WISHARD NAMED MODERATOR BY PRESBYTERIANS

President of Wooster College is Chosen Over W. J. Bryan by General Assembly on the Third Ballot

INDIANAPOLIS, May 17 (AP)—Dr. Charles F. Wishard, president of Wooster college, Ohio, today was elected moderator of the general assembly of the Presbyterian church, defeating William Jennings Bryan on the third ballot.

The commoner had led a field of four on the first ballot and of three on the second when he came within 18 votes of election, but after all other candidates had withdrawn he went forward ahead, winning by 421 to 427, with 430 votes needed to elect.

Friends of Dr. Wishard based their campaign on the claim that an ordained minister was needed to direct the highly specialized work of the church and on Mr. Bryan's views on the theory of evolution, holding that his position as a leader of the evolutionists would not be conducive to unity.

Bryan is Believers. The three times democratic nominee for president declined to discuss his defeat. He sunned himself on a balcony during the two-hour fight.

Dr. Calvin C. Hayes, retiring moderator, opened the 125th anniversary of the church this morning with the annual sermon, after the delegates had partaken of communion. Approximately 900 were in attendance.

Will H. Hays, president of the Motion Picture Producers and Distributors of America, and former republican national committee chairman, launched a campaign tonight for \$15,000,000 addition to the endowment fund for aged ministers in an address before the first "popular meeting" of the assembly.

Mr. Hays, who is an elder of the church at Sullivan, Ind., is attending the assembly as a member of the Indiana delegation. He compared the national committee chairman to many classes of common labor and showed the average salary of a pastor of the church is less than that of an alien ditch digger.

Committees Named. Following the election of Dr. Wishard, standing and special committees were appointed and the assembly adjourned until tomorrow.

The actual business will open tomorrow, part of the morning session to be devoted to the centennial jubilee of Presbyterianism in the United States. The Rev. Louis S. Mudge, the stated clerk, will report tomorrow afternoon on the referendum vote on overtures set down to the presbytery by the general assembly at Des Moines last year and also present the annual necrology showing the death of 197 ministers during the year.

LAST AMERICAN CONSUL QUITS SOVIET TERRITORY

WASHINGTON, May 17 (AP)—The state department was advised today that American Consul Tuck at Vladivostok and other members of the consular staff left that city yesterday for Tokyo, thus completing the withdrawal of American consular representatives from the territories of soviet Russia.

The consul and his assistants withdrew under the provisions of the soviet officials applying generally to foreign consuls at Vladivostok and which were found impossible of acceptance on the part of the United States.

HARDINGS AT HORSE SHOW

WASHINGTON, May 17 (AP)—President and Mrs. Harding, accompanied by five horses, today attended the annual spring meeting of the National Capital Horse show. Mr. Harding personally presented "The Hunter's Cup" to the winner of the hunter's class. Returning from the show, President and Mrs. Harding passed former president and Mrs. Wilson who were present for their afternoon ride. The couple, however, had passed before either party recognized the other.

BREIGHAM YOUNG HOUSE TO FALL

SALT LAKE, May 17 (AP)—A quaint old farm house on the outskirts of the town, built in 1861 by the Mormon leader, Brigham Young, is to be torn down. It was on this farm that the first sugar beets were grown in Utah, which industry later became one of the most important in the history of the state.

Lumbago.

This is a rheumatism in the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. P. J. Denn, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."—adv.

CALDWELL LOSES TO TWIN FALLS IN TITLE TILT

Bruitns Win State Interscholastic Championship with 10 to 4 Victory in Crucial Game of Series

Twin Falls high school baseball team won the state interscholastic baseball championship Thursday afternoon at Lincoln field when it won a hard fought game from Caldwell 10 to 4, making it two in a row of the three-game series.

Making 8 hits for a total of 15 bases after two men were out in the fourth inning, and scoring 7 runs, Twin Falls took a 7-run lead which proved to be enough to clinch the championship.

Caldwell's inability to hit Hodgkin in the pinches proved its undoing, no less than 16 men being left stranded on the paths.

Hodgkin Stops Scoring. Laval Jarman, pitching ace of the local team, took the mound, but for the first time in his career he was jerked in the first inning with no runs scored.

The hitting of John Nye for the Twin Falls team featured, the southpaw right fielder getting a homer, a triple and a single out of four trips to the plate.

Caldwell Fielders Strong. Fielding features go to the Caldwell side, who completely outplayed the home team in the field.

men fell victims of Hodgkin's hook ball, and the scoring for the visitors' first attempt was over.

Twin Falls started as though it was going to tie things up in its first round, when Cron walked and Laval Jarman singled to center, Jerry Jarman fanned, but Mussel—sent a sizzler to left and the fans showed signs of life, but it was short lived as Atkinson and Hammond were easy outs.

Home Team Scores Two. The second inning closed in two markers for the home team and the score was tied.

Kim, Caldwell's second baseman, floated one over the fence in the third inning, putting his team ahead for a few minutes, but only for a few minutes, as Twin evened things in its half of the inning.

Twin Falls' Big Inning. The big inning of the game was the TREAT FOR BILLIARD FANS Snook and Logan, Epler and Goldwater Matched for Games with Bailey Drawing Eye

Billiard fans will be treated to some real billiards this evening, when the final round of the double elimination three cushion billiard tournament at Moseley's billiard parlor goes under way.

In the opening game of the evening, the one and only Snook will take on "Sure Shot" Logan.

"Hokey Mountain Eagle" Epler is the favorite in this game, although some contend that the game will be nip and tuck, with honors about evenly divided.

Water has a slight advantage as he has two games to lose before being eliminated, while the Eagle has but one chance left to hold the fort.

The first game tonight starts at 7:30.

fourth when Twin Falls scored seven runs on eight hits, after two men were out. Selek opened his frame by 'slinging' out to Jensen.

Caldwell scored its last run in the second one, but it was lucky to get away.

TODAY'S GAME TO CLOSE BRUITS' BASEBALL SEASON

Twin Falls and Caldwell will play their final game this afternoon, the game ending the Twin Falls high school baseball season.

Coach Evans will put Laval Jarman back in the box, while Coach Berry of the visiting team will give Earwood another chance to beat the blue and white athletes.

The game will start at 3:30 and this will be the last chance the fans will have to see the state baseball champions of 1923 in action.

hits and one error, while Twin Falls made 15 hits and 6 errors. There is not enough difference between these figures to warrant a six-run difference in the score.

Sixteen Caldwell players were left stranded on the bases during the game.

LARGEST CLASS OF GRADUATES GIVEN DIPLOMAS

State Education Commissioner Gives Timely Advice to the Young Men and Women Leaving High School

"Some of you may find your way to the front door of some of the modern colleges or universities, but be sure you do not go to the back door to soon after you enter. Make good use of your time in college, the principal thing is education, not pleasure."

With this advice, Dr. Enoch A. Bryan, state commissioner of education, closed his address to the graduating class of the Twin Falls high school at the commencement program at the Orpheum theater Thursday night.

Diplomas were presented to the members of the record-sized class by K. S. Peters, vice chairman of the Twin Falls school board, following a brief address by Superintendent M. C. Mitchell. The program was opened by music by the high school orchestra and an invocation by the Rev. W. H. Tolliver, pastor of the Baptist church, followed by a group of songs by Mrs. G. P. Duvall and the choir.

Mr. Tolliver closed the program with a benediction. Speaking on the subject, "The Modern University," Dr. Bryan delivered a most comprehensive and interesting address in which he traced education from its beginning to the present time and compared ancient institutions of learning with the modern colleges and universities.

College education is of benefit to many, but probably not to all who enter, but the present day school is of undoubted value to the community, he said. His contrast of the medieval and modern schools was very interesting, and he drew forth much amusement in his conception of what the impressions of an ancient student might be in visiting one of the modern universities. He said:

"Instead of the sallow-complexioned students of his time at our fine educational institutions where the glow of health was revealed in the faces of the students. He would doubtless be startled at the modern student who would view the display of silk hosiery, the ankles and the size and development of the hand, which, if measured by cubic content—not by solid content, however, would indicate a vast knowledge. He would not understand conversation which included such expressions as 'frigs,' 'sore ribs' and 'dotes.'"

"But when he became better acquainted with the modern educational institution he would be not deceived with the surface life. That life is not the ideal of college and the appearance is deceiving."

Dr. Bryan in the latter part of his address, outlined the changes that have taken place in college training in our country among other things the difference in entrance requirements of today as compared to those of years ago. The changes in the methods and curricula of higher schools of this country, he said, began immediately after the Civil war. In closing he urged the graduates not to select a college merely for its large enrollment or magnificent buildings.

Honor Students.
Students who have attended the Twin Falls high school for at least three years, named in the order of their rank, beginning with the student receiving highest grade average during their high school course, are:

Una Stafford, Emma Wagner, Berneise Welner, Elizabeth Romes, Dorothy Ebelsten, Walter Sparks, Alice Delini, John McMartin, George Wirsching, Margaret Dunlap, Moroni Jameson, Augusta Harce, Ruth Youngs, Constance Hill, Doree O'Neal, Emma Silvers.

Society

Edited by Mrs. E. B. Williams, Telephone 392.

Mr. and Mrs. O. P. Duvall were hosts at dinner Wednesday evening in the private dining room at the Hotel Rogerson. A color scheme of lavender and pink was used in all of the decorative details and covers were laid for Mr. and Mrs. G. E. Wright and Mrs. Wright's mother, Mrs. E. C. Rich of Ogden, Utah; Mr. and Mrs. Zenas Smith and Mr. and Mrs. John W. D. Smith. Following dinner the evening was spent at the dancing party given by Messias and Messrs. Pink, Graves, Peck and Johnson.

Mr. and Mrs. Meritt Bentley entertained at dinner also before the dancing party for Mr. and Mrs. Cleed Miller and Miss Beatrice Ostrander.

A miscellaneous shower was given Monday evening at the home of Misses Nellie and Mabel Care in honor of Miss Dove Kuhns, who is to be married in June. A color scheme of pink and white was carried out in the decorations and the bride-to-be received many beautiful gifts. After a pleasant social evening dainty refreshments were served. Those present were Mrs. Emma Kuhns, Mrs. Helen Norton, Mrs. Rose Stevens, Mrs. Marshall Browne and the Misses Dove Kuhns, Bessie and Alice Carlson, Alice Perrine, Thelma Washburn, Elsie Parley, Bertha Bishop, Mary Barnes, Martha Lecky, Mary Wright, Eunice Ling, Doris Burns, Ina Parker, Agnes Herron, Mildred Eldrod, Marie Elyland, Hazel Mahaffey, Rose Wolfe, Leatrina Drake, Vera Jameson, Grace Bernard, Hazel Pomeroy and Nellie and Mabel Care.

Mrs. Wendell Allen entertained at bridge Thursday afternoon complimentary to Mrs. E. C. Rich of Ogden. Three tables of players enjoyed the game. Favor for high score was won by Mrs. Clarence Bentley and the consolation by Mrs. E. J. Ostrander. Following the game a two-course luncheon was served.

Mrs. Phil Herriman entertained at dinner Wednesday evening for Mrs. Cora Patton and children. Later about 25 of the Royal Neighbors came in and surprised Mrs. Patton with a shower of lovely handkerchiefs. The evening was spent with games and music and at a late hour dainty refreshments were served. Mrs. Patton and children will leave soon for Wilmington, Cal., where Mr. Patton has been located for some time.

Mrs. Lloyd Patrick was hostess to the members of the Optimist club Wednesday afternoon. Mrs. L. C. Cress and Mrs. James Deany each gave interesting papers on "Children and Their Training." The regular order of business was transacted after which in social hour was enjoyed and delicious refreshments were served. Mrs. F. H. Masters was a guest and 12 members were in attendance.

The drama and literature department of the Twentieth Century club met at Justusano Jan Wednesday with Mrs. C. P. Dwight, who is chairman of the department for the coming year. The time was spent outlining and perfecting

plans for a busy and profitable year's work.

The Baptist Ladies' Aid met at the bungalow Thursday afternoon. The regular business session was held with the president, Mrs. S. Watkins, presiding. Little Bernice Otteman played a piano solo which was greatly enjoyed. The remainder of the time was devoted to needlework and dainty refreshments were served by the hostesses, Mrs. William Warburg, Mrs. C. E. Sweet, Mrs. Otteman and Mrs. C. E. Edwards.

Mrs. W. O. Taylor was hostess to the Episcopal Guild Thursday afternoon at her home on Eighth avenue north. There was a short business session during which further plans were made for the bazaar to be held in the fall and committee appointed. Mrs. W. Dr. Chapman gave a splendid paper on "Jonah." A social hour followed and dainty refreshments were served from a most attractive table having for a centerpiece a large bowl of lilies of the valley with silver candlesticks at either end of the table holding white candles. Mrs. Higgins presided at the tea service. Mrs. Taylor was assisted in serving by her daughter, Miss Suzanne. Mrs. Emmett Graham, formerly a resident of this city but now living at Idaho Falls, was a guest.

Whooping Cough.
This is a very dangerous disease, particularly to children under five years of age, but when no paregoric, codeine or other opiate is given, is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from this disease when this remedy is given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and pleasant to take.—adv.

RAILROAD PLAN ENDANGERED BY SLOW RESPONSE

Committee Chairman J. W. Graham Appeals for Immediate Increase in Cash Contributions in Big Drive

With only \$18,000 estimated as the amount raised to date in the financial drive on behalf of the Rogerson-Wells railroad, local residents must respond immediately if this drive is to be a success and the certificate of necessity and right of way purchased, according to the consensus of opinion at the meeting of the railroad committee Thursday night at the Rogerson hotel.

As a result of the conclusions reached at the meeting James W. Graham, chairman, and his assistants will start on Friday morning on an intensive campaign with the view of bringing the drive to a successful conclusion in the next few days.

"The railroad committee has collected only \$18,000 to date," said Mr. Graham. "We must raise \$25,000 in cash by Saturday night—those who have not contributed must do so if we are to get the railroad south."

"It seems that the people do not fully realize the importance of this acquisition, and do not get the danger we are in of not getting the railroad. You must not leave it to George to do it. Come in and make your contributions and feel that you have done your share."

"Those who have heretofore given notes as a bonus for the construction of this railroad south and better get busy, because those notes will not be returned unless this certificate is gotten out of the way, and to purchase that certificate it takes \$25,000 in cash, to be raised by Saturday night. Make a donation at once and your note will be returned."

SALMON DIRECTOR BOARD SETS SPECIAL MEETING

Will Consider Water Allotment on Monday Night, Crop Prospects in District Reported Favorable

Matters concerning the Salmon river irrigation district were discussed at the meeting of directors Thursday night in the Twin Falls Chamber of Commerce rooms, an official action being taken on account of the lack of a quorum. G. M. Hall, chairman, and two other members of the board were present. The directors adjourned until Monday night when a meeting will be held to consider action on official matters including the allotment of water and the time for delivering. The first water delivery will probably be made next week.

Crop prospects on the Salmon are very favorable this year and the recent rains have been welcome although the extra water supply this year will not be as ample as that of last year or the year before, according to Mr. Hall.

JURY ACQUITS DEFENDANT

Floyd Fowler Found Not Guilty on Statutory Charge. Testimony Begins in E. J. Murray Liquor Case

Floyd Fowler, who was arrested last winter in a rooming house, was found not guilty of a statutory charge in district court Thursday.

Mrs. Billie Eliason, who was arrested with Fowler, and tried on the same charge, was found guilty at the last term of court, and fined \$100. Attorney Charles A. North, of Hodgkin, Stephens & North, defended Fowler and Mrs. Eliason.

The trial of E. J. Murray on a liquor charge began Thursday afternoon.

PROGRESS MADE ON BIG PROJECT

District Directors Tackle First Steps in the Lengthy Legal Procedure

With the contract between the government and the American Falls irrigation district regarded as satisfactory by both parties concerned the district is awaiting the signature of the secretary of the interior to the contract and the next step in the procedure toward the construction of the big dam will be the application of the \$1,000,000 government appropriation toward the purchase of the right of way, according to W. F. Alworth, secretary of the board of directors. Word from the secretary of the interior is expected within 10 days.

Mr. Alworth returned Thursday after attending the sessions of the directors of the board of directors, and among others at American Falls. Approximately 100 representative men from southern Idaho and a few from northern Utah were present and among the visiting officials were Assistant Secretary of the Interior D. W. Davis, former governor of Idaho, and Director of Reclamation A. P. Davis.

The government appropriation will cover only a part of the total expense in connection with the right of way, the total cost of this part of the big project being estimated at \$1,000,000, the remainder of the \$1,000,000 estimated total cost being devoted to construction. The cost of purchasing Indian lands for the right of way is estimated at between \$500,000 and \$750,000.

After negotiations are begun on the purchase of the lands to be flooded the district will take the first steps in a large amount of legal procedure connected with the land issue and the bonds will probably not be sold until July 1, Mr. Alworth stated.

Benefit assessment of all land in the district will be one of the first steps, according to the secretary of the board, and the entire procedure must eventually be approved by the state supreme court.

The next regular meeting of the board of directors will be held June 5 but a special meeting has been called for May 26 at American Falls to discuss the participation of the outside districts involved in the project. The director of reclamation has requested a meeting of representatives from all districts and the former advisory board which was formed two years ago to consider the former contract, will probably function again at this meeting.

Showers Precede Brief Rain Storm

As the closing feature of a day of periodic showers the weather man treated the Twin Falls district to a total of .37 on an inch of precipitation Thursday, the heaviest in the past three weeks.

The heaviest rainfall occurred in the evening, accompanied by thunder and lightning flashes. At 6 o'clock the precipitation measurement was .15 of an inch and in two hours following .22 of an inch more was added.

The temperatures for the day were slightly lower than those of Wednesday. Maximum temperature advanced one degree, the mark being 71 degrees, but low mark dropped to 38 degrees, a decline of five degrees.

CALDWELL LOSES.

(Continued From Page Four)

which means that the hits were missing when needed.

Laval Jarman will remember the first four Caldwell batters for a long time to come.

Once upon a time a team was lucky to score 11 runs on the Twin Falls team in one inning, and now the team that scored 11 runs says that Twin Falls was lucky to score 7. Oh, hum—

Barclay pitched a far better game than the score indicates, with the exception of the fourth frame.

The Caldwell infield looked good, and their double play in the eighth was a fast piece of work.

Hodgin, like Christy Mathewson, lets the bats get a couple of hits or so in an inning and then tightens up. Keen stuff if the lightener is working.

John Nye sure liked the old apple, his homer going into another county.

Kim got a wonderful kick out of his homer in the third, and he had it coming.

Caldwell lost a couple of scores by cutting bases. Smith had spiked the bases and now the team that scored third, and Lawson lost a two-bagger in the second by missing first.

The prettiest individual play of the day was made by "Jock" Lovell, when he speared Cron's hard drive with one hand in the seventh inning and bent Cron to the bag.

BOISE VALLEY TEAMS IN JANGLE OVER TITLE

Weiser Claims Championship on Basis of Victory Over Caldwell in Scheduled Exhibition Game

According to Boise papers, high school baseball teams of that section are still fighting for the sectional championship, falling to mention Caldwell as contenders. This argument, however, has nothing to do with Twin Falls being proclaimed state champs. Before the season started, Caldwell and Weiser were booked for an exhibition game to be played during the latter part of the season. This game was played last week, and Weiser made it known that they were the undefeated champs of that section.

Previous to the Weiser game, Caldwell had won a game from Nampa and one from Boise, the Weiser game being the third one of the week, with both first string of Caldwell pitchers being used up. Nickle, a recruit twirler, was called into service, and Weiser batted him to all corners of the lot. So much for Weiser's claim to the title.

Nampa, if for no other reason, was eliminated from being a contender for the championship when Twin Falls won two out of three games from the junction city lads, with the fourth game a tie.

The only way to figure out the mix-up is to find out whether a team that wins an exhibition game from a team that has won from every other team in the section two or more times, is entitled to be called championship calibre.
