# PROJECT'S FATE IN HANDS OF IDAHO'S PEOPLE

Washington Dispatches Quote  
Secretary Fall to Effect that  
Government 'Awaits Fulfillment of Promises'

Assumption of the water companies' obligations must precede further work by the reclamation service on the American Falls reservoir project, according to Washington dispatches, which quote Secretary of the Interior Fall to this effect:

The government looks with favor on the American Falls irrigation project in Idaho; thinks it is not only feasible, but gives promise of being a great success, but the government is not committed to the building of that project and will not obligate itself to build that project unless the settlers under the various irrigation companies coming with the project meet their obligations to the government. The project has reached a point where further progress depends upon the settlers and the irrigation companies.

This plain statement was made by Secretary Fall today when his attention was invited to a dispatch from Idaho stating that many settlers under the project were inclined to back down on the proposal to form an irrigation district to take over and discharge the obligation previously assumed by the irrigation companies, because of a prevalent opinion that the government is now committed to the American Falls project, and will build it with its own funds, even if the settlers do not "kick in."

Must Meet Obligations.  
Secretary Fall made it clear that if any settlers are laboring under that idea, they are badly mistaken, and are in for a rude awakening. And he made it equally clear that it rests with the settlers of the project to meet their obligations to the government, and then raise the funds pledged to be paid by the irrigation companies, all well and good; the project will go forward; if they do not meet their obligations to the project, the government will not build it. Secretary Fall takes the position that so far as the government alone is concerned, it is not justified in the expenditure of \$100,000,000 on the American Falls project, because it is building this project the government must drain out or overflow 70,000 acres of land now largely in private ownership, and the only way the public land can be reclaimed under the project proposed. Roughly speaking, from a purely government standpoint, the building of the project would mean increasing the cultivated area less than 50,000 acres, net, and that acreage alone would never justify the vast expenditure.

Co-operation Needed.  
Therefore, to make the project economically feasible, the private lands must be brought in in a satisfactory way, and must not only agree to bear their fair proportion of the aggregate cost, but must begin to pay their good faith by contributing the amounts that must be raised privately in order that the power company properties may be over. The government will not take the properties in the next step in the project, and Secretary Fall said that he stands today exactly where he stood early in the winter when he first met the power company contract. He is ready to sign it when the funds are in hand; he will not sign until they are, and he is looking to the people of Idaho to do this.

Secretary Fall says the language of the interior department appropriation bill authorizing continuance of the work on the American Falls project is not to be interpreted as committing the government to go ahead with the project; only \$240,000 to date has been spent in buying up property that would be flooded by the reservoir and if the project has to be abandoned because of lack of local co-operation, that money probably can be recovered by the government.

PAUL REVERE RIDES AGAIN  
Historic Incident of 147 Years Ago Repeated as Signal for Celebration Opening

BOSTON, (AP) — The 147th anniversary of the battle of Lexington and Concord and the ride of Paul Revere and William Dawes was celebrated today. The ride of the two patriots over the historic course, was repeated. "Revere" and "Dawes" were accompanied by an escort of cavalry and their attire and their route was the signal for the start of patriotic exercises. There were also exercises in Faneuil hall and on Boston common preliminary to the centenary of the incorporation of the Boston city government which comes May 1.

LABOR SCARCITY FOR THE FIRST TIME SINCE 1919

HAMMOND, Ind., (AP) — Scarcity of labor in the steel and iron industries of the Calumet region was indicated here today for the first time since 1919. Help wanted placards appeared on the gates at a number of plants. Return of foreigners to their home lands during the recent industrial depression and the minimum wage scales of 25 cents an hour are given as causes for the present shortage of laborers.

## Financial Flights of Bank President to be Investigated

Bank Shortage Believed Due to Operations of Head of the Institution

CHICAGO, (AP) — Financial operations of Everett R. Peacock, 32 years old, who is alleged to have obtained one million dollars by borrowing from money banks and by sale of stocks are under investigation of the grand jury today, according to plans of Edgar A. Jona, assistant state's attorney. Donaldis Peacock is said to have had with the Milwaukee Irving Trust bank of which he formerly was president, received a shortage of \$450,000, which the bank has recouped in full.

## Aviators Forced to Give Up Hope of Ocean Flight

Damage to Machine at St. Paul Rocks Blasts Ambition of Portuguese Flyers

RIO DE JANEIRO, (AP) — The Portuguese aviators who were attempting a flight from Portugal to Brazil will be unable to proceed in their hydro-airplane from St. Paul Rocks, a few hundred miles short of their goal on the American continent where they landed last night because the damage to their machine, according to a Havana dispatch from Pernambuco today.

## DOUBLE MURDER WILL BE CHARGE

J. Irvine, Shot by Rancher, Dies in Hospital, Making Second Victim to Succumb

SALT LAKE CITY, Utah, (AP) — Joe Irvine, who was shot when Deputy Sheriff Gordon Stuart was killed by George H. Gardner on the latter's farm near Weib, Utah, Saturday, died at a local hospital today. Gardner was arraigned yesterday and a plea of not guilty was entered for him in connection with the slaying of Stuart. He is scheduled to appear in court with his wife, Martha Gardner, today, according to County Attorney Arthur Moreton, who said that he will charge both jointly with first degree murder for the death of Irvine.

The prosecution alleges that Gardner after he shot Stuart mounted a horse in pursuit of Irvine and shot him, also, while he was mounting the horse. Mrs. Gardner covered a deputy sheriff with a gun to prevent him from interfering with her husband. Following the shooting of Stuart, Mrs. Gardner is reported to have said to her husband: "Go and get Irvine," according to the statement of the deputy sheriff. The deputy sheriff is reported to have made following the arrest of her husband and herself. Gardner is reported to have said immediately after his arrest that he bore no grudge against Stuart and that Irvine was the man he wanted to shoot. The Gardner's husband and wife, are charged with the slaying of Stuart, the charge and hearing was set for next Tuesday.

## SCOUTS' INVESTITURE IS PICTURESQUE EVENT

Demonstrations of Scoutcraft Informative and Interesting to Assembly

Ceremonies of investiture of first and second class Boy Scouts of Twin Falls and an address on Scoutcraft by Oscar Kirkham, scout executive for Utah, at the high school auditorium here Friday evening were largely attended by parents and friends of Scouts and by more than 100 Camp Fire Girls, attending in a body.

The assembly was opened with a salute to the flag while a Boy Scout bugler sounded "To The Colors." The picturesque and striking candle ceremony was used in the ceremonial investiture which was presided over by D. D. Alvord, president of the Boy Scout council; Dr. W. F. Passer, Scout commissioner; and S. L. Johnson and M. C. Mitchell, composing with Dr. Passer, the "court of honor."

Various phases of Scoutcraft were demonstrated by Boy Scouts. Members of Hazel's troop demonstrated principles of first aid treatment of injured persons. Signaling by means of semaphore and wigwag flags, flashlight and whistle was demonstrated by members of E. V. Berg's troop, and members of Donald McLean's troop depicted the principal constellations of the night sky. Mr. Kirkham, who was introduced by M. C. Mitchell, gave an impressive talk on Scoutcraft, its place in the community and its value in training for citizenship. At the conclusion of the session May 1, W. F. McRoberts presented to each of the Scouts a certificate to serve as a city official. Finally, the address of office in the form of a miniature key.

## THIRD YEAR MEN WIN FIRST PLACE

Interclass Track and Field Meet on Lincoln Field Regarded Splendid Success

The inter-class meet, which was to have been held last Tuesday was held Tuesday afternoon at Lincoln field, and resulted in the Junior class winning with 67 points to their credit. The Seniors took second place with 51 points, the sophomores 13, and the freshmen made 1.

It was a great meet, with all students of the different classes rooting for their respective heroes. Coach Evans, who has been under the senior for the last ten days, was in charge, and was ably assisted by V. Jones; E. P. Nafziger and H. W. Merritt had charge of the weights and jumps.

The opening event of the afternoon was the 50-yard dash and was won by Eldred Patz, Houghton coming in second and Duncanson pulling third place. The time for this event was 5:04. Patz ran a nice race and was an easy winner.

In the first trial heat for the 100-yard high hurdles, Browne, soph, and Murray, fresh, were first and second, but were disqualified for knocking down the hurdles, the next two were Noh, senior, and Lyons, junior. In the next heat, George Johnson, junior, took first place. In the finals, Lyons, junior was first place; Johnson, junior, second, and Noh, senior, third. Time 19 seconds.

Patz Wins Again.  
The 100-yard dash was the next item on the program for the amusement of the fans, and once more Patz came under the wire first. Swim, senior, was second, high hurdles, senior, third. As in the 50-yard event, Patz was an easy winner.

The mile run was a gandy, and brought out the fact that the juniors were going to have things their own way in the running events, as Clifford Rice, was handling, with Julius Brown, sophomore, second, while Ralph Ormsby, also a junior, took third money. This race gave the juniors 9 points, and started them on their way to winning the meet.

In the javelin throwing, Moroni Jamison of the juniors, took first with 117 feet 4 inches. Joe Johnson, senior, second, while Verasas Murray, fresh, took third. Incidentally, this one point was the only one scored by the fresh team. Murray was captain of this team.

Made Pretty Race.  
The shortest race of the day was the 440, which was won by Eldred Patz in the remarkable time of 56:03. This is fast stepping for a high school athlete. Fletcher, senior, was second, while Young, soph, took third. In this race Fletcher took the lead at the shot and for 200 yards went at a terrific pace. He began to weaken at the last turn, where Patz overtook him. It looks as though Patz belongs in the 440, and when the south central section gave Young a high jump, first place, and Marshall, Summerville, junior, second. The time in this event was 33:03. The finals put "Sea" Lyons, junior, in first place, Houghton, senior, second, and Summerville, junior, third. Time 33:02.

In the 400-yard dash event Reeves, soph, was first with a throw of 81 feet. Forrest Strickling, junior, was second, and Clarence King was third.

Makes Good Record.  
The running broad jump was won by Bob Putzer, senior, with 17 feet 8 1/2 inches. Jamison, junior, was second, and Alvord was third. The peculiar part of this event was the fact that Putzer had never tried jumping before, but with the juniors piling up his lead in the sprints, Bob felt duty-bound to boost the seniors' score. Bob is a real athlete.

In the shot put, Putzer also took first place with 38 feet. Nicholson, senior, took second with 34 feet, 7 inches. Patz was third with 32 feet, 10 inches.

The first trial heat in the 220-yard dash gave Swim, senior, first and Youngs, soph, second. The second trial heat went to Alvord, soph, with Patz taking second. Patz could have taken first in this event, but he felt duty-bound to boost the seniors' score, and under the wire first with Alvord second, and Patz third. The race showed Swim as the dark horse as everyone expected Patz to repeat. It looked as though Patz had given his best effort of the day in the 440.

Juniors Take Half Mile.  
The juniors won the half mile event, with Clifford Rice came under the tape first. Fletcher, senior, took second place, while Clarence King scored for the juniors by coming in third. King should have won this race, hands down, as it was his first event, while all other contestants had been in one or more times. The time for this event was two minutes, 27 seconds. In the high jump, Frank Powers, junior, won with a jump of 5 feet 2 inches.

Inches. George Johnson, junior, was second, while Putzer and Noh, both seniors, were tied for third place. The race was the last event of the day, with Putzer, Houghton, Ryan and Swim, running for the seniors. The junior team was composed of Lyons, Robinson, Seaver and Jamison. The sophs had Young, Lincoln, Weaver and Alvord as their stars, while the fresh were represented by Krivanek, Day, Hardy and G. Jarman. This event was won by the senior with Dudley Swim coming in first, Alvord of the sophs, second, and Jamison of the juniors, took third place. It was a pretty race, and Swim demonstrated that he is to be reckoned with when it comes to the short sprints. Time 1:48. The pole vault was omitted, owing to the fact that the pole had been broken earlier in the week.

Considered Big Success.  
The meet was an entire success, and the officials are to be congratulated for their handling of the affair. Very little time was lost between events, and all in all it was a gala day, especially for the juniors.

The Summary.  
50-yard dash—Patz, junior, first; Houghton, senior, second; Swim, senior, third. Time: 5:04 second.  
100-yard high hurdles—Lyons, junior, first; Johnson, junior, second; Noh, senior, third. Time: 10:04.  
100-yard dash—Patz, junior, first; Swim, senior, second; Houghton, senior, third. Time: 10:04.  
Mile run—Bice, junior, first; Roy, junior, second; Ormsby, junior, third. Time: 19:00.  
Shotput—Putzer, senior, first, 38 feet; Nicholson, senior, second, 34 feet 7 inches. Patz, junior, third, 32 feet, 10 inches.  
Javelin throwing—Jamison, junior, first; G. Johnson, senior, second; Murray, fresh, third. Distance: 117 feet 4 inches.  
440-yard dash—Patz, junior, first; Fletcher, senior, second; Young, soph, third. Time: 56:03.  
220-yard high hurdles—Lyons, junior, first; Houghton, senior, second; Summerville, junior, third. Time: 33:02.  
Discus throwing—Murray, soph, first; Strickling, junior, second; King, junior, third. Distance: 81 feet.  
Running broad jump—Putzer, senior, first; Jamison, junior, second; Alvord, soph, third. Distance: 17 feet 8 1/2 inches.  
220-yard dash—Swim, senior, first; Alvord, soph, second; Patz, junior, third. Time: 25 seconds.  
Half mile—Bice, junior, first; Fletcher, senior, second; King, junior, third. Time: 2:27.  
High jump—Powers, junior, first; G. Johnson, junior, second; Putzer, senior, third. Height: 5 feet 2 inches.  
Relay—Swim, senior, first; Alvord, soph, second; Jamison, junior, third. Time: 1:48.3.

## JUNIOR SWINE GROWERS UNITE

First Organization of Its Kind Formed at Meeting of Club Workers at Filer

What is believed to be the first organization of its kind ever formed in the United States was completed Friday evening at Filer when the junior swine breeders of Twin Falls and county who are enrolled in club and vocational work closed an interesting meeting which lasted until midnight. Organization of the association was effected with the election of Milo Davis as president; Charles Diehl, vice president; John Owens, secretary and treasurer.

The affair was begun with a banquet served by girls of the domestic science department of the Filer high school under the leadership of Miss Jessie B. Thornber. Subjects relating to swine breeding were discussed by Charles Diehl, E. Hall, Winifred Martin, Alfred Stronk, Milo Davis and John Owens. Following subsequent discussion of plans for the county fair, future work of the Filer Swine Club, and of fair and program committees, the meeting adjourned to convene again in Twin Falls Friday evening, May 5.

Members of the Filer Swine Club present who joined the association: John Owens, Harold Hobson, Lee Shotwell, Orval Cooper, Howard Johnson, John Owens, Frank Barker, E. Hall, Winifred Martin, Alfred Stronk, Milo Davis and John Owens. Following subsequent discussion of plans for the county fair, future work of the Filer Swine Club, and of fair and program committees, the meeting adjourned to convene again in Twin Falls Friday evening, May 5.

## PRESIDENT ENDORSES McNARY-SMITH BILL

Congressional Delegation, Headed by Representatives Sponsoring Measure; Assured of the Friendly Interest of Executive in Plan for Reclamation of Arid Lands of Western States

STRONG SUPPORT OF PROGRAM IS NOW BELIEVED TO BE AVAILABLE

WASHINGTON, (AP)—Approval of President Harding for the McNary bill providing for creation of a \$500,000 revolving fund to be used for development of western and southern reclamation and drainage projects was given today by a congressional delegation which called at the White House. The delegation was headed by Senator McNary, republican, Oregon, and Representative Addison T. Smith, republican, Idaho. The president expressed deep interest in the legislation which is pending in both the house and senate. Mr. Harding indicated, delegation members said, that he would confer with party leaders on the matter.

## KINGSWOLD AND GOONEY GUILTY

Jury in Second Trial Finds Accused Men Were Drunk When Arrested

Fines of \$25 each were Wednesday imposed by Police Judge Taber upon Andy Kingswold, formerly operator of Harry at Shoshone falls, and Tom Gooney, a farmer, who were Tuesday convicted by a jury in police court of having been drunk when they were arrested here in the early morning hours following the commission for election of March 28, in which both were active workers.

The case was tried Tuesday for the second time, the jury in a previous trial having failed to agree on a verdict. It being understood that the vote stood four for conviction and two for acquittal. The verdict Tuesday was reached at about 9 o'clock after about three hours deliberations, and was agreed to by all of the members of the jury. Lenience was recommended by the jury, because, the members said, Kingswold and Gooney had been severely punished by the arresting officer.

In imposing sentence Wednesday Judge Taber said: "In pronouncing judgment in this case I do not wish it to be understood that I am apologizing therefor, either to the city of Twin Falls, or to you, the said defendants. I simply want you to know how I have arrived at the same and that I have not disregarded the recommendation of leniency by your jury. I have not even taken into consideration the fact that this is the second offense of Mr. Kingswold and the first offense of Mr. Gooney. "The city of Twin Falls has been to an expense in the two trials of this case approximately \$100. I think it only fair that the defendants in this case stand half of this expense and it is therefore the judgment of the court that each of you be fined in the sum of \$25."

The trial Friday developed new features that were not brought out in the first trial. E. J. Murray, proprietor of the Twin Falls laundry, was an additional witness for the prosecution. The defendants admitted that they had been drinking, but denied that they were drunk. The theory of the defense was that Kingswold and Gooney were the victims of spite work on the part of city officials who had been disappointed by the adoption of the commission form of government at the election.

The case for the prosecution was conducted by City Attorney Taylor Cummins. Homer C. Mills was attorney for the defendants. Members of the jury were B. N. Randall, J. P. Johnston, C. P. Welch, P. W. Bronaugh, J. W. Houck and Charles H. Walgamott.

## SCOTT TO LEAD CARAVAN

William D. Scott, who led a "modern caravan" of 24 families from Brooklyn, N. Y., to Twin Falls, has entered into a contract with the Chamber of Commerce and land settlement company and others to bring at least 50 eastern families to settle in Spokane valley next fall. Under the plan, the caravan will leave New York about August 1, to arrive in Spokane in the last week in October. Each family must have a capital of \$5000, an automobile and sufficient traveling expenses.

## GRADUATES AT CHICAGO

Announcement has been received here of the graduation from the University of Chicago of Cecil Dean, son of Mr. and Mrs. P. E. Dean, and a graduate of the Twin Falls high school. Cecil, who is not yet 20 years of age will enter upon the course of study of the University of Chicago law school. His brother, Clarence Dean, is to graduate this spring from West Point military academy.

Explaining a Home Problem.  
When a woman gets a husband who wants a "hard party," she gets into a pretty fair carpenter's hands. Says: "I'm a Republican."

## JUNIOR VICTORY DECISIVE

### Take First Place in Nine Events in Interclass Track and Field Meet

In looking over the dope sheet of Tuesday's inter-class track meet, it is found that the seniors took first place in four events, second place in seven events, and third place in nine events. The juniors were first in nine events and second in five events, while seven of their men got in the point-scoring with first place.

The sophs had one first, two second place men and two in third place. The Fresh were content with one third place, giving them no points.

For the seniors, Dudley Swim was the most consistent point-maker, gathering 14 points; Putzier was next with 10 1/2 points scored. The other members of the senior team that scored points were: Houghton 9, Fletcher 6, Nicholson 3, Joe Johnson 3, Noh 1 1/2.

The juniors had quite a few men hit the win column, with Elford Patz taking the lead with 17 points scored. Clifford Dice made 10, as did "Sea" Lyons. Jamison had 9 to his credit, George Johnson 6, Powers 5, Roy 3, Strickling 3, King 2, Ormsby 1, and Summerville 1.

But three sophs were able to hit the total column, with David Alford leading the three with 7, Reeves was next with 5, while Young made 1.

The lovely Fresh barely escaped a shutout, with Vernice Murray making the only point with a third.

The following chart will show how it really happened:

## STANDING OF THE CLUBS

National League			
Won.	Lost.	Pct.	
New York	4	1	.800

## ALL READY FOR BIG GAME

### Local Players Never Looked Better and Pocatello Sure of Plenty of Hard Work

All is in readiness for the game tomorrow afternoon between Pocatello and the local high school team. The local boys finished their final practice this afternoon, and are all in the pink of condition.

Although Pocatello comes here with a real reputation, it looks as though they will have their hands full on Friday and Saturday.

Coach Evans has a team that is far over the average high school team. Cliff Pix is "chucker" of no mean ability, and is some kicker. Leval Jarman will no doubt throw the Saturday game, and is rapidly rounding into a real ball player.

Too much cannot be said about Bob Putzier behind the plate. Bob handles himself like an old-timer, and has a real baseball dome. Hammond at first looks to be the real slugger of the team. Tony Harper will in all probability be stationed at second, although these selections are only guess work. At practice last night Tony looked pretty good.

Gerald Jarman is a natural born infielder, and will be stationed at short. He is the surest man on the team on ground balls and never misses a fly. Stanley Cron looks good at third while Glen Thompson is playing in left field, doesn't call for comment.

## Good Material Throughout

Muscell, the new member of the team is the center fielder, and in Muscell Coach Evans has a jewel. Right field is a little doubtful and Evans may use either Pix or Jarman in that position on account of their hitting. In the event of their sitting on the bench while not in the box, John Nye may be called upon to watch right field.

Pocatello will be here for two days and the opening game on Friday will start at 2:30. The Saturday game will start at 2:30.

The return games with Pocatello will be played at that city on May 5 and 6. The season tickets will be accepted for the Friday and Saturday games.

## Lead Goes Up

NEW YORK, (AP)—The American Smelting and Refining company today advanced the price of lead from 5.00 to 5.10 cents a pound.

## PRACTICE MEET AT FILER

Buhl High Track Teams and Squad from Twin Falls Will Participate in Day's Work

Tomorrow afternoon at Filer, the Buhl and Filer high school track teams will have a practice field meet in order to get into shape for the sectional elimination meet to be held at Barley next Friday. Twin Falls track men were invited to practice out with the two west end teams, and will send some men over.

Owing to several members of the track team being on the baseball team, there is to be practice out with the standings or records of the different teams entered.

## TODAY'S MARKETS

### Chicago Grain Market

CHICAGO, (AP)—Wheat prices here averaged a little lower today during the early dealings, about in line with closing quotations at Liverpool. Sales of wheat were made in Chicago for the delivery on May contracts had some bearish effect, so did notice of an attempt to have grain in cars on tracks here made available for regular delivery the same as elevator supplies. Some selling was induced by an opinion from a crop expert in Oklahoma that danger from green bugs appeared to be imminent. Initial prices, which varied from 1-1/2 decline to 3-8 advance, were followed by a sag all around to well below yesterday's finish and then something of a rally.

Throughout the greater part of the day, absence of any sign of aggressive support for prices was noticeable, but at the last a moderate upturn in values took place owing more or less to gossip that foreign buyers were about to enter the market again. The close was unsettled, at 3-4 net decline to 3-8 advance with May \$1.43 to 1.43 1-8 and July \$1.25 5-8 to 1.25 3-4.

May wheat opened at \$1.42 3-4 to 1.43 1-4 and July at \$1.25 1-4 to 1.25 5-8.

Corn and oats were easier. After opening 1-4 off to 1-8c up, July 61 3-4 to 61 7-8, corn underwent a slight general setback.

The close was steady, at the same as yesterday's finish, 1-8c to 1-4c lower, with July 61 7-8 to 61c.

Oats started unchanged to 1-4c higher, July 40 5-8 to 40 3-4 and later showed slight declines.

Higher quotations on hogs strengthened provisions.

### Cash Grain and Provisions

NEW YORK STOCKS

NEW YORK, (AP)—The feature at the New York stock market today was the buoyant opening of today's stock market, with the closing of par by United States Steel to 100 1/8, a record quotation for considerably over a year. Sales of 4,500 shares of Sinclair at a fractional gain indicated another active session in the oil. Gains of a point or better were made in the first half hour by a wide variety of issues. These included Atchafalpa, American Locomotive, Studebaker, United States Rubber, American Ice, Crutcher and Gulf States Steels and Corn Products. Trading was under renewed pressure but most classes scored fractional advances. International Exchange showed increased firmness on the more hopeful feeling arising from latest developments at Genoa.

NEW YORK, (AP)—Early promise of a record day in the stock market was not fulfilled. Forenoon advances in many of the industrials and specialties were replaced by losses at the close. Sales approximated 1,500,000 shares. In the steady profit taking off the later dealings some loaders of the oil motor and equipment groups forfeited all their gains but rails were comparatively strong. The closing was irregular.

## These Spring Coats for Women and Misses Represent Unusual Values

These coats represent unusual values in style and price. They have been carefully selected and come in the newer shades and made up in the styles that are most popular for spring. To those who are looking for something that is good looking, yet inexpensive, these are low at

## WILL OPEN COURT WITH VICTROLA LOCAL TALENT PLAYERS SCORE

San Francisco Police Judge Announces Unique Departure to Temper Justice

SAN FRANCISCO, Cal., (AP)—Music will hereafter open the sessions of the police court of Judge Sylvain Lazarus here, according to the judge's announcement when the innovation of "tempering judicial emotions" with music was first attempted here recently. A stolen phonograph furnished the music.

Programs thus far rendered to prisoners and audience include "Hail, Hail the Gang's All Here," and "Sweet Alice Ben Bolt" and the next morning, "He Walked Right in and Walked Right Out Again," a lock-step, followed by "Old Black Joe."

Commenting on the programs, Judge Lazarus said: "There is always an air of resentment and hatred around a criminal court. There is nothing in the world that tempers our emotions so much as music. But we must also bear in mind that there is danger even in music. Some selections might soften our hearts so much that all our prisoners would march out of jail to the tune of a dirge. On the other hand, too much jazz might make us forget the misery that we ought to remember."

"For that reason each melody tune must be offset by one that is exhilarating."

Later the court will have a phonograph sent down from his own home to supply the morning concert.

## CROPS COST INQUIRIES WILL BE RESUMED HERE

Department of Agriculture and State Experiment Station Co-operating

S. B. Nuckols, representing the federal department of agriculture, and Byron Hunter of the state university experiment station, who conducted investigations at Twin Falls and the surrounding area, will return here about June 1 to carry on further investigations in this field here, according to information just received by R. E. Brown, county agricultural agent.

The results of prior investigations made here by Mr. Nuckols and Mr. Hunter have been published in a bulletin recently issued by the state experiment station, a copy of which has just been received at the county farm bureau office.

## RETURNS WITH HIS BRIDE

Mr. and Mrs. Frank Mattison, Married at Burley, to Make Home Here

Frank Mattison and his bride, who was Miss Gertrude Abernethy, daughter of Mr. and Mrs. George Abernethy of Eden, have returned to make their home in Twin Falls. The wedding took place last Saturday at the Methodist church in Burley. Mr. Mattison has been several years manager of a branch store for Marquay brothers, and where he made the acquaintance of his bride, who was attending school at the Albion state normal. Mr. and Mrs. Mattison are at present making their home with Mrs. Susan Macaulay at 253 Third avenue north.

## Uncle Sam.

Several stories are offered in explanation of the origin of the term Uncle Sam. One is that Samuel Wilson, inspector of provisions in the Revolution, was called by his helpers and friends "Uncle Sam." Goods came into his hands one day consigned to one of the contractors named Elbert Anderson, and marked "E. A. U. S." These initials were construed by one of the workmen as "Elbert Anderson and Uncle Sam." The term has lived and Uncle Sam is a synonym for the republic as it stands for the people as a whole.

## History in a Nutshell.

A boy in a Welsh school essayed to write on Henry VIII, and a London paper reports him as beginning thus: "King Henry VIII was the greatest widower that ever lived. He was born at Ann Domino in the year 1005. He had 510 wives besides children. The first was beheaded and executed. The second was revoked. She never smiled again. Henry eight, was succeeded on the throne by Mary Queen of Scots, sometimes known as the Lady of the Lake."

## New Food Preparation.

A newly patented kind of food, put up ready for the housewife's instant use, is prepared by mixing fine chopped meat with milk and a little flour. The paste thus formed is filled into molds and exposed to heat whereby the contents undergo slight shrinkage and acquire a "skin." The molded masses are thus easily dropped out to be thereupon put into cans, which are sterilized and sealed.

## How, Indeed.

Outside the Gaiety theater in London there is a large poster of "The Road to Rome," a world Famous Operatic Diva. A countryman, having come along the Strand, stood gaping at this poster. "Lummie!" he said. "Now, how the devil does our woman sing wif her mouth full of water?"

Drama Based on Early Idaho History is Presented to Capacity House

"The House of LapWai, or Idaho," a community drama, given under the auspices of the Catholic Women's league and staged and directed by Mrs. D. F. Rigger, was presented Wednesday evening before an appreciative audience which taxed the capacity of the Orpheum theater.

The play was based upon actual occurrences in the early history of Idaho elements of tragedy being interwoven with comedy and fiction to make up an entirely satisfactory entertainment. It was presented in four acts, scenes being in the LapWai agency and vicinity. Leading parts were capably portrayed by Mrs. Edwin Stokken as "Boss of LapWai," and Dr. E. H. Van Cotte as Garret Biley, the hero. Veon Riggs, little daughter of Mr. and Mrs. D. F. Rigger, won the hearts of the audience as Marjory Manuvel. Other members of the cast, all of whom appeared to splendid advantage in the roles assigned, were: C. N. Leavitt, as John Marjory; Carl Edwards, as Philip, brother of Biley; Charles Macaulay as Bryant Dawes; Helen Wolfe as Barbara Dawes; Faith DeWitt as Miriam Dawes, niece of Captain Dawes; Mrs. J. H. Easters as Aunt Resolute; and G. F. Noll as Mr. Manuvel. Blanche Adams, Bryant Black and Hazel Exeter appeared as Indians, and members of the high school society, were cowboys. Mrs. T. C. Macaulay was in charge of general arrangements; Mrs. E. M. Wolfe, business agent, and Mrs. A. J. Finke, advertising agent.

## Progressive Happiness.

Mankind is always happy for having been happy; so that if you make men happy now, you make them happy twenty years hence by the memory of the experience.—Stdney Smith

# A Week-End of Mighty Good Values!

Why is it that one always finds a crowd at Wright's? Well, the answer is simple. An aggressive merchandising policy that brings to Twin Falls the best obtainable merchandise; second, an aggressive advertising policy that tells about the merchandise; and thirdly, a clearly defined policy of fair treatment of the public. We stand back of our merchandise for we have the same faith in it that the man does who sells it to us. We believe in nationally advertised stocks and are proud of the reputation behind them all. You buy good goods at Wright's at lower prices.

## Wright's A GOOD PLACE TO TRADE After Easter Sale of Suits

You may buy a good suit for less. The backward season has left the stocks more or less complete so you may get the very suit you have wanted at a reduced price. Come early to get the best choice.

**Jersey**  
Jersey suits are popular for they are in good style, they give good service and may be worn at any time. All wool, tuxedo jackets with skirts. \$7.95

**Tweeds**  
Are gaining in popularity. They do not show the dust, they are being worn everywhere, practical and in good style. \$16.95

**BUTTONS**  
A complete assortment of buttons just in. Arranged in a book for easy selection. Reasonably priced.

**HAIR NETS**  
Large perfect double mesh hair nets in all of the desired shades. These are regular 2 for 25c. 3 for 25c.

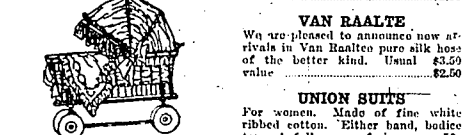

**MIDDIES**

## TOILET PAPER

Large rolls of toilet paper, 100 sheets soft, fine tissue. The usual 3 for 30c value, 2 for 25c

# FREIGHT RATES IN IDAHO TO BE INQUIRY TOPIC

## Utilities Commission Takes Action in Line with Suggestion of Leonard Way and Sets a Date for Investigation

With a view to prescribing an intrastate scale of class and commodity freight rates for use within the state of Idaho, the state public utilities commission has set July 25 at Boise as the time and place for the entering upon an investigation of intrastate class and commodity rates now in effect for the purpose of making such order or orders as might thereby be justified.

The commission's decision in this regard is in line with the suggestion made by Leonard Way, secretary of the Southern Idaho Traffic association, at a prior investigation into class and commodity rates at which the commission decided that rates in effect in the upper Snake river and Wood river districts were discriminatory.

**Urges Basis of Equality**

It was Mr. Way's contention that all Idaho shipping points should be placed upon a plane of equality with respect to these rates. He did not present argument in support of this contention at the prior hearing because of the limited time at the disposal of the commission on that occasion, but will urge his views at the hearing in July.

The commission's order providing for the hearing in July provided that if the proposed scale is not found practicable as a statewide matter, the commission will proceed to "the designation of such points as may be properly deemed distributive centers and the class and commodity rate to be used as distributive rates therefrom."

**Boise Raises Question**

The question in the first place was raised by the Boise Chamber of Commerce which alleged that a new schedule of freight rates proposed to be used by the Oregon Short Line was discriminatory as against Boise and in favor of Pocatello as a shipping point.

## WHAT ABOUT BASEBALL?

Definite and Speedy Action Necessary if Twin Falls Is to Witness Games This Season

Are we going to have baseball? This question has been asked time and time again in the last two weeks, and as far as is known every one is in favor of having baseball in Twin Falls this coming season, and yet there hasn't been a thing done as yet. The Coase league is on its third week, and the big leagues have just started their second week, and yet the fans of Twin Falls are patiently waiting for the other fellow to start.

The fans of Twin Falls really want baseball, it is high time they got busy. This is not a one-man job, but needs the co-operation of every red-blooded fan in this section.

It is true that a movement toward baseball was started a while back, and that the fans added over \$300 to the treasury, but it takes more than money to start baseball in any community. There must be unity among the fans, and each must do his share. It isn't a question of promising to attend every game, and donate 50 cents a week. How are you going to attend games in Twin Falls if Twin Falls hasn't any baseball?

Of course, there is the time-worn argument that the weather has been so poor that people won't take an interest in baseball until the warm weather sets in, but this is all foolishness. The biggest trades and deals in the big leagues take place with six feet of snow on the ground.

Now is the time to get busy, so let all the fans either hold a mass meeting, or appoint a committee to start things. Are we going to have baseball in Twin Falls this year?

### ALIAS SUMMONS

In the District Court of the Eleventh Judicial District of the State of Idaho, in and for the County of Twin Falls.

**Mary E. Owens, Plaintiff,**  
vs.  
Unknown heirs and devisees of J. H. Rieker, Jr., deceased, Mrs. J. H. Rieker, Jr. (whose given name is unknown to plaintiff), and unknown owners and claimants to Lot 2, Block of Albert Tract adjoining Kimberly Townsite, being a portion of the northwest quarter of the southwest quarter Section 21, Township 10 South, Range 18 E. B. M., Defendant.

The State of Idaho sends greetings to the above heirs and devisees of J. H. Rieker, Jr., deceased, and Mrs. J. H. Rieker, Jr. (whose given name is unknown to plaintiff), and unknown owners and claimants to Lot 2, Block of Albert Tract adjoining Kimberly Townsite, being a portion of the northwest quarter of the southwest quarter Section 21, Township 10 South, Range 18 E. B. M., the above named defendants.

You are hereby notified that a complaint has been filed against you in the District Court of the Eleventh Judicial District of the State of Idaho, in and for the County of Twin Falls, by the above named plaintiff, and you are hereby directed to appear and answer said complaint within twenty days of the service of this summons if served within said Judicial District, and within forty days if served elsewhere; and you are further notified that unless you appear and answer said complaint within the time specified, the plaintiff will take judgment against you as prayed in said complaint.

This action is brought to quiet title in plaintiff in and to the following described premises, to-wit: "Lot 2, block 4, of Albert Tract adjoining Kimberly Townsite, being a portion of the northwest quarter of the southwest quarter Section 21, Township 10 South, Range 18 E. B. M., to require defendants to set forth the nature of their adverse claims to said premises and to determine all adverse claims; and to forever exclude and debar defendants and each of them from asserting any claim whatsoever in and to the premises, and for such other relief as to the court may seem meet and for the plaintiff's costs in suit."

Witness my hand and the seal of said District Court, this 12th day of April, 1922.

## ORDER TO SHOW CAUSE

In the Probate Court, County of Twin Falls, State of Idaho.

Re: Estate of Roy Buckman, deceased.  
George Thomas, administrator of the estate of Roy Buckman, deceased, having filed herein his petition duly verified praying for an order of this Court authorizing and directing him as such administrator to mortgage the real property of said deceased, hereby gives notice to all persons interested in the estate of Roy Buckman, deceased, to appear before this Court on the 22nd day of April, 1922, at 10 o'clock a. m., and there to show cause, if any they have, why the real property of the said estate described below should not be mortgaged for the sum of Ten Thousand (\$10,000.00) Dollars as prayed for in the petition of said administrator, this day filed, or for such lesser amount as to the Court shall seem meet.

Reference may be made to said petition for further particulars. The real estate to be mortgaged is situated in Twin Falls County, Idaho, and described as follows: The Northeast Quarter (NE 1-4) Section 21, Township 10 North, Range 16 E. B. M.

It is further ordered that this notice to show cause be published once a week for four consecutive weeks before the day of hearing in the Twin Falls Weekly News, a newspaper of general circulation, published in the said County of Twin Falls, Idaho.

Dated March 20th, 1922.  
(Seal) O. P. DUVAL, Probate Judge.

## RECORD OF THE PAST

No Stronger Evidence Can Be Had in Twin Falls.

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back, any other suffering from kidney troubles, from kidney ills, should find comforting words in the following statement:

"C. B. Blades, prop. Auto Livery, 440 Seventh Ave. E., Twin Falls, says: 'I tried many kidney remedies before using Doan's Kidney Pills and Doan's gave me more relief than all the others put together. Doan's regulated my kidneys and rid me of the pains in my back.'"

"NEARLY FIVE YEARS LATER I had another attack of kidney trouble, but when I do I always use Doan's Kidney Pills. They always give me good results." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that C. B. Blades, Foster-Milburn Co., Mpls., Buffalo, N. Y.

# MAYOR ORDERED TO SHOW CAUSE FOR ELECTIONS

Hearing in Suit Brought to Invalidate Commission Form Adoption Set by Court; Committee's Part Undetermined

Order to show cause in district court here May 1 why a writ of prohibition should not be issued against the holding of an election June 6 to elect a board of five commissioners for Twin Falls under the commission form of government, was late Wednesday served upon W. W. McRoberts, as mayor of Twin Falls.

The order was obtained from District Judge W. A. Babcock by John R. Kishner, local attorney, who has instituted suit to prevent the holding of the election set for June 6. This suit is based upon the alleged invalidity of a petition for the election on March 23 at which the commission form of government was adopted for Twin Falls. It is charged also that the mayor was without jurisdiction to call the commission form election because petition for submission of the commission plan had been filed previously.

**Committee's Status Undecided.** Whether the commission form committee would take part in the hearing on the order to show cause set for May 1, had not been determined today. The committee last Monday offered to take the defense in the case off the mayor's hands.

As the situation now stands there is no barrier to proceedings toward the election of June 6. The time for filing of nominations for commission to be voted on at that election will begin next Saturday and will not expire until May 6. At the event that the court decides against issuing the writ of prohibition asked for, there will be no interruption in the proceedings and the election of June 6 will take place as scheduled. If, however, the court does issue the writ, this election probably will not be held, and the status of political affairs in Twin Falls will revert to the situation that existed prior to the filing of petition for the commission form of the commission form of city manager plan.

## ROCK CREEK ELECTORS CHOOSE COMMISSIONERS

L. P. Larsen, H. P. Larson and P. H. Newman Favored to Administer District

L. P. Larsen, H. P. Larson and P. H. Newman, will be appointed by Governor Davis as commissioners of the Rock Creek independent highway district. If the wish of the electors of the district expressed at the election on creation of the district last Saturday at Rock Creek is accepted the governor as his guide in appointment of the commissioners.

Returns from the election as reported to the county officials, included the vote cast for candidates for highway district commissioners: L. P. Larsen, H. P. Larson and P. H. Newman received majorities over E. W. McIntyre, W. E. McManister and J. Lowery, these returns showed.

## PARENT - TEACHERS MEET

M. C. Mitchell and A. I. O'Reilly to Address Session at Bickel School

M. C. Mitchell, superintendent of Twin Falls schools, and A. I. O'Reilly, county clerk leader, will address a meeting Friday evening at the Bickel school of the Parent-Teacher association of that school. Matters pertaining to the success of the school will be discussed, officials of the association will be announcing the meeting.

The meeting has been called to open at 7:45 o'clock with a singing by a community song. A social hour is planned to follow the program.

## Deaths

**Baby Bourdette**  
Word has been received here by Mr. and Mrs. H. W. Bourdette of the birth of their daughter, "Bobby", 15-month-old daughter of Mr. and Mrs. C. O. Bourdette, former residents of Twin Falls. The body will be brought here for burial and is expected to arrive Saturday.

**HOME COOKED** chicken dinner, served by the ladies of the Episcopal Guild at Parish hall, Saturday evening beginning at 5:30. 60c per plate—adv.

**To Drill Hole in Glass.**  
An experienced glass cutter says that the sharp corner of a freshly broken piece of a glass is one of the best drilling tools for making small holes in glass. Keep the drill wet with turpentine while using. Another method for making holes in glass similar in thickness to that of window pane is as follows: First make a hole in the desired size in a piece of wood. Fasten it with beeswax upon the glass. Then pour hot lead into the opening. The hot lead will melt a hole through the glass.

## KINGSWOLD AND COONEY APPEAL FROM JUDGMENT

Case Involving the Charge of Drunkenness, Twice Heard, to be Tried Again

Andy Kingswold, formerly operator of the bar at downtown falls, and Tom Cooney, have appealed to the district court from judgment involving fine of \$25 against each of them rendered by Police Judge Paul R. Taber, following their conviction on charges of having been drunk when arrested on the street here in the early morning hours following the commission form election of March 23.

The appeal is taken on questions both of law and of fact. It involves necessity for the retrial in district court of the case which was twice tried in police court. Kingswold and Cooney were arrested on the street here on the morning of Wednesday afternoon soon after the hour set for Kingswold and Cooney to appear and pay the fines imposed. Kingswold and Cooney were admitted to court, each in the sum of \$500, pending the result of the trial on appeal. Bonds for both Kingswold and Cooney were signed by James Cooney, father of the accused. Kingswold, with the older Cooney, aligned Cooney's bond and M. Atlap, formerly an employee of the municipal street department, endorsed Kingswold's bond.

## BEAN ADMITS POSSESSION

Individual Arrested When Police Said His Dwelling—Will Pay Penalty

Albert Bean, who was arrested Tuesday when police raided his residence on Kimberly road and seized a quantity of home-made whiskey and material for fabrication of a moonshine still, in probate court Wednesday entered a plea of guilty to a charge of illegal possession of liquor. He advised the court that he would be unable to furnish bonds and indicated his desire for early disposition of his case in the district court.

## Local Brevities

**In Recovering**—Miss Helen Roberts is recovering from a severe cold after a major operation performed several days ago at the county general hospital.

**Take Marriage License**—A marriage license was issued Wednesday afternoon at the county recorder's office here to Lyle Hubert Duke and Lorraine Rippe, both of Burley.

**Son Is Born**—Word has been received by relatives in this city of the birth of a son, Malcolm Pitzer to Lieutenant and Mrs. Claude B. Mickelwait is stationed at Alcatraz, San Francisco.

**On Trial for Grave Offense**—Before a jury of six men tried in probate court here was begun this morning in the case of Walter Hagar, who is charged by the prosecuting attorney with commission of a statutory crime. The case for the defense was being conducted by E. V. Larson.

**Alleges Desertion**—Alleging desertion dating from the fall of 1919, Mrs. Louise M. Hargrove has filed a suit for divorce against her husband, Nelson C. Puckett, who was married in April, 1919, at St. Louis, Mo. Puckett asks also for a division of community property consisting in real estate in Twin Falls and South Dakota.

**Line Trial Scheduled**—H. B. Luc, auctioneer, was this afternoon to be tried for a second time in police court here on a charge of having been drunk when arrested on the evening of March 29. An order for venire issued by Police Judge Paul R. Taber was today being executed by Deputy Sheriff H. H. Ormsby, and from the list of persons summoned a jury of six was to be impaneled. The jury in a prior trial failed to agree upon a verdict.

The Episcopal Guild will hold the annual bazaar Saturday, April 22, at the Parish hall. They will have on sale all kinds of useful articles, including beautiful Philippine baskets, Japanese prints and novelties—adv.

**THE STAR SOCIAL CLUB** will hold a cooked food sale on Saturday at Alford and Mott's grocery store—adv.

## Social Notes

Edited by Mrs. E. B. Williams. Telephone 390.

Mrs. L. E. Balladay entertained the fortnightly club, Wednesday afternoon at the home of Mrs. Balladay. There was a full attendance and bridge was the amusement, following which refreshments were served. There was a full attendance with vases and bowls of spring flowers.

Mrs. O. P. Duvall entertained at luncheon Tuesday at the Hotel Rogers, commencing Miss Gladys Smith, who is leaving soon for her home in Endfield, Ill. Jonquil were used to decorate the table. After luncheon the party motored to the Duvall home where the afternoon was spent with bridge. Mrs. Batley winning the prize for high score. Those present in addition to the guest of honor were: Mrs. W. H. Dwight, Mrs. C. E. Feinberg, Mrs. W. A. Giddens, Mrs. Mary Kelley, Mrs. G. M. Hall, Mrs. James Hall, Mrs. Marlin Batley and Mrs. W. Zenne Smith.

The numbers of the Ninth Avenue club met Wednesday afternoon at the home of Mrs. Edwin A. Wilson. The minutes of the last meeting were read and approved. Eighteen members were present and all with April quotations. Mrs. W. T. Combs had charge of an interesting program consisting of a review of noted April birthdays, and events and poems appropriate to the month. The hostess served delicious refreshments at the close of the meeting.

Mrs. Wilbur Hill was hostess this week to the Wednesday Bridge club. Nine members were in attendance, and Mrs. V. H. Ormsby won the prize for highest score, and Mrs. E. B. Williams received the consolation.

Mrs. I. A. Appell entertained Wednesday evening at a 6 o'clock dinner for the following teachers at the Lincoln school, Miss Fannie Perkins, Mrs. Edith Greel, Miss Mary Jane Hampton and Miss Pauline Ripley.

Mr. and Mrs. L. J. Benoit announce the marriage of their daughter Alma, to Charles M. Benoit, Wednesday, April 19, at Spokane, Wash.

Members of the Wilmot club spent a very pleasant afternoon with Mrs. W. A. Babcock yesterday. Conversation and needlework made the hours pass swiftly and late in the afternoon the hostess, assisted by her daughter, Miss Bernice, served a two-course lunch. The room was decorated with Easter lilies and jonquils. Mrs. G. E. Bryant, Mrs. C. A. Ostrander, Mrs. R. H. Stevenson and Mrs. Carl J. Hahn were guests.

Mrs. J. P. Barger was hostess to the Harmony club on Wednesday afternoon. Bridge was the diversion, Mrs. Turner acting as dealer. The following members were present: Mesdames B. A. Bitter, A. W. Husted, M. L. House, Ernest White, J. C. Moore, M. O. Conover, and E. R. Van Cott. All enjoyed the afternoon very much. Mrs. Barger served dainty refreshments.

The Mountain View club met Wednesday afternoon with Mrs. Nicholson. There was the regular order of business during which Mrs. Sam Gamble gave a report of the meeting of the directors of federated rural clubs held at the home of Mrs. Parish last Friday. The club was planning the club feast, served refreshments. Mrs. Stradley was a guest and 14 members were in attendance. The next meeting will be held with Mrs. Don Stafford.

Mrs. Frank Winkler entertained the Country Women's club Wednesday afternoon. During the business session the club was planning the Boy Scouts for charity. Election of officers was held with the following results: President, Mrs. M. E. Kennedy; Vice President, Mrs. Frank Winkler; Secretary, Mrs. Laver; Treasurer, Mrs. J. H. Ritchey; director to federated rural club, Mrs. Dora Johnston. Nineteen members were present and the following ladies were guests, Mesdames Allen, Bronks, Strong, Henderson and Shaw. The hostess served delicious refreshments during the social hour.

**Protection Furnished by Nature.**  
An ancient example of "protective mimicry" is seen in the wings of fossil cockroaches of the Coal age, which are strikingly like the leaflets of certain ferns that flourished at the same period. This resemblance undoubtedly helped the insects to conceal themselves among the fallen leaflets.

## JUNIOR HIGH SCHOOL

Grand opera season opened in Twin Falls some time ago with the presentation of Richard Wagner's beautiful opera "Lohengrin". The master series is being unfolded only to the Seventh period English class of the Junior High School. The audience of pupils provided its own company of actors. Although "Elsa," the beautiful heroine, the Swan Song, and the Bridal March have been introduced through the medium of a chalky blackboard, the study of the beautiful story of "Lohengrin" has been a success.

This eighth grade English class is to study several of the great operas.

The Junior high school was entertained this week in assembly by the Girls' Glee club and the Folk Drill club. The Glee club, numbering about thirty girls, sang three selections. The song "Come Where the Lilies Bloom" was particularly well done.

The folk drill girls presented a very attractive dance. The girls were costumed very effectively with characteristic Dutch clothes. The following girls took part: Ruth Hawley, Elmira Vochem, Lucy Ashdown, Ida Peairs, Jeroma Krivanek, Elaine Wiseman.

## Honor Student List for Second Period

Lucille Gentry, a 7 A student, led the entire school with a general average of 95 per cent.

## ROAD MAP OF DISTRICT SECRETARY'S PROJECT

Chamber of Commerce Official Purposes to Provide the Needed Article

Drafting of a map which, when completed, will show all of the roads in the Twin Falls district on both north and south sides of Snake river is the project which Newell S. Wight, secretary of the Twin Falls Chamber of Commerce, entered upon today. No such map now exists. Mr. Wight has been advised, and there is considerable demand for one. It would be particularly useful to tourists and for use in connection with other data for consideration by persons or interests interested in the Twin Falls country as a possible field for establishment of industrial plants.

In addition to showing the course of the roads, the new map will indicate the nature of the improvement of each highway.

Lighting Cafeteria, 326 Main South. Try our quick service. Best in town. New and clean—adv.

## Continuation of Fair Weather is Prophet's Guess

Irrespective of clouds that have obscured the sun during greater part of the day, fair tonight and Friday is the weather forecast sent out today by the state's official weather forecaster.

Temperature yesterday attained a maximum height at 64 degrees above zero and was low at 31 above according to records of the government weather observer here.

## BUHL PYTHIANS WILL BE GUESTS OF LODGE HERE

Twin Falls Organization to Return the Compliments Extended by the West Enders
