and, was given right to use it. Williams II seems, had merely stored the wagon on the lot and when he found Kirk operating it he demanded its return. Kirk contended his right in the property and the case was taken to court for settle-

**Democratic State Managers in San Francisco Getting Things Ready.**

The vanguard of the democratic convention throng has reached the city of the Golden Gate and is preparing the reception and entertainment of the delegates and, incidentally, perfecting systems for the expeditious processing of the party business when the convention is called to order June 22nd. The great convention hall is in readiness to receive the delegates and the allotment of the seats is being made by the committee on arrangements. Those who have charge of affairs are, from left to right, George F. Marx, W. J. Cochran, J. Bruce Kremer, Homer S. Cummings, chairman of the democratic national committee, Robert H. Elden, W. R. Hollister and Charles H. Fay.

## WANT RAILROAD INTO CASTLEFORD SECTION

**Application is Made by Amalgamated Sugar Company to O. S. I. Officials**

**BUHL, Idaho (Special).—**Application for an extension of the company's line from Buhl to Castleford has been made by the Amalgamated Sugar company to the O. S. L. railroad. The application was recently filed with some assurance that the extension will be made in time to handle the 1921 Castleford

This information comes from A. R. Nagar, field representative of the Amalgamated Sugar company who expresses the belief that the business derived from the section it is proposed to enter with the rail line is sufficient

guarantee that such a system would prove a paying venture. Filing of this application is taken here as a move in the direction of establishing a beet sugar factory in the Castleford section,

rumors concerning which plan have been current some time. The extension, if constructed, would add ten miles to the Minidoka-Buhl branch of the Oregon Short Line.

In the Castelford country there are many farmers who formerly worked land in Utah. These unanimously express the opinion that Castelford land is equal to the best land in Utah for the growing of sugar beet crops.

## WOOL GROWERS' FINANCE PLAN

## IS WORKED OUT

## Conferences with Federal Reserve Board Result in Agree-

## ment on Measures of Relief for Menaced Industry

market for wool is re-established, have been worked out at conferences between the growers and the federal reserve

Under the plan, Mr. Marshall said, "a wool grower may ship his wool to one of the usual points of distribution, but he can receive a higher price for it."

obtaining from the railroads a bill of lading for the shipment; the grower may then draw a draft against his bank, for such an amount as may be agreed

upon by the grower and the bank, secured by the bill of lading. The federal reserve act authorizes any member bank to accept a draft secured in this manner at the time of acceptance, provided that the draft matures in not

more than six months from the time of acceptance. After acceptance such a draft bearing the endorsement of a member bank is eligible for re-discount

or purchase by a federal reserve bank, provided, that it has a maturity of not more than three months from the date of re-discount, or purchase."

Mr. Marshall said Governor Harding had called attention to the provision of

the federal reserve act as to eligibility for discount of paper secured by warehouse receipts.

wool growers, Mr. Marshall said, that the plan suggested was practical and feasible.

## CITY OPERATING EXPENSE HIGHER

Administration Will Require at Least \$73,000 More Cash the Coming Year

Cost of operating the city's business in the coming fiscal year will exceed that of the past year approximately \$73,000. The estimate of cash needed to defray expenses and liabilities during the year 1920-21 is \$73,000. Last year the budget called for an expenditure of \$208,945.43.

Last night the city council adopted a budget ordinance prescribing the amount needed for each separate department. These amounts are: Administration, \$15,000; public safety, \$11,160; fire, \$31,000; public grounds and buildings, \$31,815; street department, \$57,200; engineering, \$2,000; water works, \$25,000; interest, \$23,159.22; retiring bonds, \$10,000; main trunk sewer, \$47,000.

Included in these departments are such extraordinary items as a complete new fire-fighting equipment, second auto street-flasher, and \$2500 for payment for the offered curb lighting system. The first is scheduled at a cost of \$15,000 and the second \$2000. The sum of \$1100 also is set apart to cover the personal property expense, such as three sides of the park, library and the ally at the rear of the administration building. Should the people vote bonds for the purchase of fire equipment the \$15,000 shown in the fiscal budget will be eliminated from the expense account.

The last assessed valuation of city property, upon which was based taxation last year, was \$4,037,871.93. This year it should be at least \$500,000 more than that figure.

## DIOCESAN HEAD COMES SATURDAY

Bishop Tourret, of the Episcopal Church, to Make Parish an Official Visit

On Saturday of this week, the Rt. Rev. Frank Hale Tourret, bishop of the Episcopal diocese of Idaho, will make his first call on the congregation of the diocesan church parish. Elaborate plans are being made for the appropriate reception of the Episcopal prelate. While Bishop Tourret has been in this state since the first of the year he has, until now, been unable to make a call here. On Saturday he will be accompanied by Archbishop Howard and Roy of Poetelle. The church officials will conduct the Holy Eucharist service. Bishop Tourret will be attending the Sunday school session.

Plans for the entertainment of the prelate while here include a dinner at the Borgeson hotel Saturday evening. This dinner will be provided by the vestry of the church, honoring the distinguished church official. Those called upon to attend are Captain G. L. Longley, George Sprague, V. H. Decker, D. B. Alvord, Fred W. Meeker and Harry Barrett.

Under the direction of the Women's guild a public reception will be conducted in Parish hall beginning at 8 o'clock Saturday night. Refreshments and a musical program will be provided for this occasion. Bishop Tourret will visit Buhl while in this district.

## MURPHY TO BE TRIED

Arrangements have been made for a jury trial in the case of the State against Mike Murphy in the probate court Friday morning. Murphy is held under bond on charge of assaulting his wife, Kate Murphy. They are residents of the Amsterdam district. Murphy maintains his wife's business under the firm title of Saunders & White, against Raymond Herdott, seeking judgment for \$710, said to be due plaintiff on a promissory note.

## SUIT ON NOTE

Action has been instituted in the district court by Guy Sanders and Gilbert J. White, debtors, against Raymond Herdott, seeking judgment for \$710, said to be due plaintiff on a promissory note.

## COUNCIL HAS AMBITIOUS PLAN FOR MORE STREET SURFACING

If Favored Scheme Becomes a Surety from 12 to 16 Miles of Paving Will Be on Program for Ensuing Year—Residents Urged to File Petitions Without Delay—Administration Agrees to Scheme

Another paving program, quite as ambitious and expensive as was formulated last year, and on which work is now in progress, is the contemplation of the Twin Falls city council for the new fiscal year.

If the program is carried out as now proposed from 12 to 16 miles more surfaced streets, avenues and alleys will be added to the paved area of the city. However, the proposal is but tentative, final prosecution of the plan resting with the property owners themselves. These must present petitions for the improvements. The administration declines to outline a district which will have the effect of appearing to be paving upon the people.

With a view to creating a new paving district, which will include all the important thoroughfares not now in process of paving, the city council at its adjourned meeting held last night, ordered the city engineer to prepare data on which to base an intentional paving ordinance. This will include all avenues east and north of Shoshone street, Blue Lakes boulevard, Addison avenue, Sixth avenue north, Fourth street north, Fourth street south, 1st street north, Fourth avenue west, and all the intersecting alleys and cross streets, together with such other lines of traffic as may be designated in filed petitions.

The intentional ordinance will be submitted and probably passed at next Monday's session of the municipal administration, and later on the regular ordinance, designating the entire area and parts of sections for the district, will be drafted. The plan at present purpose the paving of Addison avenue only 25 feet wide.

Petitions involving about eight miles more paving are already on file with the city clerk. The city at present has three miles of old paving and contractors are employed laying 12 more miles.

## BALL ROOM AREA TO BE PATROLLED

Council Orders Police Present to Regulate Crowds—Lighten Dark Places

Because of many complaints against the actions of throngs attracted to the streets in front of the Lavering pavilion during the progress of dances the city clerk has decided to have the city patrolmen patrolled and regulated by police. In addition the district will be thoroughly illuminated, and no dancing or loitering or assembling in dark places.

The action of the council was taken last night following protests lodged in person by two men who decided to have the dances in the district complained of. There was no complaint against the manner of conducting the dances in the pavilion, all objection being toward the mob assemblies, the streets and alleys, where drinking, vulgarity, insanitary practices and rioting are said to be on the regular program.

The regulatory measure will go into effect immediately. Policemen assigned that territory will be fully uniformed and armed with badges of authority. A petition, signed by 27 residents, was presented urging the closing of the dance hall as a nuisance. Testimony proved that the hall was not at fault except that it was the attracting object.

## JUDGMENT AGAINST DR. KLOZE

Judge O. R. Baum, seated in the district court, has awarded the Filer Hardware company judgment against Dr. C. De Kloze in the principal sum of \$1180.06, claimed on a merchandise account. The judgment also carries the awards for attorney's fees and court costs amounting to \$250.80. The case was conducted by Elmer L. Benoit for the plaintiff company.

## KIRK GETS JUDGMENT

In the probate court yesterday afternoon James S. Kirk was awarded judgment for \$200 against T. H. Austin. The suit was instituted to recover commissions alleged to be due on a property transaction, carried on through the Kirk agency for Mr. Austin. A week ago a jury impassioned in this case failed to agree, sending a second trial.
