News, a newspaper printed and published in said Twin Falls county, Idaho, and that said publication be completed at least five days prior to the 26th day of December, 1912.

JAMES W. SHIELDS,
Judge of Probate.
Dated November 19, 1912.

SCHOOL DEDICATED AND TOWN PLANNED

"LAKE VIEW" WILL BE NEW NORTH SIDE CENTER.

Russell-Lane School, Opened Last Week, Another Milestone in Educational Progress—Excellent Program Rendered.

The completion and dedication on Friday of last week of the magnificent new school-house, the Russell-Lane school, at Lake View on the North Side, about 18 miles due east of Twin Falls, marks another milestone in the chain of modern educational institutions established in southern Idaho. The dedication exercises, which took place Friday afternoon at 6 o'clock, were a high order and gave additional evidence of the culture, refinement and progress of the people who are locating on these irreplaceable sections. The program was carried out with the same spirit of thoroughness and enthusiasm that has built the new town. There was not a quaver in a hair in all the exercises and the scholars' part of the program reflected especial credit on the work and skill of the teachers. Miss Mary Randall and Miss Harriette C. Morgan, who were ably assisted by Mrs. James C. Knott. And the committee on refreshments certainly understood the art of pleasing the palate. At 6 o'clock they served a very generous and delicious luncheon.

Plan New Town.

The school building, which is a two-story brick structure with a large auditorium, is located on a site near the center of a tract of land containing 10,000 acres. There are some very fine farms on the tract, which promises to soon become one of the richest sections in southern Idaho. The place has been named "Lake View." Plans are laid for the building of a town, the first step being taken with the erection of the new school. "Lake View" is situated on the Idaho Southern railroad, five miles southwest of Eden, a new and growing town on the Rupert-Bliss cut-off of the Oregon Short Line, which traverses the entire North Side tract.

"In 1908 a little country school was established in a small frame building. The district, which now contains about 40 families and some ten buildings, was recently bonded for \$10,000 for the purpose of building the school. The secret of the success of the school was told by Mr. Rolly in his address. "There has been no friction, no jealousy and no knocking. Absolute harmony has prevailed and we have had the undivided support of the taxpayers of the district."

The naming of the school was an important part of the exercises program. Three names were proposed: the Carey school, in honor of the father of the Carey act; Whitman Trail, in honor of Walt Whitman, who passed through the vicinity in 1842; and Russell-Lane school, in honor of Messrs. Russell of Salt Lake and Lane of Nampa, who donated five acres for the site and ground of the school. J. A. Waters of this city very generously donated a large number of trees and shrubs with which to beautify the grounds.

To Be Agricultural School.

The building contains six rooms and two teachers are employed. There are

about 25 scholars attending the school, including students in the first year high school course. Eventually the school will be known as the Russell-Lane Rural Agricultural High School. The basement is later to be used for manual training and domestic science classes. The second story is at present devoted to an auditorium, seating about 200 or more and with ample storage room. This will be the gathering place for the neighborhood for entertainments and social affairs.

There was also gathered at this dedication function a very creditable exhibit of fruit, vegetables, canned fruit and corn, which attracted a great deal of attention. The auditorium was also decorated for the occasion—in autumn festival array.

The Speakers.

D. C. MacVorters, one of the speakers of the evening, was unable to be present, having been called from the state on business. T. W. Fetter, of this city, also to have given an address, was prevented from being present. J. A. Waters of this city, being present, took the place of the absence of the above speakers, and responded in a very able manner. Major Fred H. Rood was the principal speaker of the evening and delivered an splendid address in his usual forceful and humorous manner, adding much to the cheer and good fellowship that prevailed during the entire occasion. Major Rood stated that this was one of the most complete dedication ceremonies he had ever attended and one of the most delightful and commendable functions ever attempted and carried out in this part of the state.

The Program.

Reception.
Inspection of the new building and the exhibition.
Raising of the new flag.
March and flag song—By the students of the school.

Invocation, "Our Flag"—Florence Shannon.
Blowing of "The Star Spangled Banner" and raising of the flag—By the students of the school.
Salute to the flag.
Pantomime.

"The Passing of the Old School."
(The old way and the new.)

I. The Old Master—Mauroice Morgan. His pupils—Ruth Shannon, Dixie Martin, Homer Martin, Howard Milligan, Lloyd Truesdale, John Large.

II. New Interests—(domestication)—Mary Large, Catherine Shannon.

III. The Pleasure of the Study Hour—Wilford Ford, George Press.

Write Ideas for Moving Picture Plays!

YOU CAN WRITE PHOTO PLAYS & EARN \$25 OR MORE WEEKLY

We Will Show You How!

If you have ideas—if you can THINK—we will show you the secrets of this fascinating new profession. Positively no experience of literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever-increasing demand. They are offering \$100 or more for single scenarios or written ideas.

Nearly all of the big film companies, the buyers of photoplays, are located in or near NEW YORK CITY. Being right on the spot, and knowing at all times just what sort of plots are wanted by the producers, our SALES DEPARTMENT has a tremendous advantage over agencies situated in distant cities.

We have received many letters from the big film manufacturers, such as VITAGRAPH, EDISON, ESSANAY, LUBIN, SOLAX, IMP, BEX, RELIANCE, CHAMPION, COMET, MELIES, etc., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication"

Perhaps we can do the same for you. If you think of only one good idea every week, and will write it out as directed by us, and it sells for only \$25, a low figure,

You will earn \$100 Monthly for Spare Time Work

FREE—Send your name and address at once for free copy of our illustrated book "Moving-Picture Playwriting"

Don't hesitate. Don't argue. Write NOW and learn just what this new profession may mean for you and your future.

NATIONAL AUTHORS' INSTITUTE

1543 Broadway
NEW YORK CITY

EAST END RABBIT DRIVE

Artesian City and Murtough Growers Will Bag the Game Next Sunday Afternoon.

Artesian City, Nov. 19—A big rabbit drive will take place between here and Murtough Sunday, beginning at 1 o'clock. The Murtough boys will drive toward J. W. Martin's ranch and the Artesian City contingent will drive toward the same place, where the rabbits will be corralled and slaughtered. Eyaroboy invited.

Sam Strong is throwing on his best this week. Since the roads have begun to dry off, it is an excellent time to drag them and have a fine winter road.

H. Deering is hauling coal for the school house this week. It is much more convenient for people of this locality since an agent has been placed at the Murtough station, and will be more when the new depot is completed.

The following purchasers of Artesian City suburban tracts have made their final payments and received deeds: Charles E. Farmer, E. R. Lonsa, A. O. Lee, H. E. Pickett, J. I. Tolman, E. J. Costello and J. P. Hogan. Chris Arstein purchased a five-acre tract this week. He expects to put it in potatoes next season.

Miss Anthon is assisting Mrs. Bower this week. The young folks will dance again this coming Friday night. Mrs. Orson Strong will serve lunch and Hilroy's orchestra will make the music. A cordial invitation is extended to all.

J. I. Tolman and family motored out from Murtough Sunday. Chloë Strong came up from her school at Twin Falls and spent Sunday at home.

Ed Randall and Miss Cora Land were champions at the card party given at the Land home last week. Bishop Bosonia of Merton Ward spent Sunday here, organizing the Sunday school. Mr. Motes was elected superintendent.

E. Medley, from the North Side, spent Sunday here at the Land home. Mr. Medley is in poor health and will make a journey to Arizona in the near future.

T. B. Drury of Marion visited at the Beers home a few days last week. The Ladies' Sewing club met with Mrs. William Motes last Thursday. In two weeks they will meet with Mrs. Beers.

Mrs. McMillan arrived from the east last Thursday and her family will move into the Hutchins house for the winter.

H. C. Randall has his stone house about completed and will soon move into it. William Gardner has been very successful with his onions this season and will try it again next year.

Sick headaches is caused by a disordered stomach. Take Chamberlain's Tablets and correct that and the headaches will disappear. For sale by all dealers. (Advertisement)

NOTICE!

As our new home was not completed in time for us to move last Monday, we wish to announce that we will be in our new location next MONDAY, NOVEMBER 25 and cordially invite all to drop in and see one of the best appointed grocery stores in Southern Idaho.

SOME NEW GOODS JUST IN

"THE PURE FOOD GROCERY"

ROYAL BAKING POWDER

Absolutely Pure

[From a series of elaborate chemical tests.]

Comparative digestibility of food made with different baking powders.

An equal quantity of bread (biscuit) was made with each of two kinds of baking powder—cream of tartar and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The percentage of the food digested is shown as follows:

Bread made with Royal Cream of Tartar Powder: **69 Per Cent. Digested**

Bread made with alum powder: **67 Per Cent. Digested**

Royal Baking Powder raised food is shown to be of greatly superior digestibility and healthfulness.

SABBATH SCHOOL LESSON

NOVEMBER 24, 1912

THE TRANSGRESSION.

Mark 9: 1-13

2. And after six days Jesus took with him Peter, and James, and John...

And awakened them, and when they had seen Jesus, they were alone...

Golden Text: "There came a voice out of heaven, saying, Who thou art, thou art Jesus, the Son of God."

Introduction: This lesson follows directly after the preceding...

1. And there was a cloud that overshadowed them, and a voice came out of the cloud...

2. And he answered and said to Jesus, Master, it is good for us to be here...

3. And he answered and said to them, I have said unto you, ye have not understood...

4. And he said unto them, Ye have said, Ye have said, Ye have said...

5. After six days probably means a week after the event recorded in our text...

6. Peter, always impulsive, and prompt, was the first to speak...

7. God often used a cloud to shadow his personality, that we should not overshadow these three while they were conversing...

8. Christ often used a cloud to shadow his personality, that we should not overshadow these three while they were conversing...

9. Christ often used a cloud to shadow his personality, that we should not overshadow these three while they were conversing...

10. Christ often used a cloud to shadow his personality, that we should not overshadow these three while they were conversing...

11. Christ often used a cloud to shadow his personality, that we should not overshadow these three while they were conversing...

GOOD BOOST FOR TWIN FALLS SPUDS

R. MORRILL CLOSED SUCCESSFUL POTATO SHIPPING SEASON. Says Car Shortage Interfered With His Plans, But Looks for Much Better Results Next Year.

The last car of special Twin Falls potatoes was shipped to Chicago last Saturday by R. Morrill, who has managed the business for the past month...

"The Twin Falls potatoes are in excellent condition," Morrill said last Saturday. "I am convinced that no better can be raised anywhere and I have a thorough knowledge of the best potato districts in this country."

Unavoidable Hindrances. "Another reason is accounted for by the unfavorable weather. The rains have made the roads impassable for farmers to bring anything like good loads to this city and they do not wish to bring only partial loads, especially when they live some distance from the city."

Before leaving for the east Mr. Morrill outlined his plans for securing Twin Falls potatoes in the future. He is desirous of securing contracts for several hundred acres agreeing to take the entire crop that are of sufficient size for his use...

Has Many Interests. Mr. Morrill is one of the leading fruit and potato growers in the United States, having large orchards in Michigan, Illinois, Oklahoma and Texas.

ERECTS OFFICE BUILDING

First Step Is Taken In New Row of Business Houses on Shoshone Street.

Robert M. McCollum is erecting an office building on Shoshone street, between Third and Fourth streets, which he expects to have completed by the first of the year. The building will be of brick and concrete and will contain two stories in height. It will consist of two floors of office rooms to the suite. Each room will be 10 by 20 feet, and all the modern conveniences, including hot and cold water, will be installed. This is the first building of a business nature on this street beyond the first block, and will precede the others along that square.

EXPERIMENT IN FEEDING LAMBS

The Idaho Experiment Station is conducting an experiment in feeding lambs in southern Idaho, for the purpose, primarily, of determining the feeding value of alfalfa hay, especially to find out the best combination of Idaho grains to be fed in connection with alfalfa hay.

Accurate weights of all feed used are kept, and the lambs are weighed weekly to determine gain. During the fattening period each lamb gets 90 pounds of alfalfa hay, and the balance of the feed is made up of the various experimental rations.

RINGWORM IN CATTLE

Ringworm is a contagious disease due to a fungus. Man, horses and cattle are commonly affected and it is easily transmitted from one animal to another.

The affection first asserts itself as a ringlike patch with the hair broken out, or a scabby field. The animal loses weight and the ground around the patches or muzzles, scattering from there over different parts of the body.

EDUCATIONAL VALUE OF THE CHICAGO STOCK SHOW.

This great show will be held from November 30 to December 7 at the Union Stock Yards, Chicago. The exhibits are greater than ever before, the quality of the stock better, and the interest among farmers, breeders and investors keener than at any previous time. It may be interesting to state that the International Live Stock Exposition has been held in Chicago, since its beginning, twelve years ago. It has assumed such importance in the live-stock world as to render its annual occurrence a necessity, not only on account of its being the highest court of appeal, the court of last resort to stockmen, but because it sets the stamp of approval upon those of our domesticated animals that are most in demand, and establishes a standard among stock that must be lived up to in order to realize for the breeder, feeder and farmer the highest price for his product. The day of the inferior animal, the slow feeder and the fatty meat getter is passed, and in order to succeed and obtain the best results in the shortest possible time, stockmen must breed for the types set by this great international tribunal; follow its mandates, adhere to its principles, and abide by the findings of its judges, in order to breed that which is best, the most important time, the quickest and realizes the highest price in the shortest time. The ordinary observer has little idea what this Exposition is, what it teaches and what it means. It does not seem to be appreciated. It should be studied to be understood. No more pleasant time can be spent no more practical lessons learned, and no more valuable knowledge gained than by attending the eight days of this Exposition. The stockman will gain more real, sound, solid and serviceable information by attending this Exposition than he can gain in ten times the performance time of any institution. At this show he sees the best of every breed, his field for comparison is immense, and his opportunities for practical education are limitless. By attending this show he combines business with pleasure, knowledge with practice, and education with example. It is the school of real learning for the stockman, a free education that remains in his head and carries with it the methods whereby the best live stock is produced and the most money made.

FATAL ACCIDENT NEAR ROGERSON

RAY CLINE MEETS DEATH AT HANDS OF A FRIEND.

Premature Discharge of Revolver Painfully Wounds Fred Atkinson—Jury Exonerates Slayer.

Ray Cline, 23, cowboy, of Hollister, died at the Twin Falls city hospital last Friday evening as the result of an accidental shooting. Fred Atkinson shot on the Brown ranch, 18 miles from Rogerson, early in the morning of that day. Atkinson, by whose hand the gun was discharged, came to this city and gave himself up to the authorities pending any charge of criminal intent that might be placed against him. A jury in Coroner Crosby's court Sunday morning returned a verdict of death due to accidental shooting. Atkinson was released.

As told at the coroner's inquest by Richard Gray and Atkinson, the only persons present in the room at the time of the shooting, the vicinity of the accident was a friendly one, and the shooting followed an trifling affair. According to the ordinance, Cline, upon receiving word his revolver from under his pillow intending to fire a shot through the ceiling. With the gun still in the holster, and one finger of his left hand, which was painfully wounded when the gun was discharged, over the muzzle, Atkinson attempted to bring the revolver to cock. The hammer, however, slipped from his thumb, directing the ball into Cline's abdomen as the latter was in a low crouch.

Dr. Alexander called.

Realizing that the wound was a serious one, Gray rode with Cline to Rogerson and wired Dr. Alexander of Twin Falls to go to that city by auto. He accompanied Cline, who was being accompanied there by Atkinson in a wagon. When he was brought to this city Cline was operated on to extract the bullet, but the probing was unsuccessful due to his weakened condition from loss of blood. He died Friday evening, conscious to the last, and before dying gave it as his belief that the shooting was purely accidental. Testimony at the hearing, Dr. Alexander stated that the autopsy showed that death was directly due to loss of blood from a bullet wound, and that the ball had punctured the intestines and entered the column of the spinal cord.

Testimony was given at the hearing by witnesses other than Gray and Atkinson as to the friendly relations between Atkinson and Cline. It was stated that Cline came to the Atkinson place a day or two before the shooting, spending the time with the boys in a friendly visit. Cline, Atkinson and Gray are all cowboys.

riding the range in the hills in the southern part of the county for the Vineyard Land company.

Family Well Known. Member of Cline's family live at Rock Creek. He has been engaged in range riding and ranching for the past few years all through the county, especially in the Rock Creek, Rogerson and Hollister vicinities. He was known as one of the best wild horse riders in this part of the state.

ON THANKSGIVING DAY

Usual Observance Customs Will Be Carried Out in Twin Falls—Stores to Close.

Thanksgiving day will be accorded the usual observance in Twin Falls. Families, relatives and friends will gather to do honor and justice to the great American bird. Clubs and organizations will meet and enjoy the day's feast together. Practically all stores will close for the day. Union Thanksgiving services will be held, and pleasure and happy trips will take many into the country.

The union services will be held in the Christian church on Thanksgiving morning. A rabbit drive will take place that morning along the Snake river canyon, and many other outing parties are planned by those who will celebrate the day with an evening ride in the forest.

Bank, barber, shops and many of the mercantile houses will be closed for all day, while the groceries and other places of business will keep open shop for a few hours during the morning.

Money to loan—Swain & Aldrich. (Advertisement)

SIXTEEN CARLOADS OF RAILS ON WAY

INTERURBAN LINE WORK PRO- CEEDING RAPIDLY.

Failure of Eastern Mills to Fill Contracts for Supplies Lead to Extension of Franchise to May 1.

An extension of time on the franchise of the Twin Falls Railway company was granted until May 1 by the city council at a meeting held last Monday evening. The extension was granted owing to the fact that steel carloads of rails in time to fill the orders for rails in time to allow the road to be in operation by December 1, as had been originally planned.

R. R. Spafford, secretary of the company, has received word that 16 carloads of rails are now on the road and cars are being loaded and sent out each day from the steel mills in Illinois. With the prompt delivery of these rails there is every assurance that the road will be operating long before the recently granted extension of time has expired.

The laying of tracks to the Oregon Short Line station has been completed across Spahnose street on Sixth avenue west. Car bars and repair shops will be built at the corner of Second street and Sixth avenue west, and tracks will soon be laid into those yards from the Second street line.

A temporary transfer switch with the Short Line tracks has been placed at the intersection of Second street with the railway tracks.

After reaching the boulevard the track line will be laid along Addison avenue first. The concrete abutments for all bridges on the entire route are completed. The bridge girders are now engaged in placing the stringers and ties.

Announcement Extraordinary

37 Novelty Wraps Just Received by Express 37

Specially Priced at \$11.75, \$13.75, \$17.75; All Wonderful Values

These are new garments sent us by a very prominent Eastern manufacturer at greatly reduced prices. Charming styles suitable for practically every purpose are included in the selection. Automobile wraps, evening coats, traveling coats, in fact coats for all uses and priced at the three prices of \$11.75, \$13.75 and \$17.75.

With such an extraordinary announcement as this and such valuable styles and qualities to select from you should not delay in picking out your new winter coat.

Materials used are light weight broadcloths—handsome—diagonal weaves, double-faced materials, loose camel-hair waives and polo cloths.

They are shown in mostly all full-length garments. Many of them have the new collar which can be buttoned up close around the neck or turned down to show wide revers and flat collars. Large cuffs, patch pockets and large buttons of all descriptions are features on the handsome models.

Black and a fine assortment of colors, both light and dark.

Largest assortments are found in misses' 16 to women's 38, although we have them up to 44.
