

BENEFITS SEEN IN FUNDING OF BOND INTEREST

Believe Landowners Would Gain by Plan Announced by Committee Chairman; Enlist More Workers for Election

By funding the interest into the principal on the American Falls reservoir district bonds for three to five years the land owners of this district will receive direct benefits from the construction of the reservoir, both direct and indirect, before they are required to pay a cent, according to a statement made by Arthur L. Swin, chairman of the committee on information for the South Side tract.

"This is a very wise provision," added Mr. Swin. "It will give our land owners a chance to get their breath, to adjust themselves to the conditions following a general period of deflation and to receive benefits from the actual construction of the reservoir. It will be necessary, of course, to issue some additional bonds to cover this deferred interest, but the farmers will be in better position to meet payments thereon, even if they are small, later on than at the present time."

Chairman Swin was not in position Tuesday to announce the appointment of secretary of the committee. He made announcement of additions to the general committee as follows:

The Twin Falls school district sub-committee is composed of Tom Irwin, Sam Snyder, Mr. Ward, James McMiller, M. Maxwell, R. J. Finch, John Graham, Frank Stephan, Homer Mills, J. A. Cram.

George Childs was added to the Buhl committee.

The Filer committee was filled out by the designation of Guy Shearer, W. A. Sherrer and H. J. Weaver.

Paula E. Hill, H. J. Chast, and Thomas were named as additional committee men from Castelford.

Additions for Hansen are O. D. Bills and Ed. Hansen.

PARENT-TEACHERS NAME ASSOCIATION OFFICERS

Mrs. T. F. Warner Elected Chairman of Washington Organization; Welfare Committee is Appointed

Election of officers and appointment of committees to arrange plans for the work this summer and next fall were features of the meeting of the Washington Parent-Teacher association, held at the Washington hotel Tuesday afternoon. The meeting, which was the last of the season, was attended by about 60 members.

Mrs. T. F. Warner was elected chairman, Mrs. W. Zenna Smith, Mrs. Edwin Wilson was elected vice chairman, and Miss Wright, one of the Washington school teachers, was elected secretary.

The report of the general hot lunch committee and the nominating committee were received and a program consisting of a piano solo and dramatization of stories was presented by the pupils under Miss Virginia Florn, Mrs. North and Miss Wear.

The committee was asked to consult with committees from other school buildings on the work for next fall and winter. A group of members were asked to have charge of welfare work during the summer.

NEW OFFICIALS TO TAKE OATH ON MONDAY NIGHT

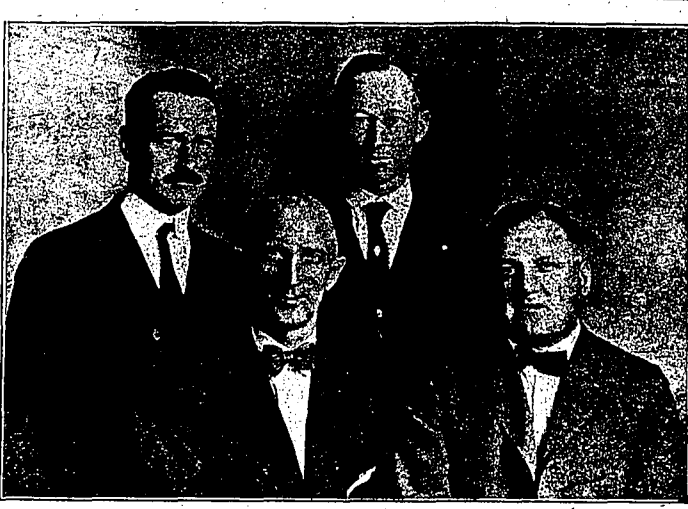

Successful Candidates to be Sworn In at Final Session of Commission; Canvass Votes at Adjourned Meeting

Twin Falls city commission met Tuesday night and adjourned without transacting business until Thursday night at 7:30 o'clock, when the voters cast in the city election Tuesday will be canvassed.

The oath of office will be taken Monday night at a special meeting of the commission by W. L. Hoag, W. T. Leslie and J. S. Keel, the successful candidates for mayor and commissioners, and they will assume their new duties at that time.

Through a misunderstanding J. L. Mee, city clerk, was not present when the commission convened Tuesday night and W. A. Minick former city clerk, acted in his place.

COMMITTEEMEN GIVE FACTS ON BOND ELECTION

General Organization Launched to Inform Owners on the American Falls Reservoir Project

The general committee to have charge of the dissemination of information bearing upon the American Falls reservoir bond election May 12, was organized at a well attended meeting at the Regerson hotel Monday night, of land owners representing the general subdivisions of the Twin Falls tract.

The meeting was called to order by Guy Plesner, representing the Idaho Reclamation association, who briefly related the history of the project to date and pointed out its vast importance to this part of the Snake river valley of the undertaking itself and of its associated activities, including railroad construction southward.

John W. Graham was elected temporary chairman. The meeting named committee men from a number of school districts, leaving others to be filled later in whole or in part, and elected the following permanent officers:

Chairman—Arthur L. Swin, Twin Falls.

Vice chairman—Carl J. Miller of Castelford, for the west end district; S. G. Diehl, Filer, for the central district, W. M. Van Houten, Kimberly, for the east end district.

Secretary—To be named by the chairman.

Executive committee—The chairman, vice chairman and W. D. Gilts of Filer. Through this organization, it was stated, the facts would be presented to the land owners relative to the coming election and all questions having bearing thereon answered.

Frank A. Banks, engineer of the United States reclamation service, was present and answered questions propounded by committee men, all of which will be included in information to be circulated by the general committee.

It was the sense of the meeting that efforts be made to secure an canvassing at the polls of every farmer on the tract living within the reservoir district and the necessity of getting out a large vote cast in the city election Tuesday will be canvassed.

The general committee so far as named follows, additions to be made and announced soon:

Twin Falls school district—A. L. Swin, chairman.

Buhl school district—P. F. Ahlquist, chairman; J. H. Barker.

Castelford—C. W. Colner, chairman.

Report Van Ausdell Is New Game Deputy

Will Have Charge of Four Counties in Southern Idaho; Association Lends Support

H. C. Van Ausdell, a deputy under E. R. Sherman, former sheriff of Twin Falls county, has been appointed deputy game warden to have charge of Minidoka, Jerome, Cassia and Twin Falls counties, according to local sportsmen.

Although the Southern Idaho Fish and Game association had endorsed two of its members for the position, the association intended to assist Mr. Van Ausdell in every way possible in enforcing game laws and advancing the interests of better hunting and fishing in southern Idaho, according to Jack Shroat, president of the association.

"The association members were, of course, rather surprised to hear of Mr. Van Ausdell's appointment," said Mr. Shroat, "but I am satisfied that the best cooperation will be established between Mr. Van Ausdell and the association."

The appointment of an assistant deputy seems to be indefinite and no assurance has been received to date indicating that an assistant will be appointed.

Name Secretary of Project Committee

Addition of E. J. Finch Completes Organization; Will Explain Reservoir Contract

The official personnel of the committee on information as to the American Falls reservoir project was completed Wednesday when Chairman Arthur L. Swin announced the appointment of E. J. Finch of Twin Falls as secretary. Mr. Finch accepted and will be actively engaged in the campaign. It is stated, giving particular attention to conditions as affecting the vote on May 12 in the various subdivisions of the county.

Ivan Lincoln, chairman for the Pleasant View and Elmwood districts, announced the appointment of Dave Rice and M. A. Thomas as assistants on his committee.

Guy Plesner, who as manager of the Idaho Reclamation association, is aiding the Twin Falls tract general committee, while also the campaign in other parts of the Snake river valley, announced Wednesday that a complete abstract of the proposed contract between the government and the American Falls reservoir district was in course of preparation and would be given to the public soon. This abstract, he stated, would be devoid of legal phraseology and arranged for layman comprehension.

It was stated at the headquarters of the general committee that the preliminary statement to members of the committee would probably be mailed today.

PROSPECT SEEN OF RESULTS IN HIGHWAY PLANS

Settlement Between Districts Approved by Court; Meeting Called to Further Travel on Old Oregon Trail

Prospects for the early completion of the graveling of the state highway from Twin Falls across the Cassia county, to the south end of the Twin Falls district from increased tourist travel over the Old Oregon Trail, were evident Wednesday when the last remaining details of settlement between the Twin Falls and Murtough highway districts were agreed upon, the settlement put in writing and confirmed by the district court.

Coincident with the smoothing out of all difficulties by the highway boards, it was announced from other sources that a meeting will be held Thursday afternoon at 2:30 o'clock in the chamber of commerce rooms when delegates from Hagerman to Murtough and Twin Falls will confer in the interest of furthering tourist travel over the Old Oregon Trail.

Confirm Agreement.

The final agreement between the highway districts was approved at a conference of the two highway boards and their attorneys, M. J. Sweedey, representing the Murtough board, and John W. Graham the Twin Falls board. Following the conference the agreement was given the confirmation of the district court and the differences that have involved the two districts since the district meeting Thursday in the Murtough board and which provides for the issuance by the Twin Falls district of four warrants of \$700 each, due respectively in one, two, three and four years, and which, according to the contract of settlement, "are to be received and accepted in full settlement of all matters in controversy between the districts growing out of the formation of the Murtough district."

The total of \$30,000, it is agreed between the districts, is to be the basis for the completion of the graveling project, as outlined and agreed upon at the conference here last Saturday.

Considerable interest is centering about the meeting Thursday in the interest of the Old Oregon Trail. Walter Mescham of Baker City, Oregon, manager of the Old Oregon Trail association, telegraphed that he will be here for the conference which resulted from the announcement of the immediate construction of the graveling project closing the gap between Murtough and Burley.

With the completion of the project the state highway will be the only gravelled highway from the international country to the coast. The highway, which runs through Portello, Burley, Twin Falls and Boise and on up the Oregon trail highway in the Pacific highway and was designated last year as the Old Oregon highway.

At Twin Falls it intersects with the shortest highway from Elv and Tole through Twin Falls to Bailey and the Sawtooth national park, which affords the shortest route from California to the Yellowstone national park, by using the Oregon trail highway from Twin Falls to Portello and the park.

Boy Scout Troops Will Be in Parade

March to Lincoln Field on Day of Athletic Program; Merchants to Award Prizes

A parade of Boy Scouts on the afternoon of Friday, May 4, with all local troops participating and with prizes offered for the best appearing troop in line will be one of the features of Boy Scout week, May 3 to 6.

The parade will take place on the afternoon of the field events program and will start at the high school and end at Lincoln field. The local merchants are donating the prizes for the best appearing troop.

Prizes will also be awarded the winners of the athletic events. The field program consists of various kinds of races and stunts, all in keeping with the Scout spirit. E. B. Dooley is in charge of the parade and Harry J. Benoit is in charge of the athletic events.

MUNICIPALITIES ELECT OFFICERS

Incumbents at Buhl and Hazelton are Re-elected; Big Majority at Jerome

While the Twin Falls voters were pondering on their final decisions in the commissioner's election Tuesday and casting their ballots, voters in other municipalities on the north and south side were going through the same process.

At Buhl the incumbents in the seven city offices continued the only ticket in the field during their term and all were re-elected. They are, Dr. A. P. McKuskey, mayor; C. G. A. Divilbiss, clerk; J. P. Constant, treasurer, and Dr. H. C. Coleman, S. B. Hyde, J. Johnson, G. L. Thompson. The fact that the present officers retired bonds in the sum of \$54,000 and incurred no bonded indebtedness, Mr. McKuskey was given as being largely responsible for their being unopposed. A total of 108 votes were cast.

At Filer the "Fitzens' ticket," composed of Dr. H. F. McMillin, R. K. Dillingham, Juneau Shinn, Grover C. Davis and Guy H. Sherrer was elected to the offices of mayor, clerk, treasurer, and police commissioner. E. B. Fowler were candidates on the "people's ticket." A total of 176 votes were cast.

Kimberly Elects Trustees.

The voters at Kimberly selected a board of five trustees as follows: W. F. Brecken, L. C. Doty, L. H. Walden, A. J. Wilson and N. W. Swearingen. Of the successful candidates with the "citizens' ticket," E. W. Tiley being the fifth candidate on that ticket. The "independent ticket" consisted of Mr. Swearingen, W. H. Carter and N. O. Kempton. One hundred and twenty-five ballots were cast.

O. J. Thorsen defeated his opponent, A. B. McGowan, by a majority of 132 votes for mayor of Jerome. Mr. Thorsen's vote was 323, and Mr. McGowan's was 191. E. P. Carr, city clerk, was re-elected. Burnett Stillwell was elected city treasurer by a big majority over A. O. Carbin and I. O. Brown. A. L. Pote, John S. Celler, E. K. Vetter, and W. B. Bonning were elected councilmen by large majorities. The Jerome officials take office on May 1.

Close at Hazelton.

The election of a board of trustees at Hazelton was rather close, all of the incumbents being re-elected. They were H. K. Belmont, Charles W. Barker, E. K. Vetter, L. E. Berry, H. J. St. Marie. They were opposed by the "citizens' ticket," composed of H. Eym, M. A. Kelley and B. E. Vance. Mr. Berry received 85 votes, the largest number given any candidate, and Mr. Vance received 44 votes, the lowest. The board will name its chairman and mayor, treasurer and three commissioners to have charge of streets, water works and public health.

WILL VISIT FORMER HOME

Father Arragu, Assistant to Catholic Pastor, Leaves Wife on Trip to Spain; Return in Fall

The Rev. Father Arragu, assistant to the Rev. Father Ricci, S. J., of St. Edward, who left the city Tuesday evening with his niece, Miss Patricia Yraola, for a tour to New York, where they will sail on May 6 for Spain.

The Rev. Father Arragu and his niece will visit his former home in Spain and will witness the ordaining of a successor to Father Arragu, has not been decided upon, Father Ricci stated. Father Arragu expects to return to Twin Falls early next fall.

CENSUS COMPLETED

The foreign census of Twin Falls has been completed, according to the members of the census committee of the joint Americanization committee. The census committee met Wednesday at the close of the canvass and Mrs. C. J. Schneider, chairman, will submit a report of the census in the next few days.

RUNNING MATES OF MAYOR-ELECT ARE SUCCESSFUL

Voters Make Majorities Out of Pluralities Given the Chosen Candidates in First Municipal Election

RESULTS OF THE VOTE

Wm. T. Leslie	No.	Wm. T. Leslie	No.
Wm. T. Leslie	577	540	1128
J. S. Keel	516	604	1080
O. H. Silston	453	600	1058
J. E. Roberts	431	674	1005

William T. Leslie and James B. Keel, who led the field with substantial pluralities but lacked majorities necessary to election in the municipal election April 3, were Tuesday elected members of Twin Falls city commission for two year terms.

Mr. Leslie with 1128, polled 80 and Mr. Keel 22 more votes than O. H. Silston who received the largest vote for a defeated candidate.

Tuesday total vote of 2040 was only about 100 less than that polled in the election of April 3, and exceeded the expectations of many political observers.

Weather conditions were favorable for polling of a large vote Tuesday and continuing interest in the municipal campaign is believed to have been pretty thoroughly recorded by the ballots.

With Mayor-elect Shad L. Hodgkin, who was elected April 3, the successful candidates will take office at a special meeting of the city commission next Monday evening.

The newly-elected commissioners were running mates with the mayor-elect in the previous election.

They will succeed John E. Roberts, police commissioner, who was Tuesday defeated for re-election, and S. G. McAuley, commissioner of streets and public works, who was eliminated in the vote of April 3.

Mayor-elect Hodgkin Tuesday evening expressed gratification over the election of his running mates, seeing in the new administration a city administration with united purpose toward a common aim.

STATE TAKES UP TROUT PROJECT

Through the efforts of the Southern Idaho Fish and Game association, the Cedar creek dam, lying 12 miles south of the mouth of the Snake, and the gravel beds adjoining the dam have been adopted by State Fish Commissioner as one of the most important and valuable assets to the fish and game department of the state.

Mr. Innes was taken on an inspection of the dam and gravel beds on Sunday by Jack Shroat, president of the association, Ed Melville and Frank Macanley and the state fish commissioner was reported as having been extremely enthusiastic over the "find" from the standpoint of the possibilities it presents as being a great spawning place for trout.

As a result of the inspection and consequent endorsement by Commissioner Innes, a representative will be sent to the dam and gravel beds on Monday from which rainbow spawn will be produced for the state department, according to announcement by Mr. Innes.

Mr. Innes said that the dam and gravel beds are probably between May 1 and May 10, fences will be placed across the inlet with funnels or catch basins in which the fish will be taken. The spawn will be shipped to one or all of the four state hatcheries.

Mr. Innes stated that he will return here on May 1 and again inspect the project and the results obtained on the occasion. He is quoted as having said that the proposition will be one of the most valuable of the kind and would be worth \$25,000 or \$30,000 to the state department from the standpoint of furnishing rainbow spawn, providing it develops as he expects it will.

Mr. Shroat and the adjacent waters are said to have been literally alive with rainbow trout during the spawning season last year and local sportsmen have reason to believe that the supply can be maintained in the future.

Special significance is placed in the project by Mr. Shroat and the sportsmen through the fact that good spawning waters and beds are extremely few, not only in the northwest, but throughout the entire country.

Mr. Shroat reports that a consignment of brook trout will be received within a few days by the Buhl sportsmen and that the Buhl sportsmen consignment has also been allotted the local association. The Buhl consignment will probably be planted in Clear Lake, Sand Springs and Riley creeks, while the Twin Falls shipment will be distributed between Twin Falls Creek on the north side, the Slaughter House Creek on the south of town, and Dead Man's gulch.

STRENGTHENED KWANGSI ARMY MAKES STAND

Battle Rages Short Distance
from Canton Between Sun's
Forces and Opponents Hitherto
Worsted

BEIJING, April 26 (AP)—War, attended by general political and social unrest, is following close on the trail of the opening of spring in China.

Already in the south, where capital Canton, recently witnessed the return of Sun Yat Sen from his Shanghai exile, the struggle appears to be well under way. There, a combination of Yunnanese and Kwangtung forces, calling themselves the constitutionalists and supporting Sun, drove their Kwangsi opponents from Canton up the North and West rivers.

Until noon today the retreat of the Kwangsi army was reported as a rout, but today reinforcements from Shikwan came to their relief, turned on the constitutionalists and, according to one report, drove them back. The fighting is said to be still in progress above Suikai, a few miles north of Canton, with the issue in doubt. Constitutional reinforcements are being rushed to the battle line.

Reports of piracy along the Canton river between Canton and Hong Kong, also are adding to the unrest in the south and increasing the disruption of traffic and communications.

From Amoy, in the province of Fukien, comes the prediction of an early struggle for control of China between two great combinations of interests. On one side, it is reported, there will be arrayed the Chi Li party, now in control at Peking, and headed by Wu Pei Fu, the man who last year sprang to the front as the leading military genius of China. Opposed to him the political foreigners pressing their claims are: Sun Yat Sen at the head of a union of the southern provinces; Chang Tsiang, dictator of Manchuria, with the power of the north; and the provinces, Shen Kiang, Kwei and Hwang, Kiang, at his back; and the provinces of Chekiang and Fukien.

Campaign of Telegrams.

Over the whole chaotic situation there now is being waged another sort of war, one peculiar to China, a campaign of telegrams.

Following the custom that has been in vogue ever since telegraph wires gave China the means of rapid communication, leaders on both sides are seeking to justify their past acts and future movements by a continuous stream of telegraphic messages. Such a preliminary barrage of dots and dashes was ordered in last year's struggle in which Wu Pei Fu was returned the victor over Chang Tsiang and this year's campaign appears to be rattling true to form.

POCATELLO VOTES DOWN CITY PARK BOND ISSUE

G. Ben Ross, Democrat, is Elected Mayor, with G. Oliver and S. Cox, Republicans, as Commissioners

POCATELLO, April 26 (AP)—In a rather spirited election Tuesday, though with a comparatively small vote, hours were divided between the democrats and republicans. G. Ben Ross, democrat, being elected mayor by 387, and George Oliver and Sam Cox, republicans, elected as city commissioners by approximately 400 majority. Three tickets were in the field, the progressives polling a considerable vote. A bond issue for \$50,000 designated for city park construction, was beaten three to one.

Secretary Hughes Requests State of California to Send Agent to Honduras, in Hunt for Mrs. Phillips

SACRAMENTO, Cal., April 26, (AP)—A request that the state of California send an agent to Tegucigalpa, Honduras, to identify one of the two women believed to be Clara Phillips, occupied Los Angeles hammer murderess, and a warning that because of the proximity of the Tegucigalpa jail to the street the two women under detention might effect their escape, was received today by Governor Richardson from Secretary of State Hughes.

The telegram from Secretary Hughes stated that "Carson's wife" is also under arrest and that the authorities "do not know which is Clara Phillips."

The second woman's identity is not known to California authorities, as the wife of Jesse Carson, the male companion of Mrs. Phillips, is said to be in Los Angeles.

CITIZENS' PARTY WINS IDAHO FALLS ELECTION

Ralph Louis Noses Out Opponent with Margin of 373 Votes in Hard Fought Mayoralty Contest

IDAHO FALLS, April 26 (AP)—In an election here Tuesday the citizens' party swept into office every candidate on their ticket. The fight centered around Ralph Louis, mayor, and he succeeded, in noosing out his opponent, H. K. Linger, with a majority of 373. E. R. Underhill, present city clerk, headed the ticket, receiving a total of 1184 votes.

SLAYER ELUDES POSSEMEN

Nebraska Bootlegger Suspect, Who Killed Patrolman, Makes Good His Escape; Leaves Car Behind

SCOTTSBLUFF, Neb., April 26 (AP)—Harold Randall, alleged bootlegger and slayer of Policeman Albert Peterson at Mitchell, Neb., last night, today eluded posse searching the countryside for him. His abandoned automobile was discovered on a country road near Mitchell and possemen found a large still at the farm home of Milo Randall, who was arrested. He is not related to the fugitive.

An inquest was ordered for Friday morning by County Attorney Reiss, who declared that the shooting was the result of the activities of an organized gang of bootleggers operating in this county.

Peterson was shot and killed and Guy Carlson, a deputy sheriff, was dangerously wounded by Randall, when they sought to arrest him on a charge of bootlegging. They had traced him to a home in Mitchell, but as they approached, Randall fled to a small building on the property and opened fire on the officers.

FREAKISH GAME GOES TO GIANTS

McGraw's Men Take Opening Tilt on Home Grounds from the Braves

NEW YORK, April 26 (AP)—The New York Nationals opened their home season here today with a hard fought victory, 7 to 3, over the Boston club. The game was a freakish affair and full of unusual incidents. Boston made only one fluke hit off Nehf and Ryan, a blunder by Boeckel through Groh's legs in the fourth inning. All three Boston runs resulted from errors. Marquard was backed with remarkable support, five double plays being made behind him. His club led until two were out in the eighth, when New York started a rally in which the Giants bunched six hits for 10 bases

and scored six runs. First Baseman Kelly of New York handled 21 putouts. Mayor John F. Hylan threw out the first ball, while the game was preceded by the national parade and flag-raising. Before the game Commissioner of Baseball Landis presented diamond rings to all the New York players, trophies of their world's championship victory of last October. Before the flag raising the crowd called on Commissioner Landis to bring Christy Mathewson, the new Boston president, to the plate. Landis escorted Mathewson from his box near the Boston dugout and the former New York 1st was tendered one of the greatest ovations ever given a New York player.

DETROIT LOSES OPENING GAME

Crowds Overflow Infield in the Opening Game, Only to See Heroes Fall One Run Short

DETROIT, April 26 (AP)—Thirty-six thousand persons moved down to Navin field today and saw Detroit vanquished by the St. Louis Browns, 4 to 3. The charged grandstands, pavilions and bleachers were jammed to capacity with hundreds sitting or standing around the field. The Tigers were off to a three-run lead in the third on consecutive hits by Hancey, Cobb, Vane

and Heilman, coupled with a poor throw by Gerber to the plate. St. Louis was hitless until the fifth when doubles by Severide and Gerber and a batter hit by a pitched ball gave them two runs. Ron Williams' third home run of the season added another marker in the sixth, while Gerber's second double of the day, followed by Robertson's single brought in the deciding run in the seventh.

Score: R. H. E.
St. Louis 4 8 1
Detroit 3 11 0
Batteries—Shocker and Severide; Collins, Frances and Basler.

RED SOX BEAT YANKS.
BOSTON, April 26 (AP)—Boston opened its home season today by defeating New York, 5 to 4, the winning run coming in the ninth on a double by Harris and a single by Buzyn after New York had tied the score in the final inning. More than 20,000 fans, the largest opening day crowd in 10 years, watched Frank Chance make his debut as manager of the Red Sox.

HIGH SCHOOL NOTES

The Blue Triangle club held a regular meeting Wednesday evening in the dome, and the election of officers took place. Campaign speakers were given for each candidate and a picture of each one was shown with the aid of a picture machine. The officers for next year are: President, Valeno Bowberry; vice president, Marjorie Knefel; secretary, Bess Duke; treasurer, Harriet Clapp. A program followed the election. Ruth Snowhill sang a solo. Margaret Scilley, LaVene Carlson and Valeno Bowberry gave a cute little skit. The Blue Triangle will give a picture show next Wednesday for the benefit of the camp fund.

30-inch Tissue Gingham 39c yd.

Late patterns of our regular 50c Tissues all included, blacks and checks. Colors are brown, green, yellow, blue, pink and red. With cotton goods soaring in price this is an unusual opportunity.

Silcot Charmeuse \$1.00 yd.

To introduce this fine \$1.25 fabric we offer it two days only. It's just in. A 36-inch fine satin finished, silky looking cloth, like a very fine satine, first placed on the market for linings but used now in the East largely for dresses, in fact, it's a great fad. It is in the new oriental shadings and patterns, including Persian. It is a very practical cloth as well as very pretty. For two days only, at \$1.00 yard.

Flowered Ribbon Special, 39c yd.

With the new oriental colorings and patterns in everything these Dresden ribbons are being much used again, and very popular for hair bows. We offer these up to 5 and 6 inches wide. Two days' special, 39c yard.

Dress Fabrics Egyptian

Smart, too, they are. Even if they were not, we would have to wear them—either in a whole garment, else a touch of Tut as a trimming. So here they are—silk or cotton. Every color of the rainbow, but each design distinctly Egyptian.

"Tut-Tut" Silks

Oriental shading of blue, gold and old rose are the predominant colorings, and distinctive prints representing the East Indies and the Orient tie them up with ancient courts of glowing splendor. Crepes with weight sufficient to carry out the present modes are the silks used. These are priced—

\$2.50 to \$5.95

Voiles of Wondrous Patterns

Wondrous patterns and colorings are in the new voiles. It will be a popular summer fabric and we are showing superior qualities, 40 inches wide—

50c to \$1.00 Per Yard

MILLINERY IS Unmistakably Chic

With its gay colored embroidered trimming, the flowers, the ribbons, and the colorful silks, there seems no end to variation, yet every hat is decidedly different from its neighbor.

Then, too, women find a great satisfaction in buying millinery here, in that no two hats are alike, and that individuality is never sacrificed for quantity.

Come in and let us show you some of the new Egyptian fantasies.

SPECIAL PRICED HATS \$2.95 and \$4.95

Modish hats are offered at these attractive prices. You will be pleased with them when you try them on.

SPORT HATS in the sport colors and sport materials, at \$2.25 up.

Bathing Suits and Caps

Good dye, good fit, good materials that's what you require for comfort of mind and body in bathing suits.

The new ones are here in both Suits and Caps. Extra pretty combinations of color. Very reasonable.

Bandana 'Kerchiefs

Oriental Turbans, Scarfs, Sashes, Blouses, Collar and Cuffs, so many, many things they are used for. New oriental patterns here—

\$1.50 to \$7.50

Phoenix Knit Silk Step-ins 29c

Made by the famous Phoenix Hosiery Mills. Heavy knit thread silk in the new underwear shades. Very pretty. Just what you want.

You Must Wear Corsets Now

During eighteen years of business in Twin Falls the selling of corsets up to a few months ago was a matter of size only, and since Gossards came on the market we find the size considered last. Really that's true, for if you do not have the proper model the size does not make a proper-fitted figure. Our expert corsetiere takes care of that. The styles demand corsets—the proper kind—they should be fitted. You wouldn't buy a shoe without fitting—why a corset? Gossards now at \$2.50, \$3.50 and \$5.00 up.

BRUINS DEFEAT JEROME, 9 TO 4

Northsiders Drop Tight Game to Evans' Players When Pitcher Plays Out

Twin Falls high school baseball team made it two straight from Jerome Thursday afternoon at Jerome, the final score reading 9 to 4.

For eight innings it was anybody's game, both teams fighting hard, with little to choose between them. In the ninth, however, the home team, the northsiders, weakened, and before the inning had ended the blue and white lads had chased four runs over the platoon.

Ray Hodgkin, starting on the mound for the Twin Falls team, failed to puzzle the Jerome artillery, giving way in the fourth inning to Laval Jarman, with a man on first and no one out.

Lee showed up for eight innings with the best assortment of curves and speed put out by a high school pitcher this season. At times his control was a little off, but during the first eight innings, he had the Twin Falls ball players breaking their necks reaching for his wild curve.

Jerome Features Doubles.

The game was featured by two fast double plays by the Jerome team, the first coming in the first inning, when Lee snapped Mussell's line drive, doubling up L. Jarman at second. The second came in the second inning, when Lee hit not one to Lee, who threw to Pyron, getting Hammond and then to Morris in time to nip Nye. "It was a fast piece of work and was executed in his league fashion."

Aside from the two double plays the fielding and hitting of Lee is worthy of mention. Lee accepted seven chances, picking an error, several of them being hard ones.

Jerry Jarman did a nice work at short for Twin Falls, having eight chances without a mishap. He made several flashy catches of fly balls that looked like hits.

Twin Falls started when scoring in the second inning, when Jarman caught a line drive, doubling up L. Jarman at second. The second came in the second inning, when Lee hit not one to Lee, who threw to Pyron, getting Hammond and then to Morris in time to nip Nye. "It was a fast piece of work and was executed in his league fashion."

Jerry Jarman did a nice work at short for Twin Falls, having eight chances without a mishap. He made several flashy catches of fly balls that looked like hits.

In the third inning Twin Falls sent another man across. Hodgkin opened the inning with a hit, single to left, and went to second when Weyerhaeuser let the ball roll through his shins. Cron fanned, but Laval Jarman sent Hodgkin home with a hit to left.

Jerome Ties Score Again.

With two men out in its third inning Jerome tied the blue and white boys, when Gorman sent a long double to the right field fence. Lee chased him home with a line single to left.

Not to be denied, Twin Falls sent one more home in the fourth. With one out, Hammond sent a double to right field. Nye walked, and Seleck popped to Lawrence, but Hodgkin delivered with a neat single to right field.

Feeling that they were the home club and entitled to win, the Jerome boys came back in their half of the fourth and tied up matters again. Hardwick, who had taken Emmett's place at third sent a single to left. At this juncture Evans clobbered Hodgkin, called Laval Jarman to the mound and sent Atkinson to center field.

Laval walked Morris and Avery, filling the bases. Ooster singled to right sending Hardwick in. Lawrence popped to Cron, and Jarman picked Weyerhaeuser's drive, holding Morris at third. Gorman sent a easy roller to Jerry Jarman, who tossed to Seleck, forcing Ooster at second.

Things went along in the style from then on to the seventh, when Twin Falls scored two more. Atkinson grounded out, Ooster to Morris. Pyron erred on

Cron's easy roller. Cron pilfered the scorebook and went to third when Gorman threw the ball to center field. Laval Jarman shot a single between third and short, scoring Cron. Mussell sent his amblings and meandered to first. Jerry and Mussell essayed a double steal, and Jerry scored when Gorman threw the ball to left field. Jarman came back in his half, but fell one short of tying the score. Lawrence opened up with a clean single to left. Weyerhaeuser paid close attention what Laval Jarman was trying to do and was rewarded by being passed to first. Gorman flew to Atkinson, but Lee got ahead of one of Jarman's choicest offerings and sent it to the right field fence for a double, scoring Lawrence. Nye made a perfect peg to Seleck, who in turn made a beautiful throw to Mussell catching Weyerhaeuser at the plate.

Pitcher Plays Out.

Lee fell to pieces in the ninth, when the Twin Falls boys put the game on him. Atkinson singled to left, and went to second when Weyerhaeuser let the ball roll through his shins. Cron fanned, but Laval Jarman sent Hodgkin home with a hit to left.

Laval Jarman, who relieved Hodgkin, came in from center field without warming up, and had a little difficulty in locating the plate in his first inning, allowing two bases on balls and a single, which netted the Jeronimites a counter.

STAGE IS SET AT FILER FOR ATHLETIC CONTESTS

Starting at 10 o'clock this morning athletes from every school in the south central section will compete in the first fair track meet scheduled at the Filer fair grounds.

Rules set forth to make this the greatest event of its kind ever staged in this section is the aim of George E. Denman, principal of the Filer high school and today's master of ceremonies.

Qualifying heats in the different events will be run off this morning, followed by the final events in the afternoon. The track has been put in perfect condition and, weather permitting, no less than five records should be broken.

Word from Rupert states that "Strom," the 100-yard man for that school, ran the 100 on Tuesday in 10 seconds flat. If such be the case, then "Turley" of Jerome, 200-yard man at Alburquerque and Patz of Twin Falls are in for the hardest race of their careers.

Ample seating accommodations are provided by the committee in charge of this part of the program, and the Twin Falls high school band, second to none in the state, will entertain the crowd between the different events.

One of the rules set forth which should prove popular is the one prohibiting anyone, including coaches, to appear on the field, with the exception of newspaper men and officials.

Buckner of Gooding will act as referee, with Rear of Hollister as starter. The step watches will be taken care of by men who were timers during the state fair horse race, which guarantees accuracy in this department.

HUNGER STRIKERS FREED

Free State Government Releases Two Young Women Who Have Abstained From Food for More Than Month

DUBLIN, April 26, (AP)—Miss Nellie Ryan and Miss Annie O'Neill, released from prison by the Free State government today after hunger strikes lasting more than a month, were in actual danger of death by starvation, according to medical evidence, it was announced tonight. Miss Ryan is a sister-in-law of Richard Mulcahy, the minister of defense.

In announcing the release of the two women, a government communique says the decision was taken after the discussion in the Dail Eireann last night, when Dr. Patrick McCartan gave notice that he would move a resolution next Wednesday providing that "in the opinion of the dail, any prisoners who decide after the passing of this resolution, to go on hunger strike, in order to secure their release should be allowed to take the full consequences of their act."

It is expected the dail will adopt the resolution. Meanwhile it is believed, other hunger strikers will be released, including Miss Mary MacSwiney, wife of the late mayor of Limerick.

STRICTLY BUSINESS.

"Henry," said his employer, sternly, "you did not expect me back again this morning?"

"No, sir," said Henry.

"I suppose you are aware that when I came in I caught you kissing the typist?" And his employer glared at him angrily.

"Yes, sir," replied Henry, without blushing, "but if you remember, sir, you told me to be sure and do all your work while you were away."—Stray Stories.

NEWSPAPER PUBLISHERS REJECT UNION PROPOSAL

"Sympathetic Strike Provision" Is Seen in Printers' Ruling; Training Schools to Be Established

NEW YORK, April 26, (AP)—The thirty-seventh convention of the American Newspaper Publishers' association, adjourned today after taking two important steps in connection with labor policy and re-electing all the old officers for the ensuing year.

The first labor measure adopted was a measure refusing to negotiate with the International Typographical Union under the terms of an amendment to the union's constitution, which provided that union printers and mailers employes in the same plants should negotiate jointly, that all agreements so reached should expire concurrently and that abrogation of an agreement by a strike or lock-out in one department should terminate the agreement affecting the other.

This provision, the publishers announced as a "sympathetic strike provision."

The other labor measure adopted was a resolution to broaden the association's support of printing trades

schools. A report of the Macon, (Ga.), printing school declared students have been discouraged by union printers, who waged "vicious" assaults on the plant.

Today's resolution provided for the establishment of regional schools in several sections of the United States and Canada, the schools to be supported primarily by newspapers in the various regions.

Appointment of a committee to take up the question of establishing a bureau of audit was authorized, the committee receiving power to establish such a bureau if it was found advisable.

The officers re-elected were: President, Paul Patterson, Baltimore, (Md.) Sun; vice-president, S. E. Thomason, Chicago, (Ill.) Tribune; secretary, John Stewart Bryan, Richmond, (Va.) News-Leader; treasurer, Howard Davis, New York, (N. Y.) Tribune.

Resolutions of respect were adopted for 38 members of the association who have died since the last convention.

BRITAIN POURS BLESSINGS ON ROYAL COUPLE

Empire Rejoices While Duke of York and Lady Elizabeth Bowes-Lyon are United at Westminster Abbey

LONDON, April 26 (AP)—The Duke of York and Lady Elizabeth Bowes-Lyon joined hands and were united in the solemn altar of Westminster Abbey today, while all Britain poured out its blessing.

The magnificent church service that greeted the most Scotch girl from the common ranks to a place in the crown of the empire would have exalted a king or queen.

The great altars in parliament square which enshrine within its hallored walls the mortal remains of kings, queens, martyrs, saints and heroes, has been the scene of a thousand national ceremonies of transcendent interest, but it has witnessed few that surpassed in beauty and solemnity today's romantic event.

All the members of the royal family, all that are greatest in the life of the empire and a brilliant array of foreign princes, nobles, ambassadors and ministers with their ladies were there in the midst of this glittering splendor of state. The American ambassador, in a sombre court suit of black, sat among his gorgeous and brilliant colleagues, a symbol of democracy.

Lends Human Touch.
The entire service was conducted with the traditional precision of British royal events. Only when the bride was called upon by the Bishop of Canterbury to repeat the solemn vows and kneel, "I take thee to be my wedded husband," did her manner betoken any sign of nervousness. Her voice was scarcely audible to the vast congregation.

The bridegroom gave the impression of a man at his apex. Queen Mary wore a solemn, severely dignified expression and her eyes upon the bride couple throughout. The venerable Dowager Queen Alexandra gave the royal ceremony a human touch by moving out of her place and bowing her knees upon the members of the party as they came within the church.

Next to the bride and groom, Princess Mary and the Prince of Wales appeared to be the calmest man in the abbey, and he toiled with the plume of his three-cornered military hat during the ceremony. At one point Alexandra leaned toward him and whispered in his ear what some in the audience desired must have been good advice to a bachelor.

Music Fills Halls.
The wedding ceremony began promptly at 11:30 o'clock. After the king and queen and other royalties and clerics had taken their places in the sacrum, the soft, melodious tones of the invisible male choir, accompanied by the sonorous booming of the great organ, flowed over the gathering, filling the vast abbey with moving cadences.

As the duke and bride joined hands, the sun, which had not revealed itself for several days, suddenly emerged from behind the mist and its light, coming through the high vaulted windows of the abbey, cast an effulgence upon the gallant duke and his lovely bride and brought into bold relief the touches of gold, crimson and silver in the costumes of the brilliant assemblage of spectators.

After the Archbishop of Canterbury had recited the usual ritual the duke placed the ring on the fourth finger of his bride's left hand and in a resolute voice said: "With this ring I thee wed, with my body I thee worship, and with all my worldly goods I thee endow."

Thousands Cheer Pair.
The archbishop then offered prayer, pronounced the couple man and wife and proclaimed to the vast congregation: "These who have just joined together, let no man put asunder." He added his blessing, and the newly married pair advanced inside the sanctuary and knelt in prayer while the choir sang "Wedley's Chant."

After the signing of the register, the duke and duchess were escorted by the clergy through the nave to the familiar accompaniment of Mendelssohn's wedding march, and passed out to receive the plaudits of the waiting multitudes. Their return to Buckingham palace through miles of cheering humanity was like a procession of triumph.

A wedding breakfast presided over by the king and queen, was served in the state dining room, and shortly after 4 o'clock the happy couple left for their honeymoon in Surrey.

**LODGE MEMBERS OBSERVE
FOUNDING ANNIVERSARY**
Nearly 200 Odd Fellows, Rebekahs and Friends Attend Special Celebration and Entertainment

Approximately 200 Odd Fellows and Rebekahs and their friends attended the special celebration at the Odd Fellows hall Thursday night in observance of the 104th anniversary of the founding of the order.

A short business meeting was held and the anniversary program began at 8 o'clock. The Rev. W. W. Burke, in delivering the address of the evening, traced the history of the Odd Fellows lodge and showed the accomplishments and gains made since the order was founded.

The program included a solo and a recitation by "Dad" Pope. The dance, with the Canton members leading the grand march, closed the program of the evening.

Well-Named Club for Girls

A group of high school girls recently entered the office of the father of one of their number, a well-known man and a prominent lawyer.

"Well, young ladies," said the legal gentleman in an affable tone, "what do I do for you today?" Thereupon the elected spokesmen said that they wanted him to help them select a name for their club.

"It is for the building of character," the said earnestly. "No men are to be admitted at any time. We have no use for men," she added with emphasis.

"Then why not call it the Building and Lode Association?" Gladioli and Dahlins now ready. Public Market.—adv.

CULT SECRETS ARE DISCLOSED

Former Followers of "King Benjamin" Purnell Take the Witness Stand in Probe

ST. JOSEPH, Mich., April 26 (AP)—Secrets of the life in "King Benjamin Purnell's" House of David were revealed today in the grand jury investigating alleged immorality in the colony when Benjamin Hill, 34, and Mrs. Lillian Hanford, 32, took the witness stand.

The couple were intercepted early today at Stevensville, 12 miles south of St. Joseph, after they had sloped from the colony, leaving William Hanford, Mrs. Hanford's elderly husband, behind.

They told Judge Harry Dingeman, the one man grand jury, that members of the cult did not know Purnell's whereabouts. Early today the couple motored in a hired car to Stevensville and purchased railroad tickets to Chicago. The station agent, talking over the phone to a brother operator here, reported two followers of Purnell in flight, carrying two trunks and two suitcases.

The local operator told newspaper men they told the sheriff and subpoenas were served on Hill and Mrs. Hanford just as they were ready to board a train.

Mated by Chance.
The pair told the grand jury they had been childhood sweethearts in the colony, but when the time came to marry, the elders of the Purnell church told them their love was only the forbidden lust of the flesh. Hill's name was placed in a hat at one of the group marriage lotteries, and was drawn by Cletia Ward, a 15 year old girl, sixteen years ago.

Hill, renouncing his own desires, married Cletia, while Lillian married Hanford, old enough to be her father. In 1913, Mrs. Hill left the colony, Hill said, and the same year obtained a divorce from him. He testified that before her departure she had told him that "King" Benjamin had had improper relations with her prior to their marriage.

Six years ago Hill's mother died, despite Purnell's claim that his followers would live forever if they kept faith.

The testimony of gross immorality on the part of Benjamin, presented at Grand Rapids in a civil suit last month, was the last straw, according to Hill and Mrs. Hanford. They decided to quit the colony, let Hanford obtain a divorce and then marry.

The frequent reference to the followers of Purnell as "Israelites" has caused some people to believe the members of the cult were Jews, it was discovered today when leading Jews protested against the idea.

There are no Jews in the House of David. The official name of the organization, however, is the "Israelite House of David."

Purnell who calls himself the "seventh messenger angel," the "son of man," and "the younger brother of Jesus Christ," teaches his converts that they are to inherit the legacy of the 12 lost tribes of Israel and in accordance with St. John's prophecy in the Book of Revelations, that they will inherit the earth and live forever. The name "Israelite" comes from that teaching.

Farmers' Condition**
RYE, N. Y., April 26 (AP)—Plans to bring bankers, farmers and educators closer together to stimulate and improve agricultural conditions throughout the country were outlined to the executive council of the American Bankers' association today by D. H. Otis, director of its agricultural commission.

A banker-farmer conference in each of the federal reserve districts is being considered for the near future, he said.

Solid-Hoofed Hogs.
There are exceptional hogs with this peculiarity of a solid hoof. The Riverside Natural History station of the pig has been frequently recorded from the time of Aristotle downward, which conspires in the coalescence of the last joint and the hoofs of the middle toes, a single solid hoof resulting. Such solid-hoofed pigs breed singularly true. Dr. Cones met with a breed in Texas which exemplified this in a marked degree, so much so as to indicate that it would not be difficult to form a race of solid-hoofed pigs, just as we have races of the domestic fowl with deformed skulls. Their flesh is as good to eat as that of the ordinary hog.

SOUTHERN VETERANS HAVE NEW LEADER

MR. W. McDONALD LEE has been elected commander-in-chief of the United Confederate Veterans, at their convention in New Orleans.

A colored parson, calling upon one of his flock, found the object of his visit out in the back yard working among his hen coops. He noticed with surprise that there were no chickens.

"Why, Brudder Brown," he asked, "whar'r all yo' chickens?" "Huh," grunted Brother Brown without looking up, "some fool nigger let 'em open an' dey all went home."—"Drew's Imprint."

"Have you saved up anything for a rainy day?" "Yes," replied Miss Cayenne. "A pair of silk stockings."

A GOOD SCOTCH STORY.
A Scotchman was strolling through the market place in Glasgow one day and close to his heels followed his collier. Attracted by a fine display of shell and other fish, the Scot stopped to admire, perhaps to purchase. The dog stood by, gently wagging his tail, while its master engaged the fishmonger in conversation.

Unfortunately for the beastie its tail dropped for a moment over a big basketful of fine, live lobsters. Instantly one of the largest lotterers snatched its claws on the tail, and the surprised collier dashed off through the market, yelping with pain, while the lobster hung on grimly, though dashed violently from side to side. The fishmonger for a moment was speechless with indignation; then, turning to his prospective customer, he bawled:

"Mon, Mon! whist! to yer dog; whist! to yer dog!"

"Hoots, mon," returned the other complacently, "whist! to yer lobster!" —New York World.

BUY STAMPS AND SAVE MONEY

The fact that revenue stamps must be attached to the stubs of stock certificates has just been brought to the attention of Twin Falls business men, in some cases in a manner which will serve to drive home the lesson in excellent shape.

Promissory notes must, of course, bear revenue stamps. The fact that such instruments are in common use makes the stamp requirements easy to remember but in the case of stock certificates there is a difference.

There should be no fault found with the law in the case; as a means of collecting revenue it is a good deal better proposition than the stamp requirement with respect to checks.

Responsibility in the matter of the stamps on stock runs to the issuing company, not to the individual to whom the stock is issued. Recollection of this fact may be the means of saving a good many fines in years to come.

THE HOUSE OF DAVID

It is a fact to be regretted that religion so frequently constitutes the guise in which the most reprehensible acts are clothed for presentation to the unwary by scoundrels of various kinds.

From time immemorial strange sects have arisen among men and apparently no matter how wild the theories, how foolish the practice and how criminal the teachings a following can always be obtained.

Human beings by nature are prone to follow after strange gods.

An institution known as the House of David flourishes for years in Michigan with results which can better be imagined than described, while at the same time honorable and honest men by the thousands are laboring in the various church organizations of the country intent upon the salvation of humanity, actuated by the highest motives, content to take their pay principally in the consciousness of great and useful work well performed.

There are empty pews in most churches at times, perhaps most of the time, in which all mankind is welcome. But there is apparently no way of protecting man against himself when the urge toward the spiritual is used as the bait with which to lure him from the path of common sense in matters religious.

THE END

Subsidence of the continents beneath the seas and the drowning of the races is the latest scientific guess as to the end of the world—some 25,000,000 years hence. For this last, much thanks.

There still remains to man plenty of time in which to enjoy himself and to get something out of life. In the meantime, he will doubtless be treated to many variations of theory as to the end-all. Only a few weeks ago scientists solemnly gave warning of an ending by drought, with seas receding and land becoming too arid and torrid for existence.

Between being dried out and being drowned there may not be much choice, but there is wide range of difference. In between there is room for innumerable variations, and beyond there is room for even wilder fancies and guesses. It seems that scientific alarmists cannot long remain silent on this subject. Very often prophets rise up to forecast the end. Many have been so rash as to cast their disaster for an early date, and accordingly have been discredited by failure.

Later prophets have generally adopted the safer rule of fixing the end-all at some remote time. Now that this warning has been issued, the world public may get set for the next guess, which will not be long in coming if scientific alarmists keep up their prophetic gait.

And the Last is the Greatest

Five great intellectual professions have hitherto existed in every civilized nation; to teach it; the physician's, to keep it in health; the lawyer's, to enforce justice; and the merchant's, to provide, and all these men, on due occasion, to die for it—John Ruskin.

EFFECT OF PLANS ON BIG ROAD PROJECT

Money Toward Surfacing State Highway Made Available by Day's Conference of the District Boards

The way for the immediate construction of a highway project that is regarded as one of tremendous value to Twin Falls and surrounding district was opened Saturday when a final settlement between the Twin Falls and Murtaugh highway districts was reached and funds made available toward the graveling of the highway between Murtaugh eastward beyond the Cassin county line.

As a result of the settlement, warrants in the sum of \$30,000 will be released to the Murtaugh district as a basis on which to begin negotiations toward the completion of the project which is being negotiated between the highway districts and the government. The cost of the project is based on the preliminary estimate of \$110,000. The proportionate expense falling on the Twin Falls district is estimated at \$6500, the greater part of the highway to be gravelled being in the Murtaugh and Burley districts.

The Burley district has assured its cooperation in the matter and has not asked funds to meet its share of the cost.

Government money is now available for this purpose and it is not expected that any difficulty will be met in securing the money which is regarded only as a matter of detail, to secure the appropriation of the government's share of the expense. The road estimate of the highway is regarded as completed and bids will be let as soon as the contract can be drawn up and arrangements made with the government.

The project was gone over thoroughly Saturday when conferences were held at the Perrine hotel and at the Twin Falls Chamber of Commerce rooms between the highway board members, the roads bureau of the chamber of commerce, H. W. Gregory and A. N. Ashline of the state highway department, and local business men.

The completion of the project means that the Old Oregon Trail will have a continuously hard surface across the state to the highway board members, the roads bureau of the chamber of commerce and the completion of final negotiations represents realization from a considerable amount of time and effort of the road builders.

TRADEMARK CATTLE NAME

"Elmore" is the trademark name that has been reserved exclusively for the use of E. W. Riemann of Hazelton as a prefix to the regular registration name of all purchased Holsteins raised by him, according to a statement by the Holstein-Friesian association of America.

All registered animals have a name and number and the name usually indicates the ancestral blood lines. The prefix trademark is used as a further means of identifying the animal by indicating the farm on which it was raised.

GROWERS WILL ORGANIZE

Preventative Medicine

The tendency of medical science to toward preventative measures. It is easier and better to prevent than to cure. Pneumonia, one of the most dangerous diseases that medical men have to contend with, often follows a cold or attack of the grip. The cold prepares the system for the reception and development of the pneumonia germ. The danger of pneumonia lies in the danger. Take Chamberlain's Cough Remedy as soon as the first indication of a cold appears so as to get rid of it at the very start. It is better to risk an attack of pneumonia when this remedy may be obtained for a trifling sum.

COMMISSIONERS SKEPTICAL OF ELECTION TALLY

City Administration Delays Issuance of Certificates at In- stance of Candidate Defeat- ed on Face of Returns

Actuated by reports that some doubt existed as to the correctness of the number of votes accredited to the candidates in the election for city commissioners Tuesday, the city commissioners at a meeting held at the city hall until 10 o'clock Friday morning to check over the results of the second election.

A desire for more time in which to canvass the vote was given as the grounds for calling the adjourned meeting Friday.

The action was taken on the motion of Commissioner J. E. Roberts, one of the candidates in the election, and who was defeated for reelection, according to the unofficial returns. Some doubt existed as to the correctness of the number of votes given to the various candidates, and in fairness, to all concerned I don't know but what it would be well to adjourn. I understand there is some doubt about the vote given the defeated candidates, and, according to some, there are some 90 votes in question. In answer to an inquiry by the mayor, Commissioner J. E. Roberts said that he and J. E. Roberts signified that they had heard reports on the streets that unofficial returns were not correct.

Grant Oil Permits.

The Independent Gas and Oil company was granted a permit to erect its oil tanks on lot at Third avenue south and Fourth street, following a rather heated discussion. Commissioner A. J. maintained his former position on the subject, stating that the tanks should be forced further from the center of the city and that the city should be the one to determine the location of the tanks.

Discusses Budget System.

The budget system under the commission form of government was made the basis of a lengthy discussion in which Mayor Tucker explained at some length his conception of the system and the manner in which it should be carried out. The question of charging the sum of \$1500 from the sprinkling fund against the street fund for sprinkling the street in the city of Twin Falls, Krivanek, street superintendent, mentioned that about \$1000 which should come under the water works fund has been charged against the street fund during the past year for irrigation of acreages within the city limits on which the regular water maintenance charges were not paid. No decision was reached in the matter and it was carried over to the special meeting Monday night.

City Clerk J. L. Mee read a letter from the Childs Bank and Mortgage company of Boise, requesting further information concerning the city's tax levy before making a definite proposition in regard to the legality of issue, since by the city of \$65,000 in bonds with which to refund outstanding warrants. Mr. Mee was instructed to take the matter up with S. D. Davis, city attorney, to obtain his opinion.

INJURED IN FALL.

Perry Thompson, local contractor, was the victim of a painful accident when he slipped and fell into an elevator shaft at the Boise Commission company warehouse on Monday. He was able to be out Thursday for the first time since the accident.

Urge Organization of Berry Growers

Profits of Side-Line Crop Brings Farmers Together on County Association

The nucleus of a county association of berry growers was formed Thursday night when a group of farmers interested in advancing the industry in this county gathered at the office of R. E. Brossard, county farm agent, and appointed a committee to assist Mr. Brossard in the work of organization.

The committee members are W. D. Averitt, C. E. Henderson and J. W. Waters. The primary purpose of the committee will be to come as far as possible the general sense of the farmers toward an association of berry growers and to be in charge of such meetings as may be arranged in the interests of the proposed organization.

Mr. Brossard expects to sound out the opinion throughout the county in a preliminary way. If conditions warrant he will arrange for meetings in the near future at several points.

The general opinion prevailing among the farmers present Thursday night was that the opportunity for the farmers of this section to realize greater profits by growing a few berries in addition to their regular crops and that an association is the best means of getting the best results for the growers.

Due to the lateness of the season the committee does not expect to complete its working organization before next fall but in the meantime the members and Mr. Brossard will go ahead with their work and confer from time to time in the interests of the organization.

Home Talent Play Is Comedy Success

"Safety First," Given by Baptist Young People, Keeps Audience in Laughter

The management of "Safety First," the home talent play presented at the Baptist church, made good the guarantee as to the effectiveness of the comedy and the large audience which was present for the play. The play was a comedy of the attraction during the three acts.

Admirable acting, made possible by the excellent costumes, was a story packed with humorous complications, made the play one of the most successful of its kind presented this season.

The parts were all well taken and they showed a sincere interpretation of the various characters in the story. The play was a comedy of the attraction during the three acts.

The cast of the play was as follows: Jack Montgomery, a young husband; Jerry Arnold—a success; Roy Woyner—Mr. McHenry; William Jackson—Mr. McNulty; a detective; Cranel Tolliver—Blair Planchet—awfully shaming; Lynn Dean—Abou Ben Mecha—the terrible Turk; Albert Hainsman—Mahel Montgomery—the wife; Bill G. Croddy—Virginia Bridger—her young sister; Veronaa Murray—Mrs. Harrington Bridger—Monna; Mrs. Lynn Dean—Zuleika—a tender Turkish maiden; Helen Keniston—Mary Ann O'Flinnerty—an Irish cook; Lloyd—Ogreton Murray.

AUTHORIZE PAYMENT OF BALANCE DUE ON AUDIT

Remaining sum of \$280 to be Paid John Wolfenden; Fees New Administration Would Not Pay

On request of John Wolfenden the city commission at its adjourned meeting Thursday night ordered the payment of the \$280 balance due Mr. Wolfenden for his services as auditor for the past year for making the much discussed five-year city audit.

Mr. Wolfenden requested immediate action by the commission in view of the fact, he said, that he was unable to take the matter up with the city attorney, to obtain his opinion.

OREGON HIGHWAY IS GIVEN BOOST

Business Men From Surrounding Towns Unite to Aid Trail Association

Enthusiasm of the kind that signifies progressiveness and a determination to put the Old Oregon Trail on the map with the tourists of the country was in evidence at a meeting in the chamber of commerce rooms Thursday of delegates from Hagerman, Twin Falls, Murgh, Piler, Hild and Burley.

"There is no doubt but what tourist travel is going to increase a great deal this year," said Walter Mechum of Baker, Oregon, president of the trail association. "The people of the northwestern part of the state have been looking for a continuous strip of gravelled surface in Idaho and Oregon, being 1100 miles in length, of which no other two states can boast."

Last year we were somewhat handicapped by road work which was under way at the time the project was completed and the completion of the project recently agreed upon here in Twin Falls will mean much toward increased tourist travel. Tourists have already been over the trail and they have expressed themselves as being highly pleased with the trail route."

JUNIOR REGISTRATIONS SHOW GAIN IN MEMBERS

Registration on Thursday for the junior citizens' city election to be held during May 3 to 6, reached a total of 250 with several scores of the junior voters expected to be added to the list before the end of the week, according to Mrs. E. M. McHenry, in charge of the work, who is being supervised by the community service department of the Twentieth Century club.

In view of the fact that a number of voters could not arrange to register Thursday the time has been extended until Saturday, Mrs. Wolfe stated. Registration books will be open at the high school the remainder of the week and registrations must be sent to Mrs. Wolfe or to Donald McLean of the same council.

The registration this year shows a gain of about 100 over the total registration last year, indicating that both the Boy Scouts and the Camp Fire Girls have made considerable gains in the past year.

The successful candidates will take over the duties of the city and they will be supervised and aided in the discharge of their "official" duties by the members of the women's club.

Personal

MAKING EURE.

O'Reilly was a heepped husband, unfortunately when Mrs. O'Reilly has been called to the great beyond. He refused to have anything to do with the funeral or go to the cemetery. All of the arrangements were looked after by neighbors. When they had straightened up the house they got O'Reilly to consent to come in and look over the funeral pieces, O'Reilly nodded and mumbled, "If yez don't mind, yez might close thim 'Gates Ajar.'—Everybody."

Urges Treatment of Seed Potatoes

Faculty Member of Idaho Technical Institute Gives Hints on Planting

Care in selecting and treating seed potatoes may mean the difference between a good yield of clean, marketable potatoes and a low yield of diseased ones or the difference between profit or loss on the crop, according to H. R. Poultny, head of the agriculture department at the Idaho Technical Institute.

"Potatoes badly infected with deep pitted blight spots should be thrown out as the disease is not likely to be killed by the treatment. The ends should be cut off from several bunches of the blighted spots and if these potatoes infected should be carefully sorted out and not planted, as they will carry the disease into the ground."

"To treat seed potatoes before planting dissolve four ounces of corrosive sublimate in hot water in an earthenware vessel. Add this to thirty gallons of water. Potatoes should be left in this solution for 30 minutes. One ounce of the mercuric chloride should be added for each 500 pounds of seed treated, keeping the volume of water constant. Corrosive sublimate is very poisonous."

"This treatment will not prevent disease already in the soil or diseases of the tuber, but it will allow the treated seed to become infested with disease of course make the treatment useless."

Society

Mrs. Thomas Robertson and Mrs. Stuart Taylor, Sr., entertained the Episcopal Guild Thursday afternoon at the home of the former. A short business session was held with the president, Mrs. C. S. Higgins, who also led the devotions, presiding. Two papers were read, one by Mrs. E. B. Williams on the subject of "The Church and the World," and the other by Bishop Tuttle as bishop of Idaho and Wyoming, and a most entertaining sketch by Mrs. M. H. Ince on the subject of "The Church and the World." Mrs. C. S. Higgins extended an invitation to the guild to attend a conference and tea at the home of Mrs. M. H. Ince, Friday afternoon in honor of Mrs. C. S. Green, a valued member of the society, who is leaving Twin Falls. During the hour of devotion, which was led by Mrs. W. T. Trowbridge, Mrs. A. Harrison and Mrs. George Sprague, served daily refreshments. There was a large attendance.

The Presbyterian Missionary society met in the parlors of the church Thursday afternoon. Devotions were led by Mrs. T. T. Trowbridge, who also read a paper on "The Church and the World." Mrs. C. S. Harrison and Mrs. George Sprague, served daily refreshments. There was a large attendance.

The regular meeting of the Foreign Missionary society of the Methodist church was held in the church parlors Thursday afternoon. The usual business was transacted, after which the program for the day was given, a subject being from the study book and entitled "Building with India," with Mrs. Marshall Brown as leader, who in her able manner gave a most vivid and unusually entertaining presentation of the topic under consideration. Mrs. J. M. Wall was hostess and was assisted by Mrs. C. E. Davis, Mrs. E. E. Crull, Mrs. T. Haines, Mrs. Fred Grive, Mrs. Richard Baggis and Miss Rita Riley, who served refreshments during the social hour.

Mrs. G. G. Marquardt entertained two tables of players at Mah Jongg Thursday afternoon. The prize for high score was won by Mrs. Gled Miller. After the game daily refreshments were served.

Mrs. Mentch was hostess to the Addison Avenue Social club Wednesday afternoon. Roll call was responded to

Mrs. H. C. Parsons and Mrs. Charles Bruggman favored the club with two splendid musical numbers, after which the hostess served a delicious luncheon.

The board of directors of the Twentieth Century club met Wednesday afternoon at the home of Mrs. W. E. Pike. The following officers for the ensuing year were elected: President, Mrs. W. E. Pike; secretary, Mrs. M. H. Ince; treasurer, Mrs. James Fitzgerald.

Mrs. D. E. Reese's pupils of the junior high school department entertained their parents and friends at a delightful social at the home of Mr. and Mrs. Henry Mahken, 530 Third avenue north on Wednesday evening. Mrs. J. B. White assisted by singing the following beautiful songs: "Romance" from Mignon, by Thomas, and "In May Time" by Oley Snake. Pupils taking part were Mabel Hume, Marie Anderson, Frank McAttee, Fern Hall, Mildred Mahken, Nancy Kelley, Julia Sweet, Beth Sells, Plummer Jacky, Helen Jacky, Edna Markey, Madeline Pickett, Hazel Grimes, Elma Bowberry and Althea Pierce. This was the third of a series of socials given by Mrs. Hogan's students.

On Wednesday afternoon Mrs. M. J. Lee assisted by Mrs. C. W. Lindsay and Mrs. S. S. S. club. The new president, Mrs. C. S. Higgins, presided at the business session, during which the club voted to co-operate more fully with the Rural Federation. A paper written by Mrs. C. E. Wright of Kimberly entitled "Why Club Women Sponsor Garden Work" was read by Mrs. W. E. Pike. A debate on the question, "Resolved, that the modern farmer's wife should spend more time in the kitchen and less time in the garden," was provocative of much amusement, and the decision was unanimously awarded to the negative side. During the social hour the hostess, Mrs. W. E. Pike, served a delicious luncheon.

An enjoyable after-theater party honoring Miss Anne Brynman and E. Forest Taylor and their company, was given at the home of Mr. and Mrs. H. E. Subin Wednesday evening, following the play, "The Haves." Other guests were Mr. and Mrs. J. E. Madsen and Mr. and Mrs. J. W. Tritt.

Preferred the Cash.

Youngsters that come in contact with the public become most worldly wise. Johnny Shined shoes and knew the ways of the world from intimate, and sometimes bitter experience. One day a prosperous-looking old gentleman stepped up into the shine stand. He eyed Johnny with friendly interest. "Young man, you look like a bright, intelligent young fellow," he remarked. Johnny looked up at him unimpressed. "Say, mister," he retorted, "I've had that line pulled on me before. What I want to know before we go any further is this a cash shoe or what? I get through will you put me on the band and tell me I'll be governor some day."—Kansas City Star.

The Silver Penny.

Honor is due the penny for its antiquity. The first emperor of the Franks used the silver penny of his coinage the penny of which 240 were coined from one pound of silver. The silver penny was the first silver coin struck in England. At first it was made with a cross cut in so deeply that it could easily be broken in halves (halfpenny) and was worth only half a penny. At one time there was a gold penny in England. It was introduced by Henry III, and was worth 20 silver pennies.

HOLDS UP PASSENGER SHIP.

NEW YORK, April 26 (AP)—Activities of the striking I. W. W. marine transport workers delayed departure for a short time today of the coastwise steamship Henry R. Mallory, with 150

passengers for Key West and Galveston. Harbor conditions otherwise were reported normal.

Union officials said the strike had gained strength but steamship officials belittled their claims to traffic interruption.

Officials of the International Seamen's union said they would not advise a general strike on May 1 if the union's demands for wage increases of about \$15 a month over the prevailing shipping board rates were not met. Members would be told of seek employment elsewhere, it was said.
