

WORK IS GIVEN PROJECT FUND TO BUILD DAM

Check for \$1,989,316 Tendered Secretary for American Falls Reservoir; Contracts Opened on October 20.

WASHINGTON, Oct. 16 (AP)—A delegation of Idaho citizens representing different irrigation districts, headed by Senator Gooding of that state, today tendered Secretary Wood the check for \$1,989,316, thereby paying the war construction under government supervision of an \$8,000,000 reservoir at American Falls, Idaho. Opening of competitive bids for the project was set for October 20 at American Falls.

The enterprise contemplates irrigation of approximately 3,500,000 acres in the Snake river valley and is expected to enhance crop production by approximately \$40,000,000 annually. The reservoir will have a capacity of 7,000,000 cubic acre feet of water. Construction expense will be borne by irrigation districts and companies and the government.

RACE DRIVER KILLED ON SOUTHERN TRACK

CHARLOTTE, N. C., Oct. 16 (AP)—Ernie Ansterberg, world famous automobile racer, was killed today on the new Charlotte speedway when he lost control of his car while trying the new track, struck the upper rail and went over it. He died on the way to a hospital.

Ansterberg arrived here this week from Los Angeles with a number of other racers for inaugural races at the speedway October 25. He held the world record for the fastest lap at a mile and a quarter board track, having made this record at Alhambra last summer. Ansterberg was married and his wife is said to be in Los Angeles.

BOISE ROBBERS IN JAILBREAK

Two-Accused of Robbing Eagle Bank Saw Way to Freedom From Ada County Prison.

BOISE, Oct. 16 (AP)—Oliver J. Jones, former convict, and Chet Langley, who held up and robbed the Bank of Eagle, were here Monday, August 11, escaped from the Ada county jail about 2 o'clock this morning after sawing the locks of their cell with a hacksaw and knocking the night watchman, Charles Stahl, in the head with an iron rod.

The night watchman had been called to the cell section where the prisoners were charged with more serious offenses were confined to let one of the prisoners who was sick, into the corridor and when Stahl opened the outer door he was struck in the head by one of the robbers then thrown back into one of the cells and locked up, where he remained partially unconscious for about 20 minutes. He gave the alarm summoning the sheriff.

Take Three Revolvers. Jones and Langley broke open the gun case in the sheriff's office and took three revolvers and 100 rounds of ammunition and left the building. Jones and Langley were the principals in the robbery of the Eagle bank, the former covering the cashier and his daughter with a gun while Langley looted the vaults and cash trays in the office of \$2725.

Within 24 hours after the arrest of Jones and Langley and the other accomplices, Dora Douglas, a waitress, and "Hunk" Endaley, the driver of the automobile, which was in control of the robbers during the frame-up of the robbery and until the get was perpetrated and the money-cashed, sheriff's officers and the city police force had recovered \$1947 of the missing plunder. The remaining \$775 is still unaccounted for.

Bank Employees to Run Institution, President Asserts

Bank of Italy, \$380,000,000 Concern, to Go to Workers, Officials Say.

SAN FRANCISCO, Oct. 16 (AP)—A plan whereby the 2200 employees of the Bank of Italy, a \$380,000,000 institution, are to take over control of the bank, has been approved by the board of directors. It was announced today to the Associated Press by A. H. Giannini, president. The plan will go into effect on January 1.

As a preliminary move Mr. Giannini will retire tomorrow as president, and James A. Macgregor, the present senior vice president, will succeed him as head of the institution.

ZR-3 IS SYMBOL OF PEACE BETWEEN TWO NATIONS, SAYS WILBUR

WASHINGTON, Oct. 16 (AP)—The ZR-3 was declared today by Secretary Wilbur, speaking in behalf of the navy, to be a "symbol of peace and friendship between her builders, her owners and other nations."

Secretary Wilbur's announcement was made in the course of a speech at a luncheon to Dr. Hugo Eckener, head of the German Zepppelin company, and several executive officers of the air cruiser during their visit today to Washington. The party was received by the congratulations who reiterated the congratulations he had telegraphed on the arrival of the ZR-3 at Lakehurst and after a conference with the national advisory council for aeronautics, returned to Lakehurst, N. J., tonight, to resume supervision of activities at the field.

JURORS DELIBERATE LONG IN LAND CASE

Question of Ownership of Triangular Strip of Land in Filer District Proves Perplexing.

Jurors deliberated until late Thursday evening without reaching agreement as to ownership of a triangular strip of about one and one-fourth acres of farm land in the Filer district involved in the suit of Blanche Case against Peter and Margaret Edson. The case, which had been on trial in district court here since Tuesday morning, was given to the jury at about 2 o'clock Thursday afternoon. Judge Raymond L. Givens of Boise, presiding in the trial, requested that the jury return a sealed verdict this morning if agreement on a verdict was not reached before 5 o'clock Thursday evening.

PACKERS FACE COMPLAINT BY U. S. SECRETARY

Discrimination Alleged Against Armour & Company by Wallace; Answer Required December 1.

WASHINGTON, Oct. 16 (AP)—The complaint against Armour and company, and Swift and company, announced yesterday to have been issued by Secretary Wallace under the packers and stockyards act, charges those companies with refusal to do business with traders located on the Chicago livestock market and requires an answer to the charges by November 20. A hearing is set for December 1, in Chicago.

The complaint declares that about one-third of all hogs consigned to commission men at Chicago are purchased by traders, although they ultimately are secured by the packers. The Armour and Swift companies are alleged to be restricting and confining their purchases to commission men of hogs not previously purchased or handled by any trader. The complaint declares this to be unfair and discriminatory practice.

Purchase First Hand. Representatives of Armour and company, in a statement today, said the only instructions on the subject given to their hog buyers were that insofar as practicable they should purchase first hand hogs and not second hand hogs, because recent results showed large shrinkage on the second hand hogs, amounting in some instances to as much as 10 pounds per head. Armour and company, therefore, could not afford to buy such second hand hogs on a competitive basis with first hand hogs, the statement said.

WOMAN MAYOR IN OFFICE

ALICANTE, Spain, Oct. 16 (AP)—Spain's first woman mayor took office today at Xaetre Ponedeta, district of Coconetiana. She is Marie Peres y Moyra, 40 years old, a widow and a school teacher. Her appointment is regarded as significant since Spain has not long giving authority to women.

FOOTBALL GAME TODAY

Kimberly and Hansen have football teams in the field for the first time and the two teams will meet in a game this afternoon at 2 o'clock at Kimberly, according to announcement made Thursday evening.

Italy's Future Ruler Reported Engaged

THE ENGAGEMENT of Prince Humbert, heir to the Italian throne, is reported again in Rome, the expected bride being Princess Marie Jose, daughter of the Belgian ruler. While there is no official confirmation by either of the royal families, it is believed in well informed circles that the date of the engagement will be announced shortly.

Barber Who Admits Causing John D.'s Baldness Is Found

Celebrates Fiftieth Anniversary at Trade; Warned Millionaire of Result.

TARRYTOWN, N. Y., Oct. 16 (AP)—Edward Helwig, village barber, who admits that he is more or less responsible for the baldness of John D. Rockefeller, the oil king, tomorrow will celebrate his fiftieth anniversary at his trade.

"I remember shaving Mr. Rockefeller often," said Mr. Helwig today, in talking of his famous patron. "I told him at that time that he would lose his hair. You might say I was the cause of his losing his hair, but I obeyed his orders. The doctors had told him not to take a hard massage of the scalp. Yet when I started to rub his head lightly he told me to massage it so briskly that it would be like a beat. I warned him, but he wouldn't listen to me. Now he hasn't a hair on his head."

G. O. P. CAMPAIGN FUND \$1,714,317

Republican Organization Tells Investigators Amount It Has Spent So Far.

CHICAGO, Oct. 16 (AP)—The republican national campaign organization has collected and expended \$1,714,317 up to October 10, and the LaFollette independent organization had collected \$199,535 and disbursed \$158,002, according to testimony given today at the opening sessions of the special campaign fund investigating committee of the United States senate.

Complete figures as to operations of the democratic national organization were not obtained, but Lincoln Dixon, manager of the western headquarters testified that his organization had spent \$32,500 up to October 10, of which sum all except \$5000 had been furnished by the national committee. The other \$5000 was a personal contribution from George B. Brennan, democratic national committee member from Illinois, he said. Chairman Borah, republican, of Idaho, stated that he would call finance officers of the democratic national committee later.

From 16,002 Persons. W. V. Hodges, treasurer of the republican national committee, told the senate investigating committee that the gross total contributed to the republican campaign had come from 16,002 individuals and organizations with two contributions ranging from \$10,000 to a maximum of \$25,000.

John M. Nelson, national director of the LaFollette campaign, testified that the total of \$199,535 received by his organization had come from approximately 72,000 contributors in sums ranging from \$1 upward, with one contribution of \$23,000, and one of \$5000 and three of \$1000 each. Manufacturers and investment bankers were the principal contributors in large sums to the republican fund, Mr. Hodges said. William Wrigley Jr., of Chicago, was listed as the only person contributing as much as \$25,000. James A. Patten of Evanston, Ill., a grain dealer, gave \$20,000. Fifteen thousand dollar contributions came from Payne Whitney of Manhattan, N. Y.; Aldrich A. Johnson, manufacturer, of Camden, N. J.; and Arthur Curtis James of New York city, Hodges testified.

BOWLING TOURNAMENT

The Fisher Drug bowling team Thursday evening defeated the Troy team in the bowling tournament, 2351 to 2257. Individual scores follow: Troy laundry: Handholtz 437, King 453, Wright 452, dummy 403, Chitt 480, Fisher Drug: McCracken 408, Hill 422, Porter 425, Kunkle 400, Bailey 530.

CARRIERS ASK AUTHORITY TO REDUCE RATES

Violation of Long and Short Haul Clause Sought by Railroads; Decision Rests With Commission.

WASHINGTON, Oct. 16 (AP)—The interstate commerce commission today took under advisement the application of transcontinental railroad for authority to violate the long and short haul provisions of the interstate commerce act with respect to rates from midwestern territory to Pacific coast points.

Concluding arguments in the case were presented to the commission during the day by representatives of nearly all interests affected by the proposed transcontinental rate reductions. Such reductions have been granted, declaring that every provision of the law requisite to granting reductions had been met in the present proposal.

Summarizing the arguments of the carriers, W. B. Scandrett, representing the transcontinental line, told the commission that a refusal to grant the reductions would be a reversal of the commission's action in every case where such reductions have been granted, declaring that every provision of the law requisite to granting reductions had been met in the present proposal. Arguments were presented to the commission earlier in the day by representatives of western and intermediate points affected, the latter contending that the proposed rate reductions would cause undue discrimination against them.

Creates Competition. Representatives of western points, however, supporting the proposal, declared that the effect of reduced transcontinental rates would be to create competition in the intermediate territory that would be a detriment to the intent of the law.

The interstate commerce commission, in the transcontinental case is called upon to decide whether it is required by the broadest issues placed before it in a long period.

Before its largest aspect the case involves the question whether the railroad shall be allowed to make rates which will barely meet the actual cost of transportation in order to compete with the ocean route. The railroad contend that with the proposed reduced rates they will be able to operate at a profit while those opposing the reductions contend that the service will be rendered by the railroad at actual cost or less, it not bearing its proportionate share of the general transportation burden. Shipping interests throughout the hearings and arguments have contended that to grant railroad competitive rates would be to take away from such interest a natural advantage.

RELINQUISHED LANDS RESTORED TO ENTRY

Approximately 2500 acres of land south and west of Cedar creek and Salmon river in Twin Falls county, having been relinquished by the West End reclamation project have been restored to entry and applicable under the act, according to announcement by Mary G. Angel, register of the United States land office at Halley. The date of restoration is effective October 28, next. Bidders preference right period is to continue from October 28, 1924, to January 27, 1925, inclusive, and the land will be open general disposition beginning January 28, next.

SEE FIRST MOVIE SHOW

STUCCO FALLS, S. D., Oct. 16 (AP)—O. H. Olson, 81, and his wife, who is 83, came here today from their farm home near Dell Rapids and saw their first motion picture show and their first movie picture show. After the show, which contained a western feature and a short comedy, they expressed the opinion that the feature picture was the best they had ever seen. The comedy, they agreed was more enjoyable.

TWO DEAD, THIRD HURT WHEN PLANES COLLIDE; HURTLE 1300 FEET TO EARTH

SAN DIEGO, Cal., Oct. 16 (AP)—Two men were instantly killed and a third had a miraculous escape from death at 2 o'clock this afternoon in a mid-air collision 1300 feet above Coronado of two naval Vought airplanes.

The dead are: Ensign Merritt J. Flinders, age 24 years, attached to the transport Vega. Robert H. Kerr, aviation chief machinist's mate, naval air station. Kerr resided at San Diego and leaves a wife and three small children.

Gunner William Cole escaped with his life when he walked out on the wing of his Vought and plunged head first to the ground. His parachute opening after he had fallen 500 feet. He is suffering from shock but is otherwise uninjured, according to naval physical.

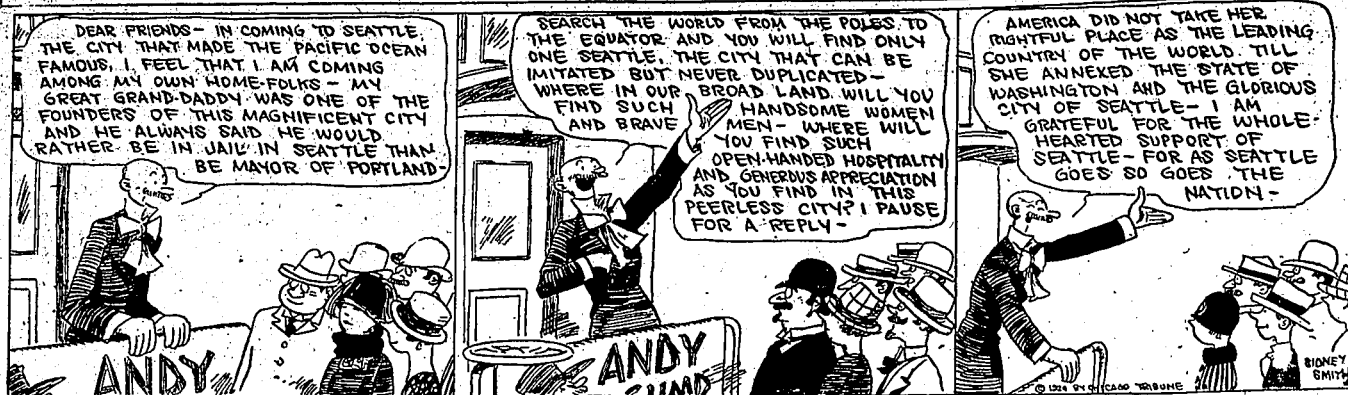

The mid-air collision, one of the most tragic in the entire history of local aviation, occurred when Kerr dived with his Vought and Cole's plane, Cole, traveling faster than 115 miles an hour directly beneath, did not see Kerr's plane until the crash.

Diving through the cloud low Kerr had no chance to see Cole's plane and the two ships came together with such a terrific impact that the crashing airplanes could be heard for more than a mile.

The bodies of Kerr and Flinders were picked up from wreckage of their plane near the Walter Kerr property in Coronado. The plane of Gunner Cole, after whirling crazily for a brief time, piled up on the Coronado golf links and caught fire.

THE GUMPS—O SAY, CAN YOU SEATTLE?

IDAHO TO MEET WASHINGTON IN FOOTBALL GAME

Prospects Bright for University at Moscow to Take Game; Dope All Favors Home State Eleven.

MOSCOW, Oct. 14.—With Idaho's chances against her older rival, Washington State college, as bright as the most loyal university man could request, the gridiron forces of the two schools meet on MacLennan field Friday before the Vandal homecoming crowd. Last season at Pullman, Idaho defeated the Cougars 14 to 0, and a second win would be an achievement unknown to Idaho since the 1908 and 1904 seasons, when Idaho took two straight classics, 32-0 and 5-0.

Chances Good. Idaho's chances against the Cougars lie in her superior strategy, for in actual poundage the squad of A. A. Exending, the third Garfield Indian to handle the football destiny of the Washington State, will exceed Idaho an average of 10 pounds to the man. The Vandal prospects have vaulted amazingly since Gonzaga defeated Washington State, 14 to 12. The Bull-

CLOVER

CLOVER—William Koeppe, William Werner and Albert Lierman, Sr., left last week for Montana to look over the land situation there. Miss Sophie Elting from Carleton, Nebraska, arrived last week for an indefinite stay with her sister, Mrs. Arthur Werner and family.

The Rev. and Mrs. W. T. Dannenfeldt entertained Mr. and Mrs. William Dierker and family, and the Rev. and Mrs. H. Bentrup and family at a 6 o'clock dinner at their home on Thursday evening.

Miss Hilma Werner spent Sunday afternoon with Paula Schroeder.

Richard Harms of Spokane, is visiting relatives and friends in and near Clover.

The Rev. W. T. Dannenfeldt left

dogs held Idaho to a scoreless tie, albeit Idaho made 11 first downs to her opponent's one. But Idaho came back at Montana, with an offensive that refused to be stopped and Gonzaga welcomed the mighty Cougar.

Lesson Show. There is a lesson in the Montana-Idaho game that Washington State scouts, who kept their pencils busy during the whole game, should have noted. Idaho started six separate offenses and each time she sustained them for touchdowns, proving that the power and drive expected from Idaho had arrived.

The Vandals face Washington State, however, without Larry Quinn, tackle, and Frank Kinnison, halfback, both regulars. Quinn and Kinnison are out for the season. Serious injuries to this pair came against Montana.

In view of the significance of the Friday game in the Coast conference, coupled with it being the annual clash with the Cougars and Idaho's homecoming, a record crowd is expected. The advance ticket sale has been encouraging and 2500 additional seats been provided.

Monday for Eden to attend the pastoral conference, which is being held there.

Fritz Meyer left last week for Kansas to look over his business interests in that state.

Clover Trinity Lutheran church will celebrate its annual mission festival next Sunday, October 19. There will be morning and afternoon services.

Mr. and Mrs. Fred Wegener and son, Victor, Mr. and Mrs. Emil Lierman and son, Martin, expect to leave overland for California on Wednesday; also Robert and Esther Kierveig, who have spent the past three months here visiting relatives and friends, will leave for their home in Orange, Cal.

Mr. and Mrs. G. E. Thaeert, Mr. and Mrs. August Werner, Gertrude and Ruth Lierman were callers at the home of Henry Werner on Tuesday evening.

Misses Eva Hagler and Sophie Harms have been working for Mrs. O. Bary, who was quite seriously injured in an automobile accident near Buhl last week.

A. E. Mulliner had a new gas pump installed in front of his store last week.

Mr. and Mrs. Henry Werner and Miss Hilma, were Twin Falls shoppers Thursday of last week.

Mr. and Mrs. Richard Loohtjer of Buhl, were Clover visitors Sunday.

H. C. Reinke was a business caller in Twin Falls Saturday.

Mr. and Mrs. Robert Werner and son, Leonard, called on Mr. and Mrs. August Werner last Thursday.

Again the Sower

And again the sun blinks out, and the poor sower is casting his grain into the furrow, hopeful he that the sodden and far heavenly horizons have not filtered; that there will be yet another summer added for us and another harvest—Curly.

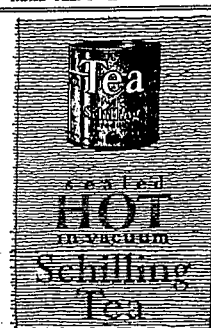

NOTICE

The wall at the Cottonwood flume on the High Line Canal is in bad condition, and it is necessary to make some repairs in concrete before freezing weather. This will necessitate taking the water out of the High Line Canal for a few days, beginning October 12th, to October 18th. The work will be rushed to completion.

ROGERSON HOTEL BUILDING

What Chance Has Winter Against a Coat Like This

Not even a slim one, we'll say. A lining in these trim mackinaws that the sharpest wind can't puncture. A fellow's got leg-room in these, too, and a lot of hard play won't wear 'em out right away.

\$7.50

You Multiply the Wear with Two Knicker Suits

A suit for school and play gets lots of abuse. An extra pair of knickers is like a second defense—it backs up a suit. A fellow is able to get nearly two times as much wear from a suit with two knickers.

\$13.50

MAKING OCTOBER A BANNER MONTH

CARRIES FIGHT TO LAFOLLETTE

Attorney General Conner Opening Campaign in County Says Wisconsin Man Chief Foe.

BULL. Oct. 16.—(Special to The News)—Victorious denunciation of the assault on the supreme court led by Senator LaFollette who with his followers, it was declared, constitute the main opposition to the republican party in this campaign, marked a high point in the address of A. H. Conner, Idaho attorney general, at a public meeting here this evening that marked the opening of the republican campaign in this county.

Mr. Conner shared the platform with republican county candidates and P. M. Goodrich, of Washington, D. C., assistant secretary of the interior, who discussed achievements of the republican national administration, laying stress upon its adoption of the budget plan and curtailment of governmental expenditures, resulting in reduced federal taxes.

Emphasizing the duty of the citizen to register and to vote, he pointed out that this alone is not enough, since the vote must be accompanied by intelligent effort.

"The speaker, discussing first the record of the present administration, outlined economies which he said Governor C. C. Moore had been unable to effect, and added:

"In addition, not a single bond has been issued while Governor Moore has been in charge of things. Not only that, we have reduced the bonded indebtedness of your state by \$300,000. All this has been accomplished in spite of the fact that values of property here have been going down in these years I am speaking of."

Analyses Departments.

Charges that too many men and too many officers were employed in state government were demolished by the attorney general after he had analyzed the various departments, showing where each in turn, he claimed, is dispensable.

"The principal opposition to the sound policies of the republican party in this campaign," Senator Conner declared, turning to the national ticket, "comes from Senator LaFollette. There are many reasons why I would be dissatisfied to the extreme if I were elected Senator LaFollette. I am just going to mention three of these reasons, but will not discuss them. First, Senator LaFollette seems to me to have the guarantee of the constitution by giving congress the right to overrule the supreme court of the United States. This would be a most serious thing which has been seriously proposed in all the 135 years of our history, and would endanger all the sacred rights which we have won in the organic law he would destroy.

"Second, Senator LaFollette seeks to have the government own and operate the railroads of the United States. He asks the question of whether the government could successfully operate a railroad, which experience has taught us it could not, I would remind you that if the government buys the railroads they would pay not taxes, and Idaho alone would lose the enormous sum of \$44,000,000 of taxable property. This would mean a heavy increase the burden on the shoulders of the man who still has a farm or a home or business, and who would have the tax to pay.

Attacks War Record.

"The third and principal reason why Senator LaFollette should not receive the support of good red-blooded Americans in the time of his country's need will not be honored by the nation which he failed."

FIRE SWEEPS SHOE STORE

Damage at Royal Repairing Maine Avenue Shop, Estimated at \$2000. Fully Covered by Insurance.

Fire starting at the stove pipe at 6:15 o'clock Thursday evening, swept the interior of a one-story frame building at 217 Main avenue east, owned by John Janney, of Washington, D. C., a former resident of Twin Falls, and occupied for about a year past by one of the two stores and shoe repair shops conducted by Fred Meyers, under the name of Royal shoe repairing, loss which is estimated at approximately \$2000, is said to be fully covered by insurance.

SPORTS

LOCAL FOOTBALL TEAM TO MEET OAKLEY TODAY

Oakley high school will be the opponents of the local grid squad at Oakley, this afternoon, in the third game of the Twin Falls schedule. Oakley has established a reputation for scrapping to the last whistle, thus assuring an interesting game, and those who accompany the team should be prepared for their trip. Oakley has lost almost all of her last year's squad and will go into the game with a different lineup than the one the locals saw last.

Twin Falls has rolled up an enviable record thus far this season, having defeated Piller by a decisive score, and played the Albion Normal to a standstill. The local line is one that has outgained any line they have been up against so far. Frim and Humphrey are already being mentioned as state tackles. The work of the end Day and Farrar, has been of stellar quality. Farrar proved last Saturday that he is one of the best men in the state on the receiving end of a pass.

The Twin Falls backfield is without a doubt one of the best seen in action so far this season, with Timm and Alvord doing the heavy work of the line. Oakley has been somewhat of a dark horse this year, although they have played the Buhl team to a scoreless tie last Friday. Little is known of the team, but they are expected to show. However, the star of the Buhl game was Critchfield, Oakley's big fullback, who gained the greater part of the Oakley yardage.

DEATHS

WILSON—E. G. Wilson, 54 years old, resident of Kimberly for some years, died of a brain tumor at the home of Joe Brainer in Kimberly, from an affliction of many years. The body was taken to the Grossman mortuary in Twin Falls. Mr. Wilson, it is stated, is survived by no relatives in this region and arrangements for funeral services are being deferred, pending word from relatives in the east.

Mount Athos' Famous Monastery Destroyed

The famous monastery of Chilandari, on Mount Athos, built in the Middle Ages, has been destroyed by fire. Mount Athos, the "Holy Mountain," gives its name to the northernmost of those peninsulas which extend like a three-pronged fork from Greece into the Aegean sea. It contains several monasteries and hermitages standing amid magnificent scenery. Mount Athos, the "Holy Mountain," gives its name to the northernmost of those peninsulas which extend like a three-pronged fork from Greece into the Aegean sea. It contains several monasteries and hermitages standing amid magnificent scenery.

Peculiar Streams

Many of the streams and lakes of eastern Oregon are strongly alkaline in character. The title de Vinagre, the Vinegar river—of New Granada in Central America, is said to be the sulphuric acid in the water. The Orange river in South Africa contains matter which renders it poisonous to fishes in part of its course. In Algeria there is a stream ink black, and indeed it is only diluted ink, owing to one of its tributaries being strongly impregnated with the iron which it absorbs from a ferruginous soil, and the other from manure through a peat marsh, being equally rich in gallic acid, the two principal ingredients of ink.

Spring's First Arrival

The blizzard is among the first, often the first to arrive in spring in the northern part of the United States from the southern states, where this aristocrat has been spending the winter, says the American Forestry association. Sometimes heavy blizzards will pass the winter as far north as southern New England. The blizzard builds its nest in bird boxes, or in crannies about buildings or in holes in trees, particularly around deciduous trees. It lines the bottom of its nest with grass or for the four or five blue-white eggs which it lays. The female is paler in color than the male.

REVIEW SCOUT ACHIEVEMENTS

Leaders of Movement in Twin Falls Make Report to Contributors to Fund for Year

Outstanding achievements of the Boy Scout movement in Twin Falls during the past year have been listed by the Twin Falls scout council in a report to be sent out to contributors last fall to the Boy Scout fund. The report includes detailed financial statement indicating that the year's work will be closed without incurring a deficit.

Magnitude of the Boy Scout movement here is indicated by T. M. Robinson, president of the county, in a foreword to the report.

"This is a big, broad movement of much good," the statement says, "and has been most loyally supported in Twin Falls by the boys and their parents. Perhaps you do not realize that there are nearly 100 men in Twin Falls giving voluntarily of their time and money to the cause. The 274 scouts have made cash subscriptions toward its support for the year 1924."

"This work, and your money have made possible an increase of about 100 per cent in the number of registered Boy Scouts so that there are now 191 registered scouts who have been trained in leadership and good citizenship. They have enabled us to give more intensive training to these boys, to create more enthusiasm and a higher order of scouting and to put the work on a firmer and more lasting basis."

Replete With Activities

"The year has been replete with activities and accomplishments of these boys. At winter camps they have been taught to care for themselves and handle the dangers of winter weather. Scout work has been filled with teachings of church attendance, importance of education, practical life in good citizenship and good government, and that there is always a place for play and physical development in every well rounded character. Flag day exercises have taught honor and respect for the flag and all that it stands for. Tree planting and park beautifying have helped these boys to become partners with the God of nature."

"Many activities of the weeks spent in summer camps cannot be enumerated, nor many good turns done by each individual boy and by troops during the year."

"Scouting is the greatest step ever taken towards the building of character in good citizenship and good government. The boys are trained and we should feel proud of having been able to help in the cause."

Among the things that the Twin Falls scout council hopes to accomplish during the coming year are listed:

Enrollment of more troops; training of more boys; more systematic and intensive training for all the boys; enlistment and training of additional scout masters and assistants; organization of Fathers' clubs, bringing fathers and son closer together in scouting.

PASTORS APPRECIATE EDEN'S HOSPITALITY

Lutheran Ministers of District Hold Three Days' Conference in North Side Town.

Hospitality of the Lutherans of Eden, who entertained a conference of Lutheran ministers held there last Tuesday, Wednesday and Thursday, is gratefully remembered by all of those who took part in the sessions, according to the Rev. John Gilling, pastor of the Lutheran church in Twin Falls, who returned Thursday evening from the conference.

Speakers at the conference included Rev. W. E. Hansen, president of the Oregon and Washington district of the Missouri synod, and the Rev. W. G. George, director of missions of this district. The Rev. F. C. Braun of Idaho Falls presented an essay on "Christ's Descent Into Hell," and the Rev. J. Kompf of Squirrel, discussed "The Nature and Characteristics of the Church." At special services Wednesday evening, the Rev. R. Tschirley of Pocatello delivered the preparatory address and the district president spoke on "The God-Pleasing and Happy Relation Between Pastor and Congregation."

SOCIETY

Edited by Mrs. E. B. Williams Telephone 393.

Mrs. F. W. Bronnagh entertained with a beautifully appointed luncheon Thursday complimentary to Mrs. Isabel Lawrence. Diners were laid for eight at a table featuring color scheme of lavender and pink in the nut cups and place cards, the centerpiece being composed of snapdragons and Miss Marian Wason served. Sewing and conversation were enjoyed until a late hour.

Mrs. C. Y. Wayman of Berkeley, Cal., who is visiting Mrs. O. E. Lind, was the honored guest at a delightful luncheon given by Mrs. Laura Younger Heller at her home in Castleford on Thursday. Covers were laid for ten all from Twin Falls, at small tables decorated with roses. Following luncheon the afternoon was spent socially, the ladies motoring home late in the evening.

Mrs. L. P. Nissen was hostess to the Episcopal Guild Thursday afternoon. The usual business was transacted with Mrs. Thomas Robertson presiding. At this time it was voted to assist in providing refreshments for the young people's Halloween frolic which the community service department of the Twentieth Century club was planning. An especially interesting paper was read by Mrs. J. W. Clouser on "Early Religion in China, Buddhism, Taoism and Confucianism." Roll call was answered with quotations from Psalms. The remainder of the afternoon took the form of a farewell party for Mrs. George Leopold, who is leaving the first part of November to make her home in Los Angeles. Mrs. C. C. Higgins, in behalf of the Guild, presented Mrs. Leopold with a silver watch which she had purchased from the members of the Guild when she expressed their thanks for her efficient aid in the society and their sincere regret at losing her from their list of members. Mrs. Leopold in a few well chosen words thanked the ladies and invited them to visit her in California.

The Baptist Missionary circle, which met at the home of Mrs. George Wiley Thursday afternoon, entertained 31 members and friends. Mrs. George Westcott and Miss Edna Graham assisted. Mrs. Edwin Wells reviewed the first chapter of the new study book entitled, "Brethren in America." The program was concluded with a Japanese playlet, the cast being composed of Mrs. Edna Smith, Mrs. Kuykendahl, Mrs. C. E. Sweet, Mrs. Biglow, Mrs. Sam Cox, Mrs. Fred Weddle, Mrs. Edwin Wells, Mrs. L. V. Smith and Mrs. P. L. Tucker. Mrs. Westcott and Miss Graham furnished the music for the playlet. The decorations and refreshments were in keeping with the Halloween season.

The Elks are entertaining the members of the cast in the recent minstrel frolic and their friends with a dance this (Friday) evening in the Elks hall. Officers of the lodge and their wives will act as chaperones. Music is to be furnished by the Bluebird orchestra.

ASKS COURT TO SAY WHO SHOULD RECEIVE RENTAL

Farm Tenant in Quandary, Applies for Receiver Pending Determination as to Three Claimants.

In a quandary over the problem of which of three claimants should receive his payment of rental for farm land which he carried on this year under lease, James Swanson, through his attorney, J. Paul Thomas, has applied to the district court here for appointment of a receiver of the rental payment pending determination of the question by litigation. The three claimants are the original land owner with whom Swanson entered into the lease last November; a bank, which bases its claim on account of a mortgage executed in its favor by the original owner of the land, and the purchaser of the premises under foreclosure of a mortgage.

and punch will be served throughout the evening.

The Country Women's club was delightfully entertained Wednesday afternoon by Mrs. John Gott and Mrs. J. J. Tenckhoff at the home of the latter. The subject for discussion was, "Tuberculosis hospital." Mrs. M. J. Sweet, popular leader in club work, gave the club members an instructive talk on the duties of citizenship.

ANNOUNCEMENTS

The Royal Neighbors of America will meet in I. O. O. F. hall this evening at 8 o'clock. All visiting members welcome.

The board of directors of the Rural Federated clubs will meet on Saturday, October 18, at 8 o'clock in the Business Women's club rooms.

The W. C. T. U. will meet at the Methodist church parlors on Friday afternoon at 2:30.

With the arrival and further anticipated shipments of new Coats, we have offerings that will permit a gratifying selection. Materials, trimmed with fur trimmings of the softer flat variety, that adds a richness and luxury to the garment. Very modestly priced at—

\$14.98 TO \$45.00

Blankets of Beauty and Service

The time is now at hand where every housekeeper prepares for colder nights, and in having plenty of bed covering on hand to meet unexpected demands.

To make it possible for you to procure the greatest possible values, whatever information necessary to do so, is available to you; this applies to weight, size and the quality of cotton and wool used in the manufacture of these blankets. This information permits intelligent buying, and receiving the most for your money expended. Buy your bedding needs here, and you will find complete satisfaction accompanies every purchase made at this store.

Cotton Blankets, size 64x76, a full 2½ pound standard weight, of fine quality cotton, in either gray or tan, with blue and pink border; priced very modestly, the pair at **\$2.49**

Cotton Wool-Finished Blankets, which provide additional warmth—these are strictly all cotton blankets, but oftentimes customers are led to believe they blankets to contain wool, in plain gray or tan color with pink and blue border, size 72x80, weight 4½ pounds. Priced very modestly, the pair **\$3.98**

Exceptional Value in Wool Mixed Blankets, size 72x84, extra large size, weight 4½ pounds, special weight blankets, of a mixture of about one-fourth wool which makes them exceptionally warm and serviceable; in different size plaids of blue-white, pink-white, gray-white, tan-white and combination of colors. Priced very modestly, the pair at **\$5.98**

Cotton Blankets, size 72x80, weighing 3 pounds, in plain gray or tan, with pink or blue border, of select cotton yarn; priced very modestly, the pair **\$2.98**

Wool-Finish Cotton Blankets, 64 x 80, about 3½ pounds, and made of carefully selected cotton yarns. These are made in fancy block pattern designs, in blue, pink, gray and tan, and represent a most attractive value, it is real Economy to buy these blankets. Priced the pair **\$4.98**

Novelty Plaid Wool Mixed Blankets. This is a very high grade blanket, with about one-fourth best quality cotton warp, which gives these blankets additional warmth and serviceability; in different sizes, including size 60x80, weighing about 4½ pounds, in fancy block patterns, in gray, tan, blue and pink; priced very modestly, the pair at **\$7.98**

Stunning Afternoon and Dinner Gowns

In a first appearance here now. No description we might give these delightful gowns would do them justice. They are fashioned of such entrancing materials as Velvets, Satin, Crepes and Silk Crepes. The ornamentations are chinchilla furs, flying squirrels and marbou. Long straight lines and Russian tunic effects are in the lead. The colors are black, raspberry, brown, cocoa and taupe. The prices gowns would do them justice—moderate—

\$59.50 and \$69.50

Use Our Lay-Way Plan—A Deposit Will Hold Your Selection Until Wanted.

In this manner, you enjoy the benefit of making selection while assortments are complete.

AND—Our Prices will prove this to you—without a question of doubt.

LOWER PRICES—at this store are made possible as our overhead is not borne by any single item, as will be found with specialty stores—NOR by the method of expensive charge accounts—collectors—Fancy Pictures—

NOR, when Bankrupt stocks—Sample Lines—Closing-Out Stocks are purchased (where desirable merchandise is conspicuous by its absence) these goods are offered at great reductions, due to their questionable character, and complete satisfaction with the trade doubtful.

AGGRESSIVE MERCHANDISING OF TODAY recognizes more and more, the necessity of Economy and Service to the Trade without Sacrifice of Quality and Style with Extravagance—

Where Value Received is based on Quality of Materials—Exactness of Style, and upon conscientious nominal profit-taking on part of the firm and manufacturers, whose productions are presented in our offerings, this being in strict accordance with this store's unwavering policy.

READ THE DAILY NEWS

Ego is the main spring of the film industry, from star to janitor, and in no place is this more in evidence than in the divorce court. The other day a case came up in which a pretty young thing asked for separation and \$5,000 a year alimony. "How much does your husband earn a year?" the court wanted to know. "Why, he earns \$25,000 a year," said the sweet young thing, "but I know he could earn more if he had to and I'm willing he should." "Does all that?"

Subscribed and sworn to before me this 15th day of October, 1924.

I certify that I am NOT an Officer or Director of this Bank.

W. C. DICKEY, Jr., Notary Public.

SOAKS RIGHT IN AND LIMBERS UP STIFF JOINTS

Pharmacists Call It "Joint-Ease" Because It's for Swollen, Sore, Painful, Creaky Joints Only.

It took a good many years to get together a combination of plain salting and swelling reducing agents declared to be the one remedy that almost instantly penetrates through skin and flesh and starts life in make weak, inflamed, creaky, pain-racked joints as good as new.

They call this "Joint-Ease" because the medical man who turned the trick worked for years to perfect some low cost remedy that would reach and fit the millions of people who have one or more joints that need helpful attention.

"Joint-Ease" is prepared only for people who have a swollen, painful creak, distorted or stiff joint, whether it be in knee, elbow, shoulder, ankle, hip, foot and wherever it is caused by rheumatism or something else.

Of course, it can't help but quickly put an end to such superficial ailments as lambo, neuralgia, neuritis, sciatica, muscle, aches in the side, crick in the neck or sore feet because of its penetrating action, but what it is really recommended for is joint ailments of a more serious nature.

Ask for a tube of "Joint-Ease". You can use it several times in one evening for quick results, because it goes right through the skin with only a few seconds rubbing. It surely is a swift penetrator, and when it gets under the skin, it starts right in to clean up all the trouble.

All druggists dispense it daily for about 50 cents a tube.

Always remember, when "Joint-Ease" is in joint agony gets out—ask for it.

Mail orders filled, cash or C. O. D. by The Laboratories, Hollywood, California.

THE OAKLAND SIX A YEAR IN ADVANCE ON DISPLAY IN TWIN FALLS

While the basic reason for the early growth of the motor car industry was need for personal transportation, the fact that the industry has reached such a point of development as to be capable of constant improvement of its product to meet the ever-changing needs of transportation.

These latest designs of manufacture are quickly taken up. The industry is not static. It is eagerly open to new suggestions. That is why any motor car of today is old and out of date. It is a swift-moving industry.

Thus it is that each year, on some make of motor car, appears a new feature, or a series of new features that are taken up by the whole industry.

During the last year and a half the Oakland Motor Car company, one of the leaders of the industry, has introduced some of the most important new features of advanced design.

New design of steering gear, quick standard on all its models. This type of finish is undoubtedly one of the most important developments since the beginning of the industry, and every month passes but an announcement is made that some other motor car company is adopting it as standard on certain of its models.

Though automobile tops are scarcely ever put down, the majority of motor cars are still of the collapsible type. Oakland was the first to introduce a permanent top.

The real value of the permanent top lies in its rigid construction and the assurance with which the car can be driven in the heaviest rain.

This construction also enabled Oakland to introduce glass enclosures, an improvement which has made closed car comfort available to thousands of open car buyers.

The centralizing of all controls on the steering wheel was likewise first introduced by Oakland. This feature adds comfort and safety to driving, as the hands need never leave the wheel.

By the introduction of the first Light Six to offer as standard equipment the following features:

Four wheel brakes; interchangeably light instrument panel; indestructible bronze spark knock bearings; perfected automatic spark control, honed cylinder; adjustable front and rear suspension; adjustable universal joints.

The Oakland is built in eight different models and may be demonstrated at any of the following points:

Twins Falls, Idaho, or demonstration may be had by calling Phone 89, any day.

FOR SALE—MISCELLANEOUS

PROGRESSIVES ARE BADLY OFF IN NORTH IDAHO

Ravenel Macbeth, Secretary of State Mining Association, Regards Chances of Third Party as Slight.

The progressive party has nominated candidates for the state legislature in three out of the 10 counties in north Idaho, but in not one of the three will they elect. Kootenai, Lewis and Nez Perce are the counties where nominations have been made.

This is the statement of Ravenel Macbeth, secretary of the Idaho Mining Association, who arrived in Twin Falls on Thursday on a business visit, following an extended tour of the northern part of the state.

Mr. Macbeth is one of the better known democrats of the state, having served for something like eight terms as state senator from Custer county, where, for a number of years, he was engaged in the mining business.

"Usually when a man is an applicant for a highly responsible position," said Mr. Macbeth yesterday, "the parties to whom the application is made make very careful inquiries of those informed as to what manner of man he is. In the case of H. F. Samuels, the applicant of the progressive party for the highly responsible position of governor of the state of Idaho, the people, in some sections, have neglected to ascertain this information though it is readily available from the people of Shoshone county with whom he lived and worked for over 25 years and have accepted him at his valuation of himself."

"For many years Mr. Samuels managed the Success mine, employing 150 to 200 men, annually with a money value of the labor turnover in Shoshone county he had 1500 to 2000 men in his employment during the period of his operations. He was the president of a bank at Wallace; the proprietor of the leading hotel in that city, and interested in a number of business enterprises in the county."

"Mr. Samuels was unquestionably well known to every voter in the county, and one would naturally conclude that when he became a candidate for governor in 1923 his candidacy would have received favorable consideration from those who knew him well."

"But not so. They knew him too well, for with 4200 votes cast in Shoshone county in that year for the republican, democratic and progressive candidates for governor, Samuels, the progressive, received only 490 votes, the number of votes of the I. W. W.'s and socialists, approximately, that were estimated to be given by the republican and democratic party workers. Notwithstanding this rebuke from those among whom he had lived and worked for so many years and to whom his record as an employer of labor—which to him was an inferior commodity—was president and hotel proprietor, was an open book, he has the audacity to again ask the voters of Idaho for their suffrages."

"A significant feature of which the voters should take cognizance is the defection of certain of his leading supporters. Messrs. F. E. Johnson, his former state chairman, Dow Dunning, progressive candidate for congress in the Second district in 1922, and former State Senator Fairchild of Ada county. These gentlemen in statements given to the press in explanation of their having withdrawn their support, stated, 'Samuels, if elected, would not be governed by his own but a puppet in the hands of Ray McKalg, who would be the real governor of Idaho; and that it was impossible for any decent citizen to stomach McKalg and his methods.'"

"Ray McKalg, the apostle of Town-

Men and Women in News Spotlight

Below: ELIZABETH GORMLEY & MRS. JULIA DAVIS ADAMS
Below: RUBY POE & DONALD MCKINNON.

MRS. JULIA DAVIS ADAMS of Copenhagen, Denmark, daughter of John W. Davis, in an interview in New York city, declared she would vote for the democratic presidential nominee, not because he is her father, but because his fundamentals are right and his sympathies are broad.

A SUSPENDED SENTENCE for disorderly conduct was meted out in New York to Norman Seelig, whom Ruby Poe, Broadway dancer and great-grandniece of Edgar Allan Poe, charged with making love with a gun during an automobile ride.

EXPLAINING HER \$250,000 breach of promise suit against Thomas A. Hanna, multi-millionaire builder of New York, Elizabeth Gormley, 20-year-old divorcee, declared he was "bald but ideal."

HON. DONALD MCKINNON, commissioner in the United States for the commonwealth of Australia, is shown leaving the White House in Washington, where he had made good to President Coolidge after resigning his post.

loyism, the former non-partisan league boss, and now the chairman of the progressive party, is too well known for me to comment upon him; but with the recent of Townsleyism that ruined North Dakota, I can safely state that with McKalg, Townsley's apostle, and his gang in control of the state house, the people would see some morose awaken and find the state wrecked."

"In north Idaho, from which section I recently returned, I found the progressive party was rapidly disintegrating and that the voters were returning to their old party alignments. I can confidently predict Mr. Samuels will not carry any one of the ten north Idaho counties."

FELIX FOUND NOT GUILTY

C. N. Felix, charged with permitting a horse to run at large within boundaries of the Twin Falls herd district, was acquitted by a jury in probate court here Wednesday afternoon. Complaint in the case was signed by G. F. Rauch, and the action was prosecuted by the prosecuting attorney's office. Felix was represented by Attorney E. V. Larson.

DEMOCRATS TALK ISSUES FROM PARTY STANDPOINT

T. J. Lloyd and W. Orr Chapman Are Speakers at Open Meeting of Democratic Women's Club.

T. J. Lloyd, candidate on the democratic ticket for re-election as state representative, and W. Orr Chapman of this city were speakers at an open meeting of the Democratic Women's club attended by about 30 persons Thursday evening in the Business Women's club.

Mr. Lloyd discussed the democratic state platform, paying particular attention to its declaration for bank deposits guarantee.

Mr. Chapman presented a critical review of the republican national administration and discussed state issues briefly from the democratic standpoint.

The meeting was presided over by Mrs. James D. Whelan, president of the club.

BREVITIES

Goes to Los Angeles—Miss Vorn Richards, daughter of J. W. Richards, left Thursday evening for Los Angeles, where she will visit her sister and attend school.

Here on Business—T. R. Beason of Ogden, manager of the Lindsay Land and Livestock company, left Thursday evening returning to his home after a few days business visit here.

To Give Testimony—S. O. Swenson left Thursday evening for Pocatello to testify in federal court in the trial of the case of the Oregon Short Line against the Allen Oil company.

Install Equipment—Smock and Dick, of the Idaho-Nevada Electric company have finished installing the electrical equipment in the Roger Brothers Seed company's new bean cleaning plant at Curry.

Conclude Visit—Mr. and Mrs. C. E. Stewart left Thursday evening returning to their home at Hoxie, Kan., after two weeks' visit here at the home of Mr. and Mrs. Forrest Warren. Mr. Stewart and Mrs. Warren are cousins.

Summoned as Witness—C. C. Higgins, Twin Falls county auditor, will leave this morning for Pocatello to appear as a witness in the case of the Oregon Short Line against the Allen Oil company on trial in federal court there.

Inspects Road Work—A. N. Ashline of Shoshone, division engineer for the state highway department, is in this district for a few days inspecting road building in progress on the Oregon Trail state highway in Twin Falls and Cassia counties.

Guests at Banquet—Dr. E. L. White, district superintendent for the Methodist Episcopal church, and the Rev. Tom Blodgett, pastor of the Hansen Community church, were guests Thursday evening at a "father and son" banquet at Barclay.

Fledged to Society—The following young men were pledged Thursday night to the I. F. Thil society: Chester Skinner, Lee Logan, Harold Standish, Howard Smith, William Kierstead, Frank McMaster, Ross Cole, Cornell Jarman, John Ford and Hector Rydahl.

STORM PERIOD HERE IS REVIEWED IN BULLETIN

Last of Weekly Weather and Crop Reports for Season Tells of Temporary Interference With Field Work.

Unsettled weather interfered with field work in the Twin Falls region during the week ending last Tuesday, according to reports incorporated in the weekly summary of weather and crop conditions in Idaho, issued this week by Clinton E. Norquest, meteorologist for the United States weather bureau at Boise, with the statement that this is the last weather and crop bulletin for the season of 1924.
