KIMBERLY

KIMBERLY—The small son of Mr. and Mrs. J. G. Stettin was slightly injured Tuesday evening when he was knocked down by a team driven by Marion Williams. The little boy received several rather severe bruises but is now somewhat improved.

W. R. Subanks of Gooding was a Kimberly visitor on Wednesday.

G. F. Green, manager, and J. E. King, wife, of the Mountain States Telephone & Telegraph company, made an inspection of the Kimberly exchange Tuesday.

Miss Lela Hunt, who has been teaching school near Rogerson, is expected to arrive Wednesday morning at the J. M. Steelsmith home, where she will spend the summer.

A. V. McKillop returned Monday from an extended visit in the east and south. While in the south they were the guests of their son, who is a member of motor truck company No. 288, which was in training at Jacksonville, Florida, but is now among the "overseas" troops, having arrived safely in either France or England, it is not definitely known which.

The Rev. James Leitch and Mrs. Leitch of Boise are the guests of Kimberly friends. Rev. Leitch was formerly pastor of the Methodist church here and is now chaplain of the Idaho state penitentiary. Friends of Rev. and Mrs. Leitch will be interested in learning that the older son is now a member of the American forces in France and the younger son has recently been discharged from the navy on account of his hearing.

Mr. and Mrs. W. T. Combs, Mr. and Mrs. W. H. Spence, and Rev. James Leitch and Mrs. Leitch were the guests of Mr. and Mrs. John Hardin at dinner on Tuesday evening.

Mrs. W. M. Van Houten entertained the Misses Minnie Rensch, Ruth Wallington and Blanche B. Ryan at dinner on Wednesday evening.

Mrs. H. Hillis entertained informally

at dinner Wednesday evening Miss Florence Steelsmith, Jesse Steelsmith, who leaves on Friday for Fort McDowell, California, and Leonard Eden, lately returned from Seaford, England, where he was with the Canadian forces. W. B. Sumner has returned from a business trip to Payette and Boise.

ARTESIAN CITY

ARTESIAN CITY—J. S. Lawrence, of the Lawrence Machine Co., of Twin Falls, was here last week repairing the big pump engine at the head of the Strong ditch.

W. D. Griffith and Harry Sumners are hauling baled hay to Murtagh from the north side this week.

Mr. and Mrs. J. E. Bower were visitors here Sunday.

D. A. McFarlane spent the week end at Hayburn.

It is reported that E. J. Day, D. B. Moorman and I. B. Ferrine headed for Chicago last week to get cash to put through their irrigation scheme.

The secretary of Murtagh Irrigation District states that he is making every effort to get the government to help us put water on this tract as it was meagre. Much of this land is already in dry crop and a lot of foodstuff could be grown if water was furnished for the next season.

HOLLISTER

HOLLISTER—Mr. and Mrs. Frank Owen are the parents of a daughter, born at Twin Falls, May 8. All concerned are doing fine.

G. W. James returned Thursday from a several days' business trip to Salt Lake City.

The Christian Endeavor social was postponed a few days on account of cold weather.

The Twin Falls train did not arrive Thursday evening until 8:30, owing to

a washout at the lowline canal south of Twin Falls.

Mrs. Kellie Jones went to Twin Falls Thursday.

Earl O. Wolfe, a former resident of Hollister, was in town on business on Thursday.

Mrs. C. H. Spurgeon received a message from Brownstown, Indiana, Thursday, announcing the death of her father.

W. H. Craven is shipping a car of potatoes this week. This is the first car of potatoes shipped from Hollister in four years. The O. G. L. agent gives the forwarding of 76 car loads of produce in April, of which 26 were wheat and 48 hay.

M. Barnhouse and road crew are working on public road near Hesper, a great deal of work is needed on roads this spring.

Mrs. W. Mort from Twin Falls is visiting her brother, R. W. Mort and family.

FILES

FILES—John Penny has resigned his position as village clerk and has assumed charge of the Nibley-Channal Lumber company, at Filer, succeeding G. H. Brewer, who left this week for California, where he expects to enlist in the United States marine corps. Mr. Brewer's home is in California.

Wm. Bunce, has been appointed by the county chairman to supervise the next Red Cross drive between May 20 and 27. Filer citizens have been very liberal in these drives. During the Red Cross auction over \$6000 was raised for the local branch war relief work. This money will be kept here, and used for Red Cross materials.

Mrs. Boy Woods of Montello, Nev., is a guest at the Ed Wilcox home.

S. H. Moore and father, E. E. Moore, returned to their home in Michigan Friday, after a visit here with Commissioner T. E. Moore.

Mrs. H. H. Schildman and Mrs. H. J. Weaver left Saturday evening for Seattle, Wash., where they will spend the institute and Red Cross training school.

Mrs. Arthur Scholton entertained on Saturday afternoon for Mrs. Norma Barker, who leaves for California this week. Those present were Madeline Weaver, Schildman, Newberry, Wood, Timm, Anderson, Tanner, Young, Barker, Childs, Hughes, Case, Moore, Hag, Shinn, Sharp, McGlinn, Clark, Schaffner, Allen, Miss Scholton, and Mrs. Geo. Patton.

The Honor Guard girls wish to extend their hearty thanks to Mrs. Newberry for the interest she has given to the French baby layettes, which are now completed. Mrs. Newberry had charge of the entire work, being assisted by Madeline Young, M. J. Macaw, R. L. Macaw, Rogers, Showers, Shinn, Cedarholm, Phillips, Victor Pease, Joe Malory, Childs, Duquesne, Spencer, Murray, Roberts and Bunce.

E. O. Walter returned Sunday from a business trip to Nampa.

Miss Gladys Huffman of Longmont, Colo., is visiting Miss Margaret Dudley. John Munser and family made an overland trip to Nampa.

Baldie Drake will leave soon for Chicago, where he will complete his course in music, returning here in the fall to enter school. Mr. Drake spent last summer in Chicago.

Mr. and Mrs. Wiley Duff of Hollister spent Sunday at the Art Anderson home.

John Griffiths of Fort Collins, Colo., who was called here by the death of his brother, returned home Sunday.

CHEVROLET

It is a common thing for a Chevrolet "Four-Ninety" to travel 25 miles on a gallon of gasoline.

There is no mystery as to why it should do better per gallon than other cars.

The valve-in-head motor is designed on a principle so simple that any man who has had a hammer in his hand knows it to be the right principle.

When you strike a nail squarely on the head, you get the full benefit of the force behind the blow. If you hit a nail a glancing blow you dissipate much of its force.

In the Chevrolet valve-in-head motor the explosion occurs squarely on top of the piston head. The entire force of the explosion is delivered to the driving mechanism.

In other types of motors gasoline is exploded in a side chamber—the force or impulse must travel a short distance at an angle to reach the piston head. Thus it strikes a glancing and inefficient blow.

It is this difference in motors that makes possible low Chevrolet gasoline consumption.

It explains why people who have a respect for money select the Chevrolet entirely aside from the initial low price of the car.

Do you want the difference demonstrated? We will gladly do this.

BOISE TAKES FIRST OF TWO GAME SERIES

HIGH SCHOOL STATE BASE BALL CHAMPIONSHIP IS AT STAKE IN CONTEST HERE THIS AFTERNOON

Boise defeated Twin Falls, 8-7, in the first of the two games high school baseball series played here Friday evening. The second game will be called at 4 o'clock this afternoon. Fix, the Twin Falls pitcher who held Boise to 3 and 1 hits, respectively, in two games at Boise, will pitch today.

If Boise wins today's game, it means that Boise and Twin Falls are virtually tied for the state championship. If Twin Falls wins, it means the state championship in baseball for the home boys.

Twin Falls held a two-run lead until the eighth inning, when Boise with a spectacular squeeze play scored three runs. Twin Falls scored one in the ninth inning and ended the period with the bases filled.

Pitchers for Twin Falls were Bauer until the first of the seventh inning, and Neumann from then on. Bauer struck out five men, walked two and allowed one hit. Neumann struck out five, walked seven and allowed one hit. Brown, pitcher for Boise, struck out nine and allowed four hits.

Boise stole a total of 19 bases off Hybarger, Twin Falls' catcher.

Exceptionally good work was done by the outfielders on both teams.

Errors were numerous on both sides, due partly to the soft infield and to the cold, windy and dusty weather.

The score by innings follows:

MAKING MACHINERY READY FOR ACTION

(By United Press)
WASHINGTON, May 14.—All the draft machinery for the registration of the 21-year-old men on June 5 is ready to be put in motion the moment congress gives final approval to the bill authorizing the listing.

The bill is expected to reach President Wilson tomorrow as the house probably will adopt the measure late today. The senate adopted the report yesterday.

Immediately after signing the bill, the president will issue a proclamation calling upon all those eligible to register in precisely the same way as was done in the first registration. Approximately 1,500,000 men are expected to respond.

A. V. MOUNCE SUES W. S. HYDE FOR \$30,000 DAMAGES, ALLEGING SLANDER AND LIBEL

Winfield Scott Hyde is the defendant in an action brought in district court here by A. V. Mounce for recovery of \$30,000 damages for alleged slander and libel. Both parties to the action are residents of Bluff and both are engaged in the real estate, loan and insurance business. Mounce is the successor to Hyde as the representative at Bluff of a loan concern.

The alleged libel is said to have been uttered by Hyde in a letter to the loan concern after he had been ridiculed by Mounce in which the following phrase is alleged to appear: "Would not have cared very much if succeeded by a white man, but—well the concern might not pass my remarks if I included them in this, nor would they be profitable."

In conversation, Hyde is alleged to have stated that Mounce is a sympathizer with the Kaiser and that he is a slacker in respect to support of the Red Cross and army Y. M. C. A.

Hold Parents Responsible—Warrants for the arrest of the parents on charges of contributing to the delinquency of their sons, aged 18 and 16 years by deliberately keeping them out of school, were issued Thursday by Probate Judge O. E. Davall at the instance of Probation Officer John E. Anst and Hal G. Blue, superintendent of Twin Falls schools.

MAKE START TO HARD SURFACE CANYON ROAD

COUNTY COMMISSIONERS PROVIDE FOR DEEP COVERING OF ROCK FOR SHOESHONE GRADE

Preliminary to the improvement of the Shoshone Falls grade on the south side of Snake river canyon by graveling of the roadbed after such minor alterations as are necessary are made, Engineer A. E. Fox Friday, with transit and level, began outlining the work to be done. The big rock crusher owned by the county, after being overhauled, was moved out to the scene of activity Thursday evening.

Six Weeks Work
The work will begin as soon as the engineer has finished with the survey, and it is expected that it will be completed within six weeks' time thereafter.

Considerable work already has been done on the road at the summit of the grade on the south side. The grade which was established and built three years ago at the expense of the county, is regarded as one of the best in this region.

The maximum grade of eight per cent is found only on a stretch of about 200 feet in length, while the average grade throughout the entire length of practically one mile is less than four per cent.

Lava Rock to Be Used
The roadbed is to be covered with gravel to a depth of nine inches for a distance of about one and one-half miles. Lava rock through which the grade is built will be crushed and used as gravel.

Four Jail Army—Robert E. Pedersen, Chester E. Vinson and Arthur D. Stephens, all of Rupert, applied shortly before the departure of the eastbound train Thursday evening at the local army recruiting station for enlistment in the coast artillery. The preliminary arrangements were quickly completed and they left in company with Irvin G. Davies of Burley, who enters the infantry, on that train for Fort Douglas.

AVERAGE TWO SHIPS DAILY FOR WEEK

(By United Press)
WASHINGTON, May 14.—An average of two ships a day were launched by the emergency fleet corporation for the week ending last night, the United States shipbuilding board announced today. For the third successive week wood ship launches averaged one a day, the total tonnage floated being 25,000 tons. Steel launches totaled 32,100 tons.

Included in the week's deliveries of steel ships were five cargo vessels, two tankers and one refrigerator ship.

The state of Maine, famous for shipbuilding, launched the first government built wood ship last week. The new boat, the Andra, 2500 tons, was built by the Portland Shipbuilding company.

TRAVEL ROUTES OF VOLUNTEERS GIVEN

REGISTRANTS ENTERING SERVICE AS SKILLED WORKMEN SUMMONED FROM COUNTY

Itinerary of the routes to be traveled in reporting to camps by the men who have been called from Twin Falls county under regulations providing for voluntary induction of registrants as skilled workmen has been received by the local board.

Five men are so called from this county. They are directed to leave on the train leaving Twin Falls at 7 o'clock on the morning of Friday, May 17.

Only three, however, will go from Twin Falls, for the reason that the two mechanics called to report at Camp Benjamin Harrison are already in the east. Wayne B. Lawrence, until recently a partner with his brother, J. B. Lawrence in the Lawrence Machine shop here, who is one of the mechanics called, is visiting with relatives in Arkansas, while the other one, Charles W. Plaffler, is employed as a gunmaker in an arsenal at Davenport, Iowa.

The men who will go from here the following enrolled as teamsters and directed to report for duty at Washington barracks, Washington, D. C.: Raymond E. Lareby, Twin Falls; Walter P. Jones, Twin Falls, and Arthur E. Williams, Montague.

The itinerary provides for a stopover for them in Chicago from 11 o'clock a. m. until 5:15 o'clock p. m. They will travel from Postville, with others called from Idaho, in a special touring car.

Makes Clubbing Arrangement With

The Idaho Farmer

Offers Unusual Opportunity to Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Idaho farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with THE IDAHO FARMER whereby any farmer or fruitgrower, who is one of our regular subscribers and who is not now a subscriber to THE IDAHO FARMER, will be entitled to receive THE IDAHO FARMER in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Idaho agriculture, do not miss this unusual opportunity, but send your order in now.

THE IDAHO FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Idaho. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.

CITY PAYROLL GROWS TO MEET COST OF LIVING

COUNCIL APPROVES INCREASE IN COMPENSATION FOR MANY EMPLOYEES OF CITY

As a result of action taken by the city council at its adjourned meeting Thursday night, the pay of practically all of the city employees, exclusive of officials in elective positions, will be increased beginning May 1, by substantial sums.

Members of the fire department, under the new schedule, in the first year of their service will receive \$90 per month, in the second year \$100, and in the third year \$110. The salary of the fire chief was advanced from \$105 to \$125 per month, and that of the engineer was raised from \$100 to \$110 per month.

Monthly salary of the chief of police was raised from \$100 to \$125, that of the patrolman from \$100 to \$110, and that of the guard at the bridge and of the speed patrolman from \$90 to \$95.

Salary of the city park tender who furnishes a horse, was fixed at \$100 per month.

The city weighmaster received a raise of \$15 per month, his salary previously being \$75.

Salary of the police judge is fixed by law at \$45, but allowance of \$15 a month for rental of the building he occupies brings the total monthly pay check of the magistrate up to \$60.

Pay of day laborers in the employment of the city was raised to 45 cents an hour, or from \$3.50 to \$4.50 per day, while the pay for men with teams was advanced from \$5.00 to \$5.50 per day. The street foreman and waterworks construction foreman each received increases of \$10 per month, and the reservoir tender was raised from \$90 to \$100 per month.

Jim Barnes, "white wing," on duty almost constantly throughout the year received an advance of \$20 in his monthly pay check, his former salary being \$60 a month.

Consider Garbage Problem. Consideration of the problem of collecting garbage occupied a considerable portion of the council's time at this session. The matter was referred to the committee on public health for further investigation and with instructions to report at the next regular meeting of the council on May 20.

The possibility in that garbage, other than rubbish, will be collected at the expense of the city in the residence districts. Several amendments to the ordinance in regard to sanitation will be required as a result of the proposed innovation.

The city clerk was instructed to advertise for bids prospective renters of the city's bay land embodied in what is known as the filter and reservoir area, comprising approximately 11 acres. This land has been rented by the city for two years past.

A TWIN FALLS WOMAN'S EXPERIENCE

Can you doubt the evidence of this Twin Falls woman?

You can verify Twin Falls endorsement.

Read this: Mrs. J. S. Chapman, 240 Eighth Ave. E., Twin Falls, Idaho, writes: "I have used Doan's Kidney Pills when suffering with kidney trouble and always have had the best of results. I have sometimes suffered a great deal with weakness and lameness in the small of my back and my back has ached dreadfully. The kidney secretions have passed irregularly and my feet and hands have been swollen. Whenever I have had that complaint I have used Doan's Kidney Pills and the ailment has been strengthened and helped me in every way."

DEMANDS TRANSFER OF WATER RIGHTS

EDWIN DAMMAN SAYS DELAY OF CANAL COMPANY MAY PREVENT GROWING CROPS

Declaring that delay in effecting the transfer of water rights from one piece of land to another under the Twin Falls irrigation system threatens to result in inability to bring the land under cultivation this year, Edwin Damman, through his attorney, Turner K. Hackman, has brought an action in district court here for issuance of a writ of mandamus to compel W. O. Taylor, secretary of the Twin Falls Canal company, to make the transfer in question. Copy of the order of James A. Bybee, county surveyor, issued March 20, directing that the transfer be made, is attached to the complaint.

The complaint recites that Damman owns and controls considerable acreage under the Twin Falls irrigation system, and that he has been endeavoring to improve and bring under cultivation lands that remain unplowed or that have been abandoned. Because of inability to raise crops on the lands to which the water is apportioned, he asks that the transfer of the water be made to land of better quality.

PRESBYTERIAN CHURCH AND CONSOLIDATED WAGON & MACHINE COMPANY LINE UP

Under direction of A. Gilbert, county director, J. W. Jones and his assistants in this activity, War Savings Stamp societies have been organized in the Twin Falls Presbyterian church and among the employees here of the Consolidated Wagon & Machine Co. The officers of the Presbyterian church society are C. J. McCormick, president, and J. W. Jones, secretary. Organization of the society for the Consolidated Wagon & Machine company was effected by election of R. N. Renshaw as president, and E. D. Klesner as secretary.

LEADS SONS OF EX-PRESIDENT ON FRONT LINE

HOMER S. YOUNGS, TWIN FALLS, RECENTLY PROMOTED TO CAPTAIN, IS FAMILIAR WITH AREA

Promotion to the rank of captain has been won by Homer S. Youngs, son of Mr. and Mrs. H. J. Youngs of Twin Falls, formerly a first lieutenant assigned to duty with one of the first regiments of United States infantry to arrive in France. Word of the promotion has been received by the parents in a letter received from their younger son, Francis Youngs, who is a member of the One Hundred Forty-sixth field artillery regiment, serving in France.

No sign of fighting Captain Youngs has been for some time an intelligence officer and in that capacity, he says in a recent letter to his parents, he conducted Captain Archie Roosevelt and Theodore Roosevelt, junior, over a portion of the front line trenches. While in their company, the Germans opened a heavy shell fire upon that section of the trenches, but he was injured at that time. The former president's sons went through the experience without a sign of flinching, Captain Youngs says. A few days later, Captain Archie Roosevelt was wounded while again in this section of the battlefield.

STATE ASKS PATENTS FOR SALMON LANDS

Application for patent to 22,000 acres of lands under the Salmon river project has been forwarded to Washington, according to Manager G. M. Hall of the Salmon canal company. This 22,000 acres, Mr. Hall states, when patented, will make the 22,000 acres designated last fall by United States Land Commissioner Tullman, 6,000 acres of land already having been patented.

PAIGE

The Most Beautiful Car in America

Always On Time!

Men of action refuse to be dependent upon slow moving, congested trolley cars. They realize that their time is worth money. And, quite naturally, they find the solution of this time problem in a dependable motor car—the most efficient form of transportation that has ever been developed.

A little reflection should convince you that any man can do a better day's work with a Paige. In the entire field of automobiles there is no car with a more firmly established reputation for dependability. Because the Paige performs its work unflinchingly, it has been adopted by those men who are best equipped to judge the efficiency of any mechanical product.

CARNIVAL

A delightful week-end affair was the gathering of the members of the Alpha household at the summer camp of two of the members, Misses Ruth Millard and Jessie Warrington, at Blue Lakes. The girls who returned from Saturday were the Misses Marjorie Metcalf, Nell Noll Saunders, Oral Anderson, Hazel Bishop and Mary Bailey, accompanied by Miss Margaret Edwards. The affair was in the nature of a farewell gathering of the Alpha girls, four of whom are leaving the last of this week for their home in the middle west, also for the formal naming of the summer camp. All the girls lived together under the name Alpha Household since last fall and a warm friendship has sprung up among them. All have been spending the week-ends at Blue Lakes since the two members established their home there some six weeks ago for the purpose of residing preparatory to offering their services for work in France. Sunday was spent by the eight girls in a final visit about the beautiful ranch to Lovers' Retreat, Snowbank Falls and other favorite nooks. After a swim in Alpheus creek dinner was served, at table decorated with the first wild roses of the season. Mrs. L. B. Perrine, Mr. and Mrs. H. Granville Haight, Kenneth Ayres, Mrs. Frank Mattison and little son, Frank Jr., were specially invited guests.

After the dinner the formal naming of the camp took place. Miss Bailey read a toast of which the following is a part: "In its entrancing surroundings, amongst these boulders, and beautiful birch, juniper and apple trees, beside shimmering Alpheus creek in the fairy spot of old Snake river canyon, this place is dedicated to joy, health and happiness. May all who ever enter its doors be showered and enfolded with these blessings. And when they leave may they take with them, stored away like sunshine in their souls, enough of the treasures which Nature bestows here, of sunbeams and peace and joy, flowers and bird-songs, to brighten all their days and radiate from their hearts wherever they go." Mrs. Haight broke a bottle of clear, sparkling Alpheus creek water on the doorstep while all drank toasts in brook water as Miss Saunders said "We here-by christen this place 'Bouldershook'", and read the following poem:

The New House
May nothing evil cross this door,
And may ill-fortune never pry
About these windows; may the roar
Of rains go by.

Strengthened by faith, these rafters
Will
Withstand the battering of the storm;
This hearth, though all the world grow
chill,
Will keep us warm.

Peace shall walk softly through these
rooms,
Touching our lips with holy wine,
Till every casual corner blooms
Into a shrine.

Laughter shall drown the rancorous shout;
And, though these sheltering walls are
thin,
May they be strong to keep hate out.

And hold love in
'Bouldershook' is a combination of
10x22 tent with small frame kitchen,
sleeping porch and dressing room an-
nexed. It is nestled in an enchanting
spot on the banks of Alpheus creek
and is visited every week by friends
and acquaintances who invariably take
with them supplies for the week-end
picnics and good times. Before the
Alpha girls returned to town Sunday
evening each wrote a letter to the ab-
sent member, Miss Alice of Washington,
who recently accepted a position in
Washington. D. C. Misses Marjorie
Metcalf, Nell Saunders, Hazel Bishop
and Oral Anderson, who taught in the
schools here the past year, expect to
leave the last of the week for their re-
spective homes in Iowa, Nebraska, Kan-
sas and Wisconsin.

The Salmon Social club met at the
home of Mrs. Temp White. There
were eighteen members and four vis-
itors present. After the business meet-
ing the hostess served a dainty lunch
which was very much enjoyed by all
present. The club will meet at the home
of Mrs. James Finster May 16.

The dance to be given by the Junior
Social Improvement club on the even-
ing of May 17, will be held in the
Cottillion hall instead of the Parish
house, owing to Red Cross occupation
of the latter. Tickets at \$1.00 a piece
may be secured from Ralph Husted,
Roy Leedom, Ishmael Zanger or Ruth
Jester. This will be the second annual
formal affair which the boys give
and is for the members and associate
members only.

Mr. and Mrs. D. E. Bagan entertained
at a charmingly appointed six
course dinner at the Rogers on Sunday
at 5:30 o'clock, in honor of Mrs. John
McClintock of Payette, president of the
women of the state and General Fed-
eration director of Idaho. Upon a
climatic centerpiece was a beautiful bas-
ket of red and white carnations. Two
candelabras with patriotic shades
adorned the table. The favors were
patriotic nut baskets with place cards
to match. The ice cream was de-
corated with American flags. Music was
furnished by Mr. Friedman and Miss
Higgins.

The guests were: Mrs. John Mc-
Clintock, Hon. M. J. Swelley, Mr. and
Mrs. D. D. Alvord, Dr. and Mrs. Con-
chah, Mr. and Mrs. Wilbur Hill, Dr.
and Mrs. McAtee, Mr. and Mrs. Chas.
L. Hart.

The after dinner course was enjoyed
at the artistic home of the hostess,
where Mrs. Bagan delighted her
guests with selections on her beautiful
harp and on her new Steinway Grand
piano.

The following program was rendered:
Piano solo—.....Meyerbeer
"Robert Le Diable".....Chopin
"Nocturne in Eb No. 2".....Chopin
"Valse in E Minor".....Chopin
Harp solos—.....Hahn

"Remembrance".....Hahn
"Morceau Caracteristique".....Chopin
"Beverly".....Meyerbeer

The guest of honor was presented
with a bouquet of carnations.

A most delightful affair of the week
was the six o'clock dinner given by
Ralph Glasgow in honor of the basket-
ball squad of which he is a member. A
cut glass bowl of red and white car-
nations centered the table and places
were laid for Ralph Glasgow, Oscar
Neumann, Irvin and Melvin Strong,
Stanley Hodges, Ward Carter, Chap-
man Lavender and Coach E. F. Nafziger.

The Priacilla club was entertained
on Friday afternoon by Mrs. E. V.
Larsen. Ten members with Mrs. Fer-
ron as a guest, were present. Delicious
refreshments were served by the host-
ess.

Mrs. Walter Dufrene was hostess to
the Penelope club Friday afternoon.
After a social afternoon delicious re-
freshments were served to the Mes-
dames Atwood, Kall, White, Turner,
Lyate, Burkholder, Wick, Chapin, Bu-
dolph and Lettman.

The Bika entertained at one of their
delightful dances on Thursday evening.
Thirty couples enjoyed the splendid mu-
sic and floor until a late hour.

Mrs. Ernest White delightfully en-
tertained the members of the Hoover
luncheon club this week with Mrs.
Challis and Mrs. Herman Deise as
guests. A strictly "Hooverized" two
course luncheon was served.

The Junior Social Improvement club
will give a formal dancing party in
the Parish hall Friday evening, May
17. The dance is an annual one and
one of the prettiest social affairs given
by the younger set during the season.

The dance given by the Junior Social
Improvement club in Parish hall Sat-
urday evening, May 16, was well at-
tended. No more dances may be held there, owing
to the necessity of insuring Red Cross
materials. This will make a change in
the place where the formal dance on
May 17 is to be given, which will be
announced later.

The Dorcas society met yesterday af-
ternoon with Mrs. Floyd Lyons at 514
Third avenue west. The time was
spent with Red Cross sewing. Dainty
refreshments were served to the Mes-
dames Albert Anderson, president; Ler-
son, Kelsey, Bradley, Skinner, Sablin,
Johnson, Helfreicht, Lind, Strobeck,
Wenzel, Porter, Wahl and Hise. Mrs.
W. L. Bohannon and Miss Hilda An-
derson were guests. Mrs. W. F. Porter
will entertain the society on May 23.

Rev. and Mrs. Walter E. Harman,
who leave next week for Atchison, Kan-
sas, were the guests of honor at a sur-
prise party given Thursday evening by
250 members of the Icelandic Christian
Bible classes of the Christian church
at the home of Mr. and Mrs. W. W.
Parish in Orchulara. The guests of
honor were completely surprised upon
their arrival in response to invitation
at the Parish home to find the mem-
bers of their Bible classes assembled
there. Gifts of rings in which their
birth stones were set, both being sar-
donyx, were presented to the guests of
honor. In behalf of the Ideal class,
W. T. Harberts presented the gift to
Mrs. Harman, and Miss Phoebe Towson
for the Champion class, presented the
ring to Mrs. Harman.

COUNTY FOOD ADMINISTRATOR URGES GROWERS ENCOURAGE CONSUMPTION SURPLUS

We have a large surplus of potatoes that must be used within the next six weeks or they will be a total loss, says County Food Administrator C. E. Munson, in his weekly conservation letter addressed to the retail grocers of the county Monday.

The administrator advises the grocers to talk freely with the customers in regard to the food situation. "Ask them to eat vegetables, milk, eggs, and flour substitutes—all products that cannot be exported, and by all means, talk potatoes," he says.

The Least Duty
"One million eight hundred thousand of America's brave sons are now serving in the army and navy of the United States. Thousands of them are already upon the battlefields of France fighting and dying to save the liberties of those who stay at home, and to secure democracy and freedom against Prussian brutality and military despotism. Their blood already consecrates the soil of noble France.

"Who can think of their sacrifices without emotion.

"We must support our gallant sailors and soldiers. We must make them swift victors in their fight with the Kaiser. We can do it if we at home do our duty with the same quality of patriotism that animates our men in the trenches. The least duty we can perform and we should be eager to happy to perform it, is to lend our every

BEST REMEDY FOR WHOOPING COUGH

"Last winter when my little boy had the whooping cough I gave him Chamberlain's Cough Remedy," writes Mrs. J. B. Roberts, East St. Louis, Ill. "It kept his cough loose and relieved him of those dreadful coughing spells. It is the only cough medicine I keep in the house because I have the most confidence in it." This remedy is also good for colds and croup.—Adv.

LOCAL BRIEFS

Flier Recruits Leaving—Norman H. Schamp of Flier has been accepted through the local army recruiting station for enlistment in the infantry, and left Wednesday for Salt Lake.

Claims Bride Here—The marriage of Eva Bryant of Twin Falls, and Harry Overly of Boise, took place Tuesday afternoon in the office of the officiating magistrate, Probate Judge O. F. Durall.

Returns from California—Chester C. Baird, an old time resident of Twin Falls, returned to the city this week after an absence of two years spent in California. He expects to be here for some weeks.

Hospital Expenses Name Janitor
Out of 13 applications, the trustees of the Twin Falls county hospital, at a meeting Wednesday night, accepted that of E. B. Williams for the position of janitor at the institution.

Says Wife Deserted—Statement that his wife, Katie Hardy, to whom he was married in Ely, Nevada, in June, 1890, had deserted him in September, 1910, is made by Phil Hardy of Twin Falls, in his petition for divorce filed Tuesday in district court here through his attorneys, Myers & Kinsley.

Surgical Dressings Resumes—Resumption of the sessions of the surgical dressings classes under the auspices of the Twin Falls county Red Cross chapter, beginning on Monday next, has been authorized by headquarters of the society, and all workers enlisted in this phase of the relief work are urged to resume their work.

Glover Holds Rally—An enthusiastic patriotic rally was held Monday evening in the public school at Clover. The speakers were Former Senator M. J. Sweeley, County Agent Donald McLean, F. A. Smutz, boys' and girls' club leader, and Miss Gertrude Denoecke, county home demonstration agent. Forty-seven persons were in attendance.

Demonstrates Poisoning—A. D. Wicher, assistant county agent, Monday conducted a demonstration in the poisoning of rabbits and turkeys at Artesian City. The dry farm crops in this region evidence every appearance of yielding satisfactory return provided the rodent pests which are more numerous this season than usually can be eradicated, Mr. Wicher states.

Sailor Here on Furlough—J. A. Bohler, a nephew of Former Congressman H. E. Bohler, was here Monday and Tuesday on a furlough granted to him at the expiration of his first enlistment period in the United States navy. He had recently returned from a cruise in Asiatic waters, and immediately enlisted, being assigned to duty with the torpedo boat destroyer Schley, now in course of construction at San Francisco.

Gas Furnace Ignites—Spontaneous explosion of gas in the fire cleaning department at the Troy Laundry at about 10 o'clock Wednesday morning resulted in a blaze that was quickly extinguished by the fire department, and no damage except to the machinery resulted. Operation of the department continues without interruption. A tank containing about 50 gallons of gasoline was in the building which was swept by the flames, but did not explode or burn.

Dancers Crowded Hall—The largest assemblage ever gathered in Ottillion hall attended the Twin Falls band's war fund benefit dance Monday evening. One hundred and seventy-five couples on the floor at one time were counted, and seating accommodations were inadequate even when the floor swarmed with dancers. The band will give its next war benefit dance at Buhl on Monday evening, May 27, and two weeks later will give another at Reybrock roof garden in Filer.

Has Busy Week—The week promises to be a busy one for Miss Gertrude Denoecke, home demonstration agent. Monday afternoon she addressed the Highland View club, Monday evening a meeting at Clover, Tuesday a general meeting at Murtaugh, Wednesday afternoon she will meet with the Oakes Corner club, Thursday a meeting at the Ricks, Friday afternoon at Amsterdam and in the evening she will be accompanied by F. A. Smutz to Pleasant Valley where they will organize a club.

Soldier Sends Souvenir—J. E. Kelsey, pipeman of the Twin Falls fire department, has received from his brother-in-law, George E. Wiedeman, who enlisted last spring in the Twenty-third regiment of engineers, several copies of a two-page publication issued daily on the transport that carried his regiment to Europe. The sheet, which is entitled the "Hatchet," is filled with wireless dispatches and original paragraphs and poems.

Firms Consolidate—D. W. Brunk of this city has become associated with Darrow & Morehouse in the real estate and loan business at 113 Main avenue east. In addition to handling real estate in this locality they are making a specialty of Lake View, Oregon, irrigated lands. Sales of such lands in excess of \$100,000 have been made by Mr. Brunk during the past few months. The new firm name will be Darrow, Morehouse & Brunk.

Deaths

Mrs. Charles Lonsberry
Mrs. Charles Lonsberry, aged 19, died at about 7 o'clock Monday evening at a local lodging house from heart failure. She is survived by her husband and a week old daughter, together with her sister, who was with her when death occurred, and by her parents, who came here today from Lava Hot Springs, to return with the remains to that place for funeral services and interment. The parents of the deceased husband are residents of this city. Ten days before her death, Mr. and Mrs. Lonsberry came here from Elgin, where he has been employed for some time.

INFANT HERRINGTON
The remains of the infant son of Mr. and Mrs. Owen Harrington, formerly of Twin Falls and now of North Bend, Oregon, were sent here and interred in the Twin Falls cemetery Friday after brief funeral services conducted by Rev. O. T. Anderson at the Crosby chapel. Mrs. Harrington is a daughter of Mr. and Mrs. Charles A. Sweet of this city. Her mother is with her now.

Miss Emma Overlook
Miss Emma Overlook, aged 65, died Saturday evening at the home of her sister, Mrs. W. J. Morris, two miles south of Hollister, after a long illness.

from heart disease. The remains were taken Monday morning, through the Greenman & DeWitt undertaking establishment, to her former home in Ponda, Iowa, where funeral services will be held and interment made.

Infant Merkle
Mr. and Mrs. G. H. Merkle of Berger mourn the death of their infant daughter, which occurred Thursday morning. Brief funeral services, conducted by Rev. O. L. Bent, of the Twin Falls Methodist church, were held from the Crosby chapel, with interment in the Twin Falls cemetery.

MARRIAGE LICENSES
Marriage licenses were issued here Saturday to the following:
A. E. Hall and Ed. Belle Lee, both of Buhl.
Charles Bidwell and Jennie Marriah, both of Twin Falls.

Undergoes Operation—George Bristol, well known farmer residing north of the city, is a patient at the Boyd hospital where he underwent, Wednesday, an operation for gallstones.

Call for Bridge Bids—Bids to be opened May 25, are asked by the county commissioners for construction of a steel bridge across Rock creek just west of the sugar factory. A wooden bridge at this point was washed out about a year ago. The plans for the structure provide for a span about 50 feet in length.

Garford Motor Trucks

Read Mr. Johnson's Extraordinary Announcement—
of Particular Interest to Farmers

"I Could Find No Better Motor Truck"

Mr. Edw. S. Johnson, head of the Johnson Auto Sales Company, has signed a contract for the distribution of Garford Motor Trucks in Southern Idaho.

Speaking of the acquisition of this line, Mr. Johnson said:

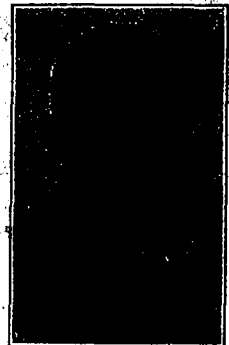

"I could find no better motor truck. I have been investigating the merits of the various trucks on the market for over two years, not only at a distance but by conferences with big truck users in the large Eastern and Middle Western cities, and visits to the factories.

"Southern Idaho is not Chicago, and I have kept this point firmly in mind at all times. I had to have a truck that would meet the rigid requirements of road conditions in Southern Idaho as well as care for the heaviest loads, and I was looking for a truck manufacturer who could supply a truck suitable for every requirement.

"I picked the GARFORD TRUCK."

One ton, one and one-half ton, two ton, three and one-half ton, five ton trucks, four and one-half ton, seven ton and ten ton road tractors, and a specially built road builder. Special body designs to fit every kind of hauling.

DESIGNER AND BUILDER

Garfords are not so-called "assembled" trucks. Each part is designed and built to do its allotted share of work. There is no question as to future supply of repair parts, or the stability of the guarantee.

PERFORMANCES THAT SATISFY

The established performances of Garford trucks have placed them in the front rank among commercial vehicles; and the steadily increasing demand from old users who are adding to their equipment as well as from new customers is the best evidence of the stable foundation of the business.

RENDERS REAL SERVICE

The Garford is a machine-made truck. All parts

are constructed by jigs and tools and are therefore interchangeable. Distributors and service stations carry in stock duplicate parts, which are available for quick service in case of repair needs. Garford trucks are put together in a series of units, any one of which can be quickly removed and replaced by another. Every Garford Motor Truck is guaranteed according to the standard warranty of The National Automobile Chamber of Commerce of the United States.

FOR EVERY PURPOSE

The dependability of the motor truck enables it to meet the demand for economy and efficiency in all forms of transportation. Competition has compelled the jobber and retailer of all lines of merchandise, the general and road contractors, the transfer, storage and express companies to discard horse-drawn equipment for the motor truck. It makes the farmer master of his market. The railroads are recognizing the value of the motor truck as a feeder. It is indispensable to the manufacturer.

GRADUATE LOAN FUND IS GIFT OF GRADUATES

CLASS OF 1918 LEAVES AS MEMORIAL TO SCHOOL NUCLEUS OF FINANCIAL ASSISTANCE

A scholarship loan fund of \$100 is the memorial gift of the graduating class of 1918 to the Twin Falls high school. The gift was presented at a class reunion which drew an attendance of 150, the high school auditorium to its capacity Tuesday evening. The presentation was made by the class through its president, Michael Thomas, who expressed the hope that succeeding graduating classes would add to the fund until a substantial amount should be accumulated for the purpose of assisting students in the pursuit of higher education.

Hands Down Foment
Proceeding the presentation of the class memorial, the pennant which has been handed down by successive graduating classes was presented by Michael Thomas and accepted on behalf of the class of 1918 by its president, Burton Van Ness.

Class Play Scores
One of the most pretentious of dramatic undertakings of local high school students was the senior class play, "The Rivals," given by members of the graduating class in this occasion, under the direction of Miss Helen L. Donachie, a teacher in the English department. The play of Sheridan's famous comedy are particularly well adapted for a student performance, and the tradition was an entirely creditable one. The play was especially favorably commented upon were the parts of Sir Anthony Absolute and of Mrs. Malaprop, taken by Jennings Bayler and Genevieve Riley, and the roles of Captain Absolute and Lydia Languish, as taken by Michael Thomas and Margaret Smith. Miss Langanberger, as "Fighting Bob," Arce gave an excellent impersonation of that amusing character.

Other parts were creditably taken by Gilbert Wagner, as Sir Leoline O'Grady, Miss Blum, as Mrs. Malaprop, and as Pauline; Miss Reed, William Buck and John Parish.

Canada Evans was stage manager and Margaret Lowe was property manager.

Music by the high school orchestra under direction of Roscoe G. Lindner accompanied the play to the enjoyment of the occasion.

FUEL ECONOMY IN COOKING

The United States Geological Survey estimates that the coal production in the United States for the year 1917 will probably exceed that of 1916 by more than 50,000,000 tons, and yet Dr. Harry A. Griffith, Idaho State Fuel administrator, says that the increased use of coal in munition factories and other war enterprises would entail a net shortage in the United States for the year of more than 50,000,000 tons and that this shortage must be made up by further increased production, curtailment of non-essential manufactures and reduced consumption in the home. Tests made at the State College of Washington indicate that the average cooking efficiency of the kitchen ranges is between 2 and 3 per cent. Hence not only at the present time because of the needs of the war situation, should fuels other than coal be used for cooking, but also at any other time.

Where the electric range displaces the coal range electric cooking saves 100 per cent of coal where electricity is generated by water power or oil and 65-75 per cent where it is generated by coal.—Adv.

With the Red Cross at Home and Abroad

One has but to glance over these lists of articles made by the scholars of the Twin Falls schools during the past year to realize that the Twin members are as valuable in carrying on this great work as any whom the Red Cross entitles.

High School—19 pairs of wristlets, 5 pairs socks, 10 sweaters, 1 scarf, 1 helmet, 20 hospital shirts, 35 pajamas, 8 suits, underwear, 10 comfort kits, 80 suit cloths, 35 napkins, 65 caps for refugees. The high school Junior Red Cross purchased flannel to the amount of \$102.49 for the above capes. All other materials were furnished by the local Red Cross chapter.

Lincoln School—34 pairs socks, 59 sweaters, 65 pairs wristlets, 3 scarfs, 1 helmet, 8 knitted bonnets, 16 pairs booties, 6 Gipsyean afghans, 77 ambulance pads, 159 property bags, 54 scrap bags, 38 wash rags, 7 holders, 40 pin balls, 2 rag rug, 1 squared animal quilt, 1 carriage robe, 4 quilt spreads, 30 tray cloths, 18 napkins, 16 puzzles, 3 checker boards, 4 sets dominoes, 1 joke book, 9 caps, 20 trench candles baby blanket, 35,600 gawps, 1 wooden quilt.

Washington School—300 donated Christmas candles, 2 comforts, 1 squared animal comfort, 1 woven rug, 47 sweaters, 64 pairs wristlets, 45 wash cloths, 210 comfort pillows, 46 property bags, 7400 run wipers, 1000 pairs socks, 5 pairs socks, 1000 donated from proceeds of entertainment.

Blickel School—51,000 gun wipes, 175 pairs wristlets, 146 property bags, 67 sweaters, 65 wash cloths, 65 ambulance pads, 35 soldiers' handkerchiefs, 6 quilt spreads, 1 squared animal quilt, 6 pairs socks, 2 Gipsyean afghans, 25 baby acquies, 12 pairs booties, 5 bonnets, 5

joke books, 1 helmet, 1 scarf, 2 large woven rugs, 4 sets of dominoes, 6 sets of checkers, 10 sets of toys.

The city branch of the Twin Falls chapter greatly appreciated the donation tendered them by the Washington school entertainment which was given at the Idaho theatre on Friday last. The proceeds amounted to \$100.

That proper credit may be given, the name of the women who left a sweater, two pairs of socks and a ball of yarn at the sewing room recently, is requested by the chairman of the sewing committee. It is requested by the sewing committee that the finished articles be left at the rooms without the name of the maker attached.

Mrs. Rose Logan, secretary of the Community branch of the Twin Falls chapter, sends in the following report: The U. I. C. class belonging to Community chapter donated their savings of \$30, 918 of which they donated to the Community branch for Red Cross purposes and \$12 for refugee work.

On Wednesday, May 8, the members of Community branch organized a day of work with Dr. Caldwell as an instructor. The meetings will take place on Tuesday evenings at 8:30 o'clock at Community church. All who wish to avail themselves of the opportunity to join this class may give their names to Mrs. Logan.

Mrs. John Thilston was appointed as chairman of the refugee work.

There are for sale at the Parish hall three boxes, one large and two small. Could be used nicely in packing.

REGISTRATION OF YOUNG MEN ANTICIPATED

ADJUTANT GENERAL DIRECTS LOCAL BOARDS TO MAKE ACCOMPLISHMENT CERTAIN

In anticipation of the speedy enactment of appropriate legislation for the registration under the selective service act of men who have become 21 years of age since June 5, 1917, Adjutant General C. S. Moody has directed Idaho local boards to recommend to him the number of places of registration required within each county for the proper accomplishment of this duty together with nominations of a sufficient number of registrars to make certain of the correct registration of all persons included within the provisions of the proposed legislation.

Regulations to Follow
Directions to this effect were received by the local board for Twin Falls county Thursday. Regulations governing the registration will be forwarded to the board as soon as legislation is passed authorizing it, the adjutant general stated.

Recruits Point Out Opportunity
Army recruiting officers for some time have been urging upon men included within the provisions of the proposed legislation the advantages and desirability of volunteer enlistment.

RECOVERS AUTOS LEFT BY JOYRIDERS

Two cars which were abandoned by persons who had taken them without permission were recovered for the owner Sunday by Deputy Sheriff George Hoffmann. A car left standing in front of the Johnson Auto Sales company here Saturday evening by Frank Taylor of Filer was discovered at 9:30 o'clock Sunday morning being the evidence of a hard trip, standing near the yard of the Home Lumber company. Another car was traced to the place where it was found in the vicinity of the sugar factory, at 9:30 o'clock Sunday morning. It had been stolen from where it was left standing on a principal street by Mr. Edwards.
