

BOARD RETAINS SOME EMPLOYEES IN SCHOOL ROOM

Re-Elects Principals of Junior High and Grade Schools Together with Farm Teacher and Athletics Coach

Deferring its decision for one week as to positions of the superintendent of schools and principal of the high school, the board of trustees of Twin Falls independent school district, at a regular meeting Monday night, made further progress with its work of re-appointing salaries for the coming year, ordering reductions in salaries of some employees in special positions and re-electing the principals of the three grade schools.

Recommendations of Superintendent M. C. Mitchell were adopted in each case where definite action was taken by the board.

STUDENTS' PLEDGE KEEPS COACH

Having before it the report of a resolution adopted Monday by the high school students council renewing its pledge of last year to reimburse the district to the extent of \$2000 in payment of the salary of Clinton W. Evans as coach and director of athletics in the high school, the board authorized retention of Mr. Evans in this capacity during the coming school year at a salary of \$3000. The students have made good their pledge to contribute two-thirds of the salary of the coach this year.

Re-election of Warren E. Crabtree as instructor in agriculture at a salary of \$1020 for 12 months' work was voted by the board following discussion in which it was developed that only five high schools in the state participating in federal appropriation under provisions of the Smith-Hughes act pay a lesser salary for this position, and that approximately one-half of the salary is paid from federal funds.

RE-ELECTS GRADE SCHOOL PRINCIPAL

Acting upon recommendation of the superintendent, the board voted to re-elect Mrs. Rose Murray North as principal of the junior high school; Miss Elizabeth Shotwell, as supervisor of the elementary grades; Miss Alice Johnson as preceptor of the high school; Miss Fannie Perkins as principal of the Lincoln school; Miss Ruth Way as principal of the Bickel school, and Mrs. Ethel Gray as principal of the Washington school.

The scheme of organization in the grade schools in effect this year was endorsed by the board.

Under this scheme the principals of the Lincoln and Bickel schools devote one-half of their time to teaching and the principal of the Washington school devotes about three-fourths of her time to classroom work.

GRAHAM IS SELECTED AS ROAD DISTRICT ATTORNEY

Commissioners Tender Position to the Former Public Utilities Commission Member after Contract Lapse

Commissioners of the Twin Falls highway district have tendered to John W. Graham, of Twin Falls, the position of attorney for the district at a salary of \$100 a month. Mr. Graham has not indicated whether or not he will accept the post.

Since the first of the year when the district's contract with Warren, Holgren and Bailey expired, the district has retained an attorney. Salary paid the attorneys heretofore has been \$1500 a year.

Mr. Graham resumed the practice of law here about two years ago at the conclusion of his term as a member of the state public utilities commission.

STOCKHOLDERS ARE ASSESSED

BURLEY—Stockholders of the defunct Commercial State Bank of Burley have received from the state commissioner of finance notices of assessment calling for payment of sums equal to the par value of the stock held by each stockholder. The total amount is \$92,500. According to the commissioner's estimates, the institution will pay out approximately 39 cents on the dollar to its depositors and other creditors. Improvement in financial conditions generally may make possible re-payment to a greater extent.

SCANDINAVIANS SUFFER IN POST-WAR CONDITION

A. M. Sande Says Money Decline in Norway Deals Blow to Industry

Economic conditions are not less affected in countries that were neutral during the world war than in those which were belligerents, according to the statement of A. M. Sande of the Twin Falls Food and Ice company, who has just returned from three months' trip to his former home in Norway.

Decline in the value of the money of his native country, Mr. Sande says, has dealt a severe blow to the shipping interests, which ranked among Norway's most important industries, and has tended to reduce the volume of imports. There is, consequently, an increased demand for farm products and other goods produced in Norway, but the producer's profit is not great because of the lower value of money.

Norway, along with the other Scandinavian countries, is being called upon to extend relief to famine sufferers of Europe, a frequent "drives" are made for this purpose.

In comparison with other agricultural regions in this country which he traversed on his trip abroad, Mr. Sande says that the Twin Falls district has abundant occasion for self-congratulation. He attributes the Twin Falls country's advantage to its diversification of agriculture.

Mr. Sande visited in Norway with his father and brothers and sisters.

13 COMPANIES ASK FOR WATER

Corporations to be Included in Proposed District Are Listed

In addition to the Twin Falls Canal company just 12 other canal companies of the Snake river valley will be included in the proposed Snake River irrigation improvement district to be formed for the purpose of building the American Falls reservoir, according to information made public today through reclamation service offices.

Lands under the irrigation systems of the other companies have a combined area of 207,500 acres as compared with 200,000 under the Twin Falls canal system, and all of the lands under the other companies' systems are under cultivation.

AVERAGE REQUIREMENT IS 51 ACRES FEET

The average amount of water required by all of the companies listed for inclusion in the proposed district is .01 acre foot for each acre, or a total of 215,750 acre feet. Other irrigation districts already formed and not part of the proposed district ask for 130,000 acre feet.

The list of canal companies proposing to enter the district with the acre of land in each project and the acre foot of water required by each, is as follows:

	Acres.	A. Ft.
Burgess Canal Co.	23,000	5,000
Martin Canal Co.	1,500	750
Harrison Canal & Irrigation Co.	13,000	10,000
Blackfoot Irr. Co.	15,000	20,000
Woodville Canal Co.	3,000	2,500
New Lavastide Co.	20,000	4,000
Lenroot Canal Co.	4,000	3,000
Budy Irrigation Co.	8,000	2,000
Peoples Canal & Irr. Co.	20,000	10,000
Enterprise Co.	7,000	6,000
Battle & Mack Lk. Co.	10,000	9,000
Aberdeen Springfield	75,000	37,500
Twin Falls South Side Canal Co.	205,000	100,000
Total Acres	407,500	
Total Acre Feet	215,750	

THIEVES BREAK WINDOW

Gun Taken from Second-Hand Store by Swift Working Operators

Thieves, at about 3 o'clock Friday morning, broke a window at the T. E. Lucas second hand store, 342 Main avenue south, and carried off a .38 caliber automatic revolver with which they made their escape.

Mr. Lucas, who was sleeping in an adjoining room, was awakened by the sound of the breaking glass. He made his way to the front of the store just as the thieves disappeared. It is believed that the robbery was committed by persons who were familiar with the fact that Mr. Lucas occupied connecting rooms and that they would have to make quick work of their undertaking. An old shoe was used to break the window.

Spends Sunday Here—Miss Margarette Sunday came down from Burley to spend Sunday with her mother, Mrs. M. O. Pughman.

CITY HOLDS EXPENSES UNDER BUDGET FIGURES

Clerk's Report Shows Total Surplus of \$1,318.64 for First Ten Months' Operations of Present Administration

Twin Falls municipal expenditures for the first ten months of the present administration are \$1318.64 below the appropriation for that period according to report made to the city council by Paul K. Taber, city clerk.

Expenditures are in excess of the appropriation for contingent, police, fire, street meat and dairy, and engineering funds while surplus is shown in maintenance.

Department	Appropriation	Expended	Pro-Rata	Over	Under
Sanitary	\$3,000.00	\$2,234.65	\$3,249.87		\$253.77
Sewer	8,000.00	1,819.81	2,516.43		
Contingent	3,955.84	2,961.73	2,421.77	\$489.95	
Police	9,010.00	8,354.64	7,508.03	846.61	
Fire	14,928.00	12,515.15	18,353.67	101.48	
Administration	13,830.00	10,555.68	11,524.54		868.88
Street	13,300.00	11,593.58	10,416.25	1,176.31	
Park	2,100.00	1,509.91	1,749.93		180.62

			Surplus		\$1,318.64

PROJECT'S FATE HANGS ON IDAHO

Government Will Abandon American Falls Unless Payments are Made

POCAHELLO (Special to The News)—The government will abandon the American Falls project unless the companies and districts contracting for storage water in the reservoir make their payments.

A. P. Davis, director of the United States Reclamation service, in a letter to Guy Flennett, managing director of the Idaho Reclamation association, declares that this is a correct appraisal of the situation, and advises that it "should be thoroughly understood."

The director's letter follows: Your letter of February 25 to Hon. Albert B. Fall, secretary of the interior, enclosing the brief which you have issued concerning the American Falls project, has been received and referred to this office.

I note that you sometime encounter belief that the government will go ahead with this project, whether the companies meet their obligations or not.

On this subject I am glad to see that the brief you have enclosed states the position correctly so that there may be no misunderstanding that.

There is no room for doubt that the government will abandon the American Falls project unless the companies and districts contracting for storage water in the reservoir make their payments.

I see this idea reiterated in other parts of the document and I wish to confirm the correctness of the same. This condition is necessitated by the inconvertible situation, financial and otherwise, and should be thoroughly understood.

Yours truly, A. P. DAVIS, Director.

JURY AWARDS RANCHMAN JUDGMENT ON CLAIMS

J. O. Ringer is Given \$1,000 Against Damman; New Trial to be Asked

J. O. Ringer was awarded damages in the sum of \$1000 against Edwin Damman by verdict returned by a jury in district court here late Friday afternoon at the conclusion of a trial that occupied almost three days.

Attorneys for Damman Saturday filed notice of their intention to ask for a new trial.

Ringer's claim for damages was based upon water shortage resulting when his headwaters were closed in pursuance of a restraining order issued by the court at the instance of Edwin Damman, acting as agent for his brother, Frank Damman, the owner of adjoining lands in the Buhl district. He claimed damages for loss of crop and for failure to complete a sale of the property that resulted when the prospective purchaser visited the place during the period of the enforced drought.

FRUIT GROWER AWARDED JUDGMENT BY VERDICT

Jury Upholds A. J. Milner's Claim Against Marketing Agency for \$7,766.04

A. J. Milner, Buhl district orchardist, was awarded judgment against the Earl Fruit Company of the Northwest for \$7,766.04, by verdict returned by a jury in district court here Monday afternoon. The judgment awarded the full amount of Mr. Milner's claim against the marketing agency as the balance alleged due him in payment for his 1918 apple crop. The verdict was signed by nine of the 12 members of the jury.

The defendant corporation denied its liability for Mr. Milner's claim and based its defense on the claim that a contract signed by Mr. Milner provided for marketing of his crop on a consignment basis. Mr. Milner alleged that this contract had been abrogated by subsequent agreement with the company's agent.

Mr. Milner was represented by E. V. Larson of Twin Falls. Charles M. Kahn of Boise and W. P. Guthrie appeared as attorneys for the defendant corporation.

WAY WILL FIGHT CUT ON BRANCH

Traffic Expert to Resist the Short Line Curtailment Proposal

Leonard Way, managing secretary of the Southern Idaho Traffic association, will represent objectors to the Oregon Short Line's proposed curtailment of passenger train service on several branch lines in hearings on the Rogers branch at Twin Falls, April 4.

North Side branch at Jerome, April 7, and Decio branch at Burley, April 8. These hearings with several others in districts affected by the Short Line's proposal are to be held before the state public utilities commission.

At the presentation at the hearing on the Rogers branch Mr. Way spent Thursday and Friday in Hollister, Astoria and Rogers. Popular sentiment there, he reports, is overwhelmingly against the proposed curtailment of passenger train service.

Mr. Way expected to leave Sunday evening for Boise to gather data to be used in the preparation of his report against the proposed curtailments.

SECOND JURY SUCCEEDS

Automobile Dealers' Claim to Repair Bill is Upheld in Litigation

Succeeding where a jury previously had failed, a jury of six men in probate court Friday afternoon, after about an hour's deliberation, agreed upon a verdict in the case of Magel brothers, automobile dealers, Twin Falls, against Henry Thomey, baker, Buhl. The verdict awarded to the automobile dealers a judgment for \$140 against Thomey, on their claim for payment for repairs on a car accepted by them from Thomey in exchange for another machine. Thomey disputed the claim, alleging that he was not liable for the repairs bill under the agreement. Asker B. Wilson appeared as attorney for the automobile dealers. The Buhl baker was represented by J. W. Taylor.

DATES PROTEST HEARING

Utilities Commission Gives Opponents of Train Curtailment Day in Court

Hearings before the state public utilities commission on the application of the Oregon Short Line to curtail passenger train service on the Rogers branch will be held here Tuesday, on April 4; at 2 o'clock p. m., according to an announcement by the commission fixing the time and place of hearings as to other branch lines affected by the application.

POTATO GROWERS ORGANIZE

BURLEY—The Twin Falls Chamber of Commerce tax committee is to be the model for a taxpayers league now being organized here. The organization is an outgrowth of tax committees established a year ago by the Burget chamber of commerce according to E. E. Fisher, who has been elected chairman. It will follow the policy of the Twin Falls committee which recently made public its recommendations urging re-trenchment in public office.

PLAN TO BUILD RESERVOIR WINS AT CASTLEFORD

Vote Shows 30 Land Owners in Favor of One Against Proposal for Financing American Falls Project

Out of 31 Twin Falls Canal company stockholders voting at a meeting Monday afternoon at Castleford, only one cast his individual ballot in opposition to the proposal that lands under the Twin Falls canal system should be included in the Snake River Irrigation improvement district to be formed for the purpose of building the American Falls reservoir. Thirty of the 31 ballots declared for the plan.

STOCK VOTE OVERWHELMING

On a basis of canal company stock represented in the poll, 5000 shares were in favor of the district plan, and 380 against it.

Speakers at the meeting, which was one of a series of meetings to be held in this county this week for submission of the plan, included F. A. Banks, reclamation service engineer, and Senator L. L. Evans of American Falls. G. F. Thomas presided as chairman of the meeting.

Speakers were called upon to answer numerous questions as to various phases of the plan.

DAVIS TELLS OF CONVERSION

E. C. Davis, who was secretary of the meeting told the assembly that he had attended the initial meeting of the series held Saturday in Buhl; that he had made up his mind in opposition to the plan proposed but that he had been convinced of the desirability and necessity for the plan and that he was now heartily in favor of it.

Several persons who voted in favor of the plan asked for ballots to be used by neighbors who were unable to attend the meeting Monday.

KIWANIS CLUB MEMBERS ENDORSE PACIFIC

Authorize Sending of Message Urging Idaho Senators to Vote for Pact

Members of the Kiwanis club at a luncheon meeting Monday, without dissenting vote, authorized the sending of telegrams to Senators Beach and Gooding urging them to vote for ratification of the four powers Pacific treaty now before the senate for consideration. This action was suggested in a message received from headquarters of the Kiwanis club organization.

Arthur L. Swin, chairman of the chamber of commerce reclamation bureau, was a guest of the club. He discussed the plan for financing the building of the American Falls reservoir through organization of an irrigation district for this purpose to include lands for which water would be taken from this reservoir.

FILER DEBATERS WIN AND LOSE TO ALBION

Judges Decisions are Awarded Teams That Stay at Home in Dual Foremanics

FILED—(Special to The News)—The Filer high school debating team and Albion team here Friday evening with the negative on the question of toll through the Panama canal for American ships. The decision was unanimous. The local team was composed of the band of the Filer school, Clarence Beaver, while Carl Gray and Douglas Phippen represented Albion. The judges were O. P. Duvall, E. V. Larson, and J. F. Martin, all of Twin Falls.

The team that went to Albion composed of Thurston Dobbs and Leslie Williamson lost their sets to Albion, that decision being unanimous also.

Out of 18 judges decisions, the local teams have won 13, having won from Buhl, Burley and from the Shoshone school, the Shoshones having called their debate off, owing to an epidemic of flu in that city.

FILER TEACHERS RE-ELECTED

FILER—R. L. Lack, superintendent, and all members of the teaching staff of Filer independent school district have been re-elected for the coming school year without change in their salaries.

Salary scale is \$115 a month for first year teachers, and \$125 a month for those teaching two or more years in the Filer schools. The superintendent's salary is \$3,000 a year.

TROOPS SWEEP REBELS OUT OF TROUBLE ZONE

British Forces Now in Complete Control of All Sectors in South Africa Except Central Rand Region

LONDON, (AP) — With all sectors of the disaffected area in South Africa cleared of rebels except certain portions of the Johannesburg, or central region of the rand, the struggle apparently has entered its final phase. Johannesburg, in the east end of Johannesburg, seems to be the principal remaining center of resistance.

ARTILLERY AND TANKS ARE USED.

Artillery, tanks and airplanes were used in the capture of Johannesburg from the revolutionists. They disregarded notices dropped from airplanes giving them until 11 o'clock in the morning to surrender, but capitulated after 75 minutes of bombardment.

Another success was achieved in the east rand, where extensive proprietary mines were recovered and 158 revolutionists captured. Their leaders, however, escaped.

INFANTRY IS CLEANING THE STREETS.

JOHANNESBURG, (AP) — Advice from Johannesburg, timed last yesterday, report that government infantry was then clearing the streets after the capture of the town from the rebels. Many prisoners had been taken and the remainder were retiring on the Langlaagte river.

Leaflets were dropped by airplanes warning the women and children to leave before the town was bombed.

There was an immediate response, a steady stream of refugees proceeding to a special camp outside the zone of bombardment.

WOMEN ARE FOUND SNIPING TROOPS.

Although the houses in Johannesburg had been deserted by the men, only women and children being found when the government forces entered, sniping at the government troops continued. One of the snipers, apparently a woman, was shot, but when the body was recovered it was found to be that of a man in woman's clothing. Women carrying white flags sheltered some of the rebels, according to the military reports, while groups of children surrounded other rebels to facilitate their escape.

Transvaal Scottish forces took Dunswart on Sunday by a frontal attack with the bayonet, but the stretchers or bearers were unable to remove the wounded owing to the continued firing from the houses until reinforcements arrived in the afternoon, the reports state. Every house on the main street of Benoni, captured last week, was found fortified and barricaded had been played in the streets. On Sunday night houses and shops were ransacked and saloons were looted.

Possibly So.

A lady writer in one of the magazines announces that men are future. Maybe she's right. We've never known a man who quite came up to all his wife thought he ought to be.

Something Wrong Somewhere. If silence is golden and money talks, how can we say that our money is on a gold basis?—Boston Transcript.

CALL STRIKE IN PROTEST AGAINST GANDHI ARREST

Indian Congress Attempts to Emphasize Loyalty to Leader Held by the British

DURBAN, Natal, (AP) — The Indian congress of Natal, in protest against the arrest in India of Mohandas Gandhi, the civil disobedience leader, has attempted to precipitate a general strike in Natal industries. The attempt, however, has proved only partially successful.

The east Indians here in Durban adopted a resolution recording their grave concern over the arrest of Gandhi and expressing belief that he had been largely instrumental in preserving peace in India.

FORM RIVAL TO KU KLOX KLAN

Knights of Visible Empire Will Work Without Masks in Daylight, Says Founder

HEALDTON, Okla., (AP) — An anti-Ku Klux Klan organization, known as the Knights of the Visible Empire, has been formed here.

John Hyde, a local attorney and one of the organizers, announced in a statement today that the purpose of the society "is to protest against mob rule as exemplified by teachings of the Ku Klux Klan."

According to Hyde, the organization had its inception at a meeting Tuesday of 48 citizens of Healdton. Hyde said the membership had jumped to 150 today and that 150 others were waiting to sign applications. He said the organization might be expanded throughout the state but that no definite plans had been decided upon.

"There is not one line in the constitution that cannot be approved by every liberty-loving, law-abiding citizen," Mr. Hyde said. "No masks will be worn and there will be no secret meetings."

"We pledge allegiance to the law of the land and only ask that the laws be enforced by those empowered to enforce them. There will be no secrecy and any member will admit that he belongs to the organization. We will work bare-headed in the sunshine, not masked at midnight."

Historical Rock.

Redemption rock is in the town of Princeton, Mass., near Mt. Wachusett. It derives its name from a treaty made on its surface with a tribe of Indians May 2, 1670, for the ransom of Mrs. Mary Bondson, of Lancaster, a captive of the Indians. The treaty was made on behalf of the whites by John Houn of Concord. The rock has a large flat surface, on which about twenty-five persons can stand.—Boston Globe.

Jail Fare.

John's mother, who is on a diet, was eating a piece of dry bread and drinking a glass of water when he entered the room. Looking at the meager repast, he exclaimed: "Oo, man, your stomach will think you're in jail."

JAPAN GRIEVES FOR ACTION ON "IMMIGRATION"

Viscount Shibusawa Says Results of Washington Conference are "Tolerably Satisfactory"; Hopes for Future

TOKIO, (AP) — The results of the recent Washington conferences "are tolerably satisfactory from an international standpoint" but "its omission to take up the immigration question upon the fundamental solution of which depends the real attainment of American-Japanese understanding" is to be regretted, in the opinion of Viscount Shibusawa, Japan's "grand old man," who made these assertions in a recent speech before the Bankers club.

RESULTS ARE SUBJECT TO CRITICISM.

"The results of the Washington conference," said the viscount, "seem subject to public criticism on several scores, but they must be received, in my humble opinion, as tolerably satisfactory, from an international standpoint."

"The only regret over the conference is its omission to take up the immigration question, but the fact should not be ignored that the conference has contributed much to the reconciliation of American and Japanese sentiments which once had been more or less seriously strained. All the efforts employed by Japanese business men for settlement of the immigration question at Washington proved of little avail."

FAIL TO REACH CHRONIC EVIL.

"This appeals . . . with special acuteness as any of the existing American-Japanese agreements serve little purpose in the way of bringing that chronic issue to a satisfactory solution."

"However," Viscount Shibusawa concluded, "faith moves mountains and I believe that constant endeavor by the two peoples finally will be crowned with success."

Difficult Course.

An astronomer was entertaining a Scotch friend. He showed his visitor the moon through a telescope and asked him what he thought of the satellite. "It's a right," replied the Scot, who was an enthusiastic golfer. "but it's awfu' fu' o' bunkers."—Boston Transcript.

Pooch Bah of Peru Refuses More Jobs

PERU, Mass., (AP) — "I've got enough to do. I'll be hanged if I chase everybody's cows and chickens, too."

It was in this wise that Frank Cramer, "Pooch Bah of Peru," called a halt on the honors being given him at the town meeting. The nineteen voters of this Berkshire town had just elected him as moderator, town clerk, selectman, treasurer, tax collector, overseer of the poor and member of the health board. Then some one nominated him for field driver and he called quits.

Climbs Flagpole to Save Little Kitten

CHICAGO, (AP) — Patrolman Robert Doyle last night climbed a slender 50-foot flagpole to rescue a homeless black kitten from a self imposed three-day fast.

The kitten sought refuge at the top of the pole last Sunday and was then afraid to leave the gilt ball at the top for the return journey. For three days it filled the air with hungry wails, until Doyle went to the rescue. Policemen at Englewood station adopted the kitten.

DIAZ'S WIDOW PROMOTES MEXICAN OIL COMPANY

Induces Paris Friends to Join Movement to Prospect Territory in the State of Vera Cruz

MEXICO CITY, (AP) — The widow of General Porfirio Diaz, Mexico's "grand old president," is said to be organizing a company of her Paris friends to prospect for oil in the state of Vera Cruz. Senora Diaz has been a resident of the French capital since her husband went into exile in 1911.

OPEN CONFERENCE FOR WOMEN OF THE CHURCH

Methodists Meeting to be Held in May will be Notable for Its Innovation in Members

HOT SPRINGS, Ark., (AP) — Women will sit as members for the first time

at the general conference of the Methodist Episcopal church south which will begin its sessions here May 3 with 301 ministerial delegates and 179 lay delegates in attendance.

At the last quadrennial gathering of the general conference, in Atlanta, in 1918, six bishops were elected, but it is predicted that as many more will be chosen at the approaching conference.

Does Your Budget Balance?

You read in the newspapers about the various European governments trying to make their budgets balance. A government cannot long expend more money than it receives, any more than an individual can. It is important to balance the household budget, and included in this budget should be a proper provision for saving.

The finances of the family must be placed on a business basis if proper provision is to be made for the time when earning power diminishes. Nine times out of ten the women are the money savers of the family. They have the real knack of saving. They know, too, how to make one dollar do the work of two in buying.

This bank welcomes the savings accounts of thrifty women and will be glad to assist them in business matters. One dollar or more opens an interest-bearing account.

COUNCIL MAKES SHORT WORK OF ROUTINE TASKS

Initial Protest Against Sprinkling, Purchase of Equipment for Flusher and the License Awards Occupy Session

In exactly one hour's time the city council Monday evening disposed of all the business before it for consideration and adjourned at 8:30 o'clock. Only three members of the council were present, the mayor, Captain P. W. McRoberts being in Spokane on a business mission and Councilman C. P. Bowles being detained at home by illness. Councilman C. H. Krenkel, as president of the council, presided.

SURVEY OF SESSION'S WORK

During the hour's session, the council—

Heard John Bates' protest against sprinkling Elizabeth boulevard.

Considered a proposal submitted for a Pocatello concern for repairing the roof of the city hall building at a cost of \$125.

Granted licenses to two dairymen and to Colin Dawson as operator of the Weaver Rooms.

Authorized payment of claims against the waterworks department for \$55 and against the general obligations fund for \$53.21.

OTHER PROTESTS ARE EXPECTED

Mr. Bates' protest against inclusion of Elizabeth boulevard in the proposed sprinkling area was regarded as the precursor of other protests with respect to proposed sprinkling of other streets and avenues, all of which are to be considered at the next meeting.

In connection with the award of contract for batteries and lighting system for the street flusher it was pointed out that the city itself is a violator of traffic regulations in that it has failed heretofore to display a light at the rear of this precious vehicle. It was estimated that the installation of the device contracted for would result in a saving equal to the investment within two years time in that it would do away with necessity for re-charging batteries every second day as is the case now. Two proposals were considered.

The proposal for repair of the city hall roof was submitted by a Pocatello concern. In this connection, J. J. Piggerrin, commissioner of streets and waterworks, indicated that it might be possible for the city to do the work by force account at a lesser expense.

WEIGHES THE OPPOSING FACTORS

The council's action with respect to award of a license to Colin Dawson as operator of the Weaver rooms was taken in pursuance of recommendations of the chief of police, who, in a written communication, explained that a regulatory ordinance recently adopted empowered the police department "to enforce proper conduct," and that, in his judgment, would offset objections to granting of the license in this case.

Dairymen's licenses were granted, upon recommendation of Dr. W. L. Ikard, meat and dairy inspector, to W. O. Thorpe and Frank Fullford.

WESTON IN FIRST PLACE

Basketball Team from Smallest High School Carries Off State Championship

MOSCOW, Idaho, (Special to The News).—By winning from Moscow Saturday night, by the score of 23 to 17, Weston became state basketball champions in the high school division. Weston, the new champions, represent the smallest high school that ever sent a team to compete for the highest honors of basketball. With a total enrollment of 55 pupils Weston sent the best team ever seen on the university floor. Gussman, right guard, was the bright star of the Weston team all through the tournament.

In the afternoon game, Culdesac defeated Couer d'Alene by the score of 30 to 27.

The Pneumonia Month

March is a typical pneumonia month and usually gives a high rate of mortality for the disease. After a long and hard winter, the system loses much of its resistance and people grow careless. When every cold no matter how slight, is given prompt and intelligent attention, there is much less danger of pneumonia. It should be borne in mind that pneumonia is a germ disease and breeds in the throat. Chamberlain's Cough Remedy is an expectorant and cleans out the germ laden mucus and not only cures a cold but prevents its return in pneumonia. It is pleasant to take. Children take it willingly.—adv.

AGE IS NO BAR TO HADJI PLAN

Seeks to Rebuild Dissipated Fortunes Though Over 101 Years Old

BAKU, Azerbaijan, (AP).—At the age of 101 years, Hadji Tagiev, Baku's former oil king, who was ruined by soviet nationalization of his property, has started to rebuild his fortunes where he began—as a stone mason.

Hadji Tagiev is an optimist. "A man isn't old so long as he can work," he declared and, like a true Muslim, he continues to dye his white beard brown.

He is using his spare moments in learning to write. For more than 80 years he had signed his name to business papers by making his mark with a blunt stick dipped in ink. "One must keep up with the times," he explained to curious friends when the centenarian began to take lessons. Tagiev is known to Americans through his reception in his Baku palace two, and a half years ago of the General James H. Harbord mission. He was and is known throughout Russia and the middle east as an example of a poor man who became immensely wealthy, first as a house builder and then, 60 years ago, through the purchase of a piece of oil land that yielded abundantly. This was in the days when oil was gathered close to the surface and taken from wells in buckets.

MEN OF METHODIST BIBLE CLASS HOSTS AT DINNER

Addresses by Rev. Cross and County Officials Dealing with Relief Work and Law Enforcement Feature

Miss Anna Braekel, field representative for Idaho of the American Red Cross; Frank L. Stephan, prosecuting attorney; John B. Ault, probation officer; the Rev. E. L. White and C. D. Thomas were the speakers at a banquet served by the men's bible class of the Methodist Episcopal church Tuesday evening in the church parlors for 125 guests. T. F. Warner was toastmaster.

Miss Braekel discussed the work of the Red Cross among former servicemen and in other fields of activity. Mr. Stephan spoke on law enforcement and Mr. Ault discussed problems encountered in his official capacity in work among the young folks. The Rev. Mr. White's subject was "What This Class Can Do For Our Church," and Mr. Thomas discussed the work of the men's bible class.

Musical numbers were given by a quartet composed of Dr. C. D. Weaver, Earl Dougherty, G. W. Rice and J. E. White. Mr. Rice also gave a bass solo.

PAY FINAL TRIBUTE TO MEMORY OF MRS. FLOWER

Friends and neighbors gathered in large numbers at funeral services Sunday for Mrs. W. A. Flower to pay a final tribute to the memory of a widely known and respected woman of Twin Falls. The services were held at the home of Mr. and Mrs. Wendell J. Allen, and were conducted by the Rev. Charles Glenn Baird, rector of Ascension church, Episcopal. Members of the church choir sang. Burial of flowers almost concealed the simple casket in which the remains were held. The casket was carried from the Allen home to its repository in the Twin Falls cemetery by a group of friends composed of Wayne Johnson, Frank Magel, John W. D. Smith, Merlin G. Bailey, J. B. McClain and T. H. Thompson.

Chamberlain's Cough Remedy is Noted So Good for a Cough or Cold. "Everyone who has used Chamberlain's Cough Remedy speaks well of it," writes Edward P. Miller, Abbotstown, Pa. People who once used this preparation are seldom satisfied with any other. It is excellent to allay a cough or break up a cold.—adv.

WOULD RECLAIM 6,000,000 ACRES

Waters of Colorado Will Be Drawn Upon for Irrigation and Power

PHOENIX, Ariz., (AP).—The Colorado river, development of which is the subject of a series of meetings of the Colorado river commission, the first of which will open here today, is one of the world's great rivers being 1700 miles long. It extends, in its system, through seven states of this country, from the permanent snowfields of the Rockies in Wyoming and Colorado, to the sub-tropical lands of the Imperial valley, California, and through Mexico into the Gulf or Lower California.

Complete development of the river basin, it has been estimated by government engineers, will place under irrigation nearly six million acres of land, two million of which are now irrigated. Less than 100,000 horsepower is now developed from the basin while its hydroelectric potentialities have been figured in excess of six million horsepower.

WOULD FEEL MANY GOOD USES

Flood control, reclamation, irrigation and power are the four important results of development work on the Colorado, and while the latter three will add billions to the wealth of the southwest, the government agencies and the states interested have agreed that the first, flood control, is the vital point for consideration. All are co-related, for the first move for all is the construction of a dam.

Millions of dollars of property values in California and Arizona are periodically menaced by Colorado river floods, and President Harding last year provided for a hearing by Secretary of the Interior Albert B. Fall at San Diego on pleas by Imperial valley residents for quick action by the government on Colorado river flood control work.

BIG PROBLEMS NOT YET SOLVED

Engineering problems of the Colorado are not solved, according to E. C. LaRue, hydraulic engineer of the United States geological survey and accredited to be one of the best informed on the Colorado question. The Colorado river with its drainage basin comprises 244,000 miles, affecting the states of Wyoming, Utah, Colorado, Arizona, Nevada, California, New Mexico and two states of the Republic of Mexico. Its main tributaries are the Green in Wyoming, the Grand in Colorado, the San Juan, Little Colorado, Virgin and Gila.

Due to the fact that for 700 miles the Green and Colorado rivers in the upper basin flow through canyons where irrigation development is not possible, most of the irrigation projects must be undertaken in the lower Colorado.

Complications in plans for development of the Colorado result from conflicting claims of state rights to the water, as well as the international status, since any development work would have certain effects on Mexico. The Colorado river commission was created primarily to smooth out these difficulties.

BOARD WITHHOLDS AX ON BOISE TEACHERS SALARY

Wage Reduction to Come Only as Last Resort, Directors Decide, and Vocational Training May Suffer

BOISE, Idaho.—P. J. Zimmerman, superintendent of Boise schools, told members of the board of education Monday night he would favor a cut in vocational training rather than a reduction in teachers' salaries. His recommendation came midway of an intensive series of deliberations regarding necessity for cuts in the school budget for the ensuing year, and was

substantiated by the decision of the board to make cuts in Boise city school teachers salaries only as a last resort. None of the members voiced any favor to salary cuts, at the Monday night meeting.

What is useless to you may be valuable to others — advertise it in the classified columns.

Postponing the Day.

The convert who recently got up at a prayer meeting and thanked the Lord that he had three wives in heaven was (as it is rumored) subsequently observed, paying sixpence at a book-stall for a copy of "How to Prolong Life."—From Eve.

STAR PITCHING PLEASES BOSS

Kid Gleason Ticked to Death Over Showing Made by Minneapolis Man

CHICAGO, (AP) — Manager William (Kid) Gleason of the Chicago White Sox, was in high spirits today, despite the fact that his team was defeated yesterday by the New York Giants. The reason for the manager's joy was the great pitching by Charles Robertson, the Minneapolis star, who worked the first five innings against the world's champions at the Sox training camp in Seguin, Texas.

The White Sox outdid their opponents, despite the fact that Jose Barne and Art Nehf were pitching against them. The unsteady fielding of Johnny Mott, who played second base, paved the way for the Giants' victory. Reports from the Chicago Cubs' training camp at Catalina Island, Cal., state that Manager Killifer gave his players another hard drill yesterday preparatory to their second invasion of the mainland, where they tackle Los Angeles tomorrow. The players have shown vast improvement since their defeat by Portland and Vernon.

WALTER JOHNSON HAS A COLD.

The Washington team at Tampa reports its pitching staff to be rounding into shape satisfactorily with the exception of Walter Johnson, who has been kept out of practice several days with a cold.

The Boston Red Sox were reinforced yesterday by Ruel, Monahan and Sloan, holdouts, who arrived at Hot Springs, Ark., each with claims for more money. Nemo Leibold also joined the club. At St. Petersburg, Fla., the arrival of Watson and Beekel made the Braves squad complete.

Casualties followed each other in quick succession in yesterday's clash at Seguin, Texas, between the New York Giants and Chicago White Sox, in which the New York team was returned a 5 to 2 winner. Frank Frisch, Giant second baseman, was spiked; Hal Bisher, White Sox first sacker, was hit behind the ear with an inshoot and Umpire Klein and Owner had their feelings hurt by words dropped by the contending athletes.

Rain fell at the Brooklyn Dodger camp at Jacksonville, Fla., yesterday, but former Jockeyed in and watched the players warm up.

TENNIS MATE IS CHOSEN

Fourteen Year Old Philadelphia Lad Declared to Show Championship Class in Game

NEW YORK, (AP) — Al Weiner, 14-year-old Philadelphia boy, will be partner to William T. Tilden, II, world's indoor tennis champion, in the men's national indoor tennis championship tournament, starting here on March 25. Mr. Tilden announced his selection of the boy today.

He recently announced that young Weiner was to be his protegee, saying he believed the youngster to be a future Vincent Richards.

Although entries do not close until next Wednesday, 16 nationally known players have already sent in their names for the singles and three teams for the doubles.

SECOND BASEMAN SPIKED

NAN ANTONIO, Texas, (AP) — The New York Giants will be without the services of Frank Frisch, stiller second baseman for some time. The Fordham flash is out of the game because of injuries received in the exhibition contest at Seguin, yesterday when Rafferty, a young Chicago outfielder, spiked the second sacker while the latter was sliding into the bag in the fourth inning of an exhibition game with the White Sox.

WILL HOLD FIELD MEET

SPOKANE, Wash., (AP) — The first annual track and field meet of the Spokane intercollegiate conference will be held here Saturday, June 3, with teams from Spokane university, Spokane college, Whitworth college and the Cheney State Normal school.

RUPERT BEATS TWIN FALLS

Tournament Result in Local Players Taking Two Out of Three Games

STANDING.	W.	L.	Pct.
Rupert	3	3	.500
Twin Falls	3	3	.500

PLAYERS' STANDINGS.

	W.	L.	Pct.
Turner, Rupert	2	0	1.000
Epler, Twin Falls	2	0	1.000
Ansell, Rupert	1	1	.500
Goldwater, Twin Falls	1	1	.500
Edmunds, Rupert	0	2	.000
Mattison, Twin Falls	0	2	.000

RUPERT (Special to The News)

Rupert took sweet revenge on two of the three three-cushion billiard players who journeyed from Twin Falls last evening to mix in the second series of the Rupert-Twin Falls tournament. The local men with the crowd with them, and playing on a familiar table, played 50 per cent better billiards than they did on their last visit to Twin Falls.

Epler was the only local man able to get into the win column last evening, Mattison losing to Ansell, and Goldwater losing to Turner. The opening game between Mattison and Ansell gave the Rupert player a 50 to 37 victory. The start of the game was a little slow, but toward the latter part, Ansell began to speed up, and with a keen knowledge of every angle, tore away from Frank.

Ansell had a run of 5 while Mattison's best effort in the line of making a big run was two. This game went 129 innings.

The second game of the evening was between Goldwater and Turner. Goldwater suffered his first defeat of the tournament, being on the short end of a 50 to 46 score. At the start of this game, Goldwater started off as though he was going to make a landslide of the affair, piling up 25 billiards, while Turner was gathering 12. At this stage of the game, his tip came off, and from then on Turner began to move up.

TURNER MAKES SOME NICE SHOTS.

Turner made no less than 20 bank shots last evening, excelling his opponent at his own game. Goldwater, although playing his usual safety, was unable to stop the onrush of the Rupert man. The Twin Falls man held the lead up to 46, when Turner wrote a run of 3, tied the score. With the fans at fever heat, the Rupert star came to the bat in the 181st inning and made four of the prettiest scratches ever seen in this section. This run of 4 was high for this game. This is not said to take away from the playing of Turner, as he played a pretty uphili game from start to finish. Goldwater seemed to be at sea after losing his cue. One hundred and fifty-one innings were consumed to finish this game.

EPLER SAVES TWIN FALLS.

Epler, playing the third game of the evening, got away to an early lead on Ed Edmunds and held it throughout

the game, the final reading being: Epler 50, Edmunds 44. The game went out in 137 innings with "Ep" connecting for a run of 6. This is the high run of the tournament so far.

Edmunds was unable to get started while Epler played his usual steady game, picking up the naturals.

The results of last night's play put the two teams on an equal footing, with three won and three lost for each town.

The final session of the Rupert-Twin Falls tournament will take place at Macaulay's next Wednesday evening starting at 7 o'clock, with Epler and Turner playing the opener, Mattison and Edmunds in the second, and Goldwater and Ansell winding it up. To win the tournament, the local players must win two of the three games played.

The crowd last evening was impartial, and applauded both sides. Standing room was at a premium.

(Continued on Page Eight.)

TODAY'S MARKETS

Chicago Grain

CHICAGO, (AP) — Although the wheat market here opened lower today in sympathy with new declines at Liverpool, an upturn in prices soon took place. The advance resulted from a little speculative buying, which disclosed that the amount of selling orders had dwindled to relatively small proportions. Talk was current too, that despite reported weakness of British markets, the actual difference between Chicago and Liverpool values of late had widened instead of narrowed. The opening here which was varied from 1-2 to 1-3-8 lower with May \$1.31 to 1-31 1-2 and July \$1.31 1-2 to 1-31 3-4, was followed by a rise to above yesterday's finish.

Subsequently, signs of export business, scantiness of receipts at Minneapolis and adverse crop reports from Ohio together with absence of selling pressure here helped to lift values in a decided manner. The close was strong, 2 to 3-8-8 not higher, with May \$1.33 3-8 to 1-35 1-2 and July \$1.36 5-8 to 1-16 3-4.

Corn and oats paralleled the action of wheat. After opening unchanged to 3-8 lower, May 59 3-8 to 59 1-2, the corn market sagged a trifle more and then scored slight general gains.

Industrials were active buyers and with receipts light prices continued on the upgrade. The close was firm 3-8 to 1-7-8 not higher, with May 61 1-4 to 61 3-8-8.

Oats started 3-8 off to 1-8-8 advance, May 27 1-2 to 37 3-4 and later showed an upturn all around.

Higher quotations upon hops were reflected by the provision market.

Cash Grain and Provisions

CHICAGO, (AP) — Wheat — No sales reported.

Corn No. 2 mixed 56 3-4 to 57 1-2-8; No. 2 yellow 58 to 59c.

THE VARIETY STORE

—137 MAIN AVE. WEST—

New Spring Hats

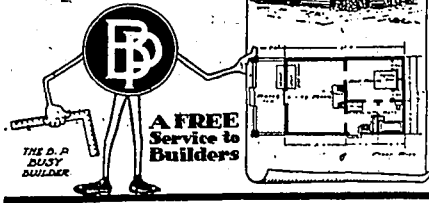

Because it is new, our millinery department has nothing but late creations of the milliner's art to show.

The models are copied from the best Parisian and American milliners. The styles shown are authentic. The late colorings and combinations of colorings express individuality.

Then, too, our prices are lower than are

the prices of the exclusive shops or millineries. It is because we have marked our hats on department store prices, which makes them in keeping with other merchandise in a department store. But because they are low in price, do not confuse these lovely hats with cheap and inferior merchandise. They are the best grades for the money we could buy.

Visualizing - The Home of Your Dreams

Good Lumber—Plus Right Prices ---Plus FREE Building Plans

The service of the Boise Payette Lumber Company is not confined to cutting, milling and delivering lumber to builders. We have extended the value of our service beyond the mere selling of lumber by creating a "builder's service department" which provides free plans and specifications that visualize your own ideas as well as those of men with years of experience in building construction.

This service means intelligence in planning and conservation and economy in the USE of lumber, whether it is for a small building or a handsome home. The service of the Boise Payette Lumber Company starts before you have bought a dollar's worth of material and ends only when your building problems are completely solved.

Put your building problems up to the manager of the nearest B. P. yard.

Boise Payette Lumber Co.

Twin Falls Yard; D. W. Updegraff, Mgr.

New Skirting

\$3.50 and \$4.95 Per Yard

These late skirtings have just arrived. In plain colors, they have a stripe of contrasting checks running lengthwise; which when made up in pleated skirts, make a very pretty effect. Two lengths only are required for a skirt, which makes them very reasonable in price. In different qualities, they are priced at \$3.50 and \$4.95 per yard.

New Tissues

75c and 85c

These silk tissue ginghams represent unusual values. Checks of live hues, plaids of wonderful colorings are here. Soft, silky texture of the materials assures that they will make up lovely.

Kaynee's Are In

Good news for mothers! You who waited patiently will be glad to know that these popular waists and shirts for boys have arrived. There are some new patterns in light and dark colorings, new stripes and combinations are shown, besides some new numbers in pailan blue chambray and a tan. Ages from 6 to 14. Prices \$1.00 and \$1.25.

CAMPAIGN FOR PROJECT PLAN NEARING CLOSE

Meeting at Twin Falls to Com-
plete Presentation of Case of
District for Building Ameri-
can Falls Reservoir

Presentation of the case for forma-
tion of the Snake River Irrigation Im-
provement district for the purpose of
building the American Falls reservoir,
with lands under the Twin Falls canal
system included in such district, is to
be completed at a public meeting to be
held here Saturday afternoon.

The meeting here will conclude a
campaign that has been in progress
since last Saturday under direction of
directors of the Twin Falls Canal com-
pany, co-operating with the reclama-
tion service and the Idaho Reclamation
association.

QUESTION PRESENTED AT LOCAL MEETINGS

In the course of this campaign, meet-
ings have been held at Buhl, Clatskanie,
Pilot and Kimberly, and additional
meetings are scheduled to be held at
Hansen and Murgha prior to the closing
meeting here Saturday.

A. Banks, reclamation engineer,
and Senator L. L. Evans of American
Falls, principal speakers at each of the
meetings scheduled, will address the
meeting here. Persons who have not
attended similar meetings elsewhere
are especially urged to attend the con-
cluding meeting of the series.

At each of these meetings canal com-
pany stockholders have been asked to
vote for or against including Twin Falls
project lands in the proposed district.
Canvass of the vote in the three meet-
ings in the territory west of Twin Falls
showed the vote 10 to 1 for the district
plan.

SENATOR'S VOTE IN FAVOR OF PLAN

The vote at Kimberly Wednesday, on
a basis of stock represented, was 2,294
for the district plan and 5,177 against it.
On the basis of vote by individuals
the ballot showed 48 for the plan
and 0 against it.

Local Brevities

Leaves for Home—Mrs. S. E. Huf-
fines, sister of the late Mrs. W. A.
Flower, left this morning for her home
at Webb City, Mo.

Undergoes Operation—Mrs. Hattie
Vinson was operated on Wednesday
morning for appendicitis at the county
hospital. Her condition is regarded as
favorable today. Dr. Scott was the
attending physician.

Reports Loss of Car—G. P. Duncan
of Buhl, reported to police headquar-
ters the loss of a dark gray bear-
ing 1920 license No. 9509, which, he
said, was taken from in front of the
postoffice here between the hours of
8:30 and 11 o'clock last evening.

ALIAS SUMMONS

In the District Court of the Eleventh
Judicial District of the State of Idaho
in and for the County of Twin Falls.

S. V. Dunn,
vs.
Twin Falls Investment Co., Ltd., a cor-
poration; H. B. Parker, the unknown
owners of certain real estate situate
in Twin Falls County, Idaho, more
particularly described as follows:
The NE 1/4 of the NE 1/4 of the NE 1/4
of Section 7, Township 14 N., Range 14 E.,
including the unknown administrators,
executors, heirs, devisees, credi-
tors and guardians of the minor
heirs of Emma P. Parker (wife of
Horace H. Parker), deceased.
Defendants.

The State of Idaho sends greetings
to the above named defendants and
each of them;

You are hereby notified that a com-
plaint has been filed against you in
the District Court of the Eleventh Ju-
dicial District of the State of Idaho,
in and for Twin Falls County, by the
above named plaintiff, and you are
hereby directed to appear and answer
said complaint within twenty days of
the service of this summons if served
within said judicial district, and with-
in forty days if served elsewhere; and
you are further notified that unless
you so appear and answer said com-
plaint within the time herein specified
the plaintiff will take judgment
against you as prayed in said com-
plaint. Said action is brought to quiet
the title in plaintiff to land and pre-
mises in Twin Falls County, Idaho, de-
scribed as the West Half (W 1/2) of
the Northeast Quarter (NE 1/4) and the
Northeast Quarter (NE 1/4) of Section
Seven (7), Township Nine (9) South
of Range Fourteen (14) East, E. B. of
said District Court, this 16th day of
March, 1922.

AUTO CARRIERS ENDORSE PLANS OF ASSOCIATION

Convention Here Adopts Articles of Incorporation and By-Laws for State-Wide Organization; Elects Officers

Organization of a state wide association of persons and corporations engaged in automobile transportation of passengers and freight, was today being perfected at closing sessions of the Intermountain States Truckmen and Automobile Carriers association, which the Idaho Truckmen's association was merged and converted by vote of almost 100 delegates in attendance at opening sessions of the first convention of the organization convened here Wednesday.

Completion of the organization work was to occupy the afternoon session. The convention was to be closed with a banquet this evening at the hotel where at which Colonel D. P. Olson, director of the state highways department and Senator L. L. Evans of American Falls was included in the list of speakers.

OFFICERS AND DIRECTORS ARE CHOSEN

Adoption of articles of incorporation and by-laws of the new association at last evening's session was followed by the election of officers and directors. G. L. Tyler of Pocatello, president of the Pocatello Automobile Trade association and a practicing attorney at that city, was elected president and manager. Ralph Walsh of Pocatello was elected secretary. Ray Trank of Boise, James O. Westengard of Idaho Falls, and William Strode of Nampa, were elected vice-presidents. Mr. Tyler and Mr. Walsh have taken the initiative in the movement launched last November which resulted in the formation of the parent organization and has culminated in the formation of the Intermountain States Truckmen and Automobile Carriers association. General offices of the association are to be established in Pocatello, and annual meetings of members are to be held in March of each year.

The new organization is launched with an initial membership of almost 300.

ORGANIZATION AIMS AT INDUSTRY'S BETTERMENT

Its purposes are to establish central offices; promote business methods and foster co-operation as between members and between the members and patrons and the general public; protect members against accident, damage or credit losses; furnish bonds for members for faithful performance of their duties; encourage maintenance and improvement of roads and highways, and to aid in the development of new business territory.

Forenoon sessions today were devoted to consideration of a financial report covering activities of the parent organization and to decision as to sums to be paid as membership fees and dues by members. The financial classification provided for by the by-laws.

The convention was called to order Wednesday afternoon in the Parish hall by Mr. Walsh. In a brief address of welcome, Newell B. Wright, secretary of the Twin Falls Chamber of Commerce, stressed advantages of organization in any field of endeavor, and cited several examples. Mr. Tyler was then introduced. He outlined the movement for organization of automobile carriers of the state, and read a tentative form of articles of incorporation and by-laws for the Intermountain States association. These articles and by-laws were adopted without material alteration at the evening session.

PERSONNEL OF DIRECTORS ELECTION

A list of the 15 members of the board of directors chosen comprised G. L. Tyler, Pocatello; Ray Trank, Boise; James O. Westengard, Idaho Falls; William Strode, Nampa; C. A. Iden, Buhl; Frank Barrett, Mountain Home; Jack Bonfield, Twin Falls; Clyde Crispin, Pocatello; J. W. Fowler, Mackay; Stanley Crowley, Idaho Falls; G. McConkey, Soda Springs; J. W. Burnett, Holbrook; J. Stanton, Payette; Dewey Howard, Malad; P. A. Monahan, Shoshone.

ANNOUNCEMENTS

The Royal Neighbor lodge will hold their regular meeting Friday evening, March 17th in the I. O. O. F. hall. There will be an entertainment after the meeting.

The Ladies of the G. A. R., Dan McCook circle, will hold their regular social meeting on Friday afternoon, March 17, with Mrs. Jack Bonfield, 846 Ash street, beginning at 2:30.

GREEN FLOWERS

Boxes of mixed flowers, including green carnations and a small pot of genuine Irish shamrock, special \$1.25, delivered anywhere in Twin Falls tomorrow, St. Patrick's day. Celebrate "Irish Freedom." Phone any hour 1279. City Tower Greenhouses, Twin Falls, corner Seventh and Second ave. B—adv.

BAD ROADS INTERFERE WITH FARMER MEETINGS

Experts Abandon Motors and Depend Upon Railway to Reach Destination

Impossible condition of roads interfered with the schedule for meetings at Hollister and Rogerson Wednesday, convened under auspices of the county farm bureau for consideration of topics related to production of better crops.

While W. A. Swart of Burley, vice president of the state farm bureau federation, proceeded by rail to Rogerson to conduct a meeting that had been scheduled for the evening there, H. K. Wiley, president of the Idaho Seed Growers' association; E. W. Stephens, representing the Western Seed Growers' marketing agency, and R. E. Brossard, county agent, stopped at Hollister and addressed a meeting of about 30 persons there between trains.

Mr. Swart this afternoon was to join the other three members of the party at Castelford, where an evening meeting was to be held following an afternoon session at Buhl to be addressed by Wiley, Stephens and Brossard.

CROM EXPLAINS REMARKS

In explanation of his remarks at a meeting Tuesday evening in the high school auditorium, J. A. Crom, who declined his nomination as a member of the commission form campaign committee, today said that when he referred to a city administration as being "one of the worst in our history," he had reference to the council immediately preceding the present administration. His statement alleging necessity for a council that would better represent all of the people, however, he said, applied to the present administration.

Mr. Crom says that his statement that he had "no newspaper hanging in his coat tails" was correct, in that he has received payment in excess of 50 per cent of the total amount of his interest in a newspaper here. He failed to hear calls of "don't still own it," by persons in the audience, for he would have explained the matter fully at that time, he said.

UTAH TOURNAMENT WILL STAGE OPENING CONTEST

High School Basketball Championship of Intermountain States to Begin

SALT LAKE CITY, Utah, (AP)—The Utah state high school athletic association's three-day basketball tournament to decide the high school championship of the intermountain states is scheduled to begin here tonight when Weston high school, Idaho state scholastic champions, play with Greeley high school of Colorado and Missoula, Mont. high school's quintet plays with Lohi high school of Utah.

At the close of the tournament next Saturday night the school having the highest number of points to its credit will be declared winner of the tournament and the championship.

The playing schedule for the second and third nights will not be decided until tomorrow, according to announcement.

Social Notes

Edited by Mrs. E. B. Williams Telephone 396.

The Brotherhood of American Yoman entertained in the Business Women's clubrooms Wednesday evening in honor of Mrs. J. B. Olson who is leaving for California. Sixty guests enjoyed a musical program followed by cards and dancing. The use of the evening delicious refreshments were served.

The Morningglade club met Wednesday with Mrs. Josie Green on Fourth avenue east in an all-day session. A beautiful dinner was served at 1 o'clock, each member bringing an article of food. Two quilts were tied, one for a club member and one to be sold, the proceeds to be used for some worthy purpose. There was a large attendance and Mrs. J. C. Porterfield spoke to the club on the necessity of all citizens co-operating with the P. O. U. S. A. association on the splendid work being done in the serving of hot lunches at the schools.

The Shamrock club held their last meeting with Mrs. James Griffith. During the business session, Mrs. Dallas was selected president for the coming year. A social hour followed and delicious refreshments were served. The next meeting will be held March 23 with May McInnis.

The annual open meeting of the Blue Triangle club for Blue Triangle mothers and their friends of the organization will be held tonight in the dome of the high school at 7:30 o'clock. The girls are very anxious that a large number be present. The intent of the program is to bring the parents into a more intimate acquaintance with the work of the organization and its ideals. The program is as follows: Brief business meeting, Alma Baker, presiding; "What is the Blue Triangle Club," Miss Johnson, club leader; reading, Olive DeWitt; club organization, Eula Duke; violin solo, Luella Cox; reading, Helen Wolfe; "What We Do at Camp," Margaret Dunlap; group of songs, with ukulele, Nettie Bowen. After the program there will be an informal half hour and refreshments will be served.

The members of the Ninth Avenue club were entertained by Mrs. J. H. Unsworth at her home on Eighth avenue north on Wednesday afternoon. Fifteen members responded to roll call. Mrs. G. D. Harward had charge of the program and each member gave a biography of their favorite author. After the social hour the hostess served delicious refreshments.

Mrs. M. J. Sweeley was hostess this week to the Wednesday Bridge club. Nine members were present and Mrs. R. R. Spafford won the prize for high score.

The Elks will celebrate St. Patrick's day with a dance at the club rooms.

Mrs. R. E. Bobler entertained the M. C. club Wednesday afternoon at her home on Sixth avenue east. Eleven members were present and the afternoon was spent with bridge. Mrs. E. H. Gates was a guest of the club and won the favor for highest score.

AUCTION SALE OF HORSES. Tuesday, March 14, at 4 p. m. at the McMaster Sale Barn, 25 head of farm horses, ranging in weight from 1200 to 1800 pounds; most of the horses are well broke; all are of age to go into the colly. Terms cash. Bankable note. Walter & Shearer, auctioneers, Will Lytle, clerk. C. A. McMaster—adv.

SPORTS

(Continued from Page 4.)

PROPOSES MIXED MATCH. NASHVILLE, Tenn., (AP) Billy Sandow, manager of Ed (Strangler) Lewis, world's heavyweight wrestling champion, today deposited a check for \$5000 with the sporting editor of the Nashville Banner in connection with the challenge to Jack Dempsey, heavyweight boxing champion, for a "Widow's match" to be staged anywhere in the United States at a date to be selected later.

DEMPEY IS WILLING. NEW YORK, (AP) — Jack Dempsey is ready to meet Ed (Strangler) Lewis in either a straight wrestling bout or a mixed bout of boxing or wrestling, Jack Kearns, the champion's manager, declared today when informed of the challenge by Billy Sandow. "Lewis could not throw Dempsey in 20 minutes straight wrestling," he added.

POCATELLO MAN WINS. POCATELLO, Idaho, (AP) — Spug Myers of Pocatello, junior lightweight champion of the intermountain country, today won the Midget Smith of Midvale, Utah, in the 12-round main event of the boxing card staged here Wednesday evening. The bout was one of the fastest ever witnessed in this city.

TODAY'S MARKET

(Continued from Page Four.)

\$12; good handy weight fat woolled ewes \$9.40 to \$10.50.

New York Stocks

NEW YORK, (AP)—With few exceptions, notably among rails, the trend of prices in today's very broad and active stock market moved almost steadily towards substantially higher levels. Sales approximated 1,100,000 shares.

Outstanding features of the final hour, at gains of 2 to 8 points, included Fisher Body, Consolidated Gas, Peoples Gas, Sears Roebuck, Utah Copper and United States Rubber. The closing was strong. Selling of the Hill issues, which gave a sharp setback to yesterday's dealings, was resumed at the opening of today's stock market. Great Northern and Northern Pacific reacting almost one point each. Crucible Steel, another 70 cent weak feature, fell one point and American Ice yielded moderately under profit-taking. There were no early dealings in local utilities, despite the more unfavorable aspects of the traction situation. American Tobacco gained 1 5/8 on its very good annual report and Sumatra Tobacco also strengthened.

"FOLLIES" SCORES AGAIN

Success scored by "Twilight Follies" at its initial performance was repeated Wednesday evening. An audience filling the theater almost to its capacity witnessed the second performance.

With but minor changes the program was identical with that offered for the opening engagement.

A substantial sum is reported to have been added by the "Follies" to the treasury of the Twilight league baseball club of Twin Falls.

HAVE a pleasant alkali this spring. Imperial Cleaning Co.—adv.
