PECULIAR CONDITION

Dahl Highway District Cries Up State Highway Bond Money

A very peculiar condition confronts the county over the affairs of the Dahl highway district and one which will cause the whole county to be sore it is settled. Some time ago this county was voted fifty thousand dollars for improving roads along the proposed Dahl highway which were voted upon that basis. Dahl, as an independent highway district, was given its share of that loan, amounting to ten thousand dollars, with the expectation that it would be spent on the Dahl highway. How the report came that the highway district had taken that money and had done almost no work on the state highway roads. They are out of money and will be unable to do the former work on the roads for which the money was voted. The Dahl people are talking of abandoning their district and showing the bond money to the whole county to keep it and improve the state highway. This makes a great deal as though they had not it over too.

CAUGHT GUARD NAPPING. Aldon Cook Runs While Deputy Looks On In Amusement. Dave Kidd escaped from the jail at Althor last Thursday night, and was held over at Althor in the hopes of getting further information for the prosecution of others. He has not yet been captured. Because of that fact, and for the reason that practically every one has heard of the escape, a special manhunt is being made for him. He is believed to be in the vicinity of the town of Althor. He is believed to be in the vicinity of the town of Althor. He is believed to be in the vicinity of the town of Althor.

Hot Point Week Commences May 11th and lasts until May 16th

The El Glaston Stove price is cut in half—\$5.00 to \$2.50, for this week only. You have no doubt read of this special price in the Last of Home Journal. It will cost the most in our shop the time that it requires for any other stove, which is a double loss for the consumer. Call and we will be pleased to demonstrate it. We also have a large stock of Hot Point Electric. If you are in the market for motors, see us before buying, as we can save you money.

Light, Power and Heat Wiring. Electric Installations of all kinds.
