

LOCAL MEN ARE WELL PLEASED

CALIFORNIA RAILROAD SITUATION IS SATISFACTORY

Definite Progress is Looked For in the Near Future as to the Building of the Wells Line.

That a great deal of material benefit was accomplished by George D. Alken during his recent visit to the coast in connection with the securing of a railway from Twin Falls to connect with the Western Pacific at Wells, Nevada, is who-benefit-of-look officials of the road.

Mr. Alken returned from California last week after a stay of several weeks and reports that the project is a definite proposition with the California is alive to the necessity of a line to tap the rich valleys of Southern Idaho is easily apparent, but the preliminary work in connection with the project is of such magnitude as to take many times and many expenses, and a definite proposition from the San Francisco and Oakland capitalists is not looked for for some weeks and possibly longer.

Expectation: Expected. Data in connection with the building of the road, possible freight tonnage, and a mass of further detail was laid before those interested in the plan, and this will be reviewed and examined at once and the result communicated to the officials here. It is expected that satisfactory arrangements will be reached whereby construction may be commenced, although the details of the plan for the financing of the property will not be definitely ascertained for some time.

The officials of the road express full confidence in the feasibility of the project, and are well gratified with the reception accorded Mr. Alken on the coast.

FIX WATER RATES

Commission Appointed by City Council and Local Waterworks Company.

In accordance with the state law, a commission to fix the rates for the use of water in cities and towns has been appointed by the city council and waterworks company of Twin Falls. Dr. J. H. Morgan and Dr. F. E. Gook have been named by the waterworks company, and Charles Burton and M. A. Stronk have been chosen by the council to constitute a board of four members.

It is the duty of this commission to fix the rates which will be charged for water in cities and towns for the next three years. Both the waterworks company and the city council have aimed at essential members of the board in the waterworks company. A meeting of the council held Tuesday evening of this week, the sprinkling contract was let to Nick Smith, and an increased parking district is being created. The usual bills were allowed at this meeting, which there will be one more before the close of the present administration.

SMALL BLAZE BREAKS OUT

Barn on Ripley Property Slightly Damaged When Lamp Overturns.

The fire department was called out Tuesday afternoon to get out a blaze that started in the rear of the Ripley residence on Fourth avenue north. Small damage was done. The fire started by the overturning of a lamp, which children were using in giving a show. There were several children of the neighborhood in the barn at the time but none were hurt in their haste to get out.

TOLEDO MAN CALLED

Dr. J. F. Shepard Invited to Take the Local Presbyterian Church as Stated Supply.

At a special meeting of the Presbytery held Monday night, the members of the Presbyterian church of this city voted to extend an invitation to Dr. J. F. Shepard, at present pastor of the Presbyterian church of Toledo, Ohio, to fill the pulpits here as stated supply for a period of one year.

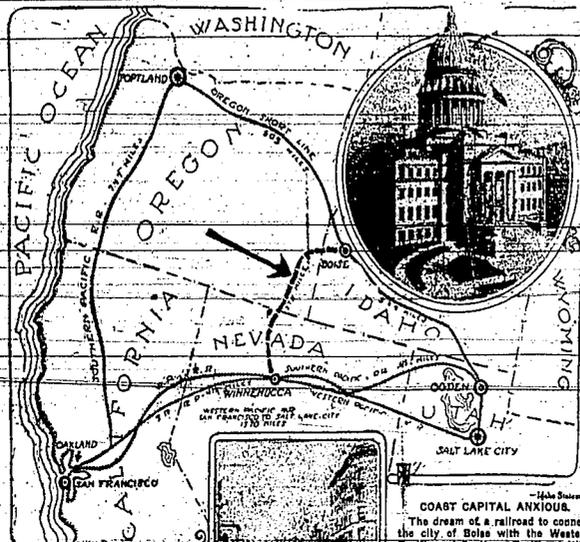

RELIEF FOR SUFFERERS

A car is being loaded with provisions and clothing for the eastern flood sufferers, and will be shipped to St. Louis, Mo., by the Dayton. The car contains 30,000 pounds of potatoes, 1000 pounds of flour, and a large number of boxes of apples and canned fruit, as well as a quantity of clothing.

Empire Awaits the Touch of Capital

Wealth of Idaho Beckons the Coast Metropolis

How San Francisco can be linked with rich southwestern Idaho. Map showing existing connection between San Francisco and Boise, Idaho, with mileage of routes via Ogden, Salt Lake City, and Portland, and proposed route via Winnemucca, Nevada, indicated by arrow. The upper picture is of the new state capitol at Boise; the lower is a view of Main street, Boise, showing modern structures.

SUMMARY OF THE MAP.
San Francisco to Boise, via Ogden (Southern Pacific), 1122 miles.
San Francisco to Boise, via Salt Lake (Western Pacific), 1320 miles.
San Francisco to Boise, via Portland (Southern Pacific), 1257 miles.
SAN FRANCISCO TO BOISE, VIA WINNEMUCCA, PROPOSED ROUTE, 890 MILES.

DISCUSS NEW TAX

Meeting to be Held of Commercial Club-Friday For Benefit of Roads of County.

A meeting that should interest every automobile owner, every business man of this city, and all who would like better roads has been called for Thursday night at the Commercial club. While the meeting has been called by citizens interested in the welfare of the tract should be present. The recent legislature passed a law which goes into effect this year levying a tax on automobiles on the basis of one dollar per horsepower of such machine. This money is to be spent on the state highways. One portion of the law which is of interest to the different localities provides that where localities organize road districts 70 per cent of the state fund collected in said organized district shall be paid back to such district to be used for improvement of the roads in the district. The remaining 30 per cent goes into the state road fund. The object of the meeting is to organize a local road district so as to be able to make use of the moneys collected in this district by automobile tax, which will probably amount to near \$2000.

FIRST GAME OF SEASON

Kimberly Team to Cross Bats With the Local High School Boys.

A combination baseball team of Kimberly high school and town teams is coming Saturday to cross bats with the local high school.

FREE SHOW TICKETS

Once more somewhere in the advertising section of The News may be found two Isis theater matinee tickets, either of which will admit one little one on Saturday afternoon of this week.

They may be a little hard to find, but get your parents to help in the search.

The program will be of the entertaining Isis kind and the theatre management and The News will take good care of the guests and guarantee a good time.

JEFFERSONIANS MEET

IN ANNUAL LOVEFEAST

DEMOCRATS OF COUNTY FIX THE DATE OF BANQUET

Notable Speakers are Expected From Over the State, and Function is to be an Elaborate Scale.

In commemoration of the birthday of Thomas Jefferson, the Twin Falls County Jeffersonians club will hold a banquet and love feast in the Hotel Rogers club Saturday evening, April 17.

The sum of \$120.00 was the total contribution at the hand concert given at the local auditorium last Sunday afternoon for the eastern flood sufferers. A high class program of sacred and popular music was rendered by the band and an audience that filled both the lower and upper floors was present to hear the music. All the selections by the band were well presented and highly appreciated. Full band numbers, solos, and duets comprised the program. The selections given under the direction of J. T. Baldrighan, bandmaster.

WILL VISIT K. P. LODGE

Grand Chancellor Samuel N. Newton, of Boise, will make his official visit to the local K. P. Lodge next Wednesday evening.

Help for Flood Sufferers

All those desiring to make cash donations for the benefit of the flood and fire sufferers of the Middle West may leave same at The News office. Believing in the broad principles of humanity and recognizing the urgent need of financial assistance for the thousands of those upon whom the hand of misfortune has so heavily fallen, The News will head the list begun in this issue and to which the names of all those offering assistance will be added from week to week.

Sums of twenty five cents and over gladly received for forwarding to those in charge of the relief work in the stricken districts.

The News \$10.00	Geo. E. Harlan 2.00	A. E. Oelander family 20.00
G. W. Crater 2.00	Mrs. J. A. McMillan 5.00	P. H. Smith 5.00
M. G. Finch 1.00	A. B. Norton 1.00	L. A. Snyder 1.00

RURAL DELIVERY FROM HANSEN POSTOFFICE

Rural free delivery service has been established from Hansen, according to a telegram received today from Congressman Addison T. Smith. The service will be effective as soon as the postmaster certifies that the route is of sufficient length to warrant the appointment of a carrier. The route will be from Hansen to the residents of Hansen.

ASSUMES HIS DUTIES AS CLUB SECRETARY

JAMES McMILLAN APPOINTED BY BOARD OF DIRECTORS

Well Known Twin Falls Man Accepts the Position for the Betterment of Southern Idaho.

Chosen by the directors of the Commercial club, at a meeting held last Saturday, James McMILLAN, of the well known Twin Falls Land and Water company, with offices in Shoshone, has accepted and assumed the duties of secretary to the club. Mr. McMILLAN has already taken the steps which he hopes to carry out for the club in the near future. Mr. McMILLAN has an extensive acquaintance with southern Idaho and its needs, and it is in a position to work for the best interests of this city and tract as secretary of the club. He has seen this city and surrounding country grow from the beginning, coming here in April, 1903, ten years ago as a member of the Twin Falls Land and Water company, with offices in Shoshone. He took an active part in the opening of the project and its development until it became a private secretary to Governor Hooding. He had been known as the "father of Kimberly," having owned and sold a great portion of the ground on which this town is located. He was the first tax assessor and collector in this county.

PLENTY OF CASH FOR MAJOR REED'S WORK

WELL KNOWN BOOSTER ACCEPTS IMPORTANT OFFICE

Will Serve as Commissioner from Idaho to Panama Exposition and as Immigration Commissioner Too.

"I guess I am pretty much of a commissioner now, what?" said Major Reed, who is in the city at present. "I am not only the duly appointed commissioner of immigration, statistics and labor for Idaho, but now also the executive commissioner for Idaho at the Panama-Pacific Exposition to be held in San Francisco in 1915. I am going to handle the exhibit for Idaho."

GOOBLY SUM RAISED

Twin Falls Band Realizes Over \$100 for the Benefit of the Flood Sufferers.

The sum of \$120.00 was the total contribution at the hand concert given at the local auditorium last Sunday afternoon for the eastern flood sufferers. A high class program of sacred and popular music was rendered by the band and an audience that filled both the lower and upper floors was present to hear the music. All the selections by the band were well presented and highly appreciated. Full band numbers, solos, and duets comprised the program. The selections given under the direction of J. T. Baldrighan, bandmaster.

ENTERTAINS ROYAL NEIGHBORS

The Royal Neighbors of America entertained a large number of guests at a party given at the home of Mrs. Joe King, the hostess was assisted by Mesdames Starr, Kendall, and Peterson.

ILLEGIT SALES OF LIQUOR TO CEASE

CITY AND COUNTY AUTHORITIES MAKE WHOLESALE ARRESTS

Ninety Men Are Gathered in This Week Charged With Bootlegging. More Complaints are Ready.

THOSE ARRESTED.

- Forjordan Schuster, Twin Falls.
- D. E. Cannon, Twin Falls.
- William J. Adams, Twin Falls.
- Harry Woods, Twin Falls.
- Bert Johnson, Twin Falls.
- W. S. Harris, Twin Falls.
- Fred Estes, Dun.
- George Weldon, Milner.

Ninety men arrested bootleggers brought in the net that was drawn across the county Tuesday of this week. Six of the victims reside in this city. Two in Butte and three in Milner. With the exception of George Weldon, of Milner, all the parties arrested pleaded not guilty, and will have their hearings the remainder of this and the first of next week. Each defendant will face between four and five different counts.

Evidence against the alleged illegal liquor sellers has been collected for some time past, and the wholesale arrests took place Thursday. The defendants have been arraigned in Justice Judge Smith's court. The evidence was secured by Special Officers McConville, of this city, and Abrahamson, of Boise; Schuster, Cannon, Estes, Harris and Weldon gave bail. The other defendants await their hearings in the county jail.

OFFICE BUD NO SALARY

It will be remembered that Governor Hansen appointed Major Reed as state immigration commissioner some time ago, but the salary of the commissioner the office was short of its appropriations. With the office in the state of affairs Major Reed could not see his way clear to carry on the work of the department without funds, and has been continuing his work in the interests of the North Side.

STATE CONCLAVE HERE

Brotherhood of American Yeomen to Meet in Twin Falls in 1914.

The next state convolve of the Brotherhood of American Yeomen will be held in Twin Falls. This announcement was made last Friday on his return here by H. H. Good, president of the local lodge, who was in attendance last week at the convolve held at Moscow.

Members of the convolve for Twin Falls was not without an effort on the part of Mr. Locklin, as at least six other cities and towns in the state have made efforts to land the meeting. Mr. Locklin was the only representative from the local lodge.

Electricity as a Home Product

Magnificent Growth in Demand for Power Places Twin Falls in Front Rank of Electric Cities of the Country—Advertising Value of Enormous Benefit to Southern Idaho

BY E. A. WILCOX.
"In considering the many and varied uses of electricity in Idaho, it is in reality the fact that should be made of the fact that the generation, distribution, and sale of electric energy is a HOME INDUSTRY, and that the electric service best in place on the market for the consumers' use is a HOME PRODUCT. This fact is significant and worthy of consideration because the commercial character of an individual community or of an entire state may be strengthened as a result of a very successful extent by the intelligent, practical application of its electric power resources. The possibilities for such development are dependent upon the extent of the natural-power resources of the state, and are controlled very largely by the enthusiasm and enterprise of the citizens of the territory. To grasp the opportunities that are afforded, it is an often boasted fact that Idaho is rich in the possession of the natural resources, not in that enterprising type of citizenship which is the requisite of success.

Water Power Resources.
The vast drainage area of the Snake River with its lofty mountain ranges covered with snow throughout the year, its high plateaus, and low lying basins and valleys, makes it one of the great, if not the greatest, water-power states in the union, both as regards size and economy of development, and the largest and most concentrated distribution of these great natural resources within the boundaries of the state. Southeastern Idaho is provided with wonderful power possibilities by the Bear River and its tributaries. The Snake River, in its long irregular course, the high Big Lost River, range in eastern Idaho to where it empties into the Columbia in western Idaho, descends many hundreds of feet through a number of abrupt changes in elevation in the river bed, which provide practically unlimited means of generating water power. The installations of water power plants along the course of the Snake River and its tributaries, which have already been made by the Kuhn interests of Pittsburgh, and other eastern capitalists, have accomplished wonderful results for the commercial and civil good of the people living in southern Idaho. In central Idaho, the Salmon River offers practically unlimited possibilities for development, and in northern Idaho, immense water power installations have been made, and are being carried to completion on the Payette and St. Joe Rivers and their tributaries.

Rapid Development.
Having reviewed the exceptional possibilities of the state for the development of water power, it is not difficult to understand why the development of this resource is being done, and what is possible of accomplishment, throughout the state by adapting electric energy to the needs and requirements of modern commercial, industrial, and home life.

The wonderful increase of knowledge and technical science has been phenomenal. The rapidly with which this technical knowledge has been combined with engineering skill in the commercial use of electricity for the better accomplishment of duties heretofore performed by other means, and the further scope of its application to things heretofore unthought of, has been nothing less than miraculous. The practical every-day use of electricity in modern life is the result of the research has been about as simple a matter of fact as that very few yet comprehend these possibilities of a resource of such availability, unless the situation is frequently brought to their attention.

Practical Uses of Electricity.
It is often and truly pointed out that it is often and truly pointed out that it is to be both generally and extensively utilized along all lines of the home industry. This is true in no other part of the world. One of the greatest and most recent practical applications of electric energy in the state is the operation of modern printing plants. About one hundred and fifty thousand acres of choice land have been reclaimed during the past few years through the aid of the electrically operated centrifugal pump, which in many instances is lifting water as high as one hundred feet. The development in irrigation pumping has merely commenced, however, because there are several hundred thousand acres of Idaho's most fertile land yet in sage brush that can and will be watered more advantageously and cheaply by the installation of pumping plants than by any other means.

Electric Heating.
Hand in hand with the hydroelectric plants for power for pumping has been the development of electric energy for general commercial and domestic heating purposes. All electric energy is needed during the winter months for the irrigation pumping, it has been found profitable and possible for the hydro-electric companies to sell its surplus and economical for the home use of electricity to utilize the surplus energy during the winter months for general heating purposes. This scheme has been tried extensively and has proved very satisfactory to all concerned. Hundreds of homes, stores, hotels, and even public buildings, have been heated here in southern Idaho are depending entirely on electricity for heating purposes. Many households are being heated by electricity. For lighting purposes, electricity is universally used, even here gas—oil—oil are easily and cheaply replaced by electricity. The electric light is practically unknown except in isolated districts which are not within reach of electric power lines.

Electricity on the Farm.
The power companies operating throughout the state, realizing the rapid growth and settlement that is about to take place in the respective

The NEW HARLEY-DAVIDSON

The First Comfortable Motorcycle.

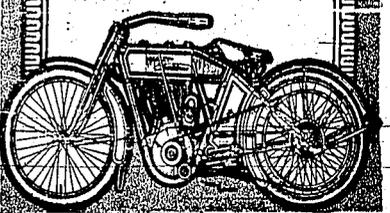

The ordinary motorcycle of to-day is built with a rigid seat. Their manufacturers rely on the small springs in the saddle to absorb the jolts and jars. These springs have an action of about one inch-up-and-down. This means that when a rider of such a machine strikes a bump three inches high, these springs absorb the first inch of the jar and the rider gets the rest. This is not true however with the Harley-Davidson, for its

Tilt-Adjusting Seat

provides a range of action of nearly four inches, making this machine nearly four times as comfortable as the ordinary motorcycle.

This is only one of the exclusive features of the new Harley-Davidson. We should like to show them all to you.

L. R. KELLY SALES AGENT

WHY The Best Fence Is the Cheapest

The difference in cost between a loosely woven fence made of brittle, poorly galvanized wire and the best fence you can possibly buy is only a few cents, at the most. In fact, it is so slight that you can't afford to consider it for a minute. When you stop to think that it takes just a many pats and just as much labor to put up a short-lived fence as it does one that will last two or three times as long, and when you stop to figure the cost of repairing broken-down fences—the loss to your crops from cattle breaking through, homes going over and pigs crawling under—you will agree that to buy any wire fence just because it is cheap is poor economy.

Square Deal Fence

will outlast any other farm fence you can buy and costs no more than any other fence of equal weight and quality of material. Every rod is guaranteed by The Kerwin Steel and Wire Company—by mill that makes both the fence and the wire that goes into it.

Come In and See It

before you buy fencing. See how trim and neat it looks; how easy it handles; see the non-breakable, non-slipping Square Deal Lock. See the way strand wires that keep Square Deal Fence tight and true the year around. See the fine-fiber wire that makes this fence self-supporting, non-sagging and non-bowling.

Get our latest prices on guaranteed "Square Deal" Fence. No freight to pay. No waiting.

THE COMING DIVISION.

In a general way, who can now define the words "Republican" and "Democrat"? It is certain that these terms no longer describe the Administration and the Opposition. It is no longer enough, for a man to say "I am a Republican"; immediately comes the query, what kind of a Republican? This is equally true among the Democrats.

AN EXCELLENT MOVE.

The Twin Falls Commercial Club is to be congratulated upon the securing of Mr. James McMillen as secretary. Through this step it is now felt that the high water mark in efficiency of the club's operations will soon be reached.

FOR THE PEOPLE OF IDAHO.

In this issue of The News will be found a complete review of the work of the Twelfth session of the Idaho legislature, together with a number of interesting facts and figures bearing on platform promises and the manner in which they have been carried out.

THE NEWSPAPER FIELD.

A bright and "newsy" little paper is the Southern Idaho Advocate, of Burley, which made its appearance in the local field some three weeks ago.

ANOTHER PRECEDENT GONE.

By the reading of his message to Congress in person, President Wilson has brought himself a step closer to the people and to the people's representatives, and the effect will probably be readily apparent in the months to come.

THE RIGHT OF SUFFRAGE.

There is no reasonable objection to the right of women to the ballot, yet it is a question if their cause is being furthered by the actions of the militant element in England. Every womanly woman is opposed to such tactics and every educated man sees in such exhibition, only proof of a lack of balance in the sex which is as dangerous as it is regrettable.

THE RAILROAD SITUATION.

In all the railroad talk of months, there is one fact which remains and must always remain, and that is that Southern Idaho will have another railroad. Twin Falls is trying for an outlet to the Western Pacific or the Southern Pacific, Boise is in similar case.

THANKS.

To those whose names are found in this issue of The News as contributors to The News fund for the relief of the flood sufferers of the Middle Western States, The News would express its sincere thanks.

ROSES GIVEN AWAY.

Free Distribution by W. R. Priddy Begins This Week Starting Tomorrow. W. R. Priddy will give away roses from his Auto-Kick block of Twin Falls tomorrow, Friday, April 11.

THE VOTE OF THE FUTURE.

Platforms and principles rather than men will probably be the almost general rule in the next national election. Time was when men voted for parties and for men and would have been ashamed to devote a hair's breadth from either—this is no longer the case.

THE UTILITIES COMMISSION.

One of the biggest things in the Halper administration is the creation of the Public Utilities Commission. It is one of the things upon which the administration will stand or fall in the next election.

STATEMENT OF OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., OF THE TWIN FALLS NEWS.

Note—This statement is to be made in duplicate, both copies to be delivered by the publisher to the Postmaster, who will send one copy to the Third Assistant Postmaster General (Division of Classification), Washington, D. C., and retain the other in the files of the post-office.

The News Washington Letter

Political Comment, News, and Gossip of the Capital. Washington, D. C., April 8.—Three important bills of much interest to the homesteaders, which were introduced at the session of Congress but which action of passage will be given first attention by Mr. French at the opening of the legislative session.

Over Southern Idaho

Interesting Incidents in the Land of Irrigation. Work on King Hill Project—Construction work on the King Hill project will begin immediately and it is expected that the water will be turned to the settlers in ample time for irrigation this spring.

FUNERAL OF G. B. AULT

Services held Sunday Afternoon—K. of P. Lodge Brothers Attended in a Body. The funeral services of Clinton B. Ault were held at the Presbyterian church, Sat. Sunday afternoon, with the Rev. Dr. Anderson officiating.

EXPECT LIVELY GO

Ernest Wright and Jimmy Boyd to Meet at Caultion Hall on Friday Night. One of the hardest contested boxing matches of the season is looked for Friday night at Caultion hall when Ernest Wright of Fort Latta, is scheduled to meet Jimmy Boyd in the usual 10 round go.

SACRED CONCERT

The Ladies' chorus of the Twin Falls Presbyterian church, led by Mrs. Marie Gubbert, and assisted by the Methodist orchestra, will render a sacred concert at the Methodist church next Sunday evening.

LET US SHOW YOU

If you are a sufferer of piles or hemorrhoids in any form come to our store and let us show you Montol File-Remedy. It is one of the best remedies ever known for hemorrhoids and is sold on absolutely guaranteed.

POUR BENTON'S

Two miles from Burley, 40 acres old alfalfa hay, balance stubble plow land, two room shack, hen house, shed, 1000 ft. water, address James L. Benton, 12th north, Burley, Idaho.

Killed in Accident

One of the pioneers of southern Idaho, Henry Dock, a resident of Rhobone, was killed in a runaway accident Saturday, March 30. His team was frightened by a horse and with the team of the horse Mr. Dock's son and a hired man were thrown from the wagon.

Extend Electric Lines

According to the Idaho Canal Commission, the distance between Wendell and Reganman is practically assured, and negotiations are now under way to continue the line from Reganman to Wendell.

Senator Brady Returns

Senator Brady has just returned to Washington after an extended visit to Idaho. While in the state he visited Pocatello, Boise, Lewiston, Wallace and Coeur d'Alene and had the pleasure of meeting many of the citizens.

Fast Work at Rupert

Rapid progress is being made on the construction of the water works system at Rupert. A big ditch, 400 feet long, has been dug which carries the water to the rate of a yard a minute.

Effort for School Purposes

An effort is being made to supply the school houses on the Mindoka project with electric heat. It is expected that the water works plant will be supplying the residents of the town within the next few months.

Motor on Rupert-Bills Cutoff

Motor car service was inaugurated by the Oregon Short Line on the Rupert-Bills route. The motor car will run at 10 a. m. and Rupert at 10:30 a. m., arriving in Bills at 11:00 a. m. and leaving Bills at 1:30 o'clock and arriving in Rupert at 2:30 p. m.

Stage Line to Jarbidge

A stage line between Amstar and Jarbidge is being organized. The line will be operated by W. C. Colman, Amstar, and Theodore Parks, Jarbidge. The line will be operated by the Amstar and Jarbidge stage line.

Will Lytle the Victim of Accident

Will Lytle, of the Young and Lytle Clothing company, suffered a severe injury of the right hand last Sunday when he started to crank an automobile. The car slipped and he was struck back with great force, striking the back of the hand and breaking several bones which will put the hand out of commission for some time.

CHANGES AT VARNER'S.

Varner's candy store has been enlarging alterations the past week which when completed will make this store one of the most up-to-date and neatest confectionery and lunch rooms in this part of the state.

Heavy Beet Crop Anticipated

A large acreage in the vicinity of Burley will be devoted this year to beet growing as an experiment under the direction of the government experiment station at Jerome. The matter will be furnished by the government, and the culture this year will be further test the climate.

Local Brevities

Mrs. J. M. Shank was a Buhl visitor over Sunday.

C. A. McClelland was a visitor in the city over Sunday.

W. H. Young left Monday for a business trip to Boise.

E. Marcy, of Burley, was registered in the city Monday.

Charles E. Muhl was a business visitor at Alton Saturday.

Mrs. P. B. Marshall, of Buhl, was a visitor in the city over Sunday.

Max Miller came up from Buhl to visit with his relatives over Sunday.

J. G. Highler, of Hollister, was a business visitor in the city Monday.

W. L. Davis, of Gooding, was a business visitor in the city last Saturday.

W. E. Smith was a Hanson resident transacting business in the city Saturday.

Archibald Graham was a business visitor at Alton the latter part of last week.

Mr. and Mrs. W. B. Robinson, of Idaho, were visitors in the city last Saturday.

J. Warren-White, of Buhl, was a visitor in the city the latter part of last week.

Mr. and Mrs. E. A. Nelson, of Rupert, were in Twin Falls visitors last Saturday.

Alfred O'Brien returned Saturday from California, where he spent the winter.

County Attorney Hicks returned on Saturday from a business trip to Salt Lake City.

G. P. Bennett, of Buhl, was a business visitor in the city the fore part of last week.

H. H. Fisher, of Buhl, was a business visitor in the city the fore part of last week.

Kenneth M. J. Swirey left Sunday evening for Salt Lake City to attend to legal business.

Mrs. R. Hudson, proprietress of the Kimberly hotel, was a visitor in the city last Saturday.

Mr. and Mrs. L. G. Kirkman have returned from a few days' visit at Salt Lake City.

C. P. Weidman, driver of the chemical engine of the fire department, has resigned his position.

Mrs. W. O. Taylor returned Sunday from a visit with the family of General Roberts at Boise.

Henry Hansen was a visitor in the city from his home at Hansen the latter part of last week.

Harry Allen left Sunday evening for Salt Lake City to look after business matters for a few days.

George Arohat, of Millar, was looking after business matters in the city the fore part of the week.

W. H. Turner, cashier of the Bank of Twin Falls, was a business visitor in this city on Tuesday.

R. R. Cook, of Jarbidge, arrived in the city the fore part of the week to attend to business matters.

W. L. Leach returned last Saturday for Salt Lake City, to be gone several days looking after business.

Mrs. Clara Scott and Miss Scott returned Saturday from Los Angeles, where they spent the winter.

R. Y. Jones was in the city last Saturday from his home at Okhlo, attending to business affairs.

A. McDermald was in the city Monday from his home at Kimberly, looking after business matters.

Don H. Bark, of Dolan, arrived in the city Monday to look after business in connection with his office.

H. L. Leach returned last Friday from Moscow, where he attended the state meeting of the B. O. of A.

J. H. Moorehouse left Sunday for Salt Lake City, where he was called to attend to business matters.

Charles R. Walters, probation officer for Lincoln county, was a visitor in the city the fore part of the week.

Week in Society

Mrs. E. J. Ostrander entertained the members of the Lanchon club in a beautifully appointed "Hot Rose" luncheon last Thursday afternoon. The polished table top was covered with a most attractive set of Nell-Hose dishes and a large bowl of sweet peas in the Nell-Hose shade formed a beautiful centerpiece. The color scheme was further carried out with tiny can- dles in little glass candle sticks, which were arranged at each place, and that proved to be a unique method of fixing partners for the bridge game which followed the luncheon. The first couple for table number one was determined by the first two candles—that burned out, and so on. The place cards were dainty floral designs in the Nell-Hose shades. Mrs. Robinson received the prizes for high bridge scores and Mrs. Pulling won the prize for high score among the substitutes. Places were arranged for Mrs. Welton, Mrs. Robbins, Mrs. Allen, Mrs. Boyd, Mrs. Boyd, Mrs. Robinson, Mrs. Read, Mrs. Ferriss, Mrs. Fallig, and Mrs. Kennell.

Brilliant Reception.
Mrs. L. I. Brockenridge and Mrs. A. Mann were joint hostesses at a brilliant reception given at the home of the former on Tuesday afternoon. The two rooms of the Brockenridge home were lavishly decorated in pink and white, and the tables and pedestals, little Miss Louise McMartin in a dainty pink gown, and Master Kenneth Mann dressed all in white, greeted the guests at the door, and conducted them to the large living room, where they were greeted by the hostesses and Mrs. Woodhull, Mrs. Thomas, and Mrs. Dinco. The hostesses were also assisted in receiving their guests by Mesdames Spickman, McClinton, West, Beuchamp, Wilson, Pitcairn, McMartin, and Miss Olen.

The refreshment table, which was laid in the large dining room, was covered with an elegant cluny cloth, and had as a centerpiece a large Japanese basket filled with pink Japanese roses. The room was lighted entirely with pink shaded candles arranged on the table and buffet. Here presided in turn Mrs. McMartin and Mrs. Babcock; Mrs. Cooper and Mrs. Robinson; and Mrs. Warner and Mrs. Hamilton. Tea was served from a service table in one corner of the dining room, which was also covered with a cluny cloth and decorated with pink roses and white candles. Here in turn presided Mrs. Bryant, Mrs. Fallig, Mrs. Crozier, and Mrs. McLean. The Misses Jessie Fraser, Black, Sarah Hamilton,

Mary Hallett, Christine Fraser, Jane Maxwell, Elliott, Adair, Hollinson, Jennell Brockenridge, and Bryant. Most dances Kayler, Miller, Hamilton, and Scott and Scott also assisted in the dining room.

Mrs. Katherine Pitcairn had charge of the very excellent musical program, which was rendered during the first hour. Mrs. McMartin, Mrs. Dabbs, Mrs. Kennell, and Miss Pitcairn sang a number of delightful solos. Mrs. Gilbert rendered a splendid piano solo. Misses Yveta Thomas and Margaret Wilson played several duets, as did also Mrs. Thompson and Mrs. Stewart. Mrs. Alton accompanied by her sister, gave several pleasing violin solos. The reception was one of the largest and most brilliant affairs given this season and over a hundred ladies called between the hours of two and six.

Luncheon for Mrs. N. E. Bedford.
Mrs. C. C. Bedford was hostess at a delightful luncheon last Thursday at her home on Eighth avenue, in honor of Mr. Bedford's aunt, Mrs. N. E. Bedford, of Caldwell. The luncheon table was very attractively covered with pink carnations and several potted plants were arranged about the room. The dainty place cards were also in pink. After the luncheon the guests enjoyed a guessing contest. Mrs. Kunkuloy winning the prize, a beautiful silver spoon. The non-competitor was also presented with a beautiful souvenir spoon. Seated at the luncheon table were Mesdames Bedford, P. H. Smith, Bullis, Macool, Porter, Holmes, Spafford, Hibbard, and Miss Dadd.

Delightful "500" Party.
One of the very enjoyable events of the week was the party given by Mrs. Harry Hazel at her home on Ninth street on Monday afternoon, when she entertained a number of friends at "500." The prize for high score was captured by Mrs. Shout, and the consolation fell to Mrs. Chapin. The hostess was assisted in receiving and in serving delicious refreshments by Mrs. Grant, Mrs. Langley, and Mrs. Herrick. Those present were: Misses Baker, Barton, Booth, Buttolph, Chapin, Chapin, Coughlin, Denoyer, Palling, Flower, Grant, Gilbert, Hancock, Herrick, Kennell, Kunkuloy, Kenzie, Langley, McCallum, Morse, Koneer, Pike, Reed, Robinson, Shout, Skeels, Stalker, and Welton.

Honoring Mrs. Oakley.
Honoring Mrs. Oakley, of Boise, who was formerly a resident of Twin Falls, was the very pleasant "500" party given by Mrs. C. C. Bedford on Tuesday evening. The room was decorated with potted plants and carnations for the occasion. Mrs. Buttolph secured the prize for high score at "500" and Mrs. Oakley was presented with a beautiful pair of salt and pepper shakers. Those who enjoyed Mrs. Bedford's hospitality were Mesdames Wood, Lovell, Greenough, Dodd, McAttee, Wilker, Mitchell, Haridogan, W. S. Hill, Allen, E. T. Williamson, Buttolph, Wright, Carven, Milner, T. J. Woods, Lewis, Longley, Burton, M. J. Brewster, and Shout.

Robbing the Dining Room to Pay the Kitchen

NO wonder butter is so high. Particular women who are loath to use lard or cooking butter in their cakes and fine pastry, use table butter. With butter at the price you have to pay for it, that's downright extravagance. Cottolene is just as good as butter for pastry; for frying, it is better. And Cottolene costs no more than lard. Moreover,

Cottolene

is richer, and two-thirds of a pound of it will go as far as a full pound of butter or lard.

And lard and Cottolene are not to be mentioned in the same breath, for Cottolene is a vegetable product, healthful, always safe—and makes digestible, rich, but never greasy food.

TRY THIS RECIPE:
Fried Oysters
Use large oysters, packed a moment to dry out some of the juice to prevent spattering during frying. Lay them in seasoned bread crumbs, beaten egg and again in bread crumbs, then cover a few at a time in deep smoking hot Cottolene.

Remember, Cottolene is better than butter, better than lard—and much more economical.

Made only by THE N. E. FAIRBANK COMPANY

Missionary Society Entertained.
Mrs. Deaky will entertain the ladies of the Woman's Home Missionary Society of the Methodist church at her home on Shoshone street this Saturday. Mrs. Allen secured the prize for high score at auction bridge.

Auction Bridge Club Entertained.
Mrs. C. E. Booth entertained the members of the Auction Bridge club at a pretty appointed luncheon last Saturday. Mrs. Allen secured the prize for high score at auction bridge.

Supper for New Priest.
The ladies of the Catholic church surprised Father Hahn with a very elaborate banquet on Tuesday evening at the Algonz hall, when over three hundred guests were seated at the long tables prepared for the occasion. The tables were decorated with pink and white carnations and ferns, and a very elaborate banquet was served, after which Father Hahn was presented with a very substantial purse. The following program was greatly enjoyed: Vocal Solo—Miss Galigan, accompanied by Mrs. Toppman. Vocal Solo—Miss Libby, accompanied by Mrs. Bezan. Vocal Solo—Miss Fafek, accompanied by Mrs. Gilbert. Vocal Solo—Miss Rebin, accompanied by Mrs. Bezan. Recitation—Miss Cox. Solo—Mr. Helms.

CLUBS
The balance of the officers of the Lambda Chi chapter club will be elected on next Tuesday afternoon at the Masonic hall.

- eliminates drudgery from the kitchen.
- makes the home clean and sanitary.
- cooks with comfort, ease, and economy.
- is guaranteed to be safe, durable, and practical.
- combines the best and most modern methods.

—are 50 per cent lower than in the larger western cities, and 75 per cent lower than the largest eastern cities.

They are cheaper than gas at 75c per thousand feet, in actual cost of cooking.

They are at least 25 per cent cheaper than coal at the prices paid for fuel in Idaho.

Cost Complete \$65.00

Rate per Kilowatt Hour 2½c

Simplex Electric Ranges in Car Load Lots

The first shipment was made on March 27th, and should arrive in Idaho in a few days. Do you realize, Mr. Citizen, that the first car load of electric ranges ever shipped in the world was consigned to Southern Idaho? Do you know that more electric ranges are in service in Southern Idaho than in all the New England States together? Do you appreciate the fact that Southern Idaho is being more widely advertised and better known throughout the country today for its cheap rates for electricity than for any other one thing? Do not these facts arouse in you a feeling of just pride and confidence? We will install these ranges on trial or partial payment basis. Place your order early.

SABBATH SCHOOL LESSON

APRIL 13, 1913

JACOB AT BETHEL

Genesis 28:10-22.

10. And Jacob went out from Beer-sheba, and went toward Haran.

11. And he lighted upon a certain place, and lay there all night, because the sun was set; and he took one of the stones of the place, and put it under his pillow, and lay down in that place to sleep.

12. And he dreamed, and behold a ladder set up on the earth, and the top thereof reached to heaven; and he saw the angels of God ascending and descending on it.

13. And he beheld, the Lord stood above it, and he said, I am the Lord God of Abraham thy father, and the God of Isaac; the land wherein thou hast said, I will give it to thee, and to thy seed; and in that place shall be thy pillow, and lay down in that place to sleep.

14. And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south; and in that place shall be thy pillow, and lay down in that place to sleep.

15. And behold, I am with thee, and will keep thee, in all places whither thou goest, and will bring thee again into this land; for I will not leave thee, until I have done that which I have spoken to thee of.

16. And Jacob awakened out of his sleep, and he said, Surely the Lord is in this place; and I know it not.

17. And he was afraid, and said, How dreadful is this place! This is none other but the house of God, and this is the gate of heaven.

18. And Jacob rose up early in the morning, and took the stone which he had put under his pillow, and set it up for a pillar, and poured oil upon the top of it.

19. And he called the name of that place Bethel, for he said, This was called Luz at the first.

20. And Jacob vowed a vow, saying, If God will be with me, and will keep me, and will give me bread to eat, and raiment to put on,

21. So that I come again to my father's house in peace; then shall the Lord be my God.

22. And this stone, which I have set for a pillar, shall be God's house; and if ever I come to this place, I will surely give the tenth unto thee.

Golden Text—"I am with thee, and will keep thee in all places whither thou goest."—Gen. 28:16.

Expository.

10. We remember that Beer-sheba was in the extreme southern limit of the land of Canaan, on the very border of Arabia. Haran, on the other hand, was on the east side by the Euphrates, more than 400 miles away. The journey naturally lay along the high lands of Canaan to the north, and then down the same route that Abraham had passed over in his coming to the country.

11. This was probably his second journey. The first day would take him from the vicinity of Beer-sheba to the vicinity of Hebron, and the second day would reach Bethel, or Bethel, about ten miles north of Jerusalem.

12. It was a great trial to Jacob to lie down by a stone or a pile of stones for a pillow, since he was not accustomed to feathers, or soft pillows, such as we use.

13. This was a rather remarkable dream. Of course, Jacob had heard of the story of the angels coming to his grandfather, but no one had ever seen an angel or so. But now Jacob sees angels, and he hears the voice of the ladder, which reaches from earth to heaven. He sees that there is communication between earth and the depths of space above. It was a wonderful sight, and it made a deep impression on the mind of the sleeper.

14. This was the most definite account of himself which God could give to Jacob. He had heard of what had been said to Abraham and Isaac, but he had never seen or heard of himself being seen and talked with his grandfather, for he was at least fifteen years old when his grandfather died. Jacob had heard of the promises to Abraham, and now, to his great delight, he finds himself in the line of the fulfillment of the promises which had been made to his grandfather.

15. This was a repetition of what had been promised to Abraham, and Jacob now in the third generation had no children; yet he believed that what he had seen and heard in his dream was true, and he fulfilled in him. This is what is called a Messianic passage, as were those which told Abraham that his seed was to be born in him.

16. God having determined to do a great and glorious work through Jacob, declares that he will never leave him, and he will bring him again to the land which he has promised to his grandfather.

17. He felt the solemnity of the occasion, of being alone with God, of having listened to the words of God, of seeing the angels, and of hearing the voice of the ladder, which reached from earth to heaven. He felt that he had been seen and talked with his grandfather, for he was at least fifteen years old when his grandfather died. Jacob had heard of the promises to Abraham, and now, to his great delight, he finds himself in the line of the fulfillment of the promises which had been made to his grandfather.

18. This was a repetition of what had been promised to Abraham, and Jacob now in the third generation had no children; yet he believed that what he had seen and heard in his dream was true, and he fulfilled in him. This is what is called a Messianic passage, as were those which told Abraham that his seed was to be born in him.

19. He felt the solemnity of the occasion, of being alone with God, of having listened to the words of God, of seeing the angels, and of hearing the voice of the ladder, which reached from earth to heaven. He felt that he had been seen and talked with his grandfather, for he was at least fifteen years old when his grandfather died. Jacob had heard of the promises to Abraham, and now, to his great delight, he finds himself in the line of the fulfillment of the promises which had been made to his grandfather.

Comparative Digestibility of Food

Made with different Baking Powders

From a Series of Elaborate Chemical Tests:

An equal quantity of bread (biscuit) was made with each of three different kinds of baking powder—cream of tartar phosphate, and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The relative percentage of the food digested is shown as follows:

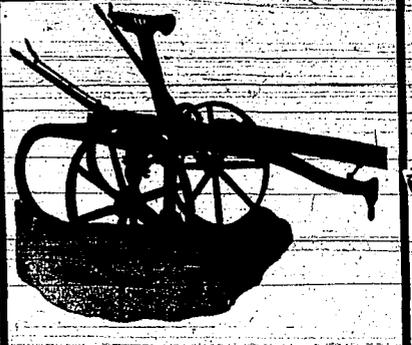

Bread made with Royal Cream of Tartar Powder: **100 Per Cent. Digested**

Bread made with phosphate powder: **68 1/2 Per Cent. Digested**

Bread made with alum powder: **67 1/2 Per Cent. Digested**

These tests, which are absolutely reliable and unprejudiced, make plain a fact of great importance to everyone: Food raised with Royal, a cream of tartar Baking Powder, is shown to be entirely digestible, while the alum and phosphate powders are found to largely retard the digestion of the food made from them.

Undigested food is not only wasted food, but it is the source of very many bodily ailments.

HAY HAY

If your alfalfa is pea green in color, and will grade No. 1 or better, we want it, and will load at Filer, Curry, Twin Falls, Kimberly, and Hansen.

We will accept hay at the above stations on the following terms:

On trades for farm machinery, we will allow you \$8.00 per ton for your hay, and our prices are right, too.

Or, we will give you half cash and half in machinery, and allow you \$7.50 per ton for your hay.

Or, we will take your hay at \$6.75 per ton spot cash as seen as loaded on the cars.

If you are too busy to handle this hay yourself, we will accept the hay on your ranch, subject to scale weights, and we will take charge of the baling and hauling and are prepared to give you prompt and economical service.

We will not trade for horses, second-hand wagons, buggies, or any kind of junk.

CAR LOAD SHIPMENTS OF ELECTRIC RANGES

BIG CONSIGNMENT DUE TO ARRIVE HERE THIS WEEK

Recent Reductions in the Price Lead to a Heavy Demand for the Modern Culinary Methods

The first car load shipment of electric ranges that was ever made in this country is due to arrive in southern Idaho direct from the Simplicity Electric Heating company factory in Cambridge, Massachusetts, during the present week.

The wonderful advance that has been made in the use of the modern electric range for cooking purposes is nothing short of marvelous. It is claimed on good authority that more electric ranges are in use in this state together. This condition is due both to the low rates being charged by the electrical companies and to the progressive up-to-date class of people which comprise the population.

Clean, safe, and reliable. It is a well known fact that electric ranges for cooking purposes cannot be excelled. It is thoroughly clean, safe, and reliable, and where attractive rates are obtainable is far more economical than fuel. A large number of electric ranges have been in constant use in southern Idaho during the past three or four years and they have fully demonstrated their worth. It cannot but be a source of pride to those living here to realize that they are well abreast of the times. It is probably true that southern Idaho is being more widely advertised today and is becoming better known throughout the country on account of its cheap electricity than for anything else.

A local representative of the Power company advises that orders have already been taken for most of the ranges in the first shipment, and that the company expects to sell all of them soon after the arrival.

Cough Medicine for Children. To such care cannot be in selecting a cough medicine for children. It should be pleasant to take, contain no harmful substances, be most effective. Chamberlain's Cough Remedy meets these requirements and is a favorite with the mothers of young children everywhere. For sale by all drug stores.—Advertisement.

CARD OF THANKS. To all friends and neighbors who so kindly assisted in the last sickness, death and burial of our beloved husband and father, we hereby express our sincere thanks and gratitude. MRS. C. B. AULT. ALFRED AULT. J. CARROLL AULT.

TWIN FALLS MAN IS GIVEN GREAT CREDIT

CHICAGO TRIBUNE TELLS OF UNIQUE IDEA OF J. L. DAUBE

Raises Substantial Sum for Flood Relief Fund Among Twentieth Century Limited Passengers

The flood relief fund collected by the Chicago Tribune was increased by \$1200 over its last week's record according to that newspaper, by the efforts of Joseph L. Daube, of Twin Falls. Mr. Daube was a passenger from New York to Chicago on the Twentieth Century Limited, which arrived in Chicago two hours late. This meant a rebate from the railroad, cash to the amount of \$1200, was paid in Mr. Daube's hands, and by him taken to the Tribune office.

The Tribune says that out of the passengers he readily gave up their slips, among those who objected being an Englishman who declared he had never heard of any flood and declined to lend himself or his money to any such get-rich-quick American scheme. The Chicago newspaper expressed its thanks to Mr. Daube and the balance of the passengers.

MAY MEAN BIG SALE

Working Option on the Bluster Mine Looks Good for Jarbidge Camp. Through a deal of importance inquiring in Salt Lake last week, showed interest in being taken in the Bluster mine. In this transaction John A. Joss, of Chicago, has taken an eight months working option on the Bluster mine. The examination of the property which will be concluded about May 1. If the examination is satisfactory, a force of about 20 men will be placed on the property to conduct the work during the option period with a view of purchasing the mine should the work be profitable. Special music at both services.—Ordinance at night.

If you want printing done, by all means have it done right. The News printing department has machinery, equipment of type of latest faces, and men of skill and experience to handle them.

BIBLICAL MASTERPIECE

From the Manger to the Cross

In five parts. A reverent moving picture life story of Jesus of Nazareth

Produced in authentic locations in Palestine and Egypt. A BEAUTIFUL PICTORIAL SERMON, unanimously endorsed by the Pope, Bishop of London, Archbishop of Westminster, Lloyd George, and others prominent in all walks of life.

FOLLOWING ARE A FEW OF THE COMMENTS ON THIS WONDERFUL PICTURE:

Des Moines, Ia., Feb. 12, 1918.

In expressing to you the great pleasure and satisfaction afforded me in witnessing the splendid drama "From the Manger to the Cross," I certainly feel I am rendering service to a good cause. The scenes in the life of Christ shown upon the canvas will make impressions upon the mind of the child that cannot be effaced.

Very sincerely,
(Signed) W. J. HADLEY,
Pastor First Friends Church.

Des Moines, Ia., Feb. 12, 1918.

The views representing the life of Christ, "From the Manger to the Cross," are very fine. No one can see them without being touched. There is nothing about them irreverent or undignified. They ought to be seen by everyone. They will certainly be very conducive to religious culture.

(Signed) M. E. NETHERCUT,
Pastor Wesley Methodist Episcopal Church.

Des Moines, Iowa.

Dear Fellowship:

The moving pictures of the "Life of Christ" were so pleasing to me that I cannot commend them too highly. They moved me to tears and "my heart burned within me," as I beheld a reproduction of the Master's movements. I wish all of Trinity church might see this wonderful picture.

Very truly,
(Signed) E. M. EVANS,
Pastor Trinity Methodist Church.

Leavenworth, Kansas, Feb. 14th, 1918.

Mr. Carl Mensing, Leavenworth, Kansas.

Dear Sir: In response to your kind invitation, I was privileged last evening to watch the pictures, "From the Manger to the Cross." I was delighted. The pictures, the Scripture texts, the character of music selected, all combined to make it for me a most helpful presentation of the story of Christ. I was delighted to see his untiring, selfless, and intensely, the reverence and solemnity with which they looked and listened, as I believe to an inner voice. Jew and Gentile, rich and poor, learned and unlearned were in the audience, and if I mistake not, many read more Scripture than for many days before. Catholics and Protestants were alike attentive and thoughtful. One small boy behind me asked more questions than his mother was able to answer and his questions proved that his mother had not spent all her Sabbath afternoons giving him religious instructions. I believe that for many people the Bible will come from the top shelf, or from the good stand in the front room where it has long been unopened, because of these pictures. Again may I say, I was delighted to see these hundreds of people thoughtfully following the story of Christ.

Very truly,
(Signed) R. B. A. McBRIDE, D. D.,
Pastor First Presbyterian Church.

Des Moines, Ia., Feb. 12, 1918.

Mr. J. H. Fellowship, City.

Dear Mr. Fellowship: I was delighted with the pictures illustrating the scenes in the life of Christ. They were beyond my expectations, although I had heard a great deal of this series and anticipated something out of the ordinary. Every Sunday school pupil and every one interested in Biblical literature should see these pictures. Aside from their educational value, their presentation will undoubtedly have a distinct religious effect and I am very glad that the people of Des Moines are to have an opportunity of seeing this series of pictures.

Very truly yours,
(Signed) A. M. PIPER,
Secy. People's Popular Monthly.

Possibly the finest, if not the greatest, motion picture production ever seen in this city was presented at the Liberty yesterday. It is the film entitled "From the Manger to the Cross," portraying the life of Christ from His birth in a manger at Bethlehem to His crucifixion on Mount Calvary. Made in Palestine and Egypt in the exact localities where the incidents have occurred, the subject has the background which gives proper atmosphere to the re-creation of the great drama. The setting and portrayal of the characters is done in a reverent and dignified manner and very little could be offered in criticism of the manner in which the principal roles are handled. Especially commendable is the portrayal of the Savior, which is remarkable in its impressiveness. Many of the scenes are strikingly vivid and realistic, especially the trial by Pilate and the crucifixion, which are shown so realistically as to remain indelibly fixed in the mind.

All through the entire picture Biblical questions precede each change of subject. These have been carefully chosen and add much to the picture themselves. The production has been so made that it impresses upon the mind of those who see it the great story which it portrays and in a way that no speaker could ever describe. "From the Manger to the Cross" will be shown again at the Liberty today and Saturday.—Salt Lake Herald-Republican, April 4.
