

AMERICANS ARE IN THE FIGHTING ON SOUTH FRONT

TAKE PART IN HEAVY ARTILLERY DUELS SIDE BY SIDE WITH VETERANS OF FRANCE

(By United Press.)
PARIS, April 10.—Great mutual artillery fighting along a wide front held by French and American troops, from south of Verdun to east of St. Mihiel, was reported by the French war office today.

"Along the left bank of the Meuse, in the Apremont forest and in the region of Ellery, there was great mutual artillery fighting," the communique said.

(The Meuse flows northward through St. Mihiel and Verdun. It is on this sector that American troops took over additional trenches to replace French forces for the battle in Picardy. Apremont is five miles southwest of St. Mihiel. Ellery is 14 miles east of St. Mihiel. Both of these places are in that section of the line officially referred to as the "Toul sector.")

Take German Prisoners

"Northwest of Rheims (in the Chemin des Dames) American forces are fighting," our successful raid resulted in some prisoners.

"Northeast of Montcaumon, we took some prisoners."

"After a number of German attacks in the region of Hargendun-Banieres (where the British and French lines converge five miles south of the Somme, at Corbie) we finally retained the village and the cemetery."

"West of the line in the region of Suzy (in the neighborhood of Morcuil) German attacks were singularly defeated."

TRIAL OF ALLEGED CATTLE THEIF BEGINS

Attorney W. P. Guthrie and Sheriff Kendall are called to Albion.

In Case of Fay Cox

Trial in the case of Fay Cox of Murtaugh, charged with grand larceny, began Monday morning in district court at Albion. W. P. Guthrie, attorney for the defendant, and Sheriff Kendall, as witness for the state, are in attendance. It is expected that the trial will occupy several days' time. Cox is accused of theft of a herd of cattle, ownership of which is claimed by Reuben Randall of Murtaugh. The alleged offense took place on December 6 last when the cattle were taken from the vicinity of Artesian City, at a point one-half mile over the boundary line in Cassia county, of which Albion is the county seat.

DON'T DEBATE; DO IT, IDAHO'S LOAN SLOGAN

Leviathan High School Girl Submits the Phrase Winning the \$100 Liberty Bond

BOISE, April 11.—The official slogan adopted for the third Liberty Loan campaign in this state by the state central committee in charge is "Idahoan, Don't Debate It; Do It." This slogan was approved among thousands submitted by school children in the contest for the \$100 Liberty Bond presented by the Idaho State Bankers association. It was set in by Florence Grace Wright, junior high school student in Lewiston. She is thirteen years old, and will be presented with the bond.

FRUIT CROP HERE NOT HURT BY FROST

Inspector O. W. Brannan Here to Investigate Citrus Assurance to Growers

Fruit crops in the vicinity of Twin Falls, as well as in the districts contiguous to Roper, have escaped injury from frost, according to C. W. Brannan, deputy state horticultural inspector, who was here investigating the fruit situation Tuesday.

Mr. Brannan says the peach orchards in the canyon lost about 60 per cent of the crop, only those in the top of the trees being saved. Apricots are all frozen. Apples are safe. Temperature dropped to 20 degrees.

TEACHERS SELL APPLES FOR THE RED CROSS

Twin Falls school teachers who, during the Loyalty Day exercises here Saturday, sold apples donated for the Red Cross, have turned in \$41.18 as the monetary result of their efforts. The monetary result was donated by Thomas Costello, who sold at \$1 a box. Printed certificates of ownership, instead of the apples, were turned in by the teachers, who later called for the fruit. Saturday evening ten boxes of apples had been called for. The proceeds of the sale are to be turned to the Twin Falls Red Cross chapter for its local expenses.

BEEF PRICE UP TO \$10 A TON UPON REQUEST

MANUFACTURERS ADOPT FOOD DICTIONATOR'S SUGGESTION FOR INCREASE

TWIN FALLS DISTRICT MUST DOUBLE SUGAR PRODUCTION AREA TO SECURE ADVANTAGE OF NEW RAILS—HAVE OFFER

Contingent upon ten per cent increase over last year's planted acreage of sugar beets in the Twin Falls district, growers in this district will be paid \$10 a ton flat for their beets this year. This measure is general in its application throughout sugar producing sections of the United States, and has been adopted by the sugar manufacturers pursuant to suggestion of the national food administration promulgated at a recent meeting in Chicago.

Amalgamated Accepts

Statement that the Amalgamated Sugar company, which operates factories in Idaho in the Twin Falls, Burley and Paul districts, had accepted the terms of this suggestion was made by W. A. Paul of Burley, manager for the Amalgamated company in Idaho, while here on a week in conference with J. W. Jones of Salt Lake, sugar representative of the department of agriculture; W. F. Alworth, president of the state farm bureau, and County Agent Donald McLean.

Contracts entered into by growers this year prior to the taking effect of the suggested increase provide for payment of \$9 a ton for beets, with an equal division of profits that would accrue in the event the price of sugar was raised on the part of growers.

The requirement for increase in the acreage necessitates that the acreage now covered by contract in the Twin Falls district shall be practically doubled before growers of this district are in position to secure the \$10 price. The planted acreage in the Twin Falls district last year was 6515 acres. Under contract to grow beets this year there were in this district last Thursday 2055 acres. The required increase would bring the total in this district up to approximately 7650 acres, or about 4500 acres more than already covered by contract.

Sugar on Rising Market

Men who have studied the sugar situation are of the opinion that demand will so far exceed supply that the price of sugar will advance to such a point that the \$10 figure for beets under the old contract will be reached. Acceptance of the new contract when sugar requirements have been met is optional on the part of growers.

Inducement to the grower to grow beets under the new price arrangement will not be presented here through an organized campaign. "The efforts in this district to secure increased production of sugar and the response have been splendid," Mr. Jones said in conference with the farm bureau officials here. "It is my opinion that all that is possible in this direction has been accomplished, and the decision now rests with the growers," he added.

ON RECRUITING TRIP

C. B. Hales of the local United States recruiting station left Monday for Oakley, where he will spend the week on a recruiting trip.

IDAHOANS ANXIOUS TO BE AT THE FRONT

Feel That the sooner It's Started the sooner It Will be Done, Says Sergeant Wise

"The fellows here feel that they have a work to do and that the sooner they start it, the sooner it will be finished," says Sergeant Chester W. Wise, of headquarters company, One Hundred Forty-sixth field artillery, writing from "somewhere in France" to his parents, Mr. and Mrs. James H. Wise of this city. The unit of which Sergeant Wise is a member is made up of the Twin Falls unit and headquarters company of the Idaho regiment. Sergeant Wise has been detailed to duty in the telephone communication section of his company, and has been sent to training school to acquire proficiency in the technique of that feature of the service.

FIVE REGISTRANTS JOIN NEW ARMY

DELAYED INDUCTION ORDERS TAKE ANOTHER CONTINGENT FOR RECENT DRAFT

Lester Willets of Buhl, recovering from pneumonia, with four from other districts to be American Lake Training Camp

The roll of honor of recruits leaving, posted at the intersection of Main avenue and Shoshone street, Tuesday bears the names of five registrants whose induction orders under the draft quota of April 2 have been delayed until this time. They leave here Tuesday evening for American Lake.

Delayed by Illness

One of the five is Lester Willets of Buhl, who was called for the April contingent, but who was suffering from pneumonia at that time and whose place was taken by James D. Brown of Buhl, next in order of liability for service in this county. Credit for Brown's induction will be allowed on the next draft quota which will take 37 men from this county.

Three Registrants Elsewhere

Four of the men who leave here Tuesday evening are members of the contingents from the districts in which they registered. They are Clark L. Baker of Lewiston, West Virginia; Elmer E. Harrold of Tulsa, Oklahoma; Frank W. Kencie of Modera, N. Dak.; and Hoy Allen Patrick of Seward, Nebraska.

Patrick is a son of Orrville Patrick, whose death here occurred April 4. He was here in attendance at his father's funeral when the order for his induction arrived.

DELIVERS STRONG TALK ON TIMELY SUBJECT

Address of Rev. V. G. Bachman at the Christian Church Here by Many Young People

Under the auspices of the Christian Endeavor society of the First Christian church, Tuesday evening, Rev. V. G. Bachman of Kimberly gave a powerful address in the Christian church auditorium on the subject, "Men of the Hour." The subject was one appealing particularly to young people, and a large number of high school students were in attendance.

BUYS BOND WHEN CROWD EXPRESS ITS INDIGNATION

RICHARD HANSING MADE QUICK INVENTORY AND INVESTS \$250

EXTRACTED BY POLICE OFFICERS FROM CENTER OF TROUB AND WELCOMES OPPORTUNITY TO EXPRESS PATRIOTISM

Persistence in the statement that he was unready then to buy Liberty Bonds involved Richard Hansing, retired farmer of this city, in a controversy with volunteers. Rural salesmen on Main street here Saturday afternoon that attracted attention of the crowd assembled for the Loyalty Day exercises.

Crowd Shows Animosity

Interpretation placed upon Hansing's statements by the crowd of nearly 500 persons that quickly gathered excited its animosity and threats against him were uttered. Police officers made their way to the center of the crowd and escorted Hansing and his wife, who stood terrified beside him, to the sheriff's office in the court house, where he signed an application for a \$250 Liberty Bond and tendered his check in payment for the first installment on the amount.

Sheriff Clears Court House

Nearly 200 persons followed Hansing and his officials' escort to the court house. They were evicted from the building by Sheriff Kendall. Protest against being sent out of the building was made in one instance, but the sheriff told the objector in forceful terms that he purposed to extend the protection of the law in any case and to enforce such measures as seemed to him necessary to preserve order. Hansing returned to his home on Fifth avenue east after the crowd had dispersed.

Hansing told the officers that he had refused to buy Bonds because he had not yet estimated his financial ability to do so, but that was his intention on Monday to make such investment. He said that he had bought a \$50 bond of the second issue and that he had contributed \$10 to the Red Cross. He has six sons who are subject to the draft and has other relatives who are in the allied armies on the European battle fronts, he said.

Gives Statement of Worth

He said that he believed that his financial status had been overrated. He is the owner only of his residence property in Twin Falls, he said. He is 78, held in his wife's name, had been sold recently on deferred payments, and another piece of property on which he had made a partial payment had been sold at sheriff's sale last week, he said.

Hansing is of German parentage, but was born here. He is 78 years of age. He came to Twin Falls from Oklahoma five years ago. Prior to the United States declaration of war against Germany he admitted he had expressed the opinion that Germany would win the war, but since that time, he said, he had carefully refrained from expressing an opinion.

Wants America to Win

"Certainly, I want to see America win the war," Hansing said when Sheriff Kendall reminded him that neutrality laws are in the present crisis. "This is not only a duty but a privilege," he said, when V. H. Ormsby, member of the county council of delegates, handed him an application for a Liberty Loan Bond for his signature.

"MERE THE BABY" FOR A PRIZE

Filler Red Cross Auction Day visitors paid an aggregate of \$35 to make the acquaintance of six months old Miss Rida Brackenberry, who appears in the arms of her mother, Mrs. Henry Brackenberry, in the picture above.

LINCOLN COUNTY IS FIRST OVER THE TOP

Captures First Honor Flag for Idaho—Payette Follows Close on Her Heels

Lincoln county was the first in Idaho to subscribe its quota in the third Liberty Loan drive that was launched Saturday, according to a telegram received at state headquarters in Boise at 8 o'clock Saturday evening from Gilbert J. White, of Shoshone, county chairman. This achievement gives to Lincoln county the first honor flag to be donated in Idaho for the counties reaching their quota. Information reached state headquarters that Lincoln county had raised \$100,000, which represented a bond in practically every family in the county. Payette county was the second to report its full quota subscribed Saturday night.

REDUCES NUMBER OF FORECLOSURE SUITS

County Brings Action Against Only 14 Delinquent Taxpayers When Attorney Acts

The county attorney's office Tuesday filed foreclosure suits in district court in the cases of 14 Twin Falls county landowners whose taxes are delinquent. Last year the number of delinquent tax foreclosure suits filed by the county was 31. Personal solicitation of the county attorney, calling attention to the owners that payment of the assessed taxes prior to April 5 would prevent foreclosure proceedings, resulted in reducing the number this year from 31 to 14 who were liable to it. The suits have been filed against the owners of farm property on the Salmon River tract as well as against owners of Twin Falls, Buhl and Hollister towns.

RECOUNTS COMES HERE

A. T. Curry, formerly with the McCall-Peat company, registered accountants of Salt Lake, arrived in Twin Falls Saturday with his family. He will be associated with his wife, Mrs. A. T. Curry.

LIBERTY LOAN DRIVE IS CLOSE TO ITS GOAL

COUNTY LACKS BUT LITTLE OF SUBSCRIBING \$550,000 FIRST DAY

CAMPAIGN TO CONTINUE UNTIL OPPORTUNITY IS GIVEN TO SUBSCRIBE—BOND IN EVERY FAMILY IS AIM

FIRST DAY LOAN DRIVE RESULTS IN

TWIN FALLS COUNTY

Buhl	\$70,000
Eller	\$15,000
Kimberly	\$15,000
Hansen	\$15,000
Murtaugh	\$15,000
Twin Falls rural	\$40,000
Twin Falls banks	\$40,000
Total	\$165,000
Twin Falls (Saturday)	\$290,000
Total	\$455,000

Twin Falls county lacks but a few thousand dollars of subscribing its apportionment of \$550,000 worth of Liberty Loan Bonds of the third issue. Large districts of the county Tuesday morning reported aggregate subscriptions approximating \$365,000, and confidence is expressed in every district that the quota will be oversubscribed before the close of the second day of the drive tonight. The drive is to continue without pause until opportunity has been presented to every individual to make investment in the bond issue that is being raised to back the boys in France.

Subscription to practically \$45,000 worth of Liberty Loan Bonds of the third issue in the county sections in the Twin Falls district is indicated in incomplete returns received from the various sections of volunteer salesmen who waged the campaign in the rural territory adjacent to the city on Monday.

Sales \$1000 to \$2000 reported in eight out of 10 towns reported in the amount of \$65,000. The lowest amount covering 27 sections in the northeast and southwest districts reported practically complete returns of \$11,000, \$12,000, \$13,000, \$14,000, \$15,000, \$16,000, \$17,000, \$18,000, \$19,000, \$20,000, \$21,000, \$22,000, \$23,000, \$24,000, \$25,000, \$26,000, \$27,000, \$28,000, \$29,000, \$30,000, \$31,000, \$32,000, \$33,000, \$34,000, \$35,000, \$36,000, \$37,000, \$38,000, \$39,000, \$40,000, \$41,000, \$42,000, \$43,000, \$44,000, \$45,000, \$46,000, \$47,000, \$48,000, \$49,000, \$50,000, \$51,000, \$52,000, \$53,000, \$54,000, \$55,000, \$56,000, \$57,000, \$58,000, \$59,000, \$60,000, \$61,000, \$62,000, \$63,000, \$64,000, \$65,000, \$66,000, \$67,000, \$68,000, \$69,000, \$70,000, \$71,000, \$72,000, \$73,000, \$74,000, \$75,000, \$76,000, \$77,000, \$78,000, \$79,000, \$80,000, \$81,000, \$82,000, \$83,000, \$84,000, \$85,000, \$86,000, \$87,000, \$88,000, \$89,000, \$90,000, \$91,000, \$92,000, \$93,000, \$94,000, \$95,000, \$96,000, \$97,000, \$98,000, \$99,000, \$100,000.

Twenty-nine towns waged the campaign in the Twin Falls county sections Monday. That evening block captains started the campaign by the first day of the drive. The organized drive in Twin Falls district was instituted in the business blocks of the city.

Report by Districts

Practically complete report of all sections of the county was received from C. B. McManis, leader in the southwest Twin Falls district, comprising eight sections of land, gave sales Monday report total sales of \$11,000.

Five out of nine towns in the southeast district of 18 sections, where the report was received, gave sales Monday report sales in the amount of \$8,100.

Everybody Buys at Buhl

The first day of the Liberty Bond campaign in the Buhl district Monday resulted in subscriptions of between \$60,000 and \$70,000. "We will raise \$100,000 easily in this district," said J. W. Faris, Buhl district leader, Tuesday morning, "and we are confident that the apportionment will be oversubscribed all the way through. Conditions were never so favorable here as they are now for raising the quota of the county."

The Buhl district is generally small, Mr. Faris said, but everybody is buying bonds. Thirty-eight taxes averaging 60 men each are carrying on the campaign in the Buhl district.

Filer Subscribes \$15,000

Filer subscribed for \$15,000 worth of Liberty Bonds in the first day of the drive Monday. Tuesday morning, said Tuesday morning that 25 men are at work there and that at least \$20,000 will be raised in that district.

No Returns at Kimberly

Liberty Bond teams met with no returns and no argument in the Kimberly district in the first day of the drive, which began there on Monday. Many residents of the Kimberly district, who had subscribed for bonds in Twin Falls Saturday were encountered.

(Continued on Page 2.)

CROWDS INVEST IN WAR BONDS

VOLUNTEER SALESMEN ENLIST PRACTICAL EXPRESSION PATRIOTISM

MORE THAN 200 PEOPLE WITNESSED SERVICE FLAG PARADE AND HEAR SPEECHES AND MUSIC—HIGH SCHOOL PROMINENT

Saturday afternoon in Twin Falls was given over to observance of Loyalty Day, the occasion being the first anniversary of the United States' declaration of war against Germany and the initial day of the third Liberty Loan campaign. More than 200 people witnessed the service flag parade and afterward stood in a roped off area at the intersection of Main avenue and Shoshone street, where, from a flag decorated platform, appropriate exercises took place. In compliance with proclamation of the mayor, all business houses were closed during the afternoon, and most of them as well as the majority of the residences were decorated with flags and bunting.

Bond Sales Exceeded \$100,000

During the exercises and throughout the afternoon, volunteer Liberty Loan salesmen and women worked in the crowd, with the result that at 3 o'clock the committee announced sales in Twin Falls totaling \$100,000. Of this amount, \$7000 worth of sales were credited to the Boy Scouts, and \$11,000 to committees of women in the banks.

Speakers from the flag decorated platform were Judge John E. Davies and Rev. O. T. Anderson, pastor of the First Baptist church. Dr. A. H. Brand, pastor of the First Presbyterian church, offered an invocation, and a tribute to the flag was given by M. J. Sweeney. The Twin Falls band gave selections on the program and later in the afternoon, while the high school Liberty choral group vocal numbers.

Stars for Nearly 300

Service flags bearing stars for nearly 300 young men who have gone from Twin Falls were carried by individuals and organizations in the parade, which assembled at 1:30 o'clock at the city park, marching and counter marching through the principal thoroughfares and dispersing near the flag decorated platform where the evening exercises took place.

Representatives of Service

At the head of the parade, which was in charge of Sergeant W. B. McCracken of the local marine corps recruiting station, marched representatives of three arms of the service, bearing a large flag. They were Everett Trueblood, son of W. J. Trueblood, representing the navy; Herbert Stumiller of Hansen, representing the marine corps,

DEVORE Lawn or Veranda Furniture Paint

The Guaranteed

Don't overlook your porch furniture. Get out the rockers and the settee and see if they don't need freshening up a bit. New paint won't cost much and a change in color might be agreeable.

offers you an easy way of getting a high gloss that will hold its lustre under weather exposure.

We recommend Devore Lawn or Veranda Furniture Paint for porch and lawn furniture—yes, and for baby carriages, too. It will not crack or chip. It gives a hard, high-gloss, durable finish which does not mar easily. Then, you know, it can be washed with soap and water.

Stop in and get a card showing the many pleasing colors. Ask us for information about this and other Devore products. Remember, we guarantee satisfaction.

IT'S TOASTED

Guaranteed by The American Tobacco Co.

and Private C. S. Hales of the local recruiting station, representing the army. Behind them came the band, followed by veterans of the Civil war, the post flag carried by the adjutant.

The first service flag in the parade was that of the high school, bearing 107 stars and carried by eight school boys. The grade school flag with 18 stars came next, followed by representatives of lodges and churches, together with individuals bearing service flags representative of the enlistment of members of their organizations or families.

Boy Scouts in Line

Sixty Boy Scouts in uniform marched

in the parade. They carried service flags for mothers and sisters of men in the service who did not take part in the parade, and when it broke up they counted their work of selling bonds.

An attractive feature of the parade was the appearance of more than 100 high school girls costumed as Red Cross nurses.

The high school had three handsome floats in the parade. One bore the inscription, "The Spirit of 1776—and of 1918." On it were two groups of students in costume. The first group was of three patriots of Revolutionary war days, and the second was of Columbia surrounded by Britannia, France, Belgium and Italy. On another float a young girl student represented the goddess of Liberty. The third carried the members of the high school Liberty chorus.

BUHL REGISTRANT ELUDES DRAFT CALL

LOCAL BOARD CANNOT LOCATE MAX W. IHLE, SUMMONED FOR LAST CALL

Order Is Returned from Address Given—Native of Germany, Naturalized in Canada and Is Only Deserter Among County Draft Men

The whereabouts of Max Willibald Ihle, registrant at Buhl under the draft, remain unknown so far as the local board is concerned. He is one of the registrants called to fill Twin Falls county's quota of 15 which left for the training camps on April 2, and the only one who failed to report at that time.

Worked as Dairyman

After registering at Buhl, where he was employed as dairyman by Gustav Kuehn, Ihle departed informing the local board that he could be communicated with at McCormick, Washington. Notice that he was expected to report to enter the military service with the April 2 quota was mailed to Ihle at McCormick and forwarded to Seattle, but was not called for.

Has Physical Infirmary

The registration card of Ihle shows that he was born in Zwettkau, Saxony, Germany; that he is a naturalized citizen of Canada, and that he has declared intention of becoming a citizen of the United States. The first two fingers of his right hand are disabled, which fact might have disqualified him for military service had he responded to the call.

ON BUSINESS TRIP

8. Strum left Sunday evening on a business trip to Salt Lake.

SNAKE RIVER PETE

ONCE SAID

"The fellow who does not advertise will come day wake up and find the Sheriff doing it for him."

Crude! Perhaps, but do you know of a really big business which does not advertise?

Subscriptions of \$4,000 are reported as a result of the first day of the Liberty Loan drive in the city of Twin Falls. The drive was practically unanimous. The Twin Falls district is a small one, but the drive was conducted at least \$10,000. The drive was conducted at least \$10,000. The drive was conducted at least \$10,000.

The first day of the Liberty Loan drive in the city of Twin Falls, Idaho, was practically unanimous. The Twin Falls district is a small one, but the drive was conducted at least \$10,000. The drive was conducted at least \$10,000. The drive was conducted at least \$10,000.

Headquarters Reports

C. D. Thomas, county chairman, at headquarters here Tuesday evening announced receipt of applications for bonds in the amount of \$181,200. This is the total of subscriptions actually turned in to headquarters, and is exclusive of the results of the Tuesday campaign and the amount of purchases through local banks, and is for the Twin Falls district only.

Estimates Proportions

Headquarters estimates that the Twin Falls and Buhl districts will subscribe more than \$300,000 and that average investments of \$10,000 each will be made in each of the 49 smaller districts.

Two men residing within a stone's throw of each other in the vicinity of Twin Falls represent the extremes in the type of individuals encountered by workers in the Liberty Loan drive. The first is St. Hart, a veteran of the Civil war, aged 89 years. He is one of a family of six, and he is the only one living. His income is his pension of \$1 a day. When workers called at the Orson Strong home where he resides, he voluntarily subscribed for a \$50 bond; made the first payment of \$5, and expressed the wish that he could subscribe more. The second man is the owner of a large tract of well improved land worth between \$350 and \$400 an acre. He absolutely refused to buy any bonds, or contribute in any manner to winning the war, telling the workers that he felt too poor to do so. A special committee has been detailed to wait upon him. The workers who interviewed him in the first place say that such an individual deserves to have the Kaiser take charge of his property and person.

Spor Block Captains

Teams in the Twin Falls district on Tuesday worked in the business blocks of the city, while block captains in the evening canvassed the residence sections. It is reported by colonels in charge of the drive in the four districts in this city that several block captains have not yet called for their supplies. The colonels urge the necessity for immediate beginning of the work in every block, and call upon block captains, where they have been detailed, to begin work at once in order that the drive here may be closed this week.

ONE HUNDRED ALIENS PLACED UNDER ARREST

(By United Press.)

MILWAUKEE, Wis., April 10.—In raids starting before daylight secret service agents and deputies arrested more than 100 aliens today. All will be charged with violating the president's proclamation regarding barred zones.

A few were taken on more serious charges, under the espionage act. Classified Ads—put them to work for yourself.

COVER TASKS FOR INFORMATION FOR WAR CENSUS

GIVES AUTHORITY FOR INTERROGATION TO LIBERTY LOAN WORKERS

NO LOYAL AMERICAN WILLING TO TAKE TO MAKE FREEDOM AND FULL EMPLOYMENT, SAYS COUNTY CHAIRMAN

Authority for the interrogations being put by workers of the Liberty Loan drive comes direct from the United States government. The questions asked are those required by the government for the compilation of a national war census, and the forms in use here are identical with those in use throughout the United States.

QUESTIONS ARE SIMPLE

The questions are simple and there should be no hesitancy on the part of any loyal American to answer them. D. D. Thomas, county chairman of the Liberty Loan drive, calls attention to the desirability of prompt and ready response to the questions. The workers engaged in the drive and in the compilation of the census are donating their time and effort to the cause and delay in securing the information required of each individual retards the work to an extent that might be considerable in the aggregate.

In reply to the prescribed regulations the war census queries each individual is asked to state his name and place of birth, date and place of birth, nationality, age and whether married or single; whether native born, naturalized or whether he has declared his intention. He must give also the name of his husband or wife and the number in his family, the number in war service and the number of military age in his family exempt from military service for disability or industrial reasons.

MEASURE OF LOYALTY

In respect to his position and possessions, each one questioned is to state whether or not he holds a public office, the amount of his personal and real property with the assessed valuations, together with a statement of his annual income.

The amount of purchase of Liberty Bonds of prior issues and the amount of cash retained, together with the amount of contributions to the U. S. C. A., Knights of Columbus, and Red Cross is required in each instance, and the amount of war savings stamps bought and held, together with other war donations not listed.

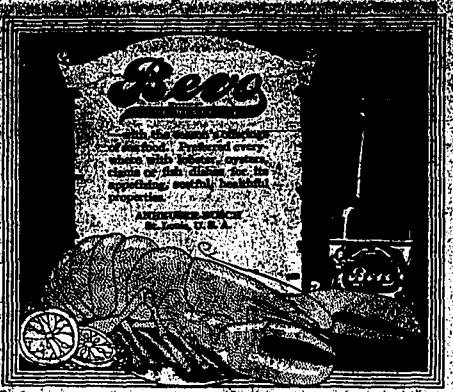

COMMITTEES AND INDIVIDUALS

These are twin evils. Persons suffering from indignation are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indignation and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach. She was unable to rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has felt like a different person. Adv.

I'M IN THE WAR

Boyd V. Orster
Med. Dept. Fifth Engineers, A. E. F., France

I want my friends to know I'm in the war. They may not know just what I'm in for. They may say, "Pshaw, he don't amount to much. He'll never help the Irish beat the Dutch. He'll never get a whack at Kaiser Bill." Perhaps I never will. But somehow I was mighty glad today. When I could stand on good French soil and say, "I don't amount to much, but anyway I'm in the war."

All that I have and am, all that I hope to be I have laid down. I'm a volunteer. In the cause of Liberty. For what shall it profit a man, though he save his carcass whole, if he lose the life of his soul? He has sacrificed his soul!

TAPS SOUNDED FOR HEYBURN MARINE

COMRADES IN SERVICE PAY MILITARY HONORS TO ROY A. PORTER, FIRST IDAHO RECRUIT

Dies at Post of Duty in Cuba Ten Months After Enlistment—Community Mourns the Death of a Sterling Young Man

Roy A. Porter, the first man in southern Idaho to enlist in the marine corps after recruiting stations at that arm of the service were opened in this state, died February 10 from malaria at Santiago, Cuba. He was buried with military honors Sunday afternoon at his home in Heyburn.

The funeral services were held in a church, it being the only building that afforded accommodations for the large attendance assembled to do honor to the young marine. The Burley band furnished music.

Valleys were fired as the flag-draped casket was lowered, by a firing squad composed of Sergeant Fred Stuckert of the Postoffice recruiting station who accepted Porter's enlistment last April, Sergeant W. B. McCracken of the Twin Falls marine corps recruiting station, Sergeant Leonard Brimley and C. S. Hales of the Twin Falls army recruiting station, and a bluejacket at home in Heyburn on furlough. Sergeant Brimley sounded taps.

Porter was 23 years of age, and was regarded as one of the foremost young men of the community, over which his death has cast a pall.

Baby Bonds Saved France

Before the war, the thirty peasants of France were the greatest investors in Baby Bonds in the world.

They not only bought French government bonds but also millions of dollars worth of American railway, industrial, utility and first mortgage bonds.

When France needed money, the people were ready to give, because they had vast millions of savings in Bonds, which could readily be turned into cash.

YOU have an opportunity to invest in good safe Baby Bonds, issued by this company. Invested in amounts from \$20 to \$10,000. For cash or monthly payments.

Based on selected First Mortgage bonds and guaranteed to pay 6 per cent interest annually. Write for booklet.

SECOND DAY'S SALES EXCEED EXPECTATIONS

WOMEN IN RAINY TAKE BOND SUBSCRIPTIONS AMOUNTING TO \$200 TUESDAY

Committee at Post Office Day—Women Work Saturday Collecting \$200—Mrs. O. J. Schroeder to the Chairman, Today

Committee of Twin Falls women assigned as volunteer Liberty Bond saleswomen in local banks, reported sales on Monday amounting to \$7400. The record exceeded expectations based on the opinion that the bulk of subscriptions had been taken in Saturday when the women reported sales aggregating \$10,200.

The women serve as bond saleswomen on one day at a time, new committees with new leaders relieving the old committees and leaders each day. The committee Saturday were made up of teachers of the Twin Falls schools. Those on duty at each bank with the total sales of each were as follows: First National bank—Miss Metcalf and Miss Bishop, \$4100; Twin Falls Bank & Trust company—Miss Stahl and Miss Dyer, \$3000; Idaho State bank—Miss Grace Simons and Miss Naomi Schorn, \$2100.

Monday's committee and the sales of each were as follows: First National bank—Mrs. B. A. Baker and Mrs. C. P. Parsons, \$5050; Twin Falls Bank & Trust company—Mrs. M. O. Ripley and Mrs. B. Jennings, \$1000; Idaho State bank—Mrs. G. M. Simpson and Mrs. E. J. Finch, \$1800.

Miss Schorn was the committee leader on Saturday and Mrs. Jennings Monday. Mrs. C. J. Schroeder is the committee leader Tuesday and the personnel of committees with their points of duty are as follows: Mrs. George D. Aiken and Mrs. Asher B. Wilson, First National bank; Mrs. F. C. Beebe and Mrs. J. E. Wise, Second National bank; Mrs. F. B. Cox and Mrs. Schroeder, Twin Falls Bank & Trust company.

Land is selling fast now in Goose Lake valley, Oregon. During past six months about 5000 acres have been sold. Valley contains 100,000 acres. Write Shilshim & Maguire Realty Co., Lakeview, Lake county, Oregon. Adv.

That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)
None.

R. A. READ.
Sworn to and subscribed before me this 2nd day of April, 1918.

R. B. SMITH.
(My commission expires July 8, 1918.)

LET'S BE FAIR

Someone has said that constructive criticism consists in calling attention to a hole in the fence by bringing a board to fix it.

Today fences are being torn down with vim and vigor but the first example of anyone trying to fix his neighbor's fence has yet to put in an appearance.

In other words, we believe the public is sick and tired of the eternal propitiation of sinners and for the most part believe criticism directed against those in high places. Not that the idea of free criticism of men and institutions is not basically sound but the point of view which finds expression in tearing down rather than in building up is becoming trite and hereafter the man or the party asking for political preferment will be called upon for a better ground upon which to base his claims than the shortcomings of his opponent. Let's be fair.

MAN'S BEST FRIEND

Some days ago the idea was voiced and seriously considered, of placing a ban upon the indiscriminate keeping of dogs. The main ground was of course that dogs, as a whole were of little if any utility value and that food fed to them was therefore food wasted.

There is no question but that many dogs living lives of luxurious ease contribute a waste, pure and simple. Still others are worth the wages paid to a good sized boy judged from the standpoint of utility.

Are You Feeling Old Today?

MORE OFTEN
There is no recognition of the fact that aged men and women mistake kidney trouble for coming old age. Tired, weak or dandruffed kidneys do not alter life matter out of the blood as they should and backache, tired feeling, biliousness, sore muscles, stiff joints, rheumatic pains, irritation of the bladder, puffiness under eyes or other symptoms or ailments appear.

Foley Kidney Pills

Strengthen kidneys, stimulate the bladder and tone up the liver. They help the kidneys remove the accumulating poisons and soothe and heat the passages. When the kidneys and urinary tract are doing their work properly the whole system benefits and is restored to health and strength. Louis Becker, R. F. D. 1, Box 63, Bonanza, Va., writes: "I was feeling all run down, tired, with pains in my back. After taking a box of Foley's I felt like a new man and will speak words of praise anywhere I go among my friends. You can use my letter if it will be of any service at all to you." "You can get Foley's Kidney Pills everywhere, Druggists and Dealers."

point of view, labor pains, and a rule the dog to receive the strongest defense in the pampered pet of the family, whose sole mission on earth consists in fulfilling this particular function. Within our judgment there is just one class of animals which should be turned over to the attention of man, and that is the animal which insists on barking at strange hours of the day or night, at anything or nothing. For the most part, food fed to dogs is not wasted in that it is of no use for anything else. But there are a lot of dogs which stand in need of an antidote.

COULDN'T GET OUT OF BED BY HERSELF

MRS. WILLIAMS WAS SO CRIPPLED UP WITH RHEUMATISM SHE COULDN'T MOVE

"Tania helped me right up out of bed after everything else failed and if I hadn't taken it when I did I believe I would be lying in bed yet," said Mrs. G. Williams, 115 South Maybelle Street, Tulsa, Oklahoma. "I was in a terrible rundown condition for the last few months, and I planned, 'and my neighbors from indignation and rheumatism were something awful. I had to be particularly about that last few months, and I was tired and my legs were so weak I was afraid to get out of bed without help and then I could hardly move. My arms and lower limbs hurt all the time and many a night I couldn't get to sleep. My nerves were all unstrung and I was so worn out I had to take to my bed and at times I was so weak I couldn't move without somebody helping me. One of my neighbors told me about Tania and I decided to try it. I have now taken seven bottles and it sure chased away that rheumatism in a hurry. I have been feeling splendid for several weeks now and haven't had a pain to speak of. My appetite is good and I can eat most anything I want without it hurting me. My nerves are in good shape. I sleep like a baby and I got up in the morning feeling fine. I am picking up now every day and I know from what it has done for me that Tania is the best medicine on earth."

Tania is sold in Twin Falls by City Pharmacy, in Rogers by Thompson Drug Co. in Murfreesboro, Tenn. by Drug Co. in Elmer by A. H. Wood, in Ruhl by C. D. Boring Brothers Co. and in Kimberly by W. A. L. Stow—Adv.

PERSHING GIVES PRAISE TO OUR FIGHTING MEN

Good Behavior of Americans in Foreign Service Subject of Comment

In a recent communication to Secretary of War Baker, the commander of the American expeditionary forces said: "The men of our American soldiers in France. They have carried this war with the highest devotion to duty and with no other idea than to perform these duties in most efficient manner possible. They realize their obligation to their own people, their friends, and the country. A rigid program of instruction is carried out daily with traditional American enthusiasm. Engaged in healthy, interesting exercises in the open air, with simple diets, officers and men, like trained athletes, are ready for their tasks. Forbidden the use of strong drink and protected by stringent regulations against excessive eating and drinking, they are the subject of most favorable comment especially by our allies. American mothers may rest assured that their sons are a credit to them and to the nation and they may well look forward to the proud day when on the battle field these men will shed a new luster on American manhood."

MEET IN CONFERENCE WITH ADMINISTRATOR

C. E. Munson and Lawrence Hansen, Twin Falls County Food Chairman, are Delegates

C. E. Munson, Twin Falls, and Lawrence Hansen, Hansen, county chairman, attended a conference with State Food Administrator R. P. Bicknell attended by county chairmen and representatives of the 41 Idaho counties in Boise Saturday. The food situation and problems were discussed. The entire conference was held behind closed doors, and it is understood that certain rules and regulations will be incorporated in the statewide food regulations as the need for them becomes apparent.

NATURE CURES THE DOCTOR TAKES THE FEE

There is an old saying that "Nature cures, the doctor takes the fee," but as everyone knows, nature helps very much and thereby enable it to effect a cure in much less time than is usually required. The cure is particularly true of colds, Chamberlain's Cough Remedy relieves the lungs, liquefies the tough mucus and aids in its expectoration. It soothes the inflamed membrane, restoring the system to a healthy condition.—Adv.

A STOPPER

"Mike went to a drug store one day, and asked how much they charged for bottles." "We give them free if you have something in them," replied the clerk. "Sure, then you might put me a cork in 'em," said Mike.

Shoulders All Baking Care!
When CALUMET comes in, all baking troubles take quick leave. You go right ahead and mix up baking materials, for Calumet takes everything without fear of acidity. Calumet means you forget failure.

CALUMET BAKING POWDER
In the most perfect form, it is the most perfect baking powder. It has the highest quality. The fact that it is the most perfect baking powder is a fact that is not to be denied. It is the only baking powder that is not adulterated with anything. It is the only baking powder that is not adulterated with anything. It is the only baking powder that is not adulterated with anything.

HIGHEST QUALITY HIGHEST AWARDS
You see what you buy it. You see what you buy it.

FINAL TRIBUTE IS PAID MRS. BRISTOL

Funeral Services Bring Out Evidence of Important Place Occupied by Invalid

The warm affection in which the late Mrs. George Bristol was held among a wide circle of friends in this city was evidenced by attendance and a profusion of splendid floral offerings at her funeral services held Sunday afternoon from the First Presbyterian church. The services were conducted by Dr. A. H. Brand and a vocal solo was given by Mrs. Savage. Honorary pall bearers were the following chosen from among Mrs. Bristol's associates and friends of long standing in the community: Mrs. J. A. Olson, Mrs. J. E. Young, Mrs. P. Gamble, Mrs. B. W. Stearns, Mrs. P. W. McRoberts, Mrs. M. B. Harvey. The active pall bearers were from among the elders of the Presbyterian church, H. B. Powers, G. E. Bryant, C. G. Beauchamp, J. A. Johnson, O. B. Fuller, W. J. Young. Interment was in the Twin Falls cemetery.

Mrs. Bristol, whose maiden name was Mamie Marker, was born December 13, 1863, at Springville, Wisconsin. She died Thursday morning, April 4, at her home near the city after an illness from pernicious anemia of three years' duration. She was married December 21, 1892, to Mr. George Bristol, now filling com to Twin Falls ten years ago, they spent all of their married life in Twin Falls. She was the mother of two sons, Ralph and Mark, were born to them. She was a member of the army aviation section stationed at Camp Morrison, Virginia. He arrived here shortly before his mother's death and was present at the funeral services. Other surviving relatives are three sisters, Mrs. Alex Scott, Mrs. Richards and Mrs. Brown, all of Nebraska, all of whom were present at the funeral. A brother also lives in Nebraska. Until stricken three years ago by the

A Message from America's Roads
Eminent testimony of service in Tested Tires. They give sure service because it is proven service. Their endurance and mileage have been proved in the only way to assure mileage is the motorist, on the road on the road.

Hear then to that 1918 message, the roads of America and American motorists. Last year Goodrich, launching six Test Car Fleets in six widely different regions of our country, took Goodrich Tires, and with light and heavy cars mauled them over sand, gravel and rock roads of plains, deserts and mountains to try out—

GOODRICH TESTED TIRES
What those tires endured doubled Goodrich's pride in its tires. They fought America's roads through 4,178,744 tire miles. They conquered the roads of America in that phenomenal mileage, those BLACK SAFETY TREADS and SILVERTOWN CORDS.

Let American motorists listen to this message from America's roads. It means time and money saved them. They get lasting service with the tires that have won the title, "America's Tested Tires."

MAKE WORK EASIER

Twin Falls People Are Planned to Learn How it Has Been Done. It's pretty hard to attend to duties with a constantly aching back. With annoying urinary disorders. Don't Kidney Pills have made work easier. So thousands have gratefully testified. They're for bad backs. They're for weak kidneys. Twin Falls people gratefully recommend Don's. Roy McHugh, carpenter, 133 Monroe Ave., Twin Falls, says: "I have had attacks of kidney trouble when my back has ached and sharp pains have forced me to quit my work. I could hardly do my work. At such times, Don's Kidney secretions would pass much too often and were highly colored. Every time I have been that way I have used Don's Kidney Pills and in just an short time, they have strengthened my kidneys and cured me of the trouble."

Price 50c. at all dealers. Foster-McMullen Co., Buffalo, N. Y.

HAVE YOU A SAVINGS ACCOUNT?

CAPTAINS START DRIVE WITH OWN INVESTMENT

Ninety-Two of 94 Section Leaders in Kimberly District Attend a Called Meeting

KIMBERLY—The Kimberly district under leadership of R. G. Wilson, is organized for the Liberty Bond drive with a capital to each 94 sections of land included in the district. At a meeting on the high school grounds Saturday evening 92 section captains were present and all bought bonds at that time. The district leader explained the terms of payment and called upon the captains to start the drive in their respective sections. The response was immediate and of such volume that in many instances the captains wrote their own applications.

FARM BUREAU MEETINGS FOR THIS WEEK
 April 10—Farming demonstration and evening meeting at Home County.
 April 11—Farm Bureau and patriotic meeting in the evening at Pleasant Valley.
 April 12—High School Assembly at Ellet.

Friday
 Barley muffins, hash-brown potatoes, bacon.
 1 cup milk, 1 tablespoon fat, 3 table-spoons syrup, 1 egg, 1 teaspoon salt, 4 teaspoons baking powder, 1 cup wheat flour, 1 1/2 cups barley flour.

Saturday
 Oatmeal muffins, creamed potatoes, scrambled eggs.
 1 cup milk, 1 tablespoon fat, 2 table-spoons syrup, 1 egg, 1 teaspoon salt, 4 teaspoons baking powder, 1 1/2 cup wheat flour, 1 1/4 cups oatmeal.

Sunday
 Buttermilk, baking powder and flour together, mix in the oatmeal. Add 1/2 cup of milk, the melted fat, syrup and beaten egg. Combine these two mixtures, stirring lightly without beating. Bake about 30 minutes in a moderate oven. The muffins should be small or put rolled oats through food chopper.

WATER BEGINNING
HALY OF GARDENING
 (By E. R. Bennett, Field Horticulturist)
 The work done this month will largely determine the value of this year's garden. If the garden is started right now, the work for the season is half done. Last year many of us made mistakes—mistakes that were hard to correct. We should profit by the experience of last year and thus avoid many of last year's troubles.

First make sure that the soil is levelled in such a way that irrigation can be done efficiently. This means that the land must have an even slope from one side or end of the garden to the other. Make a good seed bed by harrowing the top few inches of soil thoroughly. All space not planted at the time the garden is prepared should be kept cultivated to prevent the growth of weeds and the loss of moisture. One of the most serious losses in gardens last year was from the work of the so-called "cut worms." These worms of last year that were not killed developed into moths which laid eggs at the roots of plants in the gardens and fields last August or September. The resulting larvae have been in the soil since that time and may now be found in the gardens waiting for vegetation to start. If the soil is left to be infested with them they may be largely disposed of by poisoning. This is best done while the ground is devoid of plants so that there will be no other food for the worms than that which is poisoned.

Exploiting Out Worms
 The following formula which is recommended by the United States department of agriculture, can be made effective for ridding fields and gardens of this pest.
 One pound of white arsenic is mixed dry with twenty-five pounds of bran. One-half gallon of low-grade syrup is mixed in three and one-half gallons of water and to this is added one-half dozen lemons chopped fine. The bran and arsenic are then wet and mixed with the solution after which the mash is ready for use. This mash should be

scattered over the ground just before daylight so that it will be moist and break for the insects which come to the surface and feed at night.

This amount of the poison bait is sufficient to treat four or five acres of ground. The mash should be scattered in small lumps and be as evenly distributed as possible. It must be borne in mind that this material is a deadly poison and will kill anything that eats it. The greatest danger from its use is that of killing song birds. Because of this it is best to harrow or rake the ground early the following morning after the poison has been distributed. The loss vegetation there is on the ground at the time of treating the garden will be the efficiency of the poison. After plants are growing in the garden more than one application may be necessary to kill the worms. Don't make the mistake of planting beans, cucumbers, corn and tomatoes too early. The hardy vegetables as peas, turnips, beets and cabbage grow best at a rather low temperature. Hence they should be in the ground in April, but the first mentioned vegetables do not grow well till the weather has become steadily warm, hence are best not put in the open ground till May or even June. Plants taken from the greenhouse or started in the garden should be used off before planting in the garden by being exposed to the outside air for a few days before setting, otherwise they will receive a severe setback when first planted.

USE OF HORSE MEAT INCREASES RAPIDLY

Have you tasted horse meat? If not, you may have an opportunity before the close of the war. Use of horse meat by the people of the United States is increasing rapidly despite a widespread sentiment against its use for human consumption, pointed out, Dr. C. W. McCampbell, associate professor of animal husbandry in the Kansas State Agricultural college. Investigations have shown that the portions of horse meat shops belong to the middle classes rather than to the lower classes as many people think.

"Horse meat retails for half the price of beef and is palatable, wholesome, and nutritious," said Dr. McCampbell. "It can scarcely be distinguished from beef by the average buyer and it is interesting to note that those who have once tried horse meat become regular customers."

"Horse meat is used extensively throughout many countries of Europe, but butchering handling horse meat have been established but a short time in the United States. The first of these shops were opened at Portland and Brooklyn. In most times when they were opened in Cincinnati, St. Louis, Toledo, and many other large cities.

"The latest shops to open are in Omaha, and in the near future horse meat will probably be sold throughout the country.

Besides furnishing a cheaper kind of wholesome meat, these markets offer an outlet for the small horses with which the country is overstocked, and

for which there is no commercial demand.

The Garfield Fruit & Produce company of Garfield, Washington, has nine car loads or 540,000 pounds of Baragula year for sale. At the present time, its cars per pound delivered here, f. o. b. Garfield or Moscow is being asked \$2.00 per sample.

WHAT THE VICTORY OR DEFEAT OF ORRMAN MEANS TO HYVRY AMERICAN

(Contributed by George Gibbs to the National Security League's campaign of Patriotism Through Education.)
 To me, James, the two-faced, two-way tyrant of the German. One face laughs or weeps over the aromatic pain of a dying rose; or the fall of a sparrow. The other face is dark, lowering, and wild, a face which balks at nothing and with which sentiment has nothing in common. Faces merely, but typical of the dual nature of this extraordinary race of beings who believe that God is a Prussian and that there is no Hell except for the enemies of Potsdam.

We know now, since 1914, that the two faces of Janus are one, the obverse and reverse of a coin of base metal, with which the German seeks to buy his place in the sun. God—the just God of all Humanity—fabled that organized malignancy, self-will, pride, vainglory, hypocrisy, should triumph over the work of the Prince of Peace. There is no place in the sun for the Spirit of Darkness. They cannot escape the Light.

The Germans with the war, there will be no place upon the earth for a free spirit to dwell. It is inconceivable that Janus should come to America. And yet only American arms can prevent. Awake! you unknown lovers of Peace; for Peace can never be again this country while Janus lives! Revolt! War is abroad in the land. Let it be a mighty one while it lasts. Strike! Give! Or later it will only be Janus who may give, Janus who will strike.

CONSTIPATION AND INDIGESTION

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person.—Adv.

Land is selling fast now in Goose Lake valley, Oregon. During past six months about 5000 acres have been sold. Valley contains 100,000 acres. Write Ahlstrom & Maguire Realty Co., Lakeview, Lake county, Oregon.—Adv.

Always in the market for haled alfalfa hay. Highest cash price paid at all times. John Flaks, phone 22.—Adv.

THE LABOR SITUATION

In the past week there has been a decrease in the demand for farm labor and an increase in the number seeking such employment through the farm bureau. This in the face of what amounted to a propaganda by a certain alleged labor element against the farm bureau for presuming to agree upon a wage scale is significant of the abundant supply for the season. Significant also is the fact that the labor market is generally men really desiring steady employment, therefore the most desirable class.

It is particularly desirable that where over possible farmers make arrangements to employ men with families as a considerable number of unusually good men with families are on the list. The employment of such men will have a tendency to stabilize the labor situation.

KEEPS PHEASANTS OFF

J. S. Martin, of Piler, Idaho, recommends the following treatment of corn seed so that the pheasants will not pick it up as fast as it is planted.
 "Take coal tar, mix with raw linseed oil (not boiled oil) till about the consistency of mixed paint, put your corn in a hard can with a good lid not more than one-third full. Dip a paddle into the tar and do it in the corn a few times. Put on the lid, place one hand out on one end and shake the corn in the can till all has some tar on, about two-thirds covered; it does not want to be all covered. With a ten pound lead can a man can prepare enough for a fifteen acre field in an hour. After treating spread out to dry for a day or two. Spread this and stir it up well a few times while drying so it will not stick together and it will go through the planter all right."

FEDDER LETTERS

April 5, 1919

Now is the time to buy feeders to put on grass. Every farmer that has a good pasture and with prospects of being able to take in the winter, cattle for the fall market will want feeders. Feeders are going to be hard to get. They are scarce now, which no doubt foretells a high fall market for finished cattle.

Some of the farmers are going to get left and their pastures will be wasted. It is up to every prospective feeder to get up on his toes and do some fall rustling if he is going to get the supplies that he wants. It is true that feeders are high but they may be higher.

THREE SPONGE CAKES—A WHEATLESS TRIUMPH

It happened one day late in March. A conference was on at the United States food administration and the subject was wheat. A woman who had come to a triumphant cook entered the room. She bore a tray with the evidences of her triumph—three sponge cakes—two of corn flour, one of rice flour and one of barley flour.

Not a dust of wheat flour was used in these cakes and again the American woman had triumphed. When eggs were scarce, when sugar was scarce, when sugarless cakes; now there is no wheat flour to spare for cakes, she bakes wheatless cakes.

All three cakes were delicate and fine—that is they were true sponge cakes. The cook who made them—and she is a very distinguished expert in economics—followed the directions known to our mothers—the weight of the eggs in sugar and half the weight in flour.

Here they are. They are recommended by Miss Gertrude, Demonstration agent, Twin Falls county home demonstration agent. Proceed carefully, either weigh materials, following the old fashioned rule for sponge cake, or use a measuring cup. Sift flour before measuring and measure lightly.

Barley Sponge Cakes

Barley flour, 1 1/2 cups; sugar, 1 cup; eggs, 4; lemon juice, 1 tablespoon; salt, 1/8 teaspoon.

Directions for Mixing

Separate the yolk and whites of the eggs. Beat the yolk until light, add the sugar, the salt and the lemon juice. Fold in alternately the flour and the stiffly beaten whites.

These flours have a slightly starchy taste.

EGG RECIPE FOR SPRING BREAKFASTS

Eggs and milk are plentiful and new is the time to make egg breakfasts. The milk and eggs that go into muffins and cakes are not lost; you get it all back in the bread. There is more food in cornmeal muffins than in wheat biscuits and less meat can be served with such breads.

Below are suggestions for seven breakfasts and recipes for seven egg breads:

Sunday

Cornmeal waffles, honey, rice and milk.

Half cup corn meal, half cup flour, 1 tablespoon melted fat, half teaspoon soda, 1 cup boiled rice, 2 eggs well beaten, 1 teaspoon salt, 1 cup sweet milk.

Sift together the flour, soda and salt; add the other ingredients and beat thoroughly; have iron hot and well greased.

Monday

Corn-meal muffins, baked potatoes, chicken hash.

1 cup cornmeal, 1 cup boiled rice, 1 cup milk, 1 tablespoon fat, 1 teaspoon salt, 2 teaspoons baking powder, 2 eggs.

Mix the cornmeal, rice, salt and shortening together; beat five minutes; then add well-beaten eggs, beat two minutes, then add the baking powder. Bake in hot greased muffin tins or in shallow pan. Baked honey may be used in the above recipe instead of rice.

Tuesday

Back-wheat muffins, boiled hominy, bacon.

1 cup milk, 1 tablespoon fat, 1 table-spoon syrup, 1 egg, 1 teaspoon salt, 4 teaspoons baking powder, 1 cup wheat flour, 7/8 cup back-wheat flour.

Sift dry materials together. Add to the cup of milk the melted fat, syrup and beaten egg. Combine these two mixtures, stirring lightly without beating. Bake about 30 minutes in a moderately hot oven.

Wednesday

Spiced bread, baked potatoes, salt fish.

1 cup white corn meal, 1 1/2 cups boiling water, 1 cup sweet milk, 1 teaspoon salt, 2 teaspoons baking powder, 3 eggs.

Sift meal into a bowl. See that the water is boiling vigorously. Pour over the meal, stirring at the same time. When lukewarm, add the sweet milk, the well beaten egg yolk and beat thoroughly. Add the baking powder and sugar. Bake in the stiffly beaten white. Put into a hot well-greased baking dish and bake in a moderately hot oven thirty minutes. Serve from the baking dish, with a spoon.

Thursday

Rice crumpets, syrup, oatmeal.

1 1/2 cups milk, 1 tablespoon fat, 3 eggs, 1 teaspoon salt, 2 teaspoons baking powder, 1 cup boiled rice, 2 cup oatmeal, 1/8 cup flour.

Combine as for muffins. Cook on hot greased griddle.

New Two Power Ranger Better Than Ever

The unprecedented range of performance attained by the Two-Power Range Eight has been measurably extended in both directions.

From the standpoint of performance it stands today, more truly than ever,

Peerless—all that the name implies.

And from the standpoint of low cost it is likewise without a peer in its class.

Eighty horsepower is not operated at so little expense in any other car.

And steady production in large volume, with exceptional resources and facilities, has enabled us to attain and maintain a price level hundreds of dollars below any of the other master cars of the day.

TWIN FALLS, IDAHO

The "Sporting" Range

In her "sporting" range she will perform feats of prowess of which few cars are capable.

You have only to open the throttle wider to release her double poppets when a deep roar of brute power replaces the soft purr of her "loafing" range.

She takes a new lease on life—climbs on with renewed courage when you would expect her to falter at so steep a grade.

She speeds faster and yet faster when you thought she had delivered her final sprint.

She exhibits invincible power and speed.

URGE INCREASED HOG PRODUCTION ON SOUND BASIS

GOVERNMENT VETERINARIANS SAFEGUARD IN DUSTY

HEALTH TREATMENT DEMONSTRATIONS ATTRACT ATTENTION AS THEY BECOME MORE FREQUENT BY PLAGUE EXPOSITION

Following up nearly four years' work as a result of which the hog cholera plague which formerly cost local swine growers thousands of dollars annually, has been practically eradicated from the Twin Falls district, the bureau of animal industry campaign, directed in Idaho by Dr. W. A. Sullivan, of Twin Falls, is being bent toward increasing the production of pork.

Survey Shows Increase
Safeguard health of industry by elimination of the disease factor, together with incentive afforded by prevailing high prices for pork and general appreciation of the wartime requirements for the product are believed to be responsible for increase in the proportions of the swine industry in this district indicated by the farm survey recently completed by the county farm bureau.

The state of Idaho is asked by the national food administration to increase its production of pork 15 percent over last year's figures to meet war demands. The bureau of animal industry is advising every farmer to keep one brood sow for every 40 acres of land in order that production may assume normal proportions. The value of alfalfa hay for feed and the value of the hog as a consumer of waste products are pointed out in argument for increasing swine production.

Records in the office of the Twin Falls station, bureau of animal industry, show that there has been no case of hog cholera reported since May, 1917. Demonstrations of the method of treatment with serum, so common at the beginning of the campaign for the eradication of the disease in the summer of 1914, have become so infrequent as to attract "founderlike" attention when they are held.

One such demonstration, conducted recently by Dr. W. A. Sullivan and Dr. G. D. Bishop of the local station, on the farm of J. B. Otto, near Jersey brooder at Piler, was witnessed by a number of swine growers of that vicinity. In compliance with the requirements of the service, a number of hogs, a bear sold by Mr. Otto to the county agent at Sande, Utah, was inoculated with the serum on this occasion. The bear in question was one exhibited by Mr. Otto at the state fair in Boise last year, where it won a prize. It was sold to the Utah agent for \$100.

Mr. Otto is the owner of what is probably the largest and best herd of Duror-Jersey hogs in southern Idaho. Recently he imported the prize-winning bear from the Oklahoma state fair to head his herd. He is making preparations to show some of his better animals at the Southern Idaho fair in Piler and at the state fair in Boise this fall.

STUDENTS READY TO GROW SUGAR BEETS

Twenty students of the Twin Falls school have enrolled as members of the sugar beet club, agreeing to raise at least one acre of beets this season. Some of the members of this club will raise more than the one acre required and one boy will undertake to grow five acres. G. E. Denman, high school agricultural teacher and director of the boys' club, states: Effort has been

made to enroll only members who will persevere in their efforts throughout the summer vacation and on that account the membership is not as large as it would have been otherwise. In the several boys' and girls' clubs which will work in gardens and fields, kitchen and sewing room during the summer vacation, there will now be enrolled about 100 pupils of the Twin Falls schools, and it is expected that 200 more will be added within the next few days.

CHILD CONSERVATION ORGANIZERS HERE

MISS CHARLOTTE E. WEITER AND
FIELD SECRETARIES TELL OF
WORK OF LEAGUE

Purpose is to Form Circle in Twin Falls—Organization Seeks to Do Practical Things for the Betterment of Mankind

Miss Charlotte E. Weiter, national lecturer and organizer, and several field secretaries, are here to interest the mothers of Twin Falls in the work of a league which has for its object helping parents train their children physically, mentally and intellectually, laying special emphasis on training for social purity. It provides for their welfare by means of systematic educational and advisory work in the acquisition of definite knowledge and broader culture relating especially to childhood and its needs.

The Child Conservation league is a national organization, incorporated under the laws of the District of Columbia, and by co-operation with organized womanhood the league seeks to do those practical things through the enforcement of laws designed to better the condition of man. The president of the league is Dr. Winifred Scott Hall, the eminent authority on sex hygiene and social purity. On its advisory board are many prominent men and women, among whom are Judge Ben Lindsey, President David Starr Jordan, President G. Stanley Hall, Luther Burbank, Edwin Markham, J. P. Morgan, and Edward Devine of the Russell Sage foundation, New York, President Fairchild of the National Educational association, Mrs. Fere V. Pennington, president of the General Federation of Women's Clubs.

Much interest is being shown by the ladies of Twin Falls in this good work and it is hoped that a splendid circle of the league may be organized here. The field secretaries will call upon the mothers and answer any questions.

LIEUTENANT ROUNDS, ON BOARD TRANSPORT

Word from Lieutenant Arvin D. Rounds received here by his parents, Mr. and Mrs. H. E. Rounds, is that he called for France from Newport, News, Virginia, on April 4. Lieutenant Rounds had been for several months in charge of a detachment at Newport News, stationed there to care for live stock of the Fifty-first army division. Several Twin Falls boys are in the detachment. Lieutenant Rounds said that only officers called with him on the transport that left April 4. Other Twin Falls boys in the detachment, therefore, remain in this country.

HEAVY CASUALTY LIST IS GIVEN TO PUBLIC

(By United Press.)

WASHINGTON, April 10.—Publication of 447 American casualties today sent a sobering realization throughout the nation of what the days ahead hold. These casualties, withheld for six days under the Baker order, making Pershing the arbiter of his own news, contained 18 names of men killed in action, 18 from other causes, and more than 300 wounded. The list also revealed that the Germans had taken as a score of American prisoners.

Official news of the American engineers' gallant battle in the first part of the Picardy drive is still lacking here.

CIVIL WAS VETERAN CLAIMED BY DEATH

WILLIAM JARVIS, STRUCK BY
FATAL ILLNESS, REPORTED IN-
ABILITY TO MARCH IN PARADE

Falls for First Time in Years to Line Up with the Post Members in Public Appearance—G. A. R. in Charge of the Funeral

In the throes of the brief illness that resulted in his death Monday night, William Jarvis, veteran of the Civil war and pioneer of Twin Falls, expressed regret that he was prevented from taking part that day in the Loyalty Day parade. It was the first time in many years that he had not lined up with the members of the local Grand Army post when it appeared in public. Under the auspices of the G. A. R., funeral services for Mr. Jarvis will be held at 2 o'clock Tuesday afternoon from the Grossman & DeWitt chapel. The remains will be taken for interment this evening to his former home in Salt Lake City, where representatives of the Grand Army will take charge of arrangements.

Mr. Jarvis was a retired farmer and was 73 years of age. His death occurred at his home, 144 Sixth avenue east. Surviving relatives are three sons, Nels of Twin Falls, John of Evanston, Wyoming, and Albert of Oakland, California; also one daughter, Mrs. Richard Vivian of Evanston, Wyoming.

MANY REGISTRANTS FAIL TO REPORT HERE

Local Board Reports to Adjutant General Showing Status of Draft Men

Forty-five Twin Falls county draft registrants in class one have failed to appear or file their questionnaires, according to report of the local board April 5 to the adjutant general of Idaho. The total registration in the county, as shown by the report, is of 230 men, of which number 28 were taken in the first and second calls. Nearly 100 have enlisted voluntarily in branches of the service opened to registrants by order of the war department. Final classification has not been made in the case of 53 registrants, and physical examinations of 45 registrants in class one have not been made.

ROGERS WOMEN SELL SEVERAL BONDS

A committee of women on duty Saturday afternoon in the bank at Rogers sold a total of \$1000 worth of Liberty Loan Bonds of the third issue, according to report received Tuesday by Mrs. H. W. Glomack, county chairman for the women's division, national council of defense, who has charge of the work of women in connection with the Liberty Loan drive. Mrs. Maude E. Russell is chairman of the women's loan committee at Rogers. Kimberly women Monday received subscriptions from patrons of Kimberly, banks amounting to \$1100, according to report from C. A. Beckman, chairman.

HOG CHOLERA EXPERTS GIVE DEMONSTRATIONS

Inspectors of Bureau of Animal Industry Station Here Leave on Tour of Instruction

For the purpose of conducting several demonstrations in the use of the serum treatment for prevention of hog cholera Dr. G. D. Bishop and Dr. Herbert T. Cook, inspectors of the Idaho station, bureau of animal industry, left here Tuesday. Dr. Bishop will conduct demonstrations at Shoshone, Richfield, and Halsey; and Dr. Cook will hold demonstrations at Dietrich, Glenn Ferry and Montalshome.

FOR SALE—Stimmons steel bed, mattress and springs; ivory four-poster bed, mattress, springs, and dressing table; and small refrigerator; all good as new. Phone Mr. Cummins at 272.

Announcement to Subscribers TO THE TWIN FALLS NEWS

COMMENCING MONDAY OF THIS WEEK THE TWIN FALLS NEWS PUBLISHING COMPANY RESUMES THE PUBLICATION OF THE

DAILY NEWS

THE DAILY NEWS is an afternoon paper, published every day except Sunday.

It offers its readers everything in the way of important news that any Boise or Salt Lake City daily can give them—and its subscribers will get this news

TWENTY HOURS EARLIER

In addition it will give them what no outside daily can—

CITY AND COUNTY NEWS

Lensed wire connections with Boise bring directly to office of the DAILY NEWS all important STATE NEWS.

THE LATEST WAR NEWS

Comes to our office direct, over the lensed wire of the greatest news-gathering organization for afternoon papers in the world—

THE UNITED PRESS—FAST AND DEPENDABLE.

From this wire, hour by hour, the story of the war unfolds and the big happenings of the world are told.

Three o'clock today—our press time—is from eleven to midnight on the battlefields of Europe; it is five o'clock in New York and Washington.

In endeavoring to creditably fill this great need of our section, we shall need and we are asking, in the belief that it will be enthusiastically extended, the loyal support of our own people.

THE TWIN FALLS DAILY NEWS will be politically independent; complete, clear, carefully edited, attractively gotten up, and full of live, up-to-the-minute news. Our lensed wire will give us the state news direct from Boise; the county will be covered by telephone. Full market reports daily.

THE DAILY NEWS makes all train connections, both east and west, the same afternoon, so subscribers on the rural routes get the NEWS the next morning and just twenty-four hours ahead of the city dailies, with the same telegraph news.

FOR WEEKLY SUBSCRIBERS

To the Weekly News subscribers who wish to take the Daily, this offer is made, if accepted promptly: Whatever credit may be due you on the Weekly will be transferred to your credit on a subscription to the Daily News. Use the following form:

JAPANESE ARE FULLY ALIVE TO WAR SITUATION

PEOPLE WILL NEVER EMBARK ON UNNECESSARY WAR BUT WILL FIGHT TO UPHOLD COUNTRY

(By Ralph H. Turner, United Press Staff Correspondent.)

TOKIO, March 25.—(By Mail.)—The Japanese government is perfectly aware that the war situation is fraught with the most momentous consequences but the people may rest assured that Japan will never embark on an unnecessary war. We will not hesitate to go to war to uphold the interests of Japan and those of the allies, but such a step has not yet been justified.

This statement by Premier Ogata Terauchi in the national diet is an accurate summary of Japan's attitude today toward the possibility of Japanese intervention in Siberia.

This statement, coupled with the sympathetic policy of President Wilson toward Russia, has just about quieted the clamor for an immediate Japanese military expedition to Siberia which was sounding throughout the island empire only a few days ago.

Air Fall of Bombers
Two weeks ago a country-wide pub-

lication order was expected momentarily. Beersville had been directed to remain at home. "Wild rumors" of a landing at Vladivostok were reported. Then, almost overnight, came the realization that an expedition to Siberia might be impracticable, that the German menace was yet a long way from the Orient.

Most important of the factors which determined entrance in dealing with Russia was probably America. It is now recognized in the most responsible quarters that the United States is not opposed to intervention in principle, nor does she question Japan's motive. But she does not want to run the risk of arousing Russian hostility against armed intervention unless the German penetration eastward makes such a policy absolutely imperative.

TELLS WOMEN HOW TO MAKE WAR BREAD

Home Demonstration Agent Meets With Members of the M. S. and S. Club

Red Cross sewing and a demonstration in the preparation of war breads by Miss Gertrude Mencke, county home demonstration agent, will occupy the attention of members of the M. S. and S. Club when they assemble for an all day session Wednesday at the home of Mrs. C. H. Dillard. At a recent meeting of the club a committee was appointed to collect funds for the recreation centers to be established by the general federation for soldiers in the American camps in France. Approximately \$35 has been collected and remitted.

WAY TO EXPEDITE GOOD ROADS MOVE

COMBINED FORCES OF GOVERNMENT AND STATES BURN WORK INVOLVING MILLIONS

Productive Possibilities of Communities Considered Above All Else in Determining Sums Allotted for Highway Improvement

Combined forces of the government, states and counties will spend for highway improvement in 1919 the amazing total of \$263,090,610. This is the announcement contained in the first detailed survey of the nation's road building plan issued by officials of the touring bureau of the B. F. Goodrich Rubber company, who have been in contact daily for two months with highway commissioners of the states.

Highways Worth Six Billions

While this sum seems staggering, eclipsing by 82 per cent the expenditures of any previous year and in money figures the \$107,711,127,750 of the road officials of the government and states said it represented merely a "drop in the bucket" of what should be spent before the war was concluded. They admit the railroad situation has made imperative lavish road appropriations—the total of this year is little better than half what Secretary McAdoo has announced as necessary for the rebuilding of the overtaxed American railroad system. Calculations by government officials are that with good highways, motor trucks and motor vehicles are capable of carrying approximately 500 per cent more freight than the railroads. In these same calculations they estimate the value of our highways at \$6,540,000,000.

Over shadows Motor Industry
A remarkable feature of this year's national program is the overshadowing of the automobile industry by the highway building industry. It is admitted that 1917 was the banner year in automobile production. And yet this year's figures on road improvement transcend the increased automobile production of last year by 35 per cent.

During the year 1917 the states spent in the aggregate \$114,298,860 for good roads; it is estimated that the expenditures for this year will total \$263,090,610.

Cost Is \$2.35 Per Capita

Roughly, Goodrich officials estimate that the expenditures for highway improvement is approximately \$2.35 per capita; or, to illustrate this, each man, woman and child in the nation would contribute this much for the building and bettering of roads for the movement of supplies and taxation on such a basis. Were the expense apportioned out on an average basis, each state would pay \$4,500,000.

The only dry spot in the statement is the labor problem. Several highway commissioners display marked uneasiness over the shortage of labor and freight cars for hauling road building material. They expect government aid.

Road funds include building and improvement of bridges, etc., but it is impossible to get an estimate on how much this phase will eat into the total. A tendency is manifest everywhere, though, to do away with the narrow road and construct only broad, firm-bodied roads, capable of heavy traffic.

COMPARISONS SHOW EXTENT OF THE AUTO INDUSTRY

E. S. Johnson, manager of the Johnson Auto Sales company, who recently returned from an extensive trip through the east, gathered some statistics at the National Auto Show at Chicago that graphically illustrate the extent of the auto industry in this country.

The total number of people employed in the manufacture and sale of cars is 530,000, of which number 280,000 are in the automobile factories, 300,000 make parts and accessories, and 250,000 are employed by agencies and garages. This number equals twelve per cent of all the people in the mechanical and manufacturing industries in the United States.

The automobile industry, therefore, supports approximately three million people.

These employees' wages and salaries amount to \$470,000,000, of which the automobile factories pay \$275,000,000, the parts and accessories factories \$288,000,000, and the dealers and garages \$164,000,000.

The total capital invested is \$1,297,000, which is equal to the total outstanding capital stock of the New York Central, Pennsylvania, Chicago & North Western, and Chicago, Milwaukee & St. Paul railroads combined, or of the Atlantic, Topeka & Santa Fe, Baltimore & Ohio, Boston Maine, and Canadian Pacific railroads combined. It is three times as large as the outstanding capital stock of the Standard Oil Company, a group of thirty-five companies, and exceeds the capital of all our national banks to the end of 1918.

There are more than four million cars in use. At an average of only one thousand miles per year, carrying an average of 3 passengers, their total passenger miles would equal 14,000,000,000 or 4,800,000 times around the continent, or 576,000 times around the world. During 1918 the roads carried 1,053,000,000 passengers. To have equaled automobile mileage they must have carried each passenger at least fourteen miles.

A railroad authority states that the seating capacity of automobiles exceeds that of railroads and great cars combined. There are \$4,000 railway passenger cars in use, averaging 80 persons per car, of a total of \$340,000. The total seating capacity of automobiles is at least twenty million.

RHEUMATIC PAINS RELIEVED

"I have used Chamberlain's Liniment for pains in the chest and lumbago, and am able to say that it has relieved me of all my troubles. I have written Mrs. E. H. Fitch, Detroit, N. Y. for a bottle of Chamberlain's Liniment."

You can buy 5 Maxwell trucks for the price of one reliable 5-ton truck

MAXWELL TRUCK

The \$5000 5-ton truck isn't any better than a Maxwell. It's merely bigger. That's all.

And you can own five Maxwells for the price of one reliable 5-ton truck.

The five Maxwells will do more work, carry more goods, carry them faster, serve more uses at less cost.

How good these Maxwells are is shown by this great figure: 99.6 per cent—a verdict taken from service records covering 6600 Maxwells now in use.

\$400 less than any other truck of similar capacity in the world.

\$1085, chassis only, f. o. b. Detroit. Electric lights. Electric generator. Worm drive. 10-foot loading space. 2500 pounds.

IRISH POLICE IN SWAT KAIRES

Patrolmen Hill, McPhillips and Allen of the Los Angeles police force have set forth their sentiments in regard to the kaiser in the following, entitled: "When the War is Over, Laddie."

When the war is over, Laddie, Just take a tip from me, There'll be no German submarines Diving through the sea. For the Vindicator of Kaiser Bill, The guy we're going to lick, Will have a brand new wig, And the same will be a Mick. We'll change the song The "Wacht am Rhein" into: And make the Dutchman dance it, If so inclined we feel. For the police force in Berlin Will be Micks from County Clare. When we put an Irish Kaler In the palace over there.

—Sure in every German parkway You'll see a sweet Colleen, An' the fields of waving wheat kneel We will plant with shamrocks green.

No liverwort of sausage when The Dutchman drinks his soda; He'll get corned beef and cabbage And good old Irish good. The heathen guns and gas bombs We'll throw them all away. And make them use shillaloes Or bricks of Irish clay. They'll sport no iron crosses; Sure, the shamrocks they will wear When we put an Irish Kaler In the palace over there.

OPERATES TOO EARLY

John Bartholomew Lands in the Jefferson County Jail

John Bartholomew, a prominent rancher of the Roberts vicinity, is a prisoner in the Jefferson county jail at Rigby, held on the serious charge of making libelous and treasonous remarks. Bartholomew was arrested on a charge made by a man of the name of Curd, who lives in the Mad Lake vicinity. It is stated that Bartholomew, when he heard that the German offensive had started, began to celebrate, drank to the kaiser, offered to bet \$5000 that the German army would be in Paris by Easter, that he was to be commissioned to raise a regiment of German recruit soldiers in this country and that he would be having the German flag flying from his house within the next sixty days.

DIVIDING INVESTMENT TO BUY BONDS HERE

R. W. Jones of California Sends Subscription to Former Home Communities

"We are doing our bit," says R. W. Jones, formerly of Twin Falls and for the past four years a resident of Long Beach, California, in a letter directing C. D. Thomas, chairman of the Liberty Loan drive in Twin Falls county, to enter his subscription for \$250 worth of bonds of the third issue.

"I have subscribed to bonds of the first and second issues and expected to subscribe again here, as this is my home," Mr. Jones says, "but since you have asked me, I will divide my subscription, and you may put me down for \$250."

"We have one son, one son-in-law and five nephews in the service, and we are doing our bit," Mr. Jones says. Vere Jones son of R. W. Jones, is in attendance at an army officers' training camp in San Francisco. Rapid promotion until he had reached the grade of sergeant came to him following his enlistment in May of last year, and his appointment to attend the training camp was made upon recommendation of his officers.

PATRONS TO DETERMINE SCHOOL TERM LENGTH

Annual Meetings in Common Districts of County Called for Monday, April 15

Annual school meetings for the common school districts of Twin Falls county will be held Monday, April 15, at the school houses in the several districts for the purpose of determining the length of time and the season at which school shall be taught next year, determining special district tax shall be levied, and electing one trustee for a three years term and filling other vacancies in the personnel of the board of trustees. It is the duty of the trustees, by death, removal or resignation. If it is decided to levy a special tax in any district, an election is to be held forthwith to determine the amount, for which purpose resident citizen freeholders and heads of families are qualified to vote.

SCHOOLMAN IN PULPIT DISCUSSES WAR DUTIES

Hal G. Rine Speaks at Christian Church When Minister Addresses Patriotic Meeting at Request

In the absence of the minister, Walter E. Harman, who accepts an invitation to speak at a patriotic meeting before a union meeting of lodge, churches and schools at Rigby, Sunday afternoon, Hal G. Rine, superintendent of Twin Falls schools, occupied the pulpit of the First Christian church, delivering a message of patriotism and war-time duties and responsibilities.

CONTRACTORS CALL FOR SPECIFICATIONS

Applications of Many Who Would Bid on Waterworks Construction Come to City Clerk

Applications for specifications for the municipal waterworks improvements have come into the office of City Clerk W. A. Minnick from more than a dozen contractors in Idaho and Utah. The number includes several local contractors. C. B. Burns, of the firm of Burns & McDougall, engineers of Kansas City, under whose specifications the work is to be done, advises that specifications have been sent to all the manufacturers of materials which will be used. Bids are to be opened by the city council at its meeting on April 18.

NATURE CURES THE DOCTOR TAKES THE FEE

There is an old saying that "Nature cures, the doctor takes the fee," but as everyone knows you can help Nature very much and thereby enable it to effect a cure in less time than is usually required. This is particularly true of colds. Chamberlain's Cough Remedy relieves the lungs, liquefies the tough mucus and aids in its expectoration, allays the cough and aids Nature in restoring the system to a healthy condition.—Adv.

CHAPTER XIV.

Picks and Shovels.

I had not slept long before the sweet voice of that sergeant informed that "No. 1" had been killed for another blinding digging party. I smiled to myself with deep satisfaction. I had been promoted from a mere digger to a member of the "elite" club, and was exempt from all fatigue. Then came an awful shock. The sergeant looked over in my direction and said: "Don't you know, you're thinking you're a member of the 'elite' club, but you're not. You're a digger, and you're going to dig with the rest of us." I put up my hand to my head, but the only thing that resulted was a loss of good humor on my part.

We fell in at eight o'clock, outside of our billets, a sort of machine-gun party, was organized as a common laborer, had a pick and shovel, and about one hundred empty sandbags. The rest, about two hundred in all, were equipped likewise: picks, shovels, sandbags, rifles and ammunition.

The party moved out in column of fours, taking the road leading to the trenches. Several times we had to string out in the ditch to let long columns of men, artillery and supplies get past.

The marching, under these conditions, was necessarily slow. Upon arrival at the entrance to the communication trench, I looked at my flimsy "elite" watch—it was "eleven o'clock."

Before entering this trench, word was passed down the line, "no talking or smoking, head off in single file, covering picks first."

This digging party consisted of 30 men, armed with rifles, bayonets, bombs and two Lewis machine guns. They were to protect us and guard against a surprise attack while digging to No. 1's Land.

The communication trench was about half a mile long, a staggering ditch, eight feet deep and three feet wide.

Now and again, German sharpshooters would whistle overhead and burst in our vicinity. We would crouch against the earthen walls while the shell fragments "clattered" the ground above us.

Once Fritz turned loose with a machine gun, the bullets from which "cracked" through the air and kicked up the dirt on the top, making a sand and pebble, which, hitting our steel helmets, sounded like hailstones.

Upon arrival in the fire trench an officer of the Royal Engineers gave us our instructions and acted as guide.

We were to dig an advance trench two hundred yards from the Germans (the trenches at this point were six hundred yards apart).

Two winding lanes, five feet wide, had been cut through our barbed wire for the purpose of the diggers. From these three white tape had been laid

the advance pick and shovel party. The first thing I noticed was that the trench was not straight, but zigzagged. This was for the purpose of making it difficult for the enemy to see our position. The trench was about five feet deep and three feet wide. We were to dig an advance trench two hundred yards from the Germans (the trenches at this point were six hundred yards apart).

Two winding lanes, five feet wide, had been cut through our barbed wire for the purpose of the diggers. From these three white tape had been laid

MANY HEAR LECTURE ON CHRISTIAN SCIENCE

Audience in High School Auditorium Gives Close Attention to Lucid Explanation of Principles

A large audience in the high school auditorium Friday evening gave close attention to the explanation of the principles of Christian Science delivered under the auspices of the local church by Clarence W. Chadwick of Omaha, Nebraska, member of the board of trustees of the mother church. The lecture is regarded as one of the most lucid statements of the tenets of the organization ever given here. The speaker was introduced by Fitch L. Ball, second reader of the Twin Falls church.

CONVENTION IS WELL ATTENDED

DELEGATES FROM ALL PARTS OF IDAHO HERE FOR THREE DAY MEET

ANNUAL PROGRAM IS FEATURE OF FIRST DAY—CIVIL WAR RE-ENACTMENT, BOY SCOUTS AND OTHER ORGANIZATIONS INVITED.

Delegates from all parts of Idaho arrived here Wednesday to attend the twenty-second annual convention of the Idaho State Sunday School association in session on Wednesday, Thursday and Friday in the Methodist church in Twin Falls.

Autos for visitors.

The delegates were met at the train by committees in automobiles, who conveyed them to the homes where they will be accommodated during their stay in the city.

Following the registration of delegates, which began at 1 o'clock Wednesday afternoon in the basement of the Methodist church, the opening session of the convention was held at 2 o'clock in the morning. The session was led by Rev. Silas Perkins of Hollister. Rev. W. E. Harman of Twin Falls told why we invited the convention, and Hon. H. C. Baldwin delivered a greeting to the Sunday school workers.

Beginning at 4 o'clock sessions of the departmental institute begin, the last of the elementary department being Mrs. Shelton Bissell.

Answers War Challenge

The patriotic program beginning at 8 o'clock Wednesday evening is a principal event of the convention. An answer to the challenge of war to the Sunday schools of Idaho, will be delivered by Rev. R. M. Donaldson, pastor of the First Presbyterian church of Boise. He will speak on the occasion of Rev. William Martin of Boise, who is filling a speaking engagement under the auspices of the state council of defense in northern Idaho.

An address on the Sunday school and wartime tasks will be given by Rev. W. E. Harman, pastor of the Methodist church in Twin Falls, and Sunday school workers.

The address will follow presentation of Thrift Stamps and other war activities.

Flags for Decorations

Dan McCook post, Grand Army of the Republic, Twin Falls Boy Scout troops and other patriotic organizations of the community have been invited to attend as bodies, and the auditorium is to be decorated with a profusion of flags of the United States and allied nations.

A musical program arranged for the occasion by Mrs. F. B. Bell, director, includes a chorus of patriotic songs, selections by a male quartet composed of Messrs. Evans, George, Patrick and Williams, and solos by Mrs. Bell and Mrs. Stark.

Thursday's Program

Thursday morning's program beginning at 9 o'clock follows:

Devotions, Rev. H. L. Caldwell, Educational Challenge, Rev. J. Wesley Miller, Rev. Wayne Snoddy, Rev. W. H. Bowler, music, Place of the Sunday School in Red Cross Work, Rev. O. Anderson, What War Means to America, Hon. R. M. McCracken.

Following devotions led by Rev. J. E. Steinhilber beginning at 1:30 o'clock, the afternoon's program will be given as follows: "The Battle Under Camouflage," Dr. J. D. Springington, music; "Our Nation's Call to the Boys of Idaho," Hon. Harvey Allred. At 4:30 the convention will adjourn for a recreation hour, at which time the delegates will be taken in automobiles to the falls and through the country adjacent to the city.

Dinner to Speak

Dr. H. H. Holmstrom, treasurer of the State Sunday School association, will be the speaker at the Thursday evening meeting. His address on "A Business Investment" will follow a musical program arranged by Mrs. B. S. Nohr.

Some Good Advice

"Don't think too much of your own methods. Watch other people's ways and learn from them." This is good advice, especially when bilious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example.—Adv.

MABEL NORMAND IN THE FLOOR SHOW AT THE ORPHEUM THEATRE THURSDAY AND FRIDAY THIS WEEK.

FEATURE SHOWING AT THE ORPHEUM THEATRE THURSDAY AND FRIDAY THIS WEEK.

ENGLISH ENGAGED IN HEAVY FIGHTING

RECAPTURE SMALL TOWN FROM GERMANS AND HOLD DESPERATELY TO PRESENT POSITIONS

(By William Phillips, United Press Staff Correspondent.)

WITH THE BRITISH ARMIES IN FRANCE, April 10.

The Germans attacked violently the British and Portuguese positions from the La Bassee canal to a point southward of Arrmentieres at 8 o'clock this morning. They apparently gained a foothold east of Le Plain and Petillon and at Givency. On our left flank we apparently are holding. Hot fighting is continuing.

General von Quast's attack this morning followed a violent bombardment, opening at 4:05. It continued for an hour or two, then died down. A couple of hours later a sudden barrage was put down from Arrmentieres to northward of Lens, the German infantry following in its wake.

Heavy, continued fighting resulted, which was particularly hot east of Petillon.

Long range guns active. Estaires, Laventie and practically all the villages in the back areas. Von Quast made several divisions.

The weather was misty and the sky overcast throughout the day.

The ground is very muddy owing to the rain.

Hindenburg, foiled in his attempt against Arras, Vimy and Notre Dame Lorette, perhaps hopes to flank the British position from the north.

Winds Official Report

"Fighting continued north of the La Bassee canal yesterday evening and last night," the official statement of Field Marshal Haig says.

"We are holding the line on the rivers Lawe and Lys, and are heavily engaging the enemy on the crossings at Estaires and Riez. Near Maur."

"On the southern flank Givency was recaptured in a successful counter attack. We took 100 prisoners here."

"We are north of Arrmentieres, as far as the Ypres canal, there was a heavy hostile bombardment early this morning, with fighting on the southern position of French divisions."

"On the British front south of the Somme, there was local fighting. Field Marshal Haig reported. 'The situation is unchanged.'"

WINS PRIZE FOR LIBERTY LOAN TALK

George Leach, Senior in the Hollister High School, Scores in Declaration of Judges

HOLLISTER—The prize for the best four minute talk in the interests of the Liberty Loan delivered by a student at the patriotic rally held Saturday evening at the Hollister high school, was awarded to George Leach, a member of the senior class. The rally was a decided success. All available seats were occupied and the audience was a large one. Walter E. Harman and W. O. Chapman of Twin Falls were speakers on the occasion.

After making the outfit for the Jarbridge road camp was in Hollister this last week for provisions.

Need More Seed Wheat

A car load of seed wheat was received last week, but more will be required, as considerable alfalfa land is being turned into wheat; with a good run of water, Hollister will need 1917 record for wheat.

Miss Faith Salice returned Friday from Lawrence, Kansas, where she has been attending college.

Patriotic services were held at the church Sunday evening, and the attendance was excellent, as were the exercises. J. W. W. and other non-patriotic people are decidedly inconspicuous in Hollister.

Miss Irene Perkins was elected a delegate to the state Sunday school convention at Twin Falls this week.

R. Brunmet, farming the Stanger ranch, had a good Monday. Some fine milk stock very reasonable.

Rev. S. Perkins is attending the Presbytery at Maroa this week, and a decision expected regarding church services, etc., as soon as he returns.

Church as usual next Sunday, Sunday school at 10:30 a. m., followed by regular prayer for grain.

J. Christensen has leased the farm land on east edge of townsite from Craven & Detweiler and is preparing same for grain.

Since the government has buyer has quit business has gone down in price considerable; this was due partly to shortage of grain.

SOME GOOD ADVICE

"Don't think too much of your own methods. Watch other people's ways and learn from them." This is good advice, especially when bilious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example.—Adv.

NEXT DRAWING TAKE 37 MEN FROM COUNTY

GOVERNMENT CALLS 100,000 TO REPORT TO THE CAMPS IN APRIL

ENTRAINMENT DATES TRY TO BE DETERMINED IN SCHEDULES WORKED OUT BY RAILROADS—CLASS ONE ALONG MARCH

Thirty-seven of the 604 men Idaho is asked to furnish in the next draft will go from Twin Falls county.

The registrants will begin to entrain April 26 and for five days after that date they will be leaving Idaho for American Lake.

The schedule of departure for the men of the several counties must be worked out by the railroads and they are made up it will not be known on what days the contingents from the different districts will get away for the training camp.

All of the registrants to be called for training camp this month will be taken from class one.

Twin Falls county sent 15 men into entrenchments April 5, when the government called the contingents from the 60,000 soldiers. The nation as a whole will send 100,000 men to the training camps in the forthcoming draft.

In the opinion of Captain Frank A. McCall of the adjutant general's office, the government will probably call 100,000 or more men every 30 days or so, and the training camps will be again filled.

BOOK CREEK HAS ONE SERVICE FLAG

BOOK CREEK—Mrs. Susan Gray is now displaying a service flag with three stars. It is the only service flag in this community. A number of our young men have entered the service, but with the exception of the three Gray boys all have been whose parents lived at some other place. In giving her three boys to the service Mrs. Gray has given all her help and company. She has a number of other children, but they are scattered from Alaska to southern California, and she is now left entirely alone at the age of seventy-two.

Mrs. T. O. Jones is a patient at the Physicians & Surgeons hospital in Twin Falls, having been operated on last Monday. In last report she was doing very nicely.

Dr. Davis of Kimberly was called to the Garritty ranch to attend Grandpa Morris, Thursday evening. Sunday he was taken home and Mr. Van Eaton went to the Terrill ranch at Murtaugh to bring his son to the bedside. At the last report he was very low.

Red Cross Busy

Because of the funeral of the Dinkas baby Wednesday, the regular Red Cross meeting was postponed until Friday.

The Red Cross ladies have been very busy at home during the past week, making extras for the incomplete layettes at the rest room. On Monday they sent to Mrs. Beaver 1 cape, 8 brassieres, 10 blouses, 20 collars and 25 bands.

In addition to 14 complete 12-cyette previously turned in. The relief work is done at home and takes nothing from the regular Red Cross work.

Mrs. Ben Van Eaton and children arrived from Arkansas Wednesday. Mr. Van Eaton came out early in January. Lawrence Hansen and Mrs. Weaver were guests at dinner at the Albee home Monday.

Gordon Greenfield, who is employed at the U. C. ranch near Kimberly, came home sick the first of last week and is still unable to work.

Joe Doyle, a man, McCoy, Hamilton and Eastbrook Albee. Mrs. Albee a pleasant surprise Monday, when they motored out from Hansen to spend the afternoon with her.

D. P. Albee and L. P. Larsen are busy with the Bond drive this week. Geo. Crockett will also assist in the drive.

Obituary

Erva May, the little daughter of Mr. and Mrs. Dinkas died at the first of May home on Cottonwood, Tuesday, April 2, at the age of two months and six days. Death was caused by pneumonia, which she contracted when she was a few days old. The bereaved parents have the sympathy of the entire community. She was an only daughter, but leaves two small brothers besides her parents, and aunts and uncles to mourn her loss.

THE BIGGEST WORRY SAVER

I ever had is my check book," said a successful business man. "It saves me all kinds of worry about my money. I have a check book. So I can give all my thought to my business. This bank stands ready to perform a similar service for you. Its officials will gladly give you information about opening an account here."

STREET

Kimberly's Citizens were held at the high school grounds Saturday evening.

After a large number of the citizens of Kimberly were held at the high school grounds Saturday evening, after speaking by O. G. Zuck and Rev. A. W. Jones, was held in the auditorium. Chairman O. G. Zuck presided. The Liberty Loan drive plans were fully explained, and committees from each section appointed to collect all residents living in each section. About seventy-five persons were appointed, who went out Monday and Tuesday and nearly twenty thousand dollars was subscribed in a short time. All papers will not be made until all cards are in. Very few were found who did not take at least one Bond, all seeming to want to do their part.

W. L. Downing has returned from Nebraska, where he was called by the death of his sister. His father will come to Idaho to reside the coming winter and will make his home here.

Rev. V. G. Beckman is touring southern Idaho in his lecture on church and Sunday school work. He will be absent nearly a month.

The Ladies' Pioneer club met at the home of Mrs. W. A. Gill Tuesday afternoon. About twenty-five persons were present. A very good representation was present.

The village council met Tuesday evening. It was decided to purchase a team and have the marshal sprinkle the streets this summer, which will be welcome news to those bothered with the dust.

Carl E. Wright shipped a car load of nursery stock to Buhl, where he is making a delivery this week. This is home industry and has one of the best nurseries in the state, which is being enlarged each year, furnishing quite a large local supply.

Mr. H. D. Denton has returned from a business trip to Idaho Falls and Salt Lake City.

Mr. and Mrs. C. T. Brown are at home after a visit in Salt Lake City.

MURTAUGH NEWS NOTES

MURTAUGH—Mrs. John Day and children visited at the home of Bob Day in Twin Falls Friday.

Carl E. Wright, who has been quite sick the past week, is much improved. The three year old daughter of Mr. and Mrs. Hiram Johnson is quite sick.

One of the two girls of Mr. and Mrs. Arne is quite sick with bronchitis. Mr. and Mrs. J. I. Tolman and children, who have spent the past six weeks in Los Angeles, California, returned home Tuesday.

Mr. and Mrs. Leo Doty and daughter Dorothy, who have been visiting at Murtaugh, returned last night. Miss Emma Egbert of Grace is visiting at the home of Mrs. Adrian Merrill. The new bank will be ready for business April 15.

IN BUSINESS AT JEROME

R. F. Smith of Twin Falls has purchased and taken charge of the business of the Anchor Feed company at Jerome. Mrs. Smith and daughter will join him in Jerome as soon as the present term of school closes, it is announced.

ATYAND DRUGGIST MEET

H. M. Skene and George C. Wiley, proprietors of the Skeels-Wiley drug store, left Monday evening for Salt Lake to attend a convention of Retail drug store proprietors.

WARD OF FRANKS

We wish to thank the friends and neighbors who so kindly assisted us during the illness and death of our beloved little daughter and niece, Eva May.

THE HOUSE

Mrs. J. P. Johnson, daughter of the late J. P. Johnson, died at her home in Twin Falls, Idaho, Saturday evening.

The Junior Social Improvement club entertained at a dance at the Parish hall on Friday evening. About twenty-five couples attended.

Miss Cassion was invited to the Thursday Bridge club at the home of Mrs. Elliott on Sixth avenue east, last week. Delightful refreshments were served to the Mesdames Barger, Putnam, Walsh, Leopold, J. C. Moore, Conover, Dufresne, Adams, Houtz and Sawyer.

Mrs. J. Paul Johnston entertained the members of the Hoover Lanchon club last Wednesday. Mrs. Leopold was the prize for high score, a book of Thrift Stamps. Ten members and Mrs. Wilder.

The Kimbly ladies have finished their monthly quota of work and it is of excellent workmanship. The class for the teaching of surgical dressing under Mrs. Harvilland has just been completed and the following women are now qualified to teach: Mrs. Both Washington, Mable Dillard, Minnie Horn, Blanch Flynn, Mrs. Geo. Bremer, Mrs. Carl Edgeway, Mrs. M. T. Atkinson and Mrs. Carl Cassion.

Blita Larson, a 13 year old student of the Lincoln school, has completed 7 pairs of socks since the first of January.

The Lincoln school children have completed the following articles for the month of March:

- 15 sweaters, 18 pairs wristlets, 10 pairs socks, 8700 gun. wipes, 12 pairs lace pads, 16 property bags, 2 checker boards, 3 tray cloths, 5 knitted afghans, 11 purses.

For the 7th and 8th grades: 50 property bags.

For the first grade—1 joke book.

For the Belgian relief—4 baby blankets, 5 knitted bonnets, 5 pairs booties.

The children of the Washington school have completed the following for March—14 sweaters, 18 pairs wristlets, 10 wash cloths, 1 helmet, 2 pairs socks, 20 comfort pillows, 1 comfort, 22 property bags, 1200 gun wipes, 1 fun book.

With the Red Cross Work At home and Abroad

The quarterly meeting of the Twin Falls auxiliaries will be held Saturday, April 13, at 9:30 o'clock in Moose hall. All chairmen are urged to be present.

A certain sum of money donated at Christmas time and known as the Christmas fund has been set aside by the board as a canteen fund, and will be reserved as financial aid for returned soldiers. Donations to this fund are solicited.

Very attractive Red Cross pigs are on sale at headquarters for twenty-five cents each.

Donations to the chapter have been received this past week as follows:

- T. C. Boone—\$10.00.
- Mrs. Martin—\$10.00.
- Mrs. H. E. Bonds—\$15.00.

Eight boxes of surgical dressings have been shipped so far this month. One in this department is to be completed before the time set—April 20. The response of the Twin Falls women to the call for more workers in this department is to be commended and it is hoped there will be no lessening of effort and that each month will prove as successful as the past.

Service enrollment applications for the Red Cross service abroad may be secured at Red Cross headquarters.

Mrs. Edwards spent Wednesday in Hansen instructing a class in surgical dressing.

It is expected that the Red Cross magazines subscribed for during the Christmas drive, will arrive this month.

The sum of \$475 has been realized thus far through the sale of the Genoa apples donated by Thomas Costello to the Red Cross for the collection drive by the selling of tickets for \$1 a box and were sold by the following teachers: Misses E. Dunn, Goebel, Dyer, Sin-

LOVE, THRILLS, PLUCK AND CUSSINESS IN CHARLES RAY PICTURE

"THE SON OF HIS FATHER" FEATURING FAMOUS INCE STAR, AT THE IDAHO THURSDAY, FRIDAY AND SATURDAY—VAUDEVILLE

You can't change the nature of a "chip off the old block." See Charles Ray go through adventure, thrills, and a romance—and come out on top of the heap! You'll be delighted when you see this play.

After telling his father to keep his half of the railroad in good condition, Gordon Carbury, otherwise known as Charles Ray, starts out with a five thousand dollar check to run it up to a hundred thousand within six months. It's a bet with his father—and the winner isn't the old man!

This big feature, with two vaudeville numbers, will be on the Idaho program for THURSDAY, FRIDAY AND SATURDAY.
