

## SUPREME COURT FIXES EQUITIES IN HOTEL CASE

### Thomas M. Robertson Wins Two and Loses One Decision in Complicated Transfer of Hotel Perrine Stock

BOISE—Thomas M. Robertson, of Twin Falls was two out of three times decided Saturday by the supreme court when decisions on two of the cases he lost in the district court for Twin Falls county were reversed by the high tribunal.

The litigation grew out of a contract agreement entered into between George Harrison, W. A. Babcock, E. M. Spargur, A. B. Colwell and A. L. Houghtelin, all stockholders in the Twin Falls Hotel company.

The effect of the decisions is to vest in Mr. Robertson the title to the stock in controversy subject to a nominal lien which, under the court's order, he must pay off. Control of the Hotel Perrine was passed to Mr. Robertson and to George E. Spargur, his associate in the Irrigated Lands company.

These stockholders agreed to pool their stock and thus control the company. This was done and the stock was placed in the hands of the First National bank of Twin Falls. Subsequently Robertson purchased the stock. 75 shares, of Colwell and Spargur and demands of the bank that certificates Nos. 9 and 10, representing this stock, be turned over to him. The bank refused and Robertson brought the first action to force the bank to deliver the stock. He lost this case in the district court and the supreme court affirmed the judgment.

After this case he filed another suit naming the bank, Houghtelin and H. S. Cowling as defendants. Cowling claimed the stock in question as a purchaser. In this action Robertson sought to restrain the bank and Houghtelin from selling or transferring the 75 shares of the bank that certificates Nos. 9 and 10, representing this stock, be turned over to him. The bank refused and Robertson brought the first action to force the bank to deliver the stock. He lost this case in the district court and the supreme court affirmed the judgment.

Wins in Higher Court. In the district court he also lost this action but had better luck in the supreme court, for the high tribunal reversed the decision of the lower court in this case.

Before the trial all the stock in the pool was delivered to Cowling and presented to Robertson, secretary of the company, for transfer on the books. He refused to transfer certificates Nos. 9 and 10 and the third action was brought by Cowling to compel him to make the transfer. The bank was also named as a defendant. Robertson lost this case, too, but the supreme court again reversed the district court so that he won two out of three of the decisions which, because of their close relationship, were all grouped under one case.

Must Keep Contract. In affirming the decision of the lower court in the first case, the supreme court said that as Robertson had bound himself to the contract by agreeing to its terms at the time of purchase of the 75 shares of stock, he could not withdraw his offer to anyone but the transferee. The bank was also named as a defendant. Robertson lost this case, too, but the supreme court again reversed the district court so that he won two out of three of the decisions which, because of their close relationship, were all grouped under one case.

Boyle Commission Company to Handle Early Potatoes Under Big Contract. Contract for marketing practically all of the potatoes produced this season in districts between Salt Lake and Teton, on the north, to a stinging market production of between 1500 and 2000 carloads, and constituting one of the largest contracts of its kind ever negotiated, has been completed for the Boyle Commission company by Carl L. DeLong, its agent here.

Opponents of Dancing Win in School Election. Close Contest is Waged Over Issue and Vote Cast in Largest Ever in Berger District History.

BERGEE, (Special to The News)—Opponents of dancing in the school house were successful in the school election here April 15, re-electing their candidate, M. Z. Stansbury, as a member of the board of education by vote of 34 to 32 over W. S. Starr, the candidate put forward by advocates of school house dancing. The vote was the largest ever cast at a school election in the Berger district.

## BOISE COUNCIL MEMBERS VIEW PAVEMENT HERE

### Visit of Inspection is Made by Mayor and Councilman About to Let Contract for Street Improvement

Inspection of Twin Falls' pavement with a view to possible construction of similar pavement in an improvement district lately created at Boise was the purpose of a visit here Friday of Mayor E. B. Sherman, Councilman L. P. Kieldson, J. M. Sharp and Prosper Avelline, and City Engineer C. G. Stevenson of Boise.

The visiting officials spent several hours in company with Mayor P. W. McRoberts and Street Commissioner John J. Pilgorrim, inspecting and testing pavement laid here in 1920, which is of a character similar to that proposed for installation in Boise, and also the pavement laid here in 1908. Contracts with the Warren Construction company, under which this work was done, also were studied by the Boise city officials.

No Official Statement. No statement was officially made by the Boise officials as to their decision with respect to Twin Falls pavement. Similar inspection was to be made by them of Warrento pavement at Blackfoot.

Contract for the paving in Boise was to be awarded at a meeting of the council Tuesday afternoon, April 25, in pursuance of understanding reached at a meeting of the council prior to the junketing trip.

Two bidders have submitted proposals for the work at Boise. S. E. Burnham, Boise contractor, has submitted a bid for Warrento bituminous paving "consisting of two-inch top on three-inch black base." J. H. Hartong of Blackfoot has submitted a bid on asphaltic concrete specifications.

Entertained at Dinner. The visiting Boise officials were entertained at dinner Friday evening at the Rogerson hotel, covers being laid for the visitors and for Mayor P. W. McRoberts, Councilman C. H. Krongold and C. T. Bracken, former Mayor W. H. Eldridge and former Councilman C. H. Channell.

Later in the evening the visitors inspected Twin Falls' water purification plant.

## BOISE COUNCIL AWARDS CONTRACT FOR PAVEMENT

Accepts Bid of Blackfoot Contractor for Asphaltic Concrete Material. BOISE.—By vote of 3 to 1, the Boise city council Tuesday afternoon awarded to J. H. Hartong of Blackfoot, the contract for paving in an improvement district recently created here. Hartong's bid of \$38,476.49 for the 10,000 square yards of paving was backed by Mayor E. B. Sherman and Councilman Prosper Avelline and L. P. Kieldson. Councilman John M. Sharp voted Mr. Hartong's bid specifies asphaltic concrete with two-inch top on a three-inch black base.

Award of the contract broke a deadlock in the council relative to respective bids of S. E. Burnham of Boise and Hartong. Burnham's bid was for \$42,023.08 on specifications of Warrento bituminous with two-inch top on three-inch black base.

## COLLEGE SONG AND YELL CHOSEN BY COMPETITION

Twin Falls Girl Wins Second Honor for Song Writing at Gooding College.

GOODING, Idaho.—The Young Men's Christian association at Gooding college is boosting the work for the fall term, which opens September 11, by the publication of a neat little hand-book.

To secure material for this a contest was held for the best college song and for the best college yell. The Young Women's Christian association donated half the prize money and the members of both organizations, as well as the other members of the school, competed.

## Rooster Blown Into Cider Jug New Story of Cyclones' Freaks

### One of the most remarkable of stories of cyclone freaks comes from the vicinity of the former home in Missouri of A. B. Colwell, R. M. Spargur, E. A. Minnerly and other Twin Falls citizens, in the following quotation from the Marysville, Missouri, Tribune:

Wilcox (Missouri) is a modest little town and has citizens proud from justly, but the following incident which happened during the recent cyclone in that neighborhood, has finally leaked out. After the storm had worked its havoc and passed on, one of the farmer folk in that vicinity heard an old rooster, head of the feathered farm barn, squawking in a most distressing manner. Upon investigation the rooster was found nearly encased in a two-gallon cider jug that had been sitting in the yard near the poultry pens. The cyclone which had moved in a mysterious way, its wonders to perform, had deposited the rooster there without harming the jug, but it was necessary to break it in order to get him out.

The Tribune has taken special pains to verify the curious happening and finds that Clarence Duncan, whose word is good as gold, can vouch for the extraordinary occurrence.

## TRYING AGAIN TO GET BEETS

### Closing of Twin Falls Factory Alternative if Final Campaign Fails

With the definite statement that the Amalgamated Sugar company would not operate its factory here this season unless an adequate acreage in this district was devoted to production of sugar beets, the company Monday announced launching of a final campaign to secure additional acreage for this crop.

Failure of this campaign would not invalidate contracts already signed by beet growers, whose beets would be accepted by the company for grinding at another factory, probably the one at Arley. Payment to growers in this district for the beets would be made upon the basis of delivery to the grower at the loading station, regardless of whether the Twin Falls factory were operated.

## JUNIOR HIGH WINS GAME

### Neighborhood Team Managed by Leichman Puts Up Good Battle Throughout

The junior high school baseball team played its first game of the season on Monday afternoon at the old ball grounds resulting from James Leichman's neighborhood team by the score of 22 to 11. The boys played very good ball considering it was their first game, and will give the rest of the schools some real battles before the season is over.

Cornell Jarman did the throwing for the winners, while "Kenny" Weiser was on the receiving end. Cornell is a brother to the Jarman boys on the high school team, and for a youngster does remarkably well.

"Kenny" Weiser is far over the average kid catcher, and will bear watching.

The feature of yesterday's game was the hard hitting of Ralph Foster. Ralph hits them on the nose and they travel. Katherine Casey, who coached the junior high basketball squad last fall, is coaching the baseball team.

A game with the Kimberly eighth graders is on the docket for either Wednesday or Thursday of this week.

## ADVISE HEAVY PENALTY

### Jury Asks Court to Compel Accused Man to Support Names of Babe

Declaring Walter Hagar of Kimberly guilty of the statutory crime with which he was charged, a jury in probate court here Thursday returned, with its verdict its recommendation that the court impose a punishment requiring Hagar to support the child born to the girl who appeared in the case as the complaining witness. Under the law, Judge C. P. Duvall advised, it would be impossible to impose such a penalty. The maximum sentence is \$300 fine and three months imprisonment on the county jail. Attorney E. V. Larsen for the defendant indicated that appeal would be taken from the judgment to the district court.

## NO CANDIDATES FOR COUNCILMEN ABE YET NAMED

### First Day for Filing Brings No Aspirants for Place Under Commission Form; Only the Committee Interested

Saturday, as the first day for filing of nominations for members of the board of five councilmen to be elected June 6 for Twin Falls under the commission form of government, brought forth no aspirants for municipal office. Fourteen days remain for the filing of nominations.

Blanks for this purpose have been prepared and are available for gratuitous distribution at the office of the city clerk. So far, the demand for these blanks has been confined to persons identified with the "commission form of government committee." Statements by leaders of the anti-commission form group indicate their anticipation that there will be numerous nominations filed early in the period prescribed for this purpose.

## ABERDEEN DECLARES FOR RIG IRRIGATION SCHEME

### Farmers Vote to Enter Super District to Finance American Falls

ABERDEEN, Id.—Farmers on the Aberdeen-Springfield tract Friday, at a meeting here, voted 76 to 23 to enter the super irrigation district being organized to finance the American Falls project. On a stock voting basis the Aberdeen farmers voted more than three to one, being as representing the farmers on the tract, 21,205 shares for and 6,476 against. There were 14,200 shares from Salt Lake voted by proxy—against going into the big district, but counting those out-also renders there a clear vote for the district in the big district.

Governor Davis, who is a stockholder in the company, was present and addressed the assemblage. Others from the outside were B. E. Stoumeyer, councilman, and Frank A. Banks, engineer, of the reclamation service; Warren C. Swenchen, state reclamation commissioner; Justice Cowan, attorney for the company; and Guy Flenner, manager of the campaign for the Idaho Reclamation association.

"This is the last of the preliminary meetings held the length and breadth of Snake River valley as far as this district is contemplated," said Manager Flenner. "Our petitions are now being perfected for distribution over the proposed district, which is to include the Twin Falls sections and various companies north of American Falls. Swenchen, at the meeting, said that the northern part of the valley. We have not included any company where there has been opposition or where there has been an expressed purpose to make payment for the proportionate share of the cost of the dam by direct assessment. (Only one company is found to be in payment of this however, the rest desiring all the time they can secure to make payments.)"

## STUDENTS HAVE PAPER

### Junior High Class Engaged in Publication of Class Organ of Unique Kind

A creditable piece of work is being done in a 7-A English class at the Junior High school in the form of a school newspaper. The work is all done by the pupils under the direction of Miss Casey, the teacher. The paper is first typewritten and afterwards copies are run off on a duplicator which is provided by one of the members of the class. Three editions have been published.

The newspaper staff consists of the following: Editor-in-chief, Marcello Wynn; business manager, Lena Clifford; news editors, Byron Bendall, Irene Hurst; society editors, Dorothy Heidstrom, Catherine Newman; sports editor, Richard Conway; jokes, Harry Bodenstet.

## NORTH DAKOTA'S POTATO PRODUCTION LOOMS BIG

### Agricultural Agent Asks for Information as to Indicated Production in Twin Falls County

North Dakota's potato crop this year will be an exceptionally large one, according to statement of F. C. Hathaway, county agricultural agent at Crofton, N. D. in a letter just received by R. E. Brossard, county agent, inquiring for information as to the probable potato production this season in the Twin Falls county.

"In this county," the North Dakota agent says, "there will be a big increase in the potato crop this year. The same apparently is to be true over this state. Some localities report there will be three or four times as many potatoes planted as last year."

## IDAHO FALLS BANDITS FOUND GUILTY BY JURY

### Trial of Clyde and Guy Nelson Results in Verdict of Murder in the First Degree

IDAHO FALLS, Idaho, (AP)—Clyde and Guy Nelson, on trial in district court here on a charge of murdering S. A. Brownling, aged grocer, were found guilty of murder in the first degree by the jury today after an hour's deliberation Tuesday night.

## GOODING COLLEGE BOASTS OF MANY MARRIED WOMEN

### President Tenney Claims Nebraska University's Record is Broken

GOODING, Idaho.—President C. W. Tenney claims that Gooding college has the record of the University of Nebraska for the enrollment of married women bested.

Nebraska has seven and is so proud of the fact that the story has been heralded from coast to coast. Gooding college has thirteen and there is not a teacher or a pupil in the school who considers the number unlucky, either.

One of them is a member of the senior class and will graduate the first of June. More than that she has a boy in the sophomore class, another in the freshman class, a girl in the grades and a husband who seems both happy and contented.

These married women at Gooding college are: Mrs. Naomi Abendorf of Salt Lake City, Utah; Mrs. Arnold Oslund of Twin Falls; Miss E. E. Eason of Shoshone; Mrs. M. B. Whitford of Bliss and Meadames C. E. B. Roberts, H. J. Lyeon, A. C. Thompson, P. D. H. Marsh, L. S. Ferris, Shirley P. Deich, J. H. Cromwell, C. L. Buckner and H. H. Cheney, of Gooding.

The list of subjects pursued is quite varied, and without duplication it includes: Engineering mathematics, American history, bacteriology, chemistry, French, freshman English, rural sociology, rural economics, millinery, English bible, seminar in history, remodeling of old clothes, current history.

The list of subjects pursued is quite varied, and without duplication it includes: Engineering mathematics, American history, bacteriology, chemistry, French, freshman English, rural sociology, rural economics, millinery, English bible, seminar in history, remodeling of old clothes, current history.

## BUHL LODGEMEN GUESTS

### Pythians of West End Exemplify Degree Work of Order in Twin Falls

Officers and members of Buhl lodge, Knights of Pythias, Friday evening were guests of Twin Falls members of the order at a meeting here at which the Buhl lodgemen exemplified the second degree of the order. Following the lodge session, an elaborate feed was served.

## OPPOSITS OF DANCING WIN IN SCHOOL ELECTION

### Close Contest is Waged Over Issue and Vote Cast in Largest Ever in Berger District History

BERGEE, (Special to The News)—Opponents of dancing in the school house were successful in the school election here April 15, re-electing their candidate, M. Z. Stansbury, as a member of the board of education by vote of 34 to 32 over W. S. Starr, the candidate put forward by advocates of school house dancing. The vote was the largest ever cast at a school election in the Berger district.

## OPPONENTS OF DANCING WIN IN SCHOOL ELECTION

### Close Contest is Waged Over Issue and Vote Cast in Largest Ever in Berger District History

BERGEE, (Special to The News)—Opponents of dancing in the school house were successful in the school election here April 15, re-electing their candidate, M. Z. Stansbury, as a member of the board of education by vote of 34 to 32 over W. S. Starr, the candidate put forward by advocates of school house dancing. The vote was the largest ever cast at a school election in the Berger district.

# TOURIST PARK WILL BE GIVEN HELP BY CITY

### Council Employs J. W. Leedom as Park Tender for 6 Months' Season Beginning May 1—Budget Again Considered

Twin Falls' tourist park will receive from the city administration the same consideration that was given last year, and will be maintained and operated this season by the city in co-operation with the Twin Falls Chamber of Commerce parks bureau, according to arrangements agreed upon at the meeting Monday evening of the city council.

The council definitely arranged for the employment of J. W. Leedom as tourist park tender. Mr. Leedom served in this capacity last year. The city's estimate of expenses includes \$125 for expenses of the park, the chairman of the budget committee said.

A considerable part of the season was devoted to further consideration of the budget committee's report which is to come up for final action at next week's meeting.

Mr. Leedom and W. J. Luck were present when the council convened.

Mr. Luck appeared for the first time in regard to his plans for erecting a service station at Five Points.

In this matter a committee composed of Councilmen C. T. Bracken and C. P. Bowles reported, advising that Mr. Luck be required to build back from the property line 25 feet in each direction.

Mr. Luck asked permission to put the building closer to Addison avenue and farther from West Broadway street to average 25 feet from both property lines.

Councilmen Bowles, as chairman of the finance committee reported that he had examined securities deposited with the county auditor by Twin Falls banks, and that these securities were within the law and sufficient to cover the city's deposits in Twin Falls banks.

Mr. Leedom told the council that he appeared upon recommendation of the Twin Falls Chamber of Commerce officials, to discuss plans for operation of the tourist park.

Councilman Bracken said that he had been advised by Beloe's park commissioner that if funds were available, Beloe's tourist park would be operated this year without cost to tourists.

Mr. Leedom reported that the tourist season has already opened.

He told the council that more tables and seats were desirable at the park and expressed the opinion that Twin Falls individuals or concerns would donate them.

Upon recommendation of Dr. W. L. Kern, meat and dairy inspectors, milk licenses were granted to D. F. Clark and J. Lisbonore and meat licenses to the J. D. Stone and Walls' grocery.

F. J. Dell of the Princess dance hall, Third avenue west received at the hands of the council, favorable action on his application for dance hall license.

General obligation bills in the sum of \$2044.50 and street sprinkling bills amounting to \$91.68 were ordered paid.

# BURLEY ATHLETES HOLD INTER CLASS SESSION

### Wesley Doe is Feature Performer; Joint Meet with Gooding Called Off

BURLEY, Idaho. (Special to The News).—The Burley high school held its annual inter-class track meet recently, and as usual Leslie Doe was the feature of the meet.

Although there was no fast time in the different events recorded, it proved that Burley will be a strong contender when the annual sectional meet is held in this city next Friday.

Inclement weather retarded active practice, but with a week of good weather, hot boys should be in tip-top condition for next Friday.

The dual meet to be held with Gooding college, has been called off by Gooding.

The summary of the inter-class meet: 50-yard dash—Doe, first; Wolf, second; Nelson, third. Time 6:1.

100-yard dash—Doe, first; Wolf, second; Nelson, third. Time 11:1.

220-yard dash—Doe, first; Wolf, second; Nelson, third. Time 25 second.

440-yard dash—Corless, first; Shockey, second; Bateman, third. Time, 61:1.

120-yard hurdles—Doe, first; Griffith, second; Shockey, third. Time, 21 second.

500-yard hurdles—Doe, first; Corless, second; Jenkins, third. Time, 31:5.

Pole vault—Nelson, first; Corless, second; Corless, third. Height, 9 feet.

High jump—Wolf and Nelson, tie for first place; Griffith, third. Height, 5 feet 1 inch.

Broad jump—Doe, first; Wolf, second; Nelson, third. Distance 10 feet.

Javelin—Doe, first; Nelson, second; Griffith, third. Distance 123 feet.

Shot put—Kerhanik, first; Doe, second; Jenkins, third. Distance, 39 feet 3 inches.

Discus—Kerhanik, first; Doe, second; Nelson, third. Distance 92 feet 9 inches.

Half mile—Bateman, first; Burns, second; Shockey, third. Time, 2 minutes 17:1 seconds.

1 Mile—Burns, first; Collett, second; Bateman, third. Time, 5 minutes 23 seconds.

10 Miles—Seniors: Nelson, Corless, Burns, Doe.

Postal Improvement Week is observed May 1 Sees Inaugurated First General Campaign of Kind in Service.

Without the Postal Service, business would languish in a day, and be at a standstill in a week. Public opinion would die of dry rot.

# CITY PERSISTS IN PROSECUTION OF MEAT CASES

### Complaint Against Flier Butcher Is Filed Following Acquittal of Transfer Man Who Denies Acting as Agent

Complaint against Jacob Schaefer, Flier butcher, on a charge of selling uninspected meat in Twin Falls, was Tuesday preferred in police court by C. B. Jaaks, Twin Falls butcher.

The complaint against Schaefer was filed following the verdict of not guilty returned by a jury in police court here Monday afternoon in the case of Lloyd McDougal, Twin Falls transfer man, against whom a similar complaint has been preferred by Jaaks.

Evidence adduced at the McDougal trial indicated that the alleged sale of un-inspected meat involved a three-handed transaction; that McDougal delivered and collected for meat for which orders were taken by P. M. Fox of Twin Falls, and filled by Schaefer.

McDougal denied any interest in the transaction except as a transfer man and claimed he was paid by Schaefer a certain price for delivery of the meat and making collections for it.

The prosecution argued that McDougal actually consummated the sale and was actually an agent for the Flier butcher. It urged three counts against McDougal, charging that he "exposed for sale" meat which was not protected from contamination, that he was selling meat without a license, and that the meat which was alleged to have sold was not prepared in an inspected slaughter house.

The case for the prosecution was conducted by City Attorney Taylor Cummins. H. C. Mills appeared as counsel for McDougal.

The jury's verdict was returned after less than 15 minutes deliberations. Along with the verdict the jury submitted to the court the following written statement:

"We, the jury, beg leave to suggest that with the publicity given in the past of the sale of meat by Flier meat dealers it would be a simple matter for any person to employ by the city to have ascertain the principle, if the city ordinance has been violated."

Members of the jury were F. E. Lochleiter, D. C. Graybeal, W. F. Baker, George P. Lynch, Frank Reeder, P. E. Dean.

# WAY PRESENTS ARGUMENTS ON TRAIN SERVICE

### Traffic Association Secretary Covers Situation as Whole Involved in Short Line Petition to Curtail

In addition to arguments based upon claims of necessity and convenience presented at a series of hearings by residents of the districts affected, the state public utilities commission, in passing upon the application of the Oregon Short Line for permission to curtail passenger train service on several branch lines in Idaho, will take into consideration an argument of general character, presented at Shoshone Wednesday of last week by Leonard Way, secretary of the Southern Idaho Traffic Association, in opposition to the application.

Decision on the application will be reached, members of the commission have indicated, within about two weeks after April 25, which is the last date for briefs to be filed by advocates and opponents of the application.

Attends All Hearings. Mr. Way has attended all of the hearings on the application, the last one being held on Thursday at Fairfield. He represented this district at a hearing in Twin Falls where he opposed the proposed curtailment in so far as the Rogerson branch was concerned.

In general argument against the application at Shoshone Wednesday Mr. Way argued to the commission that existing train service in Idaho was unbalanced and discriminatory in that there were operated on the mainline between four and eleven trains daily and on the Boise branch line six trains daily; that these trains were operated for purposes of convenience only and that traffic did not justify their operation. He contrasted this condition with that on other branch lines where train service was limited to one mixed train three times a week.

In a review of the operating revenue and expenses of the Oregon Short Line as a whole covering the years from 1914 to 1920, inclusive, presented by Mr. Way, it was shown that the net operating revenue over the seven year period would average 8.155 per cent return on the investment in road and equipment.

He argued that branch lines should not be considered as separate units, either in fixing of rates or estimate of revenues, but should be regarded as parts of the whole system.

According to the one authority, a woman's feet should be to her height the proportion of 14 to 100—that is, as nearly as possible, one-seventh of the height.

By the means, it is stated, an unequal expansion is produced throughout the plate; and under the influence of a sudden gust of cold or any other quick change of temperature a strain is developed which may break the glass.

Women's Feet. According to the one authority, a woman's feet should be to her height the proportion of 14 to 100—that is, as nearly as possible, one-seventh of the height.

# INTERVENTION IS NOT WANTED

### Illinois Mine Workers Prefer to Deal Directly with Operators in Coal Strike

CHICAGO, (AP).—The union mine workers of Illinois do not want government intervention in the coal strike, but prefer to deal directly with operators, and the time when a conference can be held is "not very far off," Frank Farrington, president of the Illinois miners, declared today.

Mr. Farrington indicated dissatisfaction with the conduct of the strike by international headquarters under the direction of President John L. Lewis, and gave some indication that the Illinois workers may urge separate action in the not distant future.

"The trouble with Lewis is that he has no policy," Mr. Farrington said. "He is simply drifting, hoping that some where down stream, the government will throw out a life line. I don't think the government will throw out any such line and the Illinois miners don't want it."

"Government intervention means adjusting wage scales on the basis of the non-union fields. We want to dicker with the operators right here in Illinois and I think the time is apt to come pretty soon when we can do that."

Mr. Farrington made it plain that the Illinois miners were hoping for some modification of strike policy which would allow them to open negotiations with the Illinois operators.

"If Every Wife Knew." A leading life insurance company is using this on the bottom of its ads in trade journals: "If every wife knew what every widow knows, every husband would be insured."

The Winner. A slot machine with the mysterious unknown contents of a grab bag would get the most nickels.

Preventative Medicine. The tendency of medical science is toward preventative measures. It is easier and better to prevent than to cure. Pneumonia, one of the most dangerous diseases that medical men have to contend with, often follows a cold or attack of the grip. The cold prepares the system for the reception and development of the pneumonia germ. The longer the cold hangs on, the greater the danger. Take Chamberlain's Cough Remedy as soon as the first indication of a cold appears so as to get rid of it with the least possible delay. It is folly to risk an attack of pneumonia when this remedy may be obtained for a trifle.—adv.

Bad Rick in Windows. Nearly every business contributes bits of specialized knowledge to the common fund. It will strike many persons as a curious piece of information that plate glass insurance companies class windows with black lettering on them as "extra hazardous" risks. The explanation given is that a black surface absorbs the sun's rays. By the means, it is stated, an unequal expansion is produced throughout the plate; and under the influence of a sudden gust of cold or any other quick change of temperature a strain is developed which may break the glass.

Women's Feet. According to the one authority, a woman's feet should be to her height the proportion of 14 to 100—that is, as nearly as possible, one-seventh of the height.

# COUNTY JAIL IS WELL FILLED UP

### Women Taken in the Kentucky Mountain Raids House in Home of Jailor.

MANCHESTER, Ky. (AP)—With the county jail filled and the home of Jailor Harris sheltering many women prisoners, the Mill Creek section of Clay county is quiet today. In compliance with Circuit Judge Hiram J. Johnson's orders for the arrest of the persons over 12 years of age in the Mill Creek territory, the jail today houses 135 men, and many more are under orders to appear before the grand jury to testify regarding the murder of a witness and the wounding of a deputy sheriff.

Deputy sheriffs yesterday swore that there was an organized band to violate laws and, if necessary, to kill any one who attempted to break up the lawlessness. Those under arrest are charged with being members of this band.

Some of the men, women and older children for whom warrants were issued are crowded into homes here without guards while they await summons to appear before the grand jury. It is expected wholesale indictments will result from the grand jury investigation, and that heavy bonds will be demanded of those who are found to be connected with the alleged conspirators.

CANADIAN WHEAT YIELD SHOWS AN INCREASE. The total yield of the 1921 wheat crop is finally estimated at 309,858,100 bushels for the entire domain, from a sown area of over 23,000,000 acres, says the Royal bank in its April letter. This is an increase in yield of 14 per cent over the previous year. The total value of the crop, however, is estimated at about \$243,000,000, which is 43 per cent lower than the estimated value of the 1920 crop. The statement attributes the drastic decline in the price of wheat that occurred during the autumn months of 1921.

Romans Used to Eat Moths. Moths and butterflies might not seem to us of much value as a food, but the Romans used them, as well as beetles, as an article of diet.

## Here's why CAMELS are the quality cigarette

BECAUSE we put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Camels the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper—secure foil wrapping—revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember—you must pay their extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest cigarette you can imagine—and one entirely free from cigarettly aftertaste,

It's Camels for you.

# Camel

R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.

## COURTESY

It sticks in human relations like nothing else. The POST OFFICE DEPARTMENT expects it to be used by its postmasters and employees in dealing with the public.

## THANK YOU

Not So Much. A professor in Chicago told his audience that there are no beautiful women in the United States. We haven't been invited to get into this argument and it's none of our business but we would like to born in with just this statement that we're never seen a professor who was much to look at.

Palm Oil Used as Fuel. Palm oil is being used as steam fuel in the Congo with good results.

# MARINES LANDED ON CHINESE SOIL

## Measures for Protection of the American and Other Foreign Interests Under Way

PEKING, (AP) — Measures for the protection of American and other foreign interests here have been expedited in view of the threatened hostilities between the forces of General Chang Tso-lin and Wu Pei-fu.

The service to the coast has not been suspended, but is irregular, and the legations are prepared to order the seizure of the railroad and keep it in operation should serious interference develop. Thus far nothing but precautionary action has been taken, but it is stated that an allied fleet will land troops, if necessary, to keep communications open between Peking and the coast in compliance with the protocol of 1901.

Reinforcements Sent For: One Hundred and seventy-five blue-jackets and marines are expected to arrive today to reinforce the guard of the American legation. The men are from the United States cruiser Albany which was ordered north from Shang Hai, and tents have been erected for them in the legation quarter.

The Albany will join the Huron, flagship of the United States Asiatic fleet, off Chiuwangtan, northeast of Tientsin. The British and French legations also have requested that warships be sent to Chinese waters.

The military activities of the opposing generals continue. Wu Pei-fu has concentrated 25,000 men at Peking, the capital of China, and the Chinese has 30,000 soldiers along the railroad from Peking to the sea.

**ALIAS SUMMONS**  
In the District Court of the Eleventh Judicial District of the State of Idaho, in and for the County of Twin Falls.

J. W. Tritt, Plaintiff, vs. Stella Tritt, Defendant.

The State of Idaho sends greetings to Stella Tritt, the above-named defendant.

You are hereby notified that a complaint has been filed against you in the District Court of the Eleventh Judicial District of the State of Idaho, in and for the County of Twin Falls, by the above-named plaintiff, and you are hereby directed to appear and answer the complaint within twenty days of the service of this summons if served within said Judicial District, and within forty days if served elsewhere; and you are further notified that unless you so appear and answer said complaint within the time herein specified, the plaintiff will take judgment against you as prayed in said complaint.

Witness my hand and the seal of the said District Court this 22d day of April, 1922.

C. C. SIGGINS, Clerk. By John F. Hansen, Deputy. Porter & Witham, Attorneys for Plaintiff, residing at Twin Falls, Idaho.

**NOTICE OF WRIT OF ATTACHMENT.**

In the District Court of the Eleventh Judicial District of the State of Idaho in and for Twin Falls County.

C. W. Purks, Plaintiff, vs. Wm. J. Barkes and W. M. Peairs, Defendants.

Notice is hereby given that on April 22, 1922, a writ of attachment was issued out of the above entitled court in the above entitled action, attaching the property of the above named defendant for the sum of \$273.42.

In witness whereof, I have hereunto set my hand and the seal of this court this 22nd day of April, 1922.

(Seal) C. C. SIGGINS, Clerk of the District Court. By C. L. Bowen, Deputy. S. T. Hamilton, attorney for plaintiff, Twin Falls, Idaho.

**NOTICE OF WRIT OF ATTACHMENT.**

In the District Court of the Eleventh Judicial District of the State of Idaho in and for Twin Falls County.

Continental and Commercial National Bank of Chicago (a national banking corporation), Plaintiff, vs. Lincoln Idaho Oil Co., a corporation, Charles R. McQuorn, W. H. Harvey, V. R. Laird, Thomas Clinton, F. C. Meredith, B. E. Tillery, and the Citizens State Bank of Cubi, Idaho, Defendants.

Notice is hereby given that on April 22, 1922, a writ of attachment was issued out of the above entitled court in the above entitled action, attaching the property of the above named defendant for the sum of \$10,000.00.

In witness whereof, I have hereunto set my hand and the seal of this court this 24th day of April, 1922.

(Seal) C. C. SIGGINS, Clerk of the District Court. By C. L. Bowen, Deputy. L. A. Warner and M. J. Sweeney, attorneys for plaintiff, Twin Falls, Idaho.

# TODAY'S MARKETS

**Chicago Grain Market**  
CHICAGO, (AP) — New arrivals in the price of wheat took place today after a brief showing of strength at the opening of business. Initial gains were apparently due more or less to assurances that an late break in the market yesterday there had been large foreign purchases both of old and new crop wheat. Upturns in price this morning, however, led to price taking sales which together with continued favorable crop reports from the south-west caused the market to drop. The opening, which varied from unchanged figures to 1 1/4c higher, with May \$1.40 to 1.41 and July \$1.24 3/4 to 1.25 1/4, was followed by declines all around to well below yesterday's finish.

**Buying on the part of houses with abundant connections forced an advance in wheat prices near the end of the season. It was current gossip that export sales had been of liberal amount, and that Germany was paying the best premiums of the season. The close was unsettled 3/4 to 1 3/4c not higher, with May \$1.41 1/8 to 1.41 1/2 and July \$1.26 to 1.26 1/8.**

**The descent of values carried the market to its lowest level touched of late, \$1.38 3/4, for May delivery, but then enlarged buying set in and the course of the market was irregularly upward the remainder of the day.**

**Unfavorable weather gave comparative firmness to corn and oats. After opening unchanged to 1/4c lower, July 63 7/8 to 64c, the corn market scorially slight further gains.**

**Subsequently the seaboard sent word of favorable weather gave comparative firmness to corn and oats. After opening unchanged to 1/4c lower, July 63 7/8 to 64c, the corn market scorially slight further gains.**

**Subsequently the seaboard sent word of favorable weather gave comparative firmness to corn and oats. After opening unchanged to 1/4c lower, July 63 7/8 to 64c, the corn market scorially slight further gains.**

**Oats started unchanged to 1/4c off, July 39 3/4 to 39 7/8c, and then rallied a little.**

**Provisions were weak in line with hog values.**

**Cash Grain and Provisions**  
CHICAGO, (AP) — Wheat No. 2 hard \$1.39 3/4 to 40c; No. 2 mixed 61 to 61 1/4c; No. 2 yellow 61 1/4 to 61 1/2c; Oats No. 2 white 39 to 40 1/4c; No. 2 white 38 to 40c.

**Flour**  
MINNEAPOLIS, (AP) — Flour — Unchanged to 20c lower; family patents \$2.20 to \$2.40; Bran \$23.

**Potatoes**  
CHICAGO, (AP) — Potatoes — Strong; receipts 48 cars; Wisconsin sacked Round Whites \$1.90 to 2; bulk \$2 to 2.07 cwt.; Minnesota sacked Round Whites \$1.75 to 1.90 cwt.; Idaho sacked Rurals \$2.20 to 2.25 cwt.; Michigan sacked Round Whites \$2.05 cwt.

**Poultry**  
CHICAGO, (AP) — Poultry — Alive higher; fowls 27c; broilers 50 to 60c; roosters 18c.

**Butter and Eggs**  
CHICAGO, (AP) — Butter — Higher; creamery extras 88-1-2c; firsts 84 1/2 to 88 1/2c; seconds 82 1/2 to 88 1/2c; standards 88 1/2c.

**Eggs**  
Eggs — Lower; receipts 29,768 cases; firsts 24 to 1-2c; ordinary firsts 22 to 1-2c; miscellaneous 23 to 1-2c; storage packed extras 20 3/4c; storage packed firsts 20c.

**Portland Livestock**  
PORTLAND, (AP) — Sheep \$1 up; receipts 173; spring lambs \$13 to 14; medium \$10 to 13; common \$6 to 10.

**Omaha Livestock**  
OMAHA, (AP) — Hogs — Receipts 12,000; market 10c lower; light butchers \$9.50 to 10; top \$10; bulk \$8.50 to 9.50; packing grades \$9 to 9.50.

**Cattle**  
Cattle — Lower; receipts 8,000; lamb steady to strong, \$17; best woolled lambs \$15.75; bulk clipped lambs \$13.50 to 13.90; sheep and feeders steady.

**Chicago Livestock**  
CHICAGO, (AP) — Cattle — Receipts 13,000; market fairly active; best steers mostly steady; spot, weak on heavies; early top \$9; bulk \$7.50 to 8.50; sheep \$13.50 to 14.50; very good choice native spring lambs \$10 to 17; very good shorn ewes \$9.25; fed Texan shorn ewes \$9.15; no woolled sheep or woolled lambs sold early.

**New York Stocks**  
NEW YORK, (AP) — The recent reversal in the stock market made more substantial progress today. Every division, notably rails and representative industrials, were subject to extensive liquidation. Sales approximated 1,400,000 shares.

**Soiling assumed widest proportions in the final hour. Leading rails, oils, steels, motors, equipments and shippings then showed extreme losses of 2 to 3 points. The closing was heavy.**

**Initial declines were characterized by further free selling of rails, oils, steels and utilities. Canadian Pacific lost 2 3/8 in the first few transactions and declines of 1 to 2 points accompanied the offering of Illinois Central, Wash. 'A', Mexican Petroleum, Bethlehem Steel, Kellogg Wool, Manhattan Elevated and Pierce-Arrow. Other notable losers included Pan-American Petroleum, American Tobacco, Wilson and Company and American Ice.**

**The market's stronger side was represented by New York Air Brake at a six point gain and Lake Erie and Western preferred, which advanced 1 5/8. Moderate unsettlement was shown by foreign exchanges on over-night advices from Genoa.**

**Files Found Far Underground.**  
Certain species of crumpley, of the genus Trichocera, are commonly found in mines and sometimes at great depths.

# DEMPESEY GETS BIG OFFER

## Champ May Meet Carpenter Providing Latter Defeats Lewis in Match

PARIS, (AP) — Jack Dempsey has received an attractive offer from a group of prominent English sporting promoters to meet Georges Carpentier, the French champion, in London sometime in the summer, providing Carpentier defeats Ted 'Kid' Lewis on May 5.

Kearns would disclose the terms of the offer, but Kearns said it involved an immense purse and that Dempsey would probably accept.

Dempsey plans to leave here Saturday for Berlin, where he will remain four or five days. He may stop off at Coblenz on his way back and give an exhibition for the American Rhine-land troops. He will then proceed to London where he will attend the Carpentier-Lewis fight, after which he will go to Manchester for an exhibition bout.

warped wood.

Doors and drawers often swell in the damp weather, making it impossible to open them. Light a large lamp and leave it in front of the swollen article for about an hour, and at the end of that time the wood will have shrunk so that the drawer or door will open easily.

Literally.

"Take a double handful of interest in everything. That is the best recipe for happiness," says a noted statesman. Now we know why money lenders are such a cheery crowd!—Exchange.

# BEHRMAN'S

# Social Notes

Edited by Mrs. E. B. Williams.  
Telephone 399.

Mrs. A. E. Silfer entertained Thursday evening in honor of Mr. Silfer's birthday anniversary. The evening was spent with dancing and a delicious two-course luncheon was served. The guests were Mr. and Mrs. P. W. McRoberts, Mr. and Mrs. E. B. Heinicke, Mr. and Mrs. S. H. Kaylor, Mr. and Mrs. Leo Chase, Dr. and Mrs. F. O. Boon, Mrs. Bala C. Sawyer and Mr. Harry Nye.

Complimenting Miss Irene Vlaser, a bride of the early spring, Miss Ada Washington gave a kitchen shower at the Business Women's clubrooms last evening. The time was spent hemming dish towels which were presented to the honored guest. When the gifts were presented one of the guests appeared dressed as a maid bearing a variety of useful utensils. A demonstration in cooking was a unique feature of the entertainment for the evening, recipes being written on the dishes to be served at the two-course luncheon that closed the evening. These were cut in half and matched for partners, who then prepared the dish to be eaten. The guests were Mrs. John Visser, Mrs. C. A. Miller, Mrs. Charles Ambrose, Mrs. Bruce Watson, Mrs. Herman Schuriger, Mrs. R. J. Walkington, Mrs. F. C. Ellis, Mrs. E. M. Henderson, Mrs. Clyde Simpson, Miss Lola Visser, Miss Nellie Dolin, Miss Edna Deuchamp, Miss Francis Anderson and Miss May Anderson.

Mr. and Mrs. R. C. Letsch were hosts Thursday evening to the Oh-So-Cozy club at their home on Ilue Lakes boulevard. The musical was a great attraction with voices and bows of violinists. Five hundred was the diversion, Mrs. W. A. Patrick and Mrs. George Perry cut for the ladies' prize which was won by Mrs. Letsch. The gentlemen's prize and Mr. A. I. O'Rilly tied for the men's prize, which was awarded to Mr. Williams. Mr. and Mrs. W. A. Patrick were guests. At a two-hour tea the hostess served a two-course luncheon.

The Wednesday Bridge club met this week with Mrs. E. S. Larned. Eight members were present. Mrs. E. B. Walker won the prize for highest score, and Mrs. W. H. Greenhaw was awarded the consolation.

Mrs. J. Paul Johnston was hostess Wednesday afternoon to the M. C. B. club at her home on Ninth avenue east. Mrs. Peter Erickson won the club favor. Mrs. A. W. Husted was a guest and Mrs. Ernest Erickson was a guest of honor. In attendance were Mrs. M. L. Howe, Mrs. P. J. Costello, Mrs. John Costello, Mrs. May Micklewaite, Mrs. Peter Erickson, Mrs. Mary Kelly, Mrs. Ernest Erickson, Mrs. E. B. Dobler, Mrs. Charles Neely and Mrs. Tony Bolter.

The M. S. and S. club met with Mrs. C. E. Shipman Wednesday afternoon. The program was on the life and work of General U. S. Grant. Mr. Bico, commander of the local G. A. R. was present, and gave many interesting historical reminiscences of this noted American. Mrs. R. W. Bostic gave a biographical sketch of his life. Ruth Shipman gave a piano solo. Six of Dr. Callahan's treatise on Boy Scouts, exemplified scout work and gave a history of the flag. A pleasing feature of the program was community singing of old war songs. The afternoon was a most delightful and entertaining of the club year. The attendance including members and guests numbered 42. Mrs. Shipman and the assistant hostesses, Mrs. R. W. Bostic and Mrs. E. B. Dobler, served refreshments at the close of the afternoon.

The Women's Progressive club met with Mrs. A. A. Henderson on Wednesday afternoon. After the business session a delightful program was given on Mother's day. Mrs. Emma Shaw was welcomed as a new member. Mrs. Archie Higgins, Miss Alma Henderson and Miss Effie Henderson were guests and 14 members were present. During the social hour the hostess, assisted by Mrs. Logan and several refreshments. The next meeting will be held with Mrs. Charles Seckman on May 10.

Mrs. Gauntner was hostess to the Senior Social club Thursday of last week. Mrs. Wyentzer, a former member but now of Berger, and Miss Miller were visitors. Only nine members being present until the next meeting which will be held with Mrs. Griffin May 4. At the close of the afternoon the members were sitting and sewing which was spent in a two-course lunch.

## HIGH SCHOOL NOTES

Twin Falls high school Wednesday afternoon observed the one hundred anniversary of the birth of General U. S. Grant with exercises during the assembly hour appropriate to the occasion.

M. C. Mitchell, superintendent of schools, briefly reviewed the record of Grant's career and pointed out lessons to be drawn from his example. Patriotic musical numbers were given by the high school band and orchestra.

In connection with the exercises a presentation was made by Mr. Mitchell to Miss Helen Kestison, a member of the senior class, of the award offered by J. M. Bico, adjutant of Dan McCook post, Grand Army of the Republic, for the best essay on the life of General Grant written by a high school student.

Prices From \$24.75 to \$37.50

TWIN FALLS WEEKLY NEWS

Established 1904
Twin Falls News Publishing Company, Ltd., Publishers

LIQUOR IN PAST TENSE

Some critics think it strange that the newest edition of an American encyclopedia should refer to the liquor business and its appurtenances in the past tense. Why not? It is gone.

It might appeal to some persons as curious that the editors of the publication should say in connection with the wine industry "We had in the Eastern state and in California all the opportunities for success" or "that the whisky upon which the reputation of Kentucky so largely depended was that kind of liquor known as sour mash."

But a second thought shows that the book-maker was quite up to his job and was guided by accuracy in stating the case.

Just why some persons think that the "old days" will return is not clear. Certainly the sentiment on the question, if changing at all, has not changed sufficiently to warrant any hope that the decree of the constitution will be upset.

THE FEDERAL DEFICIT

Even the most ardent advocates of a soldiers' bonus never favored a bonus bill that did not provide the funds to pay it.

THE AMERICAN WAR MOTORS

The American War Motors met in the Read amusement hall Friday afternoon with Mrs. David Brown, Mrs. Hiller, Mrs. Irwin and Mrs. Wynn as hostesses.

STUDENTS BOOST U. OF I.

Glen Wilkinson of Twin Falls, Member of Committee to Present Advantages

UNIVERSITY OF IDAHO, Moscow.

(Special to The News)—A campaign to present the advantages of the University of Idaho to prospective students has been launched by the university student body. A special committee has been appointed by Paul T. Rowell, student body president, to confer with President A. H. Upham regarding the most feasible program for presenting the advantages of the University of Idaho to the various high school graduating classes.

FARMER HAS CLOSE CALL

Newton Galley Narrowly Escapes Serious Injury Under Disc Harrow

BERGER, (Special to The News)—

Newton Galley, Berger district farmer, narrowly escaped serious injury Friday, when he was thrown under a disc harrow by a runaway team. The accident occurred while Galley was un hitching the team. One of the horses became entangled with a tug and started to run. Mr. Galley was knocked down and the harrow passed over his body. He escaped with minor bruises and scratches.

IDAHO CENTRAL DIRECTORS TO MAP OUT PLANS

Contract with Idaho-Nevada Holding Company to be Taken Up at Meeting Scheduled to be Held May 2

Question of a contract as between the Idaho Central Railroad company and Idaho-Nevada Holding company, which has its possession approximately \$400,000 worth of securities raised as a bonus for construction of a railroad between Twin Falls and Wells, Nev., will be considered at a meeting of the Idaho Central company's directors in San Francisco on Tuesday, May 2.

STEWART MAKES REPLY

This is indicated by a telegram from Joseph L. Stewart, secretary of the Idaho Central company, which was delivered Wednesday to Secretary Newell Wright of the Twin Falls Chamber of Commerce in response to the inquiry of the chamber of commerce dispatched Monday following receipt of the news here of the tragic death of George L. Davis, president of the Idaho Central company.

MR. STEWART'S MESSAGE IS AS FOLLOWS

"The death of George L. Davis will in no wise affect the construction of the Idaho Central railroad. Meeting of directors called for May 2 after which meeting you will be advised."

THE MESSAGE WAS IN REPLY TO THE FOLLOWING TELEGRAM SENT TO MR. STEWART

by the chamber of commerce: "Mr. Davis' widow says Davis suicided. Public anxious to know what Idaho Central company intends doing concerning entering into contract with Idaho-Nevada Holding company for construction of railroad from Rogerson to Wells under conditions. Kindly wire immediate reply."

FUND IS AVAILABLE TO FARMER WHO LOST CROP

State Official Gives Information as to Scope and Operation of Federal Seed Loan

IN REPLY TO REQUESTS FOR INFORMATION

as to the federal seed loan, R. E. Brown, county agricultural agent, has received the following from C. B. Allison, state agronomist and seed inspector:

IN CONNECTION WITH THE FEDERAL SEED

loan fund, part of which is available for Idaho, additional information has been furnished and attention is called to the fact that all completed applications filed in the seed loan office, Grand Forks, North Dakota, by May 1, Seed loans will be made only in crop failure areas to farmers who had a failure in 1921 and who are unable to seed or by other means of obtaining it—wheat, oats and barley for spring seeding. Loans will be limited to farmers who live on and operate their farms and to tenants whose contracts require them to furnish seed. Landlords must waive claim to the crop if the crop is ready to be harvested to the growers. Signed mortgages must accompany application.

# THREE MEN ARE CHOSEN TO RUN FOR CITY OFFICE

### "Commission Form" Committee Files Nominations of J. E. Roberts, S. G. McAuley and F. L. Cogswell

Nominations of J. E. Roberts, S. G. McAuley and Frank L. Cogswell, as candidates for Twin Falls city councilman at the election under the commission form of government scheduled for June 6, were today filed in the office of the city clerk by H. C. Alexander for the "commission form of government committee." Acceptances on the part of all three candidates nominated were filed with the nomination papers. The nominations are the first to be filed for the election of June 6 at which a board of five councilmen for Twin Falls is to be elected. One of the five is to be designated and elected as mayor.

#### Will Fill Ticket

It is expected that nominations for the five positions to be filled will be filed by the commission form committee, but assurance was given at the committee's headquarters this morning that no other nominations would be filed in its behalf. Time for filing of nominations will expire May 6, five days after the hearing in district court here on an application for writ of prohibition against the holding of the election June 6.

J. E. Roberts, nominated today by the commission form committee as candidate for councilman, is a real estate dealer and insurance agent, residing at 144 Eighth avenue north. S. G. McAuley, residing at 273 Addison avenue, is a carpenter and former grocer. He was a candidate for councilman last spring on the "taxpayers'" ticket. Frank L. Cogswell, residing at 180 Fourth avenue east, is a proprietor of an automobile necessary and service establishment.

#### Sponsors for Candidates

With one exception the persons who signed the certificates for Roberts, McAuley and Cogswell, J. W. Luubenheim signed a certificate for Roberts, but not for the other two. The extra certificate for McAuley was signed by D. E. Sullivan and for Cogswell by Homer C. Mills.

Persons who signed certificates for all three candidates mentioned above were J. I. Diebolt, John Wolfenden, W. H. Weaver, G. W. Simpson, Roscoe Stevens, F. M. Elrod, S. D. Davis, J. C. Allen, Clor Nelson, C. E. Lutz, Edwin Bellville, Frank Bellville, H. Johnson, M. E. Johnson, F. E. Baker, J. F. Avatt, R. P. Pickett, F. W. Bronaugh, James Fitzgerald, Louis Friedman, Frank L. Woodruff, Henry Peterson, C. W. Parks, W. W. Humphreys, Owen Shriver.

# YOUNG OFFENDER FACES FORGERY PROSECUTION

### Boy, Whom Arrested by Police, Gives Fictitious Name and Residence

Charge of forgery may be preferred by county authorities against Fay Jennings, aged 16 years, who was late Wednesday afternoon arrested here by city police officers. Jennings is alleged to have forged the name of Robert Dross to a check for \$18 which had been accepted by Straus and Cramer, clothing store.

When arrested the boy told the police his name was Edward Pierce and that his parents resided in Boise. The case was turned over to the city authorities. Two Idaho law authorities disclosed the boy's true name and the fact that his parents were not residents of Boise but that his father was in California. The authorities are serving terms in the state penitentiary.

# TWO ARE KILLED IN SANGUINARY FIGHTS

### Regular and Irregular Forces of Irish Republic Stage Battle; Six Wounded

MULLINGAR, Ireland, (AP) — Two men were killed and six are believed wounded in a fighting today between the regular and irregular Irish republican army forces stationed here in anticipation of Eamon de Valera's anti-treaty meeting on Sunday. The hostilities began at 5 a. m. and continued for two hours, both sides using rifles and machine guns.

One man was killed on each side. The regulars captured and disarmed a lorry load of republicans.

# BURGLARS MAKE CLEAN SWEEP AT FARM HOME

### Owner Loses All Movable Property Including Some Mining Stock

Thieves who entered his dwelling place six miles south of Milner on or about April 6, according to report made today to the sheriff's office by Arthur Black, made a clean sweep of all the movable property in sight including \$400 worth of the Sawtooth Mining company's stock, bedding, carpenter tools, a revolver, woman's wrist watch, rug, clothing and other small articles.

The dwelling is situated in Cassia county, and authorities of that county are in search of the offenders. Mr. Black enlisted the aid of authorities here in an effort to apprehend the offenders who, he suggested, may have endeavored to dispose of some of the stolen property here.

# Local Brevities

### Learns of Brother's Death—Mrs. W. Z. Iron Wednesday received a telegram stating that her brother, W. C. Golloch, had been killed by a train that morning at Marion, Va.

### Changes License Plates—Gail Schroppe, in Police Judge Paul E. Taber's court this morning, pleaded guilty to charge of having transferred motor license plates from a passenger car to truck, and was sentenced by the magistrate to pay the minimum fine of \$10 prohibited-by-state law.

### Draws Jail Sentence—J. W. Lynch of Hansen, aged 70 years, in probate court here Wednesday was convicted on a charge of battery preferred for his sister, Mrs. Jennette Spencer, by the prosecuting attorney. Lynch was sentenced to serve a term of 30 days imprisonment in the county jail.

### Commissioners Try Coal — Contract for the purchase of a carload of mine run coal for the county general hospital was Wednesday afternoon awarded by the board of county commissioners to the Shanzel Coal company of Twin Falls, whose bid of \$7.50 a ton was the lowest among six proposals submitted.

### Canal Director Accused—Change of venue to the justice court at Hansen in the case of Charles W. Colner of Hansen, a member of the board of directors of the Twin Falls Canal company, who is by J. W. Fitzsimmons, deputy state game warden, accused of violating the state law by attempt to ship a live pheasant out of the state, was today granted by Probate Judge O. P. Duvall. The game bird in question is said to have been intercepted at Pocatello. It was understood that plea of ignorance of the law would be entered in Mr. Colner's behalf.

Arithmetically Speaking.  
One plus one makes matrimony;  
two plus one makes alimony.

# BUSINESS MEN FOR DOLLAR DAY IN TWIN FALLS

### Vote at Chamber of Commerce Luncheon Meeting Authorizes Steps Toward Second Annual Observance of Event

Twin Falls' second annual community "dollar days" will be observed by business men here Friday and Saturday, May 19 and 20, according to decision reached by vote of about 60 business men at a business lunch meeting held at noon today at the Regency hotel under auspices of the Twin Falls Chamber of Commerce. C. E. Wright, president of the chamber of commerce, who presided at the meeting, was authorized to appoint a committee of five members to arrange for the event.

Decision as to whether "dollar days" should be made a monthly event in Twin Falls was deferred upon recommendation of Howard E. Sablin until after the observance of the annual event in May. Considerable opposition developed to the suggestion that "dollar days" be made monthly events, the principle contention being that such action would occasion alternating periods of business activity and depression. In reply to this objection it was argued that the primary purpose of "dollar days" was to extend the field of operations of Twin Falls merchants and to make of Twin Falls a shopping center for the whole of northern Idaho.

# Passes Up Baseball Issue

The meeting declined to express an opinion upon the request of Twin Falls Twilight league baseball officials for an endorsement of their efforts to secure sanction of Sunday baseball games here.

It took no action, either, upon a suggestion looking toward establishment of a credit rating department in connection with the chamber of commerce to make the organization of greater service and benefit to its members.

# Wilson to Sit In

Asher B. Wilson, former president of the chamber of commerce, who left last evening for Los Angeles on personal business, will represent the chamber of commerce at a meeting of directors of the Idaho Central Railroad company to be held May 2 in San Francisco, in pursuance of authorization voted at today's luncheon meeting.

Members of several of the business men's committees which today entered upon a campaign to secure additional acreage for the production of sugar beets in this district to prevent the closing down of the sugar factory here, reported as results of their work. In each case, it was reported, the business men were met by the farmers with consideration and respect, but increase in beet acreage resulting from the campaign thus far, according to the reports given, is negligible.

# Scilley Goes No Hope

James Scilley, district manager for the Amalgamated Sugar company, told the men at the luncheon meeting that from his viewpoint, "the situation

looks hopeless." He attributed lack of success on the part of the business men's committee largely to the fact that the season is far advanced and growers for the most part already have completed their plans for the season's crop.

Introducing the subject of "dollar days," Mr. Wright outlined the plan employed in putting on the event last year. The first "dollar days" here, he said, were so successful that business men of Boise and Idaho Falls took the event here as a pattern for similar affairs that were subsequently held in those towns.

Suggestion that "dollar days" be made a monthly event was urged by C. E. Booth, who declared that "there are too many business houses here now for the business available in the immediate community." He argued for more frequent "dollar days" as a means of developing Twin Falls as a shopping center for the whole south central Idaho district.

F. W. Dumke opposed monthly "dollar days" on the ground that alternate periods of business activity and depression might result.

Two votes on the monthly "dollar day" suggestion were called for. The first was 7 to 4 for the monthly observance of the event, and the second was 8 to 6 in favor of it.

# LOSING FIGHT IS WAGED TO HOLD SUGAR FACTORY

### Business Men Exert Themselves in Final Effort to Increase Production

Thirty Twin Falls business and professional men, working with a common object as members of nine committees each in a district assigned to it, this morning entered upon a campaign to increase sugar beet production to a point where closing of the sugar factory here may be averted.

Committee members assembled at 8 o'clock at the offices of A. L. Swin and company, and set out at once upon work in the field.

No comprehensive report on the results of the campaign were available at noon, but statements of individuals engaged in the work were to the effect that but little additional acreage was being secured.

James Scilley, district manager for the Amalgamated Sugar company, at a luncheon meeting of chamber of commerce members, said that the situation from his viewpoint looked hopeless. He attributed lack of success attending the business men's effort to the fact that the season is far advanced and the effort came too late.

John W. Graham, chairman of the committee in charge of preliminary arrangements for the campaign, today urged committee members to make a determined effort to save the sugar factory to Twin Falls. "If we are going to lose it," he said, "let us not lose it without a fight."

# PIPE TOBACCO CREDITED WITH ADDING TO YEARS

### Mrs. Anna A. Tommson, Native of Sweden, Dies at Age of Ninety One Hundred and Two

BOISE, (AP) — Mrs. Anna A. Tommson, a native of Sweden, died Wednesday at the home of her granddaughter, Mrs. Anna Price, Boise, at the age of 101 years, 11 months and 21 days. She had been growing weaker for several weeks and death came Wednesday in the arms of the granddaughter, her only surviving relative.

Mrs. Tommson came to America and Idaho 19 years ago. Until seven months ago she kept house for a son. He died and she came to live with Mrs. Price, who says she thinks her grandmother's constant use of pipe tobacco had something to do with her good health.
