

COMMISSIONERS GIVEN REPORTS ON CITY BOOKS

Five Year Audit of All Departments Finished and Submitted for Approval; Expect to Report on January 30

Copies of the five-year audit of the city accounts were placed in the hands of the city commissioners by John Wolfenden, accountant, at the regular meeting of the council Tuesday night.

Mayor J. D. Tucker reported on his participation in the meeting of representatives of the Southern Idaho Light and Power Users' association at Boise, Idaho, which was held at the meeting unanimously favored the continuance of the association and in favor of raising \$2500 as a minimum to carry the same.

Some discrepancy exists in the amount paid by local meat dealers on licenses. City Clerk J. L. McE reported \$2,000, while the treasurer reported \$1,500.

CITY WARRANTS REMAIN UNPAID

Payment of Delinquent Taxes Would Avert Necessity of Redemption Fund

Upon the owners of city property on which taxes are delinquent falls the opportunity of solving a financial problem that faces city officials arising from the fact that approximately \$70,000 in city warrants are still out standing without means for payment.

The situation is caused, city officials say, principally by the fact that the value of city property last year was considerable under the figure estimated.

# DENIES RIGHT OF INQUISITORS TO SEE BOOKS

## Harry F. Sinclair, Oil Operator, Declines to Produce Corporation Records; Committee Issues Subpoena

WASHINGTON, Jan. 18 (AP)—A subpoena for the books and records of the Hyva corporation, a Sinclair owned concern, was drawn up for service upon Harry F. Sinclair today by the senate oil investigating committee, after Mr. Sinclair had refused to extend the right of the committee to go into all affairs of the corporation pending consultation with his attorneys and had failed to return to the committee session after two hours' absence.

Directions were said to have been given by Chairman LaFollette of the committee to David S. Barry, sergeant at arms of the senate, to serve the subpoena before night. Mr. Sinclair was understood to be at work preparing a statement setting forth his attitude on the committee case and under its counsel during the course of testimony earlier in the afternoon.

### Sinclair Gives Position.

Mr. Sinclair appeared a few minutes after the committee adjourned with the statement which, as given out by him, said that he would willingly supply any records bearing upon subject matter inquired by the committee, but that he was "not willing to produce the records of the Hyva corporation that pertain to other matters and not pertinent to the subject matter under inquiry."

### Skirts Big Controversy.

The committee session previous to the clash between Mr. Sinclair on the one hand and Chairman LaFollette and the committee attorney, Gilbert E. Roe, on the other, had been stirred by a titling of the lid of the Teapot Dome controversy. The Teapot Dome matter was brought before the committee through a question by Senator Brookhart, republican, Iowa, committee member, who, after Mr. Sinclair had made several statements with respect to the controversy, quickly reversed down the lid, declaring the committee did not want to go into the broad features of the Teapot Dome, leased to the Sinclair interest by the Harding administration, "because that is to be investigated by another committee."

The statements made by Mr. Sinclair with reference to the Teapot Dome, same in nature as questions by Senator Brookhart and others through interjections between answers to the questions, included testimony that, although the lease to the Teapot Dome, which he assumed under its obligations amounting to between \$60,000,000 and \$70,000,000.

### Makes Frank Answer.

Senator Brookhart asked what Mr. Sinclair gave the Harding administration, the corporation operating Teapot Dome, in addition to the contract, in return for virtually the entire stock of the Mammoth. Mr. Sinclair replied that transaction on his part involved nothing but the contract which he said had a great potential value. The senator attempted to ascertain the value of the stock received by Mr. Sinclair and the witness frankly agreed that on the basis of present New York curb market quotations it would be worth about \$100,000,000, but said it would be difficult to sell the entire stock of 2,000,000 shares on the curb.

An attempt by Mr. Roe to trace the disposition by Mr. Sinclair of the Mammoth stock through the Hyva corporation led to the clash regarding the records of the corporation.

The Hyva corporation was touched upon in yesterday's testimony at the time Mr. Sinclair, in answering various questions, expressed doubt as to the authority of the committee to inquire into the affairs of what he described as a private corporation. When Mr. Roe again took up the Hyva concern today, the witness said he was able to answer the questions only as a general way and would prefer not to answer without his records, if his statements were to be challenged later when the records became available.

## WALLACE REID LOSES IN FIGHT AGAINST NARCOTIC

### Motion Picture Actor Dies at Sanitarium in Hollywood Where He Had Been Patient for Month

LOS ANGELES, Jan. 18 (AP)—Wallace Reid, hero of romantic film plays, lost his life in fighting to overcome the drug habit, the end coming this afternoon at a sanitarium in Hollywood where he had been under treatment for more than a month. He had been unconscious for nearly two days, during all of which his wife, Dorothy Davenport, was at his bedside.

The direct cause of death, according to Mr. Reid's physician, Dr. G. S. Herbert, was congestion of the lungs and kidneys, which resulted from the actor's collapse when he endeavored to break off the use of narcotics.

## LABORERS' WAGES IN JAPAN SHOW UPWARD TENDENCY

TOKIO, Jan. 18 (AP)—The result of investigations made by the Tokio Chamber of Commerce indicates an upward tendency of general laborers' wages during October. Of 50 different classes of labor, eight dropped in wages, and 10 rose, while the rest, numbering 32, remained practically unchanged, the increase in October on the general average amounting to half a sen.

Among those whose wages dropped in October were weavers, glass makers, bricklayers, aluminumers and tailors. The wages of those engaged in canning, cement making, spinning, and blacksmithing appreciated, while unchanged were the wages of those connected with watch making, brewery, confection, lumber and general fancy goods.

WRIGHT'S TEAM BEATS SHOEMEN

Department Store Bowlers Take Two Out of Three from Foot Fitters

W. H. Wright and Sons bowling team took the odd game from the Shoe Market quintet Thursday evening, winning the second and third games, after a poor start in the first canto. The feature of the evening was the big league bowling of Emory Benoit. This dark horse upset all the dope by knocking down 555 pins in the three games for an average of 183, taking the league leadership away from "Bill" Toward who fell secure with 181. Benoit marked in 25 of the 30 frames, having three misses and two splits during the performance. The opener went to the latter scored brigades, by the score of 682 to 600. In the same Emory Benoit and Walter Buchanan tied for high game with 275. The department store men headed by Adriano experienced considerable trouble finding out where the pinsetters were placing the head pin. "Pop" Kleffner, who announced before the game that he had bowled in 1842, failed to get started, stopping at 184 in his canto. The second game found the Wright boys right, and they gave the pedal extremity custodians a walloping, the final score from the scorer announcing the score 726 to 713. Benoit again hit the top mark with 193. Adriano during this elated discovered that talking to the pins would not make them topple, the result being that his high mark in this tilt registered 87. In the final frames, the Wright lads (including Kleffner), gave fits to the straight-faced tin choppers, leading them by the wide margin of 717 to 603. This affair again brought Benoit in the limelight, 187 pins answering to his call. The feature of this game was the reversal of form shown by Adriano, who said "Good Bye" to 154 pieces of lumber. The Thursday evening game ended the play in league games for the week with the Troy Laundry and Bendish-Wright teams in a mighty wood splitting contest Monday evening. What the noise was all about:

BASKET BALL TEAMS TO BUMP AGAINST JEROME

Boys' and Girls' Quintets to Travel for Return Games Against North Side Players

Twin Falls high school boys' and girls' basket ball teams will journey across the canyon this evening for a return tilt with the hoopers of the Jerome high school. That the games will be well worth seeing is understood as both local teams took a beating from Filer Wednesday evening and this defeat must be wiped out. Coach Evans gave his cohorts a stiff workout Thursday afternoon, including a few remarks that will not doubt be heard by the blue and white cage artists. The girls, after having lost the first game lost by Twin Falls girls in four years, are determined to win this evening. Homer Hudson, who refereed the Gooding-Twin Falls game last week, has been chosen to do the whistle blowing for the North Side game. A large crowd of fans will make the trip to the North Side, in an effort to help the team bring back a double victory. The girls' game will start at 7:30 sharp.

BANK AND TRUST VICTOR

First National Bankers Concede Honors on Basis of High Pins in Match

Stating that the match games between Bank and Trust company and First National Bank teams on Wednesday afternoon at the Twin Falls bowling alley were for the high total pins for two games, and not for the best two out of three, the president, manager and captain of the First National team have decided to give the title to the Bank and Trust company, who topped the most maps. And now comes one Twin Falls National Bank team, stating that if ever a bowling team was overlooked, it was their quintet, and have issued a challenge to the Bank and Trust company for a two game series, total pins to decide the victor. This tiltment afternoon at 4:30. The Bank and Trust team will start off with the same five who made such an enviable record Wednesday. Pat-o-lick, Peck, Fix, Ryan and Livinlo are the quintet who will defend the reputation of the bank that made the bank famous. The Twin Falls National team should give their opponents considerable trouble as they boast of such pin busters as Al Keefer, Norman Keefer, Eric Gynn, Clarence Beatty, and Charley Larson. IDAHO LOSES AT SEATTLE

SEATTLE, Wash., Jan. 18 (AP)—The University of Washington basketball team clocked a 20-10 victory over Idaho last night in Moscow by the University of Idaho by losing out 37 to 30 over the Gem states in a hard fought game here tonight. The feature of the contest was the scoring of Windy Crawford, Washington guard, who threw nineteen fouls out of twenty-two chances and made three field baskets, a total of 25 points, and of "Doc" for Idaho. Fox shot fourteen fouls out of 17 chances and threw one field basket, a total of 16 points. For second honors in scoring, Lew Lewis, Washington captain, and Edwards, substitute guard of Idaho, were tied with six points each.

TWO FALL TO DEATH AS GALE OVERTURNS PLANE

CHEYENNE, Wyo., Jan. 18 (AP)—Caught in a 60 mile gust of wind as they hovered 500 feet in the air near the Cheyenne aviation field here today, P. S. Oakes, pilot, of Cleveland, Ohio, and William Acor of Cheyenne, were instantly killed when their plane crashed to the ground. The two men were using an airplane in a test flight, after it had been overhauled. It was Acor's first flight. The plane crashed about a quarter of a mile from the local hangar and pilot attaches who witnessed the accident ran with fire extinguishers to quench the blaze that enveloped the wreckage of the plane after its gas-line tank had exploded. Oakes' plane was thrown 25 or 30 feet from the plane when it struck the ground but the fire spread so rapidly that it enveloped the plane. Oakes' body was pinned beneath the engine. Officials at the aviation field said that the wind caused the plane to take two complete loops before it fell, and they saw black smoke emitted by the engine.

ASKS PRICE-FIXING FOR AGRICULTURAL PRODUCTS

Corn Belt Committee Sees Menacing Condition Confronting Farmers; Seeks Intervention by Government

KANSAS CITY, Mo., Jan. 18 (AP)—Declaring that the conditions which now confront farmers of the United States are "more menacing than any similar conditions in the history of American agriculture," the corn belt committee last night made public resolutions urging congress to create a price-fixing commission for farm products. The committee was formed at a conference here last week of representatives of the Farmers Union, the Missouri Farmers association and the Equity Exchange, of St. Paul. It is composed of five leading farmers each from Oklahoma, Colorado, Kansas, Missouri, Illinois, Iowa, Nebraska and Minnesota. Formation of the committee is said by its organizers to mark the first extensive pooling of interest by the self-help farm organizations of the central states. The resolutions ask congress to do these things: "First, to create a commission which shall relate as equitably as is humanly possible the price of wheat, corn, pork, beef and cotton, to the current price of merchandise and to the prevailing wage scales of organized labor. Second—That the tariff so that the above mentioned products may be protected against imports at a lower price. Third—To create governmental machinery which shall take over the surplus of each of these commodities at the world price, or by some other means remove the surplus of such surplus to the end that the home markets may be preserved for the farmer on the basis of American living standards, and at the same time provide a powerful deterrent against over-production and also protect the government against loss.

CENTRAL COMPETITIVE FIELD BASIS SCRAPPED

Coal Miners and Operators Eliminate Pennsylvania from Zone for Fixing Wages and Working Conditions

NEW YORK, Jan. 18 (AP)—The old "central competitive field" basis, upon which wages and working conditions in the bituminous coal industry have been determined almost continuously since 1898, was scrapped today by operators and union officials, conferring on 1923 wage contracts. In its stead, a new "tri-state" competitive field was mapped, consisting of Indiana, Illinois and Ohio, and eliminating Pennsylvania, and upon this tri-state basis the conferees hoped to proceed with the establishment of standard wage rates which operators and miners throughout the United States may use as a guide in peacefully working out contracts this spring. Miners and employers declared at the close of today's session that they were reasonably certain to complete their work within a week. The interim to April 1 then would remain for the negotiation of new wage scales throughout the industry, existing contracts expiring on that date.

HUGHES POLICY PRAISED BY CIVIC FEDERATION

Committee of 100 Commends Secretary of State for "Tactful Efforts" to Bring About Peace in Europe

WASHINGTON, Jan. 18 (AP)—The committee of 100 on foreign relations of the National Civic Federation concluded its initial two-day conference today with instructions to its executive committee to commend the secretary of state for his "tactful efforts" for peace in Europe, and to conduct an immediate investigation of propaganda of "foreign governments or organizations" in this country. Alton B. Parker, who presided, announced he would name the executive committee and call it in session probably in New York within the next ten days. Appointment of a committee of 100 to collect and disseminate facts on foreign affairs relating to the United States was recommended yesterday.

# HERRIN CASE IN HANDS OF JURY

Fate of Five Men Charged with Murder of One of Riot Victims Hangs in Balance

MARION, Ill., Jan. 18 (AP)—The jury of Williamson county farmers, into whose hands the fate of five men charged with the murder of Howard Hoffman, one of the victims of the Herrin riots, was given shortly before noon today, continued their deliberations tonight without being able to arrive at any verdict.

One report during the afternoon was that the jurors stood 10 to 2 for conviction. Another placed the count at 7 to 5 for acquittal. No grounds could be found for either rumor.

Under the instructions given by Judge D. T. Hartwell, the jury will return separate verdicts for each of the defendants and may find one guilty and another innocent. At the same time the jury will fix the punishment, if any, ranging from death to 14 years imprisonment.

"It's murder or nothing," Judge Hartwell said, after the jury had retired and he had refused to give any instructions regarding a manslaughter verdict which would carry only a sentence of one year in prison. He also refused to give any instructions regarding self-defense, extreme provocation or justifiable homicide.

At 9:30 o'clock Judge Hartwell announced that he had ordered the jurors locked up for the night and left his office for his home. He said he would be ready to receive the verdict at 9 o'clock tomorrow morning if the jury reached any decision.

## NAVAL PILOT IS KILLED WHEN SEAPLANE FALLS

Lieutenant W. H. Bohrbach Meets Instant Death and Two Other Officers Are Injured in Crash

TYALON, Santa Catalina Island, Cal., Jan. 18 (AP)—Lieutenant William H. Bohrbach, naval pilot, of Norfolk, Va., was instantly killed and two other naval officers were seriously injured today when the seaplane S-5-L-2 fell 2000 feet and splintered to bits on a rock off Catalina Island.

Those injured were Lieutenant H. F. Whitman of San Francisco, and Lieutenant Mathias B. Gardner of Washington, D. C. Five other naval men in the seaplane escaped injury.

The S-5-L-2 together with another plane, was engaged in the recovery of torpedoes used in connection with fleet maneuvers. At an altitude of 2000 feet trouble developed and the seaplane started to fall. Dropping through a dense fog, it hit a large rock just above the surface of the sea and splintered to pieces.

The body of the dead pilot was taken to Los Angeles harbor and the two injured men removed to the submarine base hospital there, where surgeons said their condition was critical.

## METHODISTS NEAR ACCORD

Commissions Agree on Working Plan for Reunion of Two Factions of Church in United States

CINCINNATI, O., Jan. 18 (AP)—A working agreement making possible the reunion of the two factions of the Methodist Episcopal church, was agreed to in an executive session here tonight by the commissions representing the Methodist Episcopal church and the Methodist Episcopal church, South.

### Shaves in Bath Tub.

One resident of an uptown apartment house has found a way to beat the heat shortage which prevails in many new structures, the Pittsburgh Dispatch reports. It works only during the early morning shave.

"I used to freeze as I shaved after my morning hot bath," explained this gentles, "until I hit upon the idea of shaving right in the tub.

"The water forms a warm cloak, and with the aid of a hand mirror I manage to shave myself as well as if I were standing up in front of the wall mirror and getting colder every minute.

"I suppose I must look like a nut lolling back in the tub and holding a hand mirror in one hand and a safety razor in the other, but I'm a comfortable, warm nut, and no one sees me anyhow."

Backache is only a simple thing at first; But if you find it's from the kidneys;

That serious kidney troubles may follow;

That dropsy or Bright's disease may be the fatal end.

You will be glad to know the following experience.

'Tis the statement of a Twin Falls citizen.

Mrs. P. A. Fullmer, 120 Sixth Ave., W., says: "My kidneys acted too frequently and my back was lame and sore. There was a continual ache in my kidneys. It ached and dizzy spells were frequent and sometimes black specks came before my eyes and affected my sight. I read about Doan's Kidney Pills, and made up my mind to try them. One box was all I needed to effect a cure."

# BIGGER FUTURE IS PLANNED BY DUROC RAISERS

### Breeders of Purebred Swine Gather at Annual Meeting and Exchange Ideas on Advancing the Industry.

Determination to make the ensuing year one of greater success in the raising of purebred Duroc hogs constituted the greatest point of achievement at the annual meeting of the Idaho Duroc Breeders' association last night at the Permie hotel. Sixty-four persons, in addition to club members and several professional breeders from a distance, were present.

The business session which followed the banquet resulted in the election of Dr. R. S. Ames of Piler, president; Roy Shattuck of Piler, secretary; E. J. Pfeibstelt of Idaho Falls, secretary-treasurer; W. H. Rambo and L. S. Otto were elected members of the board of directors, with Pfeibstelt as the newly elected officers. Mr. Otto was the only one of the officials of the organization who was re-elected.

### Pass Resolution.

A resolution was passed and signed by those present petitioning the National association to amend its exhibition rules to prevent the showing in territories classes at Idaho shows of any swine not farrowed in this state. No objection was made, however, to the proposition to purchase breeding stock. This proposition was presented by Mr. Otto.

Following the reading of the secretary-treasurer's annual report it was decided to have each member contribute either a Duroc pig or its equivalent in cash to maintain the association's finances.

### Many Speakers.

The number of speakers and participants in both the banquet program and the business session was very numerous and it was midnight before the event came to a close. Speakers of the evening were E. J. Pfeibstelt of Idaho Falls, secretary-treasurer; Homer Hudson of Boise, agricultural supervising officer for the U. S. veterans' bureau; Mr. E. H. Dunham of Boise, state club leader; Alfred Strunk and Milo Davis, pig club members; William Kerr, state vocational supervisor; R. E. Braxton of Piler, secretary; D. B. Leonard, breeding club leader; P. H. Hunt of Gooding; Earl Woodruff and George Dennam of Piler, and Mrs. Charles M. Brown of Twin Falls.

### Lauds Club Work.

Mr. Dunham delivered an interesting talk on the past and future of swine raising, particularly with pig club work and with farm boys and girls in general.

Mr. Dunham stated that Twin Falls has the largest investment in swine, amounting to \$45,000 as a result of pig club work and that the net profit from this investment this year was \$15,900. He urged the importance of having a club leader and stated that if this county is no longer desirous of their services there are several other counties who have applied for agents and that they will be allocated to other points.

### Gives Farm Problems.

The speaker quoted figures showing that 76 per cent of the farm boys live between 20 and 24 years of age and farm laborers had 25 per cent are farm operators. Of those between the ages of 25 and 34 years who are engaged in farming 25 per cent are farm laborers, 25 per cent are farm operators, he said. Sooner or later the farmer boys and girls are bound to return to the farm. Mr. Dunham stated that only a question of how to make farm life most appealing to them. In his opinion, if boys and girls were taught the principles of economy, their habits and such things as junior avia breeding organizations include the "flapper" and those in that class would no longer exist.

## CLAIM RUMORS CLOSED BANKS

### Pernicious Plot Seen in Suspension of Institutions at Rupert and Paul

RUPERT, Idaho, Jan. 18.—(Special to The News).—The First National bank here and the bank at Paul, controlled jointly, voluntarily closed their doors and neither institution opened for business today.

The closing of the two banks is said to have been caused by the effects of a rumor that has been persistent here for approximately four months and which has created some apprehensions as to the condition of the two banks.

As a result of the rumor, it is said, the deposits have dwindled until the officials decided to close and to adjust matters while the bank or banks were expected to do so.

The First National here is capitalised at \$250,000, and at the time of the last call its condition was shown to be good. A surplus of \$60,000 existed at that time, the report showed. Deposits have dwindled persistently, however. Deposits at the time of closing were said to be about \$150,000 as compared to approximately \$190,000 before the rumor was started.

The closing of the banks has led up to the forced closing are believed to have been the result of a deliberate and pernicious plan of persons here antagonistic toward the bank or the officials. Whether or not the rumors will be sifted and the guilty persons, who are known here, prosecuted, is not known yet.

Carl Titus is president and R. B. Titus is cashier of the First National. The president has also been serving in an official capacity with the Paul bank.

The case here is one of a very few in southern Idaho wherein the checks of the bank have not been counted.

## CLAIM FALL WAS CAUSE OF DEATH

### Believe Jarbidge Metal Worker Met Death by Falling Over River Bank

The body of Archie Moore, 35, metal worker employed at the Elkton Mining company mill at Jarbidge, Nev., which was Wednesday afternoon taken from the Jarbidge river near there, was Thursday brought here to be sent for burial to Corning, Cal., in accordance with instructions received from J. P. Moore of Corning, father of the dead man.

The body was taken from the river about 24 hours' search that was begun when Moore, walking along a pier at the river's edge Tuesday evening, was seen to stumble and fall down a 10-foot rock wall into the stream.

Two ribs were broken and a wound on the head was found when the body was recovered. Conner P. J. Grossman, into whose custody the body was delivered here, expressing the opinion that Moore's death resulted from effects of the fall rather than from drowning. There was little water in the river.

The body was brought here by Walter Smith and H. Hatfield of Jarbidge.

## BIDDING KEEN AT SALE OF COUNTY CLUB SWINE

### Buyers from Distance Attend Auction of Durocs Offered by Junior Breeders

The sum of \$2168 was paid to the members of the county pig club at the first annual sale at the McManor sale barn Thursday for 38 sows and gilts.

Alfred Strunk of Twin Falls, topped the sale when he got \$185 for Perfection Lady, a gilt, daughter of Queen's Perfection, 100000, and grand-daughter of the late Queen, a sow, the Idaho state champion in 1922 and valued at \$1000. This was sold to J. E. Feldhusen.

### Gilt Sells for \$160.

Milo Davis received \$150 for Orion's Lady, a gilt and the bidding was very spirited. George W. Parsons of Piler was the buyer.

Perfection Princess, a litter mate of Perfection Lady, also owned by Alfred Strunk, was bid for by the same buyer when she sold for \$135 to J. M. Steelsmith of Kimberly.

The fourth highest price was paid for a litter mate of Queen's Perfection, a gilt, owned by Milo Davis. She sold to Mr. Feldhusen for \$125. All other sold for less than \$100.

This sale, taken as a whole, indicated that the Twin Falls Junior Duroc breeders' association has accomplished a great deal in advancing the purebred Duroc industry. It is felt that the sale was the effort made by several individuals for first, second and even third and fourth choice of the first litter of pigs to be farrowed by the sows and gilts sold.

### Makes Offer.

J. E. Nessly, Idaho Farmer representative, made a bid for first choice of three litters and second choice of one litter. Some of these will be given as prizes to club members for special efforts made during the year.

C. A. McMaster made offers on one first, one second and one third choice after first and second had been taken in one litter and promised to give the gilt to the big club boy or girl who pays the highest price for a gilt at the sale next fall.

News. Frank Magel, Zach North, John Smith, Ray Logan, Hal Bieker, Zeuss Smith, Oliver Harstad and Charles Macaulay, entertained their wives Thursday evening with a dinner at the home of Mrs. Frank Magel on Tenth avenue east. The cooking and serving was all done by the gentlemen, thereby setting a dangerous precedent. For it was all so delicious that the wives are thinking of turning over the kitchens from now on to the heads of the families.

On Wednesday afternoon the County Women's club met with Mrs. C. E. McClain, with the president, Mrs. M. T. Kenworthy, presiding. After the business session Mrs. McClain gave a paper on Idaho schools and churches, which was followed by a paper on "Home-making and Housekeeping" by Mrs. Kenworthy. A book pertaining to the industrial school at St. Anthony was read by Mrs. Kenworthy. Refreshments were served during the social hour to fifteen members and one guest. A special all day meeting will be held at the Ninth avenue club Wednesday afternoon. Fourteen members and one guest were in attendance. The program was in charge of Mrs. R. A. Sutcliffe, who gave an interesting paper on "Confessions of a Mother" which was followed during which dainty refreshments were served. The next meeting will be held February 7 at the home of Mrs. C. D. Weaver.

Mrs. A. D. Stafford was hostess to the Ninth avenue club Wednesday afternoon. Fourteen members and one guest were in attendance. The program was in charge of Mrs. R. A. Sutcliffe, who gave an interesting paper on "Confessions of a Mother" which was followed during which dainty refreshments were served. The next meeting will be held February 7 at the home of Mrs. C. D. Weaver.

Mrs. E. J. O'Granter entertained the Episcopal club Thursday afternoon. The usual business was transacted with the president, Mrs. C. G. Stearns, in the chair. Roll call was answered with quotations from scriptures. Committee members were appointed for the coming year, and plans were made for a "fact" for the coming year. The social hour followed during which dainty refreshments were served. The next meeting will be held February 7 at the home of Mrs. C. D. Weaver.

The Curry Park Teachers' association held its monthly meeting last Friday at the school house. Plans pertaining to school work were read and discussed. Following the meeting the members were guests of Mr. and Mrs. Raymond Carter. Refreshments were served. About 25 were present.

## Deaths

Montgomery Hartman, age 63, father of Mrs. Gilbert Telford, died here Thursday at the home of Mr. and Mrs. Telford on Main avenue north. The body was taken to the J. E. DeWitt undertaking establishment on Main avenue north. Funeral arrangements have not been made.

Mr. Hartman and his wife came to Twin Falls about a year ago from Seattle and have been making their home, during that time, with their daughter. Another daughter resides in Seattle. Death followed the complications of advanced age.

Mrs. Clara B. Arterburn, age 43, wife of C. C. Arterburn, of Hagerman, died Thursday afternoon at the county general hospital here following an operation. The body will be taken to Hagerman, where the funeral will be held Saturday morning at 11 o'clock.

## FUNERALS

Mrs. Robert Shankel. Funeral services for Mrs. Robert Shankel will be held Saturday afternoon at 2:30 o'clock from the Methodist church.
