

EXPERT GIVES HINTS IN SUCCESS WITH POULTRY

Housing and Ration Paramount
Factors; Oites University's
Record

Most satisfactory profits from poultry are to be obtained when flocks are fed on grains and by-products of the farm, including skim milk. H. R. Parkhurst, professor of poultry husbandry at the University of Idaho, told audience at the farmers' last October last week. The beginner should start with 150 to 200 birds rather than a thousand or more, and his flock should be composed of a breed that he likes. There should be no mixed breeds and breeding

When it is determined what breed is best liked by the individual poultry man, and his success in handling a few birds is demonstrated by experience, Mr. Parkhurst advised, the flocks may be increased as the birds themselves may for such increase.

Paramount factors for success with poultry are housing and rations. Mr. Parkhurst gave the ration used last year at the university experiment station by use of which good results were

The scratch ration given by Mr. Parkhurst consists of 30 per cent wheat, 25 per cent corn and 25 per cent barley. This ration is given for maintenance and exercise only and is secured in

The mash ration, which is to be in a hopper, accessible to the birds at all times, is composed of 40 per cent mill run, 30 per cent corn meal, 20 per cent ground oats, and 20 per cent wheat meal. This is to be given with molasses equivalent to 30 per cent of the whole or all the skim milk the birds will take.

Previously in the course of his address, he had laid stress upon the necessity for economy coupled with efficiency in educational affairs. He called attention to the responsibility of the school system to boys and girls and pleaded for adoption of educational

resources or practical value. In this connection he charged that country schools were too prone frequently to model their courses of study after those of city schools, instead of adopting courses of real benefit to future citizens of the community in which they are situated.

Former Vice-President and Cashier Called Upon to Make Loan Good

Emanuel E. Colpin and James A. Jolnitz, formerly vice-president and cashier respectively of the Oakley State bank are defendants in a suit filed here Friday for the bank to compel them

to repay to the bank \$0,450, which they are alleged to have loaned as officials of the bank to E. J. Childs and F. A. Childs without authorization and "in excess of the amount allowed by law." The loan in question was secured by promissory notes and mortgages, which the bank, in its complaint, declares are worthless. The action is instituted in conformity with provisions of a resolution adopted by the bank's board of directors. The complaint is signed by H. A. Grohosky, cashier of the institution, and Sweeley and Sweeley are the bank's attorneys in the action.

IS RIFLED BY THIEVES
Intruders Take Between \$6 and \$7 in Currency and Overlook \$6 Bill

Between \$6 and \$7 in currency was taken from a drawer in the librarian's desk at the public library Friday night while a \$5 bill in the money sack was overlooked by thieves who apparently entered the building through a window at the rear after tearing off the screen door, breaking the pane to reach the lock and made their exit through the entrance at the rear by breaking a small padlock on the inside of a screen door.

Loss of the money was reported to police headquarters Saturday. The police believe the work to be that of juveniles.

TAXPAYERS ARE ASKED OPINION ON TAX ISSUES

Chamber of Commerce Committee Sends Out Questionnaire to Get Suggestions on Reducing Public Expense

Under five general headings, a questionnaire sent out Tuesday by the Twin Falls Chamber of Commerce tax committee invites suggestions on how to reduce taxes and asks specifically: "What changes do you recommend in any of the following departments?"

1. State taxes. 2. County taxes. 3. Highway district taxes. 4. School district taxes. 5. City taxes.

Under county taxes, persons replying to the questionnaire are asked to give suggestions as to several activities of the county administration as follows: Administrative offices; agricultural fair; care of poor; courthouse; farm bureau; county agent; club; and agricultural labor agents; other county expenses.

COMMISSIONERS PUT QUESTION.

In connection with the request for expression of opinion as to the agricultural fair mention is made of the request of the board of county commissioners for suggestions about the fair, which last year cost the taxpayers \$7,997.33 above gate receipts collected, and the direct question is asked, "Do you favor reducing the fair to a three-day, two-day or one-day affair? If the fair is eliminated entirely, it is explained, the grounds revert back to the donors.

Residents of cities who receive the questionnaire are asked to make suggestions as to administrative offices, water department, police department, streets and other city tax expense. The questionnaire is prefaced with the statement that the chamber of commerce committee "concludes that one way possible to reduce taxes is to reduce expenses of various departments, if possible without impairing efficiency."

REPRESENTS WEEK'S WORK.

The questionnaire sent out Tuesday represents work of the tax committee covering a period of several weeks during which committee members, in cooperation with the county commissioners, county assessor and officials of the Twin Falls city administration.

FINAL TRIBUTE IS PAID TO TWIN FALLS PIONEER

Fraternal Associates and Companions in Arms Conduct Greenhow Funeral

Attended by fraternal associates of the Knights Templar and Masonic lodge and by companies from the Grand Army of the Republic together with a large number of friends sorrowing with the bereaved relatives, funeral services for the late William H. Greenhow, pioneer resident of Twin Falls, were Tuesday afternoon held at Aconson church, Episcopal, under direction of the Knights Templar and the rector, the Rev. Chester Glenn Ball.

The simple casket containing the mortal remains of the pioneer was almost completely hidden under banks of flowers.

Fullbearers were chosen from among the Knights Templar. Services at the cemetery were conducted by Dan McCook post, Grand Army of the Republic, where military honors were to be paid by the veterans of the civil war with the assistance of members of the American Legion serving as bugler and members of the firing squad.

Inquiry Indicates Nocturnal Prowler is Not Man But Cat

Police Respond Promptly to an Emergency Call and Reassure Frightened Women

An emergency call to the residence district in the east quarter of town was received Friday evening at police headquarters. Information carried by telephoned message to officers was to the effect that a man was prowling about in that vicinity. Within five minutes thereafter the officers had cranked up their car and were on the scene. The only tracks revealed by inspection of new fallen snow about the premises were officially identified as those of a tom cat.

The visit of the police, however, served to reassure and calm the nerves of two frightened women. Incidents such as this, Chief of Police Ben J. Brown, this morning observed, ought to tend to establish confidence of the police in the police force and offer convincing evidence of its increased efficiency consequent upon establishment of the recently opened police headquarters.

Former Residents Visit—Mr. and Mrs. Granville Haught were visitors in Twin Falls Saturday afternoon when they were living since Mr. Haught resigned as manager of the Blue Lake ranch.

LOSS OF MILK BOTTLES HELPS KEEP COST HIGH

Dairymen Give City Officials Interesting Sidelights on Industry

Loss of milk bottles is an important factor in determining the cost of milk, S. H. Kaylor, spokesman for a delegation of dairymen, Monday told members of the city council. For each quart of milk delivered, Mr. Kaylor said, the dairymen must have in stock four quart bottles. Loss during the year runs as high as 175 to 200 per cent, and the cost in wholesale quantities is 16 cents a bottle.

Many missing bottles, the dairymen asserted, find their way into the hands of small boys who find a market for them generally at suburban groceries. Others are thrown into garbage cans half filled with sour milk, while in one instance, a housewife found her supply of jam and jellies. Low cost of loss is a minor factor in reducing cost of milk, the dairymen declared, citing his own records to show that milk from the cow to the milk room when it was at its peak price, cost him only 13 cents a gallon more than it does today. The heaviest expense is involved in handling and delivery of milk from the milkroom to the consumer.

Apparently, used in handling milk has increased in price more than 100 per cent. It was noted, as an expensive item now as it ever has been. Dairymen have reduced the price of milk to the consumer to a greater extent than they have been able to reduce their cost in handling, handling and delivering it, it was declared.

EVIDENCE OF BOOZE AND BELLIGERENCY IN COURT

Police Magistrate Hears Various Accounts of Encounters from Lips of Scared Participants

Haled into police court here Monday on charges of being drunk and fighting, James Kirk agreed to pay in installments a fine assessed in the sum of \$25, and costs in the case.

Kirk was taken in custody Saturday evening by Chief Gregory, who was accompanied by the police that Kirk was relating effort of J. B. Rice to oust him from Rice's dwelling on Fourth avenue south. Kirk, in court today, said that he had gotten into Rice's shack by mistake and that he was endeavoring to make his departure. At the time he was arrested but that he feared to turn his back on the place so long as Rice continued threatening him with a shotgun. Rice said that Kirk came to his place with the announced purpose of doing away with Rice. A witness to the encounter, who gave "remarks" which he did not recall, and that he had summoned the police after the shotgun, which he had taken from Rice, had been "snatched" from his grasp by a companion of Kirk. Both principles in the encounter displayed evidence of its sanguinary nature.

Gregory, with the Harrisons, was taken Sunday evening from the premises where Gregory had clashed with the proprietor after refusing an order to quit the premises because of his intoxicated condition. Gregory also bore marks of his encounter.

SUES BONDING COMPANY IN SPUD BUYER'S CASE

Boyle Commission Company Asks Payout and Deposit Company to Pay Full Amount

Suit for the Boyle Commission company against the Fidelity and Deposit company of Maryland, for recovery of the full amount of a \$5000 bond furnished by the latter company for Otto Steinberg, potato buyer operating in this district, to indemnify him against possible loss by reason of award of damages in litigation brought by Otto Steinberg against Steinberg last March, was filed Monday afternoon in district court here by Taylor Commings, an attorney for the Boyle company.

The complaint recites that after the bond was furnished a jury in district court returned its verdict awarding judgment for \$266,822 and costs in the sum of \$29,100 for the Boyle company and against Steinberg.

CASE OF DIPHTHERIA DISCOVERED IN SCHOOL

County Physician Urges Necessity for Close Care of Health of Persons Exposed to Disease

County Physician Dr. C. Q. McGinnis reports two recent cases of diphtheria in children. The first case occurred on Friday and the second on Saturday. Attention to the necessity of close care of the health of all who may have been exposed to the contagion.

Miss Eva Schlatter, teacher at the Lincoln school was forced to give up her work in class today and her ailment is now diagnosed as diphtheria. Children in the class are being kept at 321 Fifth avenue west are also announced to be suffering from the malady.

Miss Schlatter, according to Dr. McGinnis, stated that the children among her pupils Friday appeared to be unwell, and the teacher is inclined to believe that she contracted the disease from one of the children.

Evacuation of the occupied room at Lincoln was going forward Saturday. Here from Shoshone—R. J. McElhenny of Shoshone spent two days in Twin Falls on business the latter part of last week.

HOOP TOURNEYS PLANS ADOPTED

Interscholastic Board of Control Makes Rules for Determining Championships

High school basketball teams in each of the six districts into which the state has been divided for this purpose, will compete in the near future at a central point in each district to determine the district championship, under plans for determining the basketball championships as between districts and of the state adopted at a meeting in Pocatello Saturday of members of the Idaho State Interscholastic Athletic association board of control of which M. G. Mitchell, superintendent of Twin Falls schools is secretary and treasurer.

Mr. Mitchell Tuesday sent out to all high schools of the state copies of a report on the plan adopted.

DISTRICT TOURNEY HERE

The tournament to determine the championship of the fourth district, which includes high schools of Buhl, Piler, Hagerman, Halley, Jerome, Rupert, Shoshone, Twin Falls, Wendell, Bellevue, Burley, Gooding and Kimberly, will be held February 24 and 25 in the Twin Falls high school gymnasium.

The four districts of south Idaho will hold a tournament at Pocatello in the gymnasium of the Idaho Technical institute on March 3 and 4. The championship team of each of the four districts will participate in the best two teams of south Idaho will be determined.

Providing satisfactory arrangements can be made with the University of Idaho at Moscow, the state tournament will be held March 9, 10 and 11 at Moscow in the gymnasium of the university.

The two teams which win the tournament at Pocatello and also the championship team of each of the two districts of north Idaho will participate in the state tournament.

DISPOSITION OF RECEIPTS

The receipts at each tournament, whether district, sectional or state, after paying necessary local expenses, will be applied toward payment of the expenses of teams participating in the state tournament. The understanding of the authorities of the university is that practically the entire expense of transportation and entertainment of both teams from south Idaho and both teams from north Idaho will be met at the expense of the state.

The double-double plan will be followed in each tournament and full effort will be made to have excellent officials. R. H. Snyder, superintendent of the schools at Idaho Falls, met with Mr. Mitchell at the Pocatello meeting Saturday. E. L. Kier, superintendent of schools at St. Maries, the third member of the board of control, was unable to attend. President Frazier of the Idaho Technical Institute and Superintendent Siders and Principal Crawford of Pocatello schools were called into the conference, and rendered valuable assistance.

GOLDWATER DEFEATED IN FINAL TOURNAMENT GAME

Biggest Crowd So Far Witnessed Closing Event of Local Billiard Series

Standings

Player	W	L	Per.
Eppler	6	1	.857
Goldwater	5	2	.714
Eppler	4	2	.667
Bondbraker	4	3	.571
Snook	4	3	.571
Bailey	2	5	.286
Cummins	1	5	.143
Brown	1	6	.143

(By FRANK MATTISON.) Playing before the largest crowd of the tournament, Eppler Monday evening defeated Goldwater at Macanley's billiard tournament, by the score of 40 to 33, in 31 innings. It was by far the best game ever witnessed in Twin Falls billiard players being in wonderful form.

Goldwater's exhibition of bank shots was easily the feature of the game, although Eppler's across the table shots, and snook ball play were wonderful. His playing of these shots was almost perfect.

Goldwater won the bag, and made the first shot and went on to win the first inning, holding this lead until the sixty-seventh inning when Eppler tied him at the 20 mark. The breaks of the game from then on went to Eppler, who won the last three and three of two in the last 11 innings of play.

The victory last night gave Eppler the cushion championship of Twin Falls. Both players last evening resorted to safety play. And time after time they made shots that brought the crowd to its feet.

The billiard room was filled with an audience that rivaled the Hoppe exhibition of two years ago. It was a game that will long be remembered by all who were fortunate enough to witness it.

The Larson-Cummins game was forfeited by Cummins. The management wishes to thank all contestants and all the fans for their wonderful support in making this the first cushion billiard tournament ever played in the state. A source.

LOCALS WIN FROM BURL

By Very Narrow Margin Snappet and Cleanest Games of Season Brings Out Large Crowd from Both Towns

One of the best basketball games of the season was that of Friday evening when the Buhl basketball team, the local team, defeated the five from Buhl by the score of 28 to 23. The fair score from the west and also went down to defeat at the hands of the local, co-eds to the tune of 41 to 8.

The local girls showed a vast improvement over their play two weeks ago at Buhl. The now scoring runs were tried on during the game, counting a field goal throw overhanded as one point, and cutting two for regular throw. This method of scoring they have saved the Buhl girls a heavy loss on the way to the Twin Falls, as the locals made a great many overhanded goals. Nevertheless, it was a great game to watch, and once more Alvin Paige demonstrated that she is the best forward in this section. Minnie is in every play, and when it comes to shooting baskets some of the boys could learn a few things from her. Nora Black, the other forward, is also some player, making no less than eight field goals during the evening.

These were made in the regular way while she had five overhanded goals, making a total of 10 points for her. The guards, Lucille Wynn and Jennie Hoops, who started the game, did some wonderful work, allowing the Buhl forwards to throw but one goal in the first half. The rest of the game work of the regular guards, Fannie Humphrey and Mildred Haines, who replaced Wynn and Hoops, in the second half, showed that they are guards of the highest type. Ruth Cracker and Ruth Burns, the two centers, also did fine work.

For Buhl, Miss Kugg again did all the work of the team, as was the case two weeks ago at Buhl. Her work last evening ranks with the best on either team.

Boys Play Fast Game

The game between the boys turned out to be a fast one, with the teams playing hard to win. Buhl played a much better game than they played on their home floor, two weeks ago, and with five more minutes to play the game might have been altogether different.

Their play during the last ten minutes of the game, stamped them as a team that never quits even though one of the players is injured. The crowd present breathed a sigh of relief when the final shot was fired giving Twin Falls a 28 to 23 victory.

One Man Baled Out—Fools were frequent, 15 for the locals and 7 for Buhl. These were the result of over-zealousness on both sides. Putnam, the local forward, was the only fool. Referee Bracken, watched every move the boys made. The game was hard and fast but there wasn't the least bit of rough playing or a trace of ill feeling between the two teams. It was a hard fought battle from start to finish.

The locals took the lead in the first half, ending the first half with a score of 13 to 7 in favor of Twin Falls. At the start of the second half, Twin Falls continued to pile up a few more points, but with the leaving of Putnam, Buhl, feeling better, the two teams began taking advantage of every move. Toward the latter part of the game Putnam, Buhl's star center, made four points in less time than it takes to tell about it. His work last evening put him in a class by himself, he being the tallest and by far the fastest center in the league.

Angelo, Playing Guard for the West-enders, made his first appearance of the season last night. Angelo, who will be remembered as Buhl's mainstay at football and basketball last year, played a nice game last evening.

For the locals, all the boys seemed to be imbued with more than the average amount of pep, and their teamwork was almost perfect. Scott made several beautiful baskets, as did Jamison. Cron, as usual, played a snappy game, and Cole also showed that he should be considered as a real member of the team.

SOVIET BUDGET SHOWS A DEFICIT OF BILLION

Estimate of Income from Utilities Not Sufficient to Meet Needs, Says Report

MOSCOW, (AP)—The budget of the Soviet government for 1922, presented to the Congress of Soviets by M. K. Krivonozhko, commissar of finance, and finally adopted by the congress, shows a deficit aggregating 1,577,000,000 gold rubles. The estimated income from railways, licenses, customs, is 25,000,000 gold rubles. The estimated deficit of 1,577,000,000 gold rubles. (A gold ruble is equivalent to about 31 cents.)

FILER DEFEATS KIMBERLY

Good Playing Characterizes the Game; Preliminary Match is Interesting One

FILER, Idaho (Special to The News)—Piler high school basketball team defeated Kimberly Friday night by a score of 28 to 6, the team work of the Piler squad being too fast for their opponents. The game was a very interesting one, characterized by the work of both teams. Murray, Blackburn and Amon starred for the local players with Holden putting up a splendid game for Kimberly.

The eighth grade teams of both towns played a preliminary to the main event in which Piler was victorious by a score of 77 to 11.

The summary of the main event follows:

BURLEY LOSES TO OAKLEY

Basket in Final Minute of Play Settles Fate of Home Team in Good Fast Game

BURLEY, Idaho (Special to The News)—In a game that ranked with the best ever played in Burley, the fast Burley high school basketball team was defeated Friday night at the hands of the Oakley quintet by the score of 22 to 20. A basket in the last minute of play, made the victory possible for the visitors.

The largest crowd of the season witnessed the game.

TRAFFIC EXPERT LEAVES FOR NATIONAL CAPITAL

Leonard Will Appear Before Commerce Commission in Rate Hearings

Leonard Will, managing secretary of the Southern Railway Traffic association, left Sunday morning for Washington, D. C., where he will appear before the interstate commerce commission in hearings on general freight rates in the Pacific Northwest. Leonard has not completed preparation of all of the data which he expects to present to the commission with arguments for reduction in rates affecting Idaho producers and shippers, and will be engaged en route on this work, while members of the office here will complete the preparation of additional exhibits.

Mr. Will is expected to arrive in Washington Wednesday evening and to appear before the commission the next morning at the beginning of the hearing on the proposed rates. He will take part also in the hearing on the proposed rates and other rates of particular interest to Idaho producers and shippers.

HONOR COMES TO MUNSON

Twin Falls Man on Interstate Y. M. C. Executive Committee

C. E. Munson, of Twin Falls, is one of four new members of the interstate executive committee for Oregon and Idaho elected at Saturday's session of the twenty-second annual convention of the Oregon and Idaho Y. M. C. A. at Boise. Ten of the members of the committee were re-elected, four new members being added. Besides Mr. Munson the new members are C. A. Barton and Laurel E. Elam of Boise, and E. C. Boyd, La Grange, Oregon.

A. E. Roberts of New York, international field secretary and senior secretary in charge of county work, who Thursday evening addressed an assembly of 700 delegates at a banquet here, was a principal speaker at a banquet Saturday evening held in connection with the convention. Mr. Roberts spoke of and for the youth of America.

A decision was made regarding the handling his subject, says a Boise correspondent, and though the plea he voiced has been made by others it was presented as eloquent as to hold a peace of divers silent under the way of gripping appeal.

Mr. Van Hemert had been a resident of Twin Falls since 1918 when he came here from Des Moines, Iowa, with his wife, who is a sister of A. R. Ostrander, former resident of Twin Falls, now living in San Jose, Cal. For several months after his arrival Mr. Van Hemert was associated with Mr. Ostrander in a furniture store here, later came to employ of the Ostrander family.

While arsenic poison is given as the cause of Mr. Van Hemert's death, attending physicians today announced that the attacks of pneumonia and heart affection complicated his illness and hastened the end.

Fortune in Rubles Needed to Pay for Order of Groceries

Letter from Russian Relative to Chicago Man Gives Idea of the Conditions

CHICAGO, (AP)—Jacob Goldenberg, of Chicago, received a letter here today from his father in Mergorod, Russia, asking for a quarter of a pound of cheese, two pounds of sugar, two pounds of butter and a pair of socks. The cheese in Mergorod would cost 9000 rubles, the sugar 21000 rubles, the butter 34,000 rubles and the socks 2000 rubles. The total cost of the letter cost 2000 rubles.

He placed the orders here at the rubles exchange.

MURTAUGH ROAD DISTRICT VOTED

Decision for Divorce from Twin Falls Organization Shown. By 115 to 13 Vote

A. W. Nelson, W. G. Hall and Sam Cox were recommended for appointment by Governor Davis as commissioners of the Murtaugh highway district as a result of a ballot taken in connection with the road district at Murtaugh for creation of the district.

Nelson, Hall and Cox received high votes for commissioners from each of the three divisions into which the new district will be divided.

The candidates and the vote given each follow:

A. W. Nelson, 56; W. G. Hall, 48; Sam Cox, 38; Ben J. Brown, 30; A. D. Lee, 31; Ben Jan, 33; James L. Barnes, 28; Glenn Briggs, 14; R. B. Truie, 4; Francis Johnson, 19; T. D. Nash, 5.

Election of the Murtaugh highway district at an election Saturday at Murtaugh, Idaho, resulted in the creation of the Murtaugh highway district out of territory included in the original Twin Falls highway district.

Snow drifts covered roads north and south from Murtaugh to depths of from three to four feet and level with fence tops in many places so that voters, coming from these directions succeeded in breaking their way through only on horseback. The total vote cast was 50 per cent of the registered voters, as reported at Murtaugh Saturday forenoon.

APPRISERS TO BE NAMED

Returns of the election will be canvassed by the board of county commissioners within ten days, and thereafter appraisers will be appointed by the new board of county commissioners to determine the value of the property in the new district. Anticipatory estimates prepared by W. F. Edwards, assistant engineer of the Twin Falls district, gave the Murtaugh district a value of approximately \$18,000.

The Murtaugh district is the first to be created out of territory included in another highway district under provisions of existing state law, it is stated here, that the fact that the district is the first to be created under the provisions of the law, will be a factor in the determination of appraisers' awards as deemed likely to result in litigation before a settlement is obtained. Payment of the award due the new district as determined by the appraisers will be made in four equal annual installments.

HIGHWAY IS BOSS SPOT

The Murtaugh district, with a valuation in 1919 of \$1,191,883, contains about 13 miles of the Idaho-Pacific state highway or about one-half of the total mileage of the state highway.

The original Twin Falls district, which was created out of territory included in the state highway under three years' administration of the Twin Falls highway district, was considered a principal factor in influencing the vote at Murtaugh Saturday.

Creation of the proposed Kimberly district was voted down 127 to 54 at an election at Kimberly January 28, while formation of the proposed Haines highway district is to be submitted to an election at Haines on Saturday next. The Kimberly and Haines districts, as well as the Murtaugh district, were taken from the original Twin Falls district.

ARSENIC POISON YEAR ABO IS CAUSE OF DEATH

E. Van Hemert Succumbs to Baffling Ailment After a Long Fight

A victim of arsenic poisoning, which he contracted in an unexplained manner while in the employ of T. Clyde Bacon as foreman of sheep camps on the north side on February 23, 1920, E. Van Hemert died at about 7:30 o'clock Sunday evening at his home on Tenth avenue east. The body has been taken to the J. E. DeWitt undertaking establishment.

Mr. Van Hemert had been a resident of Twin Falls since 1918 when he came here from Des Moines, Iowa, with his wife, who is a sister of A. R. Ostrander, former resident of Twin Falls, now living in San Jose, Cal. For several months after his arrival Mr. Van Hemert was associated with Mr. Ostrander in a furniture store here, later came to employ of the Ostrander family.

While arsenic poison is given as the cause of Mr. Van Hemert's death, attending physicians today announced that the attacks of pneumonia and heart affection complicated his illness and hastened the end.

COURT EXCUSES JURYMEN

Judge Babcock Schedules Cases for Court Trial Before Next Term

With a score of more of members of the Twin Falls county bar association in attendance at sessions of the district court Monday morning, Judge W. A. Babcock announced that he had excused a number of cases for trial before the court and the absence of the jury during the interval remaining before the opening of the next regular term of court on February 28. Members of the jury summoned for service during the January term of court were excused from further service on Saturday afternoon.

SUSPECT FIRE NOT WHOLLY AN ACCIDENT

Loss of S. S. Northern Pacific
Develops Angle of Mystery;
Four Men Missing Believed
to Have Perished with Ship

NEWPORT NEWS, Va., (AP)—Survivors of the former transport Northern Pacific, which was burned at sea yesterday with a loss of four lives, are not convinced that the burning of the ship was wholly accidental.

While Captain William Lusti, who was in command, nor any member of the crew would make a formal statement concerning the fire, some of the latter declared they suspected foul play. Relief was expressed among the survivors that the fire was the result of some activity on board the vessel before she left her berth at Brooklyn.

An attorney for the Sun Shipbuilding company was here today for the purpose of obtaining sworn statements from the crew. So far as could be learned the agent failed in every case, the explanation being given that the men had been warned to say nothing.

**RELIEVED FOR MEN
LOST WITH STEAMER.**

NEWPORT NEWS, Va., (AP)—Members of the crew of the Northern Pacific, said on their arrival at Newport News early today aboard the steamer Transportation, they were almost certain the four employees of the Sun Shipbuilding corporation of Chester, Pa., reported missing were lost with the ship.

Twenty-one members of the crew and Captain William Lusti confirmed reports that another lost load of 10 men had been picked up by the tank steamer Herbert G. Wylie, which also was understood to be proceeding to Hampton Roads.

**CAPTAIN DECLINES
TO MAKE STATEMENT.**

Captain William Lusti, master, today emphatically declined to make any statement regarding the disaster which cost the lives of four men, employees of the Sun Shipbuilding company of Chester, Pa.

"The shipping board regulations are very strict. I am very sorry; I am unable to make any statement whatsoever," said Captain Lusti. "I am sure that another lost load of 10 men had been picked up by the tank steamer Herbert G. Wylie, which also was understood to be proceeding to Hampton Roads."

**ORIGIN OF FIRE
IS A MYSTERY.**

Captain Chase said his vessel first sighted the Northern Pacific about 1 o'clock yesterday morning and took the first look at about 2:30. The rescue work was completed at 3:20 and the Transportation stood by until 9 o'clock yesterday morning, at which time the Northern Pacific, listing about 30 degrees to starboard, was still afloat.

"I think she remained in that position, although of course that is just a guess," he said. "No one knows how the fire started. No one can imagine who she tried to do, for she was light at the time."

**LITTLE HOPE IS
HELD OUT FOR MISSING.**

No one on the Transportation early today held out any hope for the four

men of the Sun shipyard, Mallett, Hall, Kruger and Beckman, who were aboard the Northern Pacific.

"They are undoubtedly lost," said one of the men, with whom the Associated Press correspondent spoke before Captain Lusti requested that none of the men be questioned. Members of the crew say they were quartered near where the fire broke out, and none of them were seen afterwards.

MANY MEN ARE LAID OFF IN GOVERNMENT PLANTS

Operation of Terms of Disarmament Treaty Affecting
Thousands

WASHINGTON, D. C., (AP)—Orders have been issued by Secretary Denby for the suspension of all ordinance work designed for the vessels affected by the naval limitation treaty signed at the Washington arms conference. The effect of the orders, it was said at the department, will be to lay off temporarily those men whose work has been engaged on such work.

The yards covered by the order were those at New York, Philadelphia, Norfolk, Va., South Charleston, W. Va., Mare Island, Cal., and possibly Boston.

Thousands will be affected.

ASKS COURT TO CONFIRM BUHL BANK APPOINTMENT

State Finance Commissioner Petitions
for Judicial Approval of Selection
of Assistant

Orders of the district court confirming appointments by J. G. Fralick, state commissioner of finance, of assistants in connection with the closing of the Citizens State bank at Buhl, are sought in petitions filed yesterday afternoon in the office of the clerk of the court by Frank L. Steinhilber, an attorney for the commissioner. The petitions seek confirmation of the appointments of E. P. Dunlap of Twin Falls, an assistant to the commissioner; E. N. Johnson, an stenographer; and Mr. Steinhilber as attorney.

COURT ORDERS SALE OF RESTAURANT PROPERTY

Receiver's Report Shows Operation of
Model Cafe for 21 Days at Loss
of \$328.52

Order for sale by the sheriff of property interests of J. M. Orring, lessee, in the Model cafe, here, which on December 10, was turned over to William B. Ashdown as receiver, was yesterday afternoon, signed by Judge W. A. Bahcock in district court here. Mr. Ashdown's report as receiver, filed prior to issuance of the order for sale, showed claims in the sum of \$3832.04. Under the receivership the cafe was operated for 21 days with a loss of \$228.52 less the amount paid on labor claims and in fulfillment of meat ticket credits outstanding when the receiver took charge, the receiver's report showed.

C. A. Jungst, E. N. Whitney and Fred K. Wahl, as associated in the operation of the Independent Meat market and as assignees of the Kinney Wholesale company, prosecute the action against the restaurant keeper.

TODAY'S MARKETS

HIGHEST WHEAT PRICES
OF YEAR PREVAIL TODAY

Outlook for Crop in States Responsible for Well Defined
Note of Optimism

CHICAGO, (AP)—Highest prices yet this season were reached in the wheat market today chiefly owing to continued reports that the outlook for the domestic winter crop was precarious in Nebraska, Kansas, Oklahoma and Texas. These states contain roughly about 50 per cent of the total seeded area. Profit taking sales, led to some declines at the outset this morning, but then rather general buying set in, and the market rose rapidly. Opening quotations, which varied from 1 1/4c lower to 1 1/8c advance, with May \$1.29 3/4 to 1.30 3/4 and July \$1.15 3/4 to 1.16 1/2, were followed by a slight further sag in some cases and then a decided upsurge all around.

Subsequently, persistent profit taking sales and a lack of a continued aggressive buying brought about a downturn in prices. The close was weak, 1 1/2c to 1 3/8c net lower, with May at 5

\$1.29 5/8 to 1.29 3/4 and July \$1.15 5/8 to 1.15 3/4.

Liberal receipts of corn here and complaints of lack of storage room tended to prevent the feed grains from advancing with wheat. After opening 1 1/8 to 1 1/4c lower, May 68 3/8c to 68 5/8c, the corn market showed further losses, although temporary rallies intervened.

Shipping demand here was slow and increased country offerings were reported. The market finished weak at 5 1/8 to 5 3/4c to 1 1/8 to 1 1/4c net decline, with May 58 to 58 1/8c to 58 1/8c. Oats started 1 1/8c to 1 1/4c up, May 40 1/2 to 40 5/8c and then receded with corn.

Firmness of values in the hog market helped to sustain provisions quotations.

Market Close Is Firm

NEW YORK, (AP)—Shorts opposed the further advance of prices in the stock market today but finally retreated in recurrent demand for rails and standard industrial stocks. Sales approximated 650,000 shares.

The further advance of leading foreign exchanges failed to sustain price

as at the opening of today's stock market. Trading was active and broad, but yesterday's reaction among industrial and specialist was extended, oil, motors and independent steels being among the first to yield. Losses were limited to fractions although Standard Oil of California reacted on point, one of yesterday's strongest features, was under pressure. St. Louis and San Francisco preferred and Toledo, St. Louis and Western preferred "B" were fractionally higher.

Rallying of junior rails and prominent steel equipments, shipping and oils offset profit taking elsewhere in the later dealings. The closing was firm. Foreign issues and convertible domestic rails were strong features of the broad bond market.

Liberty Bonds

NEW YORK, (AP)—Liberty bonds closed: 3 1/2's \$96.48; first 4's \$96.20; second 4's \$96.05; first 4 1/4's \$96.30; second 4 1/4's \$96.10; third 4 1/4's \$96.28; fourth 4 1/4's \$96.20; Victory 3 3/4's \$99.98; Victory 4 3/4's \$100.10.

MONUMENT FOR FRED R. REED

El Korah Temple, Nobles of the
Mystic Shrine Back Move
to Honor Idaho Man

BOISE, Idaho.—A movement has been started to raise a fund for the purpose of erecting a memorial at the grave of the late Major Fred R. Reed, of whom it has been written: "He gave his life for Idaho."

It is not intended that the memorial shall be unduly elaborate but merely of a character to perpetuate in enduring granite the memory of a man who did so much for his state and to honor him with the prideful consideration of his efforts by the public. It is to be "from the people of Idaho."

LIST HEADRED BY EL KORAH

El Korah temple of Boise took the subject up. Major Reed had long been a Shriner and in 1910 he was 300 was potentate of the Boise temple. The local Shriner believed, however, there were many who would appreciate an opportunity to participate and, therefore, decided to make their donation of \$300, as part of a public contribution toward the memorial. The list headed with this \$300, out with the understanding it is not to be considered as a guide for any contribution which will be welcomed however small. The idea is that the memorial be erected from the voluntary contributions of individuals and organizations.

A committee representing various parts of the state will be named for the Major Reed Memorial fund, subscriptions which will close May 1.

DEDICATION CEREMONY

It is the present plan, subject to committee approval, to make the unveiling dedication of the statue character with the governor delivering the address.

Charles L. Stewart, cashier of the Boise City National bank, and Rex Alexander, ruler of the Boise Elks lodge, of which the major was a member, have consented to act as treasurer of the fund and will receive for all contributions.

All checks should be made payable to him and mailed to him at Boise, care of the Boise City National bank.

Social Notes

Edited by Mrs. E. B. Williams

One of the prettiest and earliest parties for the Valentine season was that given by Mrs. A. Alexander at her home in the Rex Arms apartments on Wednesday afternoon. The entire apartment was decorated very artistically with flowers, red hearts, streamers and valentine favors. The guests were entertained at tables of \$500. Mr. C. B. Stevens and Mrs. J. B. Williams were the fortunate contestants for high score, and Mrs. B. Midland was crowned with the beauty. At the close of the afternoon delightful refreshments were served by the hostess. The guests were Mesdames D. Litvin, J. Kallman, A. Kallman, Hugh Ambury, Dorothy Levy, J. B. Williams, J. Hopkins, E. H. Davis, S. Millin, Roy Hansen, H. Mylar, C. B. Stevens, Misses Pauline and Edna Ripley, Nellie Pink and Charlotte Kallman.

Mrs. J. B. Williams entertained three tables at bridge on Tuesday evening at her home in the Reed apartments. Mrs. E. B. Henderson was the prize for high score, and Mrs. W. H. Budd the consolation. The guests were Mesdames Jack Riley, W. H. Howe, D. Litvin, H. C. Dickerson, Frank Baldwin, A. W. Husted, W. H. Budd, E. H. Henderson, A. Alexander, M. L. House, Harry Allen and Adams. After the card game the hostess served a two course luncheon.

The Ekoloni Camp Fire girls met on Tuesday evening with Edna Gehring at her home on Fourth avenue north. Further plans were made for coming fund.

End Rheumatism, Weak, Lame Back

Old St. Jacobs Oil will stop
pains and stiffness in a
few moments

Stop "dozing" rheumatism. It's pain only, not osteoarthritis. Stop any pain, stop any osteoarthritis. Rub soothing, penetrating St. Jacobs Oil right on the tender spot and by the time you get Jack Robinson out comes the rheumatism. St. Jacobs Oil is a harmless rheumatism (then) liniment which does not burn the skin. It takes pains, soreness and stiffness from aching joints, muscles, bones; stops sciatica, lumbago, headache and neuralgia. Lumber up! Get a small trial bottle of old time, honest St. Jacobs Oil from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.—adv.

For the summer camping trip, and Mrs. Warren Crabtree, guardian, led a discussion on first aid treatment.

The Unity club met at the home of Mrs. Warren Crabtree, Wednesday afternoon, with Mrs. Marcus, assisting hostess. At the business session officers were nominated for the coming year. It was voted at the next meeting, Roll call was made and a letter of appreciation was read. Two clever guessing contests were enjoyed. About 20 members and one guest were present, and refreshments were served late in the afternoon.

Mrs. Bula C. Sawyer entertained the Harmony club, Wednesday evening, at 6:30 dinner. Following dinner bridge was played, Mrs. C. Beebe winning highest score. Mrs. B. H. Haddock, Mrs. F. C. Beebe and Mrs. Joseph Thometz were guests. Members present were Mrs. A. E. Stiffer, J. A. Campbell, A. W. Husted, M. E. Leach, E. H. Van Cott, Thomas Rowberry, E. B. Barger and Ernest White.

The R. N. A. club met Wednesday with Mrs. Henry Heartfield. The afternoon was spent in card playing and fancy work. Refreshments were served by the hostess assisted by Mrs. Frank Ham. Thirteen members and one visitor were present.

The Optimist club met this week on Tuesday afternoon with Mrs. L. C. Cross. Ten members were present and the hostess served delicious refreshments. The next meeting will be with Mrs. Frank Denton on Thursday evening and will be in the form of a George Washington party to which the husbands will be invited.

Mrs. W. O. Jancy, Mrs. Effie Watkins and Mrs. C. W. Origer, entertained the M. S. and S. club on Wednesday afternoon. The vice president, Mrs. Charles Rowley, called the meeting to order and a very short business session was held. At this time plans were completed for the federated picnic which will be held at the Baptist luncheon on February 11. Mrs. L. B. Green, the state president of the Federated Women's club will be present. The club will also co-operate with the Parent-Teachers' association in the "cooked food sale" which will be given on Saturday night 11, at the Hochstadt store for the benefit of the hot lunches at the Lincoln school. Mrs. Guy Sturgeon rendered a beautiful vocal solo, after which Mrs. J. A. Green read a very interesting and instructive talk on the school problems. Miss Florence Jancy gave a delightful piano solo. Delicious refreshments completed the afternoon.

The Women's Progressive club met Wednesday afternoon with Mrs. J. P. Ahern with eight members and six guests present. Following the business session delightful refreshments were served. The members present were Mrs. J. P. Ahern, Mrs. W. A. Gibson, Mrs. A. E. Henderson, Mrs. A. Hunsman, Mrs. Marion Owens, Mrs. Charles Seckman, Mrs. E. D. Sheldon, and the guests Mrs. Wynne, Mrs. Ludford, Mrs. E. B. Henderson, Mrs. H. A. Hartland. The next meeting will be held on February 22 with Mrs. Gibson.

Mr. and Mrs. George R. Easley were hosts at dinner in the private dining room at the Hotel Idaho, which was being charmingly decorated with valentine ideas, on Wednesday evening for Judge and Mrs. E. A. Walters, Mr. and Mrs. T. J. Wood and Mrs. W. L. Leonard Smith. Following dinner the party motored to the Parish hall where they enjoyed the first of a series of subscription dances.

Mr. and Mrs. Brennan of the Ossa apartments entertained at a jolly party on Tuesday evening in honor of Mrs. Brennan's birthday. The evening was spent with games and original stunts. At a late hour the hostess, Mrs. Brennan, read the following guests: Mr. and Mrs. J. D. Tucker, Mr. and Mrs. Bert Carson, Mr. and Mrs. Ray E. Foster, Miss Brennan, Miss McCague and Mrs. O. Brennan of Wendell.

The recently organized dancing club of Twin Falls held the first of a series of three dances at the Parish hall in honor of the first of the series was enjoyed until a late hour.

A pleasant surprise was tendered to James H. King Monday evening at his home on Washington street, on the occasion of his birthday anniversary. The evening was spent in playing cards, after which supper was served. Those present were: Mrs. Ruby Taylor, Minnie Collier, Dean Thompson, Mr. and Mrs. W. H. Thompson, Mrs. Ada Lake, Ed. F. Thompson, G. C. Struphar, H. J. Birnbaum, Jimmie King, Jr., and Mildred King.

VETERANS WILL OBSERVE LINCOLN'S ANNIVERSARY

Members of Dan McCook Post and Circle, to Hold Annual Public Exercises

Under auspices of Dan McCook Post, Grand Army of the Republic, and Dan McCook Circle, Ladies of the G. A. R., annual public exercises in observance of the birthday anniversary of Abraham Lincoln, will be held at 2:30 o'clock Saturday afternoon in Old Fellows hall here.

The exercises will be held at the home of Mrs. M. C. Mitchell, superintendent of Twin Falls school, and a flag drill by children is to be a feature of the occasion. Mrs. D. E. Regan's male orchestra will furnish music and Mrs. W. O. Taylor will sing vocal numbers.

Refreshments will be served by the members of Dan McCook Circle. A general invitation is extended, especially to members of the American Legion and other patriotic organizations.

JEROME SHRINERS, HOSTS

One of the Most Enjoyable Parties of Season Given in North Side Town

JEROME, Idaho.—What proved to be one of the most enjoyable social affairs of the season was the social at the civic club room by the Shriner on Saturday evening of last week. Their lady friends were honored guests. Dancing was the feature of the evening and the delicious refreshments were served at a late hour to the large crowd that was present.

Mr. and Mrs. H. H. Kennedy, delightfully entertained at dinner last Sunday, it being their thirty-first wedding anniversary.

Mr. and Mrs. Fred Varum returned from Nampa the last of the week, where they attended the State Grange.

Mr. and Mrs. Horchel Jennings of the Appleton neighborhood, are the proud parents of a fine girl born January 1, 1922.

The teachers of the Jerome schools delightfully entertained the L. O. P. H. girls Friday evening at the Civic club house.

Mrs. and Mrs. Ambranson, delightfully entertained the "500" club at their last regular meeting. After an evening of cards delicious refreshments were served.

Mrs. D. P. Piper, entertained the Women's Auxiliary of the American Legion at her home on Tuesday of last week.

Miss Esther Atwood will be assistant card clerk for the "500" club, who has charge of both Gooding and Jerome sections.

Mrs. Guilbert White left Wednesday for Denver where she was called by the serious illness of a brother.

Mrs. Elbert Bennett returned to Boise last Friday after a visit with friends in Jerome. She was accompanied by Mrs. E. B. Kline, who will take special treatments of radium while in Boise.

Mesdames Allison and Angelo departed the last of the week for their new home in California.

Mr. and Mrs. Hugo Jones of the Eldorado Heights neighborhood returned home the last of the week from an extended visit in Kimberly.

Mrs. Elbert returned to her home in Boise after several days visit with Mrs. Conover. Mrs. Elbert was an earnest worker during the war, having had charge of one of the "400" units in France.

Mrs. William Godfrey and son have gone to Boise where William will receive special medical care.

PENDING TRADE IS CALLED OFF

New York and Detroit Clubs of American League Unable to Reach Terms

WASHINGTON, D. C. (AP)—The outstanding result today of the annual scheduled meeting of the American league club owners and officials here was the definite abandonment of the negotiations between the New York and Detroit clubs whereby the former sought to secure the services of outfielder Vanech in exchange for some infield material desired by the Tigers.

Manager Cobb of the Detroit club announced the deal had fallen through because New York declined to consider any exchange involving Shortstop Scott and Detroit would not give up Vanech for any other Yankee player. The Detroit manager then was said to have failed in an attempt to interest President Frazee of the Boston club in a deal for infielder Dugan. Frazee, it was reported, informed Cobb, that he would not release Dugan for any consideration.

A long discussion of the draft question by the managers yesterday resulted in a decision to postpone any decision until it was determined whether the advisory council could not amicably adjust differences with the five dissenting minor leagues.

ST. PAUL PUGILIST HAS
UNUSUAL FIGHT RECORD

Tom Gibbons Knocks Out 20 Out of 24 Opponents Faced During the Past Year

NEW YORK, (AP)—Tom Gibbons of St. Paul, who yesterday was matched with Harry Grech of Pittsburgh for a 15-round decision bout, March 13, knocked out 21 of the 24 opponents he has faced in 1921. He has one knockout to his credit this year.

Most of Gibbons' knock-out victims were rated as second and third class fighters, but he was not at all inclined to punching for many rounds. One of the three men he failed to knock out was Bartley Madden, whose recent scrap with Fred Fulton earned him a made-to-order Bill Brennan.

Grech is one of the most aggressive of the light heavyweights. He boasts victories over many of the best of the heavier pugilists and recently won a decision over Clemens Weinst, Newark, N. J., heavyweight.

KIMBERLY WILL PLAY HERE

Hard Fought Contest Looked For as Tournament Place Depends on Win

The Twin Falls high school basketball five will clash with the guest from Kimberly tomorrow evening on the high school floor at 8:00 o'clock.

In the event of Twin Falls winning this game, it will be eligible to play in the coming tournament which starts here Feb. 24.

The two teams in this section with the highest percentage will represent this section. At present, Filer and Twin Falls are tied for first honors, with but one game lost this season. Filer having lost to Twin Falls, and Twin Falls lost their game to Filer. Filer goes to the west end, to mix with the team from the west end. These two have a postponed game to play off, and should Filer win one of the two the team will be eligible for the tournament.

In the event of Filer winning both games they would need Filer out with but two games lost to three for Filer.

The game tomorrow evening means much to the boys of the blue and white and the fans are assured of a real contest.

The lineup for tomorrow's game should look something like this: Scott and Cole, forwards; Jamison, center; Cron and Putzier, guards.

LEGION HOOPSTERS TO PLAY

First Game for Team on Home Floor Promises Struggle Worth Seeing

This evening will see the first game of the season for the Legion hoopsters on their home floor, when they meet Buhl's Legion team in a return game at the high school gymnasium. Buhl defeated the local ex-servicemen men two weeks ago. Buhl by the score of 26 to 21, and the local boys are out to even up the score if they can.

The game this evening will start at 7 o'clock sharp, due to the fact that the Business Men's club will hold their regular meeting at 8 o'clock.

The possible line up for the local team will be Plenn and Thompson, forwards; Davis, center; Linsell and Rowberry, guards.

NEW YORK COOP WINS.

NEW YORK, (AP)—Bob McAllister, the New York pole jumper, today holds the metropolitan A. A. U. 100-yard championship by virtue of his victory over Bernie Wefers, Jr., at last night's Samuels A. BOTH MEN CEASE TRAINING

Principals Give Up Grind of Preparation and Prepare to Rest for the Real Bout

NEW YORK, (AP)—Benny Leonard, lightweight champion, and Ray Kanias, challenger, today finished training for their 15-round titlar bout at Madison Square Garden tomorrow night.

The champion weighed in at a fraction over 135 pounds when he started his final day's work and it was announced at his training quarters that he would be at the 135-pound light weight limit at 2 o'clock tomorrow afternoon.

Under the rules the title will be at stake as long as the challenger makes the weight. Should Kanias weigh in at 135 pounds and defeat the champion even though the latter were above weight, he would win the title. Should both be above weight the title will not be involved.

TERMS BEING CONSIDERED.

SAN FRANCISCO, (AP)—Frankie Parron, San Francisco, claimant of the lightweight championship of the Pacific coast, has wired terms in response to offer from Al Fillmore, New Orleans, for a match with Johnny Dundee, junior lightweight title holder, Fillmore, in a telegram, suggested that the match be held in the southern city. Fillmore gave five interesting details. The orchestra played three selections.

HIGH SCHOOL NOTES

The student body was delightfully entertained for 45 minutes yesterday by Miss Katherine Ridgeway, who is to speak at the Lavering theater this evening. Miss Ridgeway gave five interesting readings. The orchestra played three selections.

Members of the junior class will start to have their pictures taken for the annual today. Mr. Hillburg will do the work.

The snapshot and joke section of the yearbook is being neglected. Hart VanRiper, editor-in-chief, and Margaret Galley, calendar editor, are imploring the students to contribute more of these articles.

English VIII of the high school, which is a modern literature course, has finished studying the technique of the short story, and have taken up the study of modern drama. English VIII is senior English, and is being taught this year by Miss Alice Johnson, head of the department of English in the school.

The various Blue Triangle committees and cabinet met last night. The program committee planned an interesting and educational meeting for next Wednesday evening. It will be a vocational meeting with Mr. Karnes and Mr. Krenzel giving talks, some music and games. The service committee has made plans to co-operate with Captain J. P. Purdy of the Salvation Army in their service work. The girls will take care of children, visit the homes of needy people and in every way possible aid any families.

18 PERCENT OF TAX MONEY GOES TO PAY INTEREST

County Auditor's Computations Show Where Taxpayers' Dollar Goes; 40 Per Cent for Educational Purposes

Annual interest charges on bonded indebtedness of Twin Falls county and its political subdivisions including municipalities, highway districts and school districts, and upon special improvement bonds of cities and villages as of January 7, 1922, amounting to \$351,505.29, taxpayers 18 per cent of all of the taxes charged against Twin Falls county taxpayers, according to figures compiled today by Frank C. Lynch, deputy county auditor.

Cost of all activities of the state government account for 6 per cent; county government 11 per cent; general city expenses 9 per cent; special improvement assessments 7 per cent; highway road and bridge construction and maintenance 6 per cent, and education 40 per cent of the county's tax bill, these figures show.

The total of bonded indebtedness of the county and its political subdivisions and of municipalities special improvement obligations is shown to be \$5,082,401.80.

Municipalities special improvement obligations aggregate \$905,291.80, and involve annual interest payments in the sum of \$67,472.65.

Bonded indebtedness of the county and its political subdivisions, exclusive of special improvement bonds of cities and villages, amounts to \$5,015,109 upon which amount the annual interest bill is \$284,032.70.

HANSEN ASKS FOR FACTS ABOUT HIGHWAY DISTRICT

W. F. Edwards, Assistant Engineer, Invited to Address Gathering

Arguments for and against creation of the proposed Hansen highway district out of territory included in the original Twin Falls highway district, will be submitted at an election Saturday next at Hansen, are to be considered at a meeting of residents of the proposed district to be held Friday evening at Hansen.

W. F. Edwards, assistant engineer of the Twin Falls district, has been invited to attend the meeting and present facts and figures as to the financial status of the Hansen district with respect to its relationship to the Twin Falls district.

With a view to obtaining information of the nature Mr. Edwards is expected to give at the Hansen meeting, O. D. Bille, Ora McVay and Olin Johnson of Hansen were visitors at the Twin Falls district offices here yesterday.

Reports received here from Hansen indicate that residents of Rock Creek and vicinity which would be included in the proposed district, are actively engaged in a campaign for creation of the new district.

PLEDGES CO-OPERATION IN TRAIN SERVICE FIGHT

Chamber of Commerce Bureau Endorses Petition of Rogerson Branch Residents

Support of the Twin Falls Chamber of Commerce rallied here to petitioners of Rogerson, Rogerson, Three Creek and Contact in their request that daily train service be maintained over the Oregon Short Line branch from Twin Falls to Rogerson, was pledged at a meeting of members of the bureau in the chamber of commerce offices today.

The bureau also adopted resolutions, suggested by petitioners, of Rogerson, Three Creek and Contact, asking the state public utilities commission to hold a hearing in Twin Falls on the application of the Oregon Short Line to reduce train service over this branch to three trains weekly.

Members of the bureau are F. W. Dunham, John H. Trelvay, F. W. Brown, G. H. Self and Ed. S. Johnson.

Chinook Clears Ice and Snow Banks Off Twin Falls Streets

Snow and ice on Twin Falls streets disappeared rapidly under influence of warm chinook winds, which visited this section yesterday and continued here throughout the night and today. Water released by ascending temperature ran in streams through the city's thoroughfares and cleared snow aways to their capacity.

In rural districts the thick blanket of snow that has covered the land for several weeks past began to yield to melting in the chinook winds, and disintegrator over the Twin Falls canal system, under direction of John W. Irons, watermaster, opened spillways to permit the escape of excess water running into the canals as a result of the thaw. The run-off, however, was gradual, and Watermaster Irons this morning said that unless there was a radical increase in temperature some of the spillways would be closed again today in order to avoid danger of ice in the canals breaking up and forming jams in consequence of lowering of the water level.

High temperatures for yesterday was 40 degrees above zero had low last night was 28 above according to records of the government weather observatory here.

Rain or snow is the forecast for the state tonight and Friday.

CANAL COMPANY BALLOT HELD UP BY INJUNCTION

Settlers Force Issue by Resort to Court Order Affecting Annual Meeting

Election of directors of the Salmon River Canal company at a postponed annual meeting scheduled to be held tomorrow at Hollister, has been enjoined under provisions of an injunction issued to day by Judge T. Bailey Lee in district court at Burley, in an action instituted last yesterday by W. P. Guthrie and E. J. Hornbrook as attorneys for Richard, Glavin and others against the Salmon River Canal company.

The injunction was this afternoon to be served upon officials of the company at Hollister.

The ultimate purpose of the action, Mr. Guthrie said, is to tie up operations of the canal company in an effort to force an immediate settlement of issues arising between the company and settlers over a period of years.

CONFERENCE NEARS CLOSE

Dr. W. W. Burks to Deliver the Closing Sermon at Evangelistic Sessions

With an evangelistic sermon on the topic, "Why Are We Here?" by Dr. W. W. Burks, minister of the First Christian church of Twin Falls, two days sessions of the evangelistic conference for the southeastern Idaho district of the Churches of Christ held here Wednesday and Thursday, will be brought to a close in the Christian church this evening.

Revival meetings conducted by Dr. Burks with the assistance of Mr. and Mrs. Guy Curtis, choir leader and soloist, will continue throughout the month.

Sessions of the conference this morning were opened by devotional exercises and bible study led by W. P. Sutton of Buhl, Mrs. W. E. Harman, Gooding, discussed through the Auxiliary.

The sermon for the afternoon was delivered by J. H. Thompson of Burley on the topic, "The Old Story."

Devotional exercises and bible study led by Phil Wile of Rupert, who delivered the evangelistic sermon for last evening's session, were followed at the beginning of this afternoon's session by a talk on "Evangelism Through Literature," by Roy C. Henderson of Spokane, representative in the northwest of bible schools of the Churches of Christ. At 3:30 o'clock J. E. Slipp of Pocatello, was to deliver a sermon on "The New Church."

Musical programs under direction of Mr. and Mrs. Curtis with the assistance of an orchestra of six pieces are adding materially to the interest in the sessions.

PLAN OFFERED FOR MARKETING LETTUCE CROP

Twin Falls District Growers Committee Hears Proposition Presented by California Vegetable Union

Provisions of a bond lettuce marketing contract tentatively accepted by a committee of growers and bankers at Caldwell, were yesterday afternoon presented at a meeting of members of a committee for prospective lettuce growers of the Twin Falls district, assembled in the office of the farm bureau in the county commissioners' room at the court house.

No action on the proposed contract was taken by the committee yesterday, but it will be referred by the committee to the association of vegetable growers for this district to be formed at a meeting to be held at 3 o'clock Saturday afternoon in the farm bureau office.

The contract was presented yesterday by Guy D. Hufford, superintendent, and R. G. Risser, manager of the crop production department of the California Vegetable union, the marketing agency, with headquarters in Los Angeles, and by Reed Mealy, a former resident of Twin Falls who is now associated with the Canyon county farm bureau at Caldwell.

Await Decision at Caldwell

Decision of the growers here with respect to the proposed contract is expected to be influenced largely by action to be taken today at a meeting at Caldwell of the Idaho Vegetable Growers' Association in which it will be presented.

The committee here yesterday decided against sending a representative to the Caldwell meeting, but arranged for receiving a full report of its proceedings.

The contract presented by the California Vegetable union, as outlined here, provides that the union as the marketing agency shall be employed by the growers to market the lettuce crop from a certain designated acreage. The union is to take the lettuce from growers' wagons at the shipping point, grade, pack and load the product, wrapping, packing, etc., and preparation of the product for market, and pay transportation charges to the marketing point. For its services in grading, packing and loading the product it offers to accept payment of the cost of the operation or to furnish such service at a flat rate of 25 cents a crate. For its services in marketing it is to receive 15 per cent commission. As soon as the product is on board a car, the contract provides the union will advance to the grower cash payment of 25 cents a crate and make full settlement with the grower as soon as it is marketed. It offers, also, to place at the disposal of the growers without additional charge the services of an expert to advise and assist in the production of the crop here.

HANDLES BULK OF CALIFORNIA CROP

The California union last year, according to its representatives, marketed approximately 2,500 carloads of lettuce and handled the bulk of the crop produced in California. Most of its business is conducted on a strictly cash basis, it was stated.

Discussion of methods of production of the lettuce in use in the Imperial Valley, California, supplied with electricity and attention at yesterday's meeting.

SHIRTS AND COLLARS LUXURIES

MOSCOW, (AP)—Starched collars and shirts are now classed as luxuries in soviet Russia. A collar costs from 30,000 to 40,000 rubles now and the laundry charge for re-starching is 20,000 rubles. More is charged if the wearer is known to be a foreigner, especially an American.

CAPTAIN McROBERTS IS SWORN IN AS BOY SCOUT

Troop No. Four Elects Twin Falls Mayor to Honorary Membership

Captain F. W. McRoberts, mayor of Twin Falls, last night took the Boy Scout's oath as an honorary member of Boy Scout Troop No. 4, Twin Falls. The oath was administered by Joe Deiss, patrol leader. Captain McRoberts, in a brief talk to the troop, discussed in terms of highest praise the aims of the scout movement and expressed his own appreciation of the honor conferred upon him by the troop.

Captain McRoberts is the only honorary member elected by any of the scout troops of Twin Falls.

In observance of the health anniversary of the scout movement's founder, members of the troop in common with other scouts throughout the country, at 8 o'clock last night renewed their membership obligations.

At the conclusion of the meeting which was held in the Farmers' Service office, members of the troop repaired to the high school gymnasium where patrol No. 3 defeated patrol No. 1, by score of 26 to 25, in a spirited basketball game.

SHORT LINE CUTS RATE ON FIRE WOOD SHIPMENT

Reductions Sought by Traffic Association are Granted by Carrier

Reduction in freight rates on fire wood for which the Southern Idaho Traffic association made application last September have just been published by the Oregon Short Line to be made effective February 22.

The new rates, it was said at the traffic association's office today, will place southern Idaho on a plane with Montana and other northwestern states with respect to wood rates.

Reductions on the basis of a cord of wood amounts to two and one-half cents on a shipment carried 10 miles, \$1.65 1-2 on a shipment carried 250 miles and \$4.07 1-2 on a shipment carried 600 miles.

The new rate on a cord of wood carried 250 miles is \$3.42 1-2 as compared with the rate of 5.03 heretofore in effect.

GIRLS' DEBATING TEAM LOSTS CONTEST AT BUHL

Judges Award Goes to Young Men Upholding Negative Side of the Argument

Miss Ethel Davis, and Miss Edith Humphrey, composing Buhl high school's debating team upholding the affirmative side of a question in debate against Buhl high school's team, composed of Paul Bailey and Raymond Duncan at Buhl last evening lost the judges' decision which was awarded to the Buhl team.

The question debated was, "Resolved, That All United States Shipping Through the Panama Canal Should Be Exempt from Toll."

Miss Ethel, captain of the team of Twin Falls schools; Harold W. Merritt, member of the faculty of Twin Falls high school, and O. A. North, assistant prosecuting attorney, served as judges of the debate.

ROGERSON MAN DIES IN PHILADELPHIA HOSPITAL

H. Gott, former Dairyman and Salmon Project Hardware Dealer, Succumbs After Operation

Harold Gott of Rogerson died Wednesday morning in Philadelphia, after a heart failure, following a surgical operation. Mr. Gott was formerly associated with his brother John Gott of the dairy business in Twin Falls, but for the past three years or more has lived in Rogerson as manager of the Gott Hardware company there. He leaves a wife and two children, who with John Gott left this morning for Lowell, Mich., where internment will be made.

SAYS BIG DAM WILL BE BUILT

Murtaugh Engineer Reports Reclamation Service Busy at American Falls

Reclamation service activities at American Falls are continuing without interruption and directors of the service at Washington are proceeding with plans for the big reservoir project on the assumption that if the Power company refuses, when funds are available, to accept the contract price for its rights and interests at American Falls, condemnation proceedings will be instituted to obtain such rights for the reclamation service. H. T. Henderson, engineer for the Murtaugh irrigation district, upon his return from Denver, told a meeting of the directors of the district at Murtaugh Tuesday.

The Murtaugh district reclamation project, as well as many other irrigation districts and companies along the Snake river, including the Twin Falls Canal company, will derive water supply from the American Falls reservoir.

Financial interests at Denver which have a vested interest in the project, are ready to handle the district's bonds as soon as they are voted, Mr. Henderson advised.

Engineers' plans for the Murtaugh district project are now in the hands of W. G. Swenson, state commissioner of reclamation, awaiting official approval.

EMBEZZLEMENT SUSPECT IS MADE PRISONER HERE

A. J. Lewis Held for Pocatello Authorities, to Answer Embezzlement Charge

A. J. Lewis, aged 30 years, said to be a practicing attorney at Pocatello, who was arrested here yesterday afternoon by Deputy Sheriff V. H. Ormsby and Chief of Police Ben J. Brown, will be returned in custody of Deputy Sheriff W. H. Davis of Bannock county to Pocatello this evening to answer to a felony charge alleging embezzlement.

The Bannock county officer, who arrived here today, unable to throw any light on the specific charge against Lewis, who was detained by the officers here upon request of Bannock county authorities communicated to them Tuesday.

Lewis was taken in custody in the vicinity of the South Park grocery store after he had left the passenger depot where he telephoned to the Western Union Telegram company office inquiring whether a reply to a message he had sent the day before had been received.

When notified by the arresting officers, Lewis declared that he was the man they wanted and said his name was Devine. Before the officers began to search his person, however, he admitted his identity.

Information from Pocatello was to the effect that Lewis had left there in company with a 19-year-old girl. No trace of the girl has been discovered by officers here, and Lewis has given no information on the subject.

A. R. Ostrander Here—A. R. Ostrander, formerly a furniture dealer of San Francisco and now a resident of San Diego, California, arrived here to attend the funeral services yesterday for his brother-in-law, the late Edward VanEmmert, and is spending a few days visiting with relatives and friends.

Limit Reservation Time—Reservations for places at Twin Falls county's Lincoln Day banquet to be served on Monday evening in the Hotel Perrine here must be made on or before Saturday next, members of committees in charge of the affair announced today. Accommodations can be provided for only 100 men and women.

Didn't Go to California—That he did not go to California, some two weeks ago in fact has no intention of going to California or anywhere else just at present is the statement of Dr. J. H. Murphy of Buhl. Dr. Murphy's initials appear to have become confused with those of a Twin Falls physician of the same surname who left here for the coast about that time.

McMasters Suffers Injury—Roy O. McMaster, owner and operator of extensive farming interests east of Hollister, returning Monday afternoon from Twin Falls to his farm home on horseback, was thrown from his mount when the horse slipped and fell in the vicinity of the Rock Creek bridge and suffered fracture of his ankle. He is being cared for at the home here of his uncle, C. A. McMaster.

Questionnaires Returning—Several of the questionnaires sent out the first of the week by the Twin Falls Chamber of Commerce tax committee to rural and urban taxpayers of the county by asking expression of opinion on tax issues have been returned by residents of Buhl and Pler county districts to the chamber of commerce office. It is hoped that a greater number may be returned to serve as basis for conclusions to be presented at a dinner meeting tomorrow evening at the Hotel Perrine at which John D. Robertson, state tax agent, is to speak.
