

WORST FLOODS IN HISTORY RAGING

OHIO AND INDIANA STRICKEN BY APPALLING DISASTER

Files Add to Horror of Situation Death List High and Property Loss is Impossible to Estimate

Chicago, March 25.—Unverified reports from newspapers state that Ohio and Indiana show the following estimated loss of life:

- OHIO: Dayton, 100 to 3000. Piqua (rumored) 500. Delaware, 50 to 100. Middletown, 15 to 20. Hamilton, 12. Tippecanoe City, 3 to 5. Scattering, 10. Total—Ohio, 750 to 3175. INDIANA: Peru, 200 to 500. New Castle, 3. Lafayette, 2. Noblesville, 2. Frankfort, 1. Fort Wayne, 1. Rushville, 1. Total, Indiana, 210 to 500. GRAND TOTAL, 760 to 3675. The homeless are estimated to number upwards of 100,000. The property damage is roughly estimated at \$25,000,000.

All the great railroad systems running through the flooded states are tied up by floods and washouts.

Dayton, Ohio, March 25.—(By Telephone via Xenia.)

Dayton today is nothing less than a seething river three miles wide, a mile and a half on each side of Main street, its principal thoroughfare, while it is estimated that from 2000 to 5000 people have perished. The Algonquin hotel is submerged in water up to its third story, and above the level in the downtown district office buildings, hotels and business houses are places of refuge. A school building, which was known to have housed not less than 400 children shortly before the waters rushed in that direction, is entirely submerged and as far as can be ascertained all of those little ones met a watery grave.

TO CALL THE NATIONAL GUARD

Columbus, Ohio, March 25.—Governor Cox late tonight issued an order directing Brig. Gen. Sparks to call out the entire Ohio National Guard to morning for duty in the flood swept district, which comprises the whole state. "If our worst fears are confirmed, it will be necessary for us to call on the outside world for tents and supplies in order to make provision for the worst calamity that has ever befallen this state," said Governor Cox in a telegram sent tonight to the New York World. The governor also informed the New York paper that troops were ordered out for duty in the capital city, and that the naval reserves were dispatched from Toledo to Piqua. The Dayton companies are on duty in that city, he said. The Cincinnati companies presumably, the governor said in his message, will be dispatched to Hamilton and Middletown in the Miami valley, which sent out distress signals shortly after noon.

Heavy List of Killed.

Logansport, Indiana, March 25.—11:50 p. m.—The mayor of Peru, over the telephone says:

All Governor Randall's troops from 200 to 400 killed on south side; we want provisions, clothing, and coffee.

South Bend, Indiana, March 25.—A relief train left tonight for Peru. The rescuers expect to get within three miles of Peru by rail and cover the balance of the distance by boat.

MORE SEED CONTRACTS

G. B. Brown, of Grand Rapids, Michigan, Places Three Car Loads on the Tract.

G. B. Brown, of the Brown Seed company, Grand Rapids, Michigan, after contracting for three car loads of seed peas on the tract, one car was placed in the Dubal section of the county, another between Twin Falls and Filer, and the third in the Kimberly district. The crops will be purchased by the Brown company and the best shipping of the peas will be supervised by representatives from Grand Rapids.

Mr. Brown stated before leaving for home that he could have placed many more contracts for seed had he been prepared to do so when he came to the tract. He has every reason to believe that there will be a big crop this year, and that pea culture will assume extensive proportions by another season.

WHEN A DUCK lays an egg, she waddles off as if nothing had happened. When she returns, she carries a paper bag and a small basket. The hen advertises, hence the demand for her eggs, not ducks.

INDEPENDENT PLATFORM

Strong Promises are Made by Backers of the Opposition to the Present Board.

Two changes have been made in the personnel of the independent city slate of John J. Pilgrimage has been named as the candidate for the mayoralty, in place of Dr. T. O. Boyd, and A. M. Wikler has taken the place of George Bryant as one of the candidates for councilmen from the first ward. The following platform has been adopted:

- 1. We advocate the passage of an ordinance prohibiting girls under the age of eighteen years from attending public dances, unless accompanied by their parents or other natural guardians.
- 2. We advocate the rigid enforcement of a curfew ordinance, requiring all children under the age of 16 years to be off the streets after 9:00 o'clock p. m., unless accompanied by their parents or other natural guardians.
- 3. We advocate the co-operation of the city with the county in juvenile delinquency work.
- 4. We advocate the rigid enforcement of an ordinance prohibiting boys under the age of 18 years from frequenting pool halls and card rooms.
- 5. We advocate a rigid, and not a more lenient, enforcement of all laws and ordinances, particularly liquor and gambling laws and ordinances, without favoritism to any person whatsoever.

We are opposed to burdening the people with unnecessary expense, and favor strict retrenchment consistent with public good.

We favor enforcement of the law requiring an eight-hour day on all city work and favor employment of boys on such work wherever practicable.

We strongly condemn making a political football of the waterworks question, and favor the taking of immediate steps for the ultimate ownership by the city of a good and efficient water-works system. We vigorously condemn the dilatory methods and vacillating manner of handling the water-works question by the present city council.

CASH IS GOY

No Change in the Situation With regard to the Sale of the Water-works Bonds.

There has been no change in the municipal waterworks bonds situation since the new week, pending the final decision of the Toledo Trust and Savings Bank successful bidders for and buyers of the bonds.

ASSUMES NEW NAME

Well Known Local Institution Will Hereafter be Known as the Burton Coal Company.

The Flier Coal company will hereafter be known as the Burton Coal company, after the name of its proprietor, Charles H. Burton, who for a number of years past has operated the business.

Mr. Burton is one of the old-time residents of Twin Falls and has been engaged in the coal business for some years. He was originally engaged in the practice of his profession, that of civil engineer, and in the early days of Twin Falls much of the engineering work of the project was carried out under his direction.

MAKE RECORD TRIP IN AUTO FROM COAST

A. L. SWIM AND FAMILY JOURNEY FROM LOS ANGELES

Half Day's Heavy Rain the Only Draw Back in Thoroughly Enjoyable Outing—Make the Trip in Seven Days.

Mr. and Mrs. A. L. Swim and children returned home by automobile from Los Angeles last Saturday evening. The trip was made from Los Angeles to Twin Falls in seven days in their new Franklin car, which shows no marks from the travel over the mountains and deserts.

Mr. Swim and his family have been absent for the past ten weeks, going to Texas and San Francisco. From San Francisco they started by auto to San Diego, being joined at Los Angeles by Mr. and Mrs. Aldrich, who returned with them to Los Angeles. The start home was made a week ago last Friday. No difficulty was experienced in crossing the White mountains or the deserts, although a half day was lost through being delayed by heavy rain in California.

The home trip from Los Angeles was made in one of the fastest time records known—Sufficient time was taken for rest at night and meals, Mr. Swim states that he drove moderately and that the quick time taken for the trip is attributed to the excellent running condition of his car.

WORKING FOR BASEBALL

Committee Soliciting for Funds for Team Organization—Good Pitches on List.

The baseball committee is engaged today in soliciting funds for a Twin Falls team for the coming season. The management is in communication with pitchers of ability and record, and it is believed no trouble will be experienced in getting material for at least \$1200 will be necessary to guarantee the organization of a team.

Mr. Burton states that he is prepared to place the grounds in condition. As soon as the weather will permit players will be called to the field for practice.

FREE THEATRE TICKETS

There are two coupons hidden away in the advertising section of this issue of The News, each of which will admit one boy or girl to the matinee at the Lais theatre Saturday afternoon, March 29.

The coupons are smaller than the last, and they may be a little harder to find, but they can be found by looking, and each child holding one may attend the Isis matinee on the ground of the Twin Falls News.

ANOTHER GOOD ROADS DAY PLANNED

DATE FOR BIG CONCERTED MOVEMENT TO BE FIXED SOON

Farmers Promise Their Active Co-operation—Strong Committee Has Charge of the Work.

Definite steps have been taken for more good roads in Twin Falls county. With the first indication of settled weather workers will get out on the roads with graders, scrapers, brooms, picks, and shovels building up the road here, lowering the grade there, and placing the highway in shape for busy traffic. A date will be set about April 10 for the good road building.

Inspired by the great success which attended good roads day last year, the Twin Falls Commercial club has determined to make the building of good roads an annual affair. To that end a committee has been selected to work out the plan for this year. The committee, composed of S. Edwards, Willard Hance, C. E. Ostrander, and M. J. Sweeley, has gone energetically to work at making arrangements for splendid results.

Farmers are interested. The good roads committee was chosen at a meeting held in the Commercial club room last Friday evening, and met Saturday evening to complete the plans that will be carried out on good roads day. While the public meeting Friday evening was poorly attended, good roads boosters present were determined that the building of first class highways was not to be started. A number of farmers from a distance were present and stated that in many places the roads are in poor condition. That water running over the muddy good side road ditches, has flooded and washed the roads until it is impossible to travel with the better than the town. Culverts are broken and water through those courses has formed potholes in the roads. It was stated by the farmers that many miles had been placed about the water, and that it is dangerous to attempt to cross them, especially in night. The approach to the culverts or lowering the culverts where the grade is found to be lower than where the crossing has been made.

COMMISSIONER WILL HELP

Farmers throughout the county anxious to assist in putting the roads in first class condition. County Commissioner Carlson, of this city, stated at the meeting Friday evening that he is conducting road improvement in his district with the help of the farmers, and is furnishing graders for their use wherever possible. He expressed his desire to co-operate in any desirable way with the good roads club good roads boosters in making their a success.

It has been decided by the committee working with the help of the farmers, the improvement of the roads throughout the county would not be taken up by the committee, but by the good roads enthusiasts in the various towns and population centers of the tract would be asked to take up the work in their own territory from those points. It is believed that the work will be carried on in this manner in a great many parts of the county.

LIST OF CAPTAINS

With the decision that the work this season will be done by the local committee on the roads near this city, the following list of captains and section management has been made:

Mr. Thomas will have charge of the road running south, Mr. Hance of the road running east, Mr. Ostrander of the road running west and north from the corner of town, Mr. Snyder the Kimberly road, Mr. Edwards the road running west and north from the same point, and Mr. Sweeley the road to Shoabon Falls.

The work will be carried out along these roads as far as workers can be secured to give the day towards the improvements. The arrangements for work of outlining the improvements along their routes and full details will be announced soon as to the manner of operation.

DISCUSSES WORK OF CHILDREN'S HOME

FIELD HEAD OF BOISE INSTITUTION VISITS TWIN FALLS

Work of Caring for the Needy Children of the State is now Well in Hand

That there will be little work for the Children's Home, the state institution at Boise, to do in Twin Falls during the coming year is the belief of J. V. Hawk, field representative of the home, who is spending a part of his week in the city. The amount of work was done in this county last year and Mr. Hawk believes the great majority of needy and homeless children in this part of the state have been taken care of.

During last year it cost the Home \$1642 to care for the children taken from this county; 21 children being taken care of through the Home. Of this number a children were given temporary homes, while permanent homes could be found, while the remainder were regularly adopted by the Home, to be given care and schooling until such time as places could be found for them. The county commissioners gave \$500 toward the Home fund, and churches and other organizations of this city and county gave about \$700 toward the same fund.

Low Average Cost.

It is stated by Mr. Hawk that the average cost to the Home of keeping a child for one year is \$76, while the cost to the state home in all the states, taken as an average, is \$103, showing that the Idaho institution keeps well below the average of a great many of the other states. He states that the cost to the state in keeping a boy or girl at the state industrial school for one year is \$162.

As a new arrangement children at the state industrial school, in case not involving serious delinquency, may be transferred to the state children's home, this provides for less cost to the state and places the younger children, especially in a different environment. Mr. Hawk declared himself as well pleased with the work that has been done in this county in the past.

WINS FIRST PLACE

Miss Jennie Perkins, of Twin Falls, Successful in Dictionation Contest

Miss Jennie Perkins will represent the Twin Falls high school in the state high school dictionation contest to be held in Pocatello, in April. Miss Perkins won first place in the humorous class at the home contest at the high school last Thursday evening, and was declared the winner on points of all three classes contesting. The contest brought out some excellent talent in the dictionation, dramatic and humorous classes, and was well attended. The judges were Mrs. W. F. Shaw, professor; L. L. Moulton, and Miss Ada Wellington.

The contestants and their ranking in classes, were: oratorical, Glenn Beason, first; "An Appeal to Arms"; Scott Williamson, second; "The Fireless Patriot"; dramatic, Alice Sanderson; first; "The Man in the Shadow"; Elmano Deles, second; scene, "The Fortunate Pilgrims"; Bird Wall, third; "The Oryzite Flower Girl"; humorous, Jennie Perkins, first; "How Many Planets?"; Lester Williams, second; "Bill Tracy"; written, and Irene Vleser, third; "Aunt Sophie's Geography Lesson".

The Telephone! The luxury that speaks for itself! If you knew its merits you would never be without one. The time and money it saves, the convenience it brings, makes it worth twice its cost. Try it and be convinced.

The Mountain States Telephone and Telegraph Company

WHY

The Best Fence Is the Cheapest

The difference in cost between a loosely woven fence made of brittle, poorly galvanized wire and the best fence you can possibly buy locally is few cents at the most. In fact, it is so slight that you can't afford to consider it for a minute. When you stop to think that it takes just as many posts and just as much labor to put up a short-lived fence as it does one that will last you two or three times as long, and which costs from twice breaking through, horses going over, and pigs crawling under—you will agree that to buy any wire fence just because it is cheap is poor economy.

Square Deal Fence

will outlast any other farm fence you can buy and costs no more than any other fence of equal weight and quality of material. Every rod is guaranteed by The Keystone Steel and Wire Company—the mill that makes both the fence and the wire that goes into it.

Come In and See It

before you buy fencing. See how trim and neat it looks; how easy it handles; see the non-breakable, non-dipping Square Deal Lock. See the wavy strand wires that keep Square Deal Fence tight and trim the year around. See the one-piece stay wire that makes this fence self-supporting, non-sagging and non-buckling.

Get our latest prices on guaranteed "Square Deal" Fence. No freight to pay. No waiting.

WINS IN DEBATE

Rolla Crater, a member of last year's class in the Twin Falls high school, was the number of this year's debating team of the University of Idaho, which on March 14 defeated the Gonzaga College, Spokane. A university team was given the State University team, which upheld the affirmative side of the question...

The Argonaut, published by the University, has the following to say of Crater in describing his debate: "He did effective work in refutation, and then proceeded with the affirmative case. He is a sound thinker and a fine debating will make a good public speaker."

Judge Stockalger Will Announce Fate of Gully Men Tomorrow—Other Cases Tried.

Judge Stockalger has announced that he will pronounce sentence upon W. C. Janka and Frank Dolan Friday morning at 10 o'clock. Sentence may also be pronounced upon John Haisch at that time. A verdict of guilty was returned by the jury last Saturday morning in the case of Frank Dolan, charged with stealing cattle. Janka was found guilty of receiving stolen cattle and Haisch with assault upon Charles Pittman.

A verdict for the defendant was returned yesterday afternoon in the case of L. C. Smith vs. Constable R. A. Graham, and his bond sureties, J. J. Pihlgren and B. John Skinner. This was an action in which the plaintiff alleged that Graham failed to perform his official duty in the sale of personal property under writ of execution. The cause arose out of the case of Smith vs. Dora Patrie, in which the plaintiff secured a judgment on attachment. Attorneys Wiso and Hazel represented the plaintiff and defendant, respectively.

The case of John Lindstrom vs. Harry Wagner took the attention of the district court on Saturday, Monday and a part of Tuesday. The question was one of right of way of an irrigation ditch near Burley. The jury made special findings which the court will consider in decision. Attorneys Booth and Monahan represented the plaintiff and defendant, respectively.

FUTURE PROMISES VS. PAST PERFORMANCES

The article announcing an independent ticket for the coming city election appears to some of our citizens as one of our city's "demonstrating the weak knees proposition that platform pledges are only made to be broken."

The first announcement is that the "head" of the ticket is well known. This is certainly true and it is the character of the "head" of the ticket which is of importance.

Attractive Easter Luncheon

Mrs. J. W. Craven was hostess at one of the most elaborate luncheons of the season last Thursday afternoon, at her attractive home on Seventh avenue, when she entertained the members of the "Luncheon Club." The centerpieces for the two luncheon tables were fluffy-white-rabbit-holding clusters of yellow ribbons, streamers of the ribbon extending in pink cards, which were decorated in yellow chickens. The pink baskets were very unique, being formed from decorated egg shells with tiny yellow chicks peeping over the edges. The Easter ideas were also carried out in the delicious four course luncheon. In the bridge game following the luncheon Mrs. Alken received the prize for high score, and Miss Boyd the consolation. Mrs. Lewis received the prizes for high score among those who substituted. Present were Mrs. Breweley, Mrs. Wollan, Mrs. Robinson, Mrs. Robinson, Mrs. Ferrin, Mrs. Reed, Mrs. Alken, Mrs. Ostrander, Mrs. McCollum, Miss Boyd, Mrs. McDevicar, Mrs. Lewis, and Miss Maxwell.

Three Pleasant "500" Parties.

Mrs. and Mrs. F. T. Mitchell were hosts at three very delightful "500" parties at their home on Blue Lakes boulevard last week. For each occasion the large rooms were artistically decorated with painted hydrangeas and pink and white carnations, the pink and white color scheme predominating in the refreshments and lily cards. On Thursday afternoon Mrs. Mitchell received about thirty ladies, Mrs. Spotted and Mrs. Shovell winning first and second prizes respectively. Mrs. Channell and Mrs. Hartogman assisted the hostess. On Thursday evening about seven tables were filled with players, Mrs. Lavering and Mr. Greenwood winning the prizes, and Mrs. Boggs and Mrs. Shovell assisting the hostess. About seven tables were filled with players again on Friday evening, prizes being awarded to Mrs. Hartogman, Mrs. Wright, Mrs. Reed and Mrs. Wright assisted the hostess in serving the delicious refreshments.

For the Benefit of Twentieth Century Club Building Fund.

Mrs. Robert McCollum will give a card party at her home on Seventh avenue and Seaboard on Friday afternoon, Mrs. Alken at two twenty o'clock, to which all members of the Twentieth Century Club and friends are invited. The contest has made beautiful prizes, and refreshments will be served during the afternoon. An admission fee of fifty cents will be charged and all money received will be donated to the building fund of the club. Mrs. McCollum is defraying all expenses of the party. All the women of Twin Falls interested in club work are urged to attend.

Charming Birthday Party.

Master "Toddy" Chapin celebrated his second birthday on Monday afternoon with a party of a few of his little friends, the happy event being the first party for most of the guests. After a couple of hours spent in playing the host's new toys and playing various games, the table was served with numerous goodies. The birthday cake, frosted with white and pink candy icing, was decorated with pink candles, and bearing its two lighted candles, was of course the feature of the refreshment table. Pink streamers extended from the cake to the place cards, which were painted in tiny chickens. The favors were Easter bunnies filled with candy eggs. Those who enjoyed Master Toddy's hospitality were Misses Jean Brewer and Allen Craven, and Harry Hawk, Mrs. Alken, Mrs. Ferrin, Perrino, Clara Wollan, and Harry Baldridge.

Dinner for Mr. and Mrs. Robinson.

Mr. and Mrs. C. W. Wollan entertained informally at dinner on Tuesday evening in honor of Mr. and Mrs. C. A. Robinson, who leave soon for Idaho, where they will make their home. A Japanese basket of carnations formed the centerpiece for the table, around which were seated Mr. and Mrs. Robinson, Mr. and Mrs. Ferrin, Mr. and Mrs. Reed, Mr. and Mrs. Wollan, and Mrs. Porter.

Chafing Dish Party.

Eight guests enjoyed a chafing dish party at the home of Mrs. I. B. Perrino after the performance of Graustark, one-acting last week.

Auction Bridge Club Entertained.

Mrs. H. L. Grant entertained the members of the Auction Bridge club at a profitably amusing luncheon Monday afternoon. A cluster of pink and white carnations formed a very delicate centerpiece, and the place cards were pretty Easter creations. Mrs. McCollum won the prize for high score and the others present were Mrs. Alken, Mrs. Booth, Mrs. Ferrin, Long-Joy, Mrs. Jaynes, and Mrs. B. A. Hamilton.

Mrs. Brockertidge and Mrs. Mann have issued invitations for a reception for Tuesday, April for the club.

CLUBS

The annual election of officers of the Twentieth Century Club will take place at Masonic Hall on next Tuesday afternoon. All members are requested to be present promptly at two o'clock. In order that all business may be transacted, the list here for the election are Mrs. Grace Seay, Mrs. Jane Scott, and Miss Fanny Thoman. Mrs. Helen Allen, Mrs. Geneva Lewis, and Mrs. Rose Jones will be the inspectors at the door.

The election of officers in the Jun-

ior Department will go hold today at the home of Mrs. Clouch.

The annual breakfast of the Twentieth Century Club will be held at the Juniper Inn on April 23. Elaborate preparations are being made for this event, and a large attendance is expected. Further announcements will be made later.

Rehearsals for the Chinese of Normandy, which will be given by the Musical Department of the club, assisted by the Apollo Club, are progressing nicely. Mr. Isidoridge is musical director, and all members of the cast are showing marked ability. Most of the costumes are to be sent from Salt Lake and special scenery has been procured for the performance, which will take place some time in April.

RETURN ENGAGEMENT

Arrangements have been made by the management of Cottle Hall for a return engagement of the E. Forrest Taylor company, who will be here again in April for four nights. The dates will be April 21, 22, 23, and 24. Their playing here a few weeks ago met with popular favor, and an entertaining series of plays are promised on their return to the city. They coming now circuitous during in Nevada and California.

THIS IS YOUR CHANCE.

Such an Opportunity Seldom Offered to Acquire a Small Tract of Land at Such a Sacrifice

I have secured the exclusive handling of about thirty acres, only one-fourth mile from the city limits, and can cut it into three two-acre tracts. This land is one-half mile west of the Rock Creek bridge, and lays north of the Hollister branch of the railroad, and south of the main line. The land slopes to the north and is all first-class soil; there is about 10 acres in orchard, 4 acres of which is six years old and worth on the present market \$300 per acre. You can't duplicate it for means that price within one-fourth mile of this city. However, I can deliver the tract 10 acres, including the orchard and improvements, for \$250 per acre. The 10 acres adjoining to the west for \$225 per acre, and the west 10 acres for \$210 per acre. This land will double in value within a very short time. I would advise you to call at once and secure first choice of these tracts. Very favorable terms will be given, considering the low price of the land.

Dumplings

For Soups, Stews and Fried Casserole Chicken

Left overs of roast lamb, veal or beef, the cheaper cuts of fresh meats, and fowls too old for roasting, make delicious and nourishing stews. K. C. Dumplings make them doubly attractive and the whole dish is most economical—an object to most families while meats are so high and must be made to go as far as possible.

K. C. Dumplings

By Mrs. Nevada Briggs, the well known baking expert.

1 cup flour, 1 level teaspoon K. C. Baking Powder, 1/2 teaspoon salt, 1/2 cup cream, milk or cream.

Mix together three times, the flour, baking powder and salt; into this work the shortening and use cream or milk to make a dough that will roll thin.

Allow the stew to boil down so that the gravy just covers the meat of chicken. Add half a cup of cold water to stop its boiling and drop the dough in large spoonfuls on top of the meat of chicken. Cover and let boil again for 15 minutes.

Made with K. C. Baking Powder and steamed in this way, dumplings are as light as blimps and are delicious with chicken or any meat.

This recipe is adapted from one for Children's Post in "The Cook's Book" by Mrs. McGee Hill, editor of the Boy's Cooking School Magazine. The book contains 50 excellent recipes for things that are good to eat and that help reduce the cost of living. "The Cook's Book" sent free for the return of a stamped address in every 25-cent can of K. C. Baking Powder. Write to J. C. Higgins Co., Chicago.

THE GOD OF OUR FATHERS

Golden Text—"Our fathers trust in thee: they trusted, and thou didst deliver them."—Psa. 23: 4.

QUARTERLY REVIEW.

Lesson I.—Supt. In the beginning God created the heavens and the earth. Teachers. And the earth was without form, and void, and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

School. And God said, Let there be light: and there was light.

Lesson II.—Supt. And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

School. And the Lord God said, It is not good that man should be alone; I will make an helpmeet for him.

School. And Adam said, This is now bone of my bones, and flesh of my flesh; she shall be called Woman, because she was taken out of Adam.

Lesson III.—Supt. And the serpent enticed the woman, Ye shall not surely die.

Teachers. And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband, and he did eat.

School. Therefore the Lord God sent him forth from the Garden of Eden, to till the ground from whence he was taken.

Lesson IV.—Supt. And Cain talked with Abel his brother; and it came to pass, when they were in the field, that Cain rose up against Abel his brother, and slew him.

Teachers. And the Lord said unto Cain, Where is Abel thy brother? And he said, I know not: Am I my brother's keeper?

School. And he said, What hast thou done? the voice of thy brother's blood crieth unto me from the ground.

Lesson V.—Supt. And God looked upon the earth, and behold, it was corrupt.

Teachers. And behold, I have I-rod bring a flood of waters upon the earth, to destroy all flesh, wherein is the breath of life, from under heaven.

School. But with thee will I establish my covenant; and thou shalt come into the ark, thou, and thy sons, and thy wife, and thy sons' wives with thee.

Lesson VI.—Supt. And God remembered Noah, and every living thing, and all the cattle that was with him in the ark; and God said, I will spare thee, and thou shalt pass over the earth, and the waters assuaged.

Teachers. And God said, This is the token of the covenant which I make between me and you, and every living creature that is with you.

School. I do set an bow in the cloud, and it shall be for a token of a covenant between me and the earth.

Lesson VII.—Supt. Now the Lord had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will show thee.

Teachers. And he will make thee a great nation, and I will bless thee, and thou shalt be a blessing.

School. And I will bless them that bless thee, and they shall be a blessing to thee; and he that curseth thee, I will curse him; and thou shalt have dominion over the earth.

Lesson VIII.—Supt. And Abram went out as the Lord had said, and he and his wife, and all that he had, and Lot with him, into the South.

Teachers. And the land was not able to bear them; for they might dwell there; for their substance was great.

School. And Abram said unto Lot, Let there be no strife, I pray thee, between me and thee, for we are brethren.

Lesson IX.—Supt. And Abram said, Lord God, what wilt thou give me, seeing I go childless?

Teachers. And he brought him forth abroad, and said, Behold, the stars, heaven, and tell the stars, for we are able to number them.

School. And he believed in the Lord; and he counted it to him for righteousness.

Lesson X.—Supt. And there came two angels to Sodom at even.

Teachers. And when the morning arose, then the angels hastened Lot, saying, Arise, take thy wife, and thy two daughters, which are here; lest thou be consumed in the iniquity of the city.

School. But his wife looked back from behind him, and she became a pillar of salt.

Lesson XI.—Supt. And it came to pass after these things, that God tempted Abraham, and said unto him, Take now thy son, thine only son Isaac, and offer him.

Teachers. And Abram stretched forth his hand, and took the knife to slay his son.

School. And the angel of the Lord called him out of heaven, and said, Lay not thine hand upon the lad, neither do thou say unto him, for now I know that thou fearest God, seeing thou hast not withheld thy son, thine only son, from me.

Lesson XII.—Supt. And when the Sabbath was past, Mary Magdalene, and Mary the mother of James, and Salome had bought sweet spices, that they might come and anoint him.

Teachers. And entering into the sepulchre, they saw a young man sitting on the right side, clothed in a long white garment.

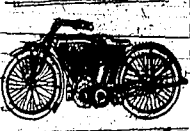

School. And he said unto them, Be not afraid: for ye seek Jesus, who is risen from the dead; he is not here: behold the place where he lay hid.

THE CITIZENS TICKET

Mayor—C. O. Meigs, implement dealer.

Councilmen—First Ward: L. L. Breckinridge, manager Twin Falls Milling & Elevator Company; J. E. White, real estate dealer.

Second Ward: J. M. Maxwell, cashier First National Bank; Zenas Smith, Smith Candy Co.

Clerk—Stuart H. Taylor.

Treasurer—W. E. Nixon.

Engineer—E. V. Berg.

Police Magistrate—W. J. Smith.

All of the above named candidates, with the exception of Mr. Smith, candidate for Councilman, and Mr. Berg, candidate for Engineer, are members of the present City Administration.

We believe they should be endorsed for bringing about the present high efficiency of the fire, police, and street departments; for the installation of cluster light and the steps they have taken to extend the same; for the attempt they are making to have the Eighth Avenue lateral covered; for their securing the passage by the legislature of an act enabling them to require owners of vacant property to keep down the weeds, reducing fire menace; and for their active co-operation with the county officers in prosecuting all violations of the statutes, particularly the liquor statutes.

Their support of the public library and of the band concerts should be with the approval of all citizens.

By auditing the city books they secured a refund from the county to the city of Eight Thousand Dollars.

They can best state their positions for the coming year by saying they have no other platform than that disclosed by their attitude and acts all public questions arising in the past two years; that, if elected, they continue to give the business of the city and all public affairs the same conscientious consideration that their own individual business receives, they have endeavored to do in the past, and will continue to do in the future.

Vote for these men who, throughout their administration, have won for municipal ownership of the city water system, and who are now pushing that movement as rapidly as their authority permits.

SATURDAY WILL BE THE LAST DAY FOR REGISTRATION. Election Tuesday, April 1.

THE NEWS

Washington Letter

Political Comment, News and Gossip of the Capital

Washington, D. C., March 25.—With the close of the 57th Congress, Idaho has been among the group of states represented in the House of Representatives by but one member, and from now on will be represented by two members until the next apportionment bill shall be passed, following the census of 1920.

When Idaho was first admitted into the Union, Hon. Willis Sweet was elected to fill out the remainder of the term of Representative in the State Congress, consisting of about three months and to fill the full term of the 52nd Congress. He was reelected to and served as a member of the 53rd Congress.

Hon. Edgar Wilson, of Boise, represented Idaho in the 54th and 55th Congresses, the term in between, to wit, the 55th Congress, Idaho was represented by Hon. Jas. Gunn.

Hon. Fred L. Glenn represented Idaho in the 57th Congress and the present representative, Burton L. French, has represented Idaho in every Congress since that time, excepting the 61st, during which time Hon. Thomas L. Hamer was a member of the House.

Mr. French has been a member of the 58th, 59th, 60th and 62nd Congresses, and closed the period of Idaho's representation by the number of the House of Representatives.

Of this number, Sweet, Wilson for one term, French, Hamer, and French again, served as Representatives. Wilson served the 56th Congress as a Silver Republican; Gunn during the 55th as a Populist, and Glenn as a Populist during the 57th. However, Wilson, Gunn, and Glenn were elected by the combined votes of the Democrats, Silver Republicans, and Populists of the state.

During this period of a little more than twenty years, Idaho has grown from a state with a population of 85,000 to a state with a population of more than 325,000 according to the census of 1910, and probably a population of not less than 400,000 at the present time.

As has been said, Idaho for the next two years will be entitled to two representatives in the House of Representatives, the members elected to represent the state in the 63rd Congress are Burton L. French and Addison T. Smith.

French is the older of the two, and it appears that Idaho had been represented by six different representatives in the House and in the Senate, and it is not equaled by many of the older states where it is customary to retain a member for many years, succeeding as changes of party, an old member to be displaced by a member of another political organization.

In view of the fact that the state has not been districted, Congressman French and Smith will represent Idaho at large, and same as the two senators represent the entire state.

Congressman Smith, who recently conferred with the Secretary of Agriculture, speaking as chairman of the Union and maintenance of roads and trails in the National Forests to construct, with the roads leading to the boundaries of the reserves, has been advised by the Secretary that nearly \$24,000 is available for expenditure on these roads.

The Idaho Legislature passed a memorial which was introduced by Representative Overmire of Latah county, urging the cooperation of the Federal Government in the building of roads and bridges in reserves, which Congressman Smith called to the attention of the Secretary as an indication of the interest the people have in the matter.

OBSERVE EASTER SEASON

Masons Celebrate Maundy Thursday and Attend Easter Services at First Presbyterian Church.

Maundy Thursday was fittingly observed by the 324 degree Masons last week by a feast prepared and served at the Rogerson Cafe, to about 20 of the Constitutory of this degree. The banquet was greatly enjoyed by those present. The table decorations and the dishes were arranged in the form of a cross.

On Easter Sunday Twin Falls Commercial Knights Templar attended divine worship at the Presbyterian Church. There were nearly fifty of the Sir Knights in full uniform present and they made an excellent appearance. The Easter sermon was delivered by the Rev. Dr. Anderson, was appropriate to the occasion, and was thoroughly enjoyed by the Sir Knights and the congregation.

P. C. PARRY DIES

Succumbs to Tuberculosis Wednesday Evening—Was Well Known in Twin Falls.

Preson C. Parry died suddenly at 6 o'clock last evening at his apartments in the Oxford Rooking house, Main Street north. His death was due to tuberculosis, from which he had suffered for many years. He was 35 years of age. He was in his usual health until a few moments before he died. Taken suddenly ill, he called Mr. and Mrs. Batley, who found him unconscious upon reaching him. Mr. Parry was born in Pottsville, Pennsylvania, but had resided in the western states for a number of years, coming to Twin Falls from Twin Falls three years ago from Waterville, Washington. He is survived by two sisters in the east, who have been advised of his death. The body is being held at the Crosby undertaking establishment until instructions for disposition have been received.

MRS. ADELINE SMITH DIES

Body is Sent to Her Former Home in Chanute, Kansas—Funeral Tuesday.

Mrs. Adeline Smith, 57 years of age, died at the city hospital last Monday afternoon, after a week's illness due to blood poison. The funeral services were held Tuesday afternoon at the Grossman chapel, with the Rev. Mr. Anderson officiating, and the body was sent to Chanute, Kansas, Mrs. Smith's former home. Mrs. Smith had been a resident of this city for the past three years, and made her home with her niece, Mrs. M. Bailey, 315 Third avenue east. She is survived by two brothers in the east.

TO ENCOURAGE FARMERS.

A letter has been received by the First National Bank from Al Page, in Portland, Oregon, stating the prices he received for livestock he recently took to that market. He received the highest prices for lambs. A portion of his letter is as follows: "I got \$9.35 per hundred for hogs today, and \$8.00 for lambs, the highest prices ever before. I did pretty well. Hogs also topped the market. You can give this to The Young, you like, to encourage others of the farmers. Best regards."

Yours truly, (Signed) AL PAGE.

DON'T FORGET CLUB ELECTION.

All members of the Twin Falls Commercial Club are urged to attend and cast their ballot at the election of officers, and directors, to be held in the club rooms Tuesday, April 1.

You Must Wear Clothes—Let's Talk the Matter Over

Of course, we could go into details and review for you all of the technical points of our clothing. We could talk to you of single breasted coats, double breasted coats, two and three button sacks, long soft roll lapels, high cut vests, close fitting, comfortable English models, etc., etc.

We could list a long line of fabrics. Tell you of woollens spun on the best looms and by the sturdiest weavers of Germany, France, England, Scotland and our own country.

But you, as a busy man, have no time for all this. What you want is clothes; dependable clothes and so we say, step in today. Slip into a suit or an overcoat from

The House of Kuppenheimer

See for yourself how well it fits. How the style meets with your own ideas. Feel the sturdiness in the fabric.

Note well at close range the quality of the workmanship, and then wear these clothes with absolute confidence in their correctness and remember that the service and satisfaction which they will give you is guaranteed, not only by the makers but by us.

The Prices are as Low as good clothes can be sold for
