## Petition Calling for Submission of Commission Form of Gov- ernment Within 60 Days is Filed with City Clerk

Bearing 700 signatures of Twin Falls citizens, a petition was Monday filed in the office of the city clerk by E. F. Walton, secretary of the Taxpayers' league, requesting the city administration, within the next 60 days, to submit a proposition providing for submission at a special election the question of organization of Twin Falls under the commission form of municipal government as provided in chapter 173 of the 1919 Idaho compiled statutes.

Further request is made by the petition that the special election will be held within the next 60 days.

### Raises Question of Cost

Walton, as campaign manager for the taxpayers' ticket in the last city election, was one of the opponents of the proposal for organization of Twin Falls city administration under the city manager plan, as urged by citizens lacking the ticket composed of former service men of the five or six of the seven nominated were elected. Objection to the proposal at that time was based by Walton and his followers on the broad grounds that the expense to the city involved in submission of the question at a special election would be inadvisable.

Filing of the Walton petition at this time, city officials said today, means that the election for submission of the commission form question, if it is called, must be held prior to the election for submission of the city manager plan question, in support of which petitions are now being circulated under direction of the former service men. The city clerk said that the city provides that an election for submission of the commission question should be held within 60 days of the filing of petitions requesting it, while an election for submission of the city manager plan cannot be called less than 60 days after the filing of petitions for such action.

# SENTENCE IMPOSED UPON POSSESSORS OF LIQUOR

## Court Hands Fines and Jail Terms to Confessed "Moon- shine" Owners

Sentence of fines and imprisonment was imposed Saturday afternoon by Judge Babcock in district court here in two cases in which illegal possession of more than five gallons of "moonshine" whiskey was admitted by the offenders.

George Henry pleaded guilty to the charge of illegal possession of a five gallon keg of home-made liquor discovered by police when he was arrested on November 16. He waived statutory prerogatives and was sentenced to pay a fine of \$100 and serve a term of 60 days in the county jail.

Victor Castro, aged about 20 years, also confessed to have a proprietary interest in a stock of alcoholic beverages found by the police in a keg and other containers in his home on November 6. He was sentenced to pay a fine of \$400 and serve a term of four months in the county jail, and was probed in consideration of proof that he had assumed responsibility for his conduct in the future and had provided transportation to his home in Oregon.

W. H. Robinson, charged with possession of a keg of liquor, was not arraigned Saturday. He is at liberty under bonds pending his summons into district court to answer to the charge.

# DISTRICT COURT OPENS INITIAL TERM OF YEAR

## Judge Babcock Calls for Jury Lists and Then Begins Calling and Setting of Civil Calendar

With about 30 members of the Twin Falls county bar in attendance, the first term of district court here for the new year was opened Monday by Judge W. A. Babcock. The court is now ready for certification of a jury list for the year and for the drawing of a jury list of 30 persons to serve during the present term. They will be required to be in attendance at the opening of the court on January 15th morning next.

After signing these orders, Judge Babcock began calling and setting the calendar of civil cases for the term.

# CARD WAIVES PRELIMINARY

Preliminary examination in the case of Fred Card, who is charged with the commission of a statutory crime, was waived when the case was called in probate court Monday afternoon. Jurisdiction in the case was passed to the district court, where Card probably will be arraigned in the immediate future. He was recently brought here in custody from Eagle, Idaho, and is a prisoner in the county jail in default of \$1,000 bail.

# TO SERVE HOT LUNCHEONS IN WASHINGTON SCHOOL

## Parent-Teachers Association Reaches Decision to Install System in Few Days

Decision was reached at a meeting of the Parent-Teachers' association of the Washington school to begin serving hot lunches to the students of that building at the beginning of the next semester, January 15. The conditions which warrant this action on the part of the patrons are said to be more properly in this school than in either the Nickel or Lincoln schools, the percentage of undernourishment having been found to be in excess of 25. The unused auditorium of the building will be utilized for preparing and serving the lunch which will be of a supplementary nature and not designed to replace the luncheon usually brought from home.

To secure funds necessary for the initial expense, it was decided to hold a cooked food sale on January 7 for which contributions are asked from all those interested in the success of the enterprise.

Expenditure of the service in the Washington school will take care of all the children in the district up to and including those of the sixth grade B. As yet there are no plans for serving the students of the intermediate and high schools.

# FRESHMAN GIRLS' TEAM WINS BASKETBALL TITLE

## High School Beginners Defeat Seniors, 10 to 7, in Final Round of Series

Continuing a winning stride to the end of the series the freshman class girls' basketball team Friday night defeated the senior class girls' team, 10 to 7, and clinched the title to the high school championship.

The sophomore girls won a hard fought contest from the juniors with a score of 20 to 15.

The line-up of the teams in the final rounds of the series follows:

**Freshman:** Minnie Pidge, Lucille Wynn, forwards; Ruth McCracken, Jane Holderman, Beadie Dunham, center; Elvira Yonchom, Norma Leaz, guards. Substitutions—Thelma Leaz for Elvira Yonchom.

**Seniors:** Ruth Burns, jumping center; Violet Holderman, side center; Jennie Hoops, Anna Mae Peasley, forwards; Fanny Humphrey, Mildred Holmes, guards.

**Sophomores:** LaVerne Adams, side center; Black Margaret Selley, forwards; Mattie McMaster, Donna Wynn, guards.

**Juniors:** Nona Yonchom, Martin Smith, forwards; Beadie Dunham, jumping center; Doris Wynn, side center; Alice Bell, Thelma Morgan, guards.

# OFFICERS ARE CHOSEN BY GRAND ARMY POST

## J. D. Smith is Elected Commander to Succeed the Late O. A. Ostrander; Installation Postponed

Officers chosen by Dan McCook Post, Grand Army of the Republic, for the year beginning Saturday last are J. D. Smith, commander; E. S. Bluff, senior vice-commander; Gilbert Hurd, junior vice-commander; James M. Bice, quartermaster; W. W. Humphrey, chaplain; H. H. Barnes, officer of the day; Henry Munger, officer of the guard; William P. Bulky, patriotic instructor; Samuel Potts, delegate to department encampment; Horace Hart, alternate.

As commander of the post Mr. Smith succeeds the late O. A. Ostrander. Because of the absence of a quorum no formal installation of officers was held Saturday.

# COURT CALLS ALLEGED HAY BUYER TO ACCOUNT

## Butler Brothers are Made Parties De- fendant in Foreclosure Suit Because of Alleged Purchase

Because of alleged purchase of hay involved in foreclosure proceedings against F. C. Hansen and others, Butler brothers, under an order issued today by Judge W. A. Babcock in district court here, are made parties defendant to the suit and are required to explain the transaction before the court within ten days time. The order was issued after application of the firm of Green of Butte, attorneys for Everett Hall, the plaintiff in the action.

# FORMER RESIDENT VISITS

John Elliott, a former resident and pioneer citizen of Twin Falls, is here from Los Angeles on business in connection with his property interests here.

# MUSIC LOVERS RECEIVE TREAT

## University of Idaho Glee Club on Tour of State, Pleases Large Audience

Music lovers of Twin Falls were treated to an evening of genuine entertainment Saturday when the University of Idaho's Glee club gave its annual concert in the high school auditorium here.

From the opening number, consisting of Idaho songs to the final "Student Soviet," every number was of the highest order.

Four songs in the opening number, consisting of "Oh, Let Us Sing of Idaho," "Idaho, We Deeply Love You," "We're Jolly Gay Students," and "Alma Mater Idaho" were well done, the blending of voices showing a fitness rarely heard in college singing.

A tenor solo by Alfred Blumhagen was well rendered, and called for an encore.

The third group, "So, Fever," and "Captain Kidd," with an encore of "Tuck Me to Sleep in My Old Tuckee Home," was perhaps the best number of the evening.

"The Grasshopper," a comic musical piece put on by eight members of the club, was a real success.

Six jazz specialists, comprising cornet, trombone, saxophone, clarinet, banjo and piano, held up the show with their rendition of popular music, the audience being reluctant to let them go.

No glee club is complete without a quartette that sings some of the old time melodies, and this club was no exception. Its songs were "Goodbye," "A Summer Night," made up the seventh number of the program, and three two songs were close to "So, Fever."

Reck Kinnell gave a wonderful reading of Kipling's "On The Road to Mandalay" and followed with a recitation of "The Road to Mandalay" which was put every one in a happy frame of mind.

"The Student Soviet," billed as a dramatic cantata, closed the evening's entertainment. Good attention should be made of Cecil Bolton's female impersonation in this number.

# COUNTY OFFICERS REPORT QUARTER'S COLLECTION

## Sheriff, Probate Judge and Re- corder Make Accounting of Office Incomes

Quarterly reports of Sheriff E. R. Sherman, Probate Judge O. P. Duvall and County Recorder C. C. Higgins were today filed for approval of the board of county commissioners.

The report of the sheriff for the quarter ending January 7 shows a total of \$250.22 collected on account of \$420 in bonds, and a receipt of the total sum of \$250.83.

Total receipts of the probate court amounting to \$137.60 for the quarter ending in January 7, show a total of \$420 in bonds, and a receipt of the total sum of \$250.83.

Income was derived from the following sources: Civil cases, \$54.40; criminal cases, \$379.40; estates, \$405.50; guardianship, \$40.00; \$40.00.

Fees amounting to \$610.70 were collected during the quarter by the county recorder's office. Mr. Higgins' report shows, "Recorders fees are given an \$181.90 and clerk of the \$182.00. Deductions from this amount are listed with cash expenses—postage, express, etc.—\$101.24; department of labor, in naturalization, \$25.50; appeals to the state supreme court, \$12. The county treasurer's receipt for \$5,979.90 as the balance remaining is incorporated in the report.

# COUNTY COMMISSIONERS IN QUARTERLY MEETING

## Certification of List of District Court Jurors for Year is First Order of Business for Board

Meeting Monday for their first quarterly session of the new year, the commissioners of Twin Falls county, as a first order of business, certified to the clerk of the district court a list of 30 names to serve as jurors for the jury list for the year. The commissioners then entered upon consideration of claims against the county current expense fund. They will continue in session until the business at hand is cleared up.

# HIGHWAY DISTRICT PAYS LICENSE ON AUTOMOBILES

## Fees on Four Motor Vehicles Owned by Twin Falls District Aggregate \$90

In the course of routine business Saturday afternoon commissioners of the Twin Falls highway district authorized payment to the county assessor of \$90 covering annual license fees on the four motor vehicles owned and operated by the highway district. These vehicles comprise one large truck, a light truck and two light touring cars. Approximately 75 per cent of the amount for licenses will be refunded to the district. It is estimated, when apportionment is made of motor vehicle license collection between the state, county and highway districts.

# Jury Places \$25 Valuation on Dog Shot by Neighbor

Twenty-five dollars is the value placed by a jury of six men upon a dog that was the topic of controversy in litigation, that occupied the attention of the probate court and jury here all day Saturday.

The suit was instituted by Fred O. Carson, a Bull district farmer, who charged that L. D. West, a neighbor, on December 27, had shot and so severely injured Carson's dog that a merciful bullet fired by Carson ended his existence. He asked damages in the sum of \$300, declaring the dog worth this amount. Several persons qualified as experts to testify as to the value of the dog.

West's defense was that he had not intended to injure the dog but that he had shot at it to frighten it away from his place.

# Potato Shipments From Twin Falls Set New Records

Thirty-two carloads of potatoes were shipped from Twin Falls during the first seven days of the new year, according to records of the Oregon Short Line freight office here. This is one carload more than was shipped out from Twin Falls during the entire month of January last year. There is no indication of a decrease in the interest of movement of potatoes this year, freight office officials say.

The movement is said to be general over the entire district.

Cars now being used for transportation of potatoes are equipped with heating service to insure against damage by frost.

# Publicity is Given to Twin Falls Officials

Reproduction of a photograph of several Twin Falls municipal officials, grouped in the city clerk's office, appears in the current number of the Plummer's Trade Journal, Steam and Hot Water Piping, New York City, used by the county board of health.

"An Old Craftsman and His Official Associates." The title refers to Alex W. Murray, city health and sanitary inspector, and others in the group including R. E. Bales, city clerk; Dr. Ickard, meat and dairy inspector; J. E. Henner, electrical inspector.

# Motor License Fee Collections Exceed Last Year Figures

Motor vehicle license collections in Twin Falls county during the first ten days of the new year total \$257.10, compared with collections of \$271.70 for the corresponding period of last year, according to report made by County Assessor, Frank Stewart to the county auditor.

Licenses were last year issued for a total of 4903 motor vehicles in Twin Falls county, total fees in the sum of \$88,740.30 being collected by the county assessor.

# TWIN FALLS PRINTER EXECUTES CLEVER IDEA

## Unique Holiday Greeting Card Carries More Than Usual Share of Hol- iday Festivity

Overcome by the advent of Christmas and the arrival of a little daughter in his home at about the same time, Fred Small F. Brown, a well known Twin Falls printer, has dropped into verse the better to express his and Mrs. Brown's sentiments. The result is a combined holiday greeting and announcement card as clever as it is unique.

The card carries the following legend:

It's somewhat belated.  
We're highly elated.  
To tell of the old fashioned ways  
We felt our hearts beating  
And chuck full of greeting  
For you on the past holidays.

While you did have our wishes  
We know that one misstep  
Has made you wish for the good cheer  
But we know you'll forgive us  
And be happy with us  
As soon as you learn who's here—

# TALKS CITY MANAGER PLAN

Taylor Cummins, city attorney and chairman of the former service men's municipal government committee, addressed members of the Kiwanis club at their weekly luncheon Monday at the Rogers hotel on the theory and practice of the city manager plan of municipal government adoption of which is being urged in Twin Falls by citizens who last spring supported the City Manager Plan ticket, composition of the former service men, the city election.

# BOY SCOUTS WILL GIVE MOVING PICTURE SHOW

## Plan Outlined for Keeping the Movement Active; Good Entertainment

An effort along decidedly new lines will be made at once to obtain sufficient funds to put the Boy Scout movement in Twin Falls upon a firm financial footing. According to D. D. Alford, chief executive of the Boy Scout here, the day for passing subscription lists is past, at least for the present and because of this a new departure had to be devised. Mr. Alford, in discussing the matter this morning outlined the plan as follows:

Thursday, Friday and Saturday night, for the benefit of the Boy Scouts there is to be a moving picture show of very high quality, by the name of "The Street of Life," given in the high school auditorium.

The Scout movement needs funds, and has a few bills unpaid. It also needs money to keep up this Twin Falls branch in the way of bills kept up, and it seems as though a proposition which has as much merit as the scout movement, should be self-supporting, and should not have to be eternal in pressing the hat for money.

It is in the hope of making it self-supporting and paying all bills due, that this entertainment is being given, and the fee that by selling tickets to the picture show we are not asking the people for charity, but are simply diverting funds to a good movement, and are giving the people full value for the money spent.

# Good Picture Promised

It is a good real picture, and a comparatively new one—had a run of six consecutive weeks in a town smaller than Twin Falls, and the prices are to be only 10c for adults, and 5c for children and Scouts.

The show will start at 7:30 Thursday evening; 8:30 Friday evening, and 7:30 Saturday evening.

If you approval of the Scout movement and the high ideals that it is inculcating in young boys, and approve of the training and outlet it gives to the young men, you just like boys because they are boys, be sure to buy tickets when the Scouts come to your door—buy them for the whole family, and get your friends to do the same.

# ASSISTANCE NEEDED BY LUNCH COMMITTEE

## Hot Lunches in Washington School Depend on Co-operation of All Interested

The committee in charge of hot lunches at the Washington School report the plans well under way and hope to begin serving the lunches Monday, January 16. The matter has been pushed so rapidly that there has been but little funds obtained for supplies and equipment, and the committee is making the work self-supporting after being started but some help is needed at the present time.

Knowing that there are many demands it is thought best to ask for articles which have been used and which can be spared from the home. Doubtless there are many who will be glad to donate new ones. Everything must reach the committee by Thursday, January 12, to give them time to provide the things lacking.

If everyone who can help will realize the importance of the work and give one spoon or one cup, and respond quickly the matter can easily be handled. The following utensils are needed: two dishpans, 100 tea spoons, 100 large size drinking cups (plastic), one large size plastic pitcher, one large size plastic pitcher, one five-gallon oil can. These things may be sent to members of the committee or phone to them in regard to it. Mrs. Charles E. # MASONS OF TWIN FALLS TO DANCE FOR CHARITY

## Shriners Club Committee Make Elabo- rate Plans for First Annual Char- ity Ball

The Shriners of Twin Falls are making elaborate plans for giving a charity ball at the Masonic hall on Friday evening January 20. The ball will be given under the auspices of the Twin Falls Shrine club, and will be the first annual charity ball of that organization. It is the committee's desire to make this an annual affair.

Several committees have been appointed and plans are well under way to make this the big social function of the season.

Invitations are being sent to all Masons of the different cities in this part of the state, regardless of whether they are Shriners or not. The proceeds from the ball will be turned over to the Masonic charity committee to be used for charity purposes.

# RENEWING ACQUAINTANCESHIP'S

Barner Hart, a member of the Twin Falls Shrine club in 1915 and 1916, who left here in March, 1917, with the Twin Falls Shrine club, has returned and served in the world war as a member of the 14th Field artillery regiment. It is here for a few days renewing acquaintanceship. He is now employed in the circulation department of the Salt Lake Telegram.

# SPUD GROWERS OPEN FIGHT ON FREIGHT RATES

## Vote Disapproval of Proposed "Combination Grade" and then Turn Attention to the Transportation Charges

After casting a unanimous vote in opposition to adoption by the state of Idaho of the proposed "combination grade" for potatoes, a meeting of about 60 potato growers and shippers in Parish hall here Saturday afternoon, acting upon suggestions of Leonard Way, former traffic expert for the state public utilities commission and now secretary of the Southern Idaho Traffic association with headquarters here, authorized the appointment of two committees to take action on behalf of the potato growers with a view to obtaining reduction and equalization of freight rates on potatoes.

Committees named of T. S. Nielsen, C. E. Long and Alvin Harbert were appointed by George L. Leach, of Elmer, chairman of the meeting, to draft resolutions for submission to the interstate commerce commission at its hearing on general freight rates revision at Washington, January 11, and to the agricultural conference called by Secretary of Agriculture Wallace to convene in Boise, January 21.

To be only two committees, composed of Harry Walling, Elmer; B. S. Wood, Kimberly, and H. J. Weaver, Elmer, were appointed to confer with officials of the Southern Idaho Traffic association with a view to bringing about closer cooperation by potato growers with the association.

Discussion of advisability of adopting "combination grade" was the primary purpose of the meeting. This grade would provide for mixing of 75 per cent No. 1 with 25 per cent No. 2 grade. The question was presented in detail by J. H. Thomas, state potato inspector, and exhibits of the several grades adopted and in use by the state of Idaho for three years past, as well as of the proposed "combination grade" were on display.

Other Meetings Scheduled.

Mr. Thomas announced that January 17 at Butte and on January 18 at Burley. At these meetings Miss Canyon, state commissioner of agriculture, who was unavoidably detained from attendance at the meeting here, would be present, Mr. Thomas said.

Introducing his suggestions for action by the potato growers with respect to freight rates, Mr. Way briefly reviewed transportation rates in their relation to Idaho producers over a period of several years.

"Prices of potatoes are comparatively high in low because the country's potato crop was 81,000,000 bushels short last year," Mr. Way said, adding that the tendency of prices next year would be downward.

Declaring that in 1914 he had seen potatoes in the Boise valley going for 30 cents a hundred pounds, Mr. Way quoted figures to show that freight rates on Idaho potatoes to Texas markets, which are the largest consumers of the Idaho crop, had increased to a point where the grower gets only 14 cents a hundred pounds higher than it was in 1918. The increase in freight rates represents a tax of 47.60 against each acre of potatoes grown in Idaho," Mr. Way asserted.

Contrasting the situation of the Idaho growers with those of Minnesota, where the freight rates are only 14 cents a hundred pounds higher than it was in 1918. The increase in freight rates represents a tax of 47.60 against each acre of potatoes grown in Idaho," Mr. Way asserted.

# TREASURER RECEIPTS FOR \$800,000 TAX PAYMENTS

## Officials Give Figures on Collec- tions on Account of 1921 Levies

With practically all of the mail remittances accounted for, collections in Twin Falls county of real property taxes for the first installment of which the payment date expired December 24 last, aggregate approximately \$400,000. It was announced Monday at office of the county auditor that payments in a number of instances of the entire amount of 1921 taxes.

The total amount to be collected as taxes for 1921 is approximately \$1,800,000.

Officials of the treasurer's office expressed the opinion that delinquencies were not somewhat greater in amount this year than last. Last year, the records show, taxes were delinquent in the amount of approximately \$250,000. At this time, Mr. Way said, the Treasury had paid. Payment of delinquent taxes during the month of December last totaled about \$30,000.

Less than one per cent of the tax payments this year have been made in cash, officials said.

## MANY PROBLEMS NOW CONFRONT STOCK INDUSTRY

American Livestock Association in Convention at Colorado Springs Addressed by Senator Kendrick

COLORADO SPRINGS, Colo., (AP)—Never before have the stockgrowers of the country been confronted with as many or as serious problems as those being faced today. Senator John H. Kendrick, of Wyoming, told the American Livestock Association in convention here.

"The solution of our task," said Senator Kendrick, "lies along the line of patient and courageous cooperation on the part of all. Let it not be said that the laborers are few or lacking in diligence."

Senator Kendrick voiced his approval of what is known as the agricultural bloc in the senate when he said: "The prospect of obtaining modifications in the tariff bill, favorable to the wool grower and stock producers, is increased by the fact that nearly every member of the so-called agricultural bloc is in favor of such changes. And I may say here that the membership of this bloc is composed almost exclusively of senators from the west and south, and includes something like an even number of members of both political parties."

"The notions of this group of men are not based upon an attitude either in opposition to or in favor of any political party, neither are they antagonistic to anything for the welfare of any other industry or any section of the nation. They are less concerned as to party politics and more concerned about the welfare of the people for whom they assume to speak, and they have been particularly concerned in securing at least limited recognition for agricultural and livestock interests."

**Praise for Harding.**  
Senator Kendrick praised President Harding's efforts to secure some measure of relief for the livestock raisers and also paid a high tribute to Secretary of Agriculture Henry C. Wallace. "It is doubtful," he said, "if in all the land a man could be found more worthy and well qualified or one in whom there is reposed more universal respect and confidence than our present secretary of agriculture, Henry C. Wallace."

"An important part of our legislative program is the enactment of a law that will prove a more permanent system of credits for producers of livestock than are now available. We have at this time one of the most effective systems of commercial credits enjoyed by any of the great nations. The Farm Loan act has provided a fairly satisfactory method of making loans based upon landed securities, but no system of credits has yet been provided that will afford to stockmen reasonable means to loanable funds at low rates of interest and covering the necessary period of time required in the production of livestock."

In talking of the railroad situation as it concerns livestock raisers, Senator Kendrick said: "One of the many causes that have contributed so largely to the distress and discouragement of livestock producers has been the unjust, and, as we fully believe, the unnecessary, increase in freight rates."

In discussing market receipts Senator Kendrick said:  
**Markets Congested.**  
"One of the most serious questions demanding attention at our hands is that of congested receipts in our markets. It is reasonable to believe that stabilized receipts would go far toward stabilizing prices. It is becoming more and more apparent that there is an urgent need for some form of regulation by which receipts in our markets may be more evenly distributed. A conservative estimate would probably show that the heaviest losses sustained by stockmen are occasioned through our present indirect system of marketing."

"Summarizing the problems which are to be solved, we can conclude that we need and secure an adjustment of railroad rates that will be based upon equity and fairness."

"It would seem imperative that we promptly take such steps as seem advisable toward bringing such influences to bear as will tend to regulate the volume of receipts in our markets."

"Through co-operation with allied branches of our industry we must exercise such legitimate influences as we have toward increasing the consumption and thus the demand for our products."

## ITALY WANTS TO SHOW ALL THE WORLD HER TREASURE

Recovered Art Objects to be Displayed in Mammoth Exposition Now Planned

ROME, (AP)—Italy will soon hold an exhibition to display to the world the beautiful art treasures she has recovered from Austria in consequence of the war. The Italians claim that these objects of virtue were systematically stolen by Austrians from Italy in the days when the Italians were too weak to protect themselves. First and foremost among them are nine magnificent tapestries of Bible subjects. They are of Flemish workmanship.

These products of the first half of the 15th century were hung in the Ducal palace at Mantua. Emperor Francis Joseph ordered their transfer temporarily to the Imperial Museum of Vienna and later they were removed to the imperial palace in the Austrian capital. They have just been returned to Italy's possession and once more hang in the Mantuan Palace.

Some of the works of art just restored were among those carried off by Napoleon from the churches, palaces and country houses of the republic of Venice. They were returned to Venice after Napoleon's fall, only to be carried off to Vienna to become the brightest ornaments of the celebrated galleries there. Included in the number now returned to Italy are Cim di Cosmigliani's superb "Madonna of the Oranges," and pictures by Bartolomeo Vivanti, Jacopo Veronese, Biadani (the Master of Carpaccio), Tinoretto, Bellini, etc.

## MINIATURE SUBMARINE IS ATTRACTING ATTENTION

Tiny Undersea Craft Capable of Penetrating to Greater Depths Than Larger Boats

ROME, (AP)—A miniature submarine having a capacity of about one cubic yard and operated by one man has been invented by an engineer of Trieste to recover treasure from ships lost at sea and now lying in the ocean depths.

The little craft was devised by Francesco Kilim. It has an electric motor, a pump for expelling water and a device for changing the air within the submarine which will allow her to remain submerged for two hours.

The inventor of 1900 horsepower enable the worker to see clearly about him while immersed.

The little submarine is attached by an electric cable to a ship on the surface which can, if necessary, raise the undersea boat. The latter, however, rises to the surface without assistance. It is claimed that the little craft can descend to greater depths than have yet been obtained by submarines. The boat was recently tested by several naval experts.

## SCOTCH SECESSION IS NOT TAKEN SERIOUSLY

Forty Members of National League Meet in London and Discuss Scottish Independence

LONDON, (AP)—Now there is an agitation for the independence of Scotland.

Forty members of the Scots National league, which stands for complete separation from England, recently met in London and, to the wild strains of the bagpipes, affirmed their determination to fight, if need be, to gain complete and absolute independence for Scotland.

Speakers recalled that in 1706, Scotland was a free country with a national debt of only one shilling and seven pence per head of the population. Today, every Scotman owes 177 pounds. Scotland's contribution to the last year amounted to 113,487,000, but only one-quarter of this was devoted to Scottish purposes, they complained.

The threat of a Scottish secession has, however, failed to rouse anything more than a tolerant smile from the general public.

## PROTEST FILED IN SENATE

WASHINGTON, D. C., (AP)—A protest has been filed with the senate protest in the Forney tariff bill which would extend the duties of the United States returning from abroad to bring into the country, duty free, \$250 worth of personal belongings purchased overseas. The association also asked that the present allowance of \$100 be repealed.

## MISTAKE LEADS TO AWFUL CRIME

Strange Story of Banditry Bright to Light Case of Murder of Girl

SOFIA, (AP) — A strange tale of banditry resulting in the murder by mistake of a girl by her own father and mother is vouched for officially by the Bulgarian police.

Ivan, a peasant of Hissard, sold two calves for 10,000 leva and started home from the market with his daughter Milka. Fearing robbers he gave the money to his daughter. The father was attacked on the road and killed by two men who saw him make the sale.

Milka fled and sought refuge in a peasant cottage where a woman and her daughter comforted her and gave her dinner. Later Milka was sent to bed with the woman's daughter.

When the husband returned he told his wife he had killed a man uselessly, as the money he sought had been carried off by the murdered man's daughter.

The woman to whom Milka had told her story, repeated it to her husband and the two determined to kill the girl as she lay asleep to get the 10,000 leva.

Milka, in the daughter's room upstairs, overheard and escaped through a window. When police were brought by Milka they found the old couple had gone upstairs, and killed their own daughter by mistake in the dark.

## MODIFIED RULING ASKED

Big Five Packing Companies Want to be Again Permitted to Handle Groceries as Side Line

WASHINGTON, D. C., (AP) — Argument on the question of the modification of the big five meat packers' recent decree to enable them to resume handling their unrelated grocery lines began today before the special investigating committee representing the departments of justice, commerce and agriculture.

Modification of the decree was sought by the California Co-operative Cannery's association and other organizations on the ground that their business depended upon the packers' distribution system, while the proposal was opposed by the National Wholesale Grocers' association and other associations upon competitive grounds.

It is expected that a report will be made to heads of the three departments by the committee in about ten days.

## GOODING STUDENTS ELECT

Buna McGrew of Twin Falls is Chosen Vice-President of Student Body

GOODING COLLEGE, Gooding, Ida., (Special).—Election was the order of the day last Thursday, morning, when the students had full charge of the assembly. The officers selected for the coming year include James Tomlin of Payette, president; Buna McGrew, Twin Falls, vice president; Mildred Holman, Twin Falls, secretary; Thelma Throckmorton, Rupert, treasurer. The respective classes will now select their representatives. These, together with the officers, will constitute the forum, which will appoint a secretary of athletics, a literary secretary and a social secretary. The constitution of this organization which has charge of the different student activities at the college, is patterned after the constitution of the United States, with executive officers and the respective cabinet members.

## EUROPEAN MONARCH IS IN NO HURRY TO MARRY

King Boris of Bulgaria Not Likely to Choose Bride on Forthcoming Visit

SOFIA, (AP) — Young King Boris of Bulgaria says he has no intention of marrying an American girl if he visits America with Premier Stamboulsky next spring, as he now hopes to do. The king laughed when the idea was suggested to him that he might find an American queen.

"That is an extremely interesting and novel idea," he said, "but I am afraid it is not true. Anyway, I'm too busy with the reconstruction of the country and other vital problems to give any time to matrimonial projects."

"It is true that I have been living a life of great loneliness, devoid of all social diversion, but now I have my two sisters with me, and that makes a great change. You see it is the duty of a brother to get his sisters married off first before he himself marries," he concluded, turning with a smile to his two pretty sisters who were present.

## PLANS TOUR OF EUROPE

UNIVERSITY OF IDAHO, Moscow, (Special).—Dean J. D. Eldridge is planning to form a small private party and conduct them on a tour of eight European countries this summer.

"The fact that the Oberammergau Passion play will be given for the first time since 1910 is an especial attraction for this year," said Dean Eldridge. "Other notable features will be motor trips in England, through Provence along the Riviera, across several mountain passes in Switzerland and the Bavarian Alps, motor trips on Lake Como, Geneva, Thun, Lucerne, Briançon and Constantine, down the Rhine, and on the canals of Holland."

The battle fields of Chateau Thierry and Rheims will be visited. Considerable time will be spent in Paris, London, Rome, Florence, Brussels and other large cities. Most of the famous Swiss mountain resorts will be visited, including among others St. Moritz, Interlaken, Brig, Andermatt and Zermatt.

The dean plans to start from New York about June 17. The trip will require 11 or 12 weeks.

## PARLIAMENT IS CALLED TO MEET

Leaders of Sinn Fein Faction in Southern Ireland Summoned to Meeting

DUBLIN, (AP) — Leaders of the Sinn Fein faction opposing the peace treaty have been summoned for today by Eamon de Valera, deposed president of the Dail Eireann to consider the general situation growing out of ratification of the treaty. Meanwhile Arthur Griffith, the new president, has started the machinery of his provisional government, one of his first acts being to summon the south Ireland parliament for a meeting on Saturday for the purpose of formally passing upon the treaty. This formal ratification is specifically provided in the pact. Mr. de Valera has stated that he will ignore the meeting on Saturday and believes his followers will do likewise. The supporters of Mr. Griffith believe that this insures unanimous approval of the treaty by the remaining members, with the added votes of the four unionist members for Dublin university. It is rumored that one of the unionist members of the parliament may be added to the cabinet, thus giving a coalition complexion to the administration.

Evacuation Under Way. The British authorities have begun their evacuation from Dublin castle and announcement of the release of the Irish political prisoners is expected at any time.

The executive of the Cumann Na mBan, the Sinn Fein women's organization, at a meeting here last night adopted a resolution by a vote of 24 to 2 reaffirming its allegiance to the republic and refusing to support the Anglo-Irish agreement. George Markiewicz, the president, was in the chair and delegates from the country districts attended. The league has 5000 members in Dublin city alone.

## STUDENT SURGICAL LOAN IS GIFT TO UNIVERSITY

Veterans' Bureau Medical Examiner Contributes Fund for Emergency Relief at Moscow

UNIVERSITY OF IDAHO, Moscow, (Special).—Establishment of a student surgical loan fund by Dr. E. R. Edson of Seattle, medical examiner, U. S. Veterans' bureau, who donated \$300 for this purpose, was announced today from the office of President A. H. Upham. This fund will be available at a nominal interest rate for use of students who may happen unexpectedly to find themselves in need of surgical attention.

Health of university students is cared for by provision of an infirmary and resident nurse. These facilities are made possible by the payment of a student health fee which entitles each student to examination and to temporary care in the infirmary in case of illness.

Dr. Edson has just completed a physical examination of 40 men students as a part of the general examination of all students required by the university. He was substituting for Dr. E. W. White, medical examiner, who was on leave of absence. Dr. Edson has returned to Seattle.

## WILL TAKE ABOUT FIVE YEARS.

RHEIMS, France, (AP) — The city of Rheims may be rebuilt within five years. This is the opinion of Marquis Melchior de Polignac, president of the Co-operative Society for the Reconstruction of Rheims. At the most, he says, the work will not require more than six or seven years.

The amount of work remaining to be done is estimated by the Marquis to cost one billion francs, of which one hundred million is for reparations and nine hundred million for reconstruction. He says that the society will have 30,000,000 francs placed at its disposal each year for the next five years. This is by arrangement of credits with the department of public works.

## DANZIG LINES TRANSFERRED

DANZIG, (AP) — Transfer of the Danzig railroads to the Polish government, which is to administer the main transportation lines of the free city created by the treaty of Versailles, was accomplished recently without a hitch, this being one of the principal changes in completing the arrangements designed to give the new Polish republic an outlet to the sea.

The Danzig railroads are to be under direction of the Polish minister of railroads in Warsaw and operated in conjunction with the Polish state railroad system with an assistant director residing in Danzig. The Poles, it is said, plan to retain all the Germans employed on the Danzig division and in this way do their share toward maintaining friendly relations with the Danzigors so far as the railroads are concerned.

## ORDER VOTE ON ROAD DISTRICT

### County Officers Call Election on Kimberly Highway Organization

Creation of the proposed Kimberly highway district is to be submitted to voters of the proposed district at an election to be held on Saturday, January 28, under provisions of a notice of election issued today by the board of county commissioners.

Voting is to be done at the First National bank building at Kimberly, and polls will be open from 11 a. m. until 6 p. m.

Boundaries of the proposed district as set forth in the notice of election are:

Commencing at a point in the center of section 12, township 10, range 17; running thence east four miles to the center of section 10, township 10, range 18; thence south along the north and south quarter section line to a point where the high line canal intersects said line in section 27, township 11, range 18; thence in a westerly and northerly direction along the north bank of said canal to the point where the said canal crosses the north and south quarter section line in section 12, township 11, range 17; thence north along the said line to the point of beginning.

## OFFERS AMENDMENT TO NEWBERRY RESOLUTION

### Senator Willis Willing to Condon; Not to Deprive Senator of Seat

WASHINGTON, D. C. (AP)—Senator Willis, republican, Ohio, closed an one of the doubtful senators in the Newberry election contest, today offered an amendment to the republican holding Newberry, evaded to his seat, setting forth that the expenditure of such large sums by relatives or friends of a candidate with or without his consent was contrary to public policy and dangerous to the preservation of free government. Expenditure of such sums was "condemned and disapproved."

When the amendment was presented, Senator King, democrat, Utah, asked if Senator Willis, "would carry it to its logical conclusion and say that in view of such expenditures Senator Newberry is not entitled to his seat?"

"My amendment speaks for itself and we will meet them when we get to them," Senator Willis replied.

Call for a vote in the Ford-Newberry contest was made in the senate shortly after 2:30 o'clock today and the chair put the first question, the Willis amendment denouncing expenditure of money in such large quantities as in the 101st senatorial campaign in Michigan. Proceedings, however, were interrupted by call for a quorum.

## BRIAND RESIGNATION MAY AFFECT ARMS MEET

### Disarmament Conference Delegates Hear News of French Crisis with Varying Emotions

WASHINGTON, D. C. (AP)—The resignation of Aristide Briand as premier of France, was received with most lambent effect in arms conference circles, the action being considered likely to have a great effect on decisions already reached, or about to be reached.

The belief also was expressed in conference circles that the overturn of the Briand ministry would greatly affect the German economic conference in which American participation had been invited and also on the present conversations at Cannes.

No Immediate Change.

Conference officials declared that, as customary during a cabinet crisis in France, the resigning cabinet would remain in power for continuing the administrative work of the government, and in the same way Senator Briand would remain in Washington and would continue to be the work of the conference but would not feel entitled to make any definite decisions or to pledge the action of France on any question until the new cabinet is appointed.

News Officially announced.

Secretary Hughes announced official shortly afternoon today the fact of premier Briand's resignation to the heads of several of the armament delegations who were in conference with him at the time. The news was received with expressions of dismay.

"It is a very great surprise," said the head of one delegation.

## GENERAL STRIKE LOOMS

LONDON, (AP)—A general strike throughout the Union of South Africa is planned in sympathy with the gold and coal miners who are now out, says a Reuters dispatch from Johannesburg.

Subordinate organizations, however, are warned not to call a strike unless so advised by the South African industrial federation.

To Subdue the Light.

To modify the too-bright stream of light that falls from an electric lamp which has a porcelain globe it is a good idea to make a shallow bag of the thinnest silk in very pale flesh color or ivory, mount it on a heavy wire or frame having a hoop which will fit the lower part of the porcelain shade and draw the bottom together, fastening it with a Chinese tassel. Chiffon or any very diaphanous material is equally good for making this shade.

The News is read by the permanent earnings class.

## Lake Placid the Mecca for Winter Sports Folk

The season at Lake Placid, New York, is now on in full swing. Many of the visitors here have in former years gone to Switzerland for the winter sports, but now they claim they find all the sports they want at this resort. People from all over the country are making

Lake Placid their winter mecca. The above illustration shows some of the participants enjoying themselves. In the lower left hand corner is Miss Kathleen Davis of Galveston, Texas, adjusting her skates preliminary to taking a spin over the ice. Above her is Miss Helen

Kosloff, of Warsaw, Poland, who spends many hours entertaining her friends with exhibitions of fancy figure skating. In the center are members of the younger set off on the scent in the Hare and Hounds Skiing Tourney, and on the right is Miss Marie Ringler, of New York, an ardent hockey enthusiast.

## "MIRACLE" WAS BEYOND HER

### Unfortunate Italian Woman Threatened With Death by Her Superstitious Townspeople.

Torollo Rossi, a peasant of San Prospero, Tuscany, had been ill for some time. As the cure given did not improve his condition, the population decided that he was the victim of witchcraft. After taking council together, they decided that the witch must be discovered by the tests which have been in practice for ages, says a famous dispatch.

"The family of Rossi were told to put his underlinen into a pot of boiling water, and then beat them with rods. This process would cause grave physical pain to the witch, who would then call and cure the sufferer. This was done, and a few days later an old woman who had originally lived next door to Rossi appeared at the house. Her visit immediately condemned her in the eyes of the population as the witch and she was ordered to free her supposed victim from his illness.

She promised to do so, but said that it was impossible unless she had the aid of three other women, who were never conversant with witchcraft than she was. But the three were not forthcoming, and the "miracle" was therefore left to the old woman, who tried everything she could think of to cure the sufferer, but without success. The crowd was finally aroused to such anger that the unfortunate woman would probably have been drowned in the river but for the timely intervention of the carabinieri.

## Old Knicker and Golf Suit.

The house of Harrold, who is attending an up-state university, wrote a letter to his sister, Elsie, asking her to dig into his old trunk up in the attic and send him the knickerbocker Norfolk suit he wore during his junior year in high school. Remembering with what joyous abandon Harrold stepped out of short pants into his first suit of long trousers, mother could not figure out why he should want to become old.

A postscript cleared up the mystery, says the New York Sun:

"All the fellows are wearing golf suits on the campus," Harrold wrote, "especially on Saturdays and Sundays. I know dad can't afford to stake me to \$55 worth of new clothes, so I'll try to bluff the thing through with my old high school knicker and about \$2 worth of regulation golf stockings."

## New Kind of Clock.

A clock recently invented in England has some novel features. One of these is that the weight of the clock itself is the driving force which actuates the mechanism, the clock sliding down two vertical pillars; to wind it, therefore, all that is necessary is to push the clock up to the top again. One advantage attaching to this system, in addition to its simplicity and the absence of keys, is that the need for winding is visible at a glance; hence this necessary operation is not likely to be overlooked.

## Many "Treasure Islands"

A large number of islands in various parts of the world have had the reputation of hiding buried treasure. Stevenson's "Treasure Island" had no foundation in fact, but is stated to be the real result of his reading of stories by Defoe, Washington Irving and Poe, also Johnson's "Lives of Pirates and Highwaysmen," supplied him with many experiences on sailing ships. Stevenson himself said that the germ of the story was the map drawn for the wall of his stepson's playroom.

## TODAY'S MARKETS

### OPENING TONE IS FIRM

Drying of Coal Shares Leads Element of Strength to Early Hours on Exchange

NEW YORK, (AP)—Buying of coal shares imparted a firm tone to stocks at the opening of today's session. Reading, Delaware and Hudson, Delaware, Lackawanna and Western, and Lehigh Valley were higher by large fractions to 2 points. United Fruit, Endicott, Johns & Co., Famous Players made one point gains. Mercantile Marine preferred, Industrial Alcohol, and Inspiration Copper also strengthened. Mexican Petroleum, General Asphalt, and Bethlehem Steel registered moderate declines. Early dealings in the bond list indicated further activity in United States war issues.

## Chicago Grain

CHICAGO, (AP)—Fresh upturns today in the price of wheat resulted from a scattered commission buying. Firms in Liverpool quotations was the chief bullish factor. Sustained buying power, though, was lacking, and the gains failed to hold. Opening quotations, which ranged from 1-8 to 7-8 higher, with May \$1.11 1-2 to 1.11 1-2 and July \$1.00 1-2 to 1.00 3-4, were followed by a setback to around yesterday's last figures.

Subsequently resignation of the French cabinet together with purchasing of seed wheat for Russia led to another advance, which, however, was only in part maintained. The close was unsettled at 3-4 net decline to 1-8 gain, with May \$1.11 1-2 to 1.11 1-2 and July \$1.00 1-2 to \$1.00 3-4.

Corn and oats were firmer with the wheat. After opening 4 to 1-2 to 5-8 higher, May \$1.34 to \$1.34 7-8, the corn market reacted a little.

Oats started 1-8 to 1-4 to 1-4 to 3-8 up, May \$1.58 to \$1.58 3-4 and hardened a trifle more, but then sagged some what.

## BREAD AND MILK REFRESHES

Nothing Better to Restore Tired Nerves and Muscles—Children Also Relish It.

A good, old-fashioned bowl of bread and milk, says the dairy division of the United States Department of Agriculture, is the very best restorative at the end of a hard day's work. On a cold night the bread may be dropped in hot milk, enough to wet it thoroughly, with just a suspicion of salt for flavor. In England's damp climate a bowl of bread and milk is the first thought of a home comfort for a day in the open. Almost every brain worker, whether student or professor, doctor, preacher, or business man, knows the refreshing tonic of a steaming bowl of bread and milk. Most children like it, and nothing could be better for them at bedtime or for lunch.

## WHEY HONEY AS SUBSTITUTE

Most Delicious to Spread on Waffles or Pancakes—Strap Will Keep Indefinitely.

The first thought in the disposal of sour milk on hand is usually cottage cheese. The whey that remains after draining the cheese may be used in bread making, and as a drink for invalids. Whey honey, for which a recipe is given, is delicious to spread on waffles or pancakes, or as a puddling sauce.

Whey Honey.  
1 cup whey  
1-3 cup sugar  
Mix whey, sugar and vanilla and boil the mixture till it is of the consistency of strained honey. This syrup will keep indefinitely if properly bottled.

## Sleep Before Evening.

Not to discriminate every moment some passionate attitude in those about us, and in the very brilliancy of their gifts the tragic dividing of forces on their ways, is, on this short day of frost and sun, to sleep before evening.

—Walter Pater, in The Renaissance.

## Source of Mosquito's Humming.

There is an apparatus for a long time overlooked or neglected by the investigators, at the base of the mosquito's wings, whereby the characteristic humming of that insect may be produced. The species examined is the anopheles maculipennis and the apparatus consists of a slightly movable bar provided with a series of well-oiled teeth, which, as the wings are raised and lowered, rasp across a series of ridges—Brooklyn Eagle.

# SHERIFF'S WORK INCREASES WITH PASSING YEARS

## Annual Report Shows Almost as Much Collected in Fees in One Year as During Predecessor's Two Year Term

Indicating largely increased demands upon the sheriff's office and low cost of operation of the office under the administration of Sheriff E. H. Sherman, an annual report just filed with the board of county commissioners shows fees collected during the year in the amount of \$901,002, as compared with \$921,200 during two years of administration of A. N. Sprague, 1918-20 and \$107,607.71 during the four years term of Frank M. Kendall, 1914-18.

As compared with the \$901,002 collected by the present sheriff's office and turned over to the county treasurer, the average annual collections under the Kendall administration were \$22,525.93 and those of the Sprague administration, \$27,160.

### Fraught with Responsibilities

The Sherman term thus far has been fraught with extraordinary, and in many respects, highly important activities. All told the sheriff's office has looked after the county in a number of major or minor importance. In addition 110 cases have been looked on account of the city of Twin Falls, bringing the total charges down on the blotter of this department to 381.

In point of numbers, looking for petty larceny stood first in the list of cases brought into the sheriff's office. Of these there were 68 cases of illegal possession and manufacture of intoxicating liquor amounted to 26 and with those, arrests on had check charges, were next to petty larceny in number. There were 29 misdemeanor cases during the year and 20 on charge of assault and battery. Murder cases numbered four for the first year of the present term, among them being the notorious Lewis Southern nation charging with murder of her fourth husband, Edward P. Meyer, of the Blue Lakes ranch by administration of arsenic derived from poison flypaper.

To Sheriff Sherman is due a large amount of credit for running down the woman in this case and bringing her to justice. Her trial resulted in conviction and sentence to a term of six months in the state penitentiary. Mrs. Southern's arrest was made after long and arduous search, conducted by Deputy Sheriff V. H. Ormsby, directed by Sheriff Sherman and assisted by Attorney Frank L. Stephan. Apprehension was made in Honolulu and concluded six weeks' chase over the entire south section of the Pacific coast.

### War on Liquor Trade

Sheriff Sherman and his aides have been particularly active on their operations against bootleggers and for the suppression of that illegal traffic in this country. This activity is demonstrated in the figures showing three dozen arrests made in the past year for illegal possession or manufacture of "moonshine" whisky.

### Tabulation Tells Story

The following tabulation tells the entire story of the work done by Sheriff Sherman and his helpers since inauguration into office a year ago:

<b>Total</b>	<b>272</b>

Prisoners committed to the charge of the county sheriff in year just concluded consumed 7,000 meals, all of which were prepared in and served from the sheriff's kitchen. Of the 110 culprits taken care of by the sheriff for the city most were common drunks.

### Drive Tests Enemies

Besides the birds, there are numerous insects which attack the fruit, the wood and the leaves of the orchard. The most dreaded of these is a small fly called Dacus oleae, which is about half the size of a common house fly. The female has a sting like a wasp, with which she punctures the fruit where she deposits her eggs. It is estimated that this single fly will thus destroy 300 or 400 olives.

### Where Men Carry Fans

The folding fan came originally from Japan. In the East fans were carried by both sexes and were much used at important ceremonies. The Japanese had fan, colored with red and blue, and there are some fans which have a small portrait concealed in the handle. The folding fan was introduced to England in Henry VIII's time, coming from Italy, to which it had been introduced by Catherine de Medici.

Mrs. Wilbur Hill was hostess to the Wednesday Bridge club this week. Mrs. V. H. Ormsby won the prize for high score, and Mrs. E. S. Larned the consolation. Eleven members were present.

The Loah Camp Fire circle met at the home of Miss Jane Maxwell on Wednesday evening last Wednesday afternoon. First aid to the injured was studied.

The Unity club held their regular monthly meeting at the home of Mrs. J. E. Emery on Sixth avenue east on Wednesday afternoon, with Mrs. J. A. Flynn, and Mrs. M. Whittington as assistant hostesses. It was a Benjamin Franklin day and members responded to roll call with one of his sayings. After the business session an amusing and interesting program was given, most of those present reciting a selection from his sayings. The year was in school. Twenty-five members and five visitors were present and a delicious waffle luncheon was served.

Mrs. A. W. Husted entertained the Harmony club yesterday afternoon at her home on Sixth avenue north. Twelve members enjoyed an afternoon at bridge and Mrs. Ernest White won the club favor. A two-course luncheon was served at the close of the game.

Twelve ladies met at the home of Mrs. Roy Shaw on Wednesday afternoon to organize the Women's Progressive club. Officers were elected as follows: President, Mrs. A. E. Henderson; vice president, Mrs. F. D. Sheldon; secretary, Mrs. Walter E. Hughes; treasurer, Mrs. F. D. Sheldon. After the transaction of business an hour was spent socializing and refreshments served. Those present were Mesdames William Wallace, Albert Wallace, Walter E. Hughes, F. D. Sheldon, Hugh Sheldon, Charles Stockman, Alan Gideon, J. P. Ahern, A. E. Henderson, J. L. Paulsen, Roy Shaw and Miss Annalyn Evans. The next meeting will be held at the home of Mrs. J. L. Paulsen, January 25 at 2 o'clock.

The Royal Neighbors' club met yesterday in all-day session with Mr. Robert Graham on Addison avenue. The party met on Shoshone street at the Peter's brothers shoe shop where cars were in waiting to convey them to Mrs. Graham's home. Each member carried a basket containing an article of food and at 2 o'clock a delicious dinner was served in cafeteria style. Games, music and refreshments were the amusement for the day. Those present were Mesdames Cora Patton, Cora Crause, Mabel Skinner, C. P. Nare, Hattie Ludlum, Helen Minnery, Fannie Ham, Hazel McCollister, E. E. Stoffer, E. E. Stoffer, Hazel Knight, Grace Heartfield, Orpha Leamer, L. M. Dilley, Vern Snairs, W. Fehuh, John Peters.

The M. S. S. club met at the home of Mrs. J. E. Duke on Wednesday, January 11. After the business session an interesting program on Idaho was given. Mrs. J. H. Rintson played two beautiful piano solos. Mrs. Barton E. Morse spoke on behalf of the moving picture now being shown at the high school for the benefit of the Boy Scout fund. Mr. Walter and Mrs. M. E. Duke reported on the hot lunches being served the pupils at the Lincoln school. It was decided to have an all-day session at the home of Mrs. Charles E. Duke and invite the men of the family. During the social hour Mrs. Duke and the assistant hostesses, Mrs. Walter Parish and Mrs. Joseph Laughlin, served dainty refreshments.

Members of the Knights of Columbus entertained for their ladies with music and cards last evening at Odd Fellows hall. Seventy-four persons enjoyed the affair.

### TO OPEN PRACTICE

Dr. J. H. Tyrrell of Chicago who has spent the past week in Twin Falls, has decided to open offices here for the treatment of medicine and surgery. He has his future home. Dr. Tyrrell is said to have specialized in the treatment of diseases of women and has given particular attention to gynecology. He declares that the winter climate in Twin Falls suits him better than that of any other section he has ever visited.

### Knew One, at Least

It was an East end school. The teacher had been telling the children about Noah's ark and the Ark of the Covenant. And then she asked the class if anyone knew of any other ark. One of the boys, who had been spending his evenings reciting Christmas carols: "Yes, mum, 'Ark the 'erid angels sing!"—London Chronicle.

# PIG CLUB GIVES TWIN FALLS COUNTY TO TWIN FALLS LAD

## Alfred Stronk, Twelve Year Old Son of Twin Falls Post- master, Makes Net Profit in Year of Over \$1,100

Alfred Stronk, 12-year-old son of M. A. Stronk, Twin Falls postmaster, and a member of one of the county's "pig" clubs, made a net profit of \$1,141.15 from a sow and eight pigs that won prizes at several livestock shows last fall.

The following article appearing in the current number of the Idaho Farmer, tells how he did it:

"And a little child shall lend them."

No stronger argument in favor of raising hogs, and especially purebred hogs of high class, could be made than by simply relating the actual experience of a 12-year-old boy of Twin Falls, Idaho, whose simple but interesting story would be an inspiration to men and boys of Idaho to accomplish at least a part of what this boy has done.

The first fall The Idaho Farmer representative attended in Idaho during the first season of 1921 was that of Twin Falls county at Elmer. There was a splendid showing of hogs at this show, but none attracted more interest than that of Alfred Stronk, the 12-year-old son of M. A. Stronk of Twin Falls, who had a sow and eight pigs that won many first prizes in a number of classes.

The boy, always accompanied by his father, who took an active interest in the showing and judging, secured his first prize, a sow and eight pigs, which he sold for \$1,141.15. He also won a number of other prizes, but the total value of his prize was \$1,141.15.

From W. H. Rambo, one of the best known breeders of Duroc Jersey hogs in southern Idaho, was obtained a brief history of the boy's success. He had been given a sow and eight pigs by Mr. Rambo, paying \$200 cash and giving him note for \$175, signed by his father as security.

"I realized that the hope of Idaho's future lay with the boys who are growing up now, and I wanted to encourage the boys," said Mr. Rambo. "I had returned from the county fair in 1920 and Mr. Stronk asked me if I had a splendid sow that I could recommend and would sell to his son. I told him the best girl I had in the lot was Pathfinder, and he wanted her. I sold her to him for \$200, and he wanted to encourage the boy. I would let him have her for \$375, on a year's time and take his note if Mr. Stronk would sign it."

"Who would hesitate to go into debt for a start in hog or cattle or sheep or any other livestock, for that matter, if he felt that he could accomplish half that this boy accomplished? His \$375 investment grew to \$1,141.15, and he has the sow, valued at \$500, left, and he expects to eclipse that record next year."

"The story of which Alfred Stronk, 12 years old, accomplished in one year with a start of a Duroc Jersey gilt will be more interesting if told in his own words. At the request of The Idaho Farmer representative, he wrote the story and here it is, just as he wrote it:

"On November 15, 1920, I purchased Pathfinder, a Queen, from W. H. Rambo for \$375. He gave me a note for \$175, and my note for \$175, due November 15, 1921. At that time she was a junior gilt and bred to Orion Joe. I gave her good care and fed her good feed, and she and her pigs together with plenty of good pasture. On March 5, 1921, she farrowed 12 pigs, four sows and eight boars. One of the sows, the one I fed the litter, the other 11. I fed the litter a little ground barley, some skimmed milk, some mineral foods, and kept them on plenty of good feed and alfalfa. By the 15th of the month the three sows weighed 200 pounds each and the boars 180 pounds each."

"On September 13 I took the dam, three gilts and five boars to the county fair, where I won \$170 in cash. This included all the first prizes against the breeders of southern Idaho, and the first and second in the club department. On September 25 the three gilts and five boars were sold to the club. The first boar, who they won \$120 in club and open competition."

"On October 22 they were exhibited at the Western Royal Live Stock show in Spokane. A competitor from the breeders of the United States and the club boys of the northwest, where they won \$110 cash. On November 5 they were exhibited at the club show in Portland, where they won \$120 in club and open competition."

"On October 22 they were exhibited at the Western Royal Live Stock show in Spokane. A competitor from the breeders of the United States and the club boys of the northwest, where they won \$110 cash. On November 5 they were exhibited at the club show in Portland, where they won \$120 in club and open competition."

"I sold all the boars to breeders for \$225 cash and I do not want to sell my three gilts and Queen. The Queen at \$400. "Queen is bred back to Orion Joe and is due to farrow about March 2, 1922. Two of the gilts are bred to the better champion boar at the Idaho state fair and the Western Royal and the other one is bred to a litter mate."

to the above boar. They will farrow about March 5, 1922.

"I owe my success to A. I. O'Reilly, my club leader, who helped me and visited me very often and made suggestions which were of great help to me. Milo Davis and John Owens, who are older club boys, also helped me and showed the pigs for me at Spokane and Portland."

"I feel well satisfied with my club work in the last year and will try and do as well, if not better, next year.

Winnings at fairs—	\$437.00
Sale of boars—	250.00
Value of gilts—	525.00
Total receipts—	\$1,212.00
Expenses—	
Prize pig—	145.35
Nominal fee—	75.50
Feed to Nov. 1, 1921—	150.00
	\$370.85
Net profit—	\$1,141.15

"I was obliged to pay one-half of the freight charges to fairs, as my prize winning was of great help to me. The total winnings won by pig club members of the county."

"ALFRED STRONK, Age 12 years."

In the report above Alfred did not count his sow, which cost him \$375 and which he values at \$500, making another \$125 profit to be added to the \$1,141.15 shown in his report.

Worth Considering

The question is not so much how you contract a cold, but how to get rid of it with the least loss of time and inconvenience. If you will consider the experience of others under similar circumstances, who have been most successful in checking their colds, their beginning, you will secure a bottle of Chamberlain's Cough Remedy without delay, and use it faithfully. There are many families who have found this preparation successful for years and hold it in high esteem. It is excellent—adv.

### WIDOWED SALE

One of these to Our Readers.

Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first, we feel sure we are now believing its truth now. The following experience of a Twin Falls man is confirmed after seven years.

Wm. Secord, carpenter, 235 Main Ave., says: "I had pains and aches in my back and suffered terribly. I was also bothered with my kidneys acting irregularly. Doan's Kidney Pills were recommended and I found them fine. Since then when I have caught cold and been bothered with kidney disorder I have used Doan's and they have always given me prompt relief."

### LASTING RESULTS.

Over Seven Years Later Mr. Secord says: "The relief Doan's Kidney Pills gave me has lasted. I don't simply say for a kidney remedy—Doan's Kidney Pills—the same that Mr. Secord had. Foster-Milburn Co., Mrs. Buffalo, N. Y."

# AMERICAN FALLS PROJECT HINGES ON TIME FACTOR

Idaho Delegation Works for the Extension as Expiration Date for Signing Contract Nears; Fall Away from Capital

Time for acceptance by Secretary of the Interior Fall for the reclamation service, of a contract under which the reclamation service will obtain from the Idaho Power company certain rights and property, according to the plan of the American Falls project, will expire tomorrow in the absence of Secretary Fall from Washington. Idaho's congressional delegation is successful in securing an extension of time.

Congressmen received today by the Twin Falls Chamber of Commerce from Representative Addison T. Smith, and by the Twin Falls Canal company from Senator W. E. Borah, Senator F. R. Gooding, Representative Burton L. French and Representative Smith. Idaho's congressional delegation is actively engaged in endeavor to secure such an extension of time, with some prospect of success.

W. G. Sewall, state engineer of reclamation, and State Senator Irving E. Rockwell of Hainley, are in Washington to urge acceptance of the contract, and, according to Representative French's statements, are to be met by the delegation today with Acting Secretary Finney on the situation.

Counts on Director Assurance of the support of Director Reclamation Davis in the enterprise is expressed by Senator Borah. The message from members of the congressional delegation came in response to resolutions adopted by the chamber of commerce and canal company, and transmitted by wire to Washington Tuesday.

Representative Smith's message to the chamber of commerce follows:

"Secretary Fall is absent until about January 20. We are endeavoring to have the option extended until his return. The acting secretary has no authority to sign."

Interview Scheduled In his message to the canal company, Mr. Smith said:

"Secretary Fall is absent until January 20. Second and backwell are here. The Idaho delegation will have an interview today with Acting Secretary Finney and urge signing of the contract."

Senator Borah's message to the canal company follows:

"Secretary Fall is absent. Effort is being made to get him back here on the contract. Rockwell and French are here. Everything is being done that is possible. We feel sure of Davis' support."

Secretary Gooding says:

"I am advised by the first assistant secretary of the Interior, Judge Finney, that Secretary Fall will not return until about January 20. As soon as he is in Washington you may be assured this matter will have my constant attention."

Representative French says:

"I am giving every attention to the American Falls irrigation project in line with my telegram."

The resolutions adopted by the canal company stockholders at their meeting Tuesday, touching upon this subject, which were transmitted by wire to Washington, are as follows:

"Whereas, a contract is pending between the United States reclamation service and the Idaho Power company which will either be signed or rejected by January 12, and

"Whereas, the whole American Falls reclamation project depends upon the signing of this contract by Secretary Fall for the reclamation service, and

"Whereas, there are several other irrigation projects depending on water supplies from this source, including the 50,000-acre project of approximately 70,000 acres additional life of the Burley reclamation project, comprising approximately 4,000 acres of land, and several other possible projects including the Burley project of any size from 600,000 acres downward, and a number of other proposed projects, and

"Whereas, the South Side Irrigation district has contracted for and intends to receive additional water supply from the American Falls reservoir,

"Resolved, that the stockholders of the Twin Falls Canal company, at their meeting assembled, that we urge Secretary Fall of the department of the Interior to sign the pending contract with the Idaho Power company, and

"Further, that we urge our congressmen to use their good influence with the secretary to secure his signature, and that the secretary of the canal company be instructed to wire copies of this resolution to our senators, representatives, and Secretary Fall."

## BASKETBALL SQUAD IS TRAINING FOR BATTLE

Forthcoming Game with Filer Promises to be Hot Fought from Start to Finish

Coach Evans had the basketball squad out last evening for a hard workout in preparation for the coming game Friday evening with Filer. Coach Evans realizes that Filer will try to win the opening game and is putting forth every effort to have his team in tip-top shape. True to form, Evans refused to divulge the names of the players who will be on the floor, but affixes to say the best material that is available will be there. The game will start at 7:30 sharp, ending at 9:30. Evans refused to be shown after the game, in the high school auditorium.

## BASEBALL CHATTER

Bart Woolman, formerly of the Washington Americans, and later with the Ogden team in the Cache Valley league is in town, and is very anxious to spend the summer in Twin Falls. Bart is a first baseman of the highest type, and a real slugger. He is an electrician, and is willing to go to work at his trade if a place can be found for him.

The first real move toward having baseball in Twin Falls this year took place yesterday. It looks very much as if the fans of this city will have their ball this coming season with considerable less expense.
