

WRESTLING MATCH GOOD EXHIBITION

GEORGE NELSON OF SALT LAKE
GAINS OVER LOCAL MAN

L. B. Mortenson Outweighed by His Opponent, But Makes Game Showing—Only One Fall Secured.

Wrestling fans witnessed one of the best matches ever put on in this county when George Nelson, of Salt Lake, and L. B. Mortenson, of Burley, tussled and strained for an hour in the athletic club gymnasium here last Friday evening. Nelson secured one fall in 23 minutes, the only throw of the match. Owing to the difference in weight, Mortenson 160 pounds, and Nelson 155 pounds, the Salt Lake man gave a handicap, agreeing to throw Mortenson twice in an hour.

Mortenson defended himself to the utmost, using all the known means of the game, but was not able to meet the superior strength of Nelson. Had Nelson been inclined to use rough tactics he could easily have secured the two throws, but played the game fair and took no advantage of strength. He secured the first fall with a reverse fall Nelson took. He proved his skill and gameness shown by Mortenson, and claimed his fall in the best he has seen in his class. Ernest Wright refereed the match.

Nelson has requested Mr. Mortenson, director of the gymnasium, to arrange a match here between himself and Carl Bush, of Bozeman, Montana, a 160-pound man formerly of Germany, who claims the German title at that weight. Nelson has the intention of retaining his championship and desires a chance to defend it.

TO COMMENCE WORK ON LAYING OF TRACK

RESUMPTION OF ACTIVITIES PRO-
MISED ON STREET CAR LINE

Culverts are Now Being Strengthened
Along Addition Avenue for
Making of the Road
Bed.

Active work in laying rails from the city limits to the Shoshone Falls will begin within a few days, according to H. R. Spafford, secretary of the Twin Falls Electric Railway. The rails will be laid on the loop that follows Addition avenue, and a crew of men are now at work strengthening the culverts along that route. This will meet an unbroken line from the heart of the city to the falls.

Mr. Spafford states that the motor cars now on the road to the Twin Falls and that the delay in placing rails is chiefly due to the non-arrival of the cars, as the motors will be used in building the car beds of rails along the route for placement. If the cars could be received within a few days Mr. Spafford believes that the work on the line could be completed by May 1 easily.

OVER SOUTHERN IDAHO.
Work on the new branch at Filer was stopped last week. The Filer will cost about \$4000 when completed and will be one of the best of its kind on the Pacific coast. The work will be continued to the work and an endeavor will be made for early completion.

Personal. (Continued from Idaho Consolidated Power Company of Pocatello, to the Idaho Water Power company, the big Kahn building company in this city, was authorized at a meeting of the stockholders of the first named company last week held at Evanston, Wyoming.

Construction of the generating unit at the American Falls plant has been completed, and about 5000 horsepower is now being transmitted to the city and the town in the north. The new unit is the first step toward development of a potential 60,000 horsepower.

DUTY OF WATER ON THE SALMON TRACT

DON H. BARK, GOVERNMENT EX-
PERT, TO INVESTIGATE

Work is to be Carried on on a More Extensive Plan Than Has—
Henceforth Ever Been Attempted.

A thorough investigation of the duty of water will be made on the Salmon tract this week, according to Don H. Bark, of Boise, government-irrigation expert, who spent several days in this city last week making preliminary arrangements for the work. He was accompanied here by W. G. Sloan, of Boise, an engineer engaged in drainage investigation for the department of agriculture.

In view of the difficulties and problems connected with the use of water on the Salmon tract, Mr. Bark stated that more extensive work will be done on that tract this year than ever before on any project. It will be the purpose of himself and his associates to very carefully determine the duty of water for the different types of soil, as well as transmission losses in the canal systems. A complete investigation will be made of the whole position.

Mr. Bark has compiled an exhaustive report on the duty of water based on a current investigation and study for the past several years, and without exception finds that less water is required for irrigation than a majority of water users insist upon using. It was established some time ago that more water was being used on the South Side tract than necessary, and in many cases it was learned that an amount of water was being used when there was a smaller crop yield than when less water was used at all.

Using Unnecessary Amounts.

A fixed ratio, for the various types of soil, in the amount of irrigation water, has been established, and Mr. Bark believes that the investigations show that a far less amount of water is necessary on the Salmon tract than is believed to be necessary at the time. He further believes that it will be found that less water is needed on the Salmon tract than on the South Side tract. The work of making this investigation will begin at once and will continue through the coming season.

Mr. Sloan is investigating and making study of the best methods of draining lands that have become water-logged. He has just started a drainage district in the Parrotte valley, where the needs of a drainage system have been apparent for some time. Mr. Sloan's work is confined almost entirely to the drainage of sub-soil waters.

STOLEN PROPERTY IS RETURNED ON TRACT

OREGON SHERIFF MAKES A PAR-
TICULARLY SUCCESSFUL TRIP

Two Horses and Two Mules are Found Out of Nine Animals Missing from the Webb's Foot State.

Dan Kerfoot, county sheriff from Vale, Oregon, returned home the first of the week after spending several days in this city in an attempt to locate five horses and four mules alleged to have been stolen at Vale and driven here and sold. Two horses and two mules were located here and a settlement made with the purchaser.

Accompanied by Sheriff Vanandelen, Mr. Kerfoot traced the animals from Mountain Home to the tract and four of the animals were located. They had been purchased in good faith, a low price having been accepted by the person who sold them in order to get rid of them without detection, according to the authorities. The remaining number of the stolen animals could not be located in this section of the country.

While the identity of the person or persons bringing the animals to Twin Falls could not be definitely established, Sheriff Kerfoot believes they have served terms in the state penitentiary, sent up from Mountain Home on charges of horse stealing. It is stated that the animals were stolen at Vale some months ago, and that they were only recently a trace of them into this country was found.

Another Big-Auction Sale
Another popular auction sale of live stock will be held at the Smith and McMaster's barn Saturday afternoon, April 6, beginning at 1 o'clock. This will be a general sale of horses, cattle and hogs; in fact, anything you have to sell. There will be 40 heads of cows and pigs, and also about 100 pounds each. Don't be afraid to bring anything you have to sell. Remember it is the good stuff that we can sell best. The best of terms will be the order of the sale. Nick Smith will manage, and R. E. Rogers will cry the sale. Remember the date Saturday afternoon, April 6.—Advertisement

ANNOUNCEMENTS.

The Rural Neighbors of America have changed their time of meeting to the first Friday afternoon and the third Friday evening of each month. The next meeting will be held Friday, April 6, at 2:30 p. m.

An all day meeting of the W. C. T. U. will be held in the Christian church Tuesday, April 8. Plans and arrangements for the state convention, to be held in this city in September, will be discussed at this meeting. A large attendance is desired, as this will be an important meeting. Members are asked to bring seedling, thimble, and lunch. Visitors are cordially invited.

Twin Falls Chapter, Order of the Eastern Star, will hold their regular meeting at the Masonic Temple Tuesday evening, April 8, at 8:00 o'clock. After a short business session there will be an entertainment for family and friends of the members. There will be no amusements provided for all after which a light lunch will be served.

Services will be held in the Episcopal church next Sunday evening. Music will be rendered by an enlarged choir. Archbishop Gray will have charge of the services.

"The Light That Transforms" and "What the Bible Says About Baptism" will be the morning and evening subjects at the Baptist church next Sunday. Miss Allotie's orchestra will play at the evening services hereafter.

TO RATE BUYERS

Good-Better-Now-Being-Congested-For-Benefit of Merchants and Others.

Credit ratings are now being assigned to residents of this section, through the efforts of the Merchants' Mercantile company, of Walla Walla, whose representatives are now in Twin Falls engaged in the prosecution of the work.

Unlike the Bradstreet and Dun agencies, the Merchants' rate rate individuals and the service will be equally suited to the needs of the retailer and the wholesaler.

The system provides that each merchant will rate his own customers, and in this manner the trade experience of more than one seller will be available as a guide for business men. The entire system is a good one and appeals strongly to local grantors of credit.

RESIGNS POSITION.

Miss Violet Boone has resigned her position as secretary to Superintendent of Schools O. H. Elliott, and her place has been taken by Miss Hiddle, of Caldwell. Miss Hiddle was recently the county superintendent of schools in Canyon county.

HAY HAY

If your alfalfa is pea green in color, and will grade No. 1 or better, we want it, and will load at Filer, Curry, Twin Falls, Kimberly, and Hansen:

We will accept hay at the above stations on the following terms:

On trades for term machinery, we will allow you \$8 per ton for your hay, and our prices are right, too.

Or, we will give you half cash and half in machinery, and allow you \$7.50 per ton for your hay.

Or, we will take your hay of \$7-per-ton, cash settlement in 30 days.

Or, we will take your hay for \$6.75 per ton spot cash as soon as loaded on the cars.

If you are too busy to handle this hay yourself, we will accept the hay on your ranch, subject to scale weights, and we will take charge of the baling and hauling and are prepared to give you prompt and economical service.

We will not trade for horses, second-hand wagons, buggies, or any kind of junk.

ANNOUNCEMENTS

Moral Neighbors of America have changed their time of meeting to the first Friday afternoon and the third Friday evening of each month. The next meeting will be held Friday, April 3, at 7:30 p. m.

An all day meeting of the W. O. F. U. will be held in the Christian church Tuesday, April 6. Plans and arrangements for the state convention, to be held in this city in September, will be made at this meeting. Large attendance is desired, as this will be an important meeting. Members are asked to bring needles, thimbles, and lunch. Visitors are cordially invited.

Twin Falls Chapter, Order of the Eastern Star, will hold their regular meeting at the Masonic Temple Tuesday evening, April 6, at 8:00 o'clock. After a short business session there will be an entertainment for family and friends of the members. There will be amusements provided for all after which a light lunch will be served.

Services will be held in the Episcopal church next Sunday evening. Music will be rendered by an enlargement choir. Archbishop Gray will have charge of the services.

"The Light That Transforms," and "What the Bible Says About Baptism" will be the morning and evening subjects at the Baptist church next Sunday. Miss Alfonsi's orchestra will play at the evening services hereafter.

TO RATE BUYERS

Credit Book Now Being Compiled for Benefit of Merchants and Others.

"Credit" ratings are now being assigned to residents of this section, through the efforts of the Merchants' Mercantile company, of Walla Walla, whose representatives are now in Twin Falls engaged in the prosecution of the work.

Unlike the Bradstreet and Dun agencies, the Merchants' will rate individuals, and the service will be equally suited to the needs of the retailer and the wholesaler.

The system provides that each merchant will rate his own customers, and in this manner the trade experience of more than one seller will be available as a guide for business men.

The entire system is a good one and appeals strongly to local grantors of credit.

RESIGNED POSITION.

Miss Violet Boone has resigned her position as secretary to Superintendent of Schools O. M. Elliott, and her place has been taken by Miss Riddle, of Caldwell. Miss Riddle was recently the county superintendent of schools in Canyon county.

HAY HAY

If your alfalfa is pea green in color, and will grade No. 1 or better, we want it, and will load at Filer, Curry, Twin Falls, Kimberly, and Hansen.

We will accept hay at the above stations on the following terms:

On trades for farm machinery, we will allow you \$8 per ton for your hay, and our prices are right, too.

Or, we will give you half cash and half in machinery, and allow you \$7.50 per ton for your hay.

Or, we will take your hay at \$7 per ton, cash settlement in 30 days.

Or, we will take your hay for \$6.75 per ton spot, cash as soon as loaded on the cars.

If you are too busy to handle this hay yourself, we will accept the hay on your ranch, subject to scale weights, and we will take charge of the baling and hauling and are prepared to give you prompt and economical service.

We will not trade for horses, second-hand wagons, buggies, or any kind of junk.

Beautifully Appointed Dinner Party.
Mr. and Mrs. C. E. Booth entertained the members of the Dining Club at a beautifully appointed dinner on Saturday evening, at their home on Ninth avenue. A pink and white color scheme was carried out in the decorations and most large crystal chandeliers and white candles resting on handsome centerpieces gave the decorations for the two tables, at which the guests were seated, the dainty place cards being in the same color.

Several games of auction bridge were enjoyed later in the evening. Mrs. Ostrander and Mr. Walton winning the prizes for high score. Places were reserved for Mr. and Mrs. Walton, Mr. and Mrs. Robinson, Mr. and Mrs. Felling, Mr. and Mrs. McCollum, Mr. and Mrs. Swisher, Mr. and Mrs. Ostrander, and Mrs. Albee.

Very Successful Card Party.
The card party given by Mrs. E. M. McCollum at her home on Seventh avenue on Thursday afternoon, for the benefit of the building fund of the Twentieth Century Club, was a very successful affair, from both a social and a financial viewpoint. The large rooms of the McCollum home were beautifully decorated with pink and white floral arrangements and the refreshment table was covered with a handsome damask cloth over pink and white floral arrangements. The party was presided over by Mrs. Albee and Mrs. Robinson. Auction bridge and "500" were the games enjoyed during the afternoon, and handsome prizes were awarded. Mrs. Burton and Mrs. Senior winning first and second prizes at auction, and Mrs. Pittsford, C. C. Bedford, C. H. Burton, and second prizes at "500." Mrs. Craven and Mrs. Closs assisted the hostess in receiving her guests. Those who were present were: Mrs. Ostrander, C. E. Booth, Kirk Booth, C. C. Bedford, C. H. Burton, L. E. Closs, J. W. Craven, L. E. Closs, J. H. Chaplin, R. Cockingham, J. Coughlin, Eppier, O. M. Elliott, A. Ellison, H. F. Felling, J. O. Gates, H. H. Grant, A. Gilbert, W. P. Guthrie, W. Hancock, Morgan Hoag, W. H. Helms, W. S. Hill, F. E. Karpis, A. W. Jaynes, G. D. Jones, H. D. Lewis, C. O. Longley, F. P. McLean, Maynard, L. E. Morse, E. J. Ostrander, J. B. Morgan, A. D. Norton, L. B. Poirson, W. R. Pritch, J. A. Reed, C. B. Roberts, Chas. Robbins, A. P. Senior, J. A. Sinclair, H. R. Spafford, M. J. Swisher, G. D. Thomas, J. W. Williams, R. D. Wilson, T. J. Woods, and C. W. Welton.

Mrs. Mann and Mrs. Brackenhage will entertain next Tuesday afternoon at the home of the latter, and Mrs. Harry Hase will entertain on Monday afternoon.

CLUBS
All society is interested in the "Chimes of Normandy" which will be given by the musical department of the Twentieth Century club this month. The best talent in the city is represented in the cast, and judging from the rehearsals the opera will be a rare treat to the citizens of Twin Falls. The chorus is unusually strong, and special scenery and costumes have been procured, so the production promises to be highly successful. It will be given in the high school auditorium.

Club Election of Officers.
The regular annual election of officers for the Twentieth Century Club was held on Tuesday afternoon. A large number of the club members were out for the election and much interest was manifested in the election of officers. Mrs. A. D. Norton was chosen for president, Mrs. B. A. Baker for first vice-president, Mrs. W. F. Pate second vice-president, Mrs. J. H. Wise recording secretary, Mrs. Jane Maxwell assistant, Mrs. E. J. Ostrander corresponding secretary, and Mrs. O. M. Elliott treasurer. The election of the five members of the board of directors was postponed until Tuesday, April 10, when it is hoped all the members of the club will attend the meeting. The officers chosen were almost unanimously elected, and seemed to be the choice of the entire club as represented.

The annual club breakfast will be given at the Justice Inn on Tuesday, April 22. The committee having the affair in charge are paying special attention to the program, as well as the menu, and are very anxious to be a success. Tickets will be on sale until the 19th of April.

DATE IS FIXED FOR GENERAL CLEAN UP

CIVIC DEPARTMENT OF COMMERCIAL CLUB STARTS MOVE

Parade and Lunch in the Park Planned to Wind Up Activity of Work—April 18 is the Day Set.

"Clean-Up Day" will be carried out in Twin Falls, Friday, April 18, for the day have been arranged by the Civic department of the Commercial Club. The city has been divided into four quadrants by Main and Shoshone streets, and district captains will have direct charge of the work in the various districts. A parade and school dinner at noon will close the work of the day.

As planned, the work of clean-up will begin in all parts of the city at 8 o'clock. District captains will appoint overseers in each of the blocks in their districts who will direct the work in their sections. Residents will be asked to clean up their premises, and place all debris at the rear of lots, that it may be carried away by wagons that will be provided. As it is expected that many residents will have the premises cleaned up before that day and refuse placed for removal before the Clean-Up day, they will be asked to volunteer their services in helping to clear vacant lots and commons in their blocks or in such districts as the captains may ask them to work.

WORK MUST CEASE ON NEW ARTESIAN WELLS

PERMANENT INJUNCTION GRANTED AGAINST LAND MEN

Decision of Far Reaching Consequence is Handed Down in Well Known Case by District Court.

The temporary injunction awarded the plaintiff some time ago in the case of Bower vs. Parks and Moorman, in the artesian well dispute, was made permanent in a decision handed down by Judge Sinclair last Saturday. The decision is an important one, being the first in any similar litigation ever instituted in this state. The defendants may make an appeal.

By the decision, the defendants are permanently enjoined from drilling or operating artesian wells that will interfere with the flow of the Bower wells at Artesian City. When tried in the local district court a few months ago it was claimed by the plaintiff that the defendants had sunk wells close to their property line which lessened the flow of the Bower wells, and that the defendants had interfered with the flow of the Bower wells and decreased.

The case has attracted wide interest and will have considerable bearing on litigation that will in all probability be instituted in this part of the state as well as other sections where artesian waters are in dispute.

THE LIFE OF CHRIST

Excellent Film by the Kalem Company to be Shown at the Isis Next Week.

The management of the Isis theatre will present for the first time to the Twin Falls public the Kalem film in five parts, "From the manger to the Cross." The pictures are to be shown on Monday and Tuesday, April 14-15. The pictures, which represent many months of actual work and acting by a special picked company in the Holy lands, is one of the most remarkable ever attempted. Native scenes of biblical times are depicted with marked realism, and endorsed by the clergy, the press, and by persons who have seen the pictures.

"From the Manger to the Cross," as its title indicates, is a picture of the life of Christ from infancy to his crucifixion. The babe is shown, and in the succeeding parts, the important stages of the Saviour's life are depicted with an expert interpretation of the Scriptures and story of the Holy lands can make possible. Particularly effective are the results of the picture in the scenes of persecution and final agony.

Probably the most heart torn is in telling a girl she is crucified in that makes her want to go and buy some new clothes (Mk. 14:31-32).

FUNERAL SERVICES HELD

Remains of P. C. Parry Interred in Twin Falls Cemetery.

The funeral services of Preston C. Parry, who died at his apartment in the Oxford Rooms Wednesday of last week, were held from the Crosby Chapel Thursday afternoon, under the auspices of the Christian Science society. Interment was in the Twin Falls cemetery.

After relatives of Mr. Parry in his death had been notified of his death, it was decided by them to bury here. His relatives are widely scattered and considerable delay was experienced in notifying them all of his death.

BIG POTATO ACREAGE IS CONTRACTED FOR

R. MORRILL TO SHIP 500 CARS OF CHOICE SPUDS THIS YEAR.

Eureka and Rural are Favored and the Supply in This County Will Not Equal the Demand.

Three hundred acres of Eureka and Rural potatoes for the coming season have been contracted for by R. Morrill of Chicago, who left for the east Monday after arranging for the acreage on the Twin Falls tract. He expects to ship about 500 cars of the choice spuds from the Twin Falls and Lewiston, Utah districts.

Securing only about one-half the amount of choice potatoes last fall that he desired for the eastern hotel and dining car trade, Mr. Morrill returned to this city a few weeks ago and has been buying and loading as many of the Eureka and Rural as was possible to obtain. His present trip he has been unable to secure as many as desired, owing to the conditions of the roads being such that transportation could not carry any quantity of potatoes from a distance. Six cars have been loaded and sent to Chicago, however, within the last few weeks, and Mr. Morrill, Mr. Morrill's assistant, will remain at the Brier building for about ten days yet to receive and supervise the shipping of any potatoes that may be received.

Likes Twin Falls Potatoes.
Mr. Morrill is satisfied with the Twin Falls potatoes to the extent that he has made arrangements for the large acreage this coming season. He will return to this city some time in June or July to visit the farmers with whom he has contracted and ascertain the approximate number of cars that will be necessary to handle the crop. During the last two weeks he has purchased 800 bushels of Eureka potatoes in the Utah district from one grower alone, with whom he will make a heavy contract for the coming season. The quality of potatoes he has secured from the Twin Falls country for special and particular attention has been given to make the best one of his chief sources of supply.

JACOB AND ESAU.

Genesis 27: 23-34.

22. And Jacob went near unto Isaac his father; and he felt him, and said, "The voice is Jacob's voice, but the hands are the hands of Esau."

23. And he discerned him not, because his hands were hairy, as his brother Esau's hands: so he blessed him.

24. And he said, Art thou my very son Esau? And he said, I am.

25. And he said, I will eat of my son's venison, that my soul may bless thee. And he brought him near to him, and he drank.

26. And his father Isaac said unto him, Come near now, and kiss me.

27. And he came near, and kissed him: and he smelled the smell of his son, and said, Blessed art thou, my son.

28. Therefore the Lord gave thee the dew of heaven, and the fatness of the earth, and plenty of corn and wine.

29. Let people serve thee, and nations bow down to thee: be lord over thy brethren, and let thy mother's sons bow down to thee: cursed be everyone that curse thee, and blessed be everyone that bless thee.

30. This was a great blessing, and Isaac should lord it over the descendants of Jacob. But God did not intend that Jacob should be lord over his brother Esau.

31. He had obtained a wild animal, and had cooked it as nicely as he could, so that it emitted a very fragrant odor, even more to Isaac's taste than had been that of Jacob's.

32. Isaac was very much agitated, and he said, "I have heard a voice, and it occurred to me that it had been Jacob's."

33. Isaac was quick to discover the trick that had been played on him. He remembered the sale of the birthright, and knew that he had no right to the blessing of the oldest son.

34. Isaac was quick to discover the trick that had been played on him. He remembered the sale of the birthright, and knew that he had no right to the blessing of the oldest son.

HAS NARROW ESCAPE

Murtaugh Youngster is Painfully Injured in Mixup With the Family Cow.

(Special Correspondence)

Murtaugh, April 2.—A peculiar accident which might have resulted fatally, killed little Charles Johnson last week. The little fellow was attempting to drive a cow to which a rope was attached. In some manner he got himself entangled with the rope and when the cow started off he tripped and was dragged some little distance. The rope got about his neck and although he was soon released some painful lacerations from the rope resulted.

No serious consequences are reported, although the boy was pretty well frightened.

WILL OPERATE DAIRY.

Wisconsin Man Brings Quinary Cattle to Twin Falls County.

W. W. Scribner, reportedly of Fred du Lac county, Wisconsin, is one of the new arrivals, bringing with him first-class Guernsey dairy cattle. He has located one mile east of the city, where he will conduct a dairy. Besides his dairy, Mr. Scribner will import and raise a high class of dairy cattle. He is a dairy stockman of long experience and comes from the section of Wisconsin where this industry is made a specialty.

Fried Fish To-day.

Cottolene is better than butter or lard for frying because it can be heated about 100 degrees higher without burning or smoking. This extreme heat instantly cooks the outer surface, and forms a crust which prevents the absorption of fat.

Cottolene

Fry fish with Cottolene and it will never be greasy, but crisp and appetizing enough to make your mouth water.

Cottolene is more economical than lard, costs no more, and goes one-third farther than either butter or lard.

You are not practicing economy if you are not using Cottolene in your kitchen.

THIS IS YOUR CHANCE

Such an Opportunity Seldom Offered to Acquire a Small Tract of Land at Such a Sacrifice

I have secured the exclusive handling of about thirty acres, only one-fourth mile from the city limits, and can sell it into three top-notch tracts. This land is one-half mile west of the Rock Creek bridge, and lays north of the Hollister branch of the railroad, and south of the main road. The land slopes to the north, and is all first-class soil. It is about 10 acres in all, a tract at which is six years old and worth on the present market, \$300 per acre. You can't duplicate it for near that price within one-fourth mile of this city. However, I can deliver the east 10 acres, including the orchard and improvements, for \$250 per acre. The 10 acres adjoining to the west for \$225 per acre, and the west 10 acres for \$210 per acre. This land will double in value within a very short time. I would advise you to call on me and secure first choice of these tracts. Very favorable terms will be given, considering the low price of the land.

MOVEMENT ON FOOT FOR BETTER ROADS

COMMERCIAL CLUB IS MEETING WITH SPLENDID SUPPORT

Cash Donations or Personal Services Are Required—Date for Performance of Work to be Fixed Later.

The district managers for Good Roads Day met with encouraging success yesterday in their canvass of the city for manual help and financial aid in placing the roads in this section of the country in first class shape. While no definite date has been fixed, with the weather permitting the workers will mobilize, pick and shovel about April 30 and fix up the highways.

In yesterday's canvass volunteers to work a day on the roads were the first thing sought. Those who could not give their personal services were asked to contribute in order that men and teams might be hired in sufficient numbers to make the work of the day a success. While the committee was successful in soliciting this help, the city has by no means been canvassed thoroughly, and the managers will continue daily to seek the willing worker or financial helper for Good Roads Day.

The membership of the Commercial club, under whose auspices the work will be done, are urged to interest themselves in the movement that has been started.

SALMON SUPPLY INCREASES

Salmon Dam Attains 50,000 Acre Feet on March 23—Constantly Rising.

Steadily, despite the cold weather of the past week, the stored supply of water for the Salmon River tract this season is increasing in the great reservoir behind the big concrete dam, and on Tuesday, March 26, the amount available for irrigation attained the figure of 50,000 acre feet.

A comparison in the rise of the water level above the level of the intake tunnel leading to the canal system between 1912 and 1913 shows a marked increase in the rate of the flow also. On March 1, 1912, the height of the water above the tunnel level was 4 feet, and on March 31, 1913, it was 14 feet. This year, the height was 37.5 feet, and on March 24, 1918, it was 37.5 feet. The rise in the height during the period last year was 14 feet, and this year 33.5 feet, or practically twice as much.

The increase in the stored supply between March 1 and 31 last year was 2,000 acre feet. This year it was 6,000 acre feet.—Hollister Herald.

PROSPECTS STILL GOOD

Local Railroad Company Are Well Satisfied with the Progress Being Made.

A meeting of the directors of the Twin Falls, Oakland and San Francisco railway was held a few days ago to consider propositions that have been received from financial parties on the coast who are becoming interested in the building of a road to connect with the Western Pacific. Eastern capital has become interested, and it is not improbable that those on the coast who are favorably considering the financing of the road may secure the co-operation of eastern assistance.

Recent activity in the proposed building of a line from Boise to Winnemucca has in no way discouraged the promoting of the line from this side to Wells. While the former line would be a great boon to the western part of the state, the road from Twin Falls south would be of still greater benefit in bringing alignment relief to proportion to the large area that would be opened up by a new road south from this city. There being no close relationship between the western and south central parts of the state, the local directors of the proposed road do not believe that the building of a road south from Boise will militate against their efforts to relieve the railway situation in southern Idaho.

HOLLISTER WANTS LODGE

Effort Being Made to Establish Local Branch of Masons—Plan for Special Building.

The pilgrimages of several Hollister Masons to Twin Falls in connection with the meeting of the Masonic lodge there Wednesday evening has a significance due to the fact that there is an earnest effort under way to establish a lodge in Hollister, there being already 20 members on the Salmon River tract to start the local organization in the event that a chapter can be installed here.

Among those who composed the party that went to Twin Falls were: Homer Craven, Walter F. Graham, F. R. Valentine, J. W. Bouton, C. H. Long, L. E. Edmundson and son, and A. R. Evans. They returned to Hollister Thursday afternoon.

An informal organization of the Hollister Masons was effected several days ago. Mr. Bouton being selected to temporarily serve as the presiding officer. A disposition will have to be secured from the grand lodge at Boise, and it is possible, will be made, that this, it is proposed, will be made.

One of the possibilities in the event of the establishment of a Masonic lodge in Hollister is the erection of a building containing a hall for the use of the lodge, as there is no convenient meeting place at the present time.—Hollister Herald.

C. B. AULT DIES

Well Known Farmer Succumbs to an Attack of Heart Trouble After Long Illness.

C. B. Ault, a well known farmer, died at his home, two and one half miles west of this city, last evening at 8 o'clock. His death was due to heart trouble, from which he had been a sufferer for the last two years. His death, was not unexpected, his physical condition having amounted a few days ago that he had only a few hours to live, at the most.

Mr. Ault was 45 years of age and had been a resident on the tract for the past four or five years. He was born in Ohio, and for a number of years engaged in teaching. Besides his wife and family he is survived by a brother, John Ault, of near this city, and other relatives in the east. He was a member of the Presbyterian church, from which the funeral services will be held Sunday afternoon at 2:30 o'clock, by which time relatives will be able to arrive from the east.

TO DISTRIBUTE ROSES

W. R. Pribe Fixes Date for First Move in His Big Rose Contest.

W. R. Pribe will distribute the rose bushes from his jewelry store on Friday, April 11, at 9 o'clock in the morning and continuing through the day. It is planned to give free a rose bush to every family in the city in which there are children in the city schools. Mr. Pribe will award prizes this summer for the best display of roses grown from the bushes that he will give away. He is conducting this contest to him for a rose bush are asked to do so at once. Applications will be received up until the morning of April 11, when the bushes will be distributed.

CITIZENS SUCCESSFUL

(Continued from Page 1.)

the exception of W. Z. Smith, who was defeated by William Graham, councilman for the second ward.

C. O. Kelgo was elected with a plurality of 68 over Pilgrimage. Kelgo led by 103 in the first ward, and Pilgrimage by 34 in the second.

Handsome pluralities were secured by Taylor and Nixon over the independent candidates for clerk and treasurer.

Brackbridge and White were returned to the council from the first ward with heavy pluralities over Wilkerson and Finney, independent.

In the second ward the race for the council was interesting. Maxwell, Citizens', led Graham by 11 votes, and Smith, Citizens', and Gardner, independent, tied for third place.

Judge Smith Leads.

Police Judge Smith had only one opponent, Larson, Socialist, and rolled up the big score of the election, leading Larson by 573.

Berg, Citizens', made a 3 to 1 run against Bybee, independent, for engineer in the first, but Bybee was only 44 behind in the second, giving Berg a plurality of 139.

In the first ward 319 straight Citizens' and 150 straight independent votes were cast. In the second ward Pilgrimage was favored in both wards.

The predicted heavy Socialist vote failed to materialize. In the first ward 104 straight votes were cast, and in the second 103 straight votes were cast, being a total of 163 in the city. Larson and Crawford received the highest vote on this ticket, many being scratch and protest votes.

The total vote in the city was 1635, 686 in the first ward and 830 in the second. The registration was 1,187, there being 588 in the first and 1,000 in the second wards.

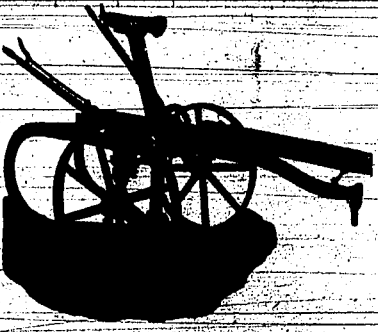

COMEDY OF ERRORS

Ben. Great Players to Present Well Known Shakespearean Bill Next Week.

Shakespeare's "Comedy of Errors" will be presented by The Famous Ben. Great Players in the high school auditorium next Monday evening, April 7, at the final number of this season's lecture course. The registration was without doubt one of the ablest trop of dramatic artists on the platform today and their past successes warranted a record attendance at their coming performance.

A chief feature of the playing of the Ben. Greats is that they have no set place in the way of scenery or setting. They make a specialty of Shakespearean dramas, but have become famous for their presentations of the work of other well known playwrights of the middle ages.
