

GOODING NAMED HEAD OF IDAHO SHEEP COUNCIL

New Board is Formed and the State Organized into Districts for Work

The Idaho state board of sheep commissioners met at Boise last week and elected Fred Gooding chairman of the board.

The board has ordered an inspection of all sheep on foot lots as well as farm sheep and no sheep will be permitted to go on the ranges without a certificate from a district inspector indicating that the animals are free from disease.

Where the owner of diseased sheep has not and refuses to construct a vat for dipping same, the state is fully authorized under the provisions of the new law to construct same, dip the sheep and all costs of same shall be borne against said sheep.

By employing drastic measures, the board hopes to eradicate sheep scab from Idaho during the present year. The sheep commission appointment measure related under provisions of the rules of both houses and carrying an appropriation of \$35,000 to eradicate the scab, became a law when Governor D. W. Davis signed it.

The committee comprises: Charles C. Egan, and Fred Gooding, of Elmore for the two year term; B. Thomas Morris of Teton for the one year term; and E. H. Sprout of Boise for the six year term.

RECEIVER NAMED FOR BULL BUSINESS HOUSE

Mrs. Mignale Fisher Appointed by Court to Take Over T. H. Miller Affairs

Following the report of Oakes & company of Twin Falls, a receiver has been appointed for the T. H. Miller Grocery company of this city.

CRUELTY IS ALLEGED IN SUIT FOR DIVORCE

Mrs. Amanda Sadger Filed Action in District Court for Bond Dissolution

Alleging cruelty, inhuman treatment, desertion and failure to provide, Mrs. Amanda A. Sadger has filed suit in the district court against Benjamin F. Sadger for divorce, together with alimony, temporary alimony and other financial relief.

INSPECTING HOUSES

An inspection of all hotels, rooming and lodging houses in this city is started by Dr. C. H. McGinnis, with other county health department attaches.

WHEAT SUPPLY SHOWED DECREASE ON JANUARY 1

Marketable Stocks 40 Per Cent of Amount on July 1, 1920

Marketable stocks of wheat in the United States on January 1, 1921, are estimated by the bureau of markets and the bureau of crop estimates, United States department of agriculture, to be 330,000,000 bushels, which is approximately 40 per cent of the total available on July 1, 1920, and compares with 417,000,000 bushels on January 1, 1920.

Of the 417,000,000 bushels on January 1, 1920, about 109,000,000 bushels were carried over into the next season, as compared with the above average, leaving 308,000,000 bushels for six months' export and domestic requirements. These figures do not include flour stocks or flour equivalents, neither do they take into account imports or wheat held on farms for seed or other purposes, estimated at 12 per cent of the crop.

VOICE OF CONVENTION AGAINST IMPORTATION OF CALIFORNIA SPUDS

Southern State Potatoes Infected with Disease and Not Desirable, Report

The Twin Falls county potato school which was begun here last Thursday, ended Saturday evening. All sections were well attended and the convention programs throughout were instructive and interesting.

During Saturday's discussions the question "Should We Keep Out California Spuds?" was the order of the day. W. L. Wickes was emphatically answered in the affirmative, there not being a dissenting word. The action was taken when it was shown that California spuds are a source of danger to Idaho.

TANNER RESIGNS PLACE AS CHAMBER SECRETARY

Buhl Loses Man Who Has Been in Charge of Civic Club Affairs Over a Year

Joseph W. Tanner, who for more than a year past has been secretary of the Buhl Chamber of Commerce, has resigned the office, to take a similar position at Paso Robles, Cal.

RANCHER OF KIMBERLY GOES INTO SHORTHORNS

C. M. Lloyd Stocks Fine Ranch with Some of Best Stock in This Section

C. M. Lloyd, residing on a ranch one mile west and three quarters of a mile south of Kimberly, has just added eight short horn cattle to his herd. The purchases consist of one bull and seven high grade heifers. The stock was bought from C. A. McMaster & Son, of Twin Falls.

Table with 3 columns: Name, Acres, and other details regarding land at Jackson Lake Reservoir.

RECLAMATION DEPARTMENT WILL AID SALMON PROJECT SETTLEMENT

Commissioner W. G. Swendsen Gives Settlers' Association Official Assurance that Action will be Taken Before Crop Season - Conditions Loom Favorable to Early Adjustment of Controversy

That the state reclamation commissioner, W. G. Swendsen, believes the plan of settlement of the Salmon river project controversy appears to open a way to final adjustment to all points in question, is the impression conveyed in an entry made by the commissioner in the records of the state department of reclamation.

During the week Ray M. Beauchamp, secretary of the Salmon River Settlers' Association, met with the commissioner in Boise to discuss the plan to reduce the area and because of the approaching time for planting crops and the leveling of maintenance for the irrigation season of 1921.

Issues Important Order. After considering the conditions upon the Salmon river project, the necessity of urgent action looking to the completion of the plan to reduce the area and because of the approaching time for planting crops and the leveling of maintenance for the irrigation season of 1921.

Provision for Refund. A measure known as House Bill 246 was introduced in the legislature by the irrigation committee, of which Carl Miller of Twin Falls county is chairman, providing for a refund to the entrymen of extended Salmon river lands.

Logan Unable to Handle Convention Scheduled for March 8 and 9

Some 500 Rotarians from Idaho, Montana and Utah will gather in Salt Lake March 8 and 9 for the annual district conference. During the session a district governor will be elected to succeed H. B. Bisset of Ogden, present incumbent.

DISTRICT ROTARIANS GOING TO SALT LAKE

Logan Unable to Handle Convention Scheduled for March 8 and 9

Some 500 Rotarians from Idaho, Montana and Utah will gather in Salt Lake March 8 and 9 for the annual district conference. During the session a district governor will be elected to succeed H. B. Bisset of Ogden, present incumbent.

Inspection of the constitution and by-laws of the International Rotarian organization will be required for admission to membership of 1920.

That because of the foregoing conditions, among them the necessity of urgent action looking to the completion of the plan to reduce the area and because of the approaching time for planting crops and the leveling of maintenance for the irrigation season of 1921.

Inspection of the constitution and by-laws of the International Rotarian organization will be required for admission to membership of 1920.

Inspection of the constitution and by-laws of the International Rotarian organization will be required for admission to membership of 1920.

BUSINESS MEN DISCUSS AFFAIRS AT LUNCHEON

Relief Legislation, Plain Price Marking and Highway Matters on Program

Between 75 and 100 local business men gathered at Tom's cafe for luncheon Tuesday afternoon under the auspices of the Twin Falls Chamber of Commerce.

Letters were read from Senator Seaver with respect to pending legislation particularly as to the status of house Bill 121, the measure designed to afford relief to the finances of Independent School District No. 1.

MERCHANTS DEFRAUDED BY FOUR SCHOOL BOYS

Youngsters in Court Reveal Unique Operations to Obtain Money

A most unusual case of juvenile delinquency came to the attention of the juvenile authorities during last week when local merchants reported having been defrauded by four lads ranging in age from 13 to 16.

Statements made by Judge Davitt and John E. Ault of the juvenile department, following a hearing this morning, were in effect that the boys had stolen goods from a store, and had sold them to a merchant, who had returned by one of the gang accompanied with a note purporting to be from the mother of one of the boys.

SEWER IMPORTED BY VETERANS OF WAR

Former Service Men Stoutly Urge Support for Soldiers' Welfare Bill

Members of Twin Falls post, American Legion, Monday sent a message to Senator J. H. Seaver exhorting his assistance in procuring legislation through which sick and disabled former service men will be accorded adequate medical and surgical care.

UNIVERSITY GLEE CLUB MAKES FINE IMPRESSION

Bandit at High School Given Heartiest Accord by Large Gathering

The high school auditorium was completely packed on Thursday night at the appearance of the Idaho State University Men's Glee Club, directed by E. O. Hanks.

BASKETBALL SATURDAY

Arrangements have been made for a Legion league basketball game to be held here on Saturday night.

IRRIGATED LANDS IN STATE 1,403,449 ACRES

Report of Census Bureau Gives Twin Falls Greatest Watered Area

Of a total of 1,403,449 acres of irrigated land included in 1919 Census Bureau report, Twin Falls county has the largest area, with 261,622 acres, or about 18.6 per cent of the total.

Other than Twin Falls, the counties having the largest areas of irrigated land are: Canyon, 201,712 acres; Blaine, 157,500 acres; and Coeur d'Alene, 145,409 acres.

The report shows that while only 1,403,449 acres of land were irrigated in 1919 the total acreage under irrigation was 2,458,506. Shortage of water in that year was responsible for the curtailed irrigation.

SOUTH CENTRAL IDAHO SECTION IS GOLD-LADEN

Bureau of Mines Tells of Heavy Deposits of Precious Metals in Hills

That great bodies of gold and silver ore lie in the mountainous regions of south central Idaho awaiting only adequate transportation facilities to make the mining of them possible and profitable, is the essence of a bulletin just issued by the state bureau of mines and geology. The bulletin covers the mountainous territory known as the Thunder Mountain, Big Creek, Stanley Basin, Sheep Mountain and Seafarm districts and which comprise one of the most accessible sections of the state. The survey was made by Dr. J. B. Urepley. The report and a geological map were made from his field notes by Professor C. Livingston of the University of Idaho, School of Mines.

Ore in this region is of a low milling grade and hence profitable mining of it is impossible until the probability of a great improvement in transportation facilities is eliminated.

"The report is of great value to the mining world owing to the fact that preceding this bulletin, practically nothing has been written about the region," said Dena Francis A. Thomson, head of the University School of Mines and head of the bureau.

"Great bodies of ore may be found in these sections and with better shipping facilities this area will become a great mining section."

The Thunder Mountain country and other sections dealt with in the bulletin have been the scene of great mining rushes in their day and great sums of money were spent in developing various properties. It was found, however, that the ore was for the most part of a low grade and was hence unprofitable at the time.

The report is known as Bulletin No. 3, and may be obtained from the director of mines and geology, University of Idaho, Moscow, Idaho. A small printing charge is made.

GERMANS GIVE WELCOME TO ARGENTINE STEAMER

Hamburg Senate and Chamber of Commerce Send Representatives to Call on Ship's Captain

HAMBURG, (AP)—Welcoming ceremonies took place here Tuesday upon the arrival of the Argentine steamer Bahia Blanca, representatives of the Hamburg senate and chamber of commerce calling upon the captain of the vessel. They expressed thanks to Argentina for expressions of sympathy during and after the war.

The Bahia Blanca brought 7000 tons of foodstuffs a gift to the Austrian republic from the Argentine government.

Arrival of the Bahia Blanca at Hamburg is of special interest because of recent exchanges between the allied nations and Argentina relative to the purchase of war materials from Germany by the South American republic.

Dr. Julio Moreno, Argentine minister of war, has officially denied reports that the Bahia Blanca would take munitions back to Argentina. He said Argentina had not made any purchases of war materials in Germany since the war.

HOBENZOLLERNS MUST ABIDE BY REGULATIONS

Dutch Foreign Minister Discusses the Status of Former Emperor of Germany and His Son

THE HAGUE, (AP)—Replying to a question in parliament Wednesday as to the present status of former Emperor William of Germany and his son, the former crown prince, Foreign Minister Van Karnebeek announced that J. B. Kana, secretary general of Dutch governmental affairs, had been instructed to carry out the regulations now in force or any which might be taken to restrict the liberties of the Hohenzollerns. Both the former kaiser and his son said the foreign minister were considered as foreigners, who because of the positions they held must content themselves with restrictions placed on their liberty.

Holland's action with reference to participation in the international force to supervise the Vilna plebiscite under the league of nations will be held in abeyance pending the negotiations of the league with the parties involved, the minister added.

Smoot Complains at Leisurely Dispatch of Government Work

WASHINGTON, (AP)—Work in some government departments moves so leisurely that girl employees have been known to make their thousands of working hours, the senator said today Wednesday by Senator Smoot, republican, Utah. The senator said he personally investigated the situation in the office.

"Why," he added, "it has got so that when I start for an office work is telephoned ahead that Senator Smoot is coming and for everyone to get busy on their typewriters."

Would Ban Smoking Even in Photoplays

SALT LAKE CITY, Utah, (AP)—A bill forbidding theaters to be open during the showing of films in which there appears the picture of a person smoking, was introduced in the lower house of the legislature on Wednesday. The bill also prohibits any juvenile under 16 years of age attending a theater after 6 o'clock in the evening unless accompanied by an adult.

NEW RECORDS SET FOR PORTLAND CEMENT TRADE

Production, Shipment and Gross Value in Industry in United States Advance by Leaps and Bounds

WASHINGTON, (AP)—A new record in production, shipment and gross value in the Portland cement industry in the United States last year, according to estimates announced by the geological survey.

Production is estimated at 100,302,000 barrels, compared with 87,769,278 barrels in 1919, an increase of 23 per cent.

Shipments were 93,329,000 barrels, compared with 85,500,616 barrels in 1919, an increase of 13 per cent.

Gross value was \$195,548,000, compared with \$155,076 in 1919, an increase of 31.3 per cent.

Stocks of finished cement on hand at the end of 1920 amounted to 8,290,000 barrels, compared with 5,852,497 barrels in 1919, an increase of more than 41 per cent.

Average factory price in bulk amounts for the whole country was \$2.01 a barrel in 1920 compared with \$1.71 in 1919, an increase of 17.5 per cent.

Pennsylvania produced more than 25 per cent of the year's output leading all other states, the Lehigh district producing more than 25 per cent of the country's total. Indiana was second producing more than 10 per cent.

Imports during 1920 amounted to 498,000 barrels, compared with 2,985,807 barrels, or 622,118 barrels more than in 1919.

McADOO CALLS RAILWAY LEGISLATION FAILURE

Declares Carriers are Drifting Toward Government Ownership as Situation's Solution

WASHINGTON, (AP)—Declaring the transportation act a failure both in theory and effect, William G. McAdoo, director general of railroads during the war, said Wednesday that the carriers were drifting toward government ownership, which he added seemed to be the only apparent solution.

The railroads, Mr. McAdoo said, had not been put into the condition desired despite the payment of millions of dollars of taxpayers money to them under the terms of the transportation act.

The increasing of rates clearly has not solved the railroad problem, Mr. McAdoo declared. While the larger roads are showing better returns, the smaller lines are not profiting by the new rates, he added.

The proposed plan for the consolidation of the railroads into a number of systems was declared to be impracticable.

Referring to the railroad wage question, Mr. McAdoo expressed the opinion that the carriers should pay for their labor at its market value just as they are to pay for their steel from the mills at the market price.

Mrs. French is Honored

By Washington University

BOISE, Idaho, (AP)—George Washington university Tuesday conferred upon Miss Pearl C. French, dean of the women for the University of Idaho, the degree of master of arts. It was announced here last night. Miss French was former superintendent of schools for Idaho, but is now a resident of Washington, D. C.

OPENS WAR ON LUMBER PRICES

Government Files Injunction Suit Against Southern Pine Association

ST. LOUIS, Mo., (AP)—The government Tuesday filed injunction proceedings against the Southern Pine association, sixty-one corporations and sixty-nine individuals, in an effort to end an alleged conspiracy to curtail the supply and increase the price of yellow pine lumber.

Aims at Disinfection

The government asked for a permanent injunction, after hearing evidence, which District Attorney Carroll asserted would amount to dissolution of the association.

The suit was filed by direction of Attorney General Palmer and charges violation of the Sherman anti-trust act. Injunction is asked to restrain the organization from recommending or suggesting curtailment of production of yellow pine, "or monomers or acts tending to result in such restriction."

Judge Fair directed the district attorney to prepare an order for the defendants to show cause why the injunction should not be granted. He set March 15 for the hearing.

Benefit from Investigation

The proceedings, it was explained, resulted from an investigation of the association by the federal trade commission.

The suit requests that the organization be restrained from compiling or distributing further issues of trade bulletins and price currents; that the concerns and individuals be restrained from holding or attending further meetings of the association or of its committees; for the purpose of statistical exchanges; and that they be required to abandon permanently any efforts to curtail production and increase prices through the organization.

LONGWORTH ASKS REPEAL OF EXCESS PROFITS TAX

Ohio Congressman Introduces Bill to Remodel Government's Income Collection Methods

WASHINGTON, D. C., (AP)—A bill to repeal the war and excess profits taxes and levies on transportation and soft drinks was introduced Wednesday by Representative Longworth, Ohio, a republican, in the house of representatives committee. He said he did not expect action on it until the coming special session of congress.

The measure also would abolish the \$2000 exemption on income of corporations and would levy an additional tax of 5 per cent on such income.

Reduction of surtaxes on higher income from 70 per cent to 40 per cent maximum also is proposed.

SOUTH DAKOTA LEAGUERS CALL FOR STATE BANK

Initiative Petition Bearing More Than 18,000 Signatures Seeks Establishment of Institution

PIERRE, S. D., (AP)—An initiative petition bearing more than 18,000 signatures and seeking establishment of the Bank of South Dakota, patterned after the Bank of North Dakota, was filed with the secretary of state here Wednesday by Tom Ayers of Zeona, S. D., prominent non-partisan league leader, and a candidate for United States senator at the last election.

WILSON SIGNS FIRST OF BIG APPROPRIATION BILLS

WASHINGTON, (AP)—The first of the big national appropriation bills passed at this session of congress was signed Wednesday by President Wilson.

Appropriate funds for the maintenance of the District of Columbia government.

The Wilson bill authorizing partial payments of funds due the railroads by the government reached the White House Wednesday and was referred to the interstate commerce commission for a report. Later it will be sent to the treasury department.

FORMER GERMAN EMPRESS BROTHER DEAD IN SILEZIA

BERLIN, (AP)—Duke Ernest Gunther of Schleswig-Holstein, brother of former Empress Augusta Victoria, is dead at his home at Primmkenau, Silesia, it is announced here.

Duke Ernest was born August 11, 1863. During the war he acted for a time as assistant governor general of Belgium.

MOON AND TIDE DIGTATE PILGRIM PAGEANT DATE

Episodes in Lives of Forefathers to be Portrayed in Celebration Event

PLYMOUTH, Mass., (AP)—Moon and tide have dictated the dates for the pageant to be presented next summer in celebration of the tercentenary of the landing of the Pilgrims.

As the scenes are to be set on the shallow shore where the forefathers first trod, presentation of the piece will be subject to turns of the tide. To obtain the best artistic effects it has been decided to hold the events at night, making the moon a factor in the program plans. As a result the albumen was cancelled for the most advantageous dates. Professor G. P. Baker of Harvard, who is preparing the pageant for the Pilgrim Tercentenary commission, now announces that the spectacle can be best shown on four consecutive evenings in the middle of July, in the first of August and in the middle of August. At those times only will be found the moon, and the tide which it controls, promise to combine the elements considered essential to the most effective presentation of the pageant.

To present it planned as the central feature of the celebration here next summer. It is to be divided into seven episodes, portraying the lives of the fathers in many separate scenes.

The performances are to be given in the immediate vicinity of Plymouth Rock and that historic boulder may appear as one of the stage properties.

The waters of the bay on which the Mayflower sailed from the Cape Cod anchorage where the famous Compact was signed, to the spot here where the landing was made will serve as background. Ted Cole's Hill where many of the Pilgrims lived, died and were buried, with the waterfront, will form a natural amphitheater.

Performers who will number 1000 or more probably will include some of the few descendants of the Pilgrims who live near the scene of their settlement.

TOWN BUILDS OWN HOTEL

North Carolina Settlement Achieves Unique Municipal Ownership Record

RALEIGH, N. C., (AP)—Besides owning and operating its own waterworks, electric plant, ice plant, opera house and a railroad four miles long the little city of Warronton, Warren county, North Carolina, with a population of less than 1000 is also building a hotel to cost \$110,000 to be paid for by a bond issue.

The municipally owned railroad runs from Warronton to Warren Plains, where it connects with the Seaboard Air Line railway, it being the only line entering Warronton.

"We have made a profit on all of our municipally owned enterprises, except our opera house, and we haven't lost much on it," declared Taster H. Polk, prominent lawyer and member of the Warronton board of aldermen.

Warronton, is one of the oldest towns in the state. Horace Greeley was married there in 1850.

NOTICE TO TAXPAYERS AND CITIZENS

The undersigned taxpayers believing that there should be an organization to assist the officials of the city, school and highway districts to make proper tax levies conserve revenues, encourage prompt completion of all needed improvements, hereby call a meeting of all the citizens and taxpayers of the city of Twin Falls, Independent School District, No. 1, and Twin Falls Highway district, to meet at the Levering theater Thursday evening at 7:30 p.m. for the purpose of perfecting such organization.

The meeting will be open to a full discussion of all tax matters, and suggestions as to how and in what manner such organization may be perfected.

All citizens and taxpayers are urged to be present.

HOUSE REJECTS REPORT ON GOLD STORAGE BILL

WASHINGTON, (AP)—The house Wednesday refused, 139 to 61, to accept the conference report on the gold storage bill, already approved by the senate. Further conference was requested. Opposition to the bill was based mainly on the assertion that it would require labeling of all refrigerators and stoves to produce carbon dioxide, creating the impression that the products had been in cold storage.

CEMENT COMPANY FINED UNDER ANTI-TRUST LAW

PORTLAND, Ore., (AP)—R. P. Butcher, president of the Oregon-Portland cement company, was fined \$5000 Wednesday by Federal Judge H. S. Bum, following conviction of violation of the Sherman anti-trust law. Clark Moore, manager, was fined \$2500. The government alleged conspiracy to divide western territory with a view to restraint of trade.

SETS DATE FOR HEARING LANDS IMPROVEMENT CHARGE

WASHINGTON, D. C., (AP)—Chairman Volstead of the judicial committee announced that Representative Welby's impeachment charges against Federal Judge Landis would be considered Tuesday. He indicated that the committee would report to the house before adjournment March 4.

ORDERS INCREASE IN WEST PASSENGER FARES

WASHINGTON, D. C., (AP)—Railroads of Utah were ordered by the interstate commerce commission Wednesday to increase their passenger fares to the level in effect in interstate traffic, effective April 1.

"WARNING"

To all owners and drivers of motor vehicles: Licenses are now due and payable at the office of the County Assessor. License plates must be applied for and on all cars operating by March 15th. Make your application promptly and take no chances. Personal checks not accepted.

S. CLAUD STEWART,
County Assessor.

MOUNT ABAMA IN ERUPTION

TOKIO (Correspondence of the Associated Press)—Mount Anama, the volcanic peak which dominates the upland missionary summer resort of Kurizawa, is again in eruption. Yesterday evening thunderous explosions shook the entire district, followed by the bursting forth from the crater of the mountain of an immense quantity of ashes and lava. The prevailing moonlight disappeared in the blackened shroud and a series of earth shocks tended to increase the alarm of the inhabitants of the entire surrounding district as far as Takasaki and Maebashi. No loss of life is reported but many people are preparing to leave the town at the foot of the mountain.

FOOD COST DROP THREE PER CENT

Los Angeles and Manchester, New Hampshire, Lead with Greatest Decline

WASHINGTON, D. C., (AP)—Decline of 3 per cent in retail food prices in January as compared with December was reported Friday by the bureau of labor statistics of the department of labor.

The greatest decrease, 6 per cent, was reported for Los Angeles and Manchester, N. H. The decline in Boston, Bridgeport, Fall River, Mobile, Portland, Me., Portland, Ore., Providence, Rochester, San Francisco and Seattle, was 5 per cent.

Articles which increased in price included pork chops and cabbage, 9 per cent; hams, 6 per cent; lamb, 4 per cent; round, 2 per cent, and sirloin and corn steak, 1 per cent. Plant and flour, 2 per cent.

BAILEY HIGH SCORE IN WEEKLY SHOOTING

Satisfactory Marksmanship is Displayed in Bad Weather on Sunday

Although Sunday's weekly target practice of the Twin Falls Golf and Gun club was scheduled for only 50 birds, the main portion of the marksmen went in for 25 more birds, making their total 75.

C. A. Bailey was high man with 47 out of the first 50 birds, with Ernest White and A. O. Fisher tied for second place, 45 out of 50 possible kills.

Weather was bad and birds "few" but taken altogether the marksmanship was satisfactory. Handicap shooting began next Sunday. Yesterday's result are:

Table with 3 columns: Name, Birds, Score. Includes Bailey, White, Fisher, Penamer, Bonbrink, Woodwright, Orr, Marsh, Suleiff, McKelley, Gray, Harbour, Thompson, Wright, Westfall, Easley.

RELATIVES IN SUIT FOR CARE OF FATHER

Mrs. Maggie Price Charges Sister, Mrs. Lessie Miller, Failed in Duty

Alleging failure to fulfill terms of an agreement William Price and Maggie Price, husband and wife, have brought action in the district court for judgment against Lessie Miller and her husband, Robert Miller, in the sum of \$486.66.

This action, according to the complaint filed Saturday, is based on a contract agreement entered into June 8, 1916 between the father, the late B. N. Phipps, and the two daughters whereby for an equal division of his fortune, amounting to \$7000, each woman was to bear half of the expense of providing the necessities of life for him to the end of his days.

Plaintiffs allege that from February 2, 1920, to December 9, 1920, all the responsibility and expense connected with the care of the invalid parent fell upon them. They now ask judgment to cover their alleged loss.

JURY BRINGS VERDICT FOR MCKEAN, PLAINTIFF

Amount of \$650 is Allowed on Claim Against Canal Company for \$4,000

After an all night session the jury in the case of C. W. McKean against the Twin Falls Canal company, at 10:30 o'clock Saturday brought in a verdict for the plaintiff. McKean sued for \$4000 judgment, alleged to cover expenses sustained by him because of the failure of the canal company to supply him with a sufficient amount of water for his 1916 crops. The amount allowed by the jury was \$650.

Chamberlain's Cough Remedy Aids Nature

Medicines that cure are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, aids expectoration, opens the secretions and aids in restoring the system to a healthy condition. Thousands have testified to its good qualities. Try it when you have a cough or cold.

SCHOOL TRUSTEES DECIDE IN FAVOR OF COMPLETE CHECK OF AFFAIRS BY CERTIFIED ACCOUNTANT FOR PUBLICATION SO THAT THE PEOPLE MAY BE INFORMED OF PRECISE STANDING—SIGN PERSONAL NOTE TO DEFRAY EXPENSE

A complete audit of the financial affairs of the school district No. 1 was officially authorized at a meeting of the school board held at the high school Monday night. Audit is to be conducted by Edwin A. Wilson who has been asked to sign a personal note at work immediately to insure an early accurate statement of affairs.

Decision to employ a certified accountant to make an audit of the school district's books, was reached after some debate, the chief point of discussion being the question of where and how to procure ready cash to carry on the audit. The auditor will require an available sum of not less than \$500 or \$600 to meet his personal cash expenditures in carrying on the work, it was announced at last night's meeting. This statement resulted in long and deep debate, the board finally decided to issue a joint note of hand, signed by the members of the board, for the amount necessary to meet the immediate demands of the auditor. The latter is to be instructed to proceed with the audit without delay so that the public may early be apprised of the financial status of the district.

Commissioner is Optimistic. In connection with the discussion emanating from the initial proposal to make an accurate check of district's affairs Superintendent H. G. Blue submitted a letter received from E. A. Bryan, commissioner of education for Idaho in which the state official presented some illuminating figures on cost per capita of education in our state as compared with Idaho. It was an average the cost in Idaho is much lower than that in other states especially in Washington and Oregon. In the former, according to Mr. Bryan, the cost per capita of education is \$90.81, while in Washington it is \$108.11. The average in Idaho is \$87 to \$88.

Commissioner Bryan's letter referred to a statement received from H. G. Blue through Senator J. H. Seaver relating to the district's financial condition. The commissioner expresses surprise that the conditions existing concerning the school district are so unfavorable, and suggests the auditor's survey.

Attendance Grows. As I glance at the financial reports which Mr. Seaver has handed me at present I am surprised as I was at the first statement. The increase (in enrollment) from 2170 in 1916-17 to 2400 in 1920-21, together with the necessary capital additions which this involves, is sufficient explanation to me of the straitened condition of finances at this time. I do not find on reports submitted by Mr. Wilson a corresponding statement as to the assessed valuation of the district during the same period, an item which I should have liked very much to have had.

Presenting Figures. In connection with comparisons of average cost per capita of education Commissioner Bryan alludes to the Twin Falls district cost as submitted by Auditor Wilson of \$90.81, which, he believes, is lower than the average in Washington and Oregon, he does not consider abnormally high. On this point the commissioner directs attention to the cost of transporting pupils to and from school, a system not as extensively carried out in other states and districts as in Twin Falls. He quotes the per capita cost of education in Washington as \$108.11. Dealing with these elements Commissioner Bryan says: "Within the last few days I have been receiving statements from the superintendent of the district showing an average daily attendance from some of the adjoining states. In the state of Washington the per capita cost based on daily attendance, was \$90 for the last year. In the state of Oregon it was \$81. For the state of Idaho, based upon average daily attendance, it was \$87.50. In the state of Idaho, based upon average daily attendance, it was \$87.50. In the state of Idaho, based upon average daily attendance, it was \$87.50.

Commissioner Bryan's letter referred to a statement received from H. G. Blue through Senator J. H. Seaver relating to the district's financial condition. The commissioner expresses surprise that the conditions existing concerning the school district are so unfavorable, and suggests the auditor's survey.

ELECTRICAL CONTRACTOR-DEALERS NAME OFFICERS OF PERMANENT ORGANIZATION WITH BOISE NEXT PLACE FOR CONVENTION

Banquet in Rogerson Cafe Brings to Close First Convocation of Southern Idaho Tradesmen Covering a Period of Two Days—Enthusiasm for Success of Institution Marked in Speeches

A banquet, served in the Hotel Rogerson Monday evening, brought to a close a two-day organization convention of the Southern Idaho Association of Electrical Contractor-Dealers. Fifty members of the organization and guests were present.

The organization conference resulted from a meeting held in Poentele, on February 12 when a temporary organization was effected. At that time the Twin Falls Electric company, headed by H. L. Dinkelacker of the American Electrical Supply company of Twin Falls, chosen chairman in charge of arrangements. Yesterday's convocation, convention house Boise at the next place of meeting, and September 4, were named as the dates for that gathering. Following are the permanent officers:

Elect Officers. Officers elected for the ensuing year: Harvey Ball of Ball Electric company, Boise, president; W. M. Hopwood, Boise, vice president; H. L. Dinkelacker, Boise, president of the Boise district; Walter Baughman, Idaho Falls Electric Supply company, Idaho Falls, vice president; Chester Electric Supply company, Weiser, vice president western district; H. L. Dinkelacker, American Electric company, Twin Falls, secretary-treasurer.

Twenty-eight delegates from various points in southern Idaho attended the two-day sessions, and throughout the entire convention enthusiasm for the new association ran high. The purpose of the organization as outlined by Toastmaster Frank Venable last night, are to promote the general welfare of the electrical industry, create a central station of information, central station of job orders, electrical materials, enhance the welfare of its members and to aid in the maximum development of the electrical industry.

Mayor Welcomes Delegates. At the banquet session Mayor W. H. Eldridge gave the welcoming address, speaking briefly. He was followed by C. Campbell, manager of the Interurban Electric company of Salt Lake, who spoke on the broad subject of the electrical industry, which he termed "Newly" manager of the Twin Falls Electric company, who presided at the assembly and "Cooperation for Betterment of Public Service."

As I glance at the financial reports which Mr. Seaver has handed me at present I am surprised as I was at the first statement. The increase (in enrollment) from 2170 in 1916-17 to 2400 in 1920-21, together with the necessary capital additions which this involves, is sufficient explanation to me of the straitened condition of finances at this time. I do not find on reports submitted by Mr. Wilson a corresponding statement as to the assessed valuation of the district during the same period, an item which I should have liked very much to have had.

"We, the contractor-dealers of Twin Falls, wish each of you a safe journey home, and find that they are not so bad as we tried to convince ourselves they were. "Should disturbances arise in the future we now have an organization to which we may present our case, and get just justice. All are looking for a square deal, whether it be the public, manufacturers, wholesalers or contractors. It matters not. The fact that we have organized together is the fact that to help ourselves we must help others serve in a like manner. Our first slogan should therefore be "Service first to the public."

"It behooves each one of us to keep in step with its progress, and the only way one can do this is to take the leading magazine, join the national association, and get the latest information contained in them and put them into practice and operation. "We, the contractor-dealers of Twin Falls, wish each of you a safe journey home, and find that they are not so bad as we tried to convince ourselves they were. "Should disturbances arise in the future we now have an organization to which we may present our case, and get just justice. All are looking for a square deal, whether it be the public, manufacturers, wholesalers or contractors. It matters not. The fact that we have organized together is the fact that to help ourselves we must help others serve in a like manner. Our first slogan should therefore be "Service first to the public."

SUPERINTENDENCY OFFERED M. C. MITCHELL

School Board Tenders Position Relinquished by Blue to Principal

Tender of the position of superintendent of city schools at a salary of \$2000 per annum was Monday officially offered to M. C. Mitchell. If accepted Mr. Mitchell will succeed H. G. Blue, whose resignation, to become effective at the end of the present school year, was accepted last Monday night.

Mr. Mitchell at present is principal of the local high school and is believed to possess all the necessary executive qualifications for the position of superintendent as well as having been well schooled in the operation of the local school system inaugurated by Superintendent Blue. Mr. Mitchell has been connected with the Twin Falls high school for the past seven years.

Of the tender Mr. Mitchell is to be officially advised today by Clerk George Bryant and his rejection or acceptance is expected to be in the hands of the board by the next meeting time. It is understood Mr. Mitchell will be asked to tender his resignation when formally made for the place, but the board members last night expressed sentiments unfavorable to increasing salaries at this time. The position tendered to Mr. Mitchell is an allowance of \$250 per year for the maintenance of a automobile.

FINANCIAL DISTRESS IN SCHOOL DISTRICTS

No Less Than 340 Educational Boards Said to Report Depleted Treasuries

That there are no less than 340 school districts in the state of Idaho experiencing the same financial distress as is Twin Falls is contained in a report recently received from the state legislative board in Boise. The reports indicate the extreme necessity of immediate enactment of emergency legislation to relieve the situation all over the state.

At a meeting of the district school board on Monday considerable discussion was held on the subject of the financial condition of the various school districts of the state. It was pointed out by several members of the board sitting at the high school that the legislature must not be permitted to take adverse action on the school relief bills presented for passage if by presentation of facts and figures relating to the financial condition of the various school districts it is possible to avert such adverse action.

KIWANIS CLUB ACCORDS WELFARE BILL SUPPORT

Twin Falls Business Body Asks Representatives to Consider Soldiers

The Kiwanis club of Twin Falls, with 36 members present at its regular luncheon meeting Monday, directed its public welfare committee to draft resolutions in support of Senate Bill No. 25 for submission to members of the Twin Falls county delegation in the state legislature.

Action in respect was taken after the meeting by H. D. Long, a member of the American Legion state department legislative committee who was a guest of the club, had explained that this bill would create a soldiers' welfare fund of \$100,000 for relief of former service men, had been reported to the senate with a committee report that it would be passed, and that the senate would vote on the measure Tuesday.

PRESBYTERIAN CHURCH MEN HOLD BIG SESSION

Monthly Banquet Meeting Addressed on the "Monroe Doctrine"

Tuesday's regular monthly meeting of the First Presbyterian church, following the reading of the minutes, church, proved one of the most interesting and educational of the session. The affair was held in the basement of the church, where the officers and members of the church gathered for a social dinner which was served at 6:30 o'clock by the ladies of the church. The subject of the evening was the Monroe doctrine, which was given by Paul McKinley, sang two solos, Carl E. Oltz, of the high school, accompanying.

CALL TO LOCAL PULPIT ACCEPTED BY W. W. BURKS

Nostraks Minister Will Come to Christian Church for Service March 1

Responding to a message sent Sunday notifying him of appointment as pastor of the First Christian church of this city, Dr. W. W. Burks, of Nels, Tuesday telegraphed acceptance of the call. He said he would be prepared to take up pastoral duties on Monday, but will bring the new pastor here on April 1.

Dr. W. W. Moore, who has resigned the Christian church pulpit to take a pastorate in North Yakima, will preach his last sermon here next Sunday.

DUPLICATION OF CHARITY EFFORT CAUSING EXPENSE AND ANNOYANCE

Dr. G. H. Caldwell Explains Necessity of Coordinated Action in Dispensing Relief to Needy in Order to Prevent Overlapping of Work and Needless Expenditure of Funds

Details of a plan for consolidation of the various relief and charity organizations of the city are now being worked out with a view to getting rid of all duplication of effort and all expense of money all the necessary executive qualifications for the position of superintendent as well as having been well schooled in the operation of the local school system inaugurated by Superintendent Blue.

There appears to have been some misunderstanding in regard to the meetings of representatives of the various organizations in Twin Falls held at headquarters of the Red Cross headquarters during the past few weeks. For some time it has been realized by a number of people connected with these organizations that there has been a great deal of duplication in relief work and wasted effort, as well as money, in supplying assistance to those who are really not in need and not entitled to the relief sought.

The secretary of the local Red Cross chapter was asked to send out notices to this meeting to all three organizations as far as possible and did so, though this work was entirely voluntary on her part. In many instances she was not able to learn the name of the particular person to whom the work was to be done, and the organizations through some one connected with the work. There was a very gratifying response to this call and the plan was worked out at this meeting by mutual consent. It was agreed to get a more complete representation at a second meeting which was called for a later date. At this second meeting, it was decided to have the information regarding the relief work of the Red Cross, Mrs. E. M. Wolfe and Mrs. Elizabeth Hubbard.

"I trust this clears up all misunderstandings that may have arisen and standings that may have been made in Twin Falls and vicinity will co-operate with this newly formed organization."

ELMWOOD YOUTH HIT 22 DAYS, NO DOCTOR CALLED UPON TO ATTEND—CASE DIAGNOSED AS VIRULENT SCARLET FEVER BY OFFICIAL

Following a clue inadvertently dropped in cursory conversation Dr. C. Q. McGinnis, county physician, and John R. Ault, county juvenile officer, Tuesday afternoon uncovered a case of the most extreme illness and alleged willful lack of medical and physical care ever coming to the attention of the county health and juvenile authorities. According to both Dr. McGinnis and Mr. Ault the case was that of a 12-year-old boy said to be suffering from a virulent form of scarlet fever in the home of Mr. and Mrs. E. C. Niccum at Elmwood, just beyond Pleasant View. The boy is the son of the Niccums. The father of the family advised that although the boy was stricken with fever 22 days ago they have made no effort to seek relief through regular medical channels, and that they have taken no medical steps against spreading the disease. Mr. Ault says members of the family have held daily communication with outsiders, and he declares a neighbor child who was visiting in the Niccum home when the officers arrived yesterday, Mr. Ault also avers that the parents, when questioned as to failure to provide medical attention, declared that their religion was opposed to the payment of medical bills, and that they were "praying the disease out of the son." The boy had a temperature of 104.1 when the officers called yesterday. A girl of the family, aged about 10 years, is said to have been attending school regularly since the brother was stricken. The school was ordered closed yesterday for a thorough fumigation, and the Niccum home was put out of quarantine and orders have been issued by Dr. McGinnis for providing the sick child with proper nourishment and regular baths. The case has been placed in the hands of the state prosecutor for possible criminal action against the parents.

BOYS GIVE LIST OF STOLEN GOODS

Youthful Shoplifters Make a Schedule to Officers of Numerous Activities

John R. Ault, juvenile officer, has been aided with detailed accounts purporting to be all the stolen goods of boys from local stores. The boys were convicted of theft in the probate court last week and were ordered to return to the state industrial school at St. Anthony. In each case parole was granted. The inventory, compiled by the lads themselves, included such articles as caps, cigars and ammunition. The value of the goods is estimated at \$27.05. The list, however, is incomplete, Mr. Ault says, and he has asked to see an automobile pistol taken from one of the lads, and known to be the property of the Diamond Hardware company. This firearm is valued by the store management at \$28. The state industrial school also has a list of stolen goods, which represents the retail price of neckties taken from the Big White store, and the return of the state industrial management paid this amount to the lads.

They Appeal to Our Sympathies

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. Many such, however, have the complaint mistaken for indigestion. The use of Chamberlain's Tablets, which strengthen the stomach, invigorate the liver and improve the digestion. They also cause a general feeling of health and vigor. You can have any trouble with your stomach, give them a trial.

AIR MAIL FLYER LOWERS RECORD

Coney Makes Cross-Continent Flight at Average of Over 98 Miles an Hour

JACKSONVILLE, Fla., (AP)—The official time of Lieut. W. D. Coney's flight from San Diego, Cal., to Jacksonville, Fla., was 27 minutes. The official time between Dallas, Texas, and Jacksonville was 8 hours and 11 minutes.

JACKSONVILLE, Fla., (AP)—Lieutenant William D. Coney, who left San Diego, Cal., Monday night in a transcontinental flight which he had hoped to negotiate in 24 hours, landed at Camp Johnston, near here, at 7:27 o'clock this morning. He left Dallas, Texas, on the last lap of the journey at 10:41 o'clock (central time) last night.

Lieutenant Coney's flying time from San Diego, Cal., according to a highly unofficial compilation, was 25 hours and 52 minutes. For the 2,070 miles, an average of better than 98 miles an hour. The flying time from Dallas here was eight hours and thirteen minutes.

If official sanction can be obtained, Lieutenant Coney will make the return trip from Jacksonville to San Diego, Cal., by daylight without a stop at a Texas point for refueling.

Flies by Night
Lieutenant Coney's time is believed here to constitute a new record. With the exception of two hours, the flight from Dallas to Jacksonville was made in darkness.

"Not until I was over Mobile, Ala., did I see a light," Coney said after his arrival. At times, he added, he made a speed of 150 miles an hour, but that the average speed for the trip was approximately 100 miles an hour.

As news of his arrival spread, crowds flocked to the landing field and scores of Brunswick relatives and friends welcomed the officer. His mother, Mrs. E. F. Coney, and three brothers were here to welcome him.

No difficulties on the trip from Dallas to Jacksonville, Lieutenant Coney said.

Encounters Trouble
Lieutenant Coney left San Diego on Monday night in an attempt to cross the continent in 24 hours, the only stop scheduled at Dallas. Forced to detour by rainstorms, he landed at Brown, Texas, for gasoline, but defective fuel obtained there caused trouble, and he was unable to proceed to Dallas until yesterday.

MAKES BETTER TIME THAN
PREVIOUS ATTEMPTS
POPE WORTH, Tex., (AP)—The flying time of Lieutenant William D. Coney as unofficially announced was three hours and 28 minutes better than that of Major J. C. McCanney, former commander of Dallas field here.

The latter made three successive attempts in 1919 to complete the transcontinental flight from San Diego to Jacksonville with one stop here. He never did it, although he was 26 hours in the air. It was his course that Coney followed.

COUNTER CHARGE FILED AGAINST E. L. SHETTLER

Oasis Oil Company Brings Cross Damage Action Against Well Driller
Against the damage action of E. L. Shettler the Oasis Oil company, defendant, has filed a counter or cross-complaint seeking judgment for \$2275.70. This claim is based upon alleged improper fulfilling of contracts and agreements for the building of an oil drilling rig and the purchase and installation of a gasoline engine. The amount of \$2275.70 is the net fire insurance, and \$1000 on the second.

Social Notes

Edited by Mrs. E. B. Williams Telephone 306

Mrs. May Mickelwait was hostess to the M. C. B. club Wednesday afternoon. The time was spent with bridge, Mrs. J. Paul Johnston winning the prize for highest score. Those in attendance were Mesdames J. and John Corbett, Fred Ramsey, A. L. Stone, Mary Kelly, Peter Erickson and J. Paul Johnston.

Mrs. C. A. McMaster entertained the Winodanal club yesterday afternoon. Club members present were Mesdames S. E. Kayler, J. C. Beauchamp, W. E. Nixon, H. J. Munn, Mrs. J. H. Taylor, W. J. Young, C. S. McMartin, J. M. Spackman, J. M. Maxwell, W. A. Babcock, C. M. McElwain. Mrs. Lytle was guest of the club. At the conclusion of a social hour, the hostesses, assisted by Mrs. J. C. Beauchamp, served dainty refreshments.

Mr. and Mrs. J. F. Martin were host at a neighborhood party Tuesday evening at their home in East Lawn. Progressive "500" was played. Mrs. T. E. Linn was winning the high score and Mr. E. J. Ostrander the greatest number of points for the gentlemen. Refreshments were served at the conclusion of the card game. Those present were Mesdames A. C. and E. J. Witham, B. F. Mangel, T. E. Hunter, Daniel Allen, L. W. Coleman and E. J. Ostrander.

Mrs. W. H. Greenbow entertained the Wednesday Bridge club yesterday afternoon. Twelve members were present and Mrs. Wilbur S. Hill won the club prize. Next week's meeting will be with Miss Cora Greenbow.

The members of the Country Women's club give a delightful surprise party at the home of Mr. and Mrs. Frank Winsler on the evening of Wash-

ington's birthday, the occasion being, in addition, Mr. Winsler's birthday and a house warming for their new home. The club members were regaled in colonial styles, and brought with them flags and bunting for decoration. The evening was spent with games, and a beautiful two-course luncheon was served to the 27 guests. Earlier in the evening, Mrs. Winsler entertained at dinner in honor of Mr. Winsler's birthday.

The Royal Neighbors club was entertained yesterday afternoon at the home of Mrs. J. L. Wagner, 836 Second street. There were 59 persons present. The afternoon was spent doing fancy work and in social conversation. A delicious luncheon was served at the close of the session. Mrs. Wagner was hostess. Also present were Mrs. Effie Watkins and Mrs. Nellie Van Ausdolen. The next meeting of the club will be with Mrs. W. M. Shettel on Second avenue west.

Today's Markets

BEAR PRESSURE FORCES GRAIN PRICES LOWER

Unsatisfactory Labor Condition is Cited with Ongoing Downturn; Close 3-4 to 4-3-4 Cents Lower

CHICAGO, (AP)—Bear pressure in connection with the unsatisfactory labor situation brought about material downfalls today in the price of wheat. Some selling, it appeared, to be based on production of more liberal farm reserves of grain than had been looked for. Aggressive support was lacking. Initial quotations, which varied from unchanged figures to 1-4-4 lower, with March \$1.70 3-4 to 1-7-1 and May \$1.60 1-4 to 1-6-1, were followed by a set-back all around.

Rallying power failed to develop. Wheat that had been the federal reserve bank at Dallas, Texas, was advising farmers to sell was a notable bearish influence. The close was heavy, 3-4 to 4-3-4 not lower, with March \$1.67 1-6-1 and May \$1.58 6-4 to 6-7.

Large receipts of corn acted as a weight on the corn market. After opening 3-8 to 7-8 off, including May at 1-12 to 1-10 3-4, the market rallied a trifle, but then descended lower than before.

Gossip that Germany would import 18,500,000 bushels of corn to cut down wheat requirements attracted but little attention. The close was unsettled, 1-14 to 1-3-4 not lower, with May 69 5-8 to 69 3-4.

Oats were weak with other grain, starting 1-6 to 1-4 lower, May 45 6-8 to 45 3-4, and then continuing to sag. Provisions sympathized with the decline in cereals.

Cash Quotations

CHICAGO, (AP)—Wheat No. 1 red \$1.70 1-2 to 1.80 1-3; No. 2 red \$1.78 to 1.84. No. 3 red \$1.70 1-2 to 1.78 1-2. No. 2 mixed 67c; No. 2 yellow 67c.

Oats No. 3 white 44 1-4 to 45c; No. 2 white 48 to 44 1-4. Rye No. 2 \$1.10 1-2. Barley Timothy seed \$4 to 5.50. Clover seed \$13 to 18. Pork nominal.

Minneapolis Flour and Grain
MINNEAPOLIS, (AP)—Flour unchanged. Bran \$23.

Wheat receipts 165 cars, compared with 203 cars a year ago. Cash No. 1 Northern \$3 7-8 to 1.67 7-8; March \$1.52 3-8; May \$1.51 5-8. Corn No. 3 yellow 56 to 57c.

CHICAGO, (AP)—Butter higher; creamery extras 50 1-2c; standards 49 1-2c.

Eggs lower; receipts 22,907 cases; flats 1-4 to 1-3c; ordinary flats not quoted; at mark, cases included 32 to 33c.

Kansas City Produce
KANSAS CITY, (AP)—Butter and eggs unchanged.

OMAHA LIVESTOCK
OMAHA, Neb., (AP)—Hog receipts 15,000; mostly steady; bulk medium and light butchers \$8.35 to 9.25; top \$9.50; bulk strong weight and packing grades \$8.50 to 8.75.

Cattle receipts 4,900; beef steers steady to weak; top steers \$9.25; eight loads contracted in country averaging 1438 pounds delivered here \$9.50; sheep stock steady to 25c lower; bulls, veals, stockers and feeders steady.

Chicago Livestock
CHICAGO, (AP)—Cattle, 9,000; beef steers steady to 25c higher; top \$10.75; butch stock and bulls \$9 to \$10; cow and heifers \$5.25 to \$7; bulls largely \$5.25 to \$6; low choice light beef bulls \$7 and higher; calves 25c to 50c higher; stockers and feeders strong.

Hogs 31,000; fairly active, 10c to 15c higher than yesterday's average; lightest on most; top \$10.40; bulk 200 pounds down \$10 to \$10.80; pig 25c to 40c higher; bulk desirable 100 to 120 pound pigs \$9.50 to \$9.75.

Sheep 11,000; killing classes generally 50c higher; 77 pound stags lambs \$10; no choice handy woolled lambs sold early; \$10.75 bid; bulk fat lambs \$9.50 to \$10.50; 104 pound yearlings \$7; no choice woolled yearlings sold early; 108 pound ewes \$6.65; bulk fat ewes \$6 to \$6.40.

New York Stock Market
NEW YORK, (AP)—Further industrial readjustment, dividend suspensions and lack of progress in the stock market another free hand in the stock market today, extreme losses ranging from 1 to 5 points. Sales approximated 650,000 shares.

Selling of special issues which bore marks of liquidation attended the early dealings on the stock exchange today. Sears-Roebuck, yesterday's weakest feature, sustained an initial loss of 1-5-8 and this was soon extended to 4 points. Kelly-Springfield, also reacted to the same extent and other rubber issues, as well as motor accessories, developed increased heaviness. Shipments and oils, as represented by Atlantic Gulf, Tilled, Fuel, Gulf, and Petrolium, Royal Dutch, and Texas company were lower by 1 to 1-3 points and coppers donated renewed pressure. Among falls, losses were confined to fractions.

Bulls finally gave way under increasing pressure in the last hour when the general list recorded lowest levels of the day. The closing was heavy.

Liberty Bonds
NEW YORK, (AP)—Liberty bonds closed: 3 1-2's \$90.04; first 4's \$87.14 bid; second 4's \$85.56; first 4's \$87.18; second 4's \$84.55; third 4's \$84.02; fourth 4's \$83.74; Victory 3 3-4's \$97.40; Victory 4 3-4's \$97.42.

Potatoes
CHICAGO, (AP)—Potatoes firm, receipts 24 cars Northern White, sacked \$1.30 to 1.35 cut; bulk none.

- HANDKERCHIEFS
These 15c grade handkerchiefs will be on sale at 9 for \$1

My Husband has fallen in love with me all over again

"since I have had this new suit," declared one woman humorously, and she really meant a little of what she said. She was quick, keen enough to realize what a lot of pleasure in life is dependent upon one's looking fresh and fashionable and feeling comfortable, and our suits help their wearer to all three advantages. Some of the recent models have short jackets in loose fitting style, others have the becoming box backs with pretty embroidery work that charm one with their uniqueness, and allure one with their reasonableness in price. A few are shown in our large front window.

Grocery Specials

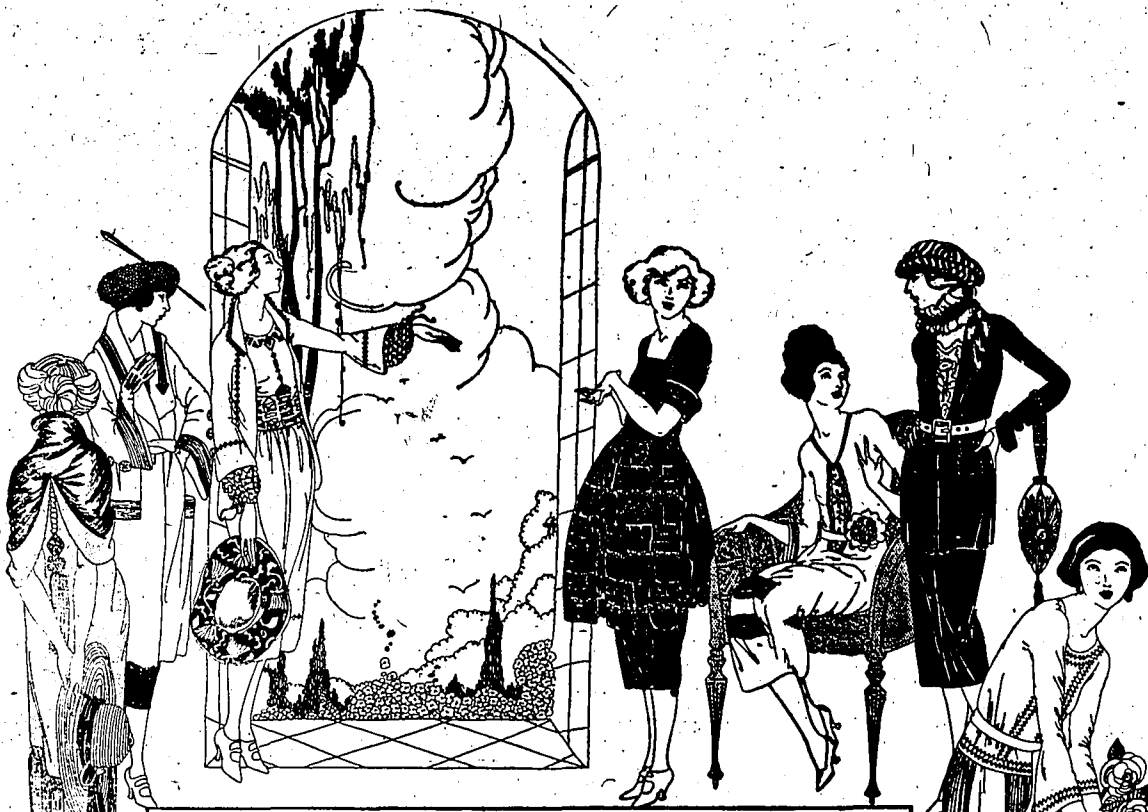

- for dollar day include many items you'll want to stock up with. Here is the list—
18 bars Crystal White Laundry Soap \$1
20 bars Peet's Silk Soap \$1

WHAT WE ADVERTISE WE SELL THE BIG WHITE STORE WHAT WE SELL WE ADVERTISE

Spring

Announces its Arrival with a Brilliant Company of Smart New Fashions and Fabrics

With the formal opening of our Spring Displays all questions pertaining to the modes and fabrics of this new season are authoritatively answered, and never, we believe, have apparel, accessory and fabric secrets been disclosed in a spirit more typical of spring. Beauty is the order of the day. But most gratifying of all is the fact that here is an unmistakable economy in every display.

Blouses

We call your attention to a special number that is proving so popular. Among them are georgettes and tricolettes. They are trimmed with such pleasing effects. Blouses and skirts will be so popular this season. Ask to see this special \$4.95

Skirts

You will like every skirt you see here from the practical plaid woolen affair to the more colorful sport models of gay hued silks, for without exception they are uncommonly attractive. Some exceptional values at..... \$5.95

Corsets

A new popular priced Warner's just received. In three styles: Athletic, with elastic inserts, the topless for the younger girl, and the model for the stout. All are guaranteed Rust-Proof..... \$1.95

Handbags

The values are wonderful in our showing of hand tooled leather handbags. A number of the new vanity cases, strap purses or handbags. All real leather and hand tooled with attractive designs.. \$2.98

Gloves

It has been difficult to get the Perrin Glove. We now have a big assortment in all of the new shades and especially popular is the strap gauntlet. We have arranged a special table for fitting. Prices are reasonable.

Silk Hose

Especially do we recommend the Wayne Knit Hose or the Gotham Gold Stripe. Each are of pure silk with garter top and of a weight liked by the woman who cares about her dress..... \$1.50 to 2.50

Suits
Among the fabrics featured are the twill cords, tricotines, velour, checks and wool jerseys. The braid, button or embroidery trimmings are echoed on the jacket. The jackets are straight, box like and stonewashed. \$25.00 to \$35.00

Coats
The coats are characterized by a decidedly English air, gracefully flaring at their hems. The sleeves which are of the wide shoulder or raglan variety conform carefully to the lines of the shoulder. \$18.50 to \$45.00

Silk Frocks
For afternoon wear we suggest a Canton Crepe, Charmeuse, or Taffeta affair with tight fitting bodice and full skirt. Long and short sleeves, high and low necks, embroideries and sashes are conspicuous. \$16.50 to \$45.00

Wool Frocks
In the morning one may appear in a simple one-piece frock developed of Tricotine or Polart twill along slim, straight lines. Scallop, Turkish panels and wool embroidery are in evidence. \$16.50 to \$45.00

Jersey Sport Suits
Wool Jersey suits in clever interpretations of light flannel or gay silks remind one that it is time to think of Out Door events. Every suit presented is notable for its tailoring and moderate price \$16.95

Waists
Soft batistes, voiles and organzies make blouses that are wonderful company for the separate skirt or sports suit. Other blouses intended for more festive occasions employ crepe de chine, georgettes, taffetas and laces. Tassant and cascade styles preeminate. \$3.95 to \$16.00

Fairy Spun

Words are inadequate to describe the beauty of this silk fabric. It looks like a fine spun jersey silk, but it is guaranteed not to ravel or run. The most wonderful new shades. Ask to see it. The yard \$3.95

Pantalettes

Pantalettes or pettibockers of jersey silk, satin or sateen are very popular this season. A big range of shades and patterns. Are being worn in the place of silk undershirts. There are satens as low as \$1.50. Jersey silk at..... \$5.95

Suede Pumps

The trade journals all promise that this will be a suede season. We have three numbers, one a black, one a brown and the other a brown combination suede and kid that are the height of the season's style \$12.00

Oxfords

The new Spring Tan shade is proving very popular. It is of lighter shade than has been shown for some time. Has low heel and perforated effect that makes it a chummy shoe. It will give service. It is clever in style \$7.85

Muslin Things

We are offering some wonderful values in muslin underwear. There are skirts, combinations, gowns, corset covers at just half former prices. All are daintily trimmed with lace and ribbons.

Silk Underwear

is a luxurious economy. Sounds like a paradox, but it isn't. These vest bloomers, chemise, camisoles and night dresses in their lace trimmed effects are lovely to look at and there is no question that they are luxurious. The price indicates their economy.

White Oxfords

These fine days remind us that the time is not far off when we must get those white oxfords. This season we offer some excellent quality fabric oxfords at a remarkable price \$4.50

Silk Skirts

Truly, the colors are astounding. Every new shade is developed along new pattern effects that are truly startling. The season's trend is toward bright colors. Every skirt will surely please. You will want more than one \$14.95

Messalines

Pure silk messalines of a wonderful quality. Feel almost like satin. There are a number of wanted shades among this showing. Jade, Copenhagen, Navy, Black, White and others. These messalines are worth \$2.00 on today's market \$1.59

New Gingham

These new ghinghams will delight. The patterns show some of the new spring shades. "The spring sewing week is fast approaching when the kiddies' clothes for the season must be made. The prices are so reasonable that it is a pleasure to shop.

Buttermilk Cream

Spring is the time that the complexion needs care. The grime and smoke of the winter must be cleansed from the skin. Howard's Buttermilk Cream has special propensities that recommend its use 60c

Art Packages

The new Royal Society Art Packages contain so many useful and attractive ideas for spring clothes for the children. There are some new things in Needlework that will please. The prices are cheaper.

Play Rompers

A romper that is different. Made of a linen crash in tan, trimmed with red or a blue twill trimmed with red. Are trimmed with large pearl buttons that give them an attractive look. They are different. Ask to see them \$1.75

Gingham Dresses

Instead of making the gingham dresses at home these new spring models are so moderately priced that it is easier to just come in and try one on. To see them at this price is to buy them. Former \$12.00 values. \$3.45

Designers

The March Designers are here. New stories and articles. Announcement is made of the Bell-rope method that will go with each Standard pattern. Get a March fashion sheet and read the announcement. It contains information of value to every woman who sews.

Wright's
A GOOD PLACE TO TRADE

Sheetings
Spring time makes necessary the making of new bed clothes. The sheets and pillow cases are worn and need renovating. We offer Peppercill sheeting and tubing at some new low prices.
42 in. Peppercill pillow tubing, bleached 45c
94 Peppercill Sheeting, unbleached 55c

TWIN FALLS WEEKLY NEWS
Established 1904
Twin Falls News Publishing Company,
Ltd., Publishers

AS AN AMENDMENT

Records of the State Senate show that there has been introduced in that body a bill bearing the signatures of Senator Seaver, Senator Kerrick and others...

Presumably there are features of the bill that commend themselves at least to its sponsors...

Only as an effort to reach a most grievous wrong could such a limitation upon the franchise find justification...

The crying need would seem to be for encouragement of the voter in the exercise of his franchise...

The News ventures to suggest as an amendment, and without special regard for the manner in which it may square with legal restrictions...

PROTESTS AND POLITICS

Gatherings of citizens for the purpose of hurling either brickbats or bouquets at the City administration...

This would be true at this season whether the gatherings were in themselves political or otherwise.

Hence, it would not be a matter for wonderment if an assemblage of citizens gathered together merely for the purpose of furthering a protest...

As will be observed, the possibilities of this sort of legislative development are varied and interesting.

LET'S HAVE FACTS

By and large, The News is not half as much interested in the mistakes of the past, with respects to school funds...

It's all very well to say that not a dollar of additional funds will be voted by Twin Falls people for school purposes unless the resignations of every man on the Board shall have been filed...

As matters now stand, an living issue, not even the members of the Board themselves probably can gain any adequate idea of what has happened with respect to the funds of the District...

The School Board is to be commended on its decision reached at its meeting last night, to employ a competent auditor to determine the exact facts in this troublesome situation.

There is no question of the personal integrity of anyone involved in the demands of the people for light upon the tortuous paths of public officers.

There is a question of the personal integrity of anyone involved in the demands of the people for light upon the tortuous paths of public officers.

suppression from among other causes of fire such as cigar butts or precarious dumping "hoops" of a tobacco pipe...

Or it may be that the cigarette is responsible for defilement of the air that we all have to breathe...

Objection to the cigarette urged on these or similar grounds is in line with the Constitution which is a guarantee of individual liberty of action...

The strength of the movement that brought about enactment of the prohibition law as against alcoholic beverages consists in its adherence to this principle.

The other alternative in the search for justification of anti-cigarette and similar legislation involves the hypothesis that men must be ruled by legislation for their own individual well being.

As a broad proposition, it may be advanced that more men suffer injurious effects from overindulgence and indiscretion in diet than from the use of cigarette.

If, then, it be found that the sole claim for justification of anti-cigarette laws and their ilk, rests upon the assumed necessity for legislation to regulate man's individual actions without regard for the effect of such actions upon society at large...

As will be observed, the possibilities of this sort of legislative development are varied and interesting.

case of dig up the money or close up the school.

MORE ABOUT ALBION.

Senator Hogstead of Teton county, is sponsor for a bill lately introduced in the State Senate providing for the removal of the Albion State Normal school to Burley.

The bill probably will not, and ought not to be passed by the legislature.

The bill provides for assessment of a one-fourth mill levy against the taxable property of the state during the next two years, the fund thus raised being used for establishment of the institution at Burley.

There is abundant reason just now to doubt that the taxpayers could well afford to meet this extra assessment even if it were for a project of unquestioned desirability.

Removal of the Albion Normal school to Burley does not contemplate the actual removal of the buildings in which the institution is now housed.

Why not discontinue the Albion Normal and combine its functions with those of another institution already established and maintained at the expense of the state?

STATE TAXES AND PUBLIC INDIFFERENCE

In all of the eleven Far Western States the legislatures now in session are worrying over the unenviable problem of how to get the money.

Nothing, we say, and we know he'll do it. He could easily keep every state budget down to the present figure, without altering the revenue situation.

Nothing, we say, and we know he'll do it. He could easily keep every state budget down to the present figure, without altering the revenue situation.

ATTEMPTS BEING MADE TO SPLIT TWIN FALLS HIGHWAY DISTRICT

O. G. Zuck Said to be Sponsor of Movement to Give Kimberly and Hansen School Areas Separate Road-building Territory—Scheme Believed to Grow Out of Dissatisfaction Over the Plan to Build Around Kimberly

If a plan said to be fostered by a certain element in the Kimberly district succeeds the Twin Falls highway district will be split and the areas comprising the Kimberly and Hansen school districts will be formed into a separate road building territory.

Reports reaching Twin Falls in the past few days indicate that an effort is being made to have Kimberly and Hansen withdrawn from the Twin Falls highway district.

According to the statements of Kimberly people a petition has been in circulation for some time past for signatures of persons interested in making a change in road district territory. The statements intimate that O. G. Zuck, former state senator, who has been acting as a lobbyist for the office of lieutenant governor, is the moving genius behind the scheme.

The Kimberly Chamber of Commerce has called a mass meeting to be held in the Star theater at Kimberly next Tuesday afternoon for the purpose of conducting discussion of all the features and phases connected with both sides of the division question.

Action on part of the divisionists is believed to grow out of dissatisfaction over the state highway law and the department's attitude toward Kimberly in the matter of the proposal to build the state highway around the town in a high cut through the highway department's attitude toward Kimberly in the matter of the proposal to build the state highway around the town in a high cut through the highway department's attitude toward Kimberly...

Local Brevities

Decorating Theater—The Idaho theater is undergoing a spring housecleaning and the interior is being painted and decorated.

BRACKEN LEADS ALL CUEISTS IN THE BIG TOURNEY

Banker Sets Mark of 126 in 44 Innings Against 69 for Billington

Leo F. Bracken displayed top class play in the third night's contest schedule at Macauley's billiard room, running out his string in 40 innings. He was opposed by Billington, who rang up 69 markers against Bracken's 126. Thompson was runner-up, Bracken, making his string in 44 innings. Scores:

Table of scores: Bracken 126, Billington 69, Thompson 69, Dean 73, Bailey 125, Lewis 119. Tonight the following experts will be opponents in the tournament: 7:30—Egler against Ivary; McE against Colburn; 9:30—Larson against Atkinson.

Rupert's Comets are Defeated by Oakley Hoop Team

Cassians Again Take Lead in Legion League, Winning by 42-22 Score

The Oakley Legion basketball team last night defeated the Rupert Comet, 42 to 22. The game was played on the Rupert floor. The victory gives Oakley leadership in the league again. The players on the Oakley team will play here Saturday night.

PLAINTIFF GETS VERDICT

In the case of J. S. Russell, against Clyde A. Blair, Anne Blair, E. D. Blair and Alice D. Blair Judge Babcock has awarded judgment in the sum of \$1,304.15 in favor of the plaintiff. The decree also carries with it an order for foreclosure of a mortgage securing a promissory note.

PROTEST MADE AGAINST PLAN OF ASSESSMENT

Merchants Want Taxes Based Upon Replacement Cost Instead of Invoice

Expressing dissatisfaction against the county assessor's plan of fixing a 70 per cent valuation against merchandise stocks in county stores, a coterie of some 35 or 40 district business men lodged personal protest with the county commissioners yesterday afternoon.

The protest of the merchants is founded upon the manner of arriving at the basis for fixing the annual assessment of the downward revision and scale of prices at the present time, objected to the voice quotations being taken as the assessment basis. It was pointed out that merchandise is still subject to a declining market, and the protestants expressed the belief that assessments should be fixed upon a basis of what the goods now in stock might reasonably be expected to be replaced at, not on what the cost was when the purchase was made.

At its conclusion the committee announced they would give the protest due consideration.

ORDER POSTOFFICE LOBBY LOCKED FROM 8 IN EVE TO 5 MORN

Federal Treasury Department Issues Mandate to Local Postmaster

Lovers will keep trysts no more, perhaps forever, in the lobby of the post office between the hours of 8 p. m. and 5 a. m.

Although lovers and trysts are mentioned in the official federal ukase, it is a fact that a mandate has gone forth ordering the Twin Falls post office lobby closed between the hours indicated. The order becomes effective instantly and folks having letters to mail after 8 p. m. and before 5 a. m. must, therefore, accommodate themselves to the system of using the outside drop boxes.

Of this official edict Postmaster M. A. Strunk was today authoritatively advised, but the local lady declared he can only conjecture on the subject of cause. He assumed the scheme to be merely a precautionary measure against possibility of robbery during the night when guards are employed at minimum strength.

The order is said to be effective at all postoffices throughout the country where adequate guards are not provided for day and night. At larger places where it is necessary that lobbies be open day and night, and where there are two entrances, guards must be stationed at the entrances. If there are two such entrances one must be barricaded during the time when inside working forces are at minimum strength and a guard must be stationed at the other.

DIVORCE GRANTED

Judge W. A. Babcock of the district court, today ordered a decree favoring the plaintiff in the divorce suit between the divorcee action against Richard K. Taylor. Charges of cruelty and non-support formed the basis of the complaint.
