British Submarine Is Sent Down when Rammed by Huge Dreadnaught; All on Board Reported Killed

WEYMOUTH, England, Jan. 10 (AP)—The British submarine L-24 was sent to the bottom of the sea today when it collided with the huge dreadnaught, the Resolution, which she met in collision. The disaster which occurred off Portland, was similar to one which happened two years ago, when the K-5 was sunk.

So far as is known all on board the L-24, numbering 48, perished. Details are somewhat meager, but it seems that the Atlantic fleet was leaving Weymouth in various groups, including several submarines, for the spring cruise, when the Resolution, belonging to the royal sovereign class, rammed the L-24, which was on the surface, and had 14 lives aboard. The accident occurred in a fog when the vessels had opened out in the channel.

Another report says that the collision occurred when a combined attack on the fleet was being carried out by submarines from Portland, Portsmouth and Plymouth. The L-24 sank immediately, and although salvage vessels hurried to the spot and the whole area was searched by the mine sweeping flotilla, no trace of the ill-fated vessel was found. "Is a rare possibility," naval men say, that there may be some survivors, that is, if the submarine, which was brought to the surface, depending upon how the vessel was struck, the crew may have been able to close the water tight compartments in which they might survive for 48 hours.

After the disaster, the Resolution returned to Portland harbor, where she will be examined by divers at daybreak. A court of inquiry will be held aboard the Resolution tomorrow when all available facts, interrupted by darkness today, will be resumed.

This was not the only accident for the submarine K-5 and K-12 also collided near the same place, both being slightly damaged.

The admiralty has issued a list of the names of the crew of the L-24 which unofficially carried a much larger crew than customary, many extra men being aboard for training purposes.

The king has telegraphed a message of condolence and sympathy for the relatives of the crew.

AID SENT OUT.

WEYMOUTH, England, Jan. 10 (AP)—The collision which sent the submarine L-24 to the bottom, occurred on the departure of the Atlantic fleet from Portland this morning when the fleet was maneuvering in the channel. All available salvage vessels were sent to the spot.

It was said here that the crew of the L-24 probably exceeded 40 in number, because there were special men on board for training. A similar tragedy occurred on the departure of the fleet from Weymouth three years ago when the submarine K-5 was lost.

# Average Food Cost Shows Changes at Principal Points

Retail Prices During Recent Period Decrease But Gain Is Noted in General Level for Last Year

WASHINGTON, Jan. 10 (AP)—Retail prices decreased during the month ending December 15 in 14 out of 22 cities where the government conducts current studies of their movement. The department of labor reported today. As a result of changes, however, there was an average increase of food costs in 21 cities out of the 22 during the preceding 12 months.

The decreases during the last month were especially marked in Seattle, amounting to 1 percent; in Columbus, Ohio, Portland, Me., Salt Lake and San Francisco, amounting to 2 percent; and in New York, New Haven, Conn., Manchester, N. H., Butte, Mont., Buffalo, N. Y., and Louisville, Ky., amounting to 3 percent. The largest cities showing increases for the month were Peoria, Ill., where it amounted to 2 percent; and Birmingham, Jacksonville, Fla., and St. Paul, where it was 1 percent.

For the entire year, the increase at Manchester of 6 percent was the greatest noted. Food prices at Columbus and New Haven increased 5 percent and at Buffalo, Little Rock, Ark., New York, Portland, Me., St. Paul, Richmond, Va., and Salt Lake, the year's increase amounted to 3 percent.

# Woods Accuses His Attorney of Forging Insanity Papers

PHYSICIAN WAS PUT ON THE WRONG TRACK

Mother of Twins Makes Important Discovery That Doctor Takes X-Ray Pictures of Twin Child

AKRON, Ohio, Jan. 10 (AP)—An open safety pin, was swallowed by Betty, one of the three-year-old twins, the child made an important discovery—there had been examining the wrong child.

As a result of Woods' sending a signed affidavit to Governor Charles H. Mabe yesterday in which he said he believed A. C. Vadney of Council, Idaho, was one of two robbers he has always maintained killed Mrs. Woods, and further accusing Thomas Ramming, his attorney, of having forged his name to insanity papers, the chief executive of the state went to the state prison today and had a two-hour talk with the prisoner.

"I'm sure the governor will report to the board of pardons and that body will decide what action will be taken. On January 5 the board of pardons denied Woods' appeal for clemency and he was also unsuccessful in an appeal to the state supreme court. The affidavit, however, yesterday, came like a bolt out of a clear sky."

State's Attorney Scofield said the prosecuting attorney of Salt Lake, who had charge of the state case against Woods, makes light of the accusation of Vadney, a witness for the prosecution. He expressed belief that Woods is making a final desperate attempt to escape death.

Woods, in his affidavit, said he has not heretofore made known his convictions about Vadney or the alleged forgery of insanity papers because his attorney advised him not to. Entered the murder of Mrs. Woods occurred in their apartment home here. She was an invalid and was slain while she lay in bed and an effort was made to set fire to the bed. Neighbors noticed smoke and when the front door of the apartment was broken down by firemen and police Woods staggered out saying he had been knocked unconscious by robbers, who had killed Mrs. Woods and fired the apartment.

A native of Tennessee, was formerly a resident of Idaho and is well known in that state.

REBELS CAPTURE MINING CENTER

War Department Confirms Report of Opposition's Gain; Three Columns in Advance

MEXICO CITY, Jan. 10 (AP)—The capture this morning of Pachuca, capital of, and the most important mining town in the nearby state of Hidalgo, by rebellious forces, was confirmed by the Mexican government. General Francisco Flores, who is in command of the federal forces, was confirmed at noon today by the war department.

LAREDO, Texas, Jan. 10 (AP)—Declaring themselves in revolt against the Obregon government, Benito Tambores and the three Lopez-Zaragoza brothers, of Laredo, Nuevo Leon, with the self-assumed rank of generals, and accompanied by one soldier, have taken to the hills, according to Mexican army headquarters, the rebels in the city, yesterday, reached Pachuca, Laredo and Pachuca, and occupied both places without fighting.

TAMPOCO, Mexico, Jan. 10 (AP)—Three columns commanded by General Faustino Tapia and Juan Antonio Almazan today began their advance toward Vera Cruz against the rebels.

The advance column of 3000 men, which left Tampico for Tuxtepec, the subject of "Hanging the Rebels in the City," yesterday reached Pachuca, Laredo and Pachuca, and occupied both places without fighting.

Missing Airplane Is Found in Back Yard

LOS ANGELES, Jan. 10 (AP)—The airplane which Roland Ellis told police had been stolen from him Tuesday while it was parked beside a house here, was found in his back yard today. Police, finding no trace of the plane among the clouds, continued their search on the ground and finally found the ship in Ralph D. Harbison's back yard, where his 14-year-old son, Roger, had hidden it. The plane, which had been explained they thought the plane had been abandoned.

DANGER FILES APPEAL

HOUSTON, Jan. 10 (AP)—Seth Galloway, who was sentenced to be executed tomorrow, was given a new lease on life today when his attorney filed notice of an appeal to the supreme court. The action automatically stops the execution.

# RAIL PROBLEMS ARE REVIEWED IN CONFERENCE

Transportation Act Is Defended on Basis of Results of the Past Year; Seek Avoidance of Labor Disputes

WASHINGTON, Jan. 10 (AP)—Results achieved during the last year in the improvement of railway service and the handling of an unparalleled tonnage have demonstrated that the transportation act of 1920 embodies a national transportation policy that is "constructive and sound," the national transportation conference held in a report adopted today at its concluding session here.

"No change should be made in any important provision of the transportation act until it has had a fair trial, which as yet it has not had," said the report of the conference which included representatives of transportation, labor, and labor interests, throughout the United States, under the auspices of the chamber of commerce of the United States.

Phases of the transportation problem considered by the conference include consolidation of carriers, rate readjustment, and relations with respect to the latter, the conference expressed the "hope that national carriers may be arranged between the carriers and their employees and the public looking to the development of a constructive plan for perfecting the existing machinery," for dealing with the labor question.

On the question of railroad consolidation the conference took the position that no changes should be made in that provision of the transportation act except such as may be necessary to "facilitate" consolidation and to enable the consolidated companies by voluntary action to incorporate under federal law.

"The growing co-operation" between state and federal commissions, the report said, given promise of success in the future. It urged "protection of the public interest" and "preservation of the advantages of competition in service under conditions of fair return to both railroad capital and labor."

RAIL PROGRAM PROMISED

WASHINGTON, Jan. 10 (AP)—Elected to the chairmanship of the senate interstate commerce committee with the aid of the insurgent republicans and farmer-labor groups, Senator Smith, democratic, South Carolina, said today that he would "protect the public interest" and "preserve the advantages of competition in service under conditions of fair return to both railroad capital and labor."

Senator Smith said he probably would call the committee together before the end of the week or early next week. First action will be on the nomination of two members of the interstate commerce commission and several new members of the railroad labor board. Several measures for amendment of the transportation act have been referred to the committee.

Senator Cummins of Iowa, the regular republican choice for the committee chairmanship, who was defeated by Senator Smith, retained his place on the committee today by unanimous consent of the senate.

C. B. Croner Shot and Killed in Salt Lake Hotel; Poison Liqueur Being Sold

SALT LAKE CITY, Jan. 10 (AP)—Local police today tonight were busy working in an effort to capture the murderer of C. B. Croner who was shot and killed in a local hotel last night and also persons who sold poisonous liquor which resulted in the death this afternoon of Harold Delany.

Shortly after midnight police went to the rooming house where the murder took place. A prominent mining man, Harold Delany, was in the heart and his assailant escaped. The proprietor of the rooming house and his wife, who claim Croner was the man who killed him were involved in a drunken brawl, are being held in jail pending further investigation of the case.

In the Delany case police admittedly are baffled. All they know is that the cause of his death was poison liquor and they are conferred with the task of combing the town to find the seller.

# What Happened to Liquid Evidence Puzzles Officers

Jury Retires with Sandwiches and Quart of Hootch; Prisoner Goes Free

NEW ORLEANS, Jan. 10 (AP)—Pascal, police agent, tonight scratched his head tonight because the jury trying a liquor case in the federal court today retired to the jury room with sandwiches and a quart bottle of whiskey, produced as evidence, and returned with a verdict of acquittal, but without the "evidence."

Dry agents later reported they found the bottle hidden away in the jury room and that only a "thimbleful" of the liquor was left in it.

YOUNG OUTLAW IS CAPTURED

Twenty-Year-Old Bad Man, Accused of Fatal Shooting in Florida, Is Taken

WEST PALM BEACH, Fla., Jan. 10 (AP)—Captain W. H. Von Behren, Company C, Florida national guard, tonight issued more guns and ammunition to 13 picked men who made a hurried dash in answer to a summons from Sheriff Baker that Bill and John Ashley were surrounded near Gomez.

At 9 o'clock tonight Deputy Sheriff M. H. Rolfe, and 10 heavily armed men were hastening from Miami in two automobiles to assist the Palm Beach county sheriff.

WEST PALM BEACH, Fla., Jan. 10 (AP)—Albert Miller, 20-year-old bad man, who officers declared, fired the shot that killed Deputy Sheriff Fred Baker yesterday morning at the camp of the notorious Ashley gang in the Florida everglades, 25 miles north of here, was captured by deputies at noon today and lodged in jail here.

Four alleged associates and inmates of the gang also were taken into custody by officials. They are George Mariot and wife, and P. N. Jenkins, partner of Albert Miller, and his wife Mrs. Mariot is a daughter of the elder Miller, slain yesterday. Mrs. Jenkins also was formerly an Ashley.

Miller was taken without struggle. He suffered two severe wounds in yesterday's battle at the camp. Despite the outlaw had covered some 12 miles through an almost impassable jungle of undergrowth.

John Ashley, son of the slain member which yesterday, Sheriff Baker reported tonight, is believed to be imminent. He is believed surrounded at a point near where he fought a brief skirmish with deputies late yesterday. He will be besieged until he surrenders, officers said.

Harold Mobley, who, with John Ashley, is held to be the leading spirit of the Ashley gang, is declared by Sheriff Baker not to have been at the camp on Wednesday. Definite information was obtained today that he had fled to the Bahamas by way of a steamer on a trip alleged to be connected with liquor running. Mobley yesterday delayed his return, it is thought, but today's catch it was expected he would attempt to land tonight and preparations were being made for his capture.

With the roundup of John Ashley and Harold Mobley which officers say is almost assured, all of the principals of the gang desired at this time will have been taken.

From 30 to 100 men, still are keeping watch over every avenue of escape and efforts to take John Ashley over night were redoubled by the sheriff's men tonight.

ROBBINS TO VISIT U. S.

LONDON, Jan. 10 (AP)—Sir Alfred Robbins, president of the board of general purveyance for the grand lodge of Masons for England, intends to pay a visit to the United States in the spring, arriving in New York in the first week of March.

His visit will be in the nature of a Masonic mission undertaken with the approval of the Duke of Connaught, grand master of the order, in the belief that interchange of fraternal information will be conducive to a fuller understanding among the two branches of the craft.

# TAX BILL GETS PRIORITY OVER SOLDIER BONUS

House Republicans Order Report on Revenue Proposal; Approve Board of Appeals Plan

WASHINGTON, Jan. 10 (AP)—House republicans in conference tonight instructed the ways and means committee to report a tax bill before taking any action on the soldiers' bonus.

Under the instructions from the conference the committee will report a revenue bill containing changes in tax laws as well as administrative amendments by February 11, and then will determine whether enactment of a bonus bill should be recommended.

Representative Fish of New York, a former service man, attempted to have the conference instruct the ways and means committee to report a bonus bill by February 22, but on a record vote his proposal was rejected 109 to 87.

A resolution by Representative Fairchild of New York, calling for the report of a bonus bill "as soon as possible" was voted down, 100 to 87. Representative Fish, the party leader, offered the motion to give the tax bill right of way. It was adopted by a viva voce vote.

Two hours of heated debate during which the bonus and taxation were discussed preceded the voting. No sooner had the Longworth program been adopted than Mr. Fish proposed that the conference go on record in favor of the enactment of both tax and bonus bills, but Representative Lehbach of New Jersey, moved that the Fish proposal be tabled and his motion was adopted. The Lehbach motion, which carried 97 to 94.

APPROVE MILLION PLAN

WASHINGTON, Jan. 10 (AP)—Tentative approval was given by the house ways and means committee today to the provision of the Mellon tax bill for the extension of the tax bill for appeals—ones of the important proposals of the treasury draft.

Committee members reported that at their executive session, practically all the opposition had been voted to the treasury bill. A record of 100 democrats and republicans joined in predicting that establishment of the board would be recommended.

The committee turned from its consideration of administrative features of the bill, long enough to order a vote on the extension of the tax bill. A resolution proposing a constitutional amendment which would just an end to issuance of tax free securities. Such a proposal received house approval in the last congress, but failed of action in the senate.

Study "Borrowing Bill"

The committee pressed forward with its study of the revenue bill with the realization that its program is important.

Movie Director Is Held Prisoner by North Idaho Snow

Miss Nell Shipman, noted screen actress, bravely attempts to rescue husband from winter camp

SPOKANE, Jan. 10 (AP)—Hope of bringing Ben Van Tyle, motion picture director out of the northern Idaho woods, where he is suffering in his motion picture camp from gangrene, seemed remote today, according to information received here from Spokane, Idaho, on the 25 miles below the Van Tyle camp.

Miss Nell Shipman, motion picture actress and wife of Van Tyle, left Coeur d'Alene Saturday with physicians and intended to try to return on foot to her husband after breaking out of the snow. She presented their return by motor bus. Woodmen who followed her trail part way said she had walked through snow in places nearly waist deep.

It was reported today that break-up of the ice in the lake, will frustrate her plan to bring Van Tyle out by dog sled, but that the lake is not sufficiently clear to permit its passage by boat.

Van Tyle was said last week to be in serious condition and it had been planned to bring him to a hospital here for treatment.

The infection resulted from injuries when he froze his feet while making a picture about two years ago.

## DEMPSEY AND GIBBONS WILL BATTLE AGAIN

Tex Rickard Announces Everything Fixed for Return Battle, Probably Next June, in New York Arena

NEW YORK, Jan. 10 (AP)—Jack Dempsey, Tommy's heavyweight champion, and Tommy Gibbons of St. Paul will fight a return battle in New York, probably early in June, Promoter Tex Rickard announced today after a conference with Eddie Kane, Gibbons' manager.

Rickard came to a definite agreement with Kane after an hour's conference at Madison Square Garden. Jack Kearns, manager of the champion, has not yet signed articles with Rickard, but several days ago he assured the promoter there would be no hitch in arrangements if Gibbons was signed.

Gibbons was seeking a return fight with Dempsey ever since he stayed the limit of 15 rounds with the champion in his battle in Shelby, Mont., last July 4. Dempsey was awarded the verdict on points, but it was the first time since he became the holder of the title that he had stayed the full route with him.

Several promoters have been dickering for the return fight, the latest offer having been made by James Mullen of Chicago, who claimed he had negotiations under way with Kane and Kearns. Mullen said they had given Mullen any definite assurance.

Kearns Satisfied  
No details of the agreement reached between Kane and Rickard were revealed, but Kane, who barely made expenses at Shelby as a result of the financial debacle there, indicated he was well satisfied with the promoter's proposition.

Kearns declared he would have no hesitancy in signing for Dempsey if terms and conditions are agreeable. It was understood, however, that he already has come to an understanding with Rickard.

Rickard informed me over the telephone that he had reached an agreement with Kane," said the champion's manager. "The proposition sounds good to me. I have assured Rickard right along we are going to fight another time, particularly Gibbons, because of his good showing at Shelby. I am leaving for Hot Springs, Ark., tomorrow, but expect to return to New York shortly to go into details on the bout. I expect no difficulty in coming to terms with Rickard."

Kearns Agrees  
Kearns said any date or place was agreeable to the champion, but mentioned December day as a favorable time.

According to Rickard, he has no definite date planned but his choice would be limited to the two baseball parks here and Boyle's Thirty Acres in Jersey City. The promoters staged fights at both the Polo Grounds and the Yankee stadium last season.

MIAMI, Fla., Jan. 10 (AP)—It was with Mr. Kearns' promise to me," remarked Jack Dempsey tonight, when told of the announcement by Promoter Tex Rickard in New York that Dempsey and Tommy Gibbons would fight a return battle in New York, probably in June. The champion made the statement while witnessing a bout between Young Stribling and Mike Neer here.

## CROWD IS EXPECTED AT BASKETBALL CONTEST

That the followers of Blue and White athletics will jam the local gymnasium tonight is the prediction for the Meteors' first engagement with the Star high school team. The meeting of these two teams will also draw a large delegation of Filer rooters and no doubt, many will be turned away before the games begin.

The girls of the two schools played first at 7:30, and with the tip of each star team Twin Falls rapidly rolled into into a regular sextette of stars there should be a fast game in store.

Twin Falls basketball hopes this year are largely based, as yet, upon previous endeavor. And while the previous games have shown a decided lack of technique, the future may see the Meteors blossom into a respectable team. Several changes in the line-up are anticipated after a strenuous week of hard training by Evans and Osterman on the Blue and White team. Cole will still be ineligible.

What Filer bases their hopes on this year will be largely the Lapp-Love combination, the only remainders from last year with the exception of Adkins, who played last year, and a new high school with an incoming high school record.

## GOLDEN RULE TAKES THREE

Kleffner's Pin Smashers Grab All Contests from Shoe Market Bowlers

At last, the Golden Rule bowlers have made a change in their policy and started up from their place at the bottom of the league. They have now started by taking all three from the Shoe Market "Shoeks" Thursday night.

And as exponents of the pin smashing at the Shoe Market bowlers were disappointing. Part of this can be attributed to the absence of one man, but even then they fell away below their usual record.

As it was the total pins show a difference of 133 in favor of the "Pop." Kleffner's proteges and he predicts last night's performance will not be the end of their winning streak.

Incidentally, the Kleffner star, the Shoe Market anchor man, who topped all by a 533 total for the evening.

## WANDALS READY FOR FAST GAME

Basketball Season at Moscow to Open This Week with Montana in Two Sessions

UNIVERSITY OF IDAHO, Moscow, Jan. 10.—The University of Idaho Vandals will open the Pacific Coast conference basketball season here Friday and Saturday nights when they meet the University of Montana quintet in a two-game series which will be the opening contest of the northern division of the conference.

Coast sporting critics will watch with interest these first two games for indications of Idaho's probable strength this season in lieu of her two previous two conference championship losses last season. It is expected, however, that Idaho will be able again to place a team in the pennant race equal to those of the past two seasons.

These games will be the first exhibition for the Montana Bruins under the colors of the Pacific coast league and are their indication of the conference last month, and should give an estimate of the comparative strength of the two teams. Montana, as far as experienced material is concerned, will have the edge on Idaho as she will be able to place a number of veterans in their line-up. Idaho, while Idaho will have but one letter man again in uniform.

Returning from a two weeks' holiday barnstorming tour of northern Idaho and eastern Washington, the Idaho squad is in excellent shape for the opening contest of 15 games played against some of the strongest semi-professional teams in the Northwest, the Vandals won 12 of the 13 last, one was with the S. A. C. quintet in Spokane, and one each of a two-game series with Leavenworth, Wash. and Portland, Ore. The greatest weakness of the Idaho squad in the eyes of Coach David MacMillan, was the lack of coordination between the players and their inexperience, and, these, he believes have been materially strengthened during the two weeks' trip.

Those on the Idaho squad this season and from whose number Coach MacMillan will probably choose his team for the opening games are: Harold Telford of Couer d'Alene, captain and forward; Walter Remer of Lewiston, forward; Vernon "Skip" Stivers of Moscow, forward; William Landon of Boise, forward; David Wels of Emmet, center; Maurice Kline of Pocatello, N. J. guard, and Errol Hunsaker of Rexburg, forward.

## Profit on Fords Set at \$67 Each; Stock Nearly One Billion

Wall Street Experts Hazard Guess of More than \$640,000,000 in Valuation

NEW YORK, Jan. 10 (AP)—Experts in Wall street, who for years have wondered what the total stock of the Ford Motor company was worth, today hazarded the estimate of \$640,000,000, and said they believed it would total \$1,200,000,000 within another year.

The company's earnings were based on the value of the Ford Motor company of Canada, profits per car made by the Dominion corporation and the one in this country, the former earning \$68 a car and the latter \$67, and the market value of the Canadian stock which is \$243 a share.

Comparing value of the Canadian stock, the profit per car there and the valuation of the company with the United States production, the experts believed they had figured the value of the fiscal information the financial director has ever had about the Detroit plant.

## UNION-PACIFIC BIDS IN SALES

### Prize Beef Animals Bring Big Prices at Ogden Show; Idaho Entries Win More Ribbons

OGDEN, Jan. 10 (AP)—The Union Pacific system entered the auction sale of fat livestock at the Ogden stock show today and in the grand champion carload of fat steers at 12 cents. There were 15 steers in the lot.

Master Garth Peck's grand champion individual fat steer, a Hereford, sold for the top price of 27 1/2 cents a pound. Peck is a local youth.

Interests today centered in an auction sale of fat and feeder cattle, hogs and sheep. The Twin Falls Shorthorn Breeders' association had up a consignment of registered animals.

The record sale for fat cattle was recorded Wednesday, when two carloads of fat steers, weighing 1139 pounds on the average, sold to E. A. Snyder of Los Angeles for \$8.70 per hundredweight. The cattle belonged to Warren Fjelstad of Prescott, Utah.

In the beef cattle department A. E. Lawson of Spokane, the judge, completed two busy days judging Wednesday. Hereford champions represented by the Idaho, Oregon and Utah. Prince Berry, the aged hybrid bull shown by Frank Parce of Rupert, Idaho, won senior and grand champion bull honors. Herbert Chandler of Baker, Ore., bred and exhibited both the senior and junior female champion, and the grand champion Hereford cow.

Bonnie New Year, undefeated yearling heifer in the Chandler show herd, was junior and grand champion Hereford female. Winterton brothers of Charleston, Utah, exhibited the junior champion bull, Debonair Jot.

**Silver Cloud Wins Again.**

Silver Cloud, the big white Shorthorn bull owned by E. M. Varin of Victoria, Idaho, repeated his 1923 performance and won for his owner another grand champion ribbon at Ogden. The grand champion female was another Idaho product. Primrose 182H was owned by C. A. Norton of Salmon, Idaho. Both junior champions and a majority of the first prize animals and group awards in the Shorthorn classes went to John H. Seelye and Sons company of Mount Pleasant, on representatives of their Mountain Dell Shorthorn herd.

This year's dairy showing at the stock show is the largest by far of any previous years. Fifteen Holstein herds were on exhibition this year. W. E. Meyers, western representative of the Holstein Friesian association, stated that the aged cow class here at Ogden contained more entries than the 1923 Pacific International, which is reputed to be one of the largest dairy shows in the world.

## QUITS AUTOMOBILE FIRM

G. E. Duke, who has been identified since 1916 with the Idaho Auto and Supply company, of which he was one of the founders, has severed his connection with that institution, according to announcement made Thursday. Mr. Duke has announced no plans for the immediate future.

Associated with Mr. Duke in the establishment of the business eight years ago were W. T. Seal, E. N. Flory and H. E. Bech. A year later the interest of Mr. Bech was purchased by Mr. Duke and that of Mr. Seal, a little later, was purchased by Mr. Flory. Flory and Duke continued the business for four years when R. D. Stover was admitted to partnership, and Mr. Flory sold his interest in 1922 to W. E. Sanger.

Mrs. J. H. Merichouse was hostess to the Episcopal Guild Thursday afternoon at her home on Eighth avenue north. The meeting was in charge of the newly elected president, Mrs. Thomas Robertson, and was opened with prayer. Various committees were appointed for the year after which Mrs. A. Dorman Johnson gave a paper on Gamaliel, and Mrs. Stuart Taylor, Sr., one on Huggal, both of which were most interesting. Rollcall was answered by quotations from St. Paul. During the social hour dairy refreshments were served.

Mrs. Peter Ericson entertained St. Edward's Altar society of the Catholic church on Thursday afternoon at her home on Eighth avenue east. This was the final meeting of the church society as this branch with the Catholic Woman's League, and a sanctuary committee was appointed to take the place of the society. Father Keyser gave an address which was greatly appreciated. The assistant hostesses were Mrs. Roy, Mrs. Strunk, Mrs. Savage and Mrs. E. M. Wolfe. Twenty-four members were present and refreshments were served at the close of the afternoon.

Mrs. Milton Tilford entertained the Optimist club at the home of Mrs. L. R. Goodrich, 430 S. Second avenue east, Wednesday afternoon. The greater part of the night was spent discussing plans for the coming year's work. A very entertaining letter was read from Mrs. R. T. Nare, a former club member, who is now in Glendale, Cal., after which a letter was written her from the club. A general social time was enjoyed during which delicious refreshments were served. The next meeting will be held with Mrs. A. N. Bailey on January 25.

The Woman's Progressive club met with Mrs. Kelly on Blue Lakes boulevard south, Wednesday afternoon. The principal business was election of officers. These were: President, Mrs. Frank Krueger; vice president, Mrs. Gibson; secretary, Mrs. Wallis; press reporter, Mrs. Carl Jungst.

The following committees were appointed: Entertainment, Mrs. Kirkman, Mrs. Walker and Mrs. Powell; sick committees, Mrs. Seckman, Mrs. Scott, Mrs. Kelly, house committee, Mrs. Owen, Mrs. Shaw and Mrs. Haviland. The federation paper on "Citizenship" was read, after which a delicious luncheon was served by the hostess.

Mrs. S. H. Bolfo entertained the cabinet of the Foreign Missionary society of the Methodist church Wednesday afternoon at her home on Second avenue west. After a short business session the afternoon was spent with sewing and conversation. Sixteen ladies were present to enjoy the after-

noon and the dairy refreshments served by the hostess.

Mrs. W. Z. Iron was hostess to the Shamrock club Thursday afternoon. During the business session plans were made for an essay supper for the club members and their families, the date to be announced later. Mrs. Iron read the rural federation paper on "Marriage and Divorce." At the close of a delightful social hour the hostess served dairy refreshments. The club adjourned to meet with Mrs. Deau Miller on January 24.

## Girl Dies by Taking Poison by Mistake

FOCATELLO, Jan. 10 (AP)—Capitula containing poison resulted in the death last evening of Janet Ashton, 15, daughter of Mr. and Mrs. D. H. Ashton of this city, and the serious illness of Jane Ryan, 12, daughter of Mr. and Mrs. E. E. Ryan. It is stated that the accident resulted from a prank, both girls being under the impression that they were taking chalk instead of poison. The Ryan girl is now out of danger.

# Saturday Another Dollar Day

**\$1**

A number of our friends from the country criticized us for holding our Dollar Day in the middle of the week. They complained that they did not have the same opportunity of buying that they would have if we held it on Saturday. So here goes a repeater.

Saturday the same prices will prevail that were advertised for Thursday. This applies of course on all merchandise now on hand. Some specials advertised for Thursday were sold out, but in the meantime we will have other offerings that will be just as attractive.

So come to Wright's Saturday and participate in our Second big Dollar Day.

## THE MARKETS

ALL GRAIN OFFERINGS  
TURN UPWARD IN PRICE

Wheat, Corn and Oats Strengthened  
Notably Corn Overturning Record  
For the Season

CHICAGO, Jan. 10 (AP)—Wheat, corn and oats all took an upward swing in value today, with corn again overturning the high price record for the season. Realizing of profits, however, eliminated much of the advance, which was more or less due to predictions of a cold wave. Wheat closed unsettled, 1.18 to 1.14 to 78¢ net higher, May 1.18 7-8 to 1.09 and 1.09, and July 1.07 1-4. In corn there was a 1-2 to 3-4¢ gain, with oats 1-8 to 3-8 to 1-2¢ up, and provisions ranging from a shade decline to a rise of two cents.

With the leading domestic markets receiving only 388 carloads of wheat today against 537 cars a year ago, and with the weather still showing further cutting down of the movement, the wheat market readily responded to notable strength in the corn market and to other bullish factors. Conspicuous among these was the circumstance that lack of snow covering in parts of the winter wheat belt led to widespread fear of possible damage from a freeze. Besides, an unexpected bulge in wheat quotations at Liverpool was associated with reports of serious delay to wheat shipments from Argentina as well as from the Danube. High wheat was a big factor in demand sharply stimulated by reports that actually no corn was obtained on overnight bids from here to the country. Pit observers could see no evidence of selling either on the part of leading interests that have of late been the buying side of the market. Meanwhile the weather outlook indicated that while entirely aside from the extreme bullish attitude of farmers that the crop movement would be meager for some days at least.

Cats showed more activity as a result of increased feeding demand. May oats sold within a fraction of the best price of the season.

In provisions grain strength counterbalanced lower hog prices.

## HOPE OF FUNDS FOR RESERVOIR NOT ABANDONED

American Falls District Official Sees Only Delay at Worst in Store for Huge Reclamation Project

Failure of the present congress to provide an appropriation for the American Falls project would not cause abandonment of the enterprise and probably would not cause delay of more than two years in the completion of the undertaking, according to W. F. Alworth, secretary of the American Falls reservoir district board of directors.

Possibility of failure on the part of congress in this regard is seen in some quarters in the omission of appropriation for the American Falls project in the interior department appropriation bill reported to the house of representatives Thursday by the house appropriations committee.

Expenditures of the district since its organization last spring aggregate only about \$20,000, Mr. Alworth said, and most of the expenditure has been for records of permanent value to the district. If the reservoir district were delayed for a period of years, the district's bond issue of \$2,700,000 voted last spring for participation in construction of the reservoir, and purchase of storage water rights provided by it, has not been offered for sale, and according to statement here made by the district administration, the bonds will not be put on the market, in any event, until such time as the state supreme court shall have passed upon the validity of the issue, thus tending to enhance its market value and offset, a saving to the district.

In order to bring the issue before the supreme court an appeal will be taken from the decision of the district court on questions which were presented last month and which the district court still has under advisement.

**Not Yet Lost Cause.**  
Directors of the reservoir district, while pointing out advantages, are also aware of the many delays and complications that may be encountered, and concluding that the reservoir project is in jeopardy by reason of the possible act of omission on the part of congress are not yet ready to concede the fight for the American Falls project in the present congress is a lost cause.

It is known that Congressman Addison T. Smith is engaged in the preparation of a measure, apart from the interior department appropriations bill, to make federal funds available this year for the American Falls project, and grounds for hope for success of the measure are discerned.

## WINTER CAMP PLANNED FOR BOY SCOUT TROOPS

Boy Scouts of Twin Falls will go into winter camp next Friday, Saturday and Sunday, at a location on Snake river between here and Buhl, where a house or other sleeping quarters can be secured, according to arrangements made by the scout council camping department, announced Thursday by F. Douglas Hawley, district scout executive.

Scouts relieved from necessity of attending school because of examinations are expected to spend the entire day Friday in camp, and others may leave here Friday afternoon and be in camp for supper.

Modern Woodmen join installation of officers with Royal Neighbors, Monday, January 14th.

## CLAIMS TO CORN CROP TO BE AIRED IN COURT

Tenant Is Ordered to Show Cause Why He Should Not Be Restrained in Respect to Feeding of Hogs

Claims of four different persons or interests to a crop of corn grown last year by H. W. Leveke on land owned by Alfred Carlson, will be aired in district court today, under an order addressed to Leveke to show cause why he should not be restrained from disposing of the crop except as directed by a receiver heretofore designated. The order in this case was issued upon application of Carlson, who asserts his claim as landlord to a share in the crop, which he asserts, is being fed by the tenant to a herd of hogs. Another claimant to an interest in the crop, according to the landlord, is the holder of a mortgage on it, while it must provide for payment of taxes and the canal company maintenance assessment.

## BOURBON MEET HERE PROPOSED

Democratic State Convention for Twin Falls Suggested at Jackson Day Observance

Suggestion that either the platform or nominating convention of the democratic party in Idaho be held this year in Twin Falls was offered at a Jackson Day observance here Thursday evening by Mrs. Carrie Whelan, president of the Democratic Women's club, under auspices of which the observance was conducted. Members of the Twin Falls County Jeffersonian club and others participated in the gathering, about 75 men and women being present.

Speakers included W. Orr Chapman, Twin Falls; A. W. Ostrom, Buhl; and Mrs. W. F. Pike, Twin Falls. Concluding a review of the administrations of Jackson, Polk, Cleveland and Wilson, Mr. Chapman, predicted return of the democratic party to power in the coming campaign under the leadership of W. G. McAdoo.

**Asks Aid for Farmer.**  
The republican administration was criticized by Mr. Ostrom for failure to relieve the agricultural industry in many ways of that party's record for granting subsidy to manufacturing, railroad and shipping interests. He suggested as remedial measures, federal appropriations to assist the farmers to form effective organization, and guarantee by the government of a price for wheat at which it can be produced at a profit.

Mrs. Pike traced the history of minor political parties and drew the conclusion that they are not an unmitigated evil since they provide an effective means for expression of the viewpoint of minorities.

A musical program included a vocal number by Mrs. I. H. Masters and piano solo by Miss Ruth Snowhill.

## FUNERALS

**Mrs. Verna R. Wells.**  
Funeral services for Mrs. Verna R. Wells, wife of J. F. Wells, who died suddenly last Sunday in Phoenix, Arizona, will be held at 2:30 o'clock Saturday afternoon in the P. J. Grossman chapel here and will be conducted by the Rev. W. W. Burke of the Christian church. The body will be received here this afternoon. Mrs. Wells' death occurred while she was in Phoenix on a visit. Mr. Wells and their two children arrived here Thursday from Idaho Falls, where they went from here with the expectation of establishing the family home.

## Fire Department Annual Report Shows Minimum of Fire Losses

The fire alarm was sounded in Twin Falls last year only 41 times and the total estimated fire loss was only \$4561, according to an annual report made to the municipal commission by Jack Bell, fire chief.

In three instances, according to the report, the firemen were called out by false alarms, and in an equal number of instances they responded to alarms sounded in connection with fire drill at the three school buildings.

Fires occurred during the year in five residences and two unoccupied dwelling houses. Five automobiles were damaged by fire to a greater or less extent. The firemen were summoned on four occasions to put out weed fires.

Wiring is blamed for six fires during the year, automobiles being damaged in two cases. Stoves were charged with originating five blazes; electric iron, one; water heater, one. Lighting and cigarettes were charged with one fire each, and one blaze was reported to be of incendiary origin. In seven instances the cause of the fire was reported unknown.

Out of the total of 41 alarms turned in during the year 27 were sounded during the hours between noon and midnight.

Modern Woodmen join installation of officers with Royal Neighbors, Monday, January 14th.

## O. S. L. PLANS TO START WORK

General Manager Announces Road's Intention of Early Beginning on Branch Line

That it is the expectation of the Oregon Short Line to begin active construction of the Wells-Rogerson railway this spring, probably within the next 90 days, was the statement made Thursday by H. V. Platt, general manager of the road, who spent several hours here, leaving on the evening train for Salt Lake.

Mr. Platt was accompanied by W. B. Armstrong, chief engineer, and A. V. Kipp of the traffic department.

No contract for construction has been let as yet, Mr. Platt said, but as soon as some remaining details were closed up this would be done and work would commence, probably about April 1. Acquiring of the necessary right of way will go forward as soon as it is definitely known just what lands will be required for this purpose.
