

CLOSE VOTE IS PREDICTED ON FARMER AD BILL

Republican Leaders Will Not Insist on Substitute, if McNary-Haugen Measure Fails; Adjournment Date Stands.

WASHINGTON, May 29 (AP)—Republican leaders in the house decided today to make no determined effort to put through a substitute for the McNary-Haugen farm bill in the event the measure is defeated.

At a meeting of the republican steering committee it was generally agreed that the vote of the house will not be taken up again tomorrow by the house, would be close, several expressing the opinion it would be rejected unless various features regarding opponents as objectionable, were eliminated.

Those who attended the conference expressed confidence that congress would adjourn June 7, regardless of the fate of the McNary-Haugen bill, the Burkley bill to abolish the railroad labor board or any other legislation pending.

The committee which unofficially controls the legislative program of the house, objected to the plan of supporting the McNary-Haugen bill by tacking it up under a special rule. Predictions were made that its author, Representative Burkley, democrat, Kentucky, would concede next Monday when consideration of the bill will again be in order that it is futile to seek a final vote and be willing to put his measure aside with a view to obtaining action in the December session.

Those in charge of the McNary-Haugen measure hope to press it to a final vote, while others will give McNary-Haugen leaders have agreed not to work in concert to smooth out the situation individual members of the house, while others will give McNary-Haugen opportunity to offer amendments or substitutes.

DOCTRINE IN EVIDENCE

CLEVELAND, May 29 (AP)—The whole body of doctrine of the Protestant Episcopal church in America was called into evidence today in the trial here of Bishop William M. Brown, accused of tending outside the doctrine of the doctrine of the church is contained in the book of common prayer and in accordance with that doctrine the case against the accused bishop was presented in half an hour. Bishop Joseph M. Francis of Indianapolis was the witness and he was called only to establish the office of the defendant and to identify the book upon which the accusation is based.

The defense moved to dismiss on the ground of insufficient evidence and the case settled back into the argumentative stage from which it had scarcely emerged.

WOULD HALT ADJUSTMENTS

WASHINGTON, May 29 (AP)—Further adjustment by the government of land grants to the Northern Pacific railroad company would be suspended until March 4, 1926 and meanwhile the investigation under an agreement reached today by house and senate conferences on a resolution dealing with the subject. As approved by the house the resolution fixed the date at March, 1925, while the senate made March, 1925. To be effective the compromise must be ratified by both the house and senate.

Memorial Address Will Be Broadcast by Three Stations

Radio to Carry Arlington Ceremonies Today; Coolidge Will Speak; Expect Millions Will Be Able to Listen in.

WASHINGTON, May 29 (AP)—The American people generally will be permitted to join in the national memorial day exercises at Arlington. The Arlington ceremonies at which President Coolidge will speak will be broadcast by three of the most powerful radio stations of the east—the WEAP of New York, WJAR of Providence, R. I., and WCAP of Washington. It is expected that between three and four million people will be able to hear the exercises which are to be held in the memorial amphitheater and are to begin at 1 o'clock, eastern standard time.

President Coolidge has devoted considerable time to the memorial day exercises and it is expected to be one of the most important he has made in several weeks. All government departments closed tonight not to open until Saturday morning and the senate adjourned until Saturday. The house will remain in session tomorrow, working on the McNary-Haugen farm export corporation bill.

Authorities Making Little Progress in Search for Slayers

Murder of Chicago Boy is Still a Mystery; Slight Hope in Latest Clue.

CHICAGO, May 29 (AP)—Authorities hunting the slayers of Robert Franks, school boy son of a Chicago millionaire, whose body was found in a south side swamp after ransom demands were made of the parents, stated tonight they were apparently little nearer a solution of the crime than when the body was found a week ago today.

There is slim hope that Charles Heuth, Chicago druggist, found suffering from the effects of poison in a Louisville, Ky., hotel today, would be able to throw any light on the case, one of the most baffling mysteries with which Chicago police have ever had to deal.

According to information received tonight from Louisville authorities by the Chicago police, Heuth is in a serious condition and may never be able to make a statement.

TO TALK PLANS FOR PARTY MEET

Farmer-Labor Committee to Meet Sunday to Determine Program for St. Paul Session

ST. PAUL, May 29 (AP)—Members of the state committee of the farmer-labor federation will meet here Sunday to determine whether there should be any change in the plans for holding the national farmer-labor progressive convention here June 17.

Call for a meeting of 22 members of the committee was issued today by William Mahoney of St. Paul, probable temporary chairman of the proposed convention as a result of the statement attacking the convention by Senator LaFollette.

Charged that Senator LaFollette's statement yesterday was the result of "unfair and unjust counsel," are made in a statement issued today by the national committee on arrangements for the proposed national convention.

The statement declared, "subordinating the tremendous issue of rescuing the government from plutocratic control, and the necessity for all honest progressive voters uniting in this crisis."

The convention is not a LaFollette, or one-man movement. It cannot be diverted or destroyed by anything Senator LaFollette may do or say. The need for it continues to exist and there is no alternative but for it to proceed.

RAINFALL IS WELCOMED IN SOUTHERN IDAHO

Southern Idaho farmers generally joined in shouting with herds or flocks on the range in rejoicing Thursday over the rainfall that set in early Wednesday evening and continued at intervals of greater or less duration throughout the night and all day Thursday, bringing a greater amount of precipitation in the vicinity of Twin Falls and eastward than had fallen in any similar period of time this year.

Indications Thursday evening seemed to point to little or no interruption in the wet spell. Precipitation during the 24-hour period ending Thursday evening was recorded at the government weather observer's station at 18 one-hundredths of an inch. Greater amount of rainfall was reported in districts to the east and less in districts to the west of Twin Falls.

Snow which fell on the hills to the south Wednesday night remained on the ground all the next day, a visible promise of improved range conditions. Reports collected Thursday evening by the News showed that rainfall was heaviest between Murtaugh and Rupert, the Hazelton district on the North Side of the Snake and all day Thursday in the district on the west got a pretty thorough wetting. There was little rain about Jerome.

Rainfall Reports
Some of the reports gathered by the News follow:
BOISE—Light rain fell here during the day. There was no rain in the evening, but the weather was cloudy and cold.

BURLEY—Heavy rain fell throughout most of the day of May 28. At 6 p. m. when skies were clearing.

RUPERT—Rain fell here practically all day and continuously throughout the afternoon until 6:30 p. m. when skies were clearing.

BOISE—Rainfall here was limited to light showers in the afternoon.

INDICT POLICE FOR BREAKING LIQUOR LAWS

Lieutenant and Squad, Warehouse Officials and Others Among 26 Named by Grand Jury for Illegal Activities.

CHICAGO, May 29 (AP)—Federal indictments charging 26 persons with illegally possessing, transporting and selling liquor were returned here today naming one lieutenant of police and his squad, warehouse officials and others as principals involved in an alleged "rum ring" which disposed of more than \$1,000,000 in liquor.

Forged withdrawal permits and forged letters of verification aided the removal of the liquor, assistant United States district attorneys said tonight. No references to the forged permits or letters were made in the indictments which also failed to name the owner of the liquor.

Twelve government men were used in gathering evidence for presentation to the grand jury. E. L. Weil, assistant district attorney, said the procedure of those involved was to take the liquor from the Sibley warehouse to other warehouses where in turn it was delivered to police who disposed of it to dealers. The indictment says that 2500 gallons of Lancaster whiskey obtained in 1750 cases was removed from the Sibley plant.

PLAN IMPROVEMENTS AT HOT SPRINGS RESORT

BOISE, May 29 (AP)—Improvements are in prospect for the resort owned by the state at Lava Hot Springs, said Governor C. C. Moore, who visited the grounds last Sunday. Some minor alterations are already being made, and the plan is being painted and generally cleaned up. Quite a number of people already are there for the summer, he said.

APPROVE AMENDMENT

WASHINGTON, May 29 (AP)—Fertilizer would be produced at Musco Shoals either by the government or a private concern under an amendment to the Norris bill approved today by the senate agriculture committee. It is also understood that another amendment provides that power could either be produced by the government or a private company under governmental control.

M'CORMICK MAY BECOME ENVOY TO JAPAN

SEN. MEDILL M'CORMICK

U. S. SENATOR MEDILL M'CORMICK, of Illinois, defeated for re-nomination in the recent primaries, is mentioned as President Coolidge's choice to succeed Cyrus E. Woods as American Ambassador to Japan.

Children to Place Flowers on Graves of American Heroes

French People to Stage Ceremonies at Large War Cemeteries Memorial Day

PARIS, May 29 (AP)—Memorial day in France will be largely a children's day. The French people generally will participate in the ceremonies at all the six big cemeteries in which American soldiers are buried but delegations from the schools will have the most conspicuous part in the day's program.

School children from Bond, Harcourt, Leconte and St. Quentin in the Somme war zone, where the Americans fought hard battles in 1918 will deposit wreaths on every soldier's grave in the Bond cemetery and pin an American flag to every cross. A feature of the celebration there will be dedication of a school house built through subscriptions by parents of the boys who fell on the Somme battlefield.

IDAHO WEATHER

Friday: Fair and warmer.

Alleged Plot to Bomb American and British Consulates Discovered

Uneasiness in Official Circles Caused by Rumor of Intended Raids by Koreans; Guards Reported Posted; U. S. Consul Advised by Police; Plan Was Originated in 1919.

CHURCH IN STORMY SESSION

MILWAUKEE, Wis., May 29 (AP)—In one of the stormiest sessions in years and after bitter debate the Northern Baptist convention here today voted to investigate the board of managers of the American Baptist Foreign Mission society on charges of appointing ministers whose sentiments are not in accord with orthodox Baptist faith.

APPROVE SILVER PURCHASE BILL

Senate Passes Pitman Measure for Buying Domestic Metal; Utah Has Rig Supply.

WASHINGTON, May 29 (AP)—The treasury would be directed, under a bill passed by the senate today, to complete the purchase of stores of domestic silver covered in the Pittman act.

Senator Pitman, democrat, Nevada, author of the bill, estimated that 14,589,730.13 ounces of silver must be bought at \$1-an ounce to comply with the war-time legislation.

"The silver to be purchased will replace silver dollars withdrawn from the treasury vaults during the war and sold as bullion to the British government for the purpose of replenishing the supply for her colonies."

A warm controversy has continued since the war between American silver producers and treasury officials as to the amount which should be placed under the law which authorized the withdrawal.

The bill now goes to the house.

BIG SILVER IN UTAH

SALT LAKE CITY, May 29 (AP)—Utah, as the foremost silver producer.

(Continued on page 5, Col. 5)

TOKIO, May 29 (AP)—Discovery of an alleged Korean plot to bomb the American and British consulates in Seoul (Korea) is causing some uneasiness there, press dispatches indicate.

Semi-official confirmation has been made to a report that special guards have been posted at the American consulate. It is said that the guard will be kept there for the present. It is learned that the United States consul has been advised directly as well as by the Japanese police of the alleged plot.

The bombing plan is declared by officials to have originated with the Korean "provisional government," which was formed in 1919 in Shanghai by Koreans opposed to Japanese rule in their native country.

Every effort is being made by officials to prevent any outrage against the American or British consulates, any such incident would be particularly troublesome at the present time, due to the exchanges between the two governments resulting from passage of the American immigration law.

MEANS ADDS ANOTHER CHAPTER TO BOANDAL TALE

WASHINGTON, May 29 (AP)—Two chapters of the senate Daugherty investigation today served to let Gaston B. Means, detective and its most noted informant, complete his alluring story of adventure and intrigue in the investigation of the fun of President Harding, he claims—prohibition enforcement and Secretary Mellon's connection therewith.

With scant mention of his early accounts of money "carried for Jess Smith," the dead companion of the former senator-general, Daugherty asserted that the fun of the republican national committee were to have been benefited by whiskey perempt sales, and in the course of this testimony, drew in names of senators.

MOORE TO BE SPEAKER AT DEDICATION SERVICES

BOISE, May 29 (AP)—Governor C. C. Moore will deliver the address Sunday afternoon at the dedication of the Spaulding memorial stone at Laywell, the site of the early missionary station in Idaho. The stone is being presented to the state by the Daughters of the American Revolution, Idaho chapter, and will have a tablet suitably inscribed to the memory of the pioneer. Mrs. James E. Babb, historian of the state chapter of the D. A. R., who will speak and addresses are scheduled from some of the Nez Perce Indians at the Laywell reservation.

SUSPECT ARRESTED

CHICAGO, May 30 (AP)—Nathana Leopold, 19-year-old son of a millionaire-box manufacturer, was taken into custody for questioning early this morning after records of an optical company revealed that he had been found near the body of 14-year-old Robert Franks, kidnap victim, had been sold to him.

Formal Protest to Japanese Exclusion Reaches Capital

Embassy Officials Engaged in Decoding Diplomatic Note; Hughes Not Advised; Claim Treaty Has Been Violated.

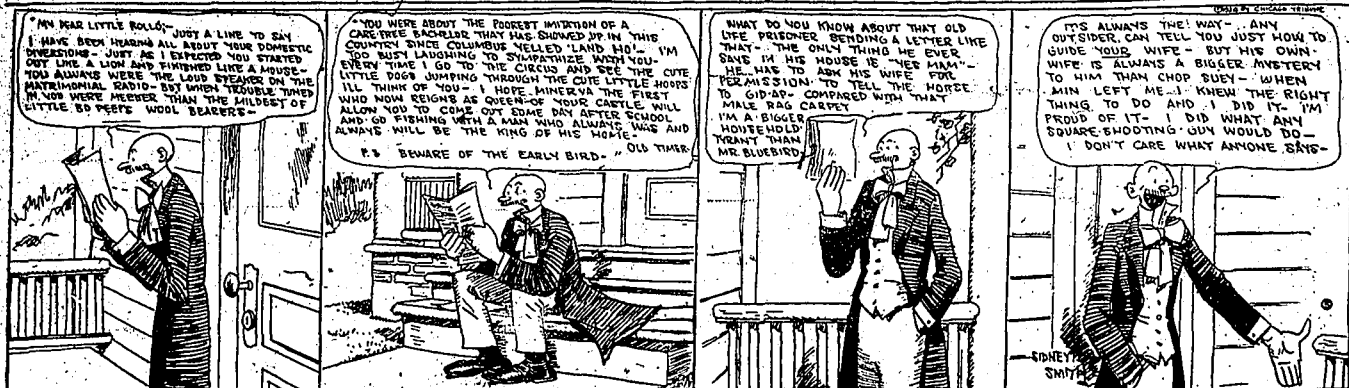

WASHINGTON, May 29 (AP)—A formal communication from the Japanese government protesting against the exclusion section of the new immigration law, reached the Japanese embassy here today for transmission to Secretary Hughes. Decoding occupied the attention of embassy officials throughout the day and the document had not been presented at the state department nor had any appointment been made with the secretary of State and Ambassador Hanihara when the department closed for the day to reopen Saturday.

At the embassy no information as to the nature of the protest was forthcoming. State department officials also maintained silence. The question of making public the protest will be considered by Secretary Hughes and Ambassador Hanihara after the latter formally places the note before the American government.

The only information thus far available as to the form and substance of the Japanese communication is that carried in press dispatches, which have reported that the Tokyo government regards the exclusion provisions "discriminatory" and in violation of a commercial treaty.

THE GUMPS—A LETTER FROM OLD TIMER

Radio Programs

Advance offerings at principal stations within range of receiving sets in Twin Falls county, arranged briefly for busy readers. TWIN FALLS TIME

FRIDAY, MAY 30.

KOW, PORTLAND.

CROPS MAKING RAPID GROWTH

Warmth and Abundant Sunshine of Past Week Stimulated Irrigated Vegetation.

Warmth and abundant sunshine during the week ending Thursday stimulated rapid growth of all vegetation in irrigated sections of Idaho and crops made splendid progress, says a weekly summary of weather and crop conditions in Idaho, issued by Clinton E. Norquest, meteorologist for the federal weather bureau at Boise.

In southwest Idaho, the summary says, steady summer weather obtained with temperatures well above normal until the last two days. Scattered showers occurred but in only a few localities were the amounts of precipitation sufficient to afford temporary relief from drought. The warmth and abundant sunshine stimulated rapid growth of all vegetation in irrigated sections and crops made splendid progress. In the dry farm sections crops are either at a standstill or making slow advance. In a few localities they are deteriorating. Farm work in all departments went ahead rapidly. In the earlier districts haying has begun and head lettuce is being harvested. In the Twin Falls sections farmers are busy planting late potatoes and fitting ground for beans. Orchard fruits are developing nicely, but the crop will not be heavy, due largely to the April freeze.

The weather in southeast Idaho was generally warm and dry. A few scattered showers occurred but not enough to break the drought condition. Beets are growing very slowly except where irrigated and in some places they are being plowed up to give place for potatoes. Early planted potatoes are making only slow growth and the same is true also of spring grains, except where irrigated. Winter wheat is fair to good. Ranges are fair to good in some sections and very dry in others. Alfalfa is good on irrigated land, but very slow on dry land meadows.

The long drought is not yet broken in the Lewiston or panhandle sections of north Idaho, but copious showers fell Saturday evening in the prairie region west of Lewiston. The rain was quite heavy in the vicinity of Grangeville. Some rains fell on the Camas and Nez Perce prairies on Thursday, also, and the crops in these sections are not suffering as they are elsewhere in

TOURIST PARK NOTES

All classes of people visit our park and we had thought list was full until a bolshevik or a rabid red came in and asked who owned or operated the park. He was told that the chamber of commerce had charge of it, and then the fire works began. He said, "Yes, the d—l bankers are running all of the tourist parks as they do everything else." It is needless to say that he did not register.

Ernest H. Cook and James Schroeder are making time while waiting until the Yellowstone park is opened. They hail from Sparks, Nevada. They report that the roads south are in fair condition except in some portions of Nevada.

M. E. Petefish is traveling all by himself from Chico, California, to Denver.

George W. Kastle and family are going back to Long Beach, California, from Chicago. It seems that the tide has turned.

Misae Fern Opdyke and Florence Welch, who have charge of the long distance department of the telephone exchange at Chico, California, are going to Florida to see if the Florida oranges are really sweeter than their western cousins. It is very evident that these young ladies are capable of taking care of themselves, judging by the way that they put up their tent and built their little campfire.

Mr. and Mrs. Mandeville came in

from Los Angeles Wednesday night and left for Chicago Wednesday morning. Mr. and Mrs. L. Schroeder and Mr. and Mrs. J. Jagals were dinner guests at the H. Knapp home Sunday. E. Meyer, L. Schroeder, J. Kaster and H. C. Reinke are among those who have planted beans.

An interesting program has been arranged for the picnic in Clover next Friday. A large crowd is expected. Everybody is cordially invited.

from Los Angeles Wednesday night and left for Chicago Wednesday morning.

Mr. and Mrs. Alvin Hasty, who have been touring the west, came from Boise Wednesday. They will go from here to Yellowstone park and then home to Kalama, Iowa.

Charles Ziegler and wife of McGill, Nevada, are going to Portland, Seattle, Vancouver, B. C., and then somewhere.

Mr. and Mrs. C. W. Sawyer are returning to Menasha, Wisconsin, from southern California, where they spent the winter.

The News is read by the permanent

PICK OPENING GAME LINEUPS

All Set for Twin Falls-Pocatello Baseball Session Today; Teams Well Matched.

Final preparations have been made and everything is in readiness for the opening of the baseball season at 3 o'clock this afternoon on the local ball park when Twin Falls meets Pocatello. The batteries for the Blues in the opening game will be either Keller or Cusack on the delivery and two receiving to be cared for by either "Chuck" Richardson or Edgar Muesell, the high school captain whose hitting will be a factor in deciding the place for him. For Pocatello either Aldred or Phillips will occupy the mound and as with Twin Falls there is a problem to decide between two batters, Grayson or Warren.

In the infield Bob Whitel will occupy the first sack for Twin Falls while Bill Bailey will take second and the elegant Phil Fox will hold down the hot corner at third, with Watson filling the shortstop post. This is a start in the infield for the Blues and for Cusack on the delivery will be Ross, first; Hill, second; Pettit, shortstop; Liddy, third.

For the positions in the outfield Twin Falls will have the services of the well known "Red" Bell in the left section, Lavell Jarman, a high school star of no mean ability, will take the place in center field and for Pocatello the man to whom the third gardening job in right field will be assigned. Pocatello has Bourne, Fieldstead and Ericson lined up in the outfield.

With such a lineup both teams are represented as very nearly equal in overall strength, both teams have complete strength, batteries and fielding ability of both is still a matter of speculation.

ENTRANTS LINE UP FOR INDIANAPOLIS CLASSIC

INDIANAPOLIS, May 29 (AP)—A score and two of little speedsters, almost as fast as toy automobiles, but with a difference, were lined up today for the annual 500-mile sweepstakes at the Indianapolis motor speedway tomorrow. Two additional machines will try at daybreak to meet the speed test of eighty miles an hour for 10 miles that will be the first of the series. The cars in the race should they make the required speed twenty-four cars will line up to get away with the crash of the starting bomb at 10 a. m. The speed fans had among the list of starters many favorites, but in all discussions the talk eventually turned to the possibility of Tommy Milford, winner in 1923 and again in 1924, winning the coveted first prize of \$20,000. Jimmy Murphy, winner of the 1922 race, was another favorite because of his capture of the pole position, a place he holds by virtue of his average of 108.04 miles an hour in the speed qualification trials.

FIGHT RETURNS AT NEWS OFFICE

Round by round and blow by blow, returns on the Gibbons-Carpentier fight will be announced as received at the News office Saturday afternoon.

The battle will begin at 3 o'clock or shortly thereafter, Twin Falls time. Special arrangements have been made for Associated Press service from the ring side direct to The News office.

PIRATES DROP GAME TO CUBS

Chicago Hits Well in Pinches; Boston Beats Phillies in Sanguinary Battle.

CHICAGO, May 29 (AP)—Pittsburgh was unable to do much with Vic Keen's offerings while Chicago hit opportunely behind bases on balls and defeated the Pirates, 5 to 2, in the final game of the series. Wright hit his second home run in two days.

The score: R. H. E. Pittsburgh 2 6 0
Chicago 5 7 3
Batteries—Morrison, Stone and Schmidt; Keen and O'Farrell.

BOSTON 5, PHILADELPHIA 4. BOSTON, May 29 (AP)—Boston made it three out of four from Philadelphia today, winning, 5 to 4. Fletcher was put out of the field by Umpire William McInnis' hand was injured in the second and Gibson replaced him at first. In the ninth inning Padgett was knocked out by Wrightstone who was rounding third.

The score: R. H. E. Philadelphia 4 10 1
Boston 5 10 4
Batteries—Glazner, Betts, Lewis and McInnis; Striker, McNamee and E. Smith, O'Neil.

Brooklyn at New York, postponed; rain.
Only three National league games scheduled.

OBTAINS DIVORCE DECREE

Decree of divorce was granted by Judge W. A. Dabcock in district court here Thursday to Mrs. Chloe Snyder from W. H. Snyder of Rogerson, to whom she was married in December, 1915. The action which was instituted on grounds of alleged cruelty, was not resisted by the husband. Testimony of different witnesses was heard on three different occasions before the case was closed. The granting of the decree, Mrs. Snyder was represented by Attorney O. C. Hall.

CARPENTIER READY TO FIGHT GIBBONS

GEORGES CARPENTIER

GEORGES CARPENTIER and Tommy Gibbons have finished the grind of heavy training for their bout Saturday and on Thursday both fighters engaged only in light workouts. Rules of the fight were explained to them Thursday and both men are confident of victory. Returns from the bout will be available at The News office Saturday afternoon.

SLOW GAME GOES TO TIGERS, 13-7

Cold Weather Features Long Affair in Which St. Louis Uses Five Pitchers.

DETROIT, May 29 (AP)—Detroit defeated St. Louis here today, 13 to 7, in the only game played by the American league. The contest, played in unusually cool weather and under leaden skies, stretched over two hours and 44 minutes. St. Louis used five pitchers who gave a total of 12 base on balls, hit one baseman, made one wild pitch and one balk.

The score: R. H. E. St. Louis 7 15 4
Detroit 13 13 0
Batteries—Voight, Grant, Pruett, Bayne, Lyons and Severed; Whitcomb, Johnson and Bessler, Woodall.

New York at Washington, postponed; rain.
Chicago at Cleveland, postponed.
Boston at Philadelphia, postponed; rain.

RESERVATIONS NOTED IN FISHING SEASON OPENING

Rock Creek Above Syphon and All Tributaries and Streams of Mindoka Forest Only to Remain Closed

Opening of the fishing season next Sunday will throw open to anglers all of the waters of this region except Rock creek's tributaries and the waters of that stream above the syphon and all of the streams within the Mindoka national forest, according to J. T. Sallabury, chief deputy state game warden, and officials of the Southern Idaho Fish and Game association, who Thursday made public an announcement to this effect.

Rock creek will be open to fishing from its mouth to a point 300 feet below the syphon, where a fish ladder is installed, but neither the stream itself above that point nor any of its tributaries will be open.

DEMOCRATIC SOCIETIES PAY TRIBUTE TO WILSON

Memorial for World War President Inexpensive Feature of Joint Meeting of Local Organizations

Members of the Twin Falls County Jefferson club and of the Democratic Women's club, among others, an assemblage of about 50 persons, at a meeting Thursday evening in the Business Women's club, rooms paid tribute to the memory of Woodrow Wilson on the eve of Memorial Day. Various phases of the life and work of the world war president were discussed by a number of speakers. L. H. Meters spoke of "Woodrow Wilson, Author and Educator," John E. Davies of "Woodrow Wilson, Statesman," Chester G. A. Divilbiss, Buhl, of "Woodrow Wilson, First in War," Mrs. T. M. Roberts of "Woodrow Wilson, First in Peace," and O. W. Withan of "Woodrow Wilson, First in the Eyes of the World."

Directors of officers of the Jefferson club, held on this occasion, resulted in the selection of W. Orr Chapman, president; John E. Davies, vice president; and L. H. Meters, secretary.

Mrs. J. D. Whelan, president of the Democratic Women's club presided over the joint meeting. Musical numbers included a vocal solo by Mrs. E. G. Stardivant and selection by a quartet composed of Madeline Wiley, Westcott and Summacker and Miss Edna Graham, with Mrs. Benson as accompanist.

Considerable enthusiasm was aroused by singing of two original songs—"On That Cold November Morning," by the Democratic Women's club, and "G. O. P., Ain't Goin' to Win No Mo'," by boys and girls chorus.

BOARD RECEIVES BIDS ON GRANDSTAND ADDITION

New Fair Grounds Structure to Cost \$2245.90 Under Contract Awarded Low Bidders on the Job.

Bids of the Boise-Payette Lumber company for subdividing material and of Turner and Ghan for construction of an 80-foot addition to the grandstand at the Twin Falls County fair grounds were accepted by the county commissioners at a meeting Thursday evening at Elmer with members of the fair board.

The lowest bid in each instance was accepted on motion of Commissioner O. C. Carlson. Two bids were received for supplying the materials, and three for erection of the structure.

Under the contract this awarded the material cost \$1775.90 and the building work \$470.

HELD ON LIQUOR CHARGES

Leo Peterson and Raymond Henry, both of Idaho, arrested on bench warrants issued by the federal district court on charges of violation of the prohibition laws, were released under \$500 bonds each by United States Commissioner H. E. Powers in Twin Falls, before whom they were taken Thursday by George W. Oylear, deputy United States marshal.

Meaning of Han

The word han is used in the Near East to designate a stopping place for travelers. It scarcely takes on the dignity of a hotel, since the rooms are furnished with nothing more than a pallet to provide a resting place for the weary sojourner.

A Mole's Tunnel

A mole has often made a passage 100 feet in length in a single night when the ground has been softened from rain. Often a mole house underground is complete in every detail with big rooms and convenient outlets.

First American Shoemaker

The first recorded American shoemaker was Thomas Bald, who arrived on the second voyage of the Mayflower in 1620. He was under contract with the Plymouth company to make shoes for the colonists. One Philip Kirilind, a Welshman, came to Lynn, Mass. in 1630, and John Adams, a celebrated shoemaker, settled there in 1750; so Lynn got its start in the industry for which it is now famous.

Road to Fortune

The road to fortune is comparatively unobstructed. Such multitudes of people are carefully keeping out of the way of those who are traveling it.

REMINGTON'S

Do you know why our leading newspaper chose Frederic Remington's paintings for its big campaign—when so many other great artists' pictures were also available?

It was because Remington's paintings are so distinctly American—because every one of his pictures tells a complete story in itself—because his people are all clean-cut, strong—because so many millions admire and love them.

And Remington in Motion Pictures Is the Greatest Accomplishment of the Screen!

You will feel the thrill of your life. A marvelous production—a great painter's masterpieces brought to life, with a background of romance, pathos and thrilling drama. You will never forget it, once you see

25 GIRLS AND 4 BOYS LISTED ON HONOR ROLL

Twenty-Nine High School Students Maintain High Scholarship During Semester; 68 Score Perfect Attendance.

In a report of the scholarship and attendance during the past semester, just closed, the names of 25 students, 25 girls and but 4 boys appear on the scholarship honor roll of the Twin Falls high school for the entire year. In the senior class seven are listed as honor roll students for the year, and in the junior class 15, while the sophomores have but nine. These students whose names have all appeared on the honor roll designated as "high" for all of the six periods, are the following:

Seniors: Viola Selck, James Tucker, Della Mae Bradish, Irma Campbell, Iris League, Norma Lenz, Louise Owen, Juniors: Flo Cook, Ann Craven, Lola Henry, Glen Jahn, Dorcas Sheldon, Ruth Tolliver, Helen Walte, Adelino Elmdorf, Catherine Hixson, Lawrence Rutter, Susan Blackburn, Jeroma Krikanek, Margaret Owens.

Sophomores: Dahl Boekwitt, Evelyn Bolster, Clinton Evans, Elizabeth Miller, Vera Sackett, Grace Griffin, Helen Perrine, Fern Wadsworth, Margaret Hill.

Score Perfect Attendance. Sixty-eight students of the high school have a perfect attendance record for the second semester according to the report. Of these the seniors head the list with 20 students who have perfect records, the juniors 19, but 19 and the sophomores 23.

The students with perfect attendance for the semester recently closed follow:

Seniors: Mary Louise Bailey, Raymond Baldwin, Earl Bickford, Wallace Caldwell, Irma Campbell, Joseph Christopherson, Martha Farrar, Agnes Horne, Clara Kahl, Leora Lack, Iris League, Evelyn McDonald, Alice Marshall, Ethel Matlock, Mildred Mackey, George Miller, Melcher Pribe, Anna Rector, Esther Rogers, Viola Selck, Beatrice Smith, Roy Stephenson, James Tucker, Dorothy Neely, Marian Wason, Everett DeWitt.

Juniors: Edna Carter, Ann Craven, Leola Henry, Mabel Williams, Norma Hall, Glen Jahn, Hubert Kuhlman, Joe Long, Donald McAlain, Paul McGellan, John Mackey, Helen Porter, Theodore Scott, Dorcas Sheldon, John Sturges, Ruth Tolliver, Helen Walte, Ruby Warberg, Ruth Wirth.

Sophomores: Clifford Bell, LaVerne Carlson, Pauline Coderberg, Clifton Moore, Jessie Olmsted, Helen Griffin, Clyde Rosa, Walter Snow, Connelo Sturgeon, Alice Taylor, Edith Taylor, Nadine Settle, Leone Ward, Fern Wright.

On Final Period's Roll. Honor students for the final period of the school year are headed by two girls, Dorcas Sheldon, a junior, and Doris Gracie, a sophomore, each with four "A's" to her credit. The students on the "high" honor roll follow for the classes, and are followed by the remaining students who qualify for the general honor roll.

Seniors: Marshall Ruge, Della Mae Bradish, Irma Campbell, Herbert Carter, Everett DeWitt, Martha Farrar, George Gilling, Vey Gish, Leora Lack, Iris League, Norma Lenz, Dorothy Neely, Louise Owen, Alice Prior, Anna Rector, Vera Rogers, Hector Rydberg, Viola Selck, Roy Stephenson and Jack Tuckey.

Juniors: Susan Blackburn, Virginia Christopherson, Flo Cook, Ann Craven, Irving Drury, Adelino Elmdorf, Leora Elmdorf, Maybelle Estling, Wilma Hammond, Leola Henry, Katherine Hixson, Glen Jahn, Jeroma Krikanek, Joe Long, Raymond McMillan, Twila Norris, Margaret Owens, Vera Potter, Lawrence Rutter, Dorcas Sheldon, Ruth Tolliver, Helen Walte and Ruth Wirth.

Sophomores: Dorothy Barger, Dahl Boekwitt, Evelyn Bolster, Isabelle

TO ATTEND CONVENTION

Mrs. M. J. Sweeley Leaves for Los Angeles in Connection With Annual Federation Sessions.

That Idaho club women are a solid unit in favor of the election to the presidency of the general federation of Mrs. Wallace Perham of Glendale, Mont., is the statement of Mrs. M. J. Sweeley, who expects to leave here Friday night for attendance upon the national convention to be held at Los Angeles June 3 to 13.

There are three candidates for the presidency and Mrs. Perham, as a western woman is looked upon as entering the race under a natural handicap because of this fact. The election is considered of unusual importance, however, and the advantages to the west through the election of Mrs. Perham will not be lost sight of by her supporters.

Mrs. Sweeley, as president of the Western Federation, is also Idaho director in the general federation. One of the points of interest to be settled at the convention will be the acceptance or rejection by the federation of an offer of an endowment in the sum of \$5,000,000. Very little is known as to the source of the endowment, but it is anticipated that a good deal of time will be devoted to the matter before definite action is taken.

Clark, Ruth Darling, Clifton Evans, Nellie Galloway, Doris Gracie, Gladys Griffith, Hazel Griffith, Virginia Hart, Margaret Hill, Mildred Kobs, Estelle Longeicht, Jane Maxwell, Wilma Meier, Victor Melton, Elizabeth Miller, Barbara Noble, Helen Perrine, Roy Vera, Vera Sackett, Fern Wadsworth, Betty Wilson, Patricia Wilson.

Listed in Second Group. The students of the second group follow:

Seniors: Neoma Anderson, Mary Louise Bailey, Raymond Baldwin, Al Blackburn, Joseph Christopherson, Robert Dingman, Mabel Dougherty, Harold Fisher, Vey Gish, George Harwood, Agnes Horne, Clara Kahl, Kenneth Kenworthy, Nola McDonald, Ethel McDowell, Alice Marshall, Ethel Matlock, George Miller, Morris Moore, Mary Ellen Newman, Leona Norris, Melcher Pribe, Mary Ray, Andrea Reed, Everett Rees, Paul Rowan, Edgard Shurtliff, Harold Sinema, Runa Rector, Victor Rogers, Viola Selck, Beatrice Smith, Pauline Stephens, Virginia Taylor, Lona Yochum, Jessie Young.

Juniors: Lucile Arner, Robert Anderson, Westley Bagley, Anita Blee, Edna Coleman, Frieda Colman, Baldo Duke, Johanna Dunn, Thelma Erickson, Edith Filer, Dorothy Fuller, Victor Galloway, Lawrence Hall, Roy Hammond, Clara Kahl, Leora Lack, Ruth Kelsey, Emma King, Phyllis Kirkman, Hubert Kuhlman, Donald McAlain, John Mackey, Hazel Margus, Theodore Matlock, Albert Murphy, Nellie Nelson, Helen Perrine, Helen Rector, Helen Reeves, Theodore Scott, Dorothy Shears, Delmar Shumway, Mary Snow, Edith Taylor, Lawrence Turner, Stanley Walker, Edna White, Wallace Wilkinson, Edith Williams, Mabel Williams, Elvira Yochum.

Sophomores: Kenneth Arner, Estelle Averitt, Helen Barnea, Olive Bitter, Helen Bole, Beth Bowen, Nilla Campbell, LaVerne Carlson, Lois Carlson, Minnie Christopherson, George Cleveland, Mary Davis, Keith Evans, Robyn Finch, Louisa Hahn, Bernice Haines, Hester Hamilton, Newton Harrell, Margaret Harrison, Henry Hixson, Cora Jensen, Lindsey Jones, Violet Johnson, Mattie Kelso, Mildred Kerna, Gordon Laird, John McGinnis, Lois McKinney, Walter Malberg, Herbie Meander, Jessie Olmsted, Leola Perry, Ruth Porter, Clea Ritchey, Edna Mae Roberts, Walter Roberts, Grace Schade, Grace Schoover, Debra Selck, Walter Slaughter, Alfred Strong, Connelo Sturgeon, Alice Taylor, Edith Taylor, Ruth Van Ausden, Louise Wall, Margaret Wall, Maud Walters, Leone Ward, Elaine Wiseman, Margaret Wirth, Fern Wright.

Seniors: The Twin Falls ferry is again "run" and will be improved landings. The Idaho Power company has completed a dam creating a back water which assures no further interruption in the operation of the ferry. Grading of the highway from Falls City to the ferry is completed and the grade is in fine condition.

ANDERS ANDERSON, Owner.—adv.

HANSON FREED OF THEFT CHARGE

OLE HANSON, Seattle, Washington's picturesque war mayor, now a resident of Los Angeles, Cal., where he is in the real estate business, has carefully defended himself against a charge of horse stealing in a Pasadena, Cal., court. The charge was brought by Clarence W. Baston, of Sierra Madre. "I am charged with stealing my own horse," said Hanson, when the case was brought on for a justice of the peace. "When I moved to Los Angeles I shipped five horses there. Someone stole one and when I found it on a vacant lot at Sierra Madre, I took it back."

First Modern Census. Many of the European countries had crude methods of taking a census in very early times. In England as early as 1081 William the Conqueror took what may be termed as an agricultural census, the results being embodied in the Domesday Book. The modern census originated in Sweden, England and the United States. In 1749 the Swedish Academy of Sciences directed the clergy to compile statistics of population, etc. In Great Britain the census office was established in 1800, and the first official census was taken in 1801. The first census of the United States was in 1790. Russia in 1802 established a central bureau for the purpose. France did the same after the revolution; Prussia in 1805; Austria in 1828, and Belgium in 1833.

Corpuscles of the Blood. A painstaking German scientist, practiced in the juggling of trillions as a result of the approach of the mark to the absolute zero, has published some startling statistics concerning the corpuscles of the blood. Those microscopic entities which give it its color and its life-giving power, laid edge-wise in single line the corpuscles from the blood of a healthy adult would extend nearly five times around the earth at the equator. Counting five of them every second, it would require 160,000 years to count every one of the 25,000,000,000 of them. The corpuscles of two men would reach as far as the moon if placed edge to edge.

Near Perpetual Motion. Probably the nearest thing to a perpetual motion yet developed is a radium clock, invented by Lord Rayleigh more than ten years ago, and which has been operating ever since without having once been repaired or touched by human hands.

SOCIETY

Telephone 598 Edited by Mrs. E. W. Williams

Mrs. William Zenas Smith and Mrs. John Wood Dodge Smith entertained with a charming bridge luncheon on Thursday at the home of the former on Seventh avenue east. Pale pink and pale yellow was used in the color scheme and carried out with pink wild roses and the early yellow roses. The guests were seated at nine small tables each centered with a bud vase holding roses. Mrs. P. J. Costello won first prize in the bridge games, Mrs. L. Cloe, second, and Mrs. D. J. Cavanaugh consolation. The Madams Smith will entertain with a second luncheon today, 120 invitations being issued for the two days.

Mrs. and Mrs. W. J. Lloyd were hosts to the members of the Extra Nons Bridge club and their husbands on Wednesday afternoon at their home on Sixth avenue east. Four tables of players enjoyed the bridge games, Mrs. William Bledsoe and Mrs. George Sandholtz winning the favors for high score and Mrs. and Mrs. J. G. Tolson for low. A beautiful bowl of yellow roses formed the decorations and at a late hour Mrs. and Mrs. J. G. Tolson were trying out a yellow and white color scheme. The favors were dainty yellow baskets filled with white and yellow gerbera, Mrs. and Mrs. J. G. Tolson were also guests of the evening.

On Wednesday evening Mrs. P. J. Costello, Mrs. Z. H. North and Mrs. Charles A. North entertained a second beautiful party. The spacious rooms were artistically adorned with pink and yellow flowers. A number of guests enjoyed the evening with conversation and needlework and 15 tables of bridge players enjoyed the games at which prizes were won as follows: Mrs. Herbert G. Lauterbach, first; Mrs. Nive Evans, second, and Mrs. P. J. Grossman, consolation. After the games a dainty two-course luncheon was served.

Mrs. S. P. Newman and Mrs. H. P. Laird entertained the Episcopal Guild Thursday afternoon at the home of the former on the DeLong address. There was the usual transaction of business followed by a social hour, during which the hostesses served dainty refreshments. Mrs. J. G. Tolson, first; Mrs. Nive Evans, second, and Mrs. P. J. Grossman, consolation. After the games a dainty two-course luncheon was served.

Complimenting Mrs. C. W. Grimes on her birthday anniversary, Mrs. H. H. Holstrom entertained with a dainty lunch dinner Wednesday evening at her home on Eleventh avenue east. Covers were laid for eight at a beautifully appointed table having as a centerpiece a large crystal basket of pink daisies, and lighted with Japanese lanterns which were artistically used about the dining and living rooms. After dinner the party spent the evening at the theater. Those present, in addition to the honored guest, were Mrs. V. A. Finlayson, Mrs. A. L. Oslund, Mrs. D. A. Salomon, Mrs. E. W. Ogden, Mrs. and Mrs. H. H. Holstrom, and Mrs. Dorothy Holstrom.

Mrs. W. A. Van Engles was hostess at an informal Kensington Wednesday afternoon at her home on Seventh avenue north. The rooms were attractive with pink andragoras and dainty refreshments were served to the twelve guests.

The Addison Avenue Social club entertained at a beautifully appointed Japanese luncheon at 1 o'clock Wednesday at the home of Mrs. Charles Bruggemann. The guests were seated at six small tables, each having a centerpiece of cut flowers. The place cards and

nut cups carried out the Japanese idea, and Japanese costumes were worn. After the luncheon short talks on Japan were given, Mrs. Mahken winning a prize for the best talk. A musical program followed, consisting of piano duets by Ruth Leiser and Ruth Bruggemann; also Marjorie Smith and Ethel Stronk. Vocal numbers were given by Mrs. W. O. Smith and Mrs. Orlo Williams, one of which, entitled "Cherry Blossom," was sung by the Japanese girl, Cherry Blossom, who was represented by Miss Eleanor Stronk. Afterward novel contests were enjoyed, prize winners being Mrs. Leiser, Ruth Bruggemann and Marjorie Smith. This being guest day, the following guests were present: Mrs. Mahken, Mrs. Leiser, Mrs. W. O. Smith and Mrs. Orlo Williams, Mrs. Wallace and the Misses Marjorie and Mildred Smith, Eleanor Stronk and Ruth Leiser. The meeting closed with singing the club song. The next meeting will be held at the home of Mrs. Orlo Williams June 11.

APPROVE SILVER PURCHASE BILL

(Continued From Page One.)

ing state, has nearly 5,000,000 ounces of silver, or approximately one-third of the amount that would be purchased by the government under the Pittman act, according to estimates of local mining men.

This amount may be sold if the bill passed today by the senate, directing the treasury department to

complete the purchase of stores of domestic silver, covered in the wartime legislation, becomes a law. The price would be held at \$1 an ounce under the act and would bring \$5,000,000 into this state.

Memorial Day

Today—Memorial Day—the nation honors its sons who, in three wars, made the supreme sacrifice for those ideas and ideals which we are proud to call American.

It will be a day of merry-making, of course, but there is no one among us who can not well afford to think upon the reason for it, and pause to show some honor to the nation's dead.

TWIN FALLS
BANK & TRUST CO.

Time Calls Roll of World War Veterans

Memorial Day Takes on Added Significance for Younger Service Men in View of Own Fatalities.

Memorial Day this year has assumed increased significance for veterans of the world war in view of statement recently made public through the American Legion that 125,000 world war service men have died since July 30, 1919, a number equal to the number of service men who died in the world war killed in battle or victims of wounds or disease.

Twenty-six thousand service men will answer the final roll call in 1924—one every 20 minutes, three every hour, 72 every day, the statement continued. On Memorial Day the 11,000 posts of the American Legion will join in placing flowers on the graves of a quarter of a million departed comrades.

Members of the Legion in Twin Falls are co-operating with the older veterans of the Grand Army of the Republic in preparations for the observance of Memorial Day, and in connection with this observance the Legion members will pay tribute to the world dead, placing wreaths upon the bronze tablet in the high school building bearing the names of high school students who died in service, and decorating at the cemetery a cross-shaped monument, the grave of the unknown soldier.

JURY HOLDS SALE UNDER EXECUTION WAS ILLEGAL

Awards \$250 to Mrs. Stella B. Smith on claim for \$1800 from husband's creditor and Sheriff.

Verdict awarding \$250 to Mrs. Stella B. Smith from Ed Tolbert and M. E. Finch, Twin Falls county sheriff, on her claim for \$1800 for alleged illegal seizure and sale under execution of certain furniture which she claimed was her separate property, was returned Thursday evening by a jury listening to the case for about two hours' deliberations. The verdict was signed by nine of the 12 jurors.

Trial in the case was begun Wednesday and occupied the entire day Thursday. Mrs. Smith, who is the wife of W. S. Smith, a former resident of Twin Falls, sued for \$250 as the value of the property in question and for \$1000 exemplary damages. The property in question was levied upon under judgment obtained against Mr. Smith. Mrs. Smith was represented by the late of the case by Attorney W. O. Chapman. Stephen and North and J. W. Taylor, county attorney, appeared as counsel for the defendants.

ONE MOONSHINE SUSPECT RELEASED AFTER HEARING

N. L. Bletcher, arrested Tuesday by a federal officer and Twin Falls county deputy sheriff at Kitter's Hot Hole ranch in Owyhee county, 80 miles southwest of here, following a hearing here Thursday before United States Commissioner H. E. Powers, was held under \$1000 bond to answer to the federal court on charge of violating the prohibition laws. Bletcher is the alleged owner of a large moonshine still seized by the officers near the ranch. Frank Leonard, arrested as an accomplice with Bletcher in operation of the still, was released for lack of evidence implicating him in the alleged offense.

Frank Elanquerre, Haque, in whose possession a second moonshine still and quantity of liquor is alleged to have been found by the officers at the end of a difficult trail in Buck canyon, about five miles distant from the ranch, also is under the custody of the commission and declared that he is a resident of Nevada.

SUE FOR DIVORCE DECREE

On the grounds of alleged desertion and non-support, Mrs. Wanda B. Moffett instituted suit in district court here Thursday for divorce of Elmer Moffett, to whom she was married in Burley in March, 1919. The alleged desertion dates from April, 1922. Mrs. Moffett asks for full custody of her four-year-old son. She is represented by Attorney E. A. Walters and R. P. Parry.

Men and Women in the News of the Day

MRS. WOODROW WILSON, widow of the late ex-president, fell and fractured a small shoulder bone on a recent visit to friends in Virginia. Mrs. Evelyn Sue Richman has been found not guilty in Annapolis, Md., of the murder of her husband, Elmer, James O. Rickner, U. S. A., whom she shot to death in his quarters here. Daniel G. Reid, American plate king, has returned to New York from Europe with his personal physician, valet, barber, companion and four attendants, after a vain search for health. He has not slept a restful night in two years and smokes 30 cigars daily to steady his nerves. Countess Montpelier, formerly Blanche Terwin of New Orleans and a noted Southern beauty, is soon to marry Sir Mortimer Davis, Canadian tobacco king and one of the Dominion's wealthiest men. She secured a divorce a few years ago from the Count.

Twin Falls County Farmer's Preparing for Short Water

Views and Ideas of Men Who Expect to Raise Good Crops Notwithstanding Existing Conditions; Methods of Handling Crops Set Forth in Interviews Gathered by The News.

P. H. Weller, who, with his son, L. R. Weller, farms a splendid 100-acre place on Addison Avenue north of Kimberly, a day or two ago stated that the biggest crop of potatoes he ever got in his life was made in 1916, a short water year.

He expresses himself as not at all uneasy as to the water situation unless the shortage should reach a point where crops actually burn for lack of moisture, a situation which he regards as exceedingly unlikely although he is prepared for a distinct shortage of available water, especially towards the close of the irrigation season.

Questioned with respect to his 1915 potato yield he said: "I watered and cultivated first, then used three light waterings, the first on every other row, the last two every row. The runs were very light, the last being on July 29. The water was so low that I used less than half of the normal available amount. I seldom use longer than a 12-hour run and frequently change two or three times in 24 hours."

Twenty Tons to the Acre.

"I have grown beets for six or seven years. Last year I got 20 tons to the acre off of the seven acres planted. I started with a light run, watering only every second row and run for perhaps six or seven hours. I try to keep the ground damp and use a little water every ten days or so. I judge I used about half the available water on the beets last year."

"I can get along on 70 per cent of a normal flow of water. My crops did not suffer in 1915 or 1919. It is just as detrimental to crops to use too much water as it is to use too little. I only irrigate every second row of beets. This year I will make row of water for my cultivated crops. For spuds and beans I set the corrugations three feet apart before planting. While I know I can get along with 70 per cent as much water as we had last year, I am prepared to try it on 40 per cent. After all, water on the farm is a good deal like money the more you have the more you are inclined to use."

The Weller farm this year is planted to 18 acres of beans, 8 acres of beets, 2 acres of potatoes, 15 acres of alfalfa, 1 acre of corn, 17 acres of wheat, 10 acres of red clover, 4 acres of barley and 4 acres of wheat with alfalfa planted with the wheat and barley.

Returned to Pocatello—John Hood returned Thursday to his home in Pocatello after a few days' visit in Twin Falls.

Leaves for Virgil—Mrs. L. A. Snyder left Thursday morning for Rigby, Idaho, to visit friends for a couple of weeks.

Rainfall Marks Day on Season's Calendar

In point of its precipitation record as given by the government weather observer's station here showing 18 one-hundredths of an inch of rainfall during the 24-hour period ending Thursday evening, Thursday was an extraordinary day among the days of the spring and early summer in the Twin Falls region. Considerable proportion of this precipitation fell after midnight Wednesday when the official forecaster predicted "fair and warmer" weather for the immediate future—and the forecast was repeated Thursday evening.

Temperature was high on Thursday at 82 above, a decline of one degree under the maximum of the preceding day, and low at 39, a decline of three degrees.

exercises at the university the Shoshone, accompanied by their son and daughter, Francis and Emma, will make an extended tour of the northwest. While Mrs. Honnold will return home with her daughter, Helen, who is a junior in the state university.

Important Mexican City Monterey is the most important city of northern Mexico. It was at one time much frequented by invaders from the United States because of its dry, mild climate.
