

Hodgin Wins Mayoralty; No Commissioners Elected

NEW ELECTION MUST BE HELD TO FILL POSTS

Successful Candidate Polls 44 More Votes Than Opponent; Running Mates Pile Up Plurality but Lack Majorities

CANVASS OF THE VOTE. Table with columns for Candidate, Votes, and Total. Includes names like W. M. Lambing, W. T. Leaslie, J. S. Keel, C. H. Stinson, J. E. Roberts, and S. G. McAnley.

Shad L. Hodgin, attorney, was on Tuesday elected mayor of Twin Falls for the coming two years' term.

With five candidates in the race for the two places on the municipal commission to be filled at this election, none was successful in polling a majority of all the votes cast, which is required for election under the commission form of government that was adopted for Twin Falls last spring.

A second election will be held within 30 days in a further effort to elect the new commissioners.

William T. Leaslie and J. S. Keel, running mates of the successful candidate of 1922 and Keel receiving 978. They will be opposed in the second election by C. H. Stinson and J. E. Roberts who were grouped with W. M. Lambing and S. G. McAnley, running independently for re-election, polled the lowest vote cast for a candidate for commissioner, and will be eliminated from the second election.

Total Vote Over 2100. A total of approximately 2120 ballots were cast, as compared with a total of 2558 which was cast at the last election.

Much of the voting was done in the forenoon. Weather conditions were not entirely favorable, with an overcast sky and raw wind continuing throughout the day.

Wants on Second Election. Mr. Hodgin, as mayor-elect, will not take office until the first of May.

There is nothing in the law, I believe, to prevent the withdrawal of any of the candidates before the second election.

The result of the election Tuesday was received without any general manifestation, although large groups collected at the polling places after the closing hour and there was a general display of interest in the count.

Regrets Colleagues' Failure. "I am profoundly sensible of the honor and the responsibility that has been conferred upon me by Mr. Hodgin Tuesday evening when the result of the election was announced to him."

Speaking of the Lambing campaign results, and did not know what the plans were. "As I understand it," he said, "they cannot withdraw regardless of whether they do desire to register their names with a view to appearing on the ballots at the second election."

INDIAN WOMAN ENDS OWN LIFE BY RIFLE SHOT

Sarah Neble, Who Led Authorities in Pursuit of Murderer, in Despondent Mood, Sends Bullet Through Brain

Sarah Neble, Indian woman, who, with her husband, was the first to take up the hunt for Van Eaton for the murder of a girl two years ago near the Nevada. She killed herself on Friday at her home, three miles east of Contact, by firing a rifle bullet through her heart, according to the coroner's inquest conducted at Contact.

Doctors attending the case ascertained by the coroner as being responsible for her act. According to information given the coroner, Joe Neble, husband, the woman and another man were working on the woodpile at the Neble home in the Meadow creek district, when they heard a shot and rushing into the house found the woman dead.

A local physician was notified and started immediately for Contact, but before reaching the woman he was informed she had died.

Complete plans for making the annual sportsmen's banquet a successful event and the recommendation that George Bevin and Fred Ramsey be appointed chief deputy game warden and assistant, respectively, for the district, were among the things accomplished at a well attended and enthusiastic meeting of the Southern Idaho Fish and Game association members in the chamber of commerce rooms Monday night.

April 10 was the date selected for the banquet, and a committee composed of Dr. Hal Hieker, Alva Knight, J. R. Grant, Alvin Harbour, Van Henderson, Harry Maxwell, Mr. Bevin and S. Claude Stewart was appointed to have charge of the sale of tickets for the affair.

Sentiment shown at the meeting indicated that the banquet will be held in the direction of placing hunting and fishing in this district on a higher level and that the future plans of the association will result in still greater improvement in these lines of sport in this community.

R. E. Thomas, state game warden, has agreed to be the guest of the sportsmen at the banquet. Mr. Bevin and Jack Shroat, Mr. Grant, Dr. Hieker and E. R. Dooley were appointed a committee to wait on the warden on his visit here and to take up with him matters concerning the stocking of streams and similar projects to the benefit of hunting and fishing.

Ways and means were discussed for taking the state game warden on a trip throughout the county to prove to him what game is prevalent here.

Secretary Dooley and Dr. Hieker are reported as being extremely enthusiastic for their work during the past year and a motion carried to tender the new state game warden congratulations on his appointment and to urge him the association's hearty cooperation.

W. R. Priebe was appointed chairman of a membership committee to have charge of getting new members for the association.

Evidence of the benefit of the closed season on deer and elk is to be found in the fact that these animals have multiplied greatly and are flourishing, according to Game Warden Bevin, Mr. Shroat and Mr. Stewart, who made a trip to the upper reaches of the southern part of the county Sunday.

More than 100 deer and elk were sighted within a short radius and they are reported as being in extremely good condition and very tame. It is permitted to continue under the protection of the law for a time these animals are allowed to remain in the open in a few years, the officials stated.

LAMBING CONGRATULATES SUCCESSFUL CANDIDATE. Congratulations and a pledge of support and sympathy were extended to Shad L. Hodgin, Twin Falls mayor-elect, by William M. Lambing, the defeated candidate in a statement issued Wednesday.

The statement follows: "I congratulate you, Mayor-elect Hodgin, and can say that at no time have I felt any animosity toward you personally. I pledge my support and sympathy to you, in all laudable efforts for clean, rigid and economical government of city affairs, and trust that you may have a working majority of commissioners to the effect that petty strife may be eliminated."

Coming of Union Pacific's President Is Associated with South Line Construction

ROGERSON-WELLS ROAD SEEN AS DRAWING CARD

Chamber of Commerce Prepares to Extend Courtesies to Visiting Railway Officials, Believed Likely to be Interested in Building of Outlet to South

President Carl E. Gray of the Union Pacific is expected in Twin Falls at 5 p. m. Friday, April 6, according to information received Wednesday evening by W. H. Platteau, local agent of the Oregon Short Line. Mr. Gray is accompanied by a party of officials of the Union Pacific and associated lines, including W. H. Platteau, president and general manager of the Short Line.

A good deal of significance is attached to the visit locally and plans are being worked out by the Chamber of Commerce with a view to offering such courtesies as the length of the visit will permit.

Arthur L. Swin, president of the Chamber, Wednesday night said: "It is gratifying to have Mr. Gray and the Chamber of Commerce will certainly do anything in its power to assist in making the occasion a pleasant one for the party. Some time ago it was decided that Mr. Gray would take time to visit Contact while here and offering to make all arrangements for such a trip. I am in hopes that he will take advantage of the offer while here."

"The Rogerson to Wells railroad situation is such as to justify the belief that Mr. Gray would be interested in first hand knowledge and inspection of at least one of the routes. If he will, Mr. Gray will take pleasure in affording him every facility for the trip."

Mr. Gray's visit is the result of a conference held in Twin Falls last fall with H. V. Platt at which time it was stated that it was the intention of President Gray to visit Idaho in the Spring. Mr. Platt at that time gave out an interview in which he stated that the passage of the Rogerson to Wells railroad district would be regarded as an added reason for railroad development in Southern Idaho.

Extended Stay Expected. The party will enter Idaho at Huntington early Friday morning, reaching Contact about 11 o'clock and arriving here in the late afternoon. The fact that locally no advance has been received as to the further movements of the special is taken as a sign that the party will stay longer than the usual brief stop at Twin Falls.

Arrangements to be undertaken by the Chamber of Commerce will depend entirely upon the party's schedule and the wishes of its members. It is hoped, however, that there will be at least one hour for a tour of points of interest in and around town.

Members of the party in addition to President Gray and Mr. Platt, are expected to include E. P. Calvin, Union Pacific, vice president of operations; R. E. Pierce, Oregon Short Line, general superintendent; E. C. Mansop, superintendent of the Oregon Short Line Idaho division; and W. H. Platteau, chief engineer, each official being accompanied by his private secretary.

BEGIN WORK TO CLEAR HIGHWAY OVER SUMMIT. Fred Ramsay of Forest Service and Crew of Men to Start Battling Through Snow Drifts Above Galena.

Work is to be started at once to clear the highway over Galena summit, according to Fred Ramsay of the forest service, who will start at Contact Thursday with a crew of men to carry out the work.

That the job will not be an easy one is the opinion of the reporter. It is said that six feet and three inches of snow cover the summit. Other figures given in Mr. Ramsay's report, which indicate the depth of snow on the ground follow: April 5, 10 inches; Soldier, 17 inches; Ketchum, 14 inches; Winslow's ranch, 25 inches; Galena, 40 inches; Mascot, 20 inches.

TWO RANCHERS INJURED IN CLASH WITH HORSES. A. L. Stewart and Charley Robinson Seriously Hurt at Rogerson Ranch; Delicate Operation is Performed.

Archie L. Stewart and Charley Robinson, residents of the Rogerson ranch, are patients in the county hospital for treatment of serious injuries sustained in encounters with horses during the latter part of last week.

Mr. Stewart received a fractured skull when one of his horses kicked him. The fall on the horse's shoe broke the skull just above Mr. Stewart's left eye and necessitated an operation Saturday morning which he survived nicely according to the attending physician.

The contents of the Rogerson ranch, the Pence ranch, received serious abdominal injuries when thrown from his horse Thursday.

The condition of both men was favorable late Saturday night, according to reports from the hospital.

RATE ON SCHOOL BONDS LOWERED

Negotiations Closed with Boise Firm for Reducing Interest on Debt

Negotiations were closed at a special meeting of the school board Saturday afternoon, whereby \$32,000 in bonds of the school board were modified and refunded by the Chilis Bonding and Mortgage company of Boise.

R. M. D. Chilis attended the meeting and closed the deal for his company. The purpose in having the issue taken up is the saving in interest. The bonds have been carried at 6.5 per cent, whereas the negotiating closed with the Chilis company reduce the interest to 4.5 per cent.

The bonds taken over by the Boise company are mature for several years, but the school board simply exercised its option of refunding as a means of eliminating the necessity of carrying payments on the higher rate of interest.

Late bond issues of the school district bear 5.75 and 6 per cent interest but the point has not yet been reached in the life of the bonds where the board is permitted the option of refunding.

The matter of refunding of bonds was decided upon at the recent special meeting of the board when the high school and intermediate departments were reorganized. James Fitzgald, treasurer of the board, and J. E. Beyer, newly appointed auditor, were named to have charge of the proposition.

No other business was considered at the special meeting Saturday.

SUPREME COURT DECIDES IN WATER RIGHT MATTER

State Tribunal Holds Canal Company Cannot Deliver Water to Lands Within System Unless Available

That the Twin Falls Canal company can not be compelled to deliver water not available was the decision of the state supreme court in the case of the State of Oregon vs. the Oregon and Pacific canal company which was appealed from a writ of mandate granted by the local district court.

After the writ was given the plaintiff by the district court ordering the company to deliver water on land owned by the State of Oregon, the Oregon and Pacific canal company which was appealed from a writ of mandate granted by the local district court.

The supreme court held that where a contract between the state and a company provides that it is to have no water or shares in the system, or soil, beyond the carrying capacity of the canal, or in excess of the appropriation of water, neither the construction company nor the operating company can be required to sell additional rights of water or shares in the system if the system has been sold to prior users.

WOMEN'S ORGANIZATION ELECTS NEW OFFICERS

Miss Mary Dolbison is Named by Club Members to Office of President to Succeed Mrs. Cora Crouse

Miss Mary Dolbison was elected president of the Business and Professional Women's club Monday night to succeed Mrs. Cora Crouse.

Others elected were Mrs. A. J. Finke, vice president; Miss Edna Peterson, secretary; Miss Elizabeth Anderson, treasurer, and Miss Elizabeth Driskell, who was re-elected corresponding secretary.

The outgoing officers besides Mrs. Crouse are Miss Ada Wilkinson, vice president; Mrs. Bula Sawyer, secretary; Miss Blanche Hill, treasurer.

ORCHESTRA PREPARED TO GIVE HIGH CLASS EVENT

The improvement noted at practice performance each week and announced as the program to be given at the orchestra concert scheduled for Monday evening at the Orpheum under the direction of Gustav Fieseler and conducted by the orchestra conductor, indicate that the event will be of the highest quality.

SPORTSMEN PLAN BANQUET

State Game Warden Will Be Guest on April 10; Deputies Are Recommended

Completion of plans for making the annual sportsmen's banquet a successful event and the recommendation that George Bevin and Fred Ramsey be appointed chief deputy game warden and assistant, respectively, for the district, were among the things accomplished at a well attended and enthusiastic meeting of the Southern Idaho Fish and Game association members in the chamber of commerce rooms Monday night.

April 10 was the date selected for the banquet, and a committee composed of Dr. Hal Hieker, Alva Knight, J. R. Grant, Alvin Harbour, Van Henderson, Harry Maxwell, Mr. Bevin and S. Claude Stewart was appointed to have charge of the sale of tickets for the affair.

Sentiment shown at the meeting indicated that the banquet will be held in the direction of placing hunting and fishing in this district on a higher level and that the future plans of the association will result in still greater improvement in these lines of sport in this community.

R. E. Thomas, state game warden, has agreed to be the guest of the sportsmen at the banquet. Mr. Bevin and Jack Shroat, Mr. Grant, Dr. Hieker and E. R. Dooley were appointed a committee to wait on the warden on his visit here and to take up with him matters concerning the stocking of streams and similar projects to the benefit of hunting and fishing.

Ways and means were discussed for taking the state game warden on a trip throughout the county to prove to him what game is prevalent here.

Secretary Dooley and Dr. Hieker are reported as being extremely enthusiastic for their work during the past year and a motion carried to tender the new state game warden congratulations on his appointment and to urge him the association's hearty cooperation.

W. R. Priebe was appointed chairman of a membership committee to have charge of getting new members for the association.

Evidence of the benefit of the closed season on deer and elk is to be found in the fact that these animals have multiplied greatly and are flourishing, according to Game Warden Bevin, Mr. Shroat and Mr. Stewart, who made a trip to the upper reaches of the southern part of the county Sunday.

More than 100 deer and elk were sighted within a short radius and they are reported as being in extremely good condition and very tame. It is permitted to continue under the protection of the law for a time these animals are allowed to remain in the open in a few years, the officials stated.

DEAL IS BASIS OF SUIT

A jury was empaneled Wednesday in district court to try the suit of Marjorie Jensen against Dr. T. S. Wasen for \$500 on a real estate transaction in which the plaintiff claims the defendant had agreed to purchase from him was returned to the plaintiff.

Precipitation Low During Six Months

Total is About Half of Figure for Same Period Last Year, Weather Observer Reports

Total precipitation in the vicinity of Twin Falls for the six months ending April 4 was 2.65 inches, as compared with 5.98 inches as reported by the district office according to the report of Marion Hammons, local weather observer.

Precipitation during March reached a total of one inch, and the total snowfall was 1.5 inches. The average temperature for the month was 36.3 degrees, the highest temperature was 72 degrees, and the lowest was 11 degrees, the mean or average maximum being 49.8, and the mean minimum 23 degrees.

There were 11 clear days, 14 cloudy and six partly cloudy days during March. Mr. Hammons' report states. One thunderstorm occurred.

DAIRYING ASSOCIATION PROGRESSES FAVORABLY

Will Hold Another Meeting Here This Week; Plans for Organizing Being Outlined to Farmer Groups

Arrangements are being made to hold another meeting of the Twin Falls County Dairymen's association here this week.

The association members met at Glover Tuesday night and outlined their plans before a group of farmers of that district. A leading part was taken by Gustav Kunz of Buhl.

The articles of incorporation and by-laws have been completed and are ready for filing, according to E. P. Brown, county farm agent. Due to the fact that a number of workers in the field securing contracts have not been heard from the exact amount of cream signed up for monthly delivery has not been ascertained, but it is believed to be well over half of the 20,000 pounds a month which is to be obtained before the association begins to function actively.

CITY BONDS CANCELLED

Total of \$33,000 Returned on Issues by Three Local Improvement Districts by New York Banks

Cancelled bonds totaling \$33,000, issued for local improvement districts 34, 35 and 37, have been returned to the city treasury by the New York bank, handling the issue.

FINAL CHAPTER IN CARAVAN STORY

Ed Dunn, Last Member of the Brooklyn Contingent to Leave Roseworth Tract, Re-Enters Building Work in New York

With the return Saturday to New York of Mr. and Mrs. Ed Dunn, the last of the Brooklyn caravaners to remain on the Roseworth tract, the final chapter of the story that attracted widespread attention in 1921, has been written, so far as actual residence on the tract is concerned.

Mr. Dunn will return to his profession as a contractor on reaching New York, according to other members of the caravan who still reside in Twin Falls. Dr. W. C. McPherson, Paul Hanft and Fred Bagwell are the only remaining members of the caravan who still reside here.

The contrast of events surrounding the arrival of the caravan in September, 1921, and the leaving of the last of its members, together with the memories of what happened in the intervening time, was recalled vividly by the family who took the time to establish their residence in Twin Falls.

The arrival of the caravan on September 21, 1921, is recorded, in part, as follows in The News of that date: "Enclosed by welcoming coteries representing both Twin Falls and Buhl, the Scott modern caravan reached Twin Falls at 12:30 this afternoon. There were 24 cars of the regular caravan in the first of the parade and most happy to place, four passing later, their journey having been interrupted by minor troubles between Buhl and Twin Falls.

"There are approximately 95 people in the whole list of argonauts, who have come by automobile from Brooklyn, N. Y., roughing it by the way to take up the trail to the Roseworth project, opened by the Idaho Farm Development company.

"William D. Scott, one of the promoters in the excursion, led the caravan through the long journey and was at the front of the parade as the motor line pulled into Twin Falls. In the same car was Jess O. Eastman of Buhl, special ambassador of the west, and deputized to guide the fortunes of the argonauts.

"The party remained in Twin Falls about 20 minutes and then started on the very last lap of its journey which had brought them from the world's greatest commercial center to homesteads on Idaho lands.

"I speak for the entire company, when I say we feel we have reached here to give our new neighbors a warm welcome to be here," said Mr. Scott. "The journey has been a long one, sometimes tiring, but never tiresome; we have come to Idaho to live and we are here to stay."

From 11 o'clock on residents of Twin Falls crowded the main avenue to get a first glimpse of the settlers, school being dismissed early in order that the full meaning of the modern pioneering project might impress itself upon the youngsters. Business men and the school children were most happy to see the arrival, the street remaining congested until the last car had departed.

"Congressman Addison T. Smith, Mayor P. W. McRoberts and many others warmly greeted the caravaners, offering a word of praise and congratulation for their successful conclusion of the enterprise."

The chronicle of the day immediately following told of the numerous events given in honor of the new arrivals until, on September 29, the settlers are reported as having made known their favor to a justice of the peace, as well as a short time later.

"A short time later rumors were flying thick and fast throughout the Twin Falls country" in regard to dissatisfaction among the settlers. The Brooklyn agents wired Governor D. W. Davis concerning the matter and the governor replied as being astonished and stating that he believed there was "no better land in Idaho" than that of the Roseworth tract. There were reports that some of the settlers were in and about the city and that they were planning to leave for a general return of the homeseekers to the homes they left, or to establish residence in Twin Falls or vicinity and finally to the beginning of litigation.

DAHO WEATHER. Friday: Occasional rain south; rain or snow north.

DISAGREEMENT BRINGS END TO FOSTER TRIAL

Jury Fails to Reach Decision in Criminal Syndicalism Case and is Discharged After 31 Hours' Deliberations

ST. JOSEPH, Mich., April 5 (AP)—Heavily docked after 31 and a quarter hours, the jury trying William Z. Foster of Chicago, for alleged violation of the Michigan law against criminal syndicalism, was discharged by Judge Charles White at 5 o'clock this evening. The jury stood six to six during 28 ballots.

Five men and one woman voted for Foster's acquittal and six men for his conviction.

Foster was the first to face trial of the 22 men and women arrested, as a result of the raid on the convention of the communist party of America, held at the Lincoln hotel here last August. Charles E. Ruthenberg, one of his co-defendants, will be placed on trial a week from next Monday. The Berrien county circuit court room was vacant except when Judge White called the jury in. Only Foster, his wife and attorneys were seated at the lawyer's table.

See No Crime Committed. After the court discharged the jury some of those who voted for acquittal explained the reason for the hopeless deadlock.

"Five of us were convinced from the start that the state had failed to make a case against Foster," Russell Durn, a grocer's clerk, explained. "We did not feel that the evidence showed Foster had committed any crime in attending the convention and we so voted."

Foster accepted the jury's failure to agree as a victory. "It is remarkable to find twelve men, that six people who were naturally prejudiced against revolutions and violence and all the things the state talked about these days, could have the conviction that a case had not been made and hold out for two days for their convictions."

Frank P. Walsh of New York and Washington, chief of counsel for Foster, and the defendants waiting trial, issued a statement tonight complimenting the jurors and Judge White. "Of course, we are somewhat disappointed," Mr. Walsh said. "We had expected an acquittal, for at the close of the testimony we were convinced beyond all question that the presence of Mr. Foster at the Bridgman convention was in no sense a violation of the law."

First Test of Law. The case against Foster grew out of his attendance at the communist convention. The state maintained that he was there as a member and paid official of the communist party. The defense, however, asserted that Foster was not a member and went to the convention at its invitation to deliver a speech on industrial conditions.

The trial was the first test of the Michigan law against criminal syndicalism, passed during the year. The law makes it a felony punishable by ten years imprisonment and up to \$5000 fine to advocate sabotage, crime, terrorism or other means of force and violence as a method of accomplishing political or industrial reform. The sole question before the jury, Judge White said in his instructions, was whether the communist party had advocated crime and whether Foster had voluntarily attended the convention, knowing that it did advocate such forbidden doctrines.

Other Well Known Radicals. With the trial of Ruthenberg, set for this month, the question of trying the others alleged to have attended the communist convention remains in abeyance. The defendants include such well known radical leaders as Rose Pastor Stokes, Robert Minor, William F. Duane, Earl Browder, Alex. E. Green, Max Lerner, Max Bolacht, Edgar Owens, Rebecca Backarow, Ella Reeves Bloor, Gustave Schulenberg and Jay Lovestone. In addition to those who have been arrested or who surrendered, 44 who are alleged to have attended the convention have never been apprehended.

RAID MANHATTAN RESORTS

Federal Prohibition Agents Take 25 Prisoners Including One Woman, in Widely Scattered Operations. NEW YORK, April 5 (AP)—Federal prohibition agents carried out a series of widely scattered raids in Manhattan today and took 25 prisoners, including one woman. The prisoners were charged with violation of the Volstead act and with being bartenders or proprietors of illicit liquor resorts. Palmer Canfield, state prohibition director, directed the raids. Mr. Canfield said he would seek permission to make a tour of the Long Island and New Jersey coast in company with newspaper men to learn if there actually was a rum fleet in existence there.

WAR ROMANCE WRECKED. NEW ORLEANS, April 5 (AP)—A romance of year's standing ended at the immigration station here today when Madeleine Adolphe Edouard, 22, of Auxerre, France, refused to marry her soldier lover, Louis C. Dean, of Elmira, N. Y., a captain in the 22nd engineers in France and now a sergeant attached to the engineer corps at Fort Sam Houston, Texas.

Indigestion and Constipation. "Prior to using Chamberlain's Tablets, I suffered dreadfully from indigestion. Nothing I ate agreed with me and I lost flesh and ran down in health. Chamberlain's Tablets strengthened my digestion and cured me of constipation," writes Mrs. George Stroup, Solval, N. Y.—adv.

Girl Who Slew Wealthy Clubman

Miss Helene Ziegler, 26, living in a palatial Riverside Drive (New York City) apartment with her wealthy parents, was courted for years by Frederick W. Burnham, immensely rich contractor, 42 years old. When she learned that Burnham was a married man and was going to cast her off, she went to his office and shot him to death, then killed herself.

SEE RECORD ENTRY FOR HAY AND GRAIN SHOW

Experts and Chicago Grain Men in Conference, Complete Plans for International Farm Exhibitions

CHICAGO, April 5 (AP)—Farm experts from 12 states and Canada meeting Chicago grain men tonight completed plans for the International Grain and Hay show for which the Chicago board of trade for the fifth time contributed \$10,000 in cash prizes to go to farmers growing the best grain and forage crops.

Speakers at the conference and dinner given by the board, declared practically the entire agricultural world will take part in the show this year held with the International Livestock exhibition and that the 1922 entry record of 4039 samples will be shattered. George B. Bridge, chairman of the board's grain and hay show committee, is touring the world, interesting foreign nations. Twenty-two representatives of state farm colleges submitted reports.

I. W. W. TO TAKE STAND

Prosecution Nears Close of Its Case in Trial of 16 Men on Charge of Criminal Syndicalism

LOS ANGELES, April 5 (AP)—The prosecution failed to close its case today as expected in the trial of 15 alleged members of the Industrial Workers of the World on charges of criminal syndicalism. Jack Diamond, an investigator in the district attorney's office and a former member of the I. W. W., was still on the witness stand when court adjourned. He is the state's last witness. The defendants who are acting as their own counsel, are expected to commence the introduction of evidence in their behalf tomorrow.

OIL MEN BUY OSAGE LEASE

PAWNIUSKA, Okla., April 5 (AP)—Leases on 148 tracts of Osage Indian lands were bought in six oil deals today for a total of \$3,200,000. Ten 160-acre tracts located in the Burbank pool sold for a total of \$7,377,000.

YAKIMA ADOPTS PLAN TO BOOST SHEEP FEEDING

Commercial Club, State College and Wool Growers Corporation Unite Efforts to Increase Livestock on Farms

YAKIMA, Wash., April 5 (AP)—A plan for increasing the number of livestock on farms in Yakima valley was launched recently by the Yakima Commercial club, Washington State college and the Wool Growers' Service corporation.

Financed by the Wool Growers' Service corporation, the proposition is to place 80,000 feeder lambs on the farms in the valley in small bands numbering from 50 to 600, to be fitted for market this fall and next winter. The lambs are to be bought in quantity by the corporation and distributed among the farmers who will agree to fit them for market.

The corporation buys the lambs, turns them over to the farmer for feeding and charges him 6 per cent interest for the money advanced for the four months or less covering the operation. The corporation assembles the lambs, then ready for market, in trainloads and takes them to Chicago on the coast, charging a commission of 10 cents a head for this service, as well as 10 cents a head for buying. "The farmer gets the net returns over and above these charges."

J. F. Sears, manager of the wool buyers, emphasized that the proposition offers the investor a safe and sure market for his surplus crops and would stabilize the market for his stable crops. At the present time, he explained, a snowstorm on the Sound could lay up \$5 a ton and a return of warm weather sends it down \$8 a ton. This would not be true if the farmers were engaged in feeding operations on the scale proposed, said he.

In making the proposition to buy the raw material and market the finished

product, Mr. Sears said the corporation is offering a valuable service to the farmers who are providing themselves with a home market for their products and taking no risk.

GIRL CARRIES GEMS IN HAT

PASADENA, Cal., April 5 (AP)—Jewels valued at \$15,000, half of which were concealed in her hat, were found today on the person of Mrs. Edmondson, 19-year-old wife of Harry E. Edmondson, of Lincoln, Neb., who was fatally shot as a daylight burglar during a running fight with police here last Tuesday, it was announced today.

DEBATORS TO CONTEST MOSCOW

MOSCOW, Idaho, April 5 (AP)—The debating teams of the Idaho, Montana and Utah universities will meet April 20 in a triangular contest. A cabinet of government for the United States is the question to be discussed.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally, and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by moving the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—adv.

STRICKEN TOWN COUNT LOSS CAUSED BY STORM

Red Cross and Klan Contribute to Relief Fund for Tornado Victims at Alexandria and Pineville

ALEXANDRIA, La., April 5 (AP)—Alexandria and Pineville today took stock of the damage caused by the tornado into Wednesday which swept this city and Pineville across the Red river from here, taking a toll of 13 lives and injuring more than 60 persons. A Meantime a relief fund for the homeless was launched here and the authorities were advised that the Red Cross had forwarded from its depot in Memphis a supply of tents, cots and blankets for the destitute in the stricken area.

Pineville and the section across the river were hit hardest, all of the dead and injured being found there. A check of the damage showed that 142 buildings in this vicinity were struck. The relief fund launched today has passed \$12,000 within a few hours, one of the largest subscriptions being \$1000 from the Alexandria Ku Klux Klan. Red Cross headquarters in Atlanta, in addition to ordering material sent here, telegraphed \$500.

WHOSE BIRTHDAY IS IT TOMORROW?

If its one of your family, we make a specialty of ice cream, candies and cakes that will please them and make the day and the giver remembered.

FRANCE READY TO SEND FLEET TO SCRAP HEAP

President of French Senate Naval Committee Offers to Suppress Entire Navy if Other Powers Will Do Likewise

PARIS, April 5 (AP)—The president of the naval committee of the French senate, Gustave de Kerqueuze, in a statement to the Associated Press today, advocated the summoning of a further naval armament conference which would have for its object the actual scrapping of the big navies of the world.

"I guarantee, in the name of the French parliament," he declared, "that France will suppress her entire fleet if the other powers will do likewise."

For six years preceding 1921 Mr. de Kerqueuze was a member of the chamber of deputies and served on the committee directing the naval budget. In his statement he said: "We are coming to it in another Washington conference which make an honest revision of naval armaments. What I would propose is a new conference for scrapping the big navies. If the world does not look out it will destroy itself totally in a new war."

Traces War's Progress.

"People insist in ignoring the lessons drawn from the recent war, but I must be pointed out that in a comparatively recent history of humanity the wars were between clans, then between countries, then nations and now they are between continents."

"And each day I am informed of more dreadful acts of warfare which will lead not only to the remaining of the national maps but the extinction of untold millions of combatants and civilians alike."

"Long before the Washington conference the French parliament had adopted the same attitude. It is with astonishment that we saw our members in the Washington conference demanding capital ships."

France Faces East.

Defining France's general attitude, Mr. de Kerqueuze said: "France has recovered her lost provinces of Alsace and Lorraine and now she must keep guard on land with her force to the east and with free seas at her back. For communication with her colonies and for the defense she does not require big ships. It is only nations with offensive plans who need capital ships."

France has been attacked by the English, who intimate we want submarines to attack enemy commerce.

"Lord Lee, first lord of the admiralty, has declared submarines to be unable to cope with the capital ships. The truth is that the sinister attacks launched against submarines at the Washington conference were for the purpose of giving dominion of the seas to one or two nations."

"The motto of the partisans of capital ships is: 'The sea is mine; keep it off.' For this motto our: 'The sea shall be free forever, for all.' It is very curious that the world," speaks of "imperialistic France."

Sees Briand in Error

As to the Washington treaty itself, the senator said: "It was favorable to the treaty because in it I saw the possibility of limiting the race of armaments, but the French doctrine was unfairly represented there (in Washington) by the demand for capital ships, the error coming from Mr. Briand's unfamiliarity with the subject."

Mr. de Kerqueuze set forth that France's need of submarines was an essential feature of her new defense. "Only by the use of this type of war craft, he said, could she adequately protect her coasts and her communications."

"Today France is obliged to remain armed because of the great injustices in history, namely, the withdrawal of the guarantees given her in the Versailles treaty. The French people would not care to let their hands be laid down their arms and live happily and peacefully."

For International Fleet.

"Better still, if the allies will follow a proposal for general disarmament, the world's fleet and republic with an international one, we shall be the first to agree to let the United States furnish this international fleet of ships. I would like to see Italy, Japan and the world will have peace and not until then."

"If I spoke English I would go to the United States to outline to the people this road to liberty. Let no give warning that the peoples of the world are strongly set against any more wars. The governments and bankers do not hear, but there are voices rumbling around the world demanding peace, and we to those who cannot or will not listen."

"Let us create, while there is time, a real league of nations. The present one is useless because it is unarmed. Arm a new one and it can command peace."

HORACE BOIES IS DEAD.

LONG BEACH, Cal., (AP)—Horace Boies, twice democratic governor of Iowa and strong contender for the presidential nomination at the democratic national convention of 1896, died at his home here last night, aged 95. His health had been failing for several years.

Funeral services will be held tomorrow afternoon at 2 o'clock at the home of the body will be shipped to Mr. Boies' former home at Waterloo, Iowa.

Appreciation of Moses.

I like to read about Moses best in the Old Testament. He carried a hard business well through, and died when other folks were going to reap the fruits—George Elliot.

VETERAN SEA CAPTAIN COMPLETES LONG SERVICE RECORD

DOUKHOBORS HAPPY IN CANADA.

With a record of 289 round voyages between Canada and Europe, or 678 Atlantic crossings during which he conveyed 247,923 passengers, Captain G. B. Evans, O. B. Es., of the Canadian Pacific Steamship Limited, bows to time's advance and retires from active service, having reached the age limit. Capt. Evans is now making the last professional voyage of forty-eight years of sea service, taking the S. S. Metragama to Glasgow where he gives up his command.

Born in Wales sixty-four years ago, Capt. Evans began his sea service when 16 years old, as an apprentice on the Brockbank Line of Calcutta. From 1888 to 1894 he sailed the seas under the following

commander, four steamships. His war record dates from the outbreak to the close of hostilities. He carried both war materials and troops; the latter, including both A. E. F. and C. E. F. to the number of 70,000. In 1914 he assumed command of the Missanabi and continued in command until she was sunk in war service in 1918. He later commanded the Melita and Minnedosa, then after a Mediterranean cruise on the Empress of Scotland, received his last and present command, the Metragama.

DEFENSE RESTS ITS CASE IN HERRIN RIOTS TRIAL

Calls Nearly 100 Witnesses to Testify to Alibis for Six Defendants Charged with Taking Part in Massacre

MARIION, Ill., April 5 (AP)—The defense in the second Herring riots trial rested its case today after having called nearly a hundred witnesses to testify to alibis for the six defendants charged with the murder of Antonio Mulkiewicz, one of the 22 non-union men slain during the outbreak. Final arguments were expected to begin tomorrow.

Before resting the defense directed all of its efforts toward establishing a complete alibi for Hugh Willis, state executive board member of the United Mine Workers and one of the defendants. Testimony also was introduced to show that Robert Tracy and Otis Lawrence, witnesses for the prosecution, were in jail at the time when they claimed they had seen the tragedy take place.

Tracy and Lawrence testified that they were working at the mine of the Southern Illinois Coal company and described how the 48 workers and guards in the mine were marched out by an armed crowd after they had surrendered. They said they had observed when the prisoners were lined up before a barbed wire fence and 14 of them shot down.

"Bread is the Staff of Life." Denis Swift in his "Tale of a Tub" is credited with this sage observation.—Chicago American.

A Farmer Cured of Rheumatism

"A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Liniment and told him to use it freely," says C. P. Bayler, Patton Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar, saying, give me another bottle of Chamberlain's Liniment; I want it in the house all the time for it cured me."

CLEAN KIDNEYS BY DRINKING LOTS OF WATER

Take Salts to Flush Kidneys if Bladder Bothers or Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys are in pain, get out a glass of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts cannot injure anyone, makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders. By all means have your physician examine your kidneys at least twice a year.—adv.

The Davis Optical Co.

If the mountain won't come to Mohamed, Mohamed will go to the mountain.

Too many people who need glasses put off getting them with the excuse that they can't afford them. Now, these people ought to have glasses or their eyes will go worse and since our mission in this world is to correct defective eyesight and remove eyestrain it doesn't seem right to look on and allow these conditions to exist.

can think of only two remedies for the above: One is to see that everyone has plenty of money so that they can't say "I can't afford it," and the other is to reduce the price of Optical Service to bring it within reach of all.

Would that we were in a position to bring the first remedy about, but we are sure, with the wonderful prospects that this tract has, it will not be long before prosperity will be with us again. But in the meantime we can—and will—for the balance of this month, make prices on optical work so low that there will be no excuse for anyone to neglect their eyes.

One word more before we quote prices—Please do not think that because the price is reduced that we will cut down the quality of our optical work, for the past three years we have worked real hard to establish a reputation for the highest class optical service in the city of Twin Falls, that we have accomplished it is evident by the hundreds of testimonials we have on file from satisfied patients, to which anyone who is interested, has access. We mean to keep up our hard earned reputation at all cost, and we make this sweeping guarantee that we give one year's care and guarantee of satisfaction, irrespective of price. And now with the above explanation we trust that you will take advantage of the following wonderful offers—

Kryptock Glasses

In all shell, gold filled, or rimless frames (these are the invisible one-piece bifocals glasses without seam or hump far and near in one lens) \$17.50

Visible bifocals, any frame \$12.50

Toric lenses, any correction to fit your eyes, in finest either rimless shell covered, or heavy gold filled frame (spectacles or eyeglasses) \$10.00

Reading glasses with large periscopic lenses, including case, etc.: \$8.50

Alurim frame \$6.50

Gold filled frame \$7.50

This is not a gag or a stunt but an honest-to-goodness effort to bring the price down so that you will not put off having your eyes taken care of, but do it now!

Just as a courtesy if it is possible for you to make an appointment we will appreciate it—our phone number is 1255-J. Dr. Davis will personally examine every case.

LAVERING. He thought that she worshipped the memory of his dead husband despite the fact that she was married to him. She thought that he failed to make love to her because he was tired of the bargain he had made, and all the time she was falling in love with him. And it might have had a disastrous ending but for the fact that he discovered that his dearest friend, with only regard for memory, had been making love to his wife and that's how he got started toward a happy solution of all their affairs.

That's a hurried statement of the story of "The Ghost Between," the big Vincent Lawrence New York success that is to be presented by E. Forrest Taylor and Miss Anne Berryman at the Lavington theater, Tuesday, April 10.

The Screen

HAD THRILLING JOB. Gilbert Warrington, screen cameraman, who photographed Alice Brady's latest Paramount picture, "The Leopardess," which will open at the Idaho theater today, experienced thrills during the filming of that production.

How would you like to stand in the path of a charging leopard? and grind a camera until it was almost on top of you? Well, that was one of Warrington's many perilous jobs, but he did his work well as the picture evidences. Edward Lauroff and Montagu Love have the principal male roles. Katharine Newlin Burt wrote the original story, which was adapted for use on the screen by Clarkson Miller. Henry Kolker directed.

THE DANGEROUS AGE.

"In the spring a young man's fancy lightly turns to thoughts of love," "Chirps" a young man's" in that lyric in a "middle aged man's" and you will have the theme of the latest John M. Stahl production, "The Dangerous Age," a First National Attraction now showing at the Orpheum theater.

How the middle aged man sought romance—and found it; how he wavered of it and returned to his wife and family, sadly disillusioned, make capital drama and you will find "The Dangerous Age," a picture that you will urge your friends and neighbors to see.

Lewis S. Stone is cast as the seeker of romance.

The Road to Happiness

You must keep well if you wish to be happy. When constipated take one or two of Chamberlain's Tablets immediately after supper. They cause a gentle movement of the bowels.—adv.

NAMPA HUMBLER BLUE AND WHITE

Visitors Win Loosely Played Game From Twin Falls, 11 to 8, Opening Series

Nampa's baseball team won a loosely played game from the Twin Falls high school boys Thursday afternoon by the score of 11 to 8.

Laval Jarman, pitching ace of the blue and white, was given a beating during the six innings that he performed on the mound. As early as the first inning, it was plain to be seen that Jarman was doomed.

Woodie, Nampa's curve ball pitcher, checked a fair brand of ball outside of his whiffness, no less than 11 men being passed by the visiting twirler.

Garrity, who took Jarman's place after one man was out in the sixth, pitched great ball, striking out 6 men in the innings he worked, and showing wonderful control.

Nampa started the scoring in the opening inning when Spriggs sent a long triple to the barn in left center. He scored a moment later on Smyth's infield hit.

Twin Falls came back in the second and with two men on base, Woodie's slants in the ribs; Selck whiffed the ozone, but John Nye came through with a timely three base hit to the left field fence. Nye scored when Ord muffed Jarman's high fly.

Twin Falls took two more in the third inning. Jerry Jarman whiffed for four wide ones. Muscell tripled to the center field fence scoring Jarman.

Muscell scored a moment later on Hammond's infield hit.

Nampa Finds Jarman Things looked rosy for the locals until the visitors found Jarman in the fourth frame. Jerry Jarman muffed up Burdig's easy roller. Woodie doubled to the center field fence, sending Burdig to third. Selck, booted Gray's roller, and all hands were safe with Burdig over the rubber. Schwansinger went out Selck to Hammond, Woodie scoring on the play, and Gray moving to third. Kether singled to left, scoring Gray. Ord doubled along the right field foul line sending Keith to third. Smith fanned, but Spriggs picked one Jarman's offerings for a triple to the barn scoring Keith and Ord. Spriggs was called out for cutting second, his hit counting for a single.

To put the game on ice, the visitors turned into Jarman again in the fifth, scoring three more. Smyth singled to left but was forced at second on Burdig's fielders choice. Jarman, Woodie singled to left. Gray sent the ball over the center field fence for a home run, scoring Burdig and Woodie ahead of him. It was a healthy sweat and cleared the fence easily.

Not satisfied with the damage already done, the Nampa boys tore into Jarman for two runs in the sixth. Smith opened the inning by sending a hot shot to center. Spriggs sent a long drive to deep left which Jarman muffed, Smith scoring, and Spriggs going to third. Jarman was yanked at this stage, and Garrity sent in. Smyth sent an easy one to Jerry Jarman, who fumbled long enough to let Spriggs score. Burdig was an easy victim, Garrity to Hammond, and Woodie, hit the breeze.

Garrity pitched airtight from then on, not a visitor getting to first in the next three innings.

The Evans club sent a run across when Woodie lost control in the sev-

Darkness Intervenes

With darkness rapidly gathering over the diamond in the ninth Woodie again lost the location of the plate, and walked three men in a row, and then Stan Crom sent a long double to left field, sending in three runs.

Woodie then hit Jerry Jarman. This was too much for Coach Harrington, and Woodie went behind the bat, and Johnson went in the box. Muscell ended the agony by forcing Crom at third, Smith unassisted.

Although the game took three hours there was plenty of excitement and many clever plays. Jerry Jarman took a hot liner in the first off Burdig's bat and doubled Smyth off first in his time.

Moroni Jamison made a beautiful catch of Smith's long drive in the first inning, and then came back with a shoe string catch of Woodie's line drive in the second.

Spriggs' hitting was an outstanding feature of Nampa's play. His left fielder making three out of five, his fourth being a long drive to left field that went as an error against Jarman. Gray at second base also played a nice game, accepting nine out of ten chances.

Ed Muscell catching his second game for the locals, gave a big league performance, having 12 put outs without a holding. Muscell looked better than any member on the Twin Falls team yesterday.

These two teams will battle again this afternoon at 3:30 o'clock with Johnson and Woodie as the main points for Nampa, and Hodgins and Muscell for the locals.

The box score:

	AB	R	H	PO	A	E
Nampa	33	11	12	27	10	4
Twin Falls	33	8	9	27	10	4

Score by Innings:

Inning	1	2	3	4	5	6	7	8	9	Tot.
Nampa	2	0	5	3	2	0	0	0	0	12
Twin Falls	0	2	3	0	0	1	0	0	0	8
Errors	0	2	1	1	1	0	1	0	0	9

Summary: Stolen bases, Gray, Muscell, Hammond, M. Jamison. Home runs, Gray. Three-base hits, Spriggs, Nye. Two-base hits, Woodie, Hodgins, Crom. Struck out, by Jarman 6, by Garrity 6, by Woodie 3. Base on balls, off Woodie 12. Left on bases, Nampa 3, Twin Falls 11. Double play, Woodie 2. Passed balls, Keith 1. Pitching record, 12 hits and 30 runs off 1. Jarman in 6-3 innings; 1 run and no hits off Garrity in 2-3 innings; 8 runs and 9 hits off Woodie in 8-2-3 innings; 9 hits and 0 runs off Johnson in 1-3 inning. Chargo defeat to L. Jarman. Credit Woodie with victory. Hit by pitcher, Hammond 2. G. Jarman unspired, L. Whitelzel behind the bat; R. Whitelzel on bases.

IDAHOANS LOSE TO KANSAS CITY

Weston Basketball Team Puts Up Nip and Tuck Fight Against Elimination

CHICAGO, April 5, (AP)—In a nip and tuck game that was twice tied in the second half the Kansas City high school entry in the national scholastic basketball tournament today eliminated Weston, champions of Idaho, by a score of 33 to 30.

Kansas City led the Idaho team 15 to 12 at the half, having been able to give Schmidt chances for short tosses to baskets under the goal as they did in their game yesterday, owing to the close guarding of G. Gaffman.

Proudfit, Kansas right forward, made four baskets and nine free throws out of 10 chances, three of his baskets being from very difficult angles. Merrill, Idaho right forward, scored four baskets and eight free throws out of nine chances while G. Gaffman proved strong on the defensive and scored three baskets for the losers.

In the last half the score was twice tied, 24 all and 26 all. The Kansas City team won the championship of Kansas.

Springville Is Eliminated Now Trier high school of Chicago eliminated the Springville, Utah, quintet, defeating the western team 27 to 18. The Chicago team spurred near the close of the game after it had

been tied at the half 10-all and again during the second half 16-all. The forty teams which last Tuesday played the first round in the tournament tonight had narrowed to eight high schools which tomorrow will go into the final round preceding the semi-finals.

Four games will be played tomorrow on Saturday, the semi-finals and finals will be run off. Rockford, Ill., and Charleston, S. C., were favorites with the fans tonight to fight the final battle.

The Charleston, S. C. team was the first team to come through today and it went into tomorrow's play by eliminating Walla Walla, Wash., by a score of 36 to 33 in a game that was marked by its speed.

Westport high of Kansas City, Mo., eliminated Bellevue, Ohio, 21 to 16, in one of the fastest contests of the day.

The Chicago district championship was decided tonight when Elden, Chicago city champions, defeated Morton of Cicero, Ill., suburban champions, 35 to 24.

The Muskegon Mich. team tonight defeated the Weston, Colo., quintet, Rocky mountain champions, 29 to 23, in one of the greatest upsets of the tournament thus far.

MINNESOTA STOPS BOXING MINNEAPOLIS, Minn., April 5, (AP)—All boxing bouts are halted in the state of Minnesota until the state athletic commission revokes its rules against bouts between white men and negroes. Judge W. W. Bardwell ruled in an order filed with Walter Hyberg, clerk of the Hennepin county district court today.

RAIN PREVENTS GAMES SAN FRANCISCO, April 5, (AP)—All scheduled Pacific coast league baseball games today were postponed because of rain or wet grounds.

BITTER STORMS CAUSE FAMINE IN NORTHLAND

New Foundland Government Bends Efforts Toward Relief of Suffering Population on Ice-Bound Coast

ST. JOHNS, N. F., April 5, (AP)—Determined efforts are being made by the New Foundland government to send food supplies to starving settlements along the south coast, isolated for many weeks by the ice fields that blocked their harbors. The mail steamer *Kyle*, plying between this port and Sydney, N. S. today was taken off that route, and will leave tomorrow for the southern settlements laden with provisions.

Already six vessels have put out on similar errands of mercy, but all are held icebound in southern harbors, some of them having been unable to move for six weeks. The *Kyle* is larger and more powerful than the others. Tales of terrible suffering in many south coast villages have filtered through to the New Foundland capital. The winter fell early, freezing in the herding fleet and thus leaving many fishermen without their usual means of winter sustenance. Later a series of bitter storms built a thick rim of ice along the coast, shutting out supplies that would have relieved the suffering of the people.

ANNOUNCEMENTS

Instead of the regular meeting of the Business and Professional Women Monday evening, plans have been made to attend the concert given by the Plectrolite orchestra. All members are to meet at the club rooms at 8 o'clock. After the concert there will be a reception for the outgoing and incoming officers of the organization at the club rooms.

The Past Matrons' club will meet on Friday evening with Mrs. H. C. Dickerson, 219 Walnut street.

The Neighbors of Woodcraft will meet in the Business Women's club rooms Friday evening, April 6. A full attendance is desired, as there will be an organizer present.

The R. N. A. Lodge will hold their regular meeting Friday evening at 8 o'clock in I. O. O. F. hall.

The Curry Patent Teacher association will meet Friday afternoon at the Curry school here. Mrs. E. Wright of Kimberly will give a talk on "How to beautify the school grounds in a practical way."

Diseases of Steel.
Steel and other important metals used in the construction of the modern automobile have diseases just the same as humans, it becomes evident after a visit through the laboratories of various automobile plants in Detroit, and the metallurgist takes the place of the physician and surgeon in curing the ails of the metal and making them sound and durable.

Didn't Put 'Em There.
Little Francis, aged six, had brought home from school his first report card. He had two C's, and his father asked him why they had not been A's instead, and Francis promptly replied "I don't know, daddy, I didn't put 'em there."

Next Man Up.
Reggie was hard hit. "Will you marry me?" he asked. "This is so sudden," assented Reggie, "and do you love me enough to wait a few days?" "Of course, I do," declared Reggie, "but why wait?" "Well, because," replied Reggie, "I am married at present."

In the Majority.
The pessimist looks regretfully back; the optimist looks joyfully forward; the ordinary mortal just groans and smiles through today.—Boston Transcript.

EVERY STREET IN TWIN FALLS

Has Its Share of the Proof That Kidney Sufferers Seek.

Backache? Kidneys weak? Distressed with urinary ills? Want a reliable kidney remedy? Don't have to look far. Use what Twin Falls people recommend. Every street in Twin Falls has its case.

Here's one Twin Falls man's experience. Let H. B. Kerns, lumberman, 310 Third Ave., E., tell it. He says: "My back was weak and sharp pains shot through my kidneys. When I stooped, the pains dug in deeper and they were almost unbearable. I had to get up at night on account of the weak action of my kidneys. The secretions were scanty and off color. I used Doan's Kidney Pills and they cured me entirely. I have had no need for a kidney medicine since." 50c. at dealers. Foster-Milburn Co., Mrs. Buffalo, N. Y.

TRAIN PLUNGES FROM ITS RAILS

Passengers Escape With Minor Injuries in Minneapolis-Kansas City Train Wreck

MARSHALLTOWN, Iowa, April 5 (AP)—Chicago, Great Western passenger train No. 3, enroute from Minneapolis to Kansas City, went into the ditch three miles east of here about 9:30 o'clock tonight. The train was made up of seven coaches and sleepers and first reports were that all the cars had left the track and that one coach was overturned. A relief train from Marshalltown with doctors and nurses was started for the scene of the accident. Communication was cut off. It was reported the overturned car was filled with delegates returning from Waterloo where the ladies auxiliaries of the Macabees had closed a state convention today.

Word from the scene of the wreck said that no one was killed, and that it was not believed anyone was seriously hurt. Three women who were in this overturned coach arrived here by automobile ahead of the relief train. The suffered minor injuries. A broken rail or a broken truck was reported to have caused the accident, according to those at the scene of the wreck.

Later reports from the scene of the wreck said that no one was fatally injured, although a number were painfully cut or bruised.

CARD OF THANKS

We wish to express our friends and neighbors our great appreciation for their sympathy, and for the beautiful floral offerings, in our bereavement in the loss of our mother, Mrs. M. J. Johnson.

William F. Abbott,
Charles Abbott,
Mr. and Mrs. George Abbott, adv.

NOTICE OF ANNUAL SCHOOL MEETING AND ELECTION
In Mountain View Common School District No. 17, Twin Falls, County Idaho.

Notice is hereby given that the annual school meeting of Mountain View Common School District No. 17, County of Twin Falls, State of Idaho, will be held on Saturday, the 21st day of April, 1923, and the said meeting shall convene at 1 o'clock p. m. on said day at the school building. At said meeting the following business will be transacted:

1. One trustee to serve for a term of three (3) years will be elected.

2. The length of time school will be taught in the district for the ensuing year and the seasons of the year in which the same shall be taught will be determined.

3. That at the said annual meeting in said district there will be determined the amount of money to be raised by special taxation, the levy for which purpose shall not exceed ten (10) mills on each dollar of taxable property of the district, and shall determine the purposes for which the money derived therefrom shall be expended, naming in each instance the proportion of the whole amount which is to be used for the various and separate purposes.

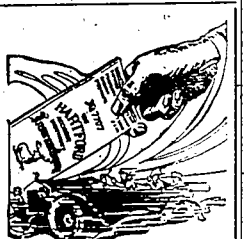

4. That at the said meeting general questions pertaining to school and school interests will be taken up and disposed of.

The name or names of all candidates for election of trustees together with the term for which nominated shall be placed on file with the Clerk of the Board of Trustees at least six (6) days prior to the day of election, excluding the day of election.

That the election at said meeting will be by secret and separate ballot.

Dated this 5th day of April, 1923.

J. H. GLANDON,
Clerk of Mountain View Common School District No. 17 of Twin Falls County, Idaho.
No. 17-10.

The test of a careful driver is found in his preparedness for the emergencies every car owner meets.

KEEN INTEREST CENTERS ABOUT BIG RESERVOIR

Visitors from Distant Points Make Trip to American Falls to Inspect Site for Big Ir- rigation Dam

One of the outstanding events in the history of the American Falls irrigation district, considered from the standpoint of educational value and the interest shown occurred at American Falls Tuesday and Wednesday when approximately 100 persons, including district and government representatives and others from southern Idaho and as far away as Salt Lake, inspected the reservoir site and adjacent territory.

The meeting was primarily for the purpose of giving members of the board of directors and others a thorough first-hand knowledge of the site and the engineering feat to be accomplished before the purpose for which the big district was organized can be realized.

Large Attendance

Prominent persons were present from Pocatello, Salt Lake, Blackfoot, Idaho Falls, Twin Falls, Jerome, Camas, Butte and other points.

The attendance included, besides the board of directors, prominent business men, government reclamation officials, newspaper men and several whose lauds are contained in the district.

Will Meet Here

A special meeting will be held here Friday when the board will discuss the admission of lands in the Springfield-Aberdeen district into the district.

Seek Injunction Against Dealers

C. M. Smith and Nancy Smith Seek Damages and Restraining Order Against Local Man

Complaint was filed in district court Thursday by C. M. Smith and Nancy E. Smith in asking \$500 damages from P. W. Dumko and a temporary injunction restraining the installation of the U. S. Meat Market in the location of Mr. Dumko's store on Main avenue north. Mr. Dumko and Jacob Schaeffer are named as defendants.

LIQUOR LEADS TO ARREST

A. Fiala and J. D. Conner Taken in Custody by City Police on Charge of Having Boze

J. D. Conner, Twin Falls constable, and A. Fiala were arrested Wednesday night for being intoxicated and having liquor in their possession.

ARRANGE HEARING.

Hearing will be conducted Monday before Police magistrate Kennedy Peckham on the complaint made by W. O. Sanger against Harry Davis. The complaint was sworn out as the result of an automobile collision recently for which Mr. Sanger alleges Dr. Davis was responsible.

Railroad Officials to Be Guests of Business Men

Chamber of Commerce Arranges for Supper for Union Pacific Executive During Brief Stay Here

The special train bringing President Carl L. Gray and other Union Pacific officials to Twin Falls Friday evening will probably arrive here about 7:30 o'clock, according to a telegram received Thursday evening from Mr. Gray in reply to a wire sent by the chamber of commerce.

Arrangements are to be made for an informal supper at which the railroad executives will be guests immediately after their arrival. Mr. Gray stated that he would be in town only one day.

Others in the party besides Mr. Gray are Judge Lovett, chairman of the board of directors; H. V. Platt, vice president of the Oregon Short Line; E. D. Cahill, vice president of the Union Pacific in charge of operation; R. E. Pierre, general superintendent of the Short Line; E. G. Amason, division superintendent, and W. R. Armstrong, chief engineer of the Short Line.

SETS HEARING DATE FOR INCREASE IN VALUATION

State Public Utilities Commission Will Review Application of Power Company at Boise April 30

Notices have been received here by the Idaho Public Utilities Commission of the hearing on valuation of the Idaho Power company relative to rates which will be conducted before the state public utilities commission at Boise on April 30.

Deaths

John E. Buchanan, age 63, died early Thursday morning at the county hospital from pneumonia while in the operation. The body was taken to the Grossman parlors and will be shipped Friday to Lewiston, Kansas.

W. H. Cowham, age 46, died at his home here Thursday morning. His death was caused by cancer from which he had suffered for a considerable time.

FUNERALS

Baby Hicking. The funeral of the infant daughter of Mr. and Mrs. Leslie Hicking will be held Friday afternoon at 2 o'clock from the De Witt parlors. The Rev. E. L. White will officiate.

Mrs. Charles Flowerdew. The funeral of Mrs. Charles Flowerdew will be held at the Grossman parlors Friday afternoon at 2 o'clock, the Rev. A. C. Peterson officiating at the Presbyterian church, officiating.

Mrs. Allen Benning. The funeral of Mrs. Allen Benning, who died Wednesday, will be conducted Thursday afternoon at Jerome by the J. E. De Witt Undertaking company.

Railway Outlet to Los Angeles Is New Proposal

Visit of Union Pacific Executive Calls Forth Suggestion for Completing Gaps

That an extension of the Nevada Northern railroad from Ely to Ploche, a distance of approximately 100 miles would create a rail route to the markets of southern California is among the suggestions in current circulation in connection with the visit of President Gray of the Union Pacific on Friday.

Railroad construction in those parts has centered almost completely in the proposed line from Rogerson to Wells, but that the feasibility of the railroad problem here may come about in an altogether different way is pointed out by local men who have recently interested themselves in the project.

Plan Civic Affair to Exchange Ideas

Twentieth Century Club and Chamber of Commerce Arrange Dinner for Tuesday

The memberships of the chamber of commerce and the Twentieth Century club will meet at the Rogerson cafe Tuesday evening, April 17, for their first joint civic gathering.

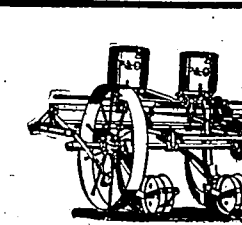

The first meeting for the society year of the Presbyterian Ladies Aid was held at the home of Mrs. James Hall on Tenth avenue north Thursday afternoon.

Claim State Record for Buhl Holstein

Supervisor of Cow Testing Association Reports High Milk Production for Two Year Old

A. H. Kestor, supervisor of tests in the Pioneer Cow Testing association, reports the completion of a junior two-year-old record for Idaho by the Holstein cow, Square H. Homestead DoKok, owned by W. T. Hardin of Buhl.

The record, part of which has not been verified, shows a production of 12,142 pounds of milk and 222.22 pounds of butter, which places this cow as state champion for her age.

Society

Edited by Mrs. E. B. Williams, Telephone 395.

A goodly number of the members of the Baptist Home circle gathered to the country home of Mr. and Mrs. William Shotwell on Thursday afternoon for the regular missionary meeting.

Members and friends of the Episcopal Guild enjoyed a tea and delightful musical program at the Parish hall on Thursday afternoon with Mrs. James R. Entwistle and Mrs. W. Orr Chapman as hostesses.

Personal

Inspects Oil Fields—J. O. Noggle left Thursday for a visit to the oil fields of Montana.

Son Is Born—Mr. and Mrs. Raymond G. Stevens are the parents of a son born Wednesday April 4.

Salt Lake Visitors—Mr. and Mrs. H. S. Cowling are in Salt Lake on a combined business and pleasure trip.

Dairymen to Meet—A meeting of the Cooperative Dairymen's association will be held at the court house Friday night.

Return from Coast—Mr. and Mrs. J. S. Jansen arrived Thursday from Los Angeles, where they spent the past winter.

Makes Business Trip—John Redman, farmer, living near Gooding, returned home Thursday after attending to business matters here.

Return for Visit—Mr. and Mrs. M. W. Johnson, who left Twin Falls about nine years ago, returned Thursday from Turlock, Cal., to visit Mr. Johnson's brother and family, who reside on Fifth.

Mrs. Edgar Olmstead was hostess to the Shamrock club on Thursday afternoon. Mrs. Hawkins was a guest, and eleven members responded to roll call.

The Morningside club met at the home of Mrs. L. A. Schneider on Wednesday afternoon. After the transaction of business Mrs. E. E. Leeco and Mrs. O. A. Fullin led in a card party.

Mrs. S. K. Nesbit and Mrs. Harry Jones entertained the Wayside club on Wednesday afternoon at the club on Kimberly road Tuesday afternoon. After the regular business session Mr. M. C. Mitchell gave an interesting talk on school work.

The next meeting will be held with Mrs. L. J. Miller.

Mrs. G. Osterloh was hostess to the Highland View club on Wednesday afternoon. During the business session Mrs. Ritchie was welcomed to membership.

The regular meeting of the Catholic Women's league was held in the Business Women's club rooms Thursday afternoon. After the regular session the following program was given: Paper by Mrs. V. B. Becker; two vocal solos by Mrs. J. B. White; two vocal duets by Mrs. Irene Carlson Zabel and Mrs. J. B. White, accompanied by Mrs. E. E. Rogan. Refreshments were served by the hostesses, Mrs. Beckwith, Mrs. Bowles, Mrs. Sharran, Mrs. Wallace and Mrs. Taylor.

About 25 of the Twin Falls War Mothers were guests at a charming event given in the Business Women's club rooms Thursday night by the Ladies' Auxiliary of the American Legion. Nearly 75 members of the auxiliary were present and a most attractive program was given by Mrs. Burton E. Morse, president of the auxiliary, president.

The program was as follows: Three numbers by Mrs. Morse's mandolin orchestra; solo, Mrs. J. S. Hall; address of welcome, Mrs. Merlin B. Hatley, past president of the auxiliary; responses on behalf of the War Mothers by Mrs. T. H. Irwin; solo, Mrs. T. J. Wood; piano solo, Mrs. D. L. Alexander. A pleasant social hour and the serving of refreshments followed by musical entertainment. The committee in charge of refreshments consisted of Mesdames Dorman Johnson, F. P. Bracken, Leo Bracken, H. J. Benoit and D. L. Alexander.
